Homes Needed For Foreign Exchange Students

School will be starting again soon. We have several real neat students that want to come to the U.S. for a school term. Some of these students are exceptional, with good grades, and have been screened as to personality and past grade performances. We have Hanna from Germany, who is active Protestant, plays the piano, guitar and organ; interests are student government, swimming and interested in learning about another culture. Also we have Adrian, who father is an engineer and has twin sisters. He enjoys basketball, biking, computer, table tennis and student government. Both of these students are on the Prestigious Congress Bundstag Scholarship program. This program was set up by the U. S. State Department and the German Parliament to help students from both countries to get a better feel for the other cultures. These students need to be placed in the next 2-3 weeks so we can get their papers processed in time for the school year.

Of course, these are not the only students looking for a home for the coming school year. Students from Canada, Denmark, Germany, France, Italy, Portugal, Russia with a total of 26 countries are looking for homes for the coming school year. If you are looking for a real experience, this is for you. Call me for further info, Eula Miears, 254-734-2517. ASSE International Exchange Student Program.

Mayor and City Commission Make Plea To Citizens

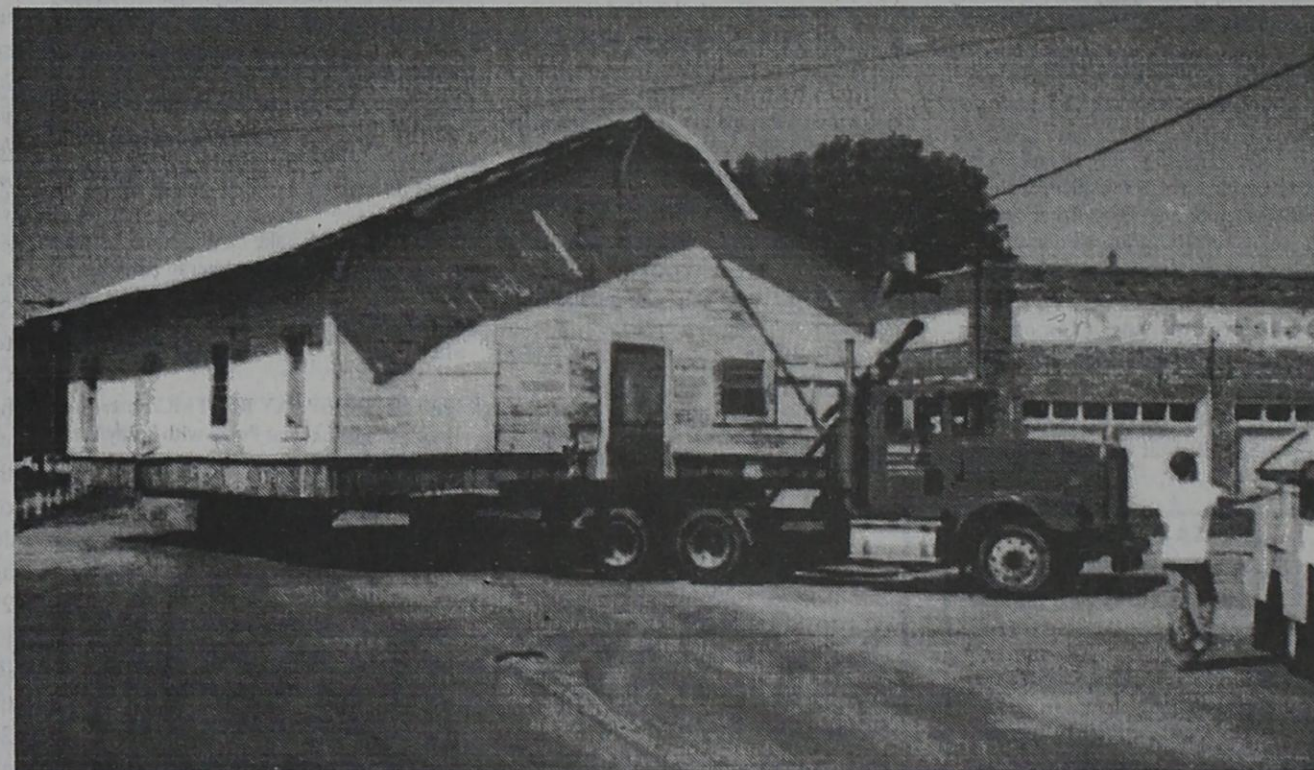

The Mayor and City Commission would like to make a plea to the Citizens of Gorman. There are many vacant and abandoned properties that are in dire need of major attention. Trash has accumulated, grass and weeds need to be shredded and mowed, and it also makes for a very serious fire hazard.

The Mayor and Commission, if it becomes necessary, will have our Fire Chief and Fire Marshall to declare it a hazard and the property will be corrected by the City at the Owners Expense. Please take pride in your community and make an effort to clean up around. Thank you for your cooperation.

"SPEAKING THE TRUTH IN LOVE"

(Ephesians 4:15)

.....Biblical truths brought to you by the church of Christ in Gorman

The point of this series of articles is to show that Jesus currently has ALL authority over His church. Sadly, some in Christianity today no longer acknowledge this foundational truth. As we continue with this study we will notice that Jesus still has ALL authority over His church because of what He IS to His church. Last time we saw that (1) **Jesus is the only One authorized to be The Head of His church.** This week we will notice that (2) **Jesus is the only One authorized to be The Teacher of His church.** The source of the doctrine that is taught in the church should be and must be from the words of Jesus, Himself; the words that make up the New Testament. Listen to Jesus speak, "Come to Me, all you who labor and are heavy laden, and I will give you rest. Take My yoke upon you, and learn from Me, for I am meek and lowly in heart: and you will find rest for your souls. For My yoke is easy, and My burden is light." (Matt. 11:28-30). We must not allow John Calvin, Joseph Smith, John Wesley or anyone else to teach us, but rather only Jesus the Christ. Jesus compared the one who heard His words and obeyed them to a wise man who would be able to stand through the storms of this life and also on into eternity (Matt. 7:24-27). Truly, Jesus taught with authority 2,000 years ago and He still does today (Matt. 7:28-29). The question is, "Are you allowing Him to teach you, or are you allowing someone else?" Since Christianity is a taught religion (Matt. 28:19-20), what we are being taught is of grave and everlasting importance. Yes, doctrine or teaching is of vital importance in Jesus' church. The first century Christians continued to abide in the doctrine that the apostles had received from Jesus (Acts 2:42), and we must do the same. They understood this statement written by John the apostle, "Whoever transgresses [goes beyond], and does not abide in [remain within] the doctrine of Christ [that is the doctrine Christ taught], does not have [fellowship with or approval from] God. He who abides in the doctrine of Christ, has [fellowship with or approval from] both the Father and the Son. If anyone comes to you, and does not bring this doctrine, do not receive him into your house, neither greet him; for he who greets him shares in his evil deeds" (2 John 9-11 NKJV - all words within brackets added by writer for clarification). Please read Matthew 15:1-14 and notice that our acceptance and practice of an incorrect teaching can cause our worship to God to be vain, empty and unacceptable to Him. Yes, "what we are taught" and "by Whom we are taught" is of extreme importance. More next week.

HERITAGE MANOR NEWS

By Nancy Hendricks

A Note From The Administrator

It sure is great to be back in Gorman. I spent a few days with family in Colorado. Then July 4, 5 and 6th, I spent on business in Dallas. I couldn't get out of Dallas fast enough Friday evening. It sure was nice to get back into Eastland County (Home!) You do not always appreciate how great it is where you live, until you have been away for a while. On somewhat sad note, my last day at the Nursing Home will be July 21, 2000. I will be going to work at a nursing home in Dublin in August. I have really enjoyed being a part of the Gorman community. Stop by and see me if you are ever in Dublin. See you at the Nursing Home.
