

PRESS POINTS

JOE BENNETT, Publisher

Did you go out to the baseball field during the softball slow pitch tournament and watch any of the games? If you didn't you sure missed some good fun and action. The only things wrong with the tourney was the rain that fell two nights of the games and the low number of local fans who supported the Lions Club and the Baseball organization of Gorman. There were a good number of out of town fans to see the games but the local fans stayed away for some reason. This was disheartening to the Lions Club who worked long and hard on this project for the benefit of the community. And the admission was free. The Lions Club did pretty good with the tourney. They raised enough money to donate a good amount to the baseball organization and there is a chance more can be given toward the baseball fund. But the project could have been so much better with the support that it should have had. The Lions Club wishes to express its appreciation to all who supported this project and are hopeful that more fans will turn out for the upcoming Ladies Softball Slow Pitch Tournament in July. I sincerely hope that folks support this event. Again the admission will be free and no donations will be taken up. But, again, the Lions will be operating concession stands to raise money for local projects.

We did not have a complete total on the tourney at press time but we will publish it next week. Again the Lions Club are appreciative of your support of the tourney and will continue to do their best for our community's good.

This truckers strike situation is getting real bad. There have been several shootings and other events in this strike. The truckers can do almost anything they want and folks seem to think its okay. But when the farmers went to Washington and other places to bring attention to their plight some folks thought it was awful. If it wasn't for the farmers the truckers wouldn't have near as much stuff to haul, and nothing to eat. We hope the violence that is connected with the strike will end and that the strike will end soon so that things can return to normal or as near as possible.

There are several more new homes being built in the community and we will be getting some pictures as soon as the work progresses so that the picture will show how the shape of the houses are coming along.

There is more remodeling taking place in Gorman also. Work is continuing on the remodeling project of the Parker Building and there is a new tenant in the old Texas Electric building. More on

Rita Bennett - Stephen Bailey Set Nuptials

Mr. and Mrs. Herman G. Bennett announce the engagement and forth coming marriage of their daughter, Rita Diann to Mr. Stephen M. Bailey, son Mrs. La Joyce Bailey of Abilene and the late Mr. Jerry Bailey.

Vows will be read 7:00 P.M. Saturday, July 14, in Frist United Methodist Church.

All friends and relatives are invited to attend the wedding and reception to follow in Fellowship Hall.

Martin - Hardin Repeat Vows

Miss Shirley Frances Martin of Gorman and Mr. Donny Loyd Hardin were united in marriage Thursday June 7, 1979 at 6:30 p.m. in this later.

Also Birdsong Peanuts are expanding and remodeling another portion of Plant No. 1. This is just another part on the continuing growth and expansion projects of this outstanding firm to help the growth of Gorman.

Also the expansion of the Peanut Corporation of America out on Highway 6 west is nearing completion and we will be doing an article on this soon.

Also Quick Way Grocery is expanding their facilities by adding a good bit more floor space. This project should be finished soon.

Work is complete on the Blackwell Hospital Clinic and the only thing that is holding the completion up is the furniture delivery which has been held up due to the truckers strike. The new phone numbers for the clinic are 734-2292 and 734-2293. We will have some pictures on this as soon as everything is completed.

The Little League baseball season is just now getting underway good and we urge everyone to turn out for these games and back these youngsters with your attendance. They are our most important asset and we should all do what is necessary for the youth our our community. We have a real nice ball field of which we should all be proud, and more work will be forthcoming on the facilities as money is available. Maybe with the funds received from the Lions softball tourneys and some possible additional donations from the Lions Club the field can be completed.

We thank the good Lord for the outstanding youth we have in this community and should do everything we can to show them we care.

And remember to smile - because God Loves You!

Memorial To Honor Dr. G.A. Brown

STEPHENVILLE — A memorial scholarship honoring the late Dr. G. A. "Archie" Brown, Jr., former Tarleton State University student, has been established at Tarleton by the family and friends of Dr. Brown.

The scholarship will be administered by the Tarleton Development Foundation. Dr. Brown was a native of Stephenville and attended Tarleton in 1953-54. At Tarleton he was a cadet Lieutenant Colonel on the ROTC regimental staff and was a member of the Wainwright Rifles and the Tarleton honor guard. Dr. Brown was listed in Who's Who and was awarded the Tarleton academic "T". He was a member of the TTP's spirit group.

Dr. Brown was a graduate of the University of Texas and Southwestern Medical School and took internship and two years of family practice residency at Sacramento County Hospital in Sacramento, Calif. He practiced one year in Beaumont and for the past 15 years was the only family doctor in Freer.

In 1977, Dr. Brown was the subject of an extensive article by Roy Appleton in the Corpus Christi Caller dealing with the problems of a small-town doctor and the humanitarian manner in which he handled the problems.

Dr. Brown was a member of the Texas and American Medical Association and the American Academy of Family Physicians. He was also a councilman on the Freer City Council.

Dr. Brown, 44, died in a Corpus Christi hospital May 9 after a long illness. He is survived by his wife, the former Pat Reeves of Stephenville, two sons, David and Steven, and a sister Mrs. Elizabeth Cowan of Belton.

Gifts to the Dr. Archie Brown Memorial Scholarship Fund may be sent to the Office of Development, Tarleton State University, Stephenville, Tex. 76402.

Dr. Brown was a nephew of Dr. and Mrs. A.A. Brown of Gorman.

You know Texas's own 36th Division was the first to land at Salerno, Italy in Sept. 1943. They paid a terrible price there and Gen. Mark Clark tried to cross the Rapido River. It was a crazy thing to charge into those German fortifications. He would not listen to the Scouts and Spies.

Charles W. Stenholm Congressional Comment

Washington, D.C.—Every political movement since the beginning of time has had the seeds of its own destruction located within — often from the onset. During the sixties and early seventies we became acquainted with such movements as the New Frontier, Great Society, and the social-welfare state. In this period our Country seemed to have unlimited resources. We could conduct a war on poverty at home and a fighting war in Vietnam half way around the world. The government began a policy of intense regulation of the economy and spent billions trying to cure such problems as structural unemployment and poverty. The phenomenon of government expansion was world wide as we began to see the nationalization of many important industries in Western Europe and around the globe.

The idealism of the sixties finally collapsed when it was discovered that government programs did not cure poverty or promote efficiency in the marketplace. Massive amounts of foreign aid did very little to enhance world prosperity and military intervention overseas often did not stabilize pro-Western regimes or make friends for the United States.

Now we are in the process of examining our past errors. The issues people seem most concerned about are too much government spending and regulation, inflation, and our eroding national defense. These concerns are not confined to America but are worldwide. A Conservative government recently won in Great Britain with a pledge to reduce inflation and government spending but at the same time to maintain a strong national defense. A similar situation happened in Canada with the election of the Progressive-Conservative party. The Prime

Minister-elect, Joe Clark, ran on a platform of reducing inflation from 9.8% to 5%, using incentives to increase the economic growth rate, and to use financial incentives, not government regulations, to encourage production and conservation of energy. Certainly these are policies I support in this Country. In 1976 a Socialist government was defeated in Sweden after 44 years in power. Even in communist Yugoslavia they are experimenting with a decentralized economy based upon competition between separate business entities. A common denominator around the globe appears to be the desire for internal and international stability and an end to much of the social experimentation undertaken during the 1960's.

Certainly I am pleased that the world is beginning to move ever so slowly toward a more laissez-faire economic system based upon limited government intervention. There are many problems that the government cannot solve and must be lived with. Hopefully we are finally entering a time of reevaluating our own limitations and a realization that most problems are the responsibility of each individual to solve and not for a paternalistic bureaucracy located in a national capital.

Ralph and Aline Elston attended the fiftieth wedding anniversary celebration of Charles and Myrtle Elston in Sthpenville last Sunday. Congratulations, Elstons.

Patsy Moon has been spending the week in the Dublin Hospital, but is feeling better and is at home now.

Aunt Hazel Haynes of Hermeliegh has been visiting with Ralph and Aline Elston this week.

Ann Staude had surgery in a hospital in Dallas last Sunday. Ann was feeling much better at the last hearing.

The Johnson had their dispersal sale on Saturday, and considered it A Big Success.

Visitors with us this week were Tommy and Jane Musick of Lingleville, Raymond Hattox of Gorman, Happy Michenor of Arlington, Jack Blackwell of Ranger, Jack and Cora Hare of Desdemona, Ricky and Lexie Hogg, Gene, Jeane, Will and Niki Grimshaw.

My little Granddaughter spent the night with me the other night. I yelled at her to come and give me mouth to mouth resuscitation. She said, "Memaw, I can't. I don't know how to give mouth to mouth suffocation."

Jack Blackwell was out fishing the other day and didn't have a bit of luck.

HEARING TESTS ARE IMPORTANT

If you have a hearing problem of any kind, you owe it to yourself to have an electronic hearing test made to find why, and what can be done to help you before it is too late. The tests are free and will take about twenty minutes of your time.

We never try to high pressure you into buying anything. There are thousands of people today suffering from hard of hearingness (even some that wear Hearing Aids) and just because they waited too late to do something about it -- don't let this happen to you.

Mrs. Joe Treadway will hold a regular Hearing Aid Work Shop at the City Hall in Gorman on Monday, June 18 from 1:30 to 3:00 P.M. We invite you to come in for your free test.

We can do repair service on most makes of aids and have a full service on tubes, cleaning, batteries for you aids, and can always save you money.

We are licensed by the State of Texas to fit and dispense Hearing Aids. We are always close by when you need us.

We are in Hamilton every Friday to run special tests and assist you in every way.

NOTICE OF EQUALIZATION BOARD HEARINGS JUNE 26, 1979

In obedience to an order of the Board of Equalization regularly convened and setting; you are hereby notified that a Public Hearing will be held June 26, 1979 in the School Tax office at 1:30 P. M.

If you have evidence that you wish to submit as to the market value of your property for taxable purposes, you are hereby notified of your opportunity to appear before the Board of Equalization on this date.

The Board at said time, from the evidence now before it and such additional information as may be presented to it, will finally fix, determine, and equalize the value of your property for taxable purposes for the current year.

Done by order of the Board of Equalization of Gorman Independent School District, located in Comanche and Eastland Counties, Texas (at Gorman, Texas) this 13th day of June, 1979.

CITY
CHIT CHAT

By **Charlie L. Garrett, Mayor**
The City Commission met on Tuesday, June 5, 1979 at 7:30 p.m. in the meeting room at City Hall. All Commissioners and the Mayor were present. City employees present were Edna Brinnegar, Robert Ervin, Albert Biggs, Rick Hughes, and Pat Ingram. Others present were Johnny Ingram, Cecil Funderburg and Celestino Rodriguez.

Minutes of previous meeting were approved. Bills were approved.

The Commission voted to meet on July 19 as the Equalization Board. As I had stated before, it had become necessary to raise taxes 10% across the board. We will also be taking a look at new property added and property that has been improved. If your taxes are changed more than the 10%, you will be notified of this change.

The Commission has been looking at some changes in the Police Department for the last month and some were made at this meeting. The two patrolmen we had were working seven days a week on eight hour shifts. They had asked for some relief so that they might have two days per week off. We passed a resolution that we would hire Johnny Ingram four days each week for this relief work. The salary will come from the pay the two were receiving for the two extra days. Johnny can also be used to relieve when hands are on vacation. We feel that this arrangement will be better for all concerned. We also passed a resolution to place Celestino Rodriguez on CETA training program as a police trainee. He will be paid by a federal grant and will be riding with our patrolmen unit time for him to take his police work in Abilene.

Albert reported that 16 cases had been filed during May and that he had answered two prowler calls, three dog complaints, and had assisted in one drug raid.

Pat reported that eight of these cases had been heard with seven paying fines in the amount of \$287.50. One case was dismissed and eight are pending.

Robert reported that much of the drainage ditches had been cleaned, all streets and alleys had been graded at least one and most of them twice, weeds had been mowed on many streets and alleys as well as some lots. Some water leaks had been repaired and one water tap made. The seats have all been taken loose in the theater building and all trash hauled out of it. In addition to these things, the regular work from day to day had been done.

The budget for 1978-79 was amended and the budget for 1979-80 was adopted. We show an increase in expected revenue of \$4359 over what we had budgeted for the current year. We show an expected expenditure of about \$29,000 more this year than last. We will be able to take care of this expected increase because we ended the year with about \$41,000 in all accounts on hand. This increased balance was made possible by cutting the budget every where we could, and by the collection of over \$7,000 in delinquent taxes as well as a sizable increase in city sales tax. With the purchase of the new police car and the re-doing of the water tower, which should start soon, we will use up this surplus very fast.

I reported that I attended the hearing on the grant request for the theater building in Abilene last Thursday and am real encouraged that we stand a very good chance in receiving some money of this project. The exact amount will be known a little later. We asked for \$20,000, but feel that we will not get all of it since requests were made for some \$115,000 with only \$74,000 available for grants. Grants will be decided on need and the type of program that is planned. I will let you know what happens as soon as we are notified. When work starts, we will be needing some volunteer help and have had many who had indicated they will help.

Peanut Growers Concerned Over GKist Contract

Peanut growers in the Southwest are viewing a recent announcement by Gold Kist Peanuts regarding 1979 crop contracting with great concern. Ross Wilson, Southwestern peanut growers Association Manager, said the Gold Kist offer of \$357 per ton for 50 percent of the farm additional production and \$305 for the remaining 50 percent is significantly below the contract prices being offered by other area shellers for additional peanuts for export. According to Wilson other shellers are offering prices generally from \$380 per ton to \$391 per ton.

The SWPGA Manager said that Gold Kist officials had informed him on May 10 that the Atlanta based firm did not plan to contract any additional peanuts in the Southwest. He said Gold Kist indicated at that time it planned to do its contracting of peanuts for export with growers in the Southwestern United States because of lower costs of acquisition and shipping.

The Association Manager emphasized that contracting peanuts at the level of \$357 per ton likely will work adversely to grower interest in two respects—(1) such contract price levels will en-

courage lower export market levels for shelled peanuts and (2) such a low contract price is an indication to USDA and the Congress that growers can and will grow peanuts for reduced quota support rates.

Gold Kist officials who met with Texas and Oklahoma growers recently are reported to have encouraged utilization of the Southwest Runner pool as an alternative to contracting in 1979. Wilson said that SWPGA currently is not advising growers to produce peanuts for pool participation. He said the 1978 crop pools for seg. 1 peanuts were a real disaster due principally to large quantities of low quality peanuts in the pools that were sold for crushing at prices well below the quota support rate. Wilson stated even though the pool potential may improve somewhat due to changes that may occur in the USDA 1979 Crop Regulations, we cannot at present in good faith recommend that a grower produce peanuts for the pools. If USDA Regulations provide for a separate pool for "Buy-Back" peanuts, SWPGA would recommend that growers seriously consider for the production of additional peanuts for such a pool. 1979 Regulations are expected to be announced by USDA within a few days.

REGULATION CHANGES FOR 79 CROP PEANUTS

Secretary of Agriculture Bob Bergland today announced final changes in the 1979 crop peanut program regulations, including eight changes from the proposal originally announced last April 27.

The following incorporate suggestions made during the comment period:

The discount on Segregation 3 peanuts being transferred from additional to quota loan at the end of the marketing season has been changed from \$50. to \$25. per ton.

The maximum discount on Segregation 2 peanuts under the same program has been changed to \$25. per ton. Previously the maximum discount was \$100.

Shellers may contract additional peanuts to be used in domestic markets if they put up an irrevocable letter of credit equal to the penalty rate for selling additional peanuts in domestic markets (120 percent of the quota peanut price support level of \$420 per short ton). These shellers must then agree to sell for export an equal quantity and quality of quota peanuts by the deadline required for the export of contract additional peanuts.

The time for buyback of additional peanuts for domestic use without added costs has been extended to three days, excluding Saturdays, Sundays and Federal Holidays.

Field dried peanuts have been eliminated from the minimum allowable moisture level for quota support.

The definition of peanut

products has been changed to read: "Any products manufactured or derived from peanuts such as but not limited to peanut candy, peanut butter, peanut granules or peanut flakes."

Provisions have been added for providing proof of export of peanuts by air.

The maximum allowable shrinkage in contract additional peanuts stored commingled with other peanuts has been increased by 0.5 percentage points to 3.5 percent on Virginias and 3.0 percent for other types if graded before February 1, and 4.0 percent on Virginias and 3.5 percent on other types after February 1.

The following four proposed changes were among those suggested by various segments of the peanut industry but were not accepted by the U.S. Department of Agriculture.

Substitution of split and small sized kernels shelled from contract additional peanuts in domestic markets for larger sized kernels which are exported from quota peanuts.

Adding on of carrying charges to the announced \$400. minimum sales policy for additional peanuts sold from loan stocks for edible export.

Separate pools for producers whose additional peanuts are purchased from the loan association for domestic edible use.

That program compliance for handlers of contract additional peanuts be based more on certification with performance bonds.

Our Tuesday bingo winners were: Mary Timmons - game 1; Vera Goodwin game 2; Edna Kirk game 3; Mary Harrell - game 4. Our Black-out winners were: Buddy McLearn, Gnetta Smith and Mary Timmons. A good time was had by everyone who attended. Our helpers were:

Dana Carlile and Angela Burgess. These girls are eligible to compete in the District 4-H Fashion Revue to be held June 19th in Waco. Due to conflicts, Angela Burgess will not be able to attend. Leanne Brown will take her place at the District Fashion Revue.

High point winners in each division were presented special gifts. J.C. Pennys, of Cisco donated complimentary sewing boxes. The House of Fabrics, in Eastland presented ten dollar gift certificates to the winners. All the 4-H contestants were presented purse sewing kits by the Extension Homemakers Clubs.

Velma Carr and Lola Graham. Thanks ladies!

Tuesday night we had Ice Cream, Dr. Pepper's and of fashioned singsong. We had a lot of fun singing the old songs that we remembered. Jettie Daniels, Dianne Kent and Kathy Osborne helped me serve and sing. I could not have managed without them. Thanks to all who attended and who helped.

Our Wednesday afternoon Bible Study was given by Rev. James Peppers. He has been so very good to stand in for others who could not be here. We appreciate his kindness so much.

His lesson was on the 23rd Psalm which tells us of the care our God has for us in this World and the work to come.

This was a beautiful lesson and I think we were all blessed by these words from our "Good Lord". Thanks Bro. Peppers.

We had a good singing Thursday night as we missed our Bass Singers. Where fore art thou bass singers? We hope everyone will be here next singing night. Those attending were: Leland Warren, Jettie and Burnice Daniels, Hazel and W.R. Collins, Mae Quinn, Mary Emerson, Mollie Dean, Gladys Chambliss, W. C. Browning, Marion and Annie Dennis, Velma Bennett, Joyce Dennis, Mr. and Mrs. Russell Fuller. Thanks to all of you for coming. We appreciate it very much.

The First Baptist Church of Kokomo gave our church service at 2 p.m. Sunday. Rev. and Mrs. Bob Watson brought with them Odie and Berniece Rodgers, Ava Rodgers, Woodrow and Helen Browning and Claude Fuller. Bro. Watson's lesson was on; John-Chapter 10-Verse 1. This gives us hope of eternal life - because Christ died for our sins. He is coming again to take the redeemed home. (Thanks to all who came).

I would like to thank Mr. Otis Thompson for writing our Church news for me. He is a big help to me and I appreciate him very much. I would like to thank also Buddy McLearn and Lexie Wright for helping set up for Bingo. I appreciate you very much.

KOKOMO NEWS

By Zelda Jordan

Mrs. Albert Hendricks and Mrs. W. A. O'Neal of Gorman visited last Wednesday in Clyde with Mrs. Roy Buchanan, Kelly and Yancy. Mr. and Mrs. D.F. Eaves, Mrs. Erma Eaves of Gorman and Mr. and Mrs. Neil Eaves of Mangum attended the funeral of Mr. Hopper Norris in Stephenville on Wednesday. Mr. Norris, a former resident of Kokomo, was the brother of Mr. Paul L. Norris who passed away two weeks ago. We extend sincere sympathy to the Norris family.

Mr. and Mrs. Willis Morrow and Mrs. Alma Lee Creager of Levelland, Mrs. Leonard Blakney and Sherry of Lubbock visited during the weekend with Mr. and Mrs. J. L. Morrow and Mr. and Mrs. Larry Morrow, Lance, Layne, and Lenny and they all attended the 50th Wedding Anniversary celebration of Mr. and Mrs. Charles

Tiffany visited with Mrs. Glenn Jordan and Sheri Miles on Wednesday.

Mr. and Mrs. Glenn Jordan, Mr. and Mrs. Roddy Miles, Joe and Sheri of Abilene and Mr. and Mrs. Randy McDonald of Arlington visited in Floydada during the weekend with Ted Jordan, Mrs. Jim Lewallen, Mr. and Mrs. Jamie Lewallen and Jayma and Mr. and Mrs. Bill Wier and attended the wedding of Ted Jordan and Cindy Thompson in Littlefield on Saturday evening. There will be a write up of the wedding in the paper later.

Mr. and Mrs. Clifford Nelson also attended the wedding in Littlefield and then spent Saturday night in Andrews with Mr. and Mrs. Gary Rasco.

Sheri and Joe Miles of Abilene are visiting this week with their grandparents, Mr. and Mrs. Glenn Jordan.

Mr. and Mrs. Woodrow Browning, Donna and Gary enjoyed a vacation trip last week to Hot Springs, Ark. and points of interest enroute.

Mr. and Mrs. Robert For-

tenberry and her mother, Mrs. Emma Overstreet of Visalia, Calif. attended the Overstreet Reunion in Eureka Springs, Ark. over the weekend, and then spent two days visiting with their son, Mr. and Mrs. Steve Fortenberry at Harrison, Ark. The Fortenberry's flew from Dallas and their son Steve was the pilot of the plane they were on.

Mrs. Albert Hendricks started the meeting of the Kokomo Extension Homemakers Club with a recreation time of questions and answers game when it met in the home of Mrs. Cullen Rodgers on Monday June 11 at 2:00 p.m. to put everyone in a relaxed and good mood. Mrs. Glenn Jordan presided over the business meeting. Mrs. Odie Rodgers read the minutes and gave the treasurer's report.

Roll call "Something I would like to learn to do" was answered by six members. The devotional from Hebrews 11 was given by Mrs. Joe O'Neal.

Mrs. Cullen Rodgers gave the council delegate report,

and Mrs. J. L. Morrow explained a report from the Yearbook committee.

Mrs. Cullen Rodgers introduced the program on safety which was taped program by Eastland County Sheriff, Mr. Ronnie White, entitled "Home and Personal Security". Sheriff White told of the crimes committed in our county stating that the average daily count of inmates in the Eastland County jail last year was 13, and that 46 percent of them were DWI's. He urged everyone to protect their property with good deadbolt locks.

Mrs. Rodgers served Jello salad, vegetable strips and dip, angel food cake and cold drinks to Mmes. Albert Hendricks, Glenn Jordan, J. L. Morrow, Joe O'Neal, Odie Rodgers and one visitor, Sheri Miles of Abilene.

This is the last regular meeting of the club until September. A family night will be held sometime this summer with a date to be set later.

BROWN - GREEN ATTEND STATE FUNCTIONS

Gorman Vo-Ag teacher Dwaine Brown and state officer Randy Green were among those attending two state FFA gatherings recently.

Green, State FFA Vice President from Area IV, helped plan, organize, and lead the State FFA Leadership Conference at the Texas Power - Light Youth Camp at Trinidad, Texas. The conference is held each year to train FFA officers and members in leadership skills.

The entire state officer team is responsible for carrying out the conference. This was the first year the event had been held at the TP&L camp.

This year's conference was "fantastic, an outstanding success", according to Green.

Both Green and Brown, teacher of vocational agriculture at Gorman High School, participated in the State Advanced Degree and Awards Check in Austin June 4-6. Degree, award, and scholarship recipients

are selected at this series of meetings.

Green was co-chair of the American Farmer Degree Committee and the Program of Work Committee. Brown was a member of the Foundation Awards Committee and the Star Chapter Farmer Committee.

Green also participated in a joint meeting of the Board of Directors and Board of Student Officers. The boards are the highest executive bodies in the Texas FFA.

Items acted upon included the 1979-80 state budget and the method for selection of delegates to the National FFA Convention.

Mr. and Mrs. L. D. Holliday visited last Wednesday and Thursday in Dallas with their daughter, Mr. and Mrs. Sandy Sanders and Mr. Holliday had his check up at the VA Hospital, and received a good report.

Weatherstrip and caulk now to stop energy leaks.

In time, even tiny air cracks can add up to large heating and cooling losses. But sealing those energy-robbing cracks isn't all that hard. You can do it yourself with Texas Electric's free booklets on caulking and weatherstripping. They're part of a series we're offering to energy-conscious homeowners who want to make their homes energy efficient. Using basic tools and readily available materials, even unhandy people can caulk and weatherstrip their own storm windows, ductwork, and general maintenance. Just call us, or ask for the booklets on the comments section of your electric bill. See how easy it is to make your home energy efficient.
