for the big events there. And believe me it has been many, many years since I have seen the number of folks that were there on Friday.

came around we looked out

the front of the office a couple

of times and noticed a few

cars gathering, and frankly

with the number of affairs go-

ing on in the surrounding

area, we did not expect the

participation that we received.

But when we stepped out of

the office as parade time

came, the whole darn town

was overflowng with folks

who came to see the parade

and then attend the activities

at Frank Gray Park. The

bulk of the crowd at the par-

ade continued out to the park

will receive the State Lone Star Farmer Degree in Hous-And then on Saturday after noon, again folks began to members who will receive degrees. Rodney will also regather downtown for the "Big ceive the Investor-Owned Electric Company Scholarship. Shoot Out" followed by the for Area IV. Old Fiddlers Contest. And then about 7:30 folks really to expand as the years go by. began to gather for the street dance on Saturday night. And beleve me, everyone who a-t for the fine folks in this area tended the event really enjoy- who are always interested in ed it. Those who did not dance its progress enough to "get enjoyed watching and visiting involved" when anything wth old acquaintances and needs done or when anyone new ones, for there were plen- needs help. And, folks, that's ty of folks on hand for the what its all about. evening.

I, personally, want to thank each one for their participation in our Bicentennial celebration, either as a worker or a spectator. It was really great to see our streets and park crowded with people aed that we should have events like this more often to get folks together to talk and to visit.

I will only mention one person here who I am sure most folks would want to give a big "pat on the back" to, and this man is Robbie Robertson, who was the ohairman for the whole affair and also did a great job of emceeing. Great job, Robbie.

Things are really looking up in our city these days. The remodeling is continuing in the business district and also in the residential sections. Lasater's Dept. Store just about has their remodeling job finished on their new front and awning. It sure looks great. Also Jack Bennett is in the process of putting front on his building in exfuture. Also the City of Gorman is in the process of beginning the remodeling project on the building next door to Jack which will house the City Office, library, and other offices connected with the city. And it sure is making a lot of difference in the looks of downtown Gorman. Birdsong Peanuts continue to add more and more to their facilities for the peanut growers of this area as well as their commercial customers. The bank opening date is getting closer and closer with each day's work schedule on the project. This facility will be a great asset to our town.

Team members shown behind Lasater are Mike McCormick, George Simmons and Richard Arnold. to David Judson and Olive

WATERMELON SEED SPITTING contestants signing as entries with E. G. Henderson, chairman of the contest.

The battle between the Militiamen and the Indians was won by the Militiamen.

The concession booths and lemonade and tea stands at the park on July 4th were sponsored by the Girl Scouts and The Brownies were in charge of the booths at the downtown activities on Saturday.

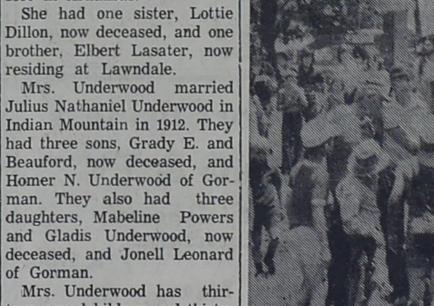

Watermelon slicers at the July 4th picnic were Rodney Stephens, Max Grice, Jack Simpson and Mike McCormick.

A large crowd was on hand Saturday afternoon for the Early American Indian War and the Old Fiddlers contest. Winners of this contest were not available at press time.

The two-day celebration proved once again that Gorman can do anything they set their minds to, and in this undertaking showed everyone that we have a great place at Frank A. Gray Memorial Park, a great little city and a lot of cooperative people in this area.

It was a glorious celebration and plans are continuing for Bicentennial celebrations to be held through the year and another super celebration in July '76. -GP-

lexas Electric's residential rates are 27% below the national average.

The average family uses about 750 kilowatt hours of electricity per month. Based on the latest Federal Power Commission figures, Texas Electric's rates for this much electricity are about 27% below the national average.

But all over the country, the costs of producing electricity are rising. New supplies of Texas Electric's major generating fuel - natural gas are harder to get and more costly. So we're turning to lignite coal and nuclear fuels. While these fuels cost less

than new supplies of natural gas, plants that use them are considerably more expensive to build than gas-fired plants.

This means electricity will have to cost you more.

But we're trying to keep your rates reasonable by using fuels that will keep costs lowest in the long run.

Pamela Jo Pierce and Danny Dyson Say Vows

> Dyson of De Leon. Groomsman was Leslie Sharp of Gorman.

Ring bearer Calvin Golden followed up the men attendants, carrying a white satin pilow, lined with white nylon lace. He is the son of Mr. and Mrs. Jim Golden of Eastland. Leading the way for the bride, with a sprinkling of spring flowers, was flower girl Shalee Rossander. She wore a pink full length dress with a pink picture hat. She is the daughter of Mr. and Mrs. Rich ard Rossander of Eastland.

The bride was arrayed in a soft white crepe gown with a full length floral nylon lace, gently draping the shoulders. The low scoop neck offset the full gathered bodice, while wide floral lace sleeves added to the softness of the gown. She wore a cathedral veil lined in floral nylon lace. She carried a bouquet of spring flowers and baby's breath. The gown was designed and made by the bride's mothers. Receiving and seating the

guests prior to the ceremony was brother of the bride, Troy Bruce Pierce of Odessa; and Greg Boles of Eastland.

Mrs. Bobby Hazard of Eastland was receptionist for the wedding and for the reception that followed.

The bride's mother, Betty, brightened the occasion wearing a green double knit skirt and blouse with lace bodice and sleeves. As the bride's mother she was presented a corsage of pastel carnations.

The groom's mother, Thelma, wore a smart two piece
