SERVING THE HEART OF THE RICHEST AGRICULTURAL CENTER OF TEXAS

VOLUME 45 GORMAN, EASTLAND COUNTY, TEXAS, THURSDAY, MARCH 15, 1945 NUMBER 3

THIS.... And THAT

By MRS. WALTER DIXON

The war news from the Western front is very encouraging, and we may, as we did a few months back, get the idea that the war in Europe is about over, and let down again. There is no reason yet for celebrating. We must not permit ourselves to let down anywhere short of complete victory on all fronts. We still have a pretty fair sized job to do in the Pacific Theater. Officials tell us that it will take two years to conquer Japan after we have taken Germany. Naturally we are going forward hopefully to the end of hostilities and to the day when our loved ones will be home again, but we cannot bring it about with wishful thinking. We must continue in every way we can to help the war effort. If we every one of us - do not go all out on the home front to help speed victory for those at the fighting front we are not keeping faith with our fighting men and with those who have given their all that we might enjoy the benefits of liberty. Again, please lets not LET-DOWN.

The Wrigley Chewing Gum Co. has closed its plant for the duration of the war. Reasons given was the fact that certain material for making it was unobtainable. The company was sending all that was being manufactured to the men and women in the service. It disappeared from the counters here several months ago.

In an article appearing in an Amarillo paper we learned that Doctor J. J. Crume, a former physician here, now of Amarillo, is a descendant of Abraham Lincoln. It stated in the article that Lincoln's father borrowed a wagon and team from Dr. Crume's grandfather, who was also a doctor, to move his household goods to his home. The article also stated that Lincoln probably had more descendants in Texas than in any other state.

Mrs. Joseph M. Perkins of Eastland was appointed by Governor Stevenson to serve on the State Board of Education. We ladies are proud for Mrs. Perkins to have this appointment, for we know her interest is centered along this line, and we know also that she is far-sighted in seeing the needs and the possibilities in the education field. She has the reputation of getting more done in less time than anybody we know, and her board is going to find that she can have more worthwhile ideas and plans, and can put them into effect quicker than anybody they have worked with in a long time. We know the old saying, "It takes women to do it", is fast gaining momentum in politics, public work, is office, in war, as well as in the home.

The 7th of April is the date for electing school trustees. There seems to be less interest and less voting in the election of trustees than any other held. Being a trustee is one of the unpaid, thankless jobs given to men and women. You have the honor and work as a reward. The school board is an important board, and consideration should be given the people elected to this place. Some people make it a practice to vote against a man or woman for trustee who do not have children in school. It is supposed their interest ceases in its welfare when their children are through. However that is not always true. Being a parent does not always qualify one for the place. Then there is the question of who will and who wont serve. This is busy times and somebody has to fill that place, but we could at least show interest by going to vote. There are many women in our town and school district that are as capable as men for serving on the board. Give them a chance and see what they can do.

NOTICE
Car registration will continue through March 31st.

FUNERAL SERVICES HELD FOR L. N. KOEN

Funeral services were held Monday afternoon at 5 P. M. at the Baptist Church for L. N. Koen who passed away early Monday morning at the Blackwell Sanitarium where he was taken the week before after suffering a heart attack.

Brother Corley, pastor, conducted the services with Doctor M. E. Davis of Brownwood offering prayer. Pallbearers were Henry Collins, Rev. Lee Fields, Bud Holloway, Hoyle Reed, Billy Reed, and Ernest Reed, all neighbors and friends from Carbon. Interment was in the Gorman Cemetery.

Lawrence Nathaniel Koen was born January 11, 1877 in Washington County, Alabama; died March 12, 1945 at Gorman; age 68, 2 months and 1 day. He came to Texas in 1893, settling in Hill County where he met and married Sarah Naomi Armstrong, July 22, 1900. To this union was born ten children, four sons and six daughters. Two daughters, Gladys and Susie Mae, having preceded their father in death. Surviving are his widow and the following children: Rev. J. C. Koen, Colorado City; T. R. Koen, Lamesa; Mrs. Chester Watt, Monohans; H. N. Koen, Ballinger; Mrs. Max Lee Fann, Carlsbad, New Mexico; L. N. Koen, Jr., U. S. Navy; Irene Koen of Gorman, Neta Mae Koen, Cadet Nurse of Abilene;

QUOTA PLUS FOR RED CROSS

The Red Cross drive conducted last week netted a total of \$2,159.90, with Midway Community contributing \$41.25 of that amount. The quota for Gorman which was \$1,800 was raised in less than two days, but contributions came in all week. Gorman is to be proud of her part and spirit in helping with this worthwhile drive. We have come to know what the Red Cross means to our boys on the fighting front as well as to the people who have disasters in our home states. Mr. Henry Capers, the local chairman, wishes again to thank every one who helped in this drive.

"MISSING IN ACTION"

(Dedicated to Mrs. John Warren and others whose husbands are missing in action)

They watched the sunset over the hill,
And listened to the call of the Whipperrwill
As he was calling to his young mate,
For Spring was entering just thru the gate.
Johnnie knew that he'd soon be getting his call
And when he left Faye he'd be leaving his all,
So why not take what happiness they could
And Faye, too, agreed that they should,
He knew Faye was worth fighting for
So he left her back in his old Lone Star,
Then one day a telegram came in instead of a letter, and little Faye read,
"The War Department regrets to inform you"
Then "Missing in Action" through tears she saw too,
Now when the evening shadows fall
Faye listens alone to the Whipperrwill call.
She dreams of the days with Johnnie spent
Before he off to the war was sent
And she never forgets to breathe a prayer
For those "Missing in Action" over there,
Lets mingle our prayers with Faye
That our boys will come home to stay
And when old Tojo is a has been there
There be no more "Missing in Action" then.
Bert William Gafford

Sgt. Henry J. Lindley of Elgin Field, Fla. has returned to his station after spending a short furlough here with wife and parents. His sister, Eusa Mae Lindley of Dallas was here to meet him and visit a few days.

WEDDING SOLEMNIZED

Ramona Maxine Westmoreland and Charles Stacy Jr. were married Saturday night at the Methodist parsonage. The ceremony was performed by Rev. Roy Johnson. They were accompanied by her mother, Mrs. Willard Westmoreland, her sister, Marjorie Westmoreland, and Pfc. Aubrey Capers. The bride is the daughter of Mr. and Mrs. Millard Westmoreland of the Grandview community. The groom is the son of Mr. and Mrs. Charley Stacy.

JUNIOR JACKSON GROWS 'EM BIG! (Turnips)

Today a large turnip walked in the door. Peering around the side was the face of Junior Jackson. It is on display in the Progress office (the turnip, not Junior) The turnip weighs 8 1/4 lbs. and measured 28 inches around. It is of the purple top variety with good color and shape. Junior raised it on their farm west of town. Some Mess Sargeant could solve his vegetable problem for one meal with this turnip.

Other relatives attending the funeral were, Mrs. Rayborn Koen of Midland; Mrs. Cecil Hall of Midland; Rev. and Mrs. F. O. Garner of Burkett. His son-in-law, Rev. Chester Watt, pastor at Monohans who conducted the church services at the Baptist church here Sunday evening.

Card of Thanks

We wish to express our thanks and appreciation to our friends and neighbors for the kindness and sympathy shown us at the time we received word of the death of our son. We pray God will bless each of you.
Mr. and Mrs. A. N. Turner and Family.

ELECTION NOTICE

"BE IT ORDERED by the City Commission of the City of Gorman, Eastland County, Texas that an election be held in the office of the City Secretary with the City of Gorman, Texas, on the first Tuesday in April, the same being the third day of April 1945 A. D. for the purpose of electing a Commissioner for the ensuing two year term.

That T. G. Gray is hereby appointed Judge of said election and that Mrs. Ellen Oldham and Mrs. Martha Sutton be and are hereby appointed as Clerks to assist in the holding of said election.

That notice of said election be given by Publication of this order in the Gorman Progress.
Witness our hands and seal of office this the 12th day of March 1945 A. D.
Dr. G. T. Blackwell, Mayor
J. E. Walker Jr., City Secretary

PROGRESS READ FROM COVER TO COVER

Many of the boys in the armed forces, and others who are away from home write and tell us in person that they read the Progress from cover to cover and then look for more. Seaman First Class Bernard Blair, who is visiting here from the Pacific coast payed the Progress a visit and expressed his appreciation of the home town paper. He stated that he read every word in it, including the ads. He expresses, "perhaps the thoughts of many of our boys away from home, that even an ad was like a "Hello" from home.

Mrs. Modell Bennett McPadden, who married recently and went with her husband to Alabama writes that mistakes are overlooked and to forget them, and keep the home town paper coming. Mrs. Myrtle Harris Wood, who was a nurse at the Blackwell Sanitarium for years, writes from a hospital in Rensselaer, Indiana, that she looks forward to getting the Progress and reading about her friends here, and that she doesn't want to miss a copy.

Note: Your A P E sincerely appreciates these kind words and will do his best to make everybody happy.

LOCAL TEACHERS STAGE OPERETTA AT SCHOOL

Under the direction of Mrs. Stanley Webb and Mrs. John Henderson, the operetta, "Puddin' Head" was staged at the High School auditorium Tuesday afternoon. The actors were taken from the grade school, which included around thirty pupils taking part. Colorful costumes, evening dresses with special decorations and lighting gave the operetta a gay and lively setting. Special singing, solos, duets, and chorus singing made up the story. Characters represented were the king and queen, the prince and princess, the court jester, tin soldier, sheriff, peasants, knights, trumpet blowers and many others who had important parts in making up the operetta. Mrs. Webb who had charge of the music was at the piano.

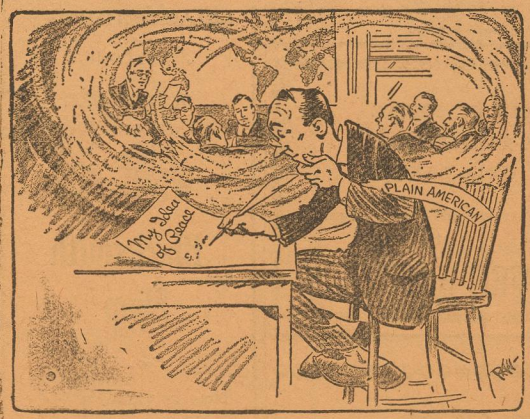

Several guests were present to see and hear the operetta, including Sgt. Stanley Webb, who has just returned from the European theater of operations.

Thomas E. Ervin, Jr., of Desdemona, Texas, has been promoted to Private First Class at Bergstrom Field, I Troop Carrier Command base near Austin, Texas, according to recent announcement by Col. Samuel J. Davis, base commanding officer.
Pfc. Ervin, Jr.'s wife Mrs. Louis B. Ervin and his father, Mr. Thomas E. Ervin, Sr., reside in Desdemona, Texas.

4-H CLUB ATTENDS STOCK SHOW AT FORT WORTH

About 40 members of the 4-H Club gathered at the Goober Hotel Monday at 5 A. M. and boarded cars for a trip to the Fat Stock Show. Sponsors were Ernie Todd, Mr. and Mrs. Bud Allen, Mrs. Albert Taylor, Mrs. Floyd Allen, Jo Meador, Billie Jo Crawley and Mrs. Check Smith. Since about 5000 4-H Clubbers attended the show that day a special program was arranged for them. Several of the members were able to get tickets for the Rodeo, and spent a pleasant afternoon watching its exciting events. They arrived back home around nine p. m. all tired, hungry and sleepy, but thrilled over the trip.

Every American a Statesman

An opportunity for every American to write a practical peace treaty which can be applied to the world at the end of the war has just been announced by Joseph W. Frazer, chairman of the board of the Graham-Paige Motors Corporation and chairman of a committee of distinguished judges of the National Peace Treaty Contest. Prizes totaling \$10,000 in war bonds will be awarded winners of the contest, Mr. Frazer said, with a first prize of \$2,500 in war bonds, second prize a \$1,500 war bond, third prize a \$1,000 war bond, and 97 other prizes ranging from \$500 down to \$25 in war bonds.

"Every American," Mr. Frazer declared, "should take advantage of this opportunity to express his views on peace and by doing so help guide our statesmen at the coming peace conferences."
The contest opens on March 17 and was inspired by the best-selling book written by William B. Ziff—"The Gentlemen Talk of Peace," Mr. Frazer explained. "It is open to any legal resident of the United States or its possessions and to members of our armed forces. Entries must be limited to 1,000 words in length and sent to the National Peace Treaty Contest Headquarters, 350 Fifth Avenue, New York 1, N. Y. postmarked not later than midnight, April 15, 1945."

Members of the judges' committee in addition to Mr. Frazer are: Vice-President Harry S. Truman; Fannie Hurst, novelist; William Green, president, American Federation of Labor; Clinton S. Golden, executive vice-president, United Steel Workers of America, CIO; Senator Owen Brewster, Republican of Maine; Ray Rand, former army private wounded at Salerno; Mrs. Warren Cain, Los Angeles; Catholic clubwoman and blue star mother; Dr. Rockwell D. Hunt, Dean of the Graduate School, University of Southern California; Rev. Ralph W. Sockman, minister of Christ Church, Methodist, New York City, and Mr. Ziff.

SWPGA ANNOUNCES PROGRAM FOR 1945

The busy spring season is here again. Farm operation is in full swing. In fact, peanut planting is already underway in the South Texas area. With a successful year for most feed producers this year, plans for even greater production are being developed for 1945. Both old and new problems will be tackled with more zeal and determination.

War Food Administrator, Marvin Jones makes the statement that record production of food during the last 3 years has made it possible to supply our armed forces on all fronts, as well as to furnish vast quantities to our fighting allies, and at the same time to have more food for civilians than ever before. Another big year lies ahead. The need for our Armed Forces for food are greater than ever before. Increasing the number of men overseas plus over a million prisoners, means increasing the amount of food in the supply lines.

Things are also humming at the Southwestern Peanut Growers Association. This a time when they encounter over-lapping of last year's program with the beginning of the 1945 program. The remaining part of the 1944 peanut stock pile by Commodity Credit Corporation (28,000 tons) will have been consigned to some buyer by April first. These peanuts are stored at some 135 locations in Texas, Oklahoma, Arkansas, and Louisiana and New Mexico. The busy ordeal of locating and earmarking peanuts suitable for planting purposes, and making distribution to seed dealers is no little job within itself. Necessary forms and information has been placed in the hands of all of those interested in the purchase of these stock pile peanuts. The War Food Administration has restricted stock pile peanuts to persons who desire to resell them to growers for planting purposes, and to shellers for the filling of priority orders. The Bookkeeping Department is

unusually busy making settlements with warehousemen under the storage agreement as fast as the peanuts are being moved out and the necessary reports forwarded to the Gorman office. In addition to accounting for every pound of peanuts bought, together with money paid out this department is preparing all other business transactions for Federal Audit.

Some 3,000 tons of commercial fertilizer will have been distributed through the Fertilizer Mixing Plant of the Association to Farmers with in a 100 mile radius of Gorman for spring application. Both the grading and seed germination laboratories are working at full capacity, and grading refree, or composite samples are being forwarded to the laboratory for grade germination by the Federal Inspection Service. Peanut Seed germination are being made of samples forwarded from all sections of the Southwest.

The Inspection Service likewise are working in an effort to take care of the movement out of the 135 storage locations west of the Mississippi River.

Through the Machinery Department several new peanut pickers have been sold during the last 30 days, as well as the sale of a number of used pickers which have been reprocessed mostly in the light peanut producing areas.

The Notes Department is in the process of completing special programs assigned to the Association by the Commodity Credit Corporation. This department has just completed the second distribution Payment on excess peanuts produced in 1942 amounting to over two million dollars. This money was distributed in approximately 400 counties. \$68,125.14 was distributed in Eastland County. This was 3.4 percent of the total amount distributed.

The department is also sending out another statement to all producers who executed seed notes in 1942.

SCHOOL ON POST-WAR TRAFFIC TO BE HELD

AUSTIN, (Department of Public Safety)--Problems of post-war traffic safety will be studied by city and county traffic officers in a special advanced training school to be sponsored jointly by the Federal Bureau of Investigation and the Department of Public Safety in Austin April 16 through 21, it was announced by Director Homer Garrison of the Public Safety Department.

"Authorities are predicting an unusual traffic toll of from 60,000 to 80,000 in the United States after the war," Garrison said. "That would mean between 3,000 and 4,000 traffic deaths a year in Texas. It is our hope that this school will provide local officers with the framework upon which to build their post-war safety programs in a diligent effort to keep those predictions from coming true."

Garrison said Director J. Edgar Hoover of the FBI has agreed to send two of his top-ranking executives as instructors. They are Hugh Clegg, assistant director, and L. A. Hince, inspector, both of Washington, D. C.

Other outstanding instructors will include Dr. Amos E. Neyhart head of the Institute of Public Safety at Penn State College and consultant for the American Automobile Association in Washington; Wilbur Smith, head of traffic safety research at Yale University; Capt. Roy J. Smith of the Austin Police Department; Judge W. H. Gilmartin of the Ft. Worth Corporation Court; and a dozen Public Safety Department experts in various fields.

Students will be housed in the Public Safety barracks at Camp Mabry, where classes will be held.

Billy Martin Brogdon, who is home from the University waiting induction into the armed forces, spent part of last week in Walnut Springs with his aunt, Mrs. Wilbur Williams and family.

QUOTES FROM AN AMATEUR PUBLISHER-EDITOR Gene

--Men shave - Women have hair-dos- and young men try to grow mustaches. So, in the process of trying to keep up with the times your Progress office is having a bit of renovating done and in another month you probably wont recognize the place. -- which leads up to the fact that your A P E didn't have time to do any writing last week so this news is old but must be told. -- The Business Men met Monday night a week ago and had quite a discussion about getting this town cleaned up. It does need a bit of face-lifting or something dont you think? Anyway they are trying there best to work out a plan for disposing of the garbage and trash. If you have a suggestion let us know, it might work. One thing would help When you take your trash out to the dumping grounds, please do not empty it along the right of way. It makes it difficult for others to empty their trash and harder for you the next time. --

Started out to the Association the other day and noticed Doctor George and Mr. Underwood having a pow-wow with a group of surveyors. Stopped to quiz and discovered they were in the act of dressing up a very sandy street. Sod and gravel is to be used in the process. One more step forward for Gorman. Oh yes the Grocers want to thank you for the way you have cooperated on the SACK ad they run a few weeks back. Keep up the good work because paper is really getting scarce. Sacks especially.

Stopped in our new telephone office the other day and you should pay them a visit. They have a very unique heating system made out of stove pipes hooked on to a gas jet. Too, they have done a fine job in converting the old church building into an up-to-date telephone office and still managed to give good phone service. Have you sent those in Service an Easter Greeting

LIFE'S Little TROUBLES

-CAN'T SLEEP-

No need to lie in bed—toss—worry and fret because CONSTIPATION or GAS PRES-SURE won't let you sleep. Be sensible—get up—take a dash of

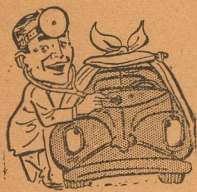

ADLER-I-KA

to relieve the pressure of large intestines on nerves and organs of the digestive tract. Adlerika assists old food wastes and gas through a comfortable bowel movement so that bowels return to normal size and the discomforts of pressure stop. Before you know it, you are asleep. Morning finds you feeling clean—refreshed and ready for a good day's work or fun. Caution, use only as directed. Get Adlerika from your druggist today.

Mrs. Steve Laminack is still on the sick list.

Mr. and Mrs. Henry Seitem and family went to Hermalee Saturday to visit Mrs. Seitem's parents Mr. and Mrs. Bursleson.

Say folks; while all this visiting is going on why dont some of you all drop in the Progress office and get acquainted. It don't look like I'm going to be able to get away from the office for a month or so anyhow. The Editor

ROY CRAWLEY LEASES CAFE

Bob Pettijohn has leased his cafe to Mr. and Mrs. Roy Crawley and wishes to thank the people of Gorman for their friendship and patronage in the past. Mr. and Mrs. Crawley invite you to visit them in their new location.

Mr. Pettijohn has moved to Ranger where he is employed by the Premier Oil & Refining Company.

HOMEMAKER'S CLASS HAS COVERED DISH LUNCHEON

Mrs. George Blackwell entertain the Homemaker's Class last Friday with a covered dish luncheon. The home was decorated throughout with bouquets of Iris and violets. The dining table was covered with a Damask Linen, centered with tiny bowls of flowers placed on a reflector, and added tables were set up in the spacious living room. A delicious dinner was served. After dinner, the meeting was called to order by the president, Mrs. Gene Baker. Mrs. Dean opened with prayer, with Mrs. M. Cain reading the lesson. Reports were given, and the sick and bereaved listed for remembrances.

Mrs. Oldham announced the next meeting would be at her house the second Friday in April. Officers were nominated and elected.

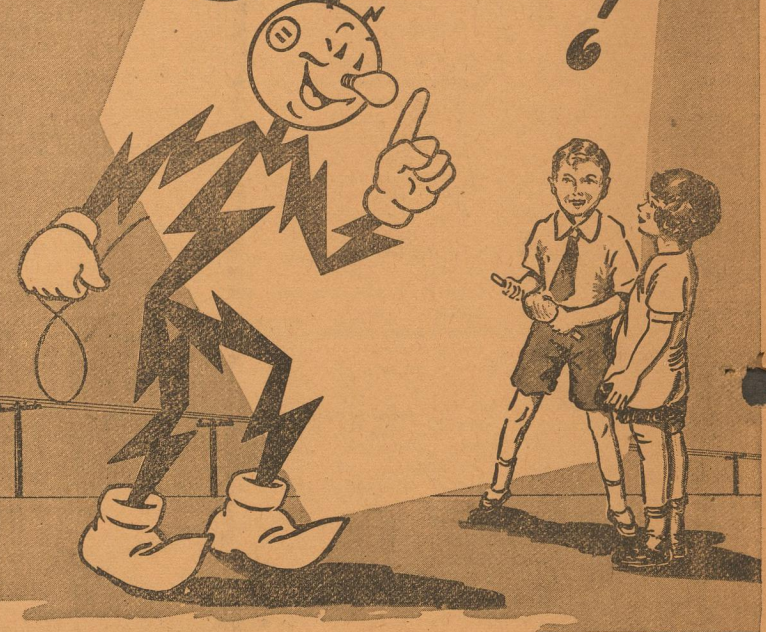

President, Mrs. Gene Baker; vice-presidents, Mrs. Richardson, Mrs. May and Mrs. Cain; Secretary-Treasurer, Mrs. Boucher, with Mrs. Geo. Blackwell as assistant and reporter.

Those present were: Misses Vera Hamrick, Ona Weems, Oldham, L. D. Stewart, Rita

Ross, Jess Richardson, J. F. Dean, J. E. Foster, Ethel Harrall, W. I. Dixon, J. O. Jackson, Herman Oldham of Lubbock, Mrs. L. E. Moake and Joe of San Antonio, Dr. George and the hostess, Mrs. George Blackwell.

Mr. and Mrs. Platter have received a very interesting package from their son, E. L. Platter, who is a motorman in the Navy, serving in the Pacific Theater of war. It contains several strands of pretty beads, a collection of shells and two colorful grass skirts. The skirts are all decorated with rosettes, centered with colored shells and with multi-colored tassels. One of them is a short skirt while the other is floor length. Their son has been overseas for two and one-half years.

T/Sgt. Adolph Montgomery is home on furlough from Dayton, Ohio, where he is now stationed. He is with the ground crew in the air force, and was stationed in India for over two years before returning to the United States.

Sgt. Henry J. Lindley has returned to Elgin Field, Florida after a visit here with his wife and other relatives.

Mrs. Frank Morrow has returned from Overton where she visited her daughter-in-law, Mrs. Glenn Morrow and her grandson, Glenn the second, the past week.

UNDERGOES OPERATION

Mrs. Jack Crawley, wife of Lt. Crawley, was brought to the Blackwell Sanitarium from Maxwell, Ala. last week and underwent major surgery Friday for a stomach ailment. She is reported to be progressing satisfactorily. Her husband, who is in the air corps is with her.

Mrs. C. O. Huff had the misfortune to fall last Thursday while hanging out clothes and broke her arm. She will have to wear a cast on it for sometime, but is improving nicely.

Pvt. Billy Clark is home on furlough visiting relatives. His wife, the former Treva Jewel Clark, who was with him, will remain here when he returns to Ft. Meade, Md.

Mrs. D. B. Lane of Comanche, sister-in-law of Mrs. W. I. Dixon, underwent major surgery Tuesday here at the local hospital. Her husband and son are staying with her and visiting in the Dixon home.

Billy Bob Stewart was home the first of the week enroute from Santa Fe, New Mexico to Lake Charles, La., where he is being transferred.

Mr. and Mrs. M. J. Mason and two sons, Jack and Junior, visited in the Mason home last Sunday. Jack Mason is in the Medical Corps stationed in California.

Mrs. Naamah Talley and Mrs. Grace Alexander of Breckenridge spent part of last week with Mrs. Tip Ross.

Mr. and Mrs. Nash Miller and children of Kansas are visiting her father, Tip Ross and her brothers, Rueben and Brooks Ross.

Mrs. Helen Denton received a message Monday stating that her husband, S/Sgt. Alvis Denton had landed in New York and would see her soon. He has been in the hospital overseas for the past few months suffering from frozen feet, received while in action.

Billy Dee Hamrich, former editor of the Progress, now a private in the Army is stationed at Camp Hood for the present.

Mr. Tom Fuller who has been confined to his home the past 3 weeks, due to a kidney ailment, is now able to be in his shop some of the time.

Pvt. Billy Burns, son of Mr. and Mrs. J. W. Burns, was home visiting relatives and friends.

Billy Charles Underwood of T. C. U. at Ft. Worth visited relatives in Gorman the past week-end.

Mr. and Mrs. T. O. Shelley, Jack Benny and Ruby Wagner, spent the week-end in Shive.

Jerry Shields attended the Fat Stock Show Sunday evening.

Chickens - Turkeys

After moulting give STAR SULPHUR COMPOUND in drinking water or feed. It will destroy in the germ period, Intestinal Worms and Germs, that cause most all disease and loss in egg production. Also rids them of Blood Sucking Lice, Mites, Fleas, Blue Bugs. Prevents most all disease, insuring greater health and egg production through the fall and winter. Costs very little to use. Money back if not thoroughly satisfied.

Details of Home Canning Sugar

In announcing the details of the 1945 home canning sugar program District OPA Director J. H. Kultgen, in Ft Worth today stressed the fact that this year the country will have 900 million pounds LESS sugar than we used last year.

The ration program for this year was built around that loss of nine hundred million pounds, Kultgen said, "and the main feature of it is that Ration Boards this time will have to ration it for use in home canning rather than simply distribute it on a basis of so-much-per-person." "It will probably be the toughest rationing job they have ever had to do," the director continued, "because some people are going to complain bitterly about receiving less than their neighbors. Complaints will be kept to a minimum, however, if everybody realizes that the volunteer members of the Ration Boards are required to ration the sugar solely to those persons who certify that they will use it in canning."

He indicated that the method of distributing the application forms will vary from one county to another. Even the mechanics of rationing may vary, according to Kultgen who stated that some county Boards would require the applicants to appear personally before the Ration Panel members while others would determine the amount of rations by reviewing the applicants. "One thing that will not vary however is the amount of canning sugar being made available to the counties. Each county will receive the equivalent of ten pounds of sugar per person; and that is all there will be."

Main points for consumers to remember are:

1. Application forms for home canning sugar will be available at ration Boards and at locations named by the Boards beginning Monday March 5, 1945.
2. No sugar stamps in War Ration Book 4 will be good for canning sugar this year as was the last.
3. The ration period (anywhere in Texas) will last from March 5 until October 31, 1945 and no rations will be issued after the later date.
4. In no case will more than one application be accepted per family. Victory gardeners and other growers of fruit and vegetables will need to plan what they are going to do with their products in advance of its production in order to avoid losing any of it to spoilage. There is not enough sugar available to permit a second issuance to applicants who come back with the plea that "fruit is spoiling."
5. Housewives, in applying for home canning sugar, should fill out the application (OPA Form R-314 and attach a "Spare Stamp 13" from War Ration Book 4 for each member of the family covered by the application. The Spare stamp is evidence that each person named in the application is a holder of book Four.
6. After the Boards have reviewed an individual applicant and determined the amount of ration, they will mail the sugar coupons to the applicant. Coupons will be in denominations of five pounds and one pound.
7. Sugar coupons will not be handed over the counter at the Board but will be mailed to applicants. Housewives, therefore, should submit their applications well in advance of the time that they will actually need the sugar.

William Brigham, assistant county agent carried 3 4-H club boys who are prospective calf feeders to the West Texas Live Stock Show at Abilene, to observe the animals exhibited by club boys in that territory.

Jack and Mack Weston and Bobby Crofts were inspired by this show and are now making plans to get their calves on feed. Other boys interested in feeding should contact Mr. Brigham.

LOST

YOU, of course have heard of the very religious old lady who had lost her glasses, and after a lapse of a couple of years, found them between the pages of her Bible.

Well, we would just like to suggest that it might be a good idea for some people to look in their Telephone Directory. There is no telling what you might find there.

At any rate we'll bet a doughnut to a dollar, that if while you have the Directory out, (if you are lucky enough to find it- you will look under the heading "INFORMATION" or "TELEPHONE CLASSIFICATION" you will find lots of things that you did not know was there.

Give it the once over and if you find anything there that you think should not be, come in and tell us how to correct it and if you can convince us we will correct it.

Gorman Telephone Co.

MORE ABOUT THE SAME THING --

The abstract, contrary to a rather general opinion, does not cure the title, but rather reveals its condition, good or bad. Three things are strived for in the abstract. (1) To locate the property by field notes and plats, (2) To discover the true ownership as the records may reveal it. (3) To detect the liens and encumbrances, if any. The abstract serves many other useful purposes, but these three are most important.

Charlene Cook of Ranger Junior College spent the week-end here with her parents, Mr. and Mrs. Clayton Cook.

Evelyn and Kathryn Dunlap of Ranger visited their parents, Mr. and Mrs. Arch Dunlap last week.

J. F. Hankins of Lubbock spent the week-end here with Mr. and Mrs. Frank Dean.

Mr. and Mrs. Earl Pittman of Ranger spent the week-end with relatives here.

Mrs. Hulon Pullig visited her sister, Mrs. Willie Powers in Eastland Saturday night and Sunday.

Mr. and Mrs. Forrest Coleman of Clarksburg, W. Va. and Miss Elizabeth Coleman of Cisco spent the week-end with Mr. and Mrs. Wilbur Shell.

Mr. and Mrs. Willie Clark, and Mr. and Mrs. Bedford Butler were in Ft. Worth Saturday.

Margaret Jackson of TSCW at Denton spent the week-end with her parents, Mr. and Mrs. J. O. Jackson.

Mrs. Bill Hefley and Mrs. Billy D. Hamrick were Eastland visitors Friday.

IN REMEMBRANCE OF MRS. MOSLEY -- By Mrs. J. L. Glasson

Another flower has bloomed in heaven
An angel come this way.
And took our precious friend home
In heaven where the angel stays
But you with us in our hearts
God knows the best in everything.
Yes everything they say,
In life and death he guides the way.
And call His children home to stay.
You left us sad and lonely.
But you are happy there we know.
You found your place in heaven
Where all good christians go.

TRY A WATER SOFTENER

Lots of folks make the mistake of trying to soften hard water with a soap--when they're washing dishes or clothes. Soap won't soften water--in fact, you'll waste a great deal of soap if you try this. Get a good chemical water softener. There are plenty of good water softeners on the market, Myra Tankersley, County Home Demonstration Agent, says Sal Soda is one good softening agent.

Studies made at one Experiment Station recently showed that where pure soap was used to soften hard water, the cost ran more than six cents per tubful. And these same studies showed that it cost only about a fifth of a cent to soften a tubful of hard water with sal soda.

Mr. and Mrs. Paul Ormsby, Dr. and Mrs. Verle Rodgers and son, were Ft. Worth visitors Sunday.

Mr. and Mrs. E. D. David spent the week-end in Ft. Worth.

Boyce House

History, the way most historians tell it, is a story of glory--but it is not all plumed knights and heroism and sacrifice; there is sometimes a sorry and sordid side, too. Take for example the battle of San Jacinto. When Houston and his little army was falling back before the hosts of Santa Anna (prior to the battle, of course), the Texans camped on the premises of a well-to-do settler named Donahoe. The men needed wood for camp fires and they began to chop down some trees, whereupon Donahoe (with no gratitude for the service that these men were rendering to Texas, including him) complained to Houston.

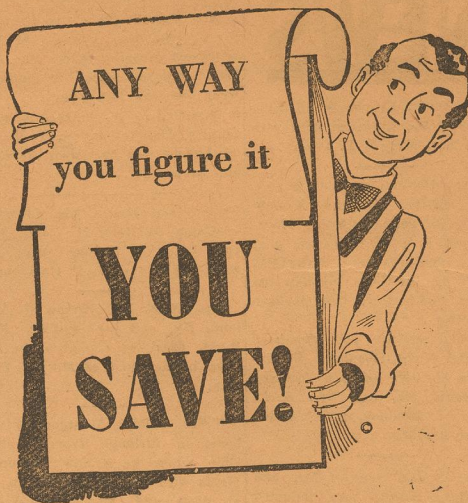

The general called his soldiers together and said, "Under no circumstances shall you lay an axe on Mr. Donahoe's trees"--and that gentleman's breast swelled with joy. Houston continued, "Don't you see that Mr. Donahoe's rail fence will provide the fuel needed? So these men who, in a few days were to offer their blood and their lives for the freedom of Texas and, incidentally to make secure the land title of Mr. Donahoe, proceeded to use the fence rails for fuel.

We have a few individuals of the type and stripe of Donahoe in Texas today--who want the war fought without inconvenience to themselves.

The town oracle would back up every statement with an offer to bet. When he predicted the election of a certain candidate, another citizen expressed disagreement, whereupon the first man said, "I'll bet you a hundred dollars." The other replied, "I'll call you on one condition--that is, if I win, you are to pay the \$100 as, and when, I want it." This was agreed to--and Sir Oracle's candidate lost. But when the loser offered to pay off, the other said, "No--I don't want the money now.

Next day the know-it-all was holding forth in the postoffice to a group waiting for the mail to be put up when the winner walked in and interrupted, "Bill, I want a dollar." The sum was paid and the bystanders, knowing of the terms of the wager, laughed. A day or so later, Bill was again giving his views to a cluster when the winner broke in, "I want another dollar." This was paid over.

But when the third such occurrence took place, the loser said, Here's all the rest of the money, you blankety-blank; I'm not going to have you come up to me 97 more times this way."

Present: Mmes. Dadey, C. T. Moorman, J. A. Baze, Dave Harper, V. W. Day, Clark, Hamilton, Bingham, McCulley, Sam Powell, Bro. and Sister Corley, Mr. and Mrs. Dorset and children.

W S C S

The WSCS met at the Methodist Church Monday afternoon at 3 P. M. for the regular monthly business meeting. The meeting opened by singing "This is my Father's World". Mrs. Shell led the devotional, reading the 42nd Psalms. Mrs. Roy Johnson led in prayer. After the business hour the meeting adjourned with the members repeating the Lord's prayer. Beginning next Monday the WSCS will meet at 4 P. M. at the church.

Captain Earl L. Stone of Gorman has arrived at Army Air Forces Redistribution Station No. 2 in Miami Beach for reassignment processing after completing a tour of duty outside the continental United States.

Medical examinations and classification interviews at this post, pioneer of several redistribution stations operated by the AAF Personnel Distribution Command for AAF returnee officers and enlisted men, will determine his new assignment. He will remain at the redistribution station about 2 weeks, much of which will be devoted to rest and recreation.

Captain Stone was a C-47 pilot in the European Theater. He is the son of Mr. and Mrs. Earl I. Stone of Gorman, where his wife, Virginia also resides.

Joe Bob Browning, who is a radioman in the Navy is home on leave enroute from San Diego, California to Seattle, Washington, where he will be stationed.
