Well it seems that the peanut farmers received another slap in the face from the Senate with the vote on the peanut bill. The Senate passed the amended Mattingly Bill by a vote of 51 to 47. However, the peanut farmers can be thankful in one sense of the word, because if the Senate had passed the Lugar Bill it would have abolished the allotments and quotas, while the Mattingly bill abolishes allotments, but retains quotas in place for the next four years. A big effort on the part of the growers will be vigorously pursued in the House of Representatives for the retention of both allotments and quotas. The debate in the House is expected in a few days.

It seems the government is always trying to tear down the things that have operated successfully for many years and replace it with something that could ruin the peanut industry. If too many farmers plant peanuts, the supply will be so great that the surplus will be overwhelming and the price will fall to the bottom and then it will not be profitable to raise peanuts. Its just like any other industry, when everyone gets into the act to make money, there is an overload and all those involved lose their shirts.

Maybe some day the citizens of this world will tell the government officials to let things alone that are working and jump on the many many things that need correcting. If this is not done, then the United States will be in the same shape as a lot of other countries who are starving due to the lack of food. Think about it and let your government officials know what you think. It could help and it darn sure won't hurt any.

The Panthers did a good job on Friday night but came out on the short end of a 20 to 12 score. They did have one touchdown called back on a penalty, but the game was really a good one. The Panthers were playing with a few members nursing nagging injuries and Jeff Seaton did a fine job of taking over at quarterback after Dane Gressett was injured on the first offensive play for the Panthers. He hit on 3 of 7 passes, one of which was a beautiful 30 yarder to Mark Swanner on the drive for the tying touchdown which was nullified by the penalty. We congratulate the Big Red on their play against a very heavy front line for De Leon. Also De Leon had all their players healthy for this game and were ready to play.

The Panthers go to Glen Rose to take on the Tigers this Friday and we look for them to have a good night and come home with a victory. Lets all go to Glen Rose and back the Panthers to victory.

Quite a few peanuts are coming in but it is expected that it will be a couple of more weeks before the harvesting really gets underway in full swing. The recent rain we received sure helped to complete the growing season for the peanuts.

It looks as though prospects are good for an above average peanut harvest this year. We hope this is the case as the farmers are due a good crop.

And remember to smile - because God Loves You!

SENATE PASSES AMENDED PEANUT BILL

The Senate passed on September 16 a peanut bill for the years 1982-85 after amending the proposal passed on April 30 by the Senate Agriculture Committee. Adoption of the measure followed one and one-half days of debate on the Senate floor and lengthy deliberation and negotiations between growers and Senate farm leaders, according to Ross Wilson, National Peanuts Growers Secretary. Senate action on the Bill is only the first step. Consideration by the House of Representatives will be the next phase of the legislative process.

A Senate vote occurring early on September 16 on whether to table an amendment offered by Republican Senator Richard Lugar of Indiana that would have abolished acreage allotments and poundage quotas in 1982 served as an early warning of further difficulty. Wilson said. The Senate voted by a majority of 56 to 43 not to table Senator Lugar's amendment. That vote provided a strong implication that the Senate would vote for Senator Lugar's proposal to completely dismantle the peanut program if given an opportunity to do so. However, prior to the vote on

tabling the Lugar Amendment, Georgia Republican Senator Mack Mattingly had offered a substitute to the Lugar Amendment that growers considered much superior to the Lugar Bill, but which was inadequate as written, Wilson said. Although the Mattingly Bill calls for abolishment of acreage allotments, it would maintain poundage quotas at a minimum national level of 1.24 million tons.

Following negotiations between growers and Senator Mattingly a number of changes were made in the Mattingly Bill to insure that production of additional peanuts in excess of the farm base production or from non quota farms does not enter the domestic edible market until the supply of peanuts from quota farms within the farm base production is exhausted. Another change in the Mattingly Bill secured by growers is to call for a minimum support rate of \$596 per ton on quota peanuts to be adjusted annually based on increased production costs. Growers were unable to block a provision authored by Mattingly to transfer poundage quota across county lines within a state.

The Mattingly Bill as modified was passed by the Senate on September 16 by a vote of 51 For and 47 Against.

The Grower Group Secretary said the basic difference in the Lugar and Mattingly proposals is that Lugar would have abolished both allotments and quotas while the Mattingly Bill abolishes allotments, but retains quotas in place for the next four years. He said a prolonged effort by growers over the past 16 months had emphasized the retention of both allotments and quotas and that the same objective will be vigorously pursued in the House of Representatives where Farm Bill debate is expected to begin within a few days. It is still possible, he said, to put the present program back together in a Senate-House Conference Committee provided acreage allotments survive the House debate.

Grower representatives in Washington from the Southwest were: Bill Boswell, De Leon, Texas; Steve Ridgway, Pleasanton, Texas; Terrell Coffey, Hinton, Oklahoma; LaVerne Johnson, Fort Cobb, Oklahoma; Stanley Harrison, Portales, New Mexico and Ross Wilson.

M. Lewis's Married Sixty Years

Marvin and Ida Lewis are celebrating their Sixtieth Wedding Anniversary at their home on Crescent Street on Thursday, September 24th.

Marvin is native of San Saba and Ida Hobbs was born in Gonzales. They attended school at Waldrop in McCollough County. That is when the crops were laid by.

But their school days were over when the autumn leaves of 1921 began to fall. There was a double wedding with Rev. Wright, a retired Baptist minister, officiating in his home. The second couple was Marvin's cousin, Homer Chamberlain and Miss Marie Stewart.

After their children Ora Lee and James were born the Lewises came to Eastland County where they acquired ranch land.

Mr. Lewis was associated with the late Hugh Baskin in the cattle business for a number of years. He ran the local gin for ten years and was bookkeeper for Smith Brothers.

Mrs. Lewis was a seamstress and after moving into town was employed at the Kirk Nursing Home for two years.

Members of the Baptist Church, they enjoyed many happy years at Midway. Marvin has kept ponds of church records made while he served as treasurer and also a builder when he and Rob Kinser lowered the roof of a 12 foot church ceiling.

Midway was for the Lewises and others the best, with its class meetings, social gatherings, preaching and singings.

Y'all can call 2646. HAPPY ANNIVERSARY. —GP—

The Gorman Panthers let Bearcat running back Roman Saldivar get loose on the first play from scrimmage for an 80 yard touchdown and that one run turned out to be the difference in the game as the Bearcats won the battle 20 to 12. The Panthers had one touchdown called back on a penalty late in the game and came up short on the scoreboard.

After Saldivar had scored on the 80 yard scamper to gave the Bearcats the lead, with 11:43 left in the first quarter, the Panthers came back with a touchdown with 2:27 left in the quarter with Jeff Seaton going the final yard on a keeper play. The Panthers went 82 yards in 10 plays. A pass try for two points fell short and the Panthers trailed 7-6. This was the score at the halftime intermission.

Following the break at half-time, the Bearcats got the ball on the 50 after an interception and moved the distance in 5 plays with Saldivar rambling for the final 38 on a fine run with 2:51 left in the third period. Edwin Hale kicked his second point after and the Bearcats led 14 to 6.

The Panthers took the ensuing kickoff and went 77 yards in 15 plays with Jimmy Johnson going the final 18 yards on a beautifully executed play with 6:13 left in the final period. Again the try for two points fell short and De Leon led 14-12.

The Bearcats then took the kickoff and moved 75 yards in 12 plays with Edwin Hale scoring on a fourth down and two play, going 24 yards with 2:26 left in the game. Hale's kick for the extra point went wide and De Leon extended its lead to 20-12.

But the Panthers were still not finished as they took the kickoff on their own 48 and moved to the 6 yard line before time ran out. The Panthers had scored their apparent 18th point, but a penalty flag for motion nullified a fine run by Jimmy Johnson. Following the penalty time ran out on the Panthers and their opportunity to tie the game.

This was a typical Panther-Bearcat battle of the past few seasons as both teams put forth fine efforts. The Big

EXCELLENT SCRAMBLING — Jimmy Johnson is shown scampering away from one of the Bearcat defensive linemen in the game played Friday night, the other Panthers in the picture are No. 20 Jacky Johnson and No. 63 Phillip Osborne.

STRONG OPEN FIELD TACKLING — Show above is No. 32 Rodney Reeves and No. 40 Ray Bond making a fine tackle of one of the running back of the Bearcat team in game action held Friday.

GOOD DEFENSIVE WORK — Shown above are some of the mighty Panthers stopping one of the Bearcat runner in game action Friday night. The Panthers are: No. 22 Mark Swanner, No. 37 Russ Gressett, No. 60 Andy Kinser, No. 51 Curtis Warren, and No. 11 Jimmy Johnson.

Red defense just couldn't stop the Bearcats running game and let them loose on a few occasions for the win.

We feel the Panthers did a fine job since they were facing a very heavy team and this can be very tiring for an entire ball game. One of De Leon's linemen overloaded the scales at 280 and he was surprisingly fast for his size.

Jimmy Johnson led the Panthers on the ground with 159 yards on 27 carries. Scotty Mauney had 33 on 12 tries. Toofer Bond got 6 on 1 tote. Jacky Johnson had 2 on 1 and Jeff Seaton had a -5 on 3 keeps. Dane Gressett had a -5 on the first snap as the ball was fumbled for a loss. He went out of the game with an ankle injury and Jeff Seaton played the entire game at

quarterback and did a very good job, completing 3 of 7 passes and didn't make a bobble on his handoffs.

A few of the Panthers were bothered with nagging injuries but did a very good job despite not being at full strength.

The Panthers are now 1 and 2 and the Bearcats are 2 and 1.

The Panthers will travel to Glen Rose this Friday night for an 8 p.m. game with the Tigers. The Tigers have a good team and the Panthers will need an all-out effort to win this one. However, we feel that the Big Red will be ready for this game and will get the victory Friday night. Right Panthers? Get 'Em Big Red.

FAMILY BUDGETS - SPENDING YARDSTICKS IS PROGRAM FOR KOKOMO EH CLUB

County Extension Agent, Mrs. Janet Thomas gave a very timely and informative program "Family Budgets - Spending Yardsticks" to the Kokomo Extension Homemakers Club on Monday. Inflation seems to be the number one domestic problem these days as it gets harder and harder to meet expenses and save toward retirement.

Some of the guidelines given were to have goals, learn to set debt limit, be careful with credit and high interest rates, pay cash if possible to avoid the high interest, and plan how the family income can best be spent now and for saving for a comfortable retirement.

The meeting was held in the home of Mrs. J. C. Rodgers with Mrs. Albert Hendricks presiding. Mrs. Rodgers gave the devotion "The Righteous Bear Fruit" from Prov. 11:25-31. Mrs. Berniece Rodgers led the prayer.

Seven members and two visitors, Mrs. Janet Thomas and Mrs. Lyle Green answered the roll call with "My Favorite Teacher". Mrs. Greene was enrolled as a new member of the club.

The minutes were read and the treasurer's report given.

Mrs. Thomas gave a report on the State T.E.H.A. meet in Austin last week. She also explained the "Vial of Life" project that is sponsored by

Hampton, Jo Ann Butler, Hazel Smith, Elaine Skinner, Iris Preston, Juanita Fuller, Frankie Jo Shipman, Pam Childers, and Anna Faye Foster. Frankie Jo Shipman closed the meeting with prayer.

ANNUAL EASTLAND COUNTY FALL PECAN TOUR FRIDAY

The annual Eastland County Fall Pecan Tour will be Friday September 25 announces De Gordon, Eastland County Extension Agent. The tour will begin at 9:30 a.m. at the L.R. Bock orchard. The Bock orchard was formerly owned by Ben Freeman and is located 10 miles south of Ranger just off Highway 571.

The tour will include only this orchard. Visitors will see several different varieties, herbicide experiments, and results of close planted trees. Two Extension Specialists will be on the tour to discuss pecan problems with growers. Dr. Sammy Helmers, Horticulturist and Dr. Jesse Coker, Entomologist, will be the County Council. There will be a booth at the County Fair on October 1-3 where these vials of life can be purchased. Members of the Kokomo E. H. Club also have vials for sale.

Mrs. Rodgers served refreshments of vegetables and dip, crackers and cheetoes, angel food cake and ice cream and cold drinks.

the specialists on the tour.

Growers will discuss future plans following the tour.

Everyone interested in pecans are invited regardless of age, socio-economic level, race, color, sex, religion or national origin.

Olney Savings Introduces

THE ALL-SAVERS C.D.

TAX FREE. BEGINS OCTOBER 1. SIGN UP NOW!

Beginning October 1, 1981, Olney Savings will offer a 1-year certificate which pays tax-free interest — up to \$2,000 for married couples filing jointly, \$1,000 for an individual. \$500 minimum required.

This tax-free feature is not the only attraction of the All-Savers C.D. It will also return a high yield. For many savers, the All-Savers C.D.'s tax free yield will be higher than the after-tax yield available in other types of accounts. And the Olney Savings All-Savers C.D. is insured by the F.S.L.I.C., up to \$100,000.

Come in and talk with us about the All-Savers C.D. We're prepared to answer any questions you have and we can begin now to set up your All-Savers C.D. We're ready to help.

Come see us soon. Or call and we'll come see you.

SENIOR CITIZENS NEWS

We had a nice welcome shower the past week. It was sure appreciated though we could use a lot more just now.

What a shame and a disgrace to our nation that so many in our armed forces are drinking alcoholic drinks and using drugs. Tho they get those drinks and tobacco at a Discount. That stuff is sold at all PX Stores. Then when they get to drinking they want something stronger.

While at the same time they try to cure the alcoholics etc.

If Congress would put a 10% increase on all alcoholic beverages and all tobacco products, with no discounts to anyone, that would raise many billions of dollars.

The Post Office wants to raise letter postage to 20 cents. Just cut mail delivery to five days per week. If that will not balance the budget then, roll back that salary increase. They were not entitled to in the first place.

Labor and colored are in Washington protesting Reagan policy. I say do not let those air Controllers that went on strike never be allowed to work a day on any U.S. or State job.

Those that are able to work and on the Food Stamps programs let them work at least one day on some kind of job for each \$25 in Stamps.

What a shame, the State Legislature could not agree in 6 months Session on the U.S. House of Representatives District and had to get Bullock out of a place being treated for a drinking problem.

Well, Cardinal Cody did it. His step cousin lived in his home and drew \$8,000.00 per year as secretary. Tho she says she did no work for it.

The investigators said he gave her a million dollars. Tho Mrs. Wilson said it was just a mere pittance of \$373,000.00. That was salary gifts, etc.

All the other Cardinals, priests, etc. came to Cody's aid. "Birds of a Feather Flock Together". Remember he is just a man and no man is perfect. Enough said?

I received a letter from Elbert and Cora Lee from Colorado. They said that they stayed at same Motel we stayed with them in 1961. The only change was the price was twice as high now. Tho that year in August. We saw it sleet on the 23rd of October and 10 inches of snow fell. The sleet was a Fraser. Called the "Ice Box" of the Nation.

Elbert was Trout fishing. So he decided to go a little ways down stream to a small fall. In about ten minutes he came running back and said he saw a large one, about seven feet tall walking up that trail on its hind feet and eating as it went along. I asked him why he didn't cast that thing in the tongue. He said, "it could not stand still long enough". He said no his shoes were shaking too much for him to stand still long enough to cast.

People protect the Nuclear Power Plant. We have to have them.

People protest the Neutron bomb. That is some thing we have to have to stand against Russia. Our Armed Forces are so inadequate. They went down for the last ten years.

I noticed in the paper where the report said so many farmers in Small Business are failing. Why is it they did not tell of many, many millions of dollars lost by lending to Small Business Administration to the Blacks. They just wasted it.

Iran is blaming the U.S. for all those bombings. They are sure killing each other off.

Well, our first frost is one month away. On October 21st, we will see Frost here. It may not be a killing one tho.

Look up and smile as the AFLCIO are not in power yet.

CARBON NEWS
By Mrs. Bob Hasting
639-2517

Mr. and Mrs. Collin Campbell were honored by their children and grandchildren with a reception on their Golden Anniversary at the Carbon School Cafeteria Sunday September 20. Hosts were Kenneth and Von Cieia Snider, Linda and Julie of Rosebud, Arkansas; Roy and Reba Reeves and Pollyanna of Fort Worth; Weldon and Colleen Lamb of Nimrod; Bill and Addie Lou Walker, Philip, Sallie, Loren and Collin of Burket; Chris and Audrey Humphry of Huron, Michigan; James Snider of

Hollonian Air Base, New Mexico; Perry Reeves of Denton.

Around 140 friends and relatives from all over registered during the afternoon. It was a very enjoyable afternoon for all. Our congratulations and Best Wishes to the Campbells.

Mr. and Mrs. Charles Driver of Bossier, Louisiana visited Mr. and Mrs. Buck Weston on Saturday.

Mrs. Clifford Gilbert and Mrs. Calvin Gilbert of Denton visited Mrs. Vadis Phelps and Mr. and Mrs. Roy Skinner on Saturday.

Mr. and Mrs. T. W. Jumper of Houston have been visiting at their home here this summer.

Mrs. Muriel Thurman of Colorado City spent Sunday with her aunt Mrs. Ruth Craighead.

Mr. and Mrs. Bud Robertson of Goldthwaite were Sunday guests of Mr. and Mrs. Buck Weston.

Odus Skinner of Midland is at the bedside of his father,

Roy Skinner, who will undergo surgery in the Graham Memorial Hospital in Cisco on Tuesday.

Carbon Kids are Winners at the West Texas Fair in Abilene last week. Three members showed animals in the Saturday Scramble Show at the fair and came away winners. Carlton Cozart won First Reserve Champion and Showmanship with his Suffolk Ewe. Bill Stephens showed his Charolais Heifer to win First Place; Third overall and Showmanship. Jerry Carlton won Third with his Charolais Heifer; Shan-

non Spruill and Frank Boykin scrambled for heifers last Saturday at the Rodeo and will be in next year's show. Jonna Rodgers, Carbon 4-H Secretary took honors in the Baked Goods Show also held on Saturday. She won First in Candy; Second in Bread; and Third in Cookies.

The Carbon 4-H Club held their first meeting Thursday, September 17. We elected officers. They are Ronnie Cagle, President; Darla Cagle, Vice President; Jonna Rodgers, Secretary; Sylvia Hamilton, Treasurer; Wayne Sewell, Reporter; Shannon

Even if you're unhandy, you can do something to help hold down electric bills.

Save energy and money at home by learning how to insulate, caulk and weatherstrip — it's easy when you know how. Just call us, or ask for our "Unhandy Person's Guides" on the comments portion of your bill.

It's important to learn ways to conserve energy, especially since the cost of electricity must continue to increase, partly because all fuel used to make electricity continues to cost more.

For example, a contract for low-cost natural gas expires at the end of this year, and we'll have to use more high-priced gas next year.

You can conserve and help hold down your bill by using the "Unhandy Person's Guides" from Texas Electric.
