The better half and I sure enjoyed the Texas Electric Quarter Century Banquet on Tuesday evening at Graham. Herb and Mary Crenshaw of Gorman and Norma Locke from the De Leon office eccompanied us and we not only enjoyed the fine meal and entertainment but the trip to and from Graham was enjoyed as well. We always enjoy our visits with the fine folks of Texas Electric and sure appreciate the invitation each year extended by Richard Armstrong. Thanks again folks. It was great.

-J-Well we finally got our order filled for some more rain. It was back-ordered for a a few days but we are still glad to get the rain. It was still falling at press time on Wednesday and we had received over three inches of moisture by mid-morning. We thank the Good Lord for the rain which should help considerably to complete the growth of the peanuts that needed it so much. Some of the farmers were already harvesting their peanuts, even they are glad to get the rain. Most everyone appreciate a good rain whenever we can get it.

The Panthers traveled to Loraine ("a far piece" on Friday night and came home with a one-sided victory of 46-12. I believe most everyone played in the game as the half time score stood at 38 to 6 and the last half saw most of the entire Panther squad seeing action. The defense did a great job all night and the Panther running backs had a fine night with Scotty Mauney leading the Big Red on the ground with 154 yards. Jimmy Johnson got a bruised leg and was out of action for a good part of the game but still had a good performance.

The Panthers will open District 7-A play here on Friday night when they host the Evant Elks. The Elks are always a tough foe of the Panthers and the Big Red will really have to be up for this one. And we feel they will be ready to play.

Go Get 'Em Big Red! The Lions Club's annual Broom and Mop Sale to benefit the Blind will be held on Saturday, October 17th. Be ready to look over the many products offered in this sale and support this worth-

while effort. The Charles Rivers have done a fine job of remodeling and enlarging their home just south of the school. They really have a nice place and are to be congratulated on their efforts.

We were going to have a picture and an article on the new hay pellet facilities at Gorman Milling this week but we will have to wait until the completion af the project and then we'll have the picture and story.

Don't forget the stew supper prior to the ball game Friday night sponsored by the Band Boosters. Serving time is from 5:00 to 7:00 p.m. and its just \$1.50 for all you

And remember to smile - because God Loves You!

TO DISCOUNT

South County Hospital District through action of the Board of Directors will grant a 20% discount on your 1981 taxes when paid on time. This discount will not apply to late, or delingeunt taxes. All tax notices mailed out in October will contain an insert explaining how to deduct the 20% tax saving along with an insert showing the financial condition of the District and a Budget for the year 10-1-81 to 10-1-82.

Your Hospital District also provides a modern, emergency equipped ambulance service for your needs at a minimum costs. The men, and women, who man the two ambulances are trained - dedicated employees of Blackwell Memorial Hospital, and operate the ambulances for the District on a contractual bases with Hospital Management Associates, Inc., who have leased the Hosptial since July 29, 1980.

Hospital Management As-

Eastland sociates, Inc. with General Offices in Fort. Myers, Florida are doing an outstanding job providing medical care for our area, and have plans for increasing the scope, and quality of these services.

Because of some dedicated local citizens who would not give up, and throw in the towel, we now have a healthy Hospital District operating on a sond business basis. Continued improvement in our operating condition will result in further reduction in our tax load during the years

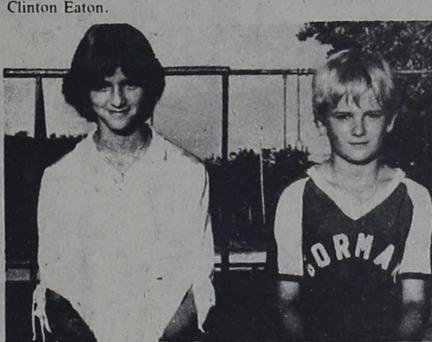

Our Doctors are very competent, and can administer to our medical needs. The Hospital now has a reliable team of highly qualified people that provide a much needed service to this area. The Hospital Board asks for your vote of confidence to these dedicated Doctors, Nurses, and Administrative personel. We wish you good health, but use you local health services when you need

Panthers Beat Loraine Play Elks Friday

The Panthers boarded the bus for a journey all the way to milemark 225 on Friday night, and that exit happens to be the Loraine exit. Most fans were concerned about the length of travel for the Big Red but their worries proved to be false as the Panthers were really ready to play the Bulldogs and came, away with a 46 to 12 victory. The half-time score read 38 to 6 and the Panthers coasted to a 46-12 final mark.

The Panthers got their first marker with 6:14 left in the first period as Scotty Mauney crossed the double stripe for the touchdown. Eddie Pettit added the two-pointer on a fine run and the Panthers were out front 8-0.

Then with just 56 seconds left in the first quarter Loraine came back with a touchdown, but failed on their extra point try. This left the score at 8-6.

The at the beginning of the second quarter Jimmy Johnson extended the Panther lead with a beautiful 42 yard scamper. The try for extra points failed anf Gorman led 14-6.

The next time the Panthers got the ball they added another score with Jimmy Johnson scoring with 8:41 left on the clock. Toofer Bond added the two point conversion and the Panthers led 22-6.

Then after a sack of the quarterback by Curtis Warren forced a punt by the Bulldogs the Panthers came back with another score with Jimmy Johnson getting the touch with 4:24 left in the second period. The Big Red added the two pointer and extended their lead to 30-6.

Then came the time out to remove the snake from the filed. Not Snake Stabler, but a real live snake who decided to join the game. The snake was ejected from the game and tossed over the fence and went on his way.

After proceeding with the game the Big Red added another marker before the half with Scotty Mauney scoring on a 10 yard run with 1:18 left in the half. Toofer Bond added the two pointer and the half time score stood at 38-6.

Just prior to the half Danc Gressett intercepted a Bulldog pass to stop a drive.

On the second half kickoff Loraine returned the kick 30 yards but the Big Red defense who did a fine job all night held the Bulldogs. Scotty Mauney intercepted a pass in the third quarter and the third period ended with no scoring as the defenses showed their strength.

Then with 10:04 left in the final stanza Loraine scored on a 33 yard pass. Again the extra point try failed and the score read 38-12.

The Panthers scored their final touchdown with 4:36 left in the game when Eddie Pettit scored. The two point conversion was good and the final score read 46-12.

In the final stage of the game Toofer Bond intercepted a Bulldog pass to stop a drive as the Panther defense really did a superb job all night.

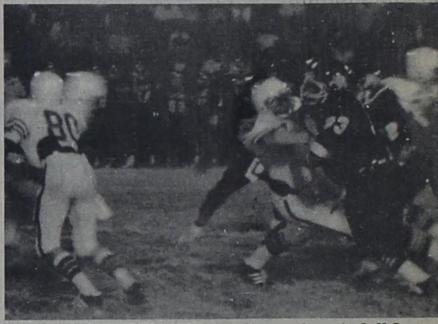

This win put the Panther record at 3-2 and they will open District 7-A play here on Friday night when they host the Evant Elks, a longtime tough rival of the Big Red. This is always a hard

PANTHERS MASSIVE DEFENSE - Shown above is Rodney Reeve. Scotty Maunry and Jackie Johnson about to tackle one of the Bulldogs for short gain.

GOOD RUNNING — Ray Bond is shown making a fine run in the Loraine - Panther game held Friday. He is being pursued by several tacklers for Loraine.

GREAT OFFENSIVE MOVES - Shown above is Jeff Seaton making a fine handoff to one of the running back for the Panthers. One of the Loraine Bulldogs is trying to stop the play, but with the help of a Panther lineman the play went for good yardage.

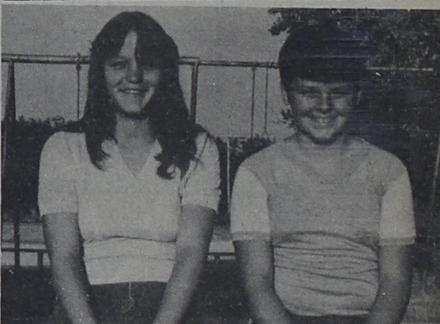

battle to the end and this year is expected to be no different. Game time will be

8:00 p. m. for this one. Scotty Mauney lea the Panthers with 154 yards on the ground and all the runningbacks did a great job with the subs taking over in the second half. Eddie Pettit did a good job running as did

Toofer Bend and Jimmy John

son. Sophomore quarterback Jeff Seaton turned in another fine performance. The whole team did a great job.

So now the non-district games are behind the Panthers and District 7-A action starts Friday night and we feel the Big Red are ready to go for the title. Get 'Em Big

CARD OF THANKS

We would like to thank everyone who helped make Sunday October 4th the most wonderful day of our lives. It greatly exceeded all our expectations.

There is no way we can ever thank you for all the phone calls, visits, food and for the beautiful gifts and the lovely cards. Most of all is knowing we have such wonderful friends who care.

A special thanks to the ones who worked so hard to keep everything going. Also to the First Baptist Church for the use of the Fellowship

This will always be a special day in our lives. It is great to live in a community like Gorman. You all are very special to us.

HOMECOMING NEWS

The Gorman Ex-Students Association met the 22nd of September to finalize plans: for the 25th Homecoming: October 23 and 24th. All Committee Chairmans were present, so when they or one of their committee ask you for help or food or whatever. rest assured they need you. You have always been willing to help so we will be counting on you this time.

We have a lot of addresses that have been changed, so therefore we have had several invitations returned. If you know anyone of your family or friends that have changed since last year, get in touch with some one on the invitation committee.

We are making plans for a great homecoming and if will be if you are there. Please don't make other plans for that weekend.

Our Panthers are really shaping up now. The Band is producing good music for half time and during the game. The Cheerleaders are working so hard, keeping the fans and team pepped up. Come out and see for your-

We will meet the 12th of October, so if you have any good ideas that can make our Homecoming better meet

Why gas is plentiful:

19,000 Wells

About 19,000 wells, in addition to pipeline agreements, now supply the natural gas we sell to you. Because of Lone Star's aggressive purchasing program, our supply position is strong. And we will contract for more gas

whenever we can negotiate for terms favorable to you. Our ability to deliver all the gas you need for your home is another reason to be glad you're served by the Lone Star system.

WHY A FORAGE PROCESSING CENTER AT GORMAN MILLING COMPANY?

1. Our area is suited for forage production but not large scale grain production. 2. We must learn to use feed stuffs that are available nearby. During the recent past freight rates have increased greatly, thus increasing the price our customers must pay tor ingredients shipped in from distant points.

Even if you're unhandy, you can do something to help hold down electric bills.

Save energy and money at home by learning how to insulate, caulk and weatherstrip — it's easy when you know how. Just call us, or ask for our "Unhandy Person's Guides" on the comments portion of your bill.

It's important to learn ways to conserve energy, especially since the cost of electricity must continue to increase, partly because all fuel used to make electricity continues to

For example, a contract for low-cost natural gas expires at the end of this year, and we'll have to use more highpriced gas next year.

You can conserve and help hold down your bill by using the "Unhandy Person's Guides" from Texas Electric.
