OUR 82ND YEAR OF SERVICE

Joe Bennett, Publisher

—J—

It seems that the rains are with us to stay as we seem to et a shower most every day (or night). We received a shower early in the a. m. on Wednesday. And it is sure doing some marvelous things for the lawns that have to be mowed every time you turn around. It seems as though the grass grows right before your very eyes.

The farmers have had a tough time this year trying to get their land prepared for planting and the rain has realy delayed planting and has delayed it frightfully late in a lot of cases. Some have planted their runner peanuts rather late and some have planted spanish because of the late planting date.

Oh well, I guess we will be wanting some rain before long when the hot dry summer days hit us and we are all burning up, including the peanut vines.

We add our congratulations to all the others to the Park Association for the marvelous job they have done at the Frank Gray Park. The association members have toiled and sweated to get things done for this year's July 4th Celebration to be held Saturday, July 3rd. There will be something for everyone at the day's activities. Things will get underway at 10 a. m. and will continue throughout the day and will climax with a fireworks display at 9:30.

So make plans now to attend all or part of the activities at Frank Gray Park on July 3rd.

The new pavilion has just been completed this week and is a beautiful addition to the park, thanks to the hard work and dedication of the association.

Didn't the jury decision on the Hinckley trial turn your stomach. To think that anyone could do a thing like that and get away with it with several million people witnessing the tragedy on TV. He will be held only 50 days and then chances are that he will be released on society again. I wonder how his victims will feel knowing that he will be back on the streets again and will have the opportunity to repeat his terrible crime.

Folks, something is terribly wrong with the system when such a crime can go unpunished due to some cry for insanity. Oh, I assure the man was "crazy" alright when he committed his crime because anyone would have to be crazy to do something like that. But do we have to turn him loose on society again. Maybe someday some laws will be passed so that criminals of this sort will not

be able to prey on society. If he is insane then he should be put in a place where they can never have the chance to do their terrible deeds again.

Work on the new watermelon shed is continuing as weather will permit. With a little luck and some hard hot work the shed should be finished soon. And it won't be long until the watermelon and cantaloupe season will be in full swing as some are already coming in.

And remember to smile because God Loves You! -GP-

CARD OF THANKS

This month during my illnes was a troublesome time for us. However, we got through it. You'll never know what a great part you played in my mental and physical recovery. The many prayers, flowers, plants,

The Frank Gray Park Association have finalized plans for the Fourth of July Celebration on Saturday, July 3, beginning at 10 a. m. Opening ceremonies will be at that time followed by games of all types throughout the day. There will be musical entertainment during the day. The day will end with a fireworks display at 9:30 p. m. The day will be filled with something for everyone, so don't forget the day and time.

There will be a concession

stand set up for the entire day serving a brisket or sausage plate with potato salad, beans and the trimmings. The usual "goodies" will be available throughout the day.

There will be a charge of 25c for each game entered during the day. Ribbons will be awarded to the winners. There will be a frog and turtle race, so start NOW and get yours ready for the race.

The Park Association's membership dues of \$1.00

per person per year will be accepted at the concession stand. All proceeds fron the day's activities will be used on improvements for the

If you haven't been out to Frank Gray Park lately drive out and see the things that have been done. The pavilion has been completed this week. Those working this past week were Doug Rainey Troyat Underwood, Donnie Mauney, Scotty Mauney, Jimmy Johnson, Howard Hagood and Milton Jensen.

Troyat Underwood has donated paint to be used on the pavilion. Other donations this week include: \$100.00 in appreciation of Donald Bolt and \$50.00 from Quickway Grocery. We appreciate all these donations. Anyone who wished to make a donation are asked to contact Pat Hagood, treasurer, or Milton Jensen, president.

Make your plans now to bring the WHOLE FAMILY out to Frank Gray Park for a fun-filled day on Saturday, July 3. See you there!

CLASS OF 1952 REUNION HELD JUNE 19, 1982 AT

KOKOMO COMMUNITY Although turnout was small, we had a good time! Lots of good food, meeting with old friends, talking over the good times and what we plan for the future.

Those attending the reunion were Leroy and Billye Kent from Eastland; Fred and Joy Rogers, Gorman; Glen and Shirley Clement from Hobbs, N.M.; Jack and Mary Eison, Bridgeport; Fred and Joyce Eaves, Gorman, and Sussanne Rankin Schofield from Gorman. One of our old class mates, J. F. Lilly and his wife Yvonne, from Lometa came to be with us. Hadn't seen J. F. in

We discussed the possibility of combining several Graduating Classes for a reunion in 2 years. It would seem to be a good idea, since so many of the class members married and usually attend the reunions together They are always willing to help their fellow man in every way possible and Gorman is very fortunate to have such dedicated doctors.

The large crowd attending the event expressed their love and aoorecuation with a round of applause and a standing ovation.

Out of town friends of the Agulias attending the function were Dr. and Mrs. Armond Wiltz of Crane; Dr. and Mrs. Virgil Carandant of Roby; Dr. B. Gakul and Lou Cuasay of Stephenville; Dr. Ted and Dr. Mrs. Ted Polisoe, Rising Star; Dr. and Mrs.J. Sernanza of Gorman and Mr. Mrs. Tony Magsino

ideas or suggesions for next reunion, please contact either Fred Eaves or Sussanne Schofield at Gorman. We need your help to make these reunions a success.

of Rising Star.

Our class motto was "Find a Way or Make one"....let's keep the thought.

See everybody at the next

get together!

Members of the graduating class unable to attend were Betty Clininger Jenkins Cecil Collins, Carl Curtis, Ken Ezzell, Mary Ann Love Lipps, Rita Ghrine Pack, Shirley Ann Reed Warren, Bob Self. You dont know what you missed this year! -GP-

Mr. Mrs. Bedford Gottlieb of Houston visited Sunday to Tuesday with her brother, Mr. Mrs. Ralph Hudson and Patricia.

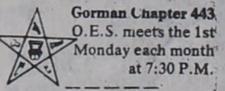

Sunday visitors with Ruby Bennett were Mr. Mrs. Fred Bennett and Mark of Cleburne, Mr. Mrs. L.A. Bennett of Eastland and Velma Bennett of Gorman.

The annual Lewallen Reunion was held at Bailey's Camp at Possum Kingdom Lake, June 18 - 21. Tho there were thunderstorms and lots of rain on Friday night and Saturday, there was still time for swimming, fishing, skiing and playing dominoes and canasta, and lots of visiting and just having a good time. Those attending were Mr.

and Mrs. Jim Lewallen, Mr. and Mrs. Jamie Lewallen and Jayma, Mr. and Mrs. Ted Jordan and Mr. and Mrs. Bill Wier all of Floydada, Carl (Bubba) Lewallen and Mr. and Mrs. Arvel Lewallen and Carol, Neil and April Slover all of Lubbock, Mr. and Mrs. Glenn Jordan of Gorman, Mr. and Mrs. Roddy Miles, Joe, Sheri of Abilene and Mike Cole of Lubbock. Others were unable to

attend this year due to illness in their families, and they were really missed. Mr. and Mrs. Roddy

Miles, Joe and Sheri had attended the Miles Reunion at Bailey's Camp the weekend of June 11-13 and spent the week vacationing at Possum Kingdom Lake. Joe Miles celebrated his

13th birthday on Friday, June 18 at the Lewallen Reunion. The birthday cake, baked by Joyce Eaves was decorated with a large red motorcycle and other forms of sports, baseball, football, bowling and golf, and was inscribed "Joe", "Happy 13th Birthday".

Mr. and Mrs. J. L. Morrow attended the School Hill Reunion at the Desdemona School building on Saturday

and Sunday. Glenn Hodge of Pleasant Hill was a visitor at the Kokomo Baptist Church on Sunday morning.

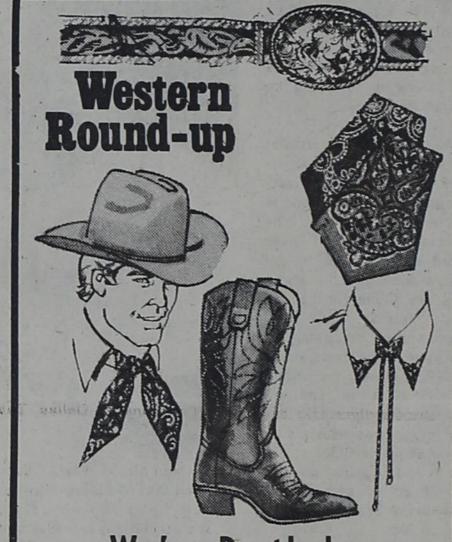

A fellowship was held in the fellowship hall of the Kokomo Baptist Church following Sunday night services to honor Mrs. Jim Andrews on her birthday. Punch and cookies were served.

Sheri Miles of Abilene is visiting with her grandparents, Mr. and Ms. Glenn Jordan this week and attending the Vacation Bible School at Kokomo Baptist. Neal Anderson of Big

Spring and Kathy Eberhardt of Austin are visiting with their grandparents, Mr. and Mrs. Jim Bennett at Lake Leon, and are attending the Vacation Bible School. Mrs. Glenn Jordan and Sheri Miles visited with Mr. and Mrs. Bennett and Neal and Kathy on Tuesday and Kathy spent the night with Sheri and the Jordans on Tuesday

Mrs. Berniece Rodgers was a dinner guest of Mr. and Mrs. John Rodgers and Jonna at Carbon on Sunday.

Mr. and Mrs. Albert Hendricks visited Mrs. Floyd Wood of Carbon on Sunday.

MEMORIES

Hi! to all on this Saturday Juneteenth Day. The 117th anniversary of the day the Slaves were freed in Texas.

I want to tell you a true story that happened. Onnie (my wife) had been in hospital at Eastland about 10 weeks at that time a Black L.V.N. had been very kind and attentive to her. She told Onnie she had a 7 year old daughter. Onnie told her she had a large beautiful doll made from a black stocking. Dressed with the finest clothes she had ever bought and there was a change of three clothes. All made for a perfect fit. She would like to give them to her. Tho she did not want any one working at hospital to see it. gathered them up and carried them to the hospital the next day. The lady went into bathroom to see the doll etc. She came out smiling and told Onie her daughter would be so proud of the doll and the beautiful clothes. Onnie was a perfect seamstress and enjoyed her work.

What a coincidense, when Lola had that kidney operation in West Texas Med. Center and was in Intensive Care Unit, a black R.N. was in charge on day shift. You could visit ten minutes, very

tears in her eyes she said "I know you meant that from the bottom of your Soul". I told her "I believed in giving praise where praise is due. I wish the best for her always". She was grey headed and I am sure a lot of people passed her up; because she was black. Tho in times like that there is no color line with me.

I notice where the Steel Mills have asked their Employees to not ask for a raise this year. They say "No"? We must get a raise again. They draw a mere \$22 per hour. Just \$176.00 per day. They claim they cannot get

by on such measly wages. Do you wonder why. Foreign Mills can ship steel here cheaper? That is just like the cat industry. They have forced prices of U.S. cars so high that people buy cars from over seas. They cut their own throat.

Some are raving because the Federal Budget is cutting down on Medicare and Medicine. The reason is that the program is being abused so much when it is unnecessary here and other places. This weather reminds me of the "Dust Bowl" days of the Depression. I lived on black land and it did not blow.

THE GORMAN PROGRESS, JUNE 24, 1982

remember especially one day about 2 p.m. our chichens or most of them went to roost. That was sure dark for at least two hours. That red dust turned the top of ground

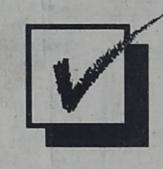

We are still lucky here that those destructure hails and heavy floods have missed us so far. That is something to be thankful for. Tho some have lost some peanuts and others are just waiting to plant and time is passing by very fast. Tho you are being subsidized more this year. The Dairy Industry is costing

many, many millions in subsidy. Also Tabacco is being subsidized. Increase tax on Tabacco products. Also all alchols need to be doubled. That would cut the Federal Deficit.

Our sympathy goes out to the Kennedy family in your bereavement.

This is Monday Fist day of Summer Oh! those happy teen age times. Yesterday was Father's Day. Dad told you one time. That was enough. When my children was growing up. The same with them. It worked.

20 ways to help hold down your electric bill.

A checklist to help you save energy and money at home.

Energy Conservation Practices

Electricity is costing more this summer mainly because the fuel to make it is costing more. The following low- or no-cost home conservation practices can help you save energy and money.

Do not use air conditioner unless absolutely necessary.

Keep your thermostat set no lower than 80° in the summer. Use ceiling or oscillating fans to circulate the air.

Check your air conditioner filters each month to see if they need cleaning or changing. And make sure that the outside unit is free of grass, leaves and trash.

When leaving home, turn off air conditioning. If away for two days or more, turn off water heater.

heater to 140°; otherwise, set temperature to 120° or lower. Use scrap insulation to plug air leaks

in attic, around fireplace dampers and

If you have a dishwasher, set water

window air conditioners. Repair water leaks in pipes and faucets, and seal air duct leaks.

Use drapes, blinds, shades, awnings or plants to block sunlight. Try to minimize traffic through outside

Economize in the kitchen. Plan meals so several dishes can be cooked in the oven at the same time. Save when you do laundry. Wash and dry

only full loads of clothes.

Energy Conservation Measures

These home installations and modifications require an investment, but may return their cost to you in the form of savings on utility bills.

Caulk and weatherstrip around doors and

windows to reduce air leaks. Add insulation to ceilings, walls

and floors. ☐ Insulate ducts, especially in the attic.

Insulate hot water pipes in attic. Install insulation blankets on water heaters, especially in garage or basement.

Investigate cost-effectiveness of storm doors and windows.

Add solar-reflecting materials to doors and windows on east/west exposures,

Install a clock thermostat to automatically set air conditioner and heating unit to desired temperature. Even when you're away from home, the clock thermostat can control your air conditioner for more. economical operation.

Investigate replacing your central air conditioner, especially if unit is more than five years old, with a new unit that has a Seasonal Energy

Efficiency

Rating (SEER

of at least 8.5.
