This Friday night will be one of the big highlights in the life of Jimmy Johnson as he will participate in the Coaches All-Star Game being played in the Astrodome in Houston. Jimmy was an All-State running back for the Panthers the past two seasons and amassed an amazing rushing record for the Panthers during his four years in GHS.

Jimmy is only the second Gorman player in history to participate in the All-Star Game. The other was Mel Maxfield, another All-State Panther who participated in the All-Star Game a few years back at Amon Carter Stadium in Fort Worth.

Several fans from Gorman will be attending the game at Houston to see Jimmy play. And all of us will be wishing him the best in performance at the game. There will be many college scouts in attendance at the game and some opportunities will be afforded to some outstanding players in the game. And we are hoping Jimmy will have a great game.

The Gorman Lions will be sponsoring the Moore Carnival this Thursday, Friday and Saturday on the parking lot in front of Brogdon Field. The opportunity for the carnival to appear here was afforded when a scheduled event was cancelled. The Lions are happy to have the opportunity to bring this fine carnival to Gorman and hope that maybe they can make it an annual event if possible. All proceeds of the Lions percentage of the event will go to community civic projects of the Lions. And the club has many worthwhile projects for the betterment of our community. So have fun at the carnival Thursday thru Saturday night.

Sunbelt Savings has just about completed their renovation project. They put brick trim around their building and added other improvements to the exterior of the building. They also did some interior changes in the project.

Also noticed that the First National Bank is again doing some interior renovation on their building. The way business keeps growing at First National, it seems they have to continue to expand every few months. Guess J. B. and the board of directors will have to consider adding another floor to the building, because about all the space has been taken up in the structure.

The Seniors of 1982-83 have scheduled a girls softball tournament here on Thursday, Friday and Saturday, July 29-30-31. There will be several outstanding teams participating in the tourney and there should be a good number of fine games played. The concessions will be open during the event.

We would like to congratulate the City of Gorman for the outstanding job they have done in spraying for mosquitoes in the city. Gene Barnett has been out with the spraying machine on many, many occasions and several times into the night seeing that the spraying was done to combat the pests. This spraying schedule has really done the job and folks appreciate it a lot.

We congratulate Mr. Felix Woods on the outstanding job he has accomplished with the landscaping projects at the Texas Federal Inspection building on Kent Street. It sure looks beautiful and Felix always keeps the grounds so

Becky Ward And Tim Swanner Married In May Ceremony

Rebecca Jo Ward of Stephenville and Timothy Lee Swanner of Gorman exchanged marriage vows in a double ring ceremony at 7:00 p.m. on May 29 in the First Baptist Church in De Leon with the Rev. Lowell D. Skaggs of the Early Baptist Church officiating.

The couple's parents are Mr. and Mrs. Norman L. Ward of Brownwood and Mr. and Mrs. C. W. Swanner of Gorman.

The ceremony was performed before an arch covered with palms and yellow and orchid daisies and mums, centered with white bells and orchid and yellow ribbon. The arch was flanked by two candelabra, entwined with orchid and yellow ribbons and leaves.

The bride, given in marriage by her father, wore her mother's wedding dress of candlelight satin fashioned with sheer sleeves and collar featuring a cut-out design encrusted with seed pearls. The dress had a fitted bodice with dropped waist and satin covered buttons on the front. Also, the bride wore her mother's floor-length veil, held by a crown of seed pearls and satin. She wore a strand of pearls that the bride's father gave the bride's mother for her wedding. The bridal bouquet featured orchid and yellow carnations and daisies with fern and baby's breath.

Melissa Smith of De Leon attended the bride as matron of honor. Denice Ward was her cousin's bridesmaid. Their dresses were orchid floral chiffon over orchid, tied with orchid ribbon at the waistline. The dresses clean and neat. Great job Felix.

We have also noticed the outstanding job that Milton Jensen is doing with the landscaping at the First National Bank. Everything always looks so trim and neat at the bank. Fine job Milton.

Noticed that some sand blasters are cleaning the exterior of the old Depot in preparation of repainting the structure. The Texas Central Railroad is having the work completed in connection with a clean-up and renovation project which will greatly enhance their property in Gorman.

And remember to smile because God Loves You!

were fashioned with bateau necklines, bell sleeves and full skirts. Each attendant wore a halo of flowers in her hair and carried a long-stemmed yellow rose.

Lanelle Ward, niece of the bride, flower girl, was dressed identically to the honor attendants.

The groom was attired in an ivory-color tuxedo with matching shirt and a white boutonniere accented with yellow and orchid.

Mark Swanner was his brother's best man. Groomsman was Charles White. Daryl Ward, brother of the bride, ushered. Charles and Daryl also lighted the candles. Dominic Ward, nephew of the bride, served as ring bearer.

The groom's attendants wore two-tone grey tuxedos with orchid shirts and yellow boutonnieres.

The groom's mother chose a dusty blue crepe dress with white corsage tied with yellow ribbon. The groom's mother wore a yellow dress with white corsage tied with orchid.

Wedding music was provided by Kelley Vannatta, organist. Selections included "If" and "The Lord's Prayer", sung by Mr. and Mrs. Tim Skaggs.

Teresa Blackburn presided at the guest register.

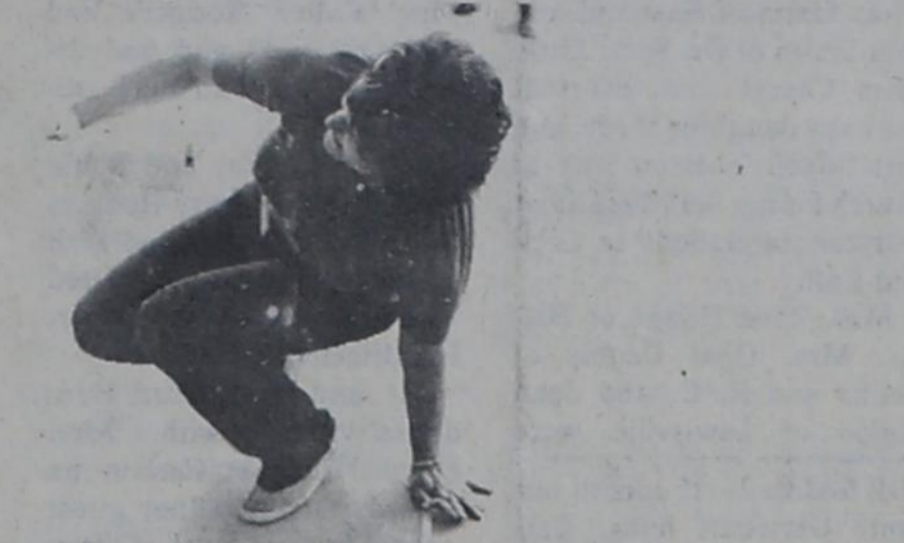

After the wedding, a reception was held in the church. The bride's table was laid with white lace and net over white satin, tied at the corners with orchid bows. The three-tiered cake was decorated with orchid and yellow flowers. The table was centered with the bride's grandmother's orchid vase filled with orchid and yellow silk flowers.

The groom's table was decorated similar to the bride's table. His chocolate cake was in the shape of two wedding bells, inscribed with names of the bride and groom. Appointments were crystal and silver.

Serving at the bride's table were Lisa Walker, Janet Higginbottom, and Joy Morris, and at the groom's table, Sandra Ward and Susan Hogan served.

A graduate of De Leon High School, the bride is a junior at Tarleton State University. She is employed by Higginbotham's in Stephenville. Her husband, a graduate of Gorman High School, is employed by Emerson Electric in

FORMER BHS COACH GETS SPC JOB

James G. Morris, former Brownfield High School track coach and Texas Tech assistant track coach this past year, has been named head track and field coach at South Plains College, Levelland.

Morris was appointed to the position by SPC President Dr. Marvin Baker upon the unanimous recommendation of a special selection committee composed of SPC administrators and faculty members.

Morris, 45 years old and a native of Brownfield, succeeds Clint Ramsey, who resigned his position June 1 to assume duties as head men's track and field coach at Angelo State University in San Angelo. Morris appointment becomes effective with beginning of the 1982-83 school year.

In addition to his coaching duties, Morris will join the South Plains College Levelland faculty as an instructor of physical education.

Morris received his B.S. degree in physical education from Texas Tech in 1960. He has completed graduate work at Texas Tech and Azusa Pacific University.

After graduating from Tech, Morris joined the Brownfield Independent School District as a coach for the junior high football, basketball and track and field programs. In 1968, he became head coach for boy's track and field and boy's and girl's cross country at Brownfield High School, a position he held until 1980.

The past year, Morris was head men's cross country coach and assistant track coach at Texas Tech University.

While at Brownfield High

Morris coached high school athletes to the State Track and Field Meet for eight consecutive years. He has coached two state champions and his boy's cross country team finished State UIL runners-up in 1975.

At Tech, Morris coached two finalists in the 1982 Southwest Conference Meet where one of his athletes placed fifth.

He has been a guest lecturer and instructor at various coaching clinics, including the Texas Tech Track and Field Camp. Morris has also organized and directed more than 150 track and field meets and cross country meets since 1960. He was the meet director of the Region 1, 5-A and 3-A high school track and field meets hosted by Tech this past spring.

In addition to his involvement in track and field, Morris is owner and manager of the Athletic Attic, a sporting apparel store in Lubbock.

He is a member and past president of the Brownfield Noon Lions Club and a Charter member of the Board of Directors of the District 2-T2 Lions Eye Bank in Lubbock.

Morris and his wife, Beverly, have a son, Mark, who is third-year medical student at Texas Tech, and a daughter, Mitzi, a senior at Tech.

Morris commented during the press conference, "I feel very fortunate and proud to have the opportunity for this advancement in my professional career. It's seldom that a coach or teacher has the opportunity to take over a successful program such as the one that Clint Ramsey has established at South Plains College. It is a program that is second to none in the Junior College ranks."

Although Morris' immediate problem in recruiting is in the sprint department as the entire sprint relay from last year will not be returning he mentioned his main concern in recruiting, "My immediate goal is to recruit the student/athlete that will help continue the winning tradition of the academic and athletic program of South

Plains College. Area athletes will have priority in my recruiting efforts.

In his final comments, Morris voiced his appreciation to SPC President Dr. Marvin Baker and the Board of Regents, "I would like to thank Dr. Baker and the Board of Regents for the confidence they have shown by appointing me to the position of head track and field coach."

James is the son of Mr. Mrs. Hup Morris of Gorman and he attended school in Gorman for a short time.

KVMX FM 97 Promotion Underway

KVMX FM Stereo 97 announced today that it is beginning its "Summertime Give-away Extravaganza" in the Microplex. KVMX Bumper stickers are available at most area merchants for this promotion. Everyone is eligible to win with the only requirement being that a bumper sticker be placed on their car or truck.

Thousands of dollars in prizes will be given away through the summer and Fall including an 11 day and night all expense paid cruise on the "Mississippi Queen" Steamboat up the Mississippi river. Also included are two round trip airline tickets for Acapul-

co Mexico as well as other grand prizes to be announced in the near future. There will be daily prizes with values ranging from \$25.00 - 150.00. The Mississippi cruise alone is worth in excess of \$5000.00. FM 97 encourages every one to get in on the fun and pick up their free bumper sticker before supplies are depleted.

The radio station also announced today that in addition to its NBC network affiliation, FM 97 has now been awarded an ABC network affiliation making it the only NBC, ABC Dual affiliate FM station in the state of Texas. KVMX FM Stereo 97 is proud to be a growing part of the Microplex and is looking forward to increased service to its listening audience.

MEMORIES
 You should all read and read some more. As our Freedom is being lost more and more every day. Congress should make the Laws and not some 2x4 Federal Judge. Pass Laws that no Federal Judge can stop a "Death Sentence" from being carried out. That will stop this crime binge. If a drunk driver has an accident and some one is killed due to their driving make it automatic death penalty. That will stop some of them. They say he did not intend to do that? Did he need to have an excuse? No plea bargaining at any time. If a person is out on bond and violates the law again, they should not be allowed to make a new bond. Lock them up for safe keeping. When they are tried make them pay bus room and board.
 Our sympathy goes out to the family of Mrs. Bingham. She passed away in Home here. There are several that

are seriously ill and we wish for them a speedy recovery. Singing Thursday Night was great. Come one, Come all. It makes our spirits rise to hear those wonderful songs. Be here.
 I remember when the wather on our farm in the creek never ran dry. One hole was about 10 feet deep. Tho when they started planting peanuts we began getting sand. That hole is gone. After I bought goats and killed the brush just west of where that hole was I had a good stand of Bermuda. One time after a big rain that grass was under 6 inches of sand. The entire creek bed is full of sand now.
 Carl Mc Gough lives at Eastland. He was born at the Springs. We went to school together. Jim told him I played dominos at Senior Citizens at Eastland. So he came and met me there. I had not seen him since 1914. This was in 1974. Just 60 years. He had moved to West Texas worked for Oil Co., retired and moved to Eastland across street from Hospital. 3 blocks to church and 2 blocks from Cemetery. So you see I have every thing very handy. We sure had a wonderful visit.
 I am sure hoping that Isreal can soon settle their trouble with the PLO. The PLO have always said they would destroy Isreal. Tho it

looks different now. Iran is trying to destroy Iraq. The U.S. should give Iraq planes to help destroy Iran and Old Khoemi forever the way they did our men in prison there.
 Monday Morn. Our sympathy goes out to Tom Lasaters family. I have known him all his life. Otis Hise family have know him since 1921. A brother of the man that made my nice cane. He was a merchant for Lone Star Gas.

Velma Eppler
 Velma Verne Eppler, 82, of West Texas Nursing Center died at 4:30 a.m. Tuesday at the center. Services are pending at Mabene Allen Funeral Home.
 Born July 14, 1900, in Gorman, she moved to Abilene from Roscoe in 1938. She married W.R. Eppler in Gorman. She was a homemaker. Her husband preceeded her in death.
 Survivors include three granddaughters, Feather Tedford of San Antonio, Mrs. Verne Bishop of Lubbock and Mrs. Jackie Keltner of Little Rock, Ark.; and five great-grandchildren.

Save energy with high-efficiency a/c and get a bonus from Texas Electric

The amount shown is for a 3-ton central electric air conditioner with an SEER of 8.5.

If you replace your central electric air conditioner with one that's more efficient, Texas Electric will pay you a bonus of \$80 per ton.
 Not only that, you'll save on your electric bill as well. For example, a high-efficiency 3-ton unit will save you up to \$160 a year.
 This equipment costs more initially, but the bonus from Texas Electric plus the savings on your electric bill will make up the difference in just a few years.
 If enough people buy high-

efficiency equipment, summer peak load growth will be slowed—and so will the need to build new generating plants. In the long run, this will help hold down everyone's electric bill.
 Before you replace your old air conditioner, ask your dealer about central air conditioners, heat pumps, and window units that qualify for this program.
