

HULLS

By KERNEL GENE BAKER, aPe

Thereasa and the Kernel had an interesting trip most of last week visiting in East Texas. Marvin and Grace Nix, rolled out the welcome mat in Longview and we were tempted to stay longer. They took us on a tour of the Lake of the Pines and Jefferson which is a town filled with Texas history. The citizens of Jefferson have gone all out to make visitors welcome and unlike the ordinary tourist town, there is an atmosphere of poise and dignity, old-time pioneer courtesy and pride in their heritage.

A replica of the old steam boats that Captain William Perry of Jefferson navigated from Caddo Lake to Cypress Bayou helped make Jefferson the gateway to Texas and ranked second only to Galveston in importance.

Every town has its character - in Jefferson it is Ray Butler, a former aviator and world traveler who operates a restaurant. (Actually his wife, Kay, does all the work while he sits around and takes the bows.) Their meat is barbecued on an old stove from China which is over 500 years old. The restaurant is located in an old warehouse on the edge of Cypress Creek. The food is delicious but one can hardly eat due to all of the interesting items on the walls.

Mr. and Mrs. Dwayne Dennis, formerly of Ranger, are publishers of the Jefferson Jimblecute. Sorry,

METHODIST "WITCH POT" — It may look like a "witch pot" but it turned out to be a batch of delicious barbecued chicken. Chefs are Odie Brightwell, Edgar Higginbotham and Hubbard Gilbert.

BAPTIST BARBECUE METHODIST CHICKEN — Oda Monroe (member of Baptist Church) was one of the chefs assisting Rev. Frank Williams, pastor of the First United Methodist Church, barbecue the chicken for the Hospital Benefit Dinner at the church Friday evening. Other men of the church shown in background is Odie Brightwell, left and Bill Chandler. The Supper netted \$425. The proceeds will be used to furnish the intensive care room at the new hospital.

METHODIST WOMEN DISH OUT CHICKEN — Members of the First United Methodist Church serving barbecue Friday evening were, l to r: Martha Shell, Nedra Green, Jo Duran, Tommye Haile and Helen Chandler.

Stewart-Warren Vows to be Read Here September 25

Mr. and Mrs. Boyce Stewart announce the engagement and forthcoming marriage of their daughter, Marilyn Sue, to Jimmy D. Warren, son of Mr. and Mrs. Vernon Warren of Route 2, Gorman.

Vows will be read at 8:00 p. m. Saturday, September 25th in the Gorman Church of Christ.

Local invitation will not be mailed. All friends and relatives are invited to attend the wedding and reception.

I don't know what Jimblecute means.

Clipped the following from "The Tri-City Bee", a newspaper published by Carl Wren of Hughes Springs in several towns near Longview.

"Sometimes the very things that make a newspaper GRATE are the things that make a newspaper GREAT.

New State Law Prohibits Passing Stopped School Bus

AUSTIN — A new State law that became effective August 30th will no longer permit Texas motorists to stop and then pass a school bus which is loading or unloading children.

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said the new law, passed by the 62nd Legislature, applies in both cities and rural areas and requires motorists moving both directions on the same roadway with a school bus to stop and remain stopped as long as the flashing lights on the bus are in operation.

Under the previous law, which applied only in rural areas, drivers stopped for a stopped school bus, but then proceeded around it at a speed of not more than 10 miles per hour if safe to do so.

The new law will not require those vehicles on another roadway of a divided highway to stop, and stops are not required if the bus has stopped in a loading zone of a controlled access highway where pedestrians are not permitted to cross.

Speir noted that provisions of the new law will be strictly enforced to afford maximum protection to the school children of Texas.

J. C. Clearman to Lead Kokomo Community Club

The Kokomo Community Club met at the Kokomo picnic area on Saturday, August 28. J. C. Clearman presided and Euell Allison led the opening prayer.

The club voted to stay in the Texas Community Improvement Program for another year.

New officers elected were: president, J. C. Clearman; vice president, J. L. Morrow; secretary, Mrs. Albert Hendricks; treasurer, Alvin Lasater; and reporter, Mrs. Glenn Jordan.

Several new projects for the club were discussed, such as getting some playground equipment for the younger children, putting lights over the picnic area and erecting new signs showing direction to each home in the community. Claude Fuller, Euell Allison and Charles Little were appointed a committee to see about a swing set for the playground.

A new water system for the homes of Kokomo was also discussed. The water would come from Lake Leon, and there will be another meeting on this matter later.

The Kokomo Community Club will meet the third Saturday night of each month and all families of the community are urged to attend and enjoy the fellowship and take part in the improvement of our community.

Mrs. J. C. Clearman and Mrs. Alvin Lasater served refreshments.

Gorman High Elect Class Officers

Students in Gorman High School have elected class officers for the school year 1971-72.

Heading the senior class will be Danny Snider; Danny Ervin, vice president; Marilyn Thompson, secretary; Windell Treadway, treasurer; and Mark Arnold and Sarah Kirk, reporters. Steve Patterson was elected student council representative. Class sponsors are Linda Glover and Don Rhodes.

Karan Kirk was elected president of the junior class; Kelly Henderson, vice president; Jeannette Jackson, secretary; Patti Hirst, treasurer; Chester Joiner, parliamentarian; and Bernadene Reeves and David Porter, reporters. Mrs. R. D. Patterson and Bo Caraway were chosen as class sponsors, and Patti Hirst is student council representative.

In a class meeting August 25th the sophomore class elected Bill Baze president; Vickie Hallmark, vice president; Rebecca Parker, secretary; Vicki Harvey, treasurer; and Annette Jackson and Richard Hattox, reporters. Houston Jolley and Joe Ed Baze were chosen class sponsors.

Rodney Warren was elected president of the freshman class; Krista Henderson, vice president; Charlene Self, secretary; Phyllis Guthery, treasurer; David Eaves, student council representative; and Kathy Ripley, reporter.

Russell Fuller and Norman Vaughn were chosen class sponsors.

—GP—

CARD OF THANKS

Thanks to my friends and relatives for their visits, cards and flowers while I was in the hospital and my appreciation to Dr. Pino and the nurses for their care and consideration.

Letha Rodgers

Band Boosters Plan Season Activities

The Gorman Band Boosters met in their first regular monthly meeting Monday, August 30th.

New twirler uniforms were discussed and approved.

Clan-Up Day for the Concession Stand was announced for Saturday, September 4th at 2:00 to be ready for the first football game.

Everyone was pleased to learn of the purchase, by the school, of a new baritone and bass clarinet. The bass clarinet was displayed.

If plans continue the High School Band will be in the Peanut Bowl Parade and activities at the bowl game on September 18. Mr. Fuller also hopes to enter the band as a group and individuals in UIL contests later on in the year.

The Grade School Band plans a busy year also. They will perform at a Cub game, contests and the Spring Concert.

The Tonette Band is to perform at a future Band Booster meeting and also will be featured in the Spring Concert.

The High School Band has other activities in the planning.

Concessions at football games were discussed at length. This is one of the main yearly projects of the Band Boosters. We would like to remind the public that all concessions at all home games, high school and junior high, and the proceeds from the game programs, go to the Band Boosters to provide uniforms, and other needs of the bands. We appreciate your patronage.

Mr. Fuller announced that the High School Band will practice each Tuesday night from 6:30 to 8:30 with marching drills the last hour. He urges all band parents and anyone else interested in the band to attend these practices.

We wish to remind you that if you are a band parent of a member of any of the school bands, you are a Band Booster and are invited to attend our meetings and help us support our bands.

Our bands improved so much last year, the new uniforms are beautiful, and we are all looking forward to this year.

The next Band Booster meeting will be Monday night, October 4th at 7:30.

Little Larry Dean Moore Honored at Pink - Blue Event

Larry Dean Moore, two months old son of Mr. and Mrs. Fulton Moore, was honored Friday afternoon with a pink and blue shower at the New Hope Baptist Church.

Hostesses were Mesdames Albert White, John Sutton, Graydon Baze, William Boyd and the ladies of the New Hope Baptist Church.

Receiving guests were the baby's mother, Mrs. Fulton Moore, maternal grandmother, Mrs. Dale Steel, and paternal grandmother, Mrs. Clifford Moore.

Mrs. William Boyd presided at the crystal punch bowl from a table covered with lace over blue centered with a blue sand pall with a boy doll inside and a miniature tree with baby needs on its branches.

Out of town guests attending were Mrs. Clifford Moore, Mrs. Travis Moore and Cliff of Oliver Springs, Mrs. Dale Steel and Tammy, Mrs. Mac Pyburn, and Mrs. B. J. Pyburn of Sidney, Mrs. Frank Moore of Comanche and Mrs. William Boyd of Eastland.

Interdenomination Prayer Group Set New Meeting Time

The interdenominational prayer group that has been meeting in the home of Mrs. A. E. Pino on Thursday of each week will now begin meeting at 10 a. m. on the first and third Tuesday of each month and at 2:30 p. m. on the second and fourth Thursday of each month. All women of the community are cordially invited to attend these prayer group meetings.

On Tuesday, September 7 at the 10 a. m. meeting several interesting testimonies from out of town guests will be given. Among those giving testimony will be Mrs. Rollo Herrington, wife of the Cross Plains Methodist Church pastor.

—GP—

CORRECTION

Our apologies to the Scitern and Johnson families for the omission of two names from the wedding announcement of Johnny Scitern and Jo Ann Johnson published in last week's Progress.

Miss LaVeda Scitern, cousin of the groom, was a member of the house party and served the bride's cake. Special guests were the bride's grandparents, Mr. and Mrs. Buster Johnson of Carbon.

Ronnie Love Brings In First Load of 1971 Crop Peanuts

Ronnie Love of Route 1, Ranger, brought in the first load of peanuts to be harvested in the Gorman area on Thursday, August 26th.

Love harvested 30 acres which were planted April 20 and the yield is estimated at 75 bushels to the acre.

Love has 480 acres of peanuts in cultivation and 325 acres under irrigation. The peanuts were brought to A. E. Smith Warehouse and Dryers in Gorman.

Glenn Jordan is in the process of harvesting and we will have a report next week on his crop yield.

Mrs. Iva Buchan to Be Honored on 89th Birthday

Mrs. Iva Buchan of Desdemona will be honored on her 89th birthday with an open house Sunday, September 5 from 2:30 to 5:00 p. m. in her home. All friends and relatives are invited to attend.

Hosting the celebration will be her daughters, Mrs. Fay Walker of Nacogdoches, Mrs. Bonnie Wilhite, Monahans, Mrs. Clyde Wright, De Leon, and Mrs. Johnnie Anderson of Stephenville.

Know Your School

By Charlie L. Garrett, Supt.

The five days of inservice training was completed on Tuesday, August 24th. During these five days all members of the faculty were in attendance discussing and working on such things as board policies, administrative policies, student handbooks, duties of administrators and teachers, record keeping, discipline, public relations, special education, individualized instruction, and use of audio visual equipment. During this time Mr. Keith Long from the Service Center spent a day with the faculty on how to make better use of audio visual materials in the classroom. Mr. Bill Merkel from the Service Center spent one-half day on the teaching of drugs in the public schools. Mary Hood from the Center spent a half-day discussing special education and how students could be reached who were in need of special help.

I feel that the five days spent were very valuable to the faculty. In giving an evaluation of the workshop, teachers commented that they felt that they were much better prepared to enter into the new year than they had been in years past. I could sense a better understanding among teachers as we discussed their problems and discussed how each area of instruction must fit into the overall program. All teachers were urged to work as a unit for the betterment of the total education program of the school. It is my hope that we will see this workshop bear fruit throughout the year.

SCHOOL ENROLLMENT UP

We enrolled 312 students on the first day of classes with three having been added since that time. This first day's enrollment was the same as it was on the first day of last year, but was up eight over the number enrolled on the last day of school. High school enrolled 128, up 11 over the first day last year while elementary enrolled 184, down 11 from last year. There are a few still not enrolled who fall within the compulsory school age of 7 to 17 and we are starting procedures to get these enrolled. If you know of any student who has not enrolled, please let me know.

CARD OF THANKS

I have always thought that people of Gorman and area are the nicest persons on earth. That belief is even stronger now. The innumerable kindnesses accorded me during my long stay in Eastland Memorial Hospital and during my convalescence days in Gorman, I appreciate the gift of money, visits and words of encouragement of friends.

Mrs. Sallie Evans

PANTHERS SCRIMMAGE BRONTE AT COLEMAN FRIDAY AT 6 P. M.

GOTCHA! Bill Self is shown being tackled after a good gain in the scrimmage at Early last Friday night. No. 12 (on ground) is Kelly Henderson trying to block out defender No. 54, and in background Bimbo Roberts (31) is following play after making a good block.

The Gorman Panthers will journey to Coleman on Friday evening where they will meet Bronte in a scrimmage at 6 p. m.

The Panthers, under new head coach Houston Jolley, traveled to Early High last Friday evening to scrimmage a big Early team. And big they were, with a front line that was real hefty. And the backfield were rather large also.

However, the Panthers did a real fine job of defending the Early team. They held them most of the time and allowed them to score on only one occasion, and that was on a long bomb (pass play) which caught the safety asleep and the play covered about 65 or 70 yards. Other than this the Panthers showed real toughness both in the line and in the linebacking positions.

Danny Snider played a superb defensive game a right guard getting to the passer on numerous occasions and pretty well kept him on the run all night. Also Windell Treadway, Jim Jackson, Steve Eaves, Jim Guthery, Mark Arnold, Bill Self, Bimbo Roberts, Rudy Espinoza, Kelly Henderson, Danny Ervin, Rodney Warren, John Miears, Steven Stinnett, Steven Gregory, Mike Shipman Steve Patterson, and gosh just all the whole team. One thing we liked seeing also was the free substituting which Coach Jolley was doing, which let all the players, both experienced and inexperienced get in some time at their positions. This we feel is a good idea because it gives all the players a change to get some much needed experience.

One thing we noticed right off in the scrimmage which was missing in last year's team, and that was real team effort and a pride in blocking for each other and helping each other with tackles. This, friends is what it takes to make a good team, for without the right teamwork and pride, you just can't have a real good team.

The Panthers have been picked by the other coaches of the District 17-B to finish in the No. 3 spot. But you know how predictions can be wrong, don't we?

There are 13 returning lettermen from a 7-3 season last year and a 2-2 district mark. However there are some real fine prospects up from junior high which are really pushing the starters for their positions. Top returnees include All-District ends Jim Guthery and Mark Arnold and honorable mention guard and center Danny Snider. Bill Self and Kelly Henderson are returnees in the backfield, along with Rudy Espinoza who played in the backfield some.

Hico is picked to take the district honors this year over defending champion Meridian. Lometa is expected to finish fourth and Evant fifth.

Be sure and attend the scrimmage at Coleman on Friday at 6.

Business Houses to Observe Holiday Here on Monday

Attention is called to Gorman and area residents to the fact that business establishments in Gorman will observe Labor Day Monday, September 6th as a holiday and will not be open for business.

This is one of the holidays set by the Chamber of Commerce.

The Frank N. Kirks To Mark Fiftieth Anniversary With Open House Sept. 12

Mr. and Mrs. Frank N. Kirk will mark their fiftieth wedding anniversary with open house in their home Sunday, September 12 from 2 to 4 p. m. All friends and relatives are invited to attend.

Hosts for the celebration will be Mesdames Golda Allen of Abilene, Grace Weaver of Eastland, Oris McDaniel of Weatherford, Pearl Rodgers of Louisiana, and Opal Bradshaw of Austin, all cousins of Mrs. Kirk.

Mrs. Kirk was born July 18, 1905 at Gorman. Her parents were the late Mr. and Mrs. Sam Smith, early pioneers in the Oakland Community. Mr. Kirk was born September 27, 1904 at Seymour, Texas.

He moved to Comanche County, south of Gorman, when a year old with his parents, the late Mr. and Mrs. George Kirk. They were married September 14, 1921 in the parsonage home of the late Rev. Anglin, Methodist minister near Oakland.

They lived in Texas until 1929 and moved to California and moved back to Gorman several years ago when he retired as a painter. They are members of the Baptist Church and have four children, Mrs. J. S. Gates and Fred Kirk of Oxnard, California, and George Kirk of Ventura, California, and Frank E. Kirk of Port Hueneme, Calif. They will not be able to attend the celebration.

The Kirks have ten grandchildren and three great-grandchildren.

Mrs. Kirk's hobbies are sewing and all kinds of handwork and Mr. Kirk enjoys all kinds of sports, especially hunting and fishing.

Clean-up Campaign Progress Report

The Planning and Zoning Commission members have all agreed that the cleaning up of Gorman is off to a real good start. A lot of people are working and have started cleaning their property and businesses.

A lot of residents have made calls to the City Office and to members of the Planning and Zoning Commission asking for help in moving lots.

We would like to mention some more this week who have started or completed clean-up in their area.

Albert White is doing a real fine job of cleaning up the corner next to him. Pulling out that old fence, plowing and leveling around that corner.

Brown Feed has mowed the lot south of their store.

O. A. Dillard of Fort Worth has been doing a lot of cleaning at the old former Norris place on North Kent St. The property is presently vacant.

Luke Palmer has made some real improvements on his house up near the rest home.

A. E. Smith has done a lot of moving and cleaning around his warehouses and dryers.

Gorman Milling has completed new storage building and has started some landscaping around their area.

Gorman Peanuts have spent a lot of time in cleaning the area between the peanut mill and the milling company. They have removed all the old cross ties and trash along the railroad right of way. Also around the dryers and oil mill and rent house on east side of plant.

The old Horton place behind Smith Bros. is taking on a new face with cleanup and remodeling. The place has recently been purchased by Felix Jimenez.

We say a big thanks to those who have made these accomplishments and encourage everyone to continue in the cleanup program. Let us continue to hear from you on your progress in the coming weeks. If we have overlooked anyone please call us and let us know what you have done so it can be entered on our progress report.

Planning & Zoning Committee
Gene Foster, member
Lester Seaton, member

CARD OF THANKS

May we take this means to express our thanks and appreciation to each and every one for their love and thoughtfulness to us in our bereavement. As we are faced with one of life's saddest experiences, it is good friends like you who help each of us on our way. We are grateful to the ones who visited with us at the funeral home, with the warm handshakes or tender pat on the shoulder, soft whispers of love, gentle hugs, just knowing in some way you cared, helped so much.

For the ones who prepared and served the good food that was brought to our home, the calls, visits, cards and lovely flowers, to the personnel at Higginbothams for the long hours and each kind word or deed, a grateful thank you. For the song service so beautifully rendered, for your time and love. To the ministers for the consoling messages that helped to lift our heavy burden. To the casket bearers who so lovingly and tenderly carried our loved one to her final resting place. All these good deeds will live on and on in our hearts.

Mother loved Gorman and all the people that lived here and nearby. To each of you who loved her and came to visit, it was deeply appreciated.

May God bless each of you in our prayer.

The family of
Mrs. C. O. Huff

—GP—

Marjorie Warren and friends, Mrs. Clay Matson and Miss Irma Fine of Midland spent the weekend with her father, Leland Warren, and brother, Mr. and Mrs. George Warren and family.

ITEMS OF INTEREST

OLIVER SPRINGS NEWS

By FLORENCE RICHARDSON
Our Thought For The Week:
Contentment is a pearl of great price, and whoever procures it at the expense of ten thousand deserves make a wise and a happy purchase.

Mr. and Mrs. Edmon Duke spent Sunday night in Santo with the Odell Hale family, Mrs. Duke's brother.
Visiting Mrs. A. D. Bryan this past week were Miss Effie, Dee, Dale Gilmore, Mrs. Joyce Burleson, Mrs. George Bell and Mr. and Mrs. Cooter Ramsey of Arizona.

Mrs. Bryan and Mrs. Gertie Leaper visited Mrs. Marvin Jones in the Victor Community and Mrs. Jessie Atchison Friday afternoon.
Visiting in our home Sunday were Mrs. Doris Bryan, Mr. and Mrs. R. H. Watson, and Mrs. Richard Watson and Rachel.
Not too much news this time. Have been having company.

DESDEMONA NEWS

By ETHEL KEITH
Did You Know:
Even the poor man can enjoy the wealth of pleasant memories.
The closer you get to some people the smaller they appear.

Mr. and Mrs. Fred Watkins were in Weatherford on Monday visiting with their daughter and husband, Mr. and Mrs. Billy Zinke. Billy will be teaching in the Weatherford Public Schools.

Mrs. Dory Williams and Dorothy Roberts were in Stephenville Tuesday to be with Dory's sister, Mrs. Jake Christian, who underwent surgery.
Our community was saddened Monday by the death of Jack Kooney who underwent open heart surgery August 5 in Baylor Hospital in Dallas. He was laid to rest in Desdemona Cemetery.

Mrs. Jolene May is spending some time with her sister, Mrs. Frank Leazar, in Andrews.
Mr. and Mrs. Sam Sparks left Love Field Saturday to go back "inside." They have been vacationing in Texas. They will be teaching in Anchorage, Alaska.

Jim and Dorothy Sparks have gone to Utah on their vacation.
Doug Craig is doing as well as could be expected with a broken leg. He and his family live in Eastland.

Scotty and Odell Lemaster of Dallas and Mrs. Pearl Malby of Gorman attended church at Desdemona Church of Christ Sunday.
Ethel Keith is spending a week in Azle with her sister, Mrs. Ina Jones.

Mr. and Mrs. Homer Tompkins of Irving visited with their grandmother, Mrs. Iva Buchan, Sunday.
Rev. John Lyons and family are living in Fort Worth. They will be here over the weekends. He is going to the Seminary and the children will be in public school there also. Church attendance was up in all our churches Sunday.
We had a good 1 inch rain late Sunday evening.

Granddaughters of J. F. Alderman win In Eastland Rodeo

Cheryl and Carolyn Roane of Big Spring, granddaughters of Mr. and Mrs. J. F. Alderman of Gorman, participated in the Eastland County Junior Rodeo August 26-28 and Cheryl won the All-Around Cowgirl saddle. She rode in the 16-19 girls age group.

She tied for 1st place in the flags, placed 4th in goat tying and 1st in barrel and poles to win the All-Around belt buckle.

Carolyn participated in the 13-15 year old age group and placed second runner-up in the All-Around Cowgirl. She won a pair of spurs and tied for third place in flags, 6th in goat tying and 2nd in pole bending in her age group.

Cheryl and Carolyn are members of the American Junior Rodeo Association and Cheryl won the A.J.R.A. Optional Race World Championship Title at the National Finals in Sweetwater on August 18-21. She received a trophy saddle and belt buckle.

Dove Season Now Open in North Zone

AUSTIN - Science and skill, a sage once noted, will always triumph over ignorance and superstition.

But come high noon September 1 some of the most scientific and skillful shotgunners in the world will shotgun to look ignorant and superstitious.

It's opening day of the dove season for Texas' North Zone.
Thousands of Texas hunters will fire countless thousands of dollars worth of powder and shot from the most advanced scatterguns devised by man in an effort to bring down a bird scarcely weighing four ounces.

At first glance, this confrontation would seem overly one-sided in favor of the hunter. But don't put the dove on your sympathy card list because of this gun pressure.

Texas Parks and Wildlife Department biologists point out that mourning doves - and whitingoes as well - combine a remarkable reproductive capacity with some fantastic flying feats to remain populous year after year, regardless of hunting pressure.

And this year's dove crop appears to be on a par with past years, despite dry conditions in much of the state. As usual, the birds will be highly concentrated in some areas and scarce in others, depending on food availability.

A statewide survey of about 5,000

Attention Welfare Recipients

As you know all money allotted for prescriptions will be taken out of your next check. Beginning on September 1, a new system was started.

You will be allowed two prescriptions or \$12.00 a month, whichever comes first. Your doctor will be able to get authorization for more medication if he feels you are in need of it. But there are exceptions to this. For example, if you go to one doctor and get your two prescriptions or \$12 for the month, then see that you needed additional medication for the month and go to a different doctor, he will not be able to get your additional medication for the month. You will have to return to the first doctor and get him to authorize additional medication for that month. So it will be to your advantage to go to one doctor for all your medical treatment.

You will get a small medical record book that you will carry with you each time you visit the doctor's office. He will record your visit each time in the book and make notations of each medication you are taking at that time. Then you will bring your book with your new prescription to the drug store of your choice and the pharmacist will make an additional notation in your record book that he has filled the prescription.

You will get new eligibility cards each month. If the date on the card is not the date of the present month for which the prescription is to be filled you will not be able to get your prescription.

Senior Citizens

The Senior Citizens met at the Fire Hall at 1:30 p. m. August 31 with games of 42, 84 and dominoes. For time out we had punch, cookies, candy etc. A wonderful time visiting and chatting.

The following were present: Paul Dietz, Denny (not married yet) Moss, Purpose Kirk, Lover Boy Richards, Newton and Rosa (Double Six) Bennett, Ollie Eaves, Winer and Vera (Loser) Henderson, Uen Bee Herweck, Bill Logan, Florence (cannot win) Kent, J. H. and Gold (never wins) Lancaster, Cisco, Grace (Fussy) Skiles, Hon-

est and Bossy Bennett, Mr. (Always Bids) and Mrs. Dave Putnam and Martha Casheon.
We meet Tuesday, September 7 at 11 a. m. for a covered dish luncheon. So bring your fresh peas, beans, squash, chicken and armadillo and eat with us. I am sure that you will enjoy it, and we will try to treat you Royally. So be there.

West Texas Fair Slated Sept. 13-18

ABILENE - Tickets are being mailed this week to the school superintendent in Gorman so students and teachers can attend the Tuesday, September 14 activities of the West Texas Fair.

Fair president, R. Lee Rode, said the complimentary tickets would permit general admission to the fairgrounds.

There are a number of free mid-way attractions Tuesday. The Bill Hames Show will bring rides and shows, and judging in several events is scheduled.

Dr. Rode said 103,000 tickets had been mailed to superintendents in about 100 West Texas towns for either the September 13, 14 or 15 activities. The fair is from September 13 to the 18th.

Rode said that Sonny James and the Country Gentlemen will appear at 3 p. m. and 6 p. m. Monday, September 13th.

An RCA Rodeo will be in the coliseum at 7:30 p. m. nightly, Thursday through Saturday, Sept. 16-18, and also at 2 p. m. Saturday. It will feature "Festus" of Gunsmoke.

Tickets are now on sale at the advance ticket box office at the coliseum. Tickets for James are \$3. Tickets for the rodeo or Sherman are \$3, \$4 and \$5. Mail reservations are being accepted at P. O. Box 3016, Abilene, Texas 79604. Be sure to include money order or cashier's check, plus 25c for handling and postage.

Six Flags to begin Weekend Operation

Arlington, Texas - SIX FLAGS Over Texas begins its fall schedule this weekend following one of the theme park's most successful summer seasons.

SIX FLAGS' Vice President and General Manager Robert W. Freeman said more than 1,625,000 persons have visited the big family entertainment complex so far this year. And, he added, "there figures were reached despite fifteen days of rain which hit in July and August during the peak of our tourist season."

Freeman said the opening of the company's new SIX FLAGS Over Mid-America near St. Louis in June has cut into the Texas park's tourist business from such states as Missouri, Kansas and Illinois.

"However," he continued, "we have consistently found ourselves exceeding attendance projections."

After Sunday, August 29th, SIX FLAGS Over Texas will be open only on Saturdays and Sundays through November 28, when the Park's tenth anniversary season ends. The exception is Labor Day, Monday, September 6, when the Park will be in full operation.

LONG

Super Peanut Combine with New Super Saver

When Every Hour Counts - You Can Count On Long Peanut Combine

Long's proved record of lower up-keep means less down time and more harvesting time. Sometimes this can be the difference between profit and loss when you have to harvest in a hurry due to weather. Every hour counts then.

You will find that LONG does a good clean job and will help you get more peanuts, too. Proven-Fast & Efficient Dependable - Season After Season Inexpensive - To Own & Operate

Even if you do not buy a Long Super Peanut Combine this year, it will pay you to buy the Long Super since all 1971 models are built so the Super Saver can be added at a later date.

BRAND NEW RECOVERY UNIT - LONG SUPER SAVER

Field tested and proven Fits all 1971 Long Super Peanut Combines Picks up peanuts that normally are never harvested - With little or no reduction in combine speed. How It Works - A second set of pick-up fingers (back of the combine pick-up reel) gathers missed and dropped peanuts - returns them to combine where further cleaning takes place.

ASK FOR A SHOWDOWN DEMONSTRATION
See the LONG combines at your dealer now. Let him show you why so many growers and custom operators have found the Long to be the best combine buy.

U. S. Coast Guard Academy Accepting Cadet Applications

WASHINGTON, D. C. — Congressman Omar Burleson has announced that the United States Coast Guard Academy is now accepting and processing applications for appointment as Cadet, U. S. Coast Guard, Class of 1976. Representative Burleson stressed that appointments to the U. S. Coast Guard Academy are tendered solely on the basis of an annual nationwide competition with no congressional appointment or geographical quotas involved. Applications for appointment must be submitted to the Director of Admissions, U. S. Coast Guard Academy, prior to 15 December 1971, and candidates must arrange to participate in the prescribed College Entrance Examination Board tests prior to or including the 4 December 1971 administration. The competition for appointment as Cadet is based on the candidate's rank in high school, his performance on the CEEB (1) Scholastic Aptitude Test, (2) English Composition Achievement Test, and (3) either Level I or Level II Mathematics Achievement Test, and his leadership potential as demonstrated by his participation in

high school extracurricular activities, community affairs or part-time employment. Most successful candidates rank in the top quarter of their high school class and demonstrate proficiency in both the mathematical and applied science fields.

To qualify for the competition, an applicant must be unmarried and must have reached his 17th but not his 22nd birthday by July 1, 1972. The minimum educational requirement is a high school diploma; however, high school seniors assured of graduation by June 30, 1972, are eligible to compete provided they have at least fifteen credits by that time. Applicants must have completed three units in English, and three in mathematics including algebra and plane or coordinate geometry or their equivalents, and must fulfill the basic physical and moral requirements.

Congressman Burleson emphasized that cadets obtain an excellent undergraduate education at no personal cost and, in addition, receive pay and allowances fully adequate to fulfill all their ordinary

living expenses. The constantly updated Academy curriculum offers liberal arts, engineering, and professional subjects, with a choice of thirteen academic options which include: general, ocean, marine, electrical, nuclear and civil engineering; mathematics; computer science; physics; chemistry; history/government; and economics/management. These areas of academic interest, combined with the varied elective courses, establish a solid foundation for a challenging career. Graduates of the Academy are awarded a Bachelor of Science degree and are commissioned as Ensign in the United States Coast Guard. Selected officers may pursue further postgraduate education and specialized training in many leading civilian and military graduate or professional schools in such fields as aviation, business administration, electronics, engineering, law, naval architecture, and oceanography.

The young Academy graduate can look forward to a varied, exciting, and demanding career as a regular Coast Guard officer. In wartime the Coast Guard functions as a specialized part of the Navy; however, in peacetime it performs essential humanitarian missions vital to the safety and saving of lives at sea. Under the auspices of the Department of Transportation, the Coast Guard establishes and coordinates search and rescue operations by ship and plane, maintains advanced electronic and other

Overtaking and Passing School Bus

Following are two sections on the new state law regarding the passing of a school bus:

Section 104. (a) The driver of a vehicle upon a highway inside or outside of a business or residence district upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle before reaching such school bus when there is in operation on said school bus a visual signal as specified in Section 124 of this act, and said driver shall not proceed until such school bus resumes motion or is signaled by the school bus driver to proceed or the visual signals are no longer actuated.

Section 124. (b) Every school bus and every authorized emergency vehicle shall, in addition to any other equipment and distinctive markings required by this Act, be equipped with signal lamps mounted as high and as widely spaced laterally as practicable, which shall be capable of displaying to the front two (2) alternately flashing red lights located at the same level and to the rear two (2) alternately flashing red lights located at the same level, and these lights shall have sufficient intensity to be visible at five hundred (500) feet in normal sunlight.

All motor vehicle operators must obey the state law regarding this school bus section or be subject to penalty of the law.

Information Center Economic Action is County ASCS office

All residents of Eastland County may obtain answers to questions on operation and interpretation of the Presidential order of August 15, on prices, rents, wages and salaries from the Eastland County Agricultural Stabilization and Conservation Service (ASCS) Office, according to R. G. Lyerla, Chairman of the County ASCS Committee.

County ASCS offices throughout the United States have been chosen as information centers to answer questions from all citizens on Presidential Nixon's Executive Order which is designed to stem inflation and strengthen the national economy.

The Eastland County ASCS Office is receiving official answers to questions concerning the President's action, and any person in Eastland County who wants or needs precise information should get in touch with the County Office, Lyerla said.

The Eastland County ASCS Office is located in the County Courthouse. The telephone number is 629-1636. In charge of the office is Tommy J. Lawson, County Executive Director. The office has a staff of five persons.

"Ours and all the ASCS offices throughout the nation, will function as information centers in all locations outside of highly urbanized areas," Lyerla said.

County ASCS offices are not to handle complaints or appeals, he said. They will serve only to provide official information. Persons with complaints will register them with the most convenient district or sub-district office of the Internal Revenue Service.

"Neither will interpretations or guesses be made by ASCS county office people. They will answer only those questions for which they have been supplied answers. If they don't know the answer to a specific question, they will say so. If a member of the public wants the county office to obtain an answer, the question will go by phone or mail to the nearest IRS district office," Mr. Lyerla said.

Normal function of ASCS county offices is to administer farm action programs of the U. S. Department of Agriculture on the local level. County Committee Chairman Lyerla said ASCS service to farmers will continue without interruption.

"Our county office people welcome the opportunity to serve their county and are happy to make the extra effort in this crucial period," he said.

ALL WHITEWING NEED SPECIAL STAMP

AUSTIN — Persons who still buy the special white stamp if they are to take part in the Sept. 4 and 5 and Sept. 11 and 12 whitewing hunt, according to Texas Parks and Wildlife Department officials.

"Anyone who hunts whitewings must have a stamp," said James U. Cross, executive director of the department.

This includes persons 17 years old and younger, 65 years old or older, and persons hunting in the county of their residence.

The special stamps will be available from all regular license outlets and department district offices in the Rio Grande Valley area. Mourning dove hunters are not required to have the stamp.

KEEPING UP WITH FRIENDS

Kay Ann Craddock of Plano spent the weekend with her mother, Estelle Craddock.

Mr. and Mrs. M. H. Fairbetter and Milton spent the weekend in Abilene with their son, Mr. and Mrs. W. M. Fairbetter and family. They were among those attending the Homecoming Sunday at the Winters First United Methodist Church. It was the 80th anniversary of the church and the Fairbetters were former members. The Reverend Robert Sanders, former pastor at Gorman, is the present pastor of the Winters Church.

Home and Family Hints From Higginbothams

Now you can turn 20 pounds of trash into 20 pounds of trash! There's no need for unsightly litter blowing over your yard, or chasing garbage can lids down the street, or hauling trash cans back and forth, or the mess of cleaning them. The Whirlpool Trash Masher compacts the equivalent of 2 1/2 ordinary 20-gallon cans of normal trash into a sealed paper bag ready for pickup.

Trash Mashers are available in built-in or free-standing units, and they look great either way. You get your choice of edged avocado, edged copper, or white. The Trash Masher is only 15 inches wide and plugs into ordinary household current.

Instead of constantly filling a dirty waste basket under the sink, then taking it to a trash can outside, an finally dragging the clattering cans out to the curb for pickup, you carry a neat little bag from your convenient Trash Masher once or twice a week.

The Trash Masher automatically, at the push of a button, compacts the trash and garbage every time you discard it. You pull out the drawer, drop the trash in, close the drawer, and press the button to start the ram moving to crush bulky items with 2000 pounds of pressure. There is no danger of junior putting a hand under the ram. When the ram is moving downward, the drawer cannot be opened. Only when the ram is immobile and at the top position can anyone put anything in the Trash Masher.

A chemical deodorizer automatically sprays a measured amount on each load of trash and garbage when the drawer is closed to help control odor in the kitchen. The spray can is replaceable.

A swing-out panel on the drawer of the Trash Masher makes bag removal more convenient. It lets you slide the bag out instead of lifting it straight up. The entire drawer removes for easy cleaning.

So! If you're tired of the acrid odors, sick of cleaning messy trash cans and repulsed at the idea of making countless trips to the trash can, the Whirlpool Trash Masher is for you. It's the clean way, the most convenient way we know of to eliminate household trash, and at surprisingly low cost. Get your Whirlpool Trash Masher at Higginbothams!

At Texas Electric, People Power is at your service.

Can one of our lighting specialists help you?

The right kind, the right amount, of lighting can add a friendly feeling of warmth and beauty to any room in your home. Imagine your kitchen counters lighted in such a way that your eyes can really see what your hands are doing. Think of bathrooms with adequate, glare-free lighting, so that you never have to guess about hairdos or whiskers. Picture a bleak, difficult-to-decorate wall taking on new and exciting interest with the help of special-effects lighting. It's happening all the time in many homes. It can happen in yours. Our lighting specialists will listen to your wishes, make suggestions, and design a lighting plan for the home you're building or remodeling.

If you want to improve the lighting in just one room or area, you'll get the same willing assistance, just as quickly as we can give it. The lighting ideas our specialists give you can help you get the kind of lighting you want. And they'll help your electrical contractor do his work faster and easier. There is no charge for our help. It's yours for the asking. Part of our job is to see that you get the most benefit from the electricity you buy from us. At Texas Electric, People Power is at your service.
