And the Rains came...and came and soaked the land and the wind blew a little...and washed some beds down and really drowned some peanuts. But there were very few fussing about the wonderful rain the Good Lord sent our way. This should really set the peanut in motion getting peanuts planted. Several had their peanuts planted the latter part of last week, and few before that. Anyway, the farmers and ranchers were showing big smiles on their faces Tuesday morning. I think the rain was more widespread than the rain we had received lately. Most folks seemed to get about two and a half inches in this area. And the Lord blessed us once more.

About 20 brave "young" men and about 25 or more courageous "young (and beautiful) women showed up for their final hour of glory and sore muscles, bones, limbs, etc. for the Chamber of Commerce's basketball game on Saturday night to benefit the civic project of buying chairs to be used for banquets, etc. by the community. The money raised will count toward total points for the C of C candidate in the Miss Gorman Contest. And the turnout was good but not as good as expected with all the "outstanding" talent that was on hand.

The only dark spot on the entire event was, of course, the referees. And our team would have won, too, if the refs hadn't been so crooked. Personally I thank they were paid off. I know this is a very rash and incriminating statement, but one ref was even seen shooting the ball and scoring points for the "other" team. My! My! isn't that awful.

The "ladies" showed lots of stamina as they took over for the second and fourth periods after the "strong" men played the first and third periods. The girls were dressed in their "beautiful" and colorful uniforms and really brightened up the event. Of course the men scored most of the points, and that is the way it was at the "Championship" basketball game Saturday night.

By the way the score was 99 to 99 in the high scoring battle. After all was said and done, there was more said than done!

Noticed while driving around in the country on Sunday afternoon that the James Thompsons are now underway with their building project. Saw James working real hard when we passed. We will try and get a picture of the progress as the work goes along on their place on the road a little ways past Frank A. Gray Park.

Remember the Bank Open House today. Go by and see the clown, also meet Texas Ranger Dave Hostetter, consume a lot of the goodies from the refreshment table, wish the new directors and the bank personnel the best, and just enjoy the day at the bank. We are all proud of our bank and all the folks connected with it. So be sure and enjoy a visit to the bank today.

Hope everyone will like the appearance of the Progress this week. We are changing from our regular printer to another in hopes of improving the appearance of "your newspaper". We have not been satisfied with the appearance of the paper the past several weeks or longer and just thought it was time for a change to seek improve-

MISS GORMAN LITTLE MISS PAGEANT SET SATURDAY JUNE 4

The Gorman Chamber of Commerce will host the Miss Gorman and Little Miss Gorman Pageant, Saturday, June 4, at 8:00 p.m. in the High School Auditorium.

Miss Gorman Contestants are Angie Plaunty, sponsored by Gorman Fire Department; Angela Burgess, sponsored by Kokomo Home Extension Club; Tanya Anderson sponsored by the Gorman Lions Club; Lisa Foster, sponsored by the Gorman Chamber of Commerce; and Becky Jo Underwood sponsored by the Industrial Foundation.

Little Miss Gorman contestants are Lacy Michelle Clark, sponsored by Kokomo Home Extension Club; Rachel Harper, sponsored by Gorman Lions Club; Keri Michelle Wright, sponsored by Gorman Industrial Foundation; Rachel Reeves, sponsored by Gorman Fire Department; and Christian Park, sponsored by Gorman Chamber of Commerce.

A program will be presented prior to the pageant and all drawings will be held at the coronation. Admission is free, but donations will be accepted at the door.

All proceeds from the pageant will be used for chairs for the school and community activities.

All monies from the contestants must be reported by 12 noon Saturday, June 4.

Any monies from the contestants turned in late on the day of the pageant cannot be counted as votes.

EXCELLENT JOB — All the Clubs and Organizations want to Thank Miss Gorman of 1982-83, Dee Dee Rodgers for an excellent job in representing Gorman in the De Leon Parade, Eastland Parade and at the St. Patricks Day Parade in Dublin.

We would also like to Thank Little Miss Gorman, Jennifer Eaves for her excellent job in representing Gorman in the De Leon Parade, Eastland Parade and the St. Patricks Day Parade at Dublin. Both girls have done an excellent job of representing Gorman.

NEIGHBORHOOD WATCH PROGRAM MEETING SET TUESDAY JUNE 7

With the economy in the shape it is in, there has been a significant increase in the number of burglaries in the area, with the largest increase being in residential burglaries. As unemployment climbs, the situation will likely worsen, and experts in the field of criminal activity are predicting a surge in criminal activity as a result.

In order to protect our community from this increased likelihood of criminal activity, the Gorman Police Department, in cooperation with Gorman Crimestoppers, is initiating a program similar to the Neighborhood Watch programs in larger cities. This program involves citizen awareness and participation in the control of crime in Gorman through observation and reporting of criminal activity.

In larger cities that have implemented this type program, residential crimes have been completely eliminated. In 1982, we had 12 burglaries in Gorman, and only 4 persons were arrested

for burglary. While this 33.3 percent clearance rate is above the national average of 18 percent, it is not nearly good enough for Gorman. We should have 0 burglaries, and failing that, we should shoot for 100 percent clearance. Believe it or not, this CAN be achieved, but only if we have enough people who are interested enough to watch for suspicious activity and then take the time to REPORT it.

We are closely-knit community, where everyone knows everyone else, and we should be proud of our relationship. Gorman is like a very large family, and we should watch out for our own. Most of us know when a strange car is in town, and we know generally when a car is in a place where it should not be. When you see something that doesn't look just right, please pick up the phone and call the police at 734-2730, so we can check it out. Maybe...just maybe...that car shouldn't be in the alley behind Higginbotham's

at 11:00 PM! Maybe it is there legitimately...but we need to find out, so please don't hesitate to call.

The police are not going to go down there and tell the person who called the police on them. It is none of their business who called. We would rather answer one thousand false alarms than to miss one call where a burglary is in progress. As members of this large family, we have an obligation to help our fellow family members, and this can be done by simply taking notice of unusual or suspicious activities and reporting them to the police.

An organizational meeting for the Neighborhood Watch Program will be held on Tuesday, June 7, 1983 at 7:00 PM at the Senior Center next to City Hall. All those who are interested in the protection of our community are invited to attend and take an active part in the program.

Crimestoppers To Hold Program on Drugs June 7

Gorman Crimestoppers will present a program on drugs at the Senior Center on Tuesday, June 7, 1983 at 7:00 PM. Special Guest speaker will be the coordinator of TEXANS' WAR ON DRUGS, Marilynne Golightly of San Angelo.

Ms. Golightly of San Angelo.

Ms. Golightly is a dynamic speaker and has a message on the devastating effect of drugs on our society and on our children. The drug problem is affecting each and every one of us in one way or another, and it is only through a coordinated effort that we can eliminate or minimize the problem in Gorman.

Please make plans to attend the meeting on Tuesday evening, and bring a friend.

Chamber of Commerce to Hold Bake Sale Friday

Chamber of Commerce will hold a bake sale Friday morning in front of the Post Office.

All proceeds will go to their Miss Gorman candidate, Lisa Foster.

Open House at First National Bank Today

First National Bank will hold Open House all day today during banking hours.

The directors and employees invite everyone in the Gorman area to come by for a visit.

A professional clown will be on hand at 10:00 a.m. to entertain the children and give away balloons.

From 11:00 a.m. to 1:00 p.m. Texas Ranger, Dave Hostetter will be in the bank to visit and sign autographs.

A door prize of a \$50 boon will be given and refreshments will be served through the day.

Lion's "42" Tourney Set Thursday

The Lions Club's 42 Tournament will get underway at 5 p.m. on Thursday, June 2 at the School Cafeteria.

Teams not entered as yet may do so when they come in as there are still several places open on the bracket. The cost is \$10 per team.

Action will begin at 5 p.m. and continue until the champions are decided.

All proceeds will go for civic projects.

Mrs. Gussie Stanfield Honored on 97th Birthday

Mrs. Gussie Stanfield, a resident of the Gorman Care Center, celebrated her 97th birthday Friday. Gussie was born at Sipe Springs, May 28, 1886 to Hugh C and Josephine Foster, long-time residents of Sipe Springs, Texas, and lived there until her marriage January 16, 1924, to W.J. (Wid) Stanfield. She, then, moved to Lamesa, where she resided until she came, as a widow, to the Gorman Care Center on December 26, 1981.

Mrs. Stanfield is the only surviving child of the eight children of the Foster family. Her brothers Lon, Walter, Marvin and George P. (Fritz) Foster were well-known at Sipe Springs during their lifetimes. Also, Miss Effie, a sister, who died at Sipe Springs in 1973 at the age of 91, was a life-time resident there. Even though Gussie has no children, she has many nieces and nephews, and friends, who keep in touch with her, with cards and visits. She loves people and enjoys visits from all of her friends.

"Miss Gussie", as she is lovingly called, was honored with a birthday party at the Gorman Care Center by her sister-in-law, Mrs. George P. Foster of Gorman, and three of her nieces Dorothy Robertson and Joyce Burk, of Comanche and Ruby Wyatt of Sipe Springs and also Gladys Chambless of Gorman.

The table was beautifully

decorated with a center piece of pink carnations, Bells of Ireland, Fern and Babys Breath, made by a nephew, Gene Foster and given by a nephew and wife, Nevin and Kathy Foster of Goldsmith. Also a nephew and wife Earl Ray and Ann Roberts, of Corpus Christi; sent a beautiful orchid mum pot plant, which graced one end of the table; also a pretty Red Koloncho pot plant, given by Gene and Carolyn Foster, was at the other end of the table.

The Birthday cake was white with adorable pink roses, decorated by a niece Joyce Burk. Also a white sheet cake, was served, and made by a niece Dorothy Robertson.

Pink punch was labeled by Gladys Chambless, from a crystal Punch Bowl. Roasted Nuts and Miniature pastel marshmallows were also served.

Other relatives and friends who called to wish her a Happy Birthday were Mr. and Mrs. Gene Foster, and Joe of Gorman. Mrs. Sutton Dudley of Comanche, Cula Palmer, Dora Fye Brewer, Mrs. Stella Swanner and Jeffery Grice of Gorman.

During the party, a cousin, Robbie Henderson, of Rising Star, called to wish her a Happy Birthday. She received a number of gifts and a stack of Birthday Cards, which she enjoyed opening, a friend, Velma Bennett, played Happy Birthday on her French Harp.

GORMAN SCHOOL MEMORIAL SCHOLARSHIP REACHES \$1,100

Diane Fischer was presented a scholarship to study nursing from the Gorman Memorial School Scholarship Fund at graduation exercises on Friday May 20. CORRECTION
Lacy Michelle Clark, 5 year old daughter of David and Donna Roberts is candidate for "Little Miss Gorman". She is being sponsored by Kokomo Home Extension Club.

The Progress had omitted her sponsor in a previous announcement.

at First National Bank, memorial not to be dedicated to anyone will be accepted.

Names now on the Scholarship Roll are Donald Bolt, Billy Charles Underwood, Louise and Ray Rankin.

The goal for the fund is \$5,000. It is now \$1,100. When it reaches \$5000 the interest on the invested principal will provide the scholarship, leaving the principal in tact for students in Gorman schools perpetual.

The children of Donald Bolt plan for the next few years to give the scholarship in order for the principal to remain intact until it reaches \$5000.

Couple Joined In Marriage At Home of Grooms Parents

Krista Henderson and Mark William Aaron were united in marriage Saturday, May 28 at 1:00 p.m. in the home of the groom's parents Bubby and Melba Aaron south of Eastland. Victor Eskew of the Church of Christ officiated.

Given in marriage by her parents E.G. and Betty Henderson of Gorman, the bride wore a candlelight gown of Organza accented with Venice lace. The moulded bodice featured a Queen Ann neckline edged in Venice.

The front bodice was accented with Venice lace and Venice motifs framed the yoke in the back. The bishop sleeves of pleated organza repeated the Venice lace motifs and featured a wide cuff with lace motif. The cuffs were edged in an organza ruffle which fell over each hand. The empire waistline was encircled with Venice lace motifs and fell to a natural waist line. The A-line skirt swept to a chapel length train. Venice lace accented a wide pleated tier to complete the hemline of gown.

Her silk illusion pricille veiling was caught to a camelot copulent and was completely covered in lace.

The veiling was designed in a marron edging and drifted gracefully to walking length. The bridal bouquet was off white sweetheart roses, gardenias, stephanotis and gypsophila.

Maid of Honor was Deborah Guthery of Gorman. She wore a mauve pink floor length satin dress with an organza and a over lay having a victorian neckline. She carried a bouquet of long stem pink roses and gypsophila.

Flower girls were Shannon

Trout niece of the groom and Michelle Hamblin cousin of the groom.

Best man was Brad Hamblin of Amarillo cousin of the groom, and the ring bearer was Cody Petri of Austin cousin of the groom.

Usher was Corkey Brown of Gorman uncle of the groom.

The house was decorated with brassheart candlebra, trailing springer fern with votive candles, the stairway was decorated with pink bows springer fern, gypsophila and votive candles, setting at the bottom of the stairs were arrangements of pink roses, rubrum lilies, alstroemeria, lilies, starburst poms, gypsophila and greene-

CARD OF THANKS

We wish to express our gratitude for the many acts of kindness, help and comfort during the recent illness and death of our loved one. Of special notes is the efficient care given her at Blackwell Hospital and Gorman Care Center. Special thanks to Dr. L. Agulia and the hospital staff and to the personell at Gorman Care Center for the good care and love given her during the years she spent in the home.

Thanks to Rev. Darrell Dossey for his visits, prayers and christian interest. Also to those who sent flowers and cards.

The family of
Minnie Ola Bennett

ry, Ferns, Ivy and various plants were used throughout the house.

Following the ceremony a reception was held honoring Mr. and Mrs. Mark Aaron. The reception was held on the lawn of the Aaron home. A beautifully decorated gazebo held the cake and punch. The cake was encircled with greenery, lilies and gyposhia. The edge of the serving table was decorated with pink roses and bows.

Serving at the reception were Mrs. Rodney Dunlap, San Angelo; Mrs. Toby McWilliams, Midland; Mrs. James Johnson, Gorman; Julie Brown, Gorman; cousins of the groom. Registering the guest was Kathy Henderson, rice girls were Shaundra Trout, Crystal McWilliams and Kimberly Hamblin.

The bride left the reception wearing a fuchsia pink linen suit with a matching silk blouse.

After a short trip to San Antonio the couple will live in Lubbock.

SOVIET-BACKED SWAPO TERRORISTS GRAB FOR STRATEGIC MINERALS

The Soviets, operating through a "puppet" terrorist group known as SWAPO (South West Africa People's Organization), at trying to seize power in South West Africa/Namibia.

Namibia (South West Africa) is a country generally unknown to Americans despite the important U.S. national defense interests involved there. Namibia is the gateway to ultimate Soviet control of the strategic minerals in southern Africa. Chrome, vanadium, the platinum group and about thirty other minerals are vital to the U.S. industrial base. Without access to these strategic minerals, U.S. electronic, computer, aircraft and defense industries will be hopelessly crippled.

Operating from military bases in the southern part of the Soviet-controlled Angola with the help of 30,000 Cuban soldiers, SWAPO, armed with Soviet military equipment, is conducting a terrorist campaign across the border against the black civilian population of northern Namibia. Not only does Namibia have the largest uranium mine in the world, and vast resources of copper, diamonds, lead, tungsten, tin, zinc and oil, but its western coast deep-water port can harbor Soviet nuclear submarines in a position to bisect the oil and mineral lifeline from the Persian Gulf to the U. S. and NATO countries of western Europe. More than 28,000 ships a year follow this sea route around the Cape of Good Hope.

If the Soviets and their SWAPO proxies can drag Namibia behind the "iron curtain", the U.S. loses another ally in the mineral "resource war" and Russia makes a huge gain in its campaign to deprive the U.S. of the strategic minerals of southern Africa.

The Soviet-dominated United Nations General Assembly provides SWAPO with about \$100 million a year. And the U.N. supplies \$ millions to other Soviet-sponsored terrorist groups such as the Palestine Liberation Organization (PLO), the Cuban guerrillas in Angola, the Caribbean, and elsewhere in Africa.

The U.S. Congress annually appropriates over \$1 billion of hard-earned U.S. taxpayers dollars to the United Nations — ¼ of the total of U.N. budget.

Few Americans are aware that to the extent they allow the United Nations to use American taxpayer contributions to finance pro-Soviet terrorists, they are helping finance their own destruction. Is it now time for U.S. Taxpayers to ask their representatives in Congress to stop this flow of U.S. Taxdollars through the U.N. to SWAPO, PLO, Cuban guerrillas and other Soviet-backed terrorists groups?

Write U.S. Congressman Edwin V.W. Zschau, House of Foreign Affairs Committee, 429 Cannon House Office Building, Washington, D.C. 20515, and enclose this message. 4-6-23 C.

The most long-lived animal is the giant tortoise of the Galapagos Islands. Specimens have been estimated to be as old as 190 years.

The peanut is really a bean, not a nut.

Among the ancient Greeks it was considered good for the crops to plant a piece of year-old cake along with the seeds.

**James Morris Receives
National Track Coach Award**

James Morris, the first-year track coach of South Texas College, compares favorably with SMU football coach Bobby Collins. Each rode the wave of a talented team to post-season honors, without much change from the previous course.

Morris was named national junior college Track Coach of the Year Saturday by the National JUCO Athletic Association. The honor came the same day SPC had finished fifth at the national juco meet in San Angelo.

SMU's Collins, remember, led the Ponies to the '83 Cotton Bowl in his first year at the school, after taking over the Ron Meyer.

Morris replaced Clint Ramsey, who is now the head track coach at Angelo State.

"We already had a strong program with Clint Ramsey, so my main goal was to maintain what had been established," Morris said.

"The (coaching) honor came as a surprise, because I didn't expect a first-year coach like me to get it."

Alan Moore, a sophomore from Hughes Springs, borke

three national marks in winning the 10-event decathlon. Teammate Lance Bingham, a sophomore from Meadow, was 20 points behind in second.

SPC also captured the top three places in the shot put. Ken Matney, a sophomore from Slaton, recorded a winning toss of 55-7. Glen Calvert of Plomot was second at 55-0 and Mike Williams of Olton was third at 54-2. Both are freshmen.

Denis Trotter, a sophomore from Quebec, Canada, was fourth in both the long and triple jumps, with leaps of 24-9 1/2 and 49-6 1/4, respectively. He was signed with UT-Arlington, Morris said.

Ray McNeal, a walk-on from Dunbar whom Morris calls a success story, was fifth in the 110 high hurdles. He has accepted a full scholarship from Wayland Baptist, Morris confirmed.

Freshman Kevin Lyons, a "bona-fide stud" from Dayton, Ohio, was second in the 400-meter hurdles.

James Morris is the son of Mr. and Mrs. Hup Morris of Gorman.

son, has been selected as one of ten Outstanding Young Educators in the Houston Independent School District. The award was presented by the Houston Jaycees and the Houston Chamber of Commerce. The presentation was conducted at the Westin Galleria on May 6, 1983.

Thompson was the 1974 valedictorian graduate from Bridgeport High School. He later attended Texas Christian University and majored in special education and physical education. He received academic and music scholarships while at TCU. Thompson graduated with highest honors from TCU in 1978.

Currently he is completing a master's degree from the University of Houston. Thompson is maintaining a 4.0 grade point average in the Educational Psychology Department.

Thompson is an adapted physical education specialist at T.H. Rogers School, in the Houston Independent School District. He develops motor programs for multihandicapped students. Thompson also coaches boys track and cross country.

He is also involved in the Special Olympics program. He coaches softball, bowling, track/field, basketball and swimming.

Thompson conducts seminars and workshops for the University of Houston and Prairie View University. Senior-level physical education majors train under Thompson in his adapted physical education program. Dr. Jane Perry, chairperson of the University of Houston physical education program, writes, "Glynn Thompson is a master teacher. He manages time, equipment and students well. I wish we could xerox Thompson and put a copy of him in every school. Within a few years, he will be a leader in the field of handicapped programs for our nation."

Glynn is the grandson of Mrs. Dolph Smith of Gorman.

TESCO Transfers Eastland Engineer

Elwood Ragland, formerly of Texas Electric Service Company, Eastland, has transferred to Fort Worth

Region Engineering as engineering supervisor effective April 13, 1983. Ragland will be replaced by Jack Horn, an Eastland native transferring from Graham Distribution Service Center.

Ragland graduated from

Desdemona High School in 1946. He worked in West Texas oilfields after graduating, and attended Tarleton State College.

Ragland received an honorable discharge after serving in the artillery division at

Fort Sill, Oklahoma, 1950-52. He began his career with Texas Electric Service Company on July 10, 1953 in Gorman, alternating school with work in the TESCO school-work program at U.T. in Arlington.

During the school-work

program Elwood transferred to Eastland Division Engineering where he has progressed through several titles to his present position as Engineering supervisor.

Elwood is the son of Mr. and Mrs. C. E. Ragland of Desdemona.

Average Billing can help smooth out high summer electric bills.

In the summer, intense Texas heat can make your air conditioner work longer and drive your electric bill up in a hurry.

Our Average Billing Plan can help by "averaging out" your payments. You still pay for all the electricity you use, and your payments will still vary from month to month. However, in high-use months you pay for less elec-

tricity than you use, and in low-use months you pay for more.

Average Billing can help smooth out high summer electric bills. It's available to both residential customers and churches.

If you'd like to know more, give us a call at Texas Electric.
