Old man weather seems to be the conversation around here this week. The hot dry weather and the continuing lack of rain is at the top of the conversation list. It seems a shame that this area can't get some of the tremendous amount of moisture that hurricane Diana has dumped on the East Coast of Carolina. The hurricane is dumping a deluge of rain on the countryside. In this part of Texas (and most other parts) the lack of rain is causing havoc with most aspects of life, including the lack of drinking water, the lack of water and grazing for the state's livestock, and also it has really hit the farmers hard in most areas as the lack of rain has literally wiped out their crops. Some of the farmers in this area are lucky because their irrigation water supply is still holding, but others are in trouble because their water levels have already dropped too low or is dropping daily. You could easily say that this year's weather has been the wierdest in many a moon. But as most folks know here in Texas, one thing that is uncertain is the weather. Maybe the Good Lord who looks over us will see fit to bless us with some critically needed rain soon.

We hope to get a picture of the new minister of the Church of Christ and his family by next week. We apologize to the minister and the church, but we just haven't been able to make contact to get the picture taken. J. Curtis Maness has preached the past couple of weeks at the Church of Christ. We will have information on the preacher and his family next week.

The Panthers seemed a little sluggish in their season opener Friday night at Hico, managing only a tie of 6-6 with the Tigers. Most of the fans thought the Big Red had the game won with the clock running out when they had first and goal on the one yard line, but the Panthers were unable to score in four downs as time ran out on the fourth down play, letting Hico preserve the 6-6 tie. The Panthers had the good figures as far as yardage is concerned, but just couldn't get the touchdown across for the victory. I am sure that the Big Red went through some tough blocking drills this week in preparation for their home opener this Friday night when they host the Glen Rose Tigers. And this bunch of Tigers are expected to be a lot tougher than the Tigers they met last week. And I'm just as sure that all the Panther supporters will be on hand to back the Big Red to victory. They need our backing and I know they will get it. Go Get 'Em Big Red!

Music lovers are reminded of the Second Friday Night Musical at the Fire Hall this Friday night. They always have some great music, food and fellowship.

It seems that the Presidential Election campaign is warming up now as the candidates are beginning to throw words back and forth. First it's one speaking out on the other, then the other candidate returning the favor. No one knows how it will turn out (even though several think they do) but, as the old saying goes - it's not over until its over. Then we will all know, and the country can settle back down to daily living and the chore of day-to-day survival. One great thing is still true - we still have the right to vote as we please and that's what makes it interesting.

And remember to smile - because God Loves You!

CARD OF THANKS

"We Love those dear hearts and gentle people who live in our Home Town. They will never ever let you down" expresses our feelings exactly. The response to our class re-union search for ex class mates was a huge success. And we do Thank everyone so much.

We found everyone except Edward Viriden; Harry Price, Harry Andrews, Ray Jones, and Carlton Stevens. Again Thanks.

From The Superintendent's Desk

I would like to address some of the issues that the school board and administration is studying at the present time. During the special session of the legislation, new reforms and laws were passed that will have and is having to be done to meet state accreditation for the school district.

(1). Class loads to be limited to 22 in grades (K-4).
K-2 for 1985-86 school year.
K-4 for 1988-89 school year.

We will have to add teachers and classrooms for grades 1 and 2 for 1985-86, 3-4 by 1988-89, have two sections of kindergarten if enrollment stays as it is now for 1985-86.

(2). Add elementary library.
(3). Add new science lab for Jr. High and High School, old lab to be used by Jr. High and High School by 1988-89.

(4). Add computer courses, room to be added for this course.

(5). Add classroom for Special Education.

(6). Add classroom for Title I reading program.

The board has talked to a firm about the new 9 rooms that are needed, also the board is studying renovation to the existing building on campus. The Texas Education Agency did a study and said the existing buildings would be sound in structure to renovate. With these additions and updated construction on existing buildings, the Gorman School would be in good shape to handle additional growth, be in compliance with new standards with Texas Education Agency for accreditation.

The board would like to have open house meetings with the public to discuss with the community these things that have been mentioned. Further information will be published in the near future.

We have gotten school started, the teachers and students are busy and working hard. I know that we will have another outstanding year. Remember that a visit from you is always welcome.

Thank you,
G.W. Maxfield
Supt. of Schools

PANTHERS TIE TIGERS 6-6; HOST GLEN ROSE FRIDAY NIGHT AT 7:30

GAME AT A GLANCE

Gorman	Hico
12	First Downs 3
194	Yards Rushing 36
14	Yards Passing 20
1 of 3	Passes Complete 1 of 8
1	Interceptions 0
3	Fumbles Lost 0
1 for 30	Punts, Avg. 6 for 27
6 for 30	Penalties 6 for 55

The Panthers opened their 1984 season against the Hico Tigers at Hico on Friday night and came away with a very big margin in total yardage, however, the scoreboard read 6-6. The cause of the Panthers coming out with the tie was because, mainly, of three fumbles, one of which set the Tigers up in business on the Big Red 37 yard line.

The Tigers then took the fumble recovery on the Gorman 37 and scored in 8 plays with Steve Knudson getting the final 6 yards on a fine run with 52 seconds left in the initial quarter. The run for two points failed and the Tigers held a 6-0 advantage.

Following the Tiger scoring drive, the Big Red took the kickoff on their own 37 and went the distance in 11 plays with Jimmy Woodall getting the final 2 yards on a dive play with 7:50 left in the half. On the try for two points, the Panthers were called for lining up offsides and penalized 5 yards. They tried for the two points on a pass try but the play failed, leaving the score tied at 6-6.

The half ended with the 6-6 deadlock and the teams played on fairly even terms the rest of the way, with the Panthers showing more ability to move the ball, but failing to take advantage of their yardage plays because of fumbles.

Then with just about a couple of minutes to play in the game the Panthers almost broke one on the punt return, but the ball carrier was stopped on the Tiger 30. The Panthers moved for a first down, then lost a yard on a running play. Then a pass try failed. Following this the Big Red ran for 5 yards. Then on fourth down, Ricky Hunter rolled out to his right and found Sam Brinegar

and Mr. and Mrs. Bill Searcy of Hobbs, New Mexico, James Gee Morris, Leon Pope, Brian and Tanner of Brownfield, Dr. Kirk Brown and Adam of Waxahachie, W. C. and Blanche Browning, Gene and Kay Snider and Jim and Lois Morris all of Gorman visited with Hupp and Lottie Morris during the Labor Day weekend.

PTO MEET SEPTEMBER 19TH

Anyone wishing to become a member may do so by making a donation as no set price has been made for membership dues. There will also be a table set-up at the game to accept donations.

FINE DEFENSIVE ACTION - Above is a host of Panthers preparing to stop a Tiger running back for short yardage. Some of the Panthers include Sammy Brinegar, David Gibbs, Zack Wilcox and Ricky Hunter. With Gorman's fine defense, the Panthers held the Tigers to only 6 points.

AROUND THE END FOR A FIRST - Above is Russ Gressett turning the corner to scamper for a first behind the fine blocking of Rhett Harrison, Joe Underwood and Jimmy Woodall.

just short of the goal line and hit him with a pass. This gave the Panthers a first and goal from the Tiger one yard line. From there the Panthers tried four plays but could not get the ball into the end zone and had to settle for a 6-6 tie.

The Panthers faced a much heavier line than their own and were just unable to block against the Tiger goal line defense. There was little or no blocking on the four plays when the Panthers were near the goal line. One thing is for sure - the Panthers will go through some tough blocking drills this week in preparation for the Friday night game against the Glen Rose Tigers at Brogdon Field, starting at 8 p. m.

The Glen Rose Tigers are a AA team and are expected to be tough, according to the scouting report. And you can bet that the Tigers scouted the Panthers at Hico, so this should be a real tough test again for the Panthers. The Big Red were hurt by the loss of starting guard Wayne Warren, who was injured in a three-wheeler accident early last week. Losing Wayne hurt the Panther cause as he was a good blocker, and he also played linebacker on defense. He will be missed in the Big Red attack and on defense.

Rhett Harrison was the leading ground gainer for the Big Red with 86 yards on 14 carries, one being a beautiful 25 yard blast up the middle. Ricky Hunter got 51 yards on 11 keepers. Russ Gressett had 33 on 6 tries. Jimmy Woodall made 19 yards on 17 tries and Zack Wilcox had 5 yards on three tries.

The Panthers just couldn't seem to settle down and play their usual good brand of football. They made some good yards but just couldn't find the endzone.

We look for a real good game when the Panthers host another bunch of Tigers here Friday night.

UNDERSTANDING AUCTIONEERS

Some novice auction fans worry about being able to understand what the auctioneer is saying.

In order to better understand what's going on just remember that the auctioneer only calls two numbers. He first calls the bid he has received then he asks for the next increase in bidding he would like to get.

He says "I have \$10 will you give \$15?" He calls what he's got and asks for what he wants. The words he says in between the numbers are called "action words" or "filler words" and they are used to add an exciting rhythm to the auctioneer's chant.

Just pay attention to the numbers when he calls the "haves" and "asks," it's as simple as that. And, if the price is right, join the bidding and a bargain may be yours. Remember, when it comes to buying or selling AUCTION'S BEST.

Sale every 2nd and 4th Thursdays of each month, starting at 7:00 P.M.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION

NOVEMBER 6, 1984

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide state banks the same rights and privileges as national banks."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (2/3 for The University of Texas System and 1/3 for the Texas A&M University System) to 30% (20% for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin.

House Joint Resolution 19 also annually appropriates \$100 million in each fiscal year, beginning September 1, 1985 (from the first money coming into the state treasury that is not otherwise appropriated by the constitution) for the use of those

education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 2/3 vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of agencies and institutions of higher

education are already authorized by the Constitution. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

such officers, employees, and agents are already authorized by the Constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for payment of assistance to the surviving dependent parents, brothers, and sisters of certain public servants killed while on duty."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of these counties would be transferred to the county clerk.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to abolish the office of county treasurer in Bexar and Collin counties."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the state senate to fill a vacancy in the office of lieutenant governor."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

The proposed constitutional amendment will appear on the ballot as follows: The constitutional amendment to permit use of public funds and credit for payment of premiums on certain insurance contracts of mutual insurance companies authorized to do business in Texas."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to change the membership of the State Commission on Judicial Conduct to include one Judge of a Municipal Court and one Judge of a County Court at Law, who shall be selected at large and appointed by the Supreme Court with the advice and consent of the Senate.

The amendment also provides additional grounds for removal from office of judges or justices of Texas courts, and provides additional disciplinary actions that could be taken in lieu of removal or censure. The amendment would extend the Commission's disciplinary authority to masters, magistrates, and retired or former judges who hear cases by designation. The amendment creates a tribunal to review recommendations of the State Commission on Judicial Conduct for removal or retirement of a judge or justice. The review tribunal would be composed of seven (7) Justices or Judges of the Courts of Appeals selected by lot by the Chief Justice of the Supreme Court. The amendment also provides for appeal of the review tribunal's decision to the Supreme Court of Texas and grants an accused judge the right to discovery of evidence.

The proposition will appear on the ballot as follows: The constitutional amendment relating to the membership of the State Commission on Judicial Conduct and the authority and procedure to discipline active judges, certain retired and former judges, and certain masters and magistrates of the courts."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide a per diem for members of the legislature equal to the maximum daily amount allowed by federal law as a deduction for ordinary and necessary business expenses incurred by a state legislator."

STEPHENVILLE PRODUCTION CREDIT ASSOCIATION SCHEDULES 50TH ANNUAL STOCKHOLDERS MEETING

James K. "Jack" Pettit, President of Stephenville Production Credit Association, announced that the Association has completed its 50th year of service to agriculture.

Stephenville Production Credit Association has scheduled its 50th Annual Stockholder's Meeting, Saturday, September 15, 1984 in the Stephenville High School auditorium at 4:30 p.m.

According to Association President, James K. Pettit, entertainment will be provided by Leroy Van Dyke, the Country Auctioneer. Drawings will be held for 4 tours with round trip air fare, and hotel accommodations to New Orleans, Acapulco, Las Vegas, and the Bahamas. He emphasized that the borrower - member must be present to win. A free barbecue will begin at 4:30 p.m.

Association Director R.W. Evans of Proctor will serve as Chairman of the meeting and James K. Pettit, a Comanche county native, will give the President's report highlighting 50 years of progress.

An election will be held to fill 2 positions on the Board of Directors of Stephenville Production Credit Association. Chairman of the 1984 Nominating Committee, D.D. Palmore of Dublin, announced that his committee will submit the names of incumbents R.W. Evans and Jackie

D. Clark of Sidney as candidates for a 3 year term. The other candidates are Edwin Belew of Dublin, Roy Carrell of Godley, Gary Greenway of Alexander, and Raymond A. Lindamood of Godley. Mr. Palmore urged any class B. Stockholder wishing to nominate an additional candidate to do so from the floor.

Other local members of the 1984 Nominating Committee are: Tommy Butler, Roland Collins, Royce Lesley, Kris Brown, W.T. Norris, Wendell Treadway, and Gene Gilbreath.

Pettit says, "Having just passed the 50 year mark of the Association we can't help but be grateful to its

GORMAN CARE CENTER

By Jettie Daniels

First of all, I want to say that we had a very good Singing last Thursday Night and if you weren't present, you indeed missed a great blessing. We had such a good time that we ran a wee bit over time, but no one cared as they were enjoying the singing very much.

Thanks to every one for a great night.

Leona Bagwell, George Hallmark, Mr. and Mrs. Walter Grenshaw.

The Rising Star Senior Citizens Band entertained for us and as always, was great and enjoyed by

original organizers for pulling together during tough economic times. They made it possible for not only farmers and ranchers of the 30's, but agriculture producers for the next 50 years to have a dependable source of credit. With the excellent leadership of our current Board of Directors and the support of a very capable staff, we look forward to another 50 years of financing area agriculture."

During 1984, Stephenville Production Credit Association loaned over \$81 million to over 650 member - borrowers in a 10 county area. Nationwide there are 422 PCAs with more than \$22 billion in loan volume. Nationally they serve the credit needs of more than 380,000 farmers and ranchers.

every one.

Last weeks Bingo Winners were: Clara Rich, Pearl Westerman, Lonzo Coffman, Ola Walker.

Black Out game was won by: Jesse Roberts.

On the 17th. which is a third Monday, at 7:P.M. we will have our Monthly Musical.

Our residents look forward to this time as they enjoy good music and good fellowship with every one. Every One is invited to join us on this night.

Tena and Jimmy Dennington spent their Vacation in Arkansas and Louisiana and other places. They reported having a super time.

I have been pretty sick for about a month I told Wm. that I'll have to improve to die. The last day that I went to the doctor he told me that I had to take a pill a day for the rest of my life. William said "I don't know why you're griping so much, that's not bad." I said, "Yeah! but he only, gave me four pills." While I was in the doctors office he told me, "Take the blue pill with water for breakfast, the green pill with water for lunch, and the red pill with water for supper." I asked him what the matter with me. He said "You're not getting enough water."

WALTER WOOTEN
Walter A. Wooten, 97, died at 9 p.m. Saturday at a De Leon hospital. Graveside services were at 2 p.m. Monday at Eastland Cemetery.
The Rev. Danny Dodson, pastor of Merriman Baptist Church, officiated. Arrangements were made by Edwards Funeral Home.
Born Feb. 8, 1887, in Chapel Hill, he married Sadie Alma Maund Dec. 23, 1920, in Lampasas County. He had been a farmer until his retirement in 1965. He was a Baptist. His wife died July 17, 1965.

LOOK WHO'S NEW IT'S A BOY
Mr. and Mrs. Donnie Egger of Fort Worth announce the arrival of their son, Dustin Hunt. He was born August 28, in Harris Hospital in Fort Worth.
Dustin weighed 7 lbs. 6 oz. and measured 20 inches. Maternal grandmother is Mrs. Velma Grady of Gorman.
Survivors include two sons, L.M. of Gorman and Preston of Eastland; a daughter, Mrs. Bill (Evelyn) Rich of Jacksboro; and two grandchildren.

SEAMAN RECRUIT WILEY H. BRIDGES
Seaman Recruit Wiley H. Bridges is scheduled to graduate from basic training in Great Lakes, Illinois, this Friday, Sept. 14.
BACK-TO-SCHOOL PARTY
James Lynn Torrez and Charlie Torrez, Jr., sons of Charlie and Jo Nell Torrez, and Deena Torrez, daughter of Lupe and Cathy Torrez, were honored recently with a "Back-to-School" party at the Gorman Congregational Methodist Church. Decorations were school supplies and refreshments included home-made ice cream.

Prior to his departure to basic Seaman Recruit Bridges was honored with a family dinner. Featured was a Bon Voyage cake in the shape of a horseshoe. Among those attending were his wife and son, Jackie and Robert, Mr. and Mrs. George Bridges, Rosemary Bridges, Kent Bridges, Mary Clark, Rev. and Mrs. M.F. Dennis, and Mr. and Mrs. Billy Joe Dennis, Norma and Jerry.
Seaman Recruit Bridges will attend operations specialist's school at Norfolk, Virginia.
