### Press Points Joe Bennett, Publisher

That was really a good turnout for the General Election. The percentage of voters turning out was very good compared to previous years. It is good to know that folks will take the time to go to the polls and vote. The world would be a lot better if all the voters would vote all the time. Then the "majority" would truly rule.

Anyway, the elections are over and the commercials have ended, along with the debates. Now we can all get down to enjoying some good TV.

And speaking of TV, be sure and look at the Cable TV ad in this weeks issue. The Cable people will be running some ads the next several weeks to explain the cable changes, etc. There have been several changes and the ads will help to explain the changes and options folks have.

Received the following note this week:  
Dear publisher;

For the past year I have really enjoyed reading the Progress. I scan it from page to page hoping I will see a name I recognize. But after graduating from high school there in 1918, 66 years ago, there are few names I recognize. I wish more of the former students would write the Progress. So far as I know there are only three, besides myself, of our class of 1918 living. There were twelve of us.

Any way, I enjoy the Progress. I wish Estelle Craddock would write me about the Craddock family. They were neighbors of ours in the country out south of Gorman, the Jimmie Thompson family.

Sincerely,  
Grace Thompson Chapman  
15717 S. Woodruff, Sp# 46  
Belleflower, Ca. 90706

Thanks. It helps to know that folks enjoy the paper. We do try real hard to give the readers a paper that they can be proud of. Oh, I know we goof now and then, but guess that's normal. Any way we do try.

Also got a note with a subscription payment from the Bice family wishing the Progress force happy holidays. It was from Jack Bice, Jo and Jim Holmes, J. T. and Mozelle Bice and Bill and Helen Bice of Corpus.

Noticed that Gregg and Bethany Skiles are remodeling their home next door to Leland Warren. It looks as though they are redoing the interior of the home with paneling, etc. and other improvements. Its sure coming along fine.

Also noticed the Phil Golobs are adding on to the back of their home as well as doing a lot of improvements since the home had been rebuilt following the fire. They are doing a very good job and are really making the house and place look great.

Don't forget about the Community

## ALBERT HENDRICKS LAID TO REST FRIDAY

Albert Wesley Hendricks passed away on Tuesday, November 6, 1984, in the Blackwell Hospital after a lengthy battle with cancer.

Services were held on November 9, at 2:00 p.m. in Higginbotham Funeral Home Chapel in Gorman. Bro. Jim Andrews, Bro. Clarence Wilson and Bro. Joe O'Neal officiated. Teddy Dean Jordan gave the Eulogy. Albert left the chapel draped with the U.S. Flag for his journey home to his burial in Simpson Cemetery at Kokomo. Bert Kent and other V.F.W. members folded the flag and presented it to his wife, Nancy.

Music was rendered by Sharon Mearse and a quartet composed of Woodrow and Helen Browning, Jimmy Little and Archie Skaggs accompanied by Juanita Fuller.

Albert was born on March 30, 1918 in the Kokomo Community, Eastland County, Texas. He attended Kokomo Schools and graduated from Gorman High School in 1937. He was a member of the Kokomo Baptist Church.

He married Nancy O'Neal on December 29, 1943 in Breckenridge, Texas. He took over the family farm at 12 years of age and spent his lifetime in the Kokomo Community except for seventeen months he served in the Pacific for the U.S. Army in World War II. He recieved an honorable discharge on August 2, 1946 and returned to the family farm to be reunited with Nancy and his 10 month old daughter he was seeing for the first time.

Albert is survived by his wife, Nancy; one daughter, Sylvia Ruth Hendricks Buchanan and a son-in-law, Roy Buchanan of Clyde, Texas; two grandsons, Kelly Lee Buchanan

Thanksgiving Service to be held at the First Baptist Church Sunday night. Folks look forward to this service each year and really seem to enjoy the fellowship together and the opportunity to give thanks to God who makes all things possible for us to enjoy.

The Panthers have completed their football season and are to be congratulated for what they accomplished this season, despite the injuries and other hardships they faced. We are very proud of these young men and think they are tops.

And remember to smile - - because God Loves You!

## PANTHERS END SEASON WITH LOSS TO LOMETA HORNETS FRIDAY NIGHT

GAME AT A GLANCE		
Gorman		Lometa
12	First Downs	13
168	Yards Rushing	137
12	Yards Passing	125
4 of 12	Passes Completed	4 of 7
0	Passes Intercepted	4
4	Fumbles Lost	3
3 for 45	Punts, Avg.	3 for 38
4 for 30	Penalties	6 for 35

The Gorman Panthers ended the season on Friday night at Lometa when they lost a hard fought 19 to 12 decision to the Hornets, who wound up as the runner-up in District 8-A East and will meet Eden, winner of the West zone. The Panthers really helped the Hornet cause with four fumbles and four turnovers on pass interceptions. You might say "it just wasn't the Panthers' night" to say the least.

The Hornets hit the scoreboard first on the initial play of the second period on a 49 yard draw play by Alex Whittenburg which caught the Panthers napping. The kick for point failed and Lometa was up 6 to 0.

The teams played on even terms the rest of the way until 10:22 of the third period when the Panthers scored on a beautiful 31 yard run by Jimmy Woodall after the Big Red had taken over the ball on the Lometa 39. The run for two points failed and the game was tied at 6-6.

Then with just 51 seconds left in the third quarter, the Big Red defense held and forced the Hornets to punt. On the punt try the snap to the kicker went over his head and he was hit as he picked up the ball, which went into the endzone and was recovered by Rhett Harrison for a touchdown. The pass for two points missed and the Panthers were up 12 to 2 and seemed to have the momentum going. However, things changed fast as Bryan faded back and tossed a pass to Willie Jasso who caught the ball in the open when two Panther defenders fell down and raced 62 yards for the score with no time showing on the clock in the third period. Then Bryan Thorp kicked the PAT and Lometa was up by 1 point at 13-12.

The Panthers fumbled on their

next possession, giving the Hornets the ball on the Gorman 35. A pass for 20 yards put the Hornets at the 15. Then a sweep to the left added 11 yards to the 4. From there Thorp ran a QB sneek for the TD with 9:50 left in the game. The kick try was blocked and the Hornets were out front 19 to 12.

The Panthers played a hard hitting game, as did the Hornets. In fact it was one of the hardest hitting games the Big Red had played all season. But with all the turnovers, the Panthers just couldn't get things going.

The Panthers have had a very good season considering the injuries that plagued them this season and came up with a 6-3-1 record. But this is not surprising, however, as the Panthers have had winning season

the past "hump-teen" seasons and have been in the playoffs several years in a row.

The Big Red were led by Lucio Pacheco with 68 yards on 13 carries, followed closely by Jimmy Woodall with 67 on 10 tries. Rhett Harrison got 60 on 9 totes. Ricky Hunter was minus 4 on 2 keepers, and did not play but just a few downs due to an injury. Don Underwood was minus 13 and Jeff Ripley was minus 14 on three end around plays.

We congratulate the Big Red for a good season and for playing real fine football despite some trying circumstances when key players were out with injuries. The Panthers can all be proud and have no apologies to make to anyone because they worked extra hard and put forth a super effort to have a winning season.

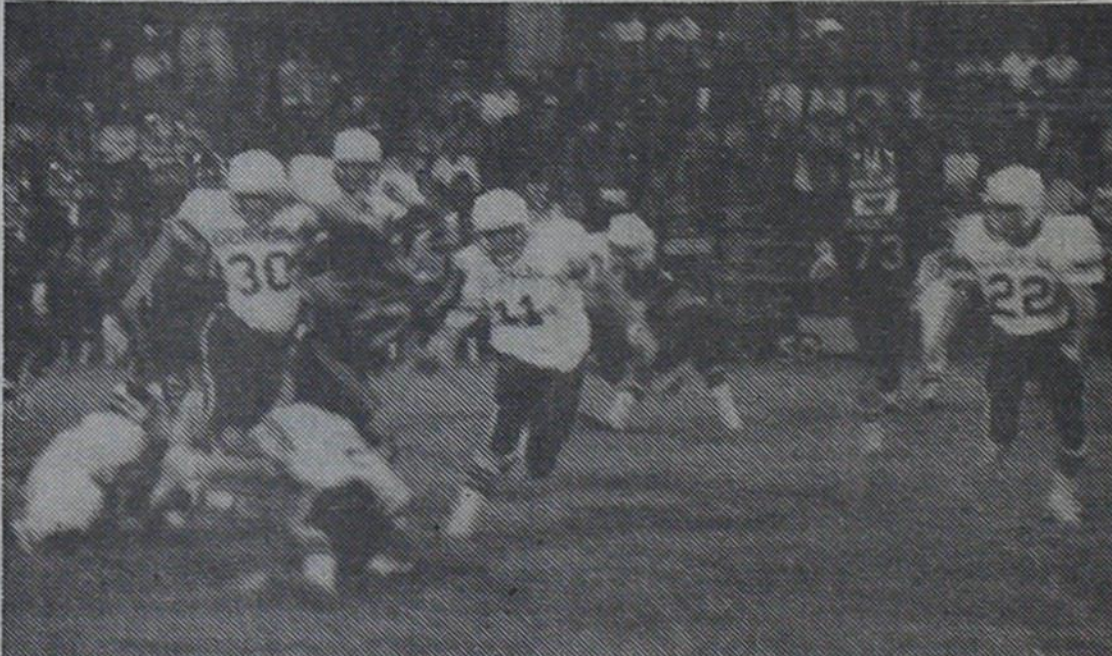

We'll get 'em next year Big Red!

PANTHERS ON DEFENSE — Above is Randall Gibbs, Russ Gressett helping to stop a long play from scrimmage by Lometa Hornets in game action Friday.

# KOKOMO NEWS

By Mrs. Zelda Jordan

Phone 639-2289

Our community has been very saddened at the death of Albert Hendricks. Albert was loved by all who knew him, and he will certainly be missed. He was active in the Kokomo Baptist Church as long as his health permitted serving as song leader or assistant song leader for many years, rendering special music many times, and he would fill in as pianist when needed. Albert played beautifully. It was a special treat for us when our daughter, Glenda Joyce Miles would be home and they would sing together.

Albert was also an active member of the Kokomo Community Club and when any work or community project was going on you could always count on Albert being there doing more than his share.

And personally speaking, he was a very dear friend and neighbor, and our neighborhood will never be the same without him, but we know our loss is heaven's gain and that he is singing songs of Praise in his heavenly home.

Our sincere sympathy to Nancy, Sylvia, Roy, Kelly and Yancy and all the family.

Out of town visitors and those attending the funeral for Albert Hendricks were Mr. and Mrs. Teddy Jordan, Munday, Mr. and Mrs. Bill Simmons, Shallowater, Mr. and Mrs. Harold Hendricks and Dale James Hendricks, Cisco, Mr. and Mrs. Ray Caddell, Lubbock, Mrs. Roddy Miles and Sheri, Mrs. Lydia Adams and Mark Jones all of Abilene, Mr. and Mrs. L.D. Pyeatt of Pasadena, Mr. and Mrs. Paul Hoy and Robin of Plano, Mr. and Mrs. Don O'Neal of Houston, Mr. and Mrs. Kerry Clymer, Adam and Seth, Bay City, Lynn Morris, Dallas,

Mr. and Mrs. J.B. Etheredge, Seguin, Mrs. Jerry Sorrells, Colorado City and Gay Freeman of Aspermont.

Also, Mrs. Mary Eaves Webb, Cisco, Mrs. Eddie Duncan and Clay, Olden, Mrs. Wayne Eaton and Lindsey, Marble Falls, Mr. and Mrs. Nathan Mearse, Odessa, Joseph O'Neal, Austin, Mr. and Mrs. Don Brumbelow, Rev. ## GORMAN VOTERS CAST 1152 VOTES IN GENERAL ELECTION

Gorman voters turned out in large numbers for the November 6 General Election and cast 1152 total votes, a very nice turnout compared to the past several years.

Carbon voters cast 378 votes and Desdemona polled 359. Countywide vote count totaled 7,389. There were only 11,270 registered voters in the county, so this total is real good.

In the Gorman voting Reagan led Mondale by 326 to 254. Davis got 1 vote. Gramm led Doggett by 302 to 269. In Carbon Reagan led Mondale by 102 to 87 and Gramm led Doggett 99 to 90. In Desdemona Reagan led Mondale 95 to 80 and Gramm led Doggett 96 to 88.

In the amendment balloting the county voters approved six of the eight proposed amendments, defeat-

ship drive going on. We would like to invite individuals to become members. The dues are \$12.00 per person per year. Mail them to Gorman Chamber of Commerce, P.O. Box 266, Gorman TX 76454 or give them to prospective businesses inviting them to become members. The Chamber of Commerce is very busy organization and we need your support.

ing Amendments 6 and 8. The totals for the county reflected a 66 percent turnout.

**AVOIDING CALVING PROBLEMS**

A cattleman's best bet in avoiding calving problems is to select replacement heifers that are the heaviest rather than to use hip width

measurements, notes a beef cattle specialist with the Texas Agricultural Extension Service, Texas A&M University System. A study in Wharton County involving Brahman-cross heifers showed no relationship between the width at the pin bones

and the internal pelvic area and only a slight relationship between the width at the hooks and the pelvic area. Producers should select the heaviest heifers and breed them to bulls that have calves of light birth-weights to avoid calving problems.

**GREAT AMERICAN SMOKEOUT**

November 15 is the Target Day. The American Cancer Society has urged all smokers not to light-up on November 15. Here are some suggestions for smokers who wish to participate:

- Get one or more co-workers to join you. Shared misery is easier to bear.
- Money talks -- Make a bet. The first one to light up, loses.
- Reward yourself with a good dinner, tickets to a ball game or show, after you've done it.
- Drink plenty of fluids -- water or fruit juice; they help flush the nicotine from your system.
- Avoid alcohol, coffee or other beverages you associate with smoking. At coffee break, drink milk or orange juice -- a better "energizer" than a cigarette.
- Don't hang around with other smokers -- spend time in "No Smoking" areas.
- When you feel the urge to smoke -- get up and walk around. Exercise is a better "mind-clearer" than a cigarette.
- Need something in your hand? Play with paper clips or a pencil.
- To satisfy the oral use -- chew on a toothpick or low-calorie munchies -- celery or carrot sticks.
- Keep busy -- anything that makes you feel sharper, healthier, cleaner. Break out of old routines.

Good Luck -- and Good Health!
