D. N. "Monty" Montgomery Named Executive V-P at First National

D. N. "Monty" Montgomery has been named executive vice president of First National Bank of Gorman, Mike McCormick, president, announced.

Also, McCormick announced the addition of three new directors to the bank's board.

Montgomery comes to Gorman from Katy, where he was vice president for loans at Katy National Bank for three years. Prior to his position in Katy, Montgomery served with Highland State Bank, McGregor

Bank and Bank of the Southwest in Houston. He also worked in the credit service center of Montgomery Ward in Texas for 12 years prior to entering the banking field.

Montgomery and his wife, Betty, have three children, Andy 20, Keith 18, and Shanna, 13. Both sons will attend Texas A&M University this fall. Mrs. Montgomery is the niece of Nina Jones of Gordon, Texas, whose husband, W. E. Jones, was the former owner of Jones Sales Co. The Montgomerys will reside in Gorman in the former Ron McCormick home. Shanna will attend Gorman Schools.

Montgomery served on the Katy School Board, has worked with Little League Baseball and is a member of the Rotary and Optimist service clubs.

Joe Ben Koonce, of Lone Star Title Co. in Eastland, was named a director of the Gorman bank. Leslie Vance, an Eastland Attorney, and Jim Parker, a Comanche attorney and state legislator, were named advisory directors.

That was a very nice rain which fell in our community and the surrounding area last week. Most folks around here reported about two inches, with some areas getting more and some a little less. But the moisture was surely a God send as far as the crops were concerned. The newly planted peanuts needed the moisture very badly and also there were a good number of farmers who were waiting to see if it rained before they could plant or if they were able to plant. We thank the Lord for the fine rain and hope and pray that more will be forthcoming within the near future.

Received the following letter concerning the possibility of using the money raised by "CALL" for the Tennis Court Fund.

Dear Joe;
I'm writing concerning the article asking for people's opinion as to the using of the money from CALL to aid in building a Tennis Court. Please cast our vote NO. Not that I don't think we need a tennis court, because I think we do. In fact, I think it would be one of the nicest gifts we could give our youth. I believe, in fact, that it would even be better than a youth center, if it could be used for batmitton, volleyball, etc.

But, CALL was organized as Citizens Against Local Liquor. In essence, it should have been called Christians Against Local Liquor. It was Christian people and churches, who with God's leadership, rallied together to fight a common cause, the Devil. Gorman Christians were concerned enough that they did not want their youth exposed daily to "Social Supper Clubs". True, the youth and adults can get "drinks" any time of day, at their discretion, but that is something only they will have to give account of before Almighty God on judgement day. In the Bible, God says "No drunkard can enter the kingdom of Heaven". There are those who say "A social drink never hurt anyone", but in the Bible it also says he not deceived, God is not to be mocked. God says "Those who have ears to hear, Let Him hear."

The money organized for CALL was for a Christian cause. The money might never again have to be needed to take a stand against Liquor issues. I pray to God that it won't; but, as it is now, it stands out like a beacon light from God that says, Christians in Gorman stand ready to fight against Liquor issues. If that money is depleted for mere issues, the Devil will sneak in like a thief in the night and rob us of the victory that we won thru God's grace.

We can raise the appropriate fund needed for the Tennis Court thru other channels. Let's do that. Let's not spite God by using His Blessed money for a tennis court, because no one can deny that it was a miracle how God defeated the Devil on the liquor issue.

I urge all that love the Lord to vote NO for using the money for anything other than for God's work.

Sincerely,
Jo Nell Torrez

Thanks for the response, Jo Nell. So far you are the only one who has bothered to express their opinion one way or the other.

The open house celebration at the Doctor's Clinic was well attended despite the conflict with other events in our community. Folks really enjoyed all the good food and fellowship and the good words for the doctors, nurses, hospital staffs and other connected facilities in our community. Dr. L. and N. Aguila, with Dr. Jim Gray, D.D.S. held the ribbon at the entrance to the new clinic while the Mayor, Charlie Garrett, had the honor of cutting the bright red ribbon. The folks enjoyed a tour through the new clinic which houses the offices and facilities of Doctor's Clinic along with the fine dentist facilities of Dr. Gray. We add our congratulations to those of this community to the doctors and the new clinic.

Received the following note this week and thought I would include it this week:

Sorry I'm a little late on payment. Thanks for sending copy on so I didn't have to miss one.

Joe I look forward to your column. I enjoy reading it very much and agree on most everything you say. Thanks again,

Lula Mae Stokes

Thanks for the good words Lula Mae. It's nice to know folks read and enjoy the Progress. We try real hard to make the paper one that folks will be proud to call their newspaper.

—J—
We had to publish a day early this week due to the Wednesday holiday. Hope we got most of the news in. But if we didn't get it all in we will put it in next week. We hope everyone has a safe and sane Fourth of July with the ones you love.

—J—
And remember to smile - - because God Loves You!

NOTICE!!

All of Gorman Citizens Should Come on Out On Wednesday To The Annual July 4th Celebration At Frank A. Gray Memorial Park

Jennifer Stevens — Lonnie Bennett Repeat Vows Saturday June 23

Jennifer Lea Stevens and Lonnie Eugene Bennett were married in a 2:00 p.m. double ring ceremony Saturday, June 23 in the First United Methodist Church of Eastland. Rev. Wayne Ashlock of the First Christian Church, officiated.

Parents of the couple are Mr. and Mrs. Ralph E. Stevens, Eastland, and Mr. and Mrs. Joe Bennett, Gorman.

Given in marriage by her father, the bride close a gown of organza and chantilly lace. A scoop neckline to off shoulder and puff sleeves was accented with a Bertha type lace ruffle. The elongated princess bodice featured lace appliques and tiny seed pearl outlines. The semi-bouffant organza skirt with lace appliques and chantilly layered ruffle hemline led to a chapel train. The matching organza and chantilly fingertip veil was attached to a lace and pearl applied tiara. She carried a silk bouquet of roses, carnations, daisies, anemones, and wedding bells with pastel satin ribbon streamers.

Maid of honor was Martha Dennis of Eastland. Bridesmaids were Natalie Stevens, sister of the bride, Brenda Priest, and Mary Mathis, all of Eastland. They wore long blue bustled organza gowns with a ruffled scoop neckline and carried blue and white carnation nosegays with ribboned streamers. Attired identically was the flower girl, Amy Morris, cousin of the bride, of Athens. Her basket was trimmed with carnations, daisies, ribbons and a net ruffle. All of the bride's attendants wore flower tripped combs in their hair.

The groom was attired in white tails and ruffled shirt held by white cummerbund and bow tie.

Serving as best man was Herb Savage of Gorman. Groomsmen were Greg Stevens, brother of the bride of Eastland, Terry Kent of Merkel, and Gary Mathis of Eastland. Ushers werw Lowell Lowrance, James Schuman and Daryl Schuman, all of Eastland, Lowell Lowrance and James Schuman also served as candlelighters. All of the groomsmen and ushers wore navy tuxedos, blue edged ruffle shirts with navy cummerbands and bow ties.

The setting in the church was adorned by two large pedastal based bouquets of blue carnations, yellow spider numbs and salmon gladiolas, with fern greenery flanked by white spiral candlelabra and three white centerpoint candlelabra at the base of the large organ pipes. The candlelabra held blue candles and were trimmed with green ferns and large blue satin ribbon bows.

Pews along the center aisle were tied with blue satin ribbon bows.

Musical selections were provided by Richard Rossander accompanied by Jolene Mazel, both of Eastland. Richard sang "Just the Way, You Are" and "Truly". Mrs. Mazel also rendered other piano slections chosen by the couple and provided the organ music for the processional and recessional.

The brides mother chose a street length pleated pink crepe de chine dres with a white lace over bodice. The grooms mother wore a cornflower blue crepe voile shirtwaist street length dress featuring a pointelle pleated skirt. Both wore white silk carnation corsages.

Grandparents of the couple and attending the ceremony were Mr. and Mrs. Ted Roark of Burkburnett, Virgil Stevens of Eastland, and Mrs. Ruby Bennett of Gorman.

A reception was hosted by the bride's parents at the Women's Club. The brides table was centered by antique crystal candlelabra with blue candles and held the three tiered cake with pastel garland designs and topped with heart shaped backdrop for bride and groom figures. Punch, nuts and pastel heart mints were also served.

The grooms table held a chocolate cake decorated with racquetball designs and silver coffee service and candlebar appointments. Joyce Eaves catered the reception.

The houseparty included Joetta Schuman, of Eastland, sister of the groom, who registered guests, Christy Dallas, of Eastland, and cousins of the bride, Lisa Hooper of Okalahoma City, Laura McCarthy and Jody Lindsey, both of Wichita Falls.

The groom's parents hosted the rehearsal dinner Friday night at the home of James and Joetta Schuman. Barbecue from Underwood's of Brownwood was served.

The bride graduated from Eastland High School, attended Cisco Junior College and is employed by Maverick Printing in Eastland.

The groom graduated from Gorman High School, attended Cisco Junior College and is employed with The Gorman Progress.

After a trip to San Antonio, the couple will make their home in Gorman.

THE GORDON SPOT

I don't remember a time when rain in Eastland County was of any greater benefit than it was this week. Of course, the June 5th rain was probably more valuable to the peanut growers, because it provided moisture for planting. The rain last week will help the peanuts and other crops get a good start.

The recent rain was more general and beneficial to the rangeland and hay crops in the northern part of the country.

The rains came at a time when water supplies in our lakes were getting very critical. While the rains did not fill the lakes by any means, they did lessen the demand for water from the lakes. During the week before the rains, water being used from Lake Cisco and Lake Leon were greater than the amount that could be pumped from the lakes. That was causing city water storage tanks to be dangerously low.

Are you being invaded by moths? They are a nuisance around the home, but otherwise harmless. Moths, like butterflies, are the adult form of group of insects known as lepidoptera. Moths lay eggs that

hatch larvae or caterpillars. The larvae after maturing form a pupa and the moth or butterfly emerges from the pupa.

The moths feed only on the nectar of flowers primarily and to a lesser extent on the honeydew of other insects or on decaying fruit. They may be controlled around doors and out door living areas with Pyrethrin aerosol spray or with a malathion spray. There have been some reports of moths getting in window air conditioners and stopping the air movement around the units.

The moths we are seeing are the adults of several different insects, mostly unimportant insects. Some are cabbage worms and other leaf-feeders that may damage vegetable crops. Be alert for any caterpillars on your vegetables or ornamentals.

One effective weapon in the war against caterpillars is B.T. (Bacillus thuringiensis). B.T. is a biological type insecticide that only effects caterpillars.

Only susceptible caterpillars have the necessary combination of high PH, salts and enzymes in their digestive system needed to activate

Olney Savings Check Club Leads Trip to Memphis And Nashville, Tennessee

One hundred twenty one members of the Olney Savings Check Club toured Memphis and Nashville, Tennessee by bus from Friday, May 31st through Tuesday, June 5th. They were accompanied by five Olney Savings Association employees who acted as hostesses for the trip.

While in Memphis the group visited Graceland and Casey Jones Village - Museum and Country Store.

Upon their arrival in Nashville they took in dinner and a show at Music City U.S.A. Also in Nashville they toured the homes of various stars, the Governor's Mansion, The Hermitage, at elunch at Bransford House, then saw The Country Music Hall of Fame, Music Row, and attended The Grand Ole Opry. Their final day in Nashville included Opryland U.S.A., a riverboat cruise and dinner and a show on the Cumberland River. After departing from Nashville they visited Loretta Lynn's home, country store and dude ranch, and then began the journey home.

Olney Savings Check Club members are eligible for many travel and entertainment opportunities, as well as several other benefits. Some of these include life and dismemberment insurance, no minimum account balance, free checks, and free traveler's checks and money orders. For information on the Olney Savings Check Club contact any Olney Savings office.

Olney Savings is a \$700 million savings and loan association with offices in Olney, Albany, Archer City, Azle, Bowie, Boyd, Bridgeport, Brownwood, Cisco, Coleman, Crowell, Decatur, Gainesville, Graham, Holliday, Jacksboro, Nocona, Seymour, Throckmorton, Vernon, Weatherford, and Wichita Falls. Also Ranger Savings in Ranger, Eastland Savings in Eastland, and Electra Savings in Electra. All are divisions of Olney Savings.

B.T.
When ingested, B.T. produces a toxic substance within the cells of its victim. But paralysis, occurs and feeding stops immediately. Eventually, the bacteria breaks down the gut wall and contamination leaks into the caterpillar's body cavity, bringing on the critter's demise.

Caterpillars that may survive usually starve, fail to pupate, become more susceptible to other pathogens of harsh climatic factors, and have trouble reproducing.

B.T. is biodegradable in the environment and is rapidly inactivated in soil below pH 5.1, by rainfall, exposure to sunlight and, in some cases, the type of foliage on which it is sprayed.

B.T. is available in local nurseries at Thuricide, Dipel, Bactur, Biological Worm Control, Leptox, SOK, Novabac or Tribacture. Add a teaspoon of liquid soap per gallon of spray mix to allow the B.T. product to spread more evenly on plant surfaces. In comprehensive spray programs on some crops, repeat applications at regular intervals.

B.T. is a safe effective insecticide--it's a gardener's delight.

JACKSON IS POSTMASTER AT OLDEN, TEXAS

Imogene G. Jackson is appointed Postmaster at Olden effective Saturday, June 23, 1984, Sectional Center Manager/Postmaster W.H. Hathman of Fort Worth announced today.

Jackson, 56, a native of Eastland County, has served as clerk at Carbon Post Office for the past three years.

Postmaster selections are made on the basis of merit from a list of qualified candidates submitted to the Sectional Center Manager by a Review Committee. The Review Committee, composed of sectional center director from the same sectional center, a postmaster from the same sectional center, and a sectional center director from a different sectional center, review the applicants for the position and recommend to the sectional center manager those candidates who best meet the position requirements. The sectional center manager then selects and recommends to the Postmaster General the best qualified person for appointment to the vacancy.

New Education Bill To Help Gorman Schools

The Texas Senate adopted the compromise play by a 22-9 vote Saturday afternoon, and the House did the same by a 92-55 vote Saturday night. The House later changed that final vote to 106-41, thus giving the bill the two-thirds vote necessary to go into effect immediately upon signing by the governor.

In the Senate, Grant Jones, D-Abilene; Ray Farabee, D-Wichita Falls; and Bob Glasgow, D-Stephenville, voted for the reform bill, while John Montford, D-Lubbock, voted against it.

In the House, Gary Thompson, D-Abilene; Stan Schlueter, D-Killeen; and Bruce Gibson, D-Cleburne, voted for it, while Stephen Carriker, D-Roby; Joe Hanna, D-Breckenridge; Dick Burnett, D-San Angelo; and Larry Don Shaw, D-Big Spring, voted against it the first time around. Carriker, Hanna and Shaw switched to yes vote on reconsideration of the bill. Burnett's vote remained unchanged.

Eastland County: Carbon ISD, lose \$21,800; Cisco ISD, gain \$204,500; Eastland ISD, gain \$327,700; Gorman ISD, gain \$151,300; Ranger ISD, gain \$326,500; Rising Star ISD, gain \$179,000.

Comanche County: Comanche ISD, gain \$711,700; De Leon ISD, gain \$327,000; Gustine ISD, gain \$164,300; Sidney ISD, gain \$114,900.

Monday night the state legislature was still hashing and rehashing the "New Education Bill". While new teachers starting salaries got a boost, teachers already in the system will get a smaller slice of "Perot Pie". As one retired teacher stated the educators who have been in the profession several years always get the "short end of the stick".

The \$151,300 gain the Gorman School District will receive will not help as much as one would suspect. According to Superintendent, G.W. Maxfield, the district will in all probability have to add at least 4 new teachers or aides. After these salaries have been accounted for, then the new budget will have to accommodate the pay raises for all other teachers.

Now to something the \$151,300 gain will not ever touch and something our lawmaker did not bother to check on. The new bill will limit classes to 22 students in Kindergarten through seventh grade in the 85-86 year and in kindergarten through fourth grade beginning in 1988-89. This will necessitate the building additional classrooms. Some districts will have to have many more classrooms and teachers, even as many as 45 extra classrooms and teachers along with maintenance people and in all probability another principal.

JULY 4th, 1984

Would our forefathers be proud if they could see what became of the nation they began? We think so, for the doctrines and ideals they set into motion 208 years ago have survived, and our cherished freedom still serves as our greatest strength. We believe that if they could see their handiwork, they would celebrate. And so, we celebrate, for their dream is our reality.

Owen And Galloway United In Marriage

Miss Kimberly Owen of Dallas, Texas and John W. Galloway of Dallas, Texas, were united in marriage in a double ring ceremony on Saturday, June 16, 1984 at 8:00 p.m. in Lovers Lane United Methodist Church Chapel, Dallas, Texas.

Dr. Don Benton, Pastor, Lovers Lane United Methodist Church, performed the ceremony.

Parents of the bride are Mr. and Mrs. Norman Owen of Eastland.

The bride, given in marriage by her father, wore a formal length gown of tissue paper silk satin with hand embroidered silk stitching. The gown, which featured an off the shoulder fitted bodice, was V-waisted accented with Venice lace and heavy pearl beading. The gown had modified log of mutton sleeves accented with Venice lace stitching and trim. The top layer of the full skirt was made of tissue paper silk with complete silk stitching. The

under lays were tissue paper silk rows of ruffles flowing into a cathedral train. The headpiece was a picture hat with a tucked bow in back and fingertip length veil. The hat was trimmed with heavy pearl beading and Venice lace matching the gown. The bride carried a bouquet of white and yellow roses.

The groom and groomsmen were dressed in classic cut away gray coats and trousers trimmed with gray satin cummerbunds, satin bow ties and white tucked shirts. The best man was Scott Nelson of Dallas. Groomsmen were Tony South of Garland, and Bruce Romine of Austin. Ushers were Jim Owen of Albany, brother of the bride; Tony South and Bruce Romine.

The maid of honor was Sherry Webb of Dallas. Bridesmaids were Kimmy South of Garland and Booker Cheuning of Dallas. They wore identical yellow chiffon gowns with deep scoop back with draping ruffles around

the neck and a yellow satin ribbon tied in a bow around the waist. They wore baby's breath in their hair and carried long stemmed yellow roses. Flower girl was Miss Julie Alcantara of Plano, niece of the groom. The wedding guests were registered by Miss Gwen Bishop of Grapevine, niece of the groom.

Mrs. Clarence Candamio of Dallas, played the prelude as well as the processional and recessional. Mrs. Emily Meinecke of Dallas, sang "In this Quiet Hour". She sang "On this Day" during the lighting of the Unity Candle. The chapel was decorated with yellow and white gladiolas in a white wicker basket and brass candles.

The brides mother chose a floor length dress of pale salmon pleated chiffon. The bridegrooms mother chose a floor length dress of yellow lace. Both mothers wore orchid corsages and were presented with a long stemmed red rose as the bride came down the aisle.

A reception was hosted by the brides parents at the Doubletree Inn, 21st floor. The brides table was covered with a white linen tablecloth and held a three tiered white wedding cake decorated with fresh flowers with Hazlenut cream filling. Also served was fresh fruit, cheese, fresh vegetables and dip.

Guests at the reception were registered by Miss Katherine Bishop of Grapevine, niece of the groom. Yellow satin roses filled with rice were given to each guest to shower the couple with as they left by limousine on a wedding trip to The Grand Cayman Islands. Leaving the reception, the bride wore a black and white linen suit, black silk camisole, black linen brimmed hat and white accessories.

The couple will live at 3330 Country Square, Dallas, following their wedding trip. The bride is employed as an Account Assistant, The Flagship Inn, Arlington. The groom is Assistant Manager,

KEEPING AMERICA ON THE GROW

Six thousand Texas FFA members and guests are expected to attend the 56th Annual Convention of the Texas Association of Future Farmers of America, July 11-13, 1984, at the Lubbock Memorial Civic Center.

The FFA is composed of students who are studying vocational agriculture in the public schools in preparation for a variety of careers in Agriculture and Agribusiness. Vocational Agriculture is well known for providing learning experiences to students through the FFA with the theme this year - "Keeping America On The Grow." The ultimate objective is to produce future leaders for American agriculture with its vital role of producing food and fiber.

W.O. Bankston, Paint & Body Division, Addison.

PRE-NUPTIAL EVENTS

A pre-nuptial shower was given at the Women's Club in Eastland, on Saturday, April 28, 1984. Hostesses for the shower were Ann Johnson, Jean Ann Price, Mary Watson, Mildred Adair, Ima Jean Haun, Ann Folsom, Sue Bakker, Nona Fox, Jean Flinn, Marianne Walker, Ruth Smith, Sallie Kinnaird, Nadine Bond, Jane Swift and Ruth Hallmark. Kimberly was also honored with a lingerie party hosted by Mrs. Jill Alcantara and Mrs. Ginger Bishop, sisters of the groom, in the home of Mrs. Alcantara, Plano.

Mrs. James W. Galloway, mother of the groom, hosted the rehearsal dinner in The Signature Room, The Flagship, Inn, Arlington, on Friday, June 15, 1984 at 8:00 p.m.

The bridesmaids luncheon was hosted by Mrs. Richard L. Johnson, Jr. of Eastland at Princeton Restaurant, the Doubletree Inn at noon on Saturday, June 16, 1984.

Kimberly is the granddaughter of Mrs. Dolse Underwood of Gorman and the niece of Mrs. Marceil Grisham of Tolar, formerly of Gorman.

Texas now has more than 900 FFA chapters with over 60,000 active members and more than 500,000 former members.

During the convention, over 2,000 award winners will be recognized with more than 1,700 members receiving the Lone Star Farmer Degree, the highest level of recognition by the state association. Educational scholarships totalling more than \$450,000 will be presented to many of the members in attendance.

Durwin Hill, Executive Secretary, reports that deserving adults who have supported the FFA and its activities will be recognized by the presentation of Honorary State Farmer Degrees, Distinguished Service Awards, and VIP Awards.

Outstanding speakers scheduled during the three-day convention include State Senator Bill Sarpalus, Amarillo, Texas; Dan Clark, nationally known motivational speaker, Salt Lake City, Utah; and Bill Caraway, National FFA Secretary, Clovis New Mexico.

Brad Bass state president from Mount Vernon, Texas, will preside at the general sessions. These sessions will include the election of the 1984-85 state president from the state officer candidates nominated by the 10 area associations. From 10 area nominees, voting delegates will also select the state FFA sweetheart to represent the state association during the 1984-85. Those in attendance will hear and recognize the Outstanding Public Speaker who will represent Texas at the National FFA Convention in Kansas City, Missouri.

Recreational activities will include the Fun Night and Talent Contest where the delegates will select the Outstanding Talent Team from 10 area nominees.

The Texas FFA Alumni Association will hold its annual meeting on Thursday afternoon along with the State FFA Convention. In addition, the alumni will host a reception for the past state FFA officers and participate in the presentation of its publicity award.

Convention participants will have the opportunity to visit with approximately 60 commercial exhibitors to observe new methods, products, and equipment in the agribusiness industry.

THE COST OF TRAFFIC ACCIDENTS

The playing area of a football field measures 300 feet by 160 feet. United States currency measures about 2 5/8 inches by 6 1/8 inches. If a football field was completely covered with one dollar bills, then a layer of two dollar bills, then a layer of five dollar bills, then a layer of ten dollar bills, then a layer of twenty dollar bills, then a layer of fifty dollar bills, then a layer of hundred dollar bills, then a layer of five hundred dollar bills, then a layer of one thousand dollar bills---THEN completely covered again with three more layers of one dollar bills, three more layers of two dollar bills, three more layers of five dollar bills, three more layers of ten dollar bills, three more layers of twenty dollar bills, three more layers of fifty dollar bills, three more layers of hundred dollar bills, three more layers of five hundred dollar bills, three more layers of thousand dollar bills---Then on top of these thirty-six layers of money, place twenty-four more layers of fifty dollar bills---the money on that football field would still not represent the economic loss suffered from traffic accidents in Texas for the year 1983.

The \$3,440,000,000 estimated loss for this one year would buy:

- 10,000 homes at 80,000 each
- 10,000 refrigerators at \$700.00 each
- 10,000 electric ranges at \$600.00 each
- 10,000 TV sets at \$700.00 each
- 10,000 dishwashers at \$500.00 each
- 10,000 automobiles at \$10,000 each
- 10,000 central air conditioning units at \$2,500 each and furnish the head of each of the 10,000 households with a band account of \$249,000.

This amount of money, 3.44 billion dollars, is lost each year in Texas due to automobile accidents...PLEASE DRIVE SAFELY.

Many Cameras were kept, busy through out the day so I'm sure there will be many reminders of the celebration in the day to come.

Everyone left quite sure they had never had so much fun before and a sincere wish to have another one real soon.

GORMAN CARE CENTER NEWS

By Jettie Daniels

We had our June birthday party on Tuesday the 26th. instead of on Thursday, the 28th. Only had two honorees this Month, they were: Clara Rich and Lillian Capers.

Refreshments were cookies and punch.

Thanks to Mrs. Ava Rodgers and her daughter for furnishing the cookies and also for serving our residents the refreshments. We appreciate you very much.

Also wish to thank the Senior Citizens Band from Stephenville for their entertainment, they were great

as always and were enjoyed very much by everyone.

July the 16th. Third Monday Night is our regular Musical Night, Starting at 7:P.M.

Every one is invited to attend. Hope to see you then.

We still have singing on Thursday Nights, This is a high light for our residents as they enjoy the singing and visiting with each of you. But we do need singers and piano players so every one is just more than welcome.

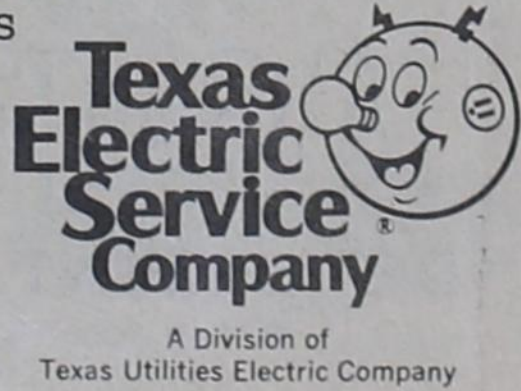

Please don't let our residents down, They need you.

You don't have to be a mechanical whiz to fix energy leaks around your house.

Some basic tools and materials are all you need. Our easy-to-understand "Unhandy Person's Guides" will show you the most common sources of energy leaks — inadequate insulation, cracks around doors and windows, lack of weather-stripping, etc. With such simple step-by-step directions, you can fix leaks yourself in your own

leisure time. So stop energy leaks from getting out of hand and help hold down your electric bills. The "Unhandy Person's Guides" are yours for the asking. Just call Texas Electric or request them on the comments section of your electric bill.
