PRESS POINTS

Joe Bennett, Publisher

Well all the votes are in and we are in for a new Governor, (or it just another old one going back in) in case you haven't heard about the outcome of the election as yet. Congratulations to Mr. Clements. He's the winner? Not with all the problems the state faces in the coming year! There will be a whole bunch of sleepless nights and a bit of discussion and compromise before the solution to Texas' huge deficit is found. If it is found! Anyway, there are some happy folks and there are some unhappy folks, so I don't really know whether to congratulate you or send you a sympathy card. Ugh! Ain't life grand.

I guess if the Democrats are unhappy about the Governor's race, they can look to the number of Democrats who were elected to other offices, both in Texas and the U. S.

Old man winter has really slipped in on us it seems. The weatherman is saying that we are in for some cold temperatures here on Thursday morning. I sure hope the moisture holds off and it warms up quick so the remainder of the peanut crop can be harvested. It is reported that about 15 or 20 percent of the peanut crop is still out. It would be fantastic if it would clear out and dry up some where the harvesting could be completed. If it don't happen soon, then a part of the crop may not be harvested.

There have been quite a few reports of good deer hunting success in the area. We have one picture this week of a 10 pointer bagged out near Sipe Springs. Also heard of another with 12 points and one with 15. With all the forage the deer should have been pretty plentiful this season.

Hope those turkey hunters got a turkey for the upcoming Thanksgiving season. There were also reports of very good turkey hunting in the area. Oh well, if you didn't bag a turkey, you can just go by the store and get one to take home for the turkey and dressing, etc. for the big upcoming meal. There's nothing like that Turkey Day meal and football game. That is if you can stay awake for the game after inhaling all that food.

We have a picture of the Old Blackwell Hospital building as it is being torn down in this weeks paper. We decided to utilize some extra space and print a big picture with a poem by Jo Ann White on the old hospital. This will be yet another era that has come to an end for Gorman, and we thought some folks might want to keep a copy of this for future generations.

It is sure going to seem odd to go by the old hospital hill and not see the building there.

The Business Alliance will be holding another Trades Day this Saturday, as it is the third Saturday.

TRADIN DAYS SET SATURDAY

The regular Third Saturday Tradin' Day will be held Saturday, beginning at 8:00 a.m. Free space on the sidewalks will be available for vendors.

The Business Alliance will serve Chili, Chili packs, Red Beans, Tea and Coffee from 11:00 a.m. to 5:00 p.m.

The location will be in front of Lasater's Discount Store, weather permitting, otherwise it will be held inside the store.

Wynelle Brown Is Club Women Of The Year At Kokomo

The Kokomo Extension Homemakers Club has elected Wynelle Brown as their Club Woman of the Year.

Wynelle was one of the charter members and helped organize the club in 1962. She is married to Bill Brown and they have one son and daughter-in-law, Kris and D'Aun Brown and granddaughter, Kristal. Bill and Wynelle reside at Route 1, Gorman. A member of the Kokomo Baptist Church, she teaches the ladies Sunday School Class, and is the assistant pianist of the church.

She was the first President of the Kokomo Club, served again as president in 1982 and is the president in 1986. A member for 24 years, Wynelle has also served as vice-president, secretary, treasurer and council delegate, and helped with all special club projects, the monthly birthday parties and holiday parties at the Canterbury Villa Home in Gorman, also helping with entertainment, the Rotary Club banquets, annual benefit stew suppers, special meetings for 4-H club, annual fun day, Kokomo Club's summer social in August, crowning of Miss Kokomo - placing the banner and corsage in behalf of the club, and helped fix Christmas boxes for the shut-ins in December. She has been hostess for our club meeting twice this year in

her home. She is a gracious hostess and always does a splendid job in everything she does.

She is the Eastland County E. H. Council chairman and other positions held in the council are vice-chairman secretary and council delegate. She has served on the finance, county nominating, education expansion and program committees. She has been a delegate to the State T.E. H.A. convention twice and was elected an alternate delegate in 1986. Wynelle served on planning committee for the district meeting and attended the meeting. She also served on planning committee for the district camp and attended the camp. She helped make the big Sesquicentennial Flag used in Eastland's Sesquicentennial celebration and helped make the Sesquicentennial red, white and blue quilt. Wynelle has been very active in the Eastland County Fair, Senior Citizens Bazaar, Pecan Show, County Helath Fair and the County FunDay.

The club feels that Wynelle is very deserving of this honor of Club Woman of the Year. She goes way beyond the call of duty and does more work in the club than anyone else. She is a very good leader and is easy to work with. She works hard to improve her home, club, church and community. We are proud to call her our Club Woman of the Year.

Gorman Senior Class To Host Gospel Sing Saturday

The Gorman Senior Class is sponsoring a Gospel Singing featuring "The Anchor Brothers" from Sudan, Texas in the High School Auditorium on Saturday, November 15, at 7:00 p.m.

Concessions will be available and admission is \$3.00 for Adults - \$2.00 for Children, 12 and under - \$2.00 Senior Citizen Discount. This is a Great Group, you might want to book em.

GORMAN TURKEY SHOOT

The Senior Class of Gorman High School will sponsor a Turkey Shoot, Sunday, November 23 at the Peanut Park.

The event will take place at 1:30 p.m. Guns used will include 22's, large guns and hand guns.

A food booth will be open during the event.

Mrs. Pam Hurley of Anchorage, Alaska returned home Wednesday following a two weeks visit with her parents, Mr. and Mrs. Hup Morris. She came home to be with her father, who has been quite ill.

We aren't sure just how many bowls of chili and hot dogs will be prepared for the day, but I bet if you want to eat with the Business Alliance, they will be able to fill your order. They will not be cooking the usual hamburgers this time, but will have plenty of hot dogs, chili and chili packs available for hungry folks.

The Senior Class will be sponsoring a performance of The Anchor Brothers, a gospel singing group at the high school auditorium this Saturday night, November 15th at 7 p.m.

We understand this is a very good singing group and should be well worth the admission price to hear them.

Also this Friday night will be the Second Friday Night Musical at the old fire hall. There will be the usual great music, fellowship and fun for all.

And remember to smile -- because God Loves You!

CARD OF THANKS

Words cannot adequately express our deep appreciation that we feel in our hearts for the innumerable kindnesses shown while Ruth was in the hospital with her broken leg and since she returned home.

Our thanks for the food, cards, phone calls and the prayers. It would indeed be a sad world if it were not for friends and neighbors such as you to help in a time of need.

May God bless each of you.
Ruth and Ben Koonce
—GP—

NOTE OF APPRECIATION

I commend the youth of the senior class who cleaned my house to earn money for their senior trip. They do excellent jobs of cleaning, even moving furniture, and are willing to do anything they are asked to do. I recommend these young people to any one who needs any type of work around home. They are trustworthy and dependable.

I appreciate this group of young people and admire their willingness to work.

Mozelle Rhymes

KEEPING UP WITH FRIENDS

PANTHERS OUTLAST HORNETS; HOST LOMETA HERE FRIDAY

GAME AT A GLANCE

Gorman		Rochelle
18	First Downs	7
261	Yards Rushing	139
67	Yards Passing	90
5 of 11	Passes Complete	of 3
0	Interceptions	1
4	Fumbles Lost	2
2 for 36	Punts, Avg.	5 for 32
11 for 95	Penalties	9 for 95

The Panthers traveled to Rochelle on Friday night to take on the Hornets in a District 8A contest and tried their best to lose the battle before shaking the fumble bug and getting ready to play, and waited until the final period to really come to life to escape with a hard earned 30 to 18 victory. The Panthers trailed 18 to 6 at one point in the third quarter. But with a couple of breaks on the Panthers side, they came away with the victory.

The Hornets scored first with just 5 seconds left in the first period after the Big Red had fumbled the second time. The Hornets recovered the ball at the Gorman 40 and scored in 5 plays with the help of 2 penalties for 20 yards against the Panthers. Cecil Lambertino got the final yard. The kick for point failed and the Hornets led 6-0.

This score stood up through the first half intermission.

When the Hornets came out after the intermission they took the ball on their own 10 following a penalty and on third down and 15 the Hornets caught the Big Red defense going the wrong way and the quarterback tossed a long pass to David Goldman who caught the ball just short of midfield and raced untouched for a

90 yard score to put the Hornets up 12-0. The run for two points failed and the score stood at 12-0.

The Panthers seemed to come alive a bit after the Hornet score and took the ball on the Rochelle 48 and went the distance in 10 plays with Randall Gibbs going up the middle for the final 4 yards with 5:33 left in the period. The drive featured a 7 yard run for a first down by Randall, a 21 yard pass to Don Rodgers and another 7 yarder for a first down at the Hornet 4. The run for two points failed and the score stood at 12-6.

But the Hornets were still not ready to give up and came back two possessions later and took the ball on the 43 and scored in just 3 plays with Matt Clark rambling for 40 yards up the middle for the score with 1:19 left in the period. The run for two points failed again and the score went to 18 to 6.

The Panthers wasted little time coming back as they took the ball on their own 33 and went the distance in 6 plays with Randall Gibbs running in for the score from 2 yards out with 10:48 left in the final period. The drive featured a 7 yard pass to Glen Burgess, a 39 yard scamper by Burgess, a 12 yard run by Randall, before the scoring play. A pass to Don Rodgers added the two pointer and the Panthers moved to within 4 points of the Hornets.

The Big Red defense really started shutting down the Hornets in the final period and gave the offense the ball on the Hornet 10 following a fumble recovery. It took just one play to score as Glen Burgess ran in for the score with 3:47 left in the game. Burgess added the two pointer on a run and the Panthers were ahead for the first time at 22 to 18.

The Big Red defense again knock-

ed the Hornets loose from the ball and recovered at the Rochelle 19. The Panthers scored with just 2 seconds left on the clock with Randall getting the final 5 yards on a run. The drive featured some fine runs. David Gibbs ran for the two pointer and the Panthers had escaped with a 30 to 18 score after trailing through the third quarter.

The Big Red defense did a good job most of the evening except on a few occasions when they let the pass receiver get behind them or a runner get loose for a big gain on a couple of occasions. Otherwise they did a good job shutting down the Hornets. As previously mentioned on scoring plays of 90 and 40, the Hornets got most of their yardage in big chunks. The Big Red defense did a great job in the fourth period when the game was on the line and are to be congratulated for containing the Hornets when it counted the most.

The Panthers will end the season here on Friday night when they play host to the always tough Lometa Hornets. The Hornets haven't been too successful so far this season, but they always give the Panthers all they can handle, and this game is expected to be no different from the previous battles these two teams have had. The Panthers will be looking forward to this game also, as the Hornets handed them a defeat last season at Lometa.

Lets all get behind the Panthers and give them our support.

Burgess again led the Panthers with 100 yards on 14 carries. David Gibbs had 92 on 13 tries. Randall got 62 on 15 totes. Scott Gressett wound up with a plus 10 on 4 keepers. Tom Campbell had one carry for a minus 3.

Go Get 'Em Big Red!

PANTHER DEFENSE SHOWS WELL — Above shown is Randall Gibbs, David Gibbs, and Brandon Gilmore stopping a Rochelle Hornet for short yardage in game action Friday night. Panther defense held the Hornets to only 7 First Downs and 18 points.

DAVID IN FOR TWO — David Gibbs is shown above about to make two points in game action Friday night to bring the score to 30 to 18 over the Rochelle Hornets. With the help of Randall Gibbs, Glen Burgess, Tommy Curb, David was able to make the points.

ERA ENDS FOR OLD BLACKWELL HOSPITAL BUILDING

THE OLD HOSPITAL

As I was out driving around my home town,
Down by the railroad track-
I went by the Old Blackwell Hospital, it's windows tonight were black
I suppose I've passed it a thousand times, but I had to stop for a minute.
To look at the hospital, the tragic old hospital, the hospital with nobody in it.

I never have seen a real haunted house but I've heard there are such things
That they hold the talk of spirits, their mirth and sorrowings-
I could almost hear their whispers as they told their tales of old.
How two young doctors had a dream and there it stands "Their Goal".
How many happy moments - you hear your baby's first cry-
How many mournful hours - you see a loved one die.
They tell of the terrible depression years when there was no money on hand
These doctors still treated all who needed help and were paid by the fruit of the land.
I heard their whispers of war years - people are coming from miles away.
The maternity ward is over crowded. The doctors worked night and day.
Then came a young doctor to our town, so welcomed by the pair.
Dr. Rodgers had a special place, and seemed to fit so right there.
The work was endless; the pay was small-
But to our community they gave their all.
This building grew and grew to great height-
Just the lights in the windows were like a lighthouse at night-
A beacon of hope and assurance to one and all.
When disaster struck, you need make only one call-

My mind raced back to reality at that minute
And I realized the old hospital had nobody in it...

This hospital needed a new roof, a foundation and dozens of panes of glass-
And somebody ought to weed the walk and take a scythe to the grass-
It needs new paint and fixtures and the vines should be trimmed and tied.
But what it needs the most of all is some doctors, nurses and patients inside.

If I had a lot of money and all my debts were paid-
I'd put a gang of men to work with brush and saw and spade.
I'd buy that place and fix it up the way it used to be-
I'd find some devoted doctor who loved his fellow man and give it to him free.

Now a new building standing empty with staring window and door-
Look idle, perhaps and foolish like a hat on its block in the store-
But there's nothing mournful about it; it cannot be sad and lone-
For the lack of something within it that it has never known-
That has welcomed into this world a new born of a loving man and wife-
A hospital that echoed a sick baby's cry and steadied aged stumbling feet-
Is the saddest sight when left alone that ever your eyes could meet.
So whenever I go driving around my home town down by the railroad track,
I never go by the Old Hospital without stopping and looking back-
It hurts me to look at the crumbling walls and the shutters falling apart-
For I can't help thinking the poor old hospital is one with a broken heart.

KOKOMO EH CLUB NEWS

The Kokomo Extension Homemakers Club met for a regular meeting on Monday, November 10 at 2:00 p.m. in the lovely home of Wynelle Brown. Mrs. Brown, President presided. She read the 6th Chapter of Galatians for the Devotional.

Roll Call was answered by "What Thanksgiving Means To Me?" Nancy Hendricks read the minutes and Bernice Rodgers gave Treasurers Report.

Ava Rodgers gave Council Report. The Pecan Show will be at the Eastland County Court House on December 5th. Kokomo Club will work from 11:30 a.m. to 2:00 p.m. Members will take pie, cake or chicken salad.

Wynelle Brown was elected our Club Woman of the Year. She will be presented December 3rd at the County Annual Christmas Party.

We are very grateful to Betty Cross for the Nice Bingo prizes to be used at Canterbury Villa.

Anna Laura Clearman gave a very interesting and informative Program, "Improving Your Memory".

All the club members donated food and helped at the Senior Citizens Bazaar on Friday, November 7th.

Mrs. Brown led our Club in the song "Thank You Lord" as our Thanksgiving blessing.

She had a beautiful golden harvest table with fall leaves centerpiece. Delicious refreshments of green salad plate, chips, dips, peanut butter cookies, spiced tea and cakes.

Those attending were Ava Rodgers, Johnnie B. Griffith, Wynelle Hodges, Nooma Morrow, Anna Laura Clearman, Mary Frances Bishop, Nancy Hendricks, Bernice Rodgers and Wynelle Brown.

The next Meeting will be November 19, 2:30 p.m. at Canterbury Villa for the Monthly Birthday Party.

Our Club will meet at the Kokomo Community Center, December 15th to fix boxes for shut-ins.

President - Wynelle Brown
Secretary - Nancy Hendricks

THE GORDON SPOT

Fall is often the time when fruit tree care is forgotten or neglected, but it's a critical time for controlling many peach and plum tree diseases to insure a good crop next year.

With the arrival of fall, there's often a tendency to forget our peach and plum trees that served us so well last summer.

Applying a copper fungicide now can stop or reduce three of the major diseases that attack peach and plum trees in Texas. These are peach leaf curl, bacterial leaf spot and bacterial canker.

Puckered and distorted peach tree leaves that were either bright red or light green in diseased areas last spring were due to peach leaf curl fungus. The only time to effectively control this disease is in the fall with a copper-containing fungicide. One example of this fungicides is Kocide 101.

Timing of the fall spray is critical for effective control and for avoiding tree damage. Copper is a metal and may cause severe defoliation unless applied correctly.

We advise spraying when 70 percent of the leaves fall off the tree. Spraying too early will cause leaf shed or cause the spray to be ineffective later.

Fungicides containing chlorothalonil can also be used for the control of peach leaf curl.

Bacterial leaf spot and bacterial canker can be partially controlled by fall spraying with a copper fungicide, but not fungicides containing chlorothalonil. But again, it's important to spray at the right time to prevent foliar burn with the copper fungicide.

Bacterial leaf spot affects both fruit and foliage. The infection causes fruit to crack and leaves develop angular spots which drop out. Bacterial canker will kill trees slowly. Infected trees will have gum or wax forming on the main trunk and main limbs.

Fall spray in northern Texas is most often applied from now to November 15, in Central Texas from Nov. 1 to Dec. 1. Application time will vary with the season, so we suggest checking your fruit trees closely.

Fall spraying is important to the health and production of fruit trees, because there's no other time when peach leaf curl of peach and plum trees can be controlled.

Peanut growers in Eastland County who did not contract their crop are reaping the benefits of a keen market competition. Because of a short crop in the Southeastern United States growers are receiving 125 to 150 percent of the government support price.

This is only the second time in 30 years that the Southeast has had a short crop. That area which includes Georgia, Florida and Alabama usually account for 65 to 70 percent of the total U.S. Peanut production.

The short crop in the Southeast was caused by a very dry fall in 1985 and a continuing drought in the winter, spring and summer.

We hope the good market will help a lot of our county growers as they have not had a good production year since 1981.

Winter pastures germinating from recent rains need adequate amounts of plant nutrients to get off to a good start.

Forage producers who planted their winter pastures in dry soil with out a fertilizer application should give particular attention to this matter.

Fertilizer applications (topdressings) should be based on soil test recommendations, and there's still time to get soil tested. A soil test can be processed by the Extension Service Soil testing Lab at Texas A&M University in three to four days plus mailing time.

With adequate moisture, winter pastures will make good growth over much until about Dec. 1, or the first heavy frost of the season. Providing a topdressing of fertilizer will give them a big boost along the way.

The Eastland County Pecan Show is scheduled for December 3, 4, and 5 in the Eastland County Courthouse. The show has been moved one day earlier in the week than in past years. Pecans will be entered by 4 p.m. on Wednesday, December 3. Processing and judging will be done on Thursday and the pecans with awards will be on display all day Friday. This will coincide better with the pecan bake show on Friday. All displays will be taken down after 4 p.m. on Friday. In past years the pecans were left on display until noon Saturday.

Anyone who grew pecans in 1986 may put an entry in the show. Each entry must consist of at least 43 nuts and should represent the variety and

FARM BUREAU NEWS

Membership in the Texas Farm Bureau has reached an alltime high of 323,799 member families, according to S.M. True, president.

True said tabulations just completed for the fiscal year ended Oct. 31 showed that the Texas organization gained 5,749 members over last year, marking the 34th consecutive year to show a gain.

Don Neumann, director of field services for the TFB, said a total of 152 county Farm Bureaus showed an increase in members. There are 217 organized county Fbs in the state.

The Texas Farm Bureau has been the largest state Farm Bureau in the nation for the past four years. The American Farm Bureau Federation has a membership of 3.4 million in 49 states (all except Alabama).

The 20 largest county Farm Bureaus in Texas, listed by size, are: Harris, Collin, Brazos, Fort Bend, McLennan, Ellis, Houston, Fayette, Bell, Brazoria, Van Zandt, Jefferson, Tarrant, Wharton, Washington, Bexar, Hidalgo, Austin, Nacogdoches, and Young.

The Farm Bureau is an independent general farm organization financed by voluntary membership dues.

Texas Farm Bureau President S.M. True is urging Farm Bureau members and other interested citizens to take action that would put an end to a 42-year-old federal prohibition against the employment of persons in their own homes for the purpose of making certain handcrafted items.

True noted that U.S. Labor Secretary William Brock published in the *Federal Register* a proposal to lift the ban on employment of persons to produce women's apparel, gloves and mittens, buckles and buttons, embroidery, handkerchiefs and jewelry at home.

True called the existing law a "hangover from the 1930s." He said the law may have had good purpose in those days, but that there is no need for such a prohibition today.

"Secretary Brock needs and deserves the support of the people who agree that the ban on such employment should be ended," True said. "Many people need extra sources of

be uniform in size and shell color.

Now is the time to collect and dry pecans for the show. Winning entries in the county show will be sent to the Central Texas Regional Show and winners there will be sent to the State Show.

KEEPING UP WITH FRIENDS

Mrs. Mary Pimberton of Fort Worth returned home Monday following a weeks visit with her

income to help them hold onto the family farm. If they can produce one or more of the currently prohibited items in their homes, why should they be denied the right to do so?" True said.

True urged citizens to write to Paula V. Smith, administrator, Wage and Hour Division, U.S. Department of Labor, Room S-3502, 200 Constitution Ave., NW, Washington, D.C., 20210. The letters must be post-marked no later than Dec. 4.

LICENSED AND BONDED

CANTERBURY VILLA OF GORMAN

We will have the monthly Gorman Band Musical Monday, Nov. 17 at 7 p.m. Everyone is invited.

We had a beautiful Halloween party on Saturday evening. Our volunteers were Velma Bennett, Joan Fraley and Jean Murry. We played the piano and had a sing along.

We had over 60 children to come. We gave each child a sealed party pack of Halloween goodies. The children met everyone in the lobby and then visited all residents in the home.

On Sunday at 1:30 p.m. we were happy to have Bro. Ron Carroll and

the First Baptist Choir, Brent Lasater, Connie Carroll, Louise Hall, Peggy Collins, Hazel Smith, Frankie Jo Shipman, Gladys Chambless, Martha Rainey, K.D. Boyd, Charlotte Boyd, John Shepard, and Modene Shepard.

Our Tuesday regular singing was so good. Those coming were Estell Dickey, Melba Frasier, Velma Bennett, Nancy Hendricks, Junior Fairbetter, Cleo Clement, Lucretia Fairbetter, Anna Rush, Leta Hogan, Mae Quinn, Estell Ervin, Willo Rice and Cora Lee Bennett.

Bro. Terry Moffett of Desdemona brought our Tuesday morning devo-

tional. Elaine, Joshua, Jeremy and Melinda Eaves were visiting in the home.

Ima Lee Fair of Ranger visited Ruby Vandergriff.

Yancy Buchanan of Clyde and Bro. Joe O'Neal visited Charlotte O'Neal.

At 4 p.m. on Sunday we appreciated members of the Church of Christ coming, Bro. T.A. Grice, Bro. Curtis Maness, Allie Mae George, Dora Faye Brewer, Robert Moore, Cindy Carmack, Dee Smithey, Zena Simpson, Myrtice Rodgers, Jessie Lee Jones, Merle Pruitt, Floyd Dean Gilbert, Lorene Foster and Scythia Aldredge.

Waldene Jones of Dublin visited her brother, Hulon Perry, on Thursday.

We always enjoy the bingo days. On Monday at 1:30 p.m. Irene West came and helped us. Our winners were Lonzo Coffman, Berta Poyner, Ruby Vandergriff and Pearl Snodgrass had the blackout card.

On Wednesday morning our winners were Ruby Vandergriff, Lonzo Coffman and Lola Johnson. The blackout winners were Edna Morgan and Doc Hamilton. Our volunteer helpers were Gladys Chambless, Hazel Smith and Nancy Hendricks. After that Leta led us in stretch exercises.

Thursday afternoon M.L. Skiles and Nancy Hendricks came to help us. Grace Skiles and Charlotte O'Neal won game one, Lonzo Coffman game two, and game three, Nancy Holloway. Veno Hale had the blackout card.

On Friday morning Dora Faye Brewer and Bertha Gregory came and played dominoes with us.

Mrs. Dule Reynolds of Carbon visited her sister, Lola Johnson, on Thursday.

Bro. T.A. Grice came and brought our Wednesday afternoon church services.

Visiting with Berta Poyner lately were Jessie Lou Tunnell, Mayvis Lasater, Venie Kinser, James and Olga Kinser, Ollie Eaves of Gorman, Bro. Terry Moffett and Georgie Whitlock of Desdemona.

We welcome Bert Thomas back after several weeks treatments. She is the wife of Bro. Bruce Thomas and her daughter is Mrs. Mildred Roberts.

We are sorry to report Alma Vann is in the De Leon Hospital. We wish her a speedy recovery.

There's no taste like home.

Rev. Sam Rippetoe Final Rites Held Friday Morning

Rev. Sam Rippetoe, 100-year-old member of a pioneer Comanche-Erath Counties family, died Wednesday, October 29, in an Austin hospital.

Graveside services under the direction of Gause-Ware-Owens-

Brumley Funeral Home in Fort Worth were held at 11:00 Friday morning, October 31, at Round Grove Cemetery near De Leon.

He was born in Arkansas and lived in the Highland-Round Grove area many years. He was a Baptist.

Survivors include two daughters, Mrs. Odell Butler of Fort Worth and Mrs. Johnnye Hoopes of Austin; three grandchildren; and two great-grandchildren.

DEAR PARENTS:

On November 21, 1986, a developmental screening will be held for young children ages zero to five (0-5). This screening will be conducted at the Eastland Community Child Care Center, 300 S. Oak, Eastland, Texas from 9 a.m. to 11 a.m.

The screening, which takes about twenty minutes to complete, tests a young child in four areas: personal/social skills (playing, eating, dressing, etc.), fine motor skills (ability to manipulate small objects), gross motor skills (running, jumping, etc.), and language development (speech, following instructions, etc.). If a child is found to have two or more delays in one area, there is further testing available or referral to the appropriate agency.

The purpose of Early Childhood Intervention is to identify and correct as many problems as possible for young children. Early detection of young children's delays have proven beneficial to the child, parents, and teachers.

For further information, please feel free to call (915) 646-9574, Ext. 158 or 159 in Brownwood, or come to the screening site.

Thank you, Trisha L. Hester, Screening Coordinator, Child Development Center
