It seems as though that summer weather we have been waiting for has finally arrived. The temperatures have really climbed the past few days and it has really been hot. But I suppose if we wait just a little longer it will sure enough get hot. Ugh! Don't you wish we had a little of that cold weather we had for awhile. No?

If some of the type looks a little odd this week, forgive us, as one of our type setting machines went on the blink Tuesday and we have to wait for a part before we can get it to run. I hope! Boy those machines are real great when they are operating properly, but when they go crazy, man what a drag! Anyway, we'll just do the best we can until it's fixed.

REMEMBER TO VOTE in the Run-off Election on Saturday. The polls will open at 7 and close at 7. So mark your calendar and remember to vote on Saturday, April 20th. L. F. Kellogg and Jo Ann White are the candidates. Vote for whom you choose, but just be sure and vote your choice. These two were the top vote getters in the City Election held on April 6th. So get out and vote!

The Gorman Lions Club will have another Light Bulb Sale this year. The sale will begin as soon as the shipment of Lions Club Bulbs arrives in Gorman. So be ready to buy light bulbs when the Lions Club members knock on your door. Or if you want to pick up some bulbs, they will be for sale at Gorman Pharmacy and Lasater's Dept. Store. They will appreciate your support and the proceeds will go to a worthwhile cause. We will know more on this later.

Noticed lately that Tammy has had ole Brent busy for the past little while doing a "house raising" at their home. Brent has raised the house up off the ground and has put a good solid foundation under it. But don't get in that easy chair too soon Brent. I am sure there is a lot more "Honey Do" work to come. One job always calls for another. Gosh! a man's work is never done!

Also noticed that Pat has had ole Howard doing a little bit of work on their home. They are adding some insulation on the exterior of their home, and Howard has been working hard.

Folks are urged to attend the All Awards Banquet to be held on Monday night at 7:30 in the school gym. Tickets will be \$4 and will be sold at the door. This event is held to honor the youth of our community for their accomplishments in all facets of school life. The parents and youth will appreciate your support of this event.

The Chamber of Commerce has set the date for the Miss Gorman and Little Miss Contest for June 8th. So mark your calendars and also join in the fund raising activities for the contests. Proceeds will go toward the renovation of the old fire hall and Teen Center building. There is more on this elsewhere in this issue.

And remember to smile -- because God Loves You!

## To The Voters Of Gorman

First, I want to say "Thank you" to those of you who supported me in the city election of April 6.

I feel that everyone here knows me and what I stand for. The fact that I'm a woman may have influenced some of you but more important, I am a native of Gorman and I feel the same pride and responsibility as any man. There is much I have to learn, but having been involved in numerous civic activities, I know the many needs of our hometown.

If elected I pledge my support to everyone in Gorman. I will work with the mayor and other commissioners in a team effort to make Gorman a place anyone would be proud to call home.

Jo Ann White

## ALL AWARDS BANQUET SLATED FOR MONDAY NIGHT AT 7

The annual All Awards Banquet is slated for Monday night, April 22, at 7:30 p. m. in the high school gym. ## LARGE CROWD ATTENDS OPEN HOUSE AT NEW FIRE STATION

Over 100 people attended the open house at the new Gorman Volunteer Fire Department Fire Station last Sunday afternoon.

Donuts, coffee and Kool-Aid were served to all in attendance. The volunteers had spent a lot of their time after work washing the trucks and applying the finishing touches to the new station.

The visitors were very generous once again as they donated over \$500 for the new truck and slip-on foam unit. Approximately \$8,500 is needed to pay for this new unit of which the men are very proud. Chief Jack Harrison was so proud of this new piece of equipment he hardly left it all afternoon. Anyone wishing to donate may do so at the First National Bank or to a fireman.

Jimmy Dorsett presented a wooden model of a hook and ladder truck made in his woodwork shop.

Chief Harrison and assistant chief Gene Foster invites anyone to come by the station anytime to inspect the station or trucks as the north door will always be unlocked. The overhead doors are not to be opened except by firemen or in case of emergency, please. Also they ask you not to let your children play with the switches and knobs on the trucks. If a switch is left on and a battery goes dead the trucks cannot go on call. If it was to your home or a neighbors, it could mean the difference is saving or losing a home or life. So please caution your children on this.

## Skaggs and Ellis To Lead In Spring Revival at First Baptist

Reverend Lowell Skaggs of Clyde, Texas, and singer Ross Ellis, of Early, Texas, will be leading in the Spring Revival Services at First Baptist Church, Gorman, April 21-16. The Sunday morning service will be at 11:00 a.m. The week-day services, Monday through Friday, will feature a covered dish luncheon at 11:45 a.m. followed by Bible Study. The night services will be held at 7:00 p.m. Sunday through Friday. Prayer time and choir practice will be at 6:15 p.m. each evening.

Rev. Skaggs is a graduate of Duster High School (now consolidated with De Leon). He surrendered to the Ministry in 1962 and has pastored churches at Huckabay, Mexia, Early and is presently pastor of First Baptist Church, Clyde. He is married to the former Ethylene McCasland of Goldthwaite, Texas. They have four children and 5 grandchildren. Rev. Skaggs was raised in the Rock Bluff area and is the grandson of the late Willie Skaggs, who pastored the Kokomo Baptist Church for many years.

Ross Ellis has served as Minister of Music in three different churches. He has sung lead roles in operas and musicals and has appeared as soloist in sacred works such as "Eligha". Ross and his wife Cathy have one daughter. He served as Minister of Music and Youth at the Early First Baptist Church for two years, and is presently a businessman in Early.

The members of First Baptist Church extend a cordial invitation to everyone to attend these spirit-filled revival services.

## Fight Against Cancer Not Over

Research is our investment in the future - a future free from cancer. The American Cancer Society devotes the largest portion of every donated dollar to research projects. The ACS is the largest private source of research funding in the United States, second only to the National Cancer Institute, a federally funded government agency.

In Texas alone, more than \$6 million is currently invested by the American Cancer Society in 12 major hospitals and research institutions throughout the state. In fact, because Texas has so many research institutions, for every \$1.00 in Texas donated to the ACS, Texas receives back approximately \$1.11 from the ACS national office to be used largely in research, education and services in the state.

Ask one of the three million Americans who have survived cancer if the money spent on cancer research is worth it...and with continued support for research and advancements in prevention, diagnosis and treatment, those numbers will grow.

WE ARE WINNING the fight, but the battle isn't over. Please support the American Cancer Society.

Crusaders for Gorman will be conducting a door to door campaign. They will be passing out leaflets on colorectal cancer and seeking donations. Remember the donation you give can make a difference.

## CHILD REGISTRY PROGRAM TO BEGIN IN GORMAN

Missing children are one of the true horror stories in our society these days, a personal tragedy for families that seems to be occurring with ever-increasing frequency. Child Registry is a new concept meant to combat that problem, and it is beginning a trail application in Gorman.

The idea behind Child Registry is to consolidate detailed information about a child, including recent pictures, so that the information is readily available if it should ever be needed. A bright yellow booklet is provided, and parents can fill out the appropriate pages with current photographs and health records, along with finger prints, dental charts, foot prints, growth records and even a lock of the child's hair.

"I think it's great," says Gorman Police Chief Cecil Funderburgh of the program. "A person who fills this out properly can walk into any police station in the country and they will have everything they need to start the wheels in motion to find their child. We support it 100 percent." Dr. James Gray, D.D.S., of Gorman has volunteered to help in properly filling out the dental charts, which is one of the most important means of identifying a person. The Gorman Police Department will meet with the PTO and school officials in the near future and try to set a date for filling out the dental charts and fingerprinting the children. In connection with this program, twenty houses in Gorman have been designated as "Safe Houses" and are marked with a yellow sticker on a window on the front of the house. Young children will be instructed to run to one of these houses for help if someone tries to pick them up or offers them money or candy to lure them to a car.

Several films dealing with the various methods of child enticement are available and will be shown upon request by civic organizations or parent groups.

The magnitude of the problem of missing children is staggering. Each year, over 1,000,000 children in the United States disappear from their homes. Of this million, 900,000 are found within a week or two, but over 100,000 children disappear without a trace! Try to imagine eighty (80) cities the size of Gorman just vanishing into thin air each year! The Child Registry program will provide an effective deterrent to child abduction in Gorman, but it will work only if you take the time to fill out the booklet that is being provided free of charge.

In the event a child is reported as missing, a retrieval program is immediately initiated. Information from the child's personal registry book is printed on a master poster (four duplication) and mailed to any segments or all of up to 147,000 addresses through Child Registry's computerized facilities, including 12,816 police departments and 9,115 newspapers.

What do you need to do to take advantage of this program? Just obtain one of the booklets for each of your children and fill in the information and put the booklet in a safe place.

## TOBY CORDELL IS A MEMBER OF THE CAST OF "A THURBER CARNIVAL" SET APRIL 18-20

Toby Cordell, a sophomore at Tarleton State University is a member of the cast of "A Thurber Carnival", the final spring production by the Tarleton Players. The show is set for Thursday, Friday and Saturday nights, April 18 - 20, in the Theater of the Clyde Wells Fine Arts Center. Toby is the son of Mr. and Mrs. Russell Cordell of Gorman.

"A Thurber Carnival" is a collection of short sketches taken from the writings of James Thurber. Billed as a "review with music" the skits are performed on an almost bare stage with only a few props to create a "cartoon" effect. A live combo provides background music and actual drawings by the author are flanked as backdrops.

"This play was done not long ago at Tarleton," said Dr. Mary Jane Mingus, Associate Professor of Speech. "In fact, it was the last shown we did in the old 'Studio'. However, we have added some new skits, deleted some others and given the whole show a new approach."

Word Dance, one of the new additions to the review, will feature a number of the dancers seen in the TSU spring musical "Carnival". Other selections in the shown include "The Wolf at the Door", "The Unicorn in the Garden" and "A Box to Hide In." Perhaps one of Thurber's most recognizable pieces "The Secret Life of Walter Mitty" will also be performed.

The show was first produced in the late 1960s with Burgess Meredith as director. Members of the original cast include Tom Ewell, Peggy Cass, Alice Ghostley, and John McIver. William Windom starred in the short run television series based on Walter Mitty.

The curtain goes up nightly at 7:30 and reservations for the show can be made by calling 817-968-9634. Tickets are \$5 for adults and \$4 for students. Thursday night's performance is backed by the Special Events Committee and TSU students can purchase tickets for \$2 with their I.D.s.

In other business, Sheriff Don Underwood gained approval to purchase two used Department of Public Safety cars for about \$4,300 each. Commissioners also approved a petty cash fund of up to \$300 a month for small expenditures for his department.

Approval was given for the installa-

tion of a dedicated computer phone line in the courthouse for \$22 each month.

Also approved was purchase of an air conditioner for the probation office. A plea for furnishings for that office was tabled until the possibility of purchasing surplus items could be explored.

## ORDER AND STOCK FISH IN APRIL AND MAY

Ponds are full of water and temperatures are rising, which means now is the time to stock fish. By June, water temperatures are usually too warm to safely handle fish.

The Soil Conservation Service (SCS) normally recommends channel catfish in ponds less than one surface acre. A commercially available catfish ration can be fed, or flathead minnows can be stock for the catfish to eat. If largemouth bass are already in your pond, stock catfish that are at least eight inches long and do not stock flathead minnows. You can feed your catfish a commercial ration which bass will not eat.

In larger ponds, several combinations of fish may be suitable. Species often recommended include largemouth bass, bluegill sunfish, channel catfish, and flathead minnows.

## TO THE VOTERS OF GORMAN

We have known Jo Ann White for many years, and know her to be a person of good character and high moral standards. She has been an active participant in community activities such as Gorman Crimestoppers, Gorman P.T.O., Parents Against Dangerous Drugs (P.A.D.D.), Mothers Against Drunk Drivers (M.A.D.D.), and others. Jo Ann has been associated with Law Enforcement for 31 years and relates well with people of all ages. She is currently employed at Blackwell Hospital by Allied Pharmacy as Central Supply Supervisor and we have heard many comments about the terrific job she is doing there. She has helped in our efforts to get a Teen Center started in Gorman, and is a person that we know we can call on when we need help in any way. Jo Ann has worked closely with Gorman Police Department, and her integrity is beyond reproach. When she told us about the possibility of her running for the City Commission, we were delighted and immediately pledged our support, and our vote. We think Jo Ann will be a valuable asset if she is elected.

## THE GORMAN PROGRESS

# KOKOMO NEWS

By Mrs. Zeld Jordan

This week of April 15th has been designated as the time of the cancer crusade drive in Eastland County. I will contact as many in our community as time allows. Please give generously so that research might have funds to continue searching for a cure for this dreaded disease. Cancer has touched all of our lives through the illness and death of loved ones and friends in our community the past few years.

Our thanks and appreciation to all the visitors who came to worship

with us at the revival services at the Kokomo Baptist Church last week. Bro. Wilson brought very good messages inspired from the word of God, that challenged us as christians to be better witnesses for our Lord. The singing and special music was beautiful. Woodrow and Helen Browning, with Wynelle Brown at the piano, rendered the special music on sunday morning. Visitors were Frances Bishop of Dallas and Ted and Cindy Jordan of Munday. Others who rendered special music throughout the week of services were Glynda

Bond, Woodrow and Helen Browning, Donna Browning of Stephenville, Glenda Miles of Abilene, Steve Gilbert of Ft. Worth, Tim Fails of Abilene, Ike Whitson, Rozetta Hagan, Maxine Morgan, James and Charlene Thackerson, Joyce Taylor and Lynn Hagan all of Carbon, Leona and Cynthia Wilson, Jimmy Little, Caye and Charla Little, Kathy Colium of Desdemona, Sue Seaton, Joy and Larry Campbell and Bill Gressett of New Hope.  
Mr. and Mrs. Tan Fiippen and Yvette Coleman of Stephenville were special guests on Friday night to lead the youth fellowship following the church services. Bro. Flippen, who is the Youth Director of the Harvey Baptist Church in Stephenville, gave his testimony at the church services.

There were many visitors from the surrounding area. I won't attempt to name them for fear that I might leave a name out. But we love and appreciate everyone of you. You have an open invitation to come and worship with us anytime.  
Bro. Jim Andrews, pastor of the Pleasant Hill Baptist Church, preached at the Sunday evening services. His son, Jim Don, accompanied him to the service following their service at the Pleasant Hill church. Bro. Wilson and his family were called to the bedside of his mother, Mrs. Mildred Wilson of Cross Plains, who had suffered a heart attack and was in the intensive care unit of the Brownwood Community hospital. I'm glad to report that Mrs. Wilson is doing better and has been removed from the intensive care unit. We wish her a speedy recovery.  
Those from the Kokomo Baptist Church going to the Gorman Care Center for the church services on Sunday afternoon were Bro. and Mrs. Clarence Wilson, Lowell and Cynthia, Mr. and Mrs. Woodrow Browning, Mr. and Mrs. Joe Bond, Shannon and Brian, Mr. Albert Hendricks, Mr. and Mrs. J. L. Morrow, Mrs. J. C. Clearman, Mrs. Ray Rodgers, Tammy Rodgers, Mr. and Mrs. Jimmy Little, Mrs. John Little and Mrs. Odys Rodgers.

Munday spent the weekend with his parents, Mr. and Mrs. Glenn Jordan. They also visited with Mrs. Albert Hendricks.  
Recent visitors in the home of Bro. and Mrs. Joe O'Neal were Bro. and Mrs. Clarence Wilson, Lowell and Cynthia, Mr. and Mrs. Paul Hoy and Robin of Plano, Mr. and Mrs. Don O'Neal of Houston, B. J. Anderson of Rising Star, Mrs. Clementine Holliday of Normangee, Sylvia, Kelly and Yancy Buchanan of Clyde, Nathan and Sharon Mearse and Jeremy Redman of Odessa, Mr. and Mrs. Floyd Burke of Lake Leon, Bob Slampa, David Etheridge, Stephen Revels, Ricky Fuller, Jess Hallmark, Bonnie Cox, Bobbie Brown, Ardith and Arlene Pittman, Rev. and Mrs. Bruce Thomas, Brad and Vicki Campbell, Kim, Mark, Mary and David all of Gorman and their friend from Tanzania, Africa, and from Kokomo, Hope Joiner, Nancy Hendricks, Naoma Morrow, J. **KOKOMO-SIMPSON CEMETERY COMMITTEE**  
The committee of the Kokomo-Simpson Cemetery Association met on Monday night to finalize plans for the annual Cemetery working and Homecoming activities to be held on Saturday, May 4. Everyone who has loved ones buried in the cemeteries here, or has any interest in the cemeteries, should make plans to attend the annual meeting. There will be basket lunches spread at noon in the Kokomo Community Center and the business meeting will follow at 1:00 p.m. Two new committeemen will be elected, and there is important business to be taken care of concerning the care of the cemetery, and whether to continue to spray for the weed control or permit grass to grow and to make preparations to keep it mowed, etc. The feasibility of both plans will be discussed before the vote is taken. So be there to express our opinion.  
Out of town invitations will be mailed, but no local invitations will be sent to keep the cost as low as possible. So please pass the word on to your relatives, friends and neighbors.  
Those attending the meeting on Monday night were Mr. and Mrs. Delmon Eaves, Bobbie Brown, Zeld Jordan, Bill Eaves, Orval Treadway and Paul Norris.
