## 1987 ANNUAL PEANUT FESTIVAL - SEPT. 19

Press Points  
Joe Bennett, Publisher

Folks, don't forget that this Saturday, September is the big day for Gorman when we host the Second Annual Peanut Festival. There are many things planned for folks all during the day, beginning with the big parade at 10 a. m. Following the parade all the game booths, food booths, exhibit booths, etc. will open for business, and it is hoped that there will be plenty of business so that the Peanut Festival can be another big success as it was last year when Gormanites got together to again hold the event.

The Gorman Lions Club will be selling hamburgers, sausages on a stick and cold drinks. The combination price for a hamburger and a cold drink will be \$2.00. The same price will be charged for a sausage on a stick and a cold drink. The Lions are looking forward to serving you.

Also the other clubs and organizations will be selling food from some of their booths. I think I heard fajitas mentioned, also someone said that the Senior Citizens will be serving stew. And I am sure there will be other food stuffs for sale.

The folks can spend the entire day, then have some supper and then enjoy the big street dance. Bandera will be playing for the dance, which starts about 8:30 downtown.

There will be plenty of game booths for folks of all ages to enjoy, along with a fiddler's event, an exhibition is planned by the Red Hot Gymnastics.

Anyway, there are things planned all during the day and folks will really enjoy the big event. So come on out and enjoy the day in Gorman.

### SPECIAL SUBSCRIPTION RATE TO HONOR NEW CARBON NEWS CORRESPONDENT IN OCTOBER

In honor of our new Carbon News correspondent, Dorothy Jackson, the Gorman Progress is having a Subscription Special during the month of October on New Subscriptions Only. During October new subscribers from Carbon can receive a year of the Progress for just \$7.00. There will be no tax on subs beginning October First, so there will be no extra for tax. We hope that this will give the ones in the Carbon community an opportunity to enjoy the Carbon News in the Progress, along with all the other news each week. Remember, this will be only for the month of October and will be on New Subs Only. We feel fortunate to have Dorothy gathering the Carbon News for us and hope you are enjoying her column.

The weatherman just continues to sprinkle us with a little rain, but so far the measurements have been rather small. Of course, we will take any amount we can get. And what we have gotten has really helped things a lot. We do need a good shower, though, so some of the irrigation sprinklers could be turned off. The dryland peanuts, for the most part, are looking pretty good around here. Some that have gotten some good rain are looking exceptionally well.

Thanks to the advertisers, we are having a peanut festival issue this week, with the merchants welcoming everyone to the festival events. Their support keeps the Progress coming to you each week. Without the support of local and area businesses, it would be impossible for us to publish the Progress. And we thank God for the fine support we receive.

The Panthers will take on the Bulldogs this Friday at Brogdob Field following a week's rest. They should be all rested up for this matchup and it is hoped they can do well against Class 2A Ranger. The two teams have been playing some good games in the past and we look for another close battle. So be at

Gorman will celebrate the second annual Peanut Festival that was renewed last year following a 30 year absence.

The Business Alliance formed in 1986 to try to help put the "Go" back in Gorman, organized the Peanut Festival last year, which was fantastic, and the one this Saturday promises to be even better.

There will be a parade at 10:00 a.m. followed by many activities during the day. There will be all kinds of games and contests for all ages to enjoy.

There will be all kinds of food booths for a variety of foods, and the Senior Citizens will serve soup and fruit cobbler from 11:00 a.m. to 2:p.m. in the Senior Citizens Center.

The Lions Club will be serving hamburgers, sausage on a stick, pickles, cold drinks, etc.

Those entering the parade should gather at the football park, parking lot so judges will be able to get a better look at the entries and pick the winners.

Those entering the pets and

decorated bicycles in the parade are to meet at the Texas Federal Inspection building, just South of Smith Bros. Chevrolet.

Baked Items for the Peanut baking contest may be brought to the Senior Citizens Center from 8:00 a.m. to 12:00 P.M., at 1:00 p.m. an Old Fashioned Shoot Out will be held, and at 2:00 p.m. All kinds of peanut contests.

Judging of the peanut bakery contest will begin at 2:00 p.m. and the fiddlers contest will be held at 2:00 p.m. and at 3:30 p.m. a dance group from Dallas will perform also the Gorman Red Hots at 4:30 p.m. the Square Dancers of Gorman will perform, and a talent show will be held at 5:30 p.m. and the street dance will begin at 8:00 p.m.

All events will be held down town Gorman and it will be a fun filled day of Activities for young and old so y'all come.

The Business Alliance wishes to express sincere thanks for all the fine cooperation from the folks in the Community and the entire area.

### PANTHERS TO HOST RANGER BULLDOGS FRIDAY NIGHT

The Gorman Panthers will play host to the Ranger Bulldogs at Brogdob Field on Friday night after having an open date last week. They are coming into the game following a 40 to 0 win over Hico in the season opener.

The Big Red will be without the services of starter Kevin Hirst, who was injured in the opener. Kevin suffered a fracture of the upper arm and also a break in the collar bone. He is expected to be out of action for several weeks.

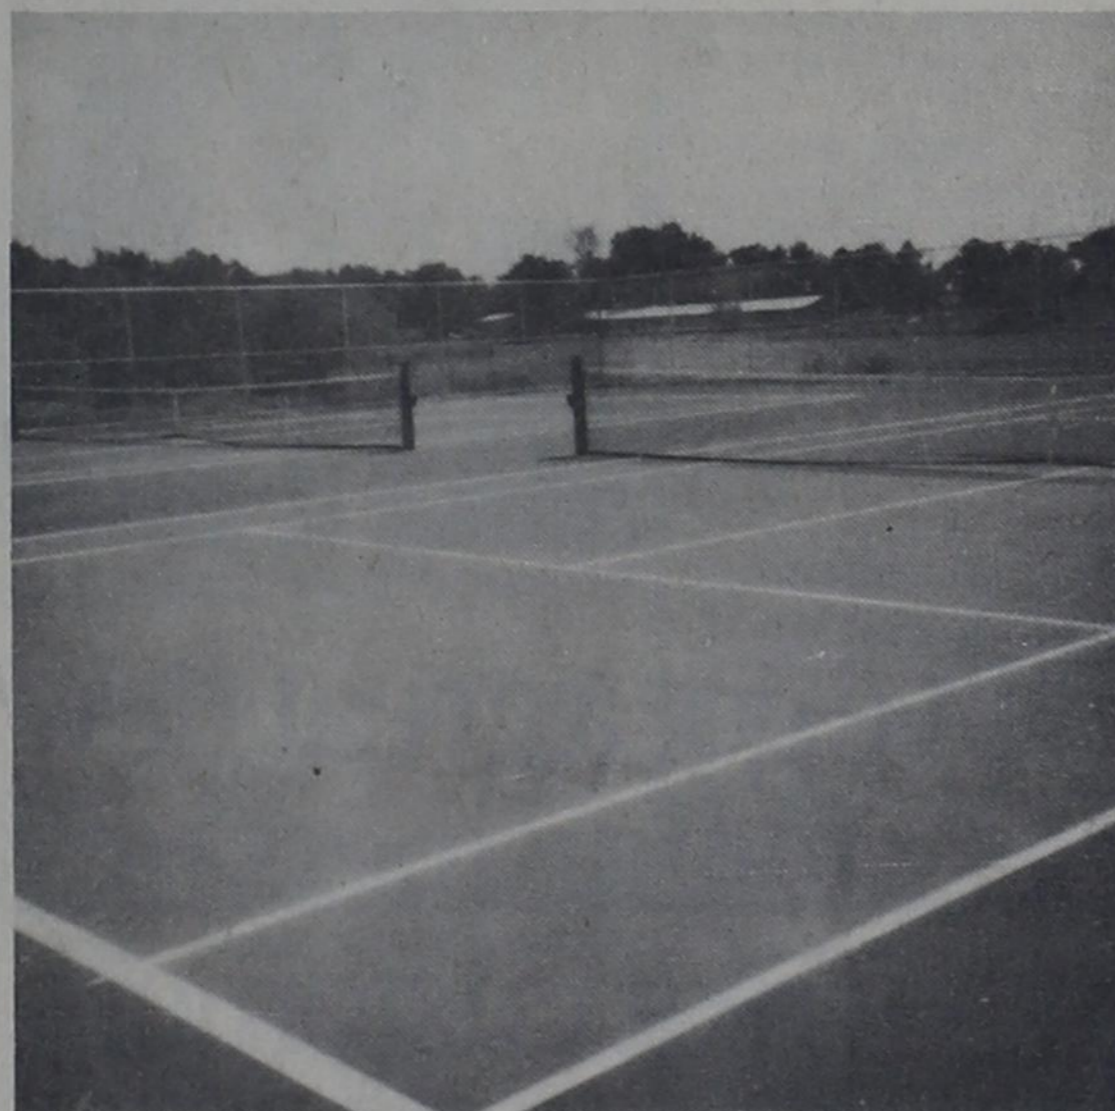

The Panthers showed some good

offensive power in the season opener and it is hoped that they can continue this momentum into the Ranger game. The defense also looked real good in the Hico game, and will have to do another good job Friday night to hold the Class 2A Bulldogs offensive power.

Come on out and back the Panthers and go by an have a hamburger supper with the Senior Class prior tot the game. They are serving a hamburger, chips, tea and desert for \$3 to adults and \$2 to children.

Remember game time is 8 p. m.

Tom Wageman, President, Sunbelt Savings

**"I've got a great new strategy  
for business growth:  
Treat customers well"**

That may seem like an obvious, simple way to succeed in business.

But what usually happens when you have a question or a

problem? You have to wait. You have to go through all kinds of red tape. You get passed from one person to another. And, all too often, you don't get your problem solved.

You get treated like you are not very important.

**Time for a different approach.**

All of us at Sunbelt Savings are customers too. All the things that have happened to you have happened to us. So we decided to do something about it. We decided to give good old-fashioned service.

To do it right, we need your suggestions. So, we've put a bright red Suggestion Box in every Sunbelt branch. And if you put your

name and address on the suggestion, we'll tell you what we're doing with your idea.

To stop runarounds, we've named an Answer Person at each Sunbelt branch. To get a question answered, or a problem solved, just go to the desk with the big, red "Answer Person" sign.

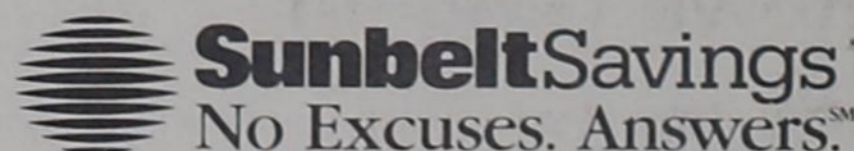

Some problems can't be solved at the branch. That's when you pick up the Management Hot Line, the red phone in the lobby. You'll get someone in Sunbelt management. And you'll get your answer.

**Why do we bother with all of this?**

The most important thing we offer is security. But most of our competitors offer the same security because they have the same federal insurance we do. If we want your business, we have to offer more than security. We have to give better service.

We do. We treat our customers the way we like to be treated when we're somebody's customer.

Come in and find out for yourself.

Barbara Chase has wide experience of Asia served 10 yrs. as Missionary of Malapia and other work and Martha Man a experienced writer and Journalist both working under the world division of the Methodist Church.

Ida Chandler gave us the Areas to be covered about history, religion and the role of Women, culture, peace and justice. We will study 4 Countries in five countries and history of interventions from other countries. Today people of Nepal. She told us the history, religion and the role of the Women, culture, and peace and justice in the place.

The people had revolution and the people after years of wars and unrest were convinced the mountain people of Nepal best defense was complete isolation from the rest of the world. So after a treaty in 1923 no one was allowed to come into their land. Without permission of the British Government in India.

After years of change a new Nepal has been formed. So after 1951 life changed in Nepal the borders were opened.

Some Christians came in to the country and are working with government aid missions in government posts, schools, and projects. Some of these christians are Indians. Some are Pepali by race and language christians form Theuiselries into small groups. 1953 terms for missions were:

- 1 - The mission should give medicine and do medical work free.
- 2 - The mission responsible for the financial construction and projects no help from the Government.
- 3 - The Mission subject to law of land or disrupt other religions there.

Ida made the life of the people very interesting for us all.

Susan Tuckles and sons, Jane Musick and children visited with me a couple of afternoons this week. Aleta Musick came by and helped me for awhile on Monday afternoon. Tena, Jimmy and Karen Dennington of De Leon visited a couple of times this week.

We were so sorry to hear of the death of Lola Hickey. Lola and Ernest have spent their lives in Lingleville. The family has our deepest sympathy.

Matha Sitton, Shirley Graham, Odessa Outlaw, Patsy Moon and I had lunch "out" on Wednesday. We enjoyed getting together again.

Claraleen Pilgrim Williams of Alaska has been here visiting with her sister, Renia Hogg, and other relatives.

Patsy Moon spent the weekend in Crowell at a lay renewal weekend.

Mr. and Mrs. Bob Richmond of Dublin visited with William, Luke and I for awhile on Saturday.

Well Luke has been in Kindergarten a couple of weeks. He was scared to death to start, but after three hours he declared, "It's a piece of cake."

On the third day they called Jane to come for him. He'd tried to show off to get a pretty little girl's attention. She threw a rock at him and knocked two holes in his head. He looked like a "stuck hog" when they got him to my house.

He has gone two weeks now and is another week above ground for which I am thankful.

Under current law, the legislature is not allowed to exercise any powers in executive matters under Article II of the Texas Constitution, which provides for the "separation of powers" into three distinct departments.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment permitting the legislature to include the speaker of the house of representatives or the speaker's appointee in the membership of an executive agency or committee."

#### PROPOSITION NO. 22 ON THE BALLOT

Senate Joint Resolution 53 proposes a constitutional amendment to allow the legislature to limit the term of office of a gubernatorial appointee to a vacancy in a state or district office to a partial, temporary term if the appointment is made on or after November 1 of the last year of the governor's term and the governor is not reelected. The amendment also authorizes the legislature to provide for review and approval of the issuance of the bonds and the use of the bond proceeds.

#### PROPOSITION NO. 24 ON THE BALLOT

House Joint Resolution 83 proposes a constitutional amendment to allow a county to use county equipment and personnel to perform work, without compensation, for another governmental entity if the commissioners court finds that the work will not interfere with the performance of county work and approves performance of the work. The governmental entity must be located wholly or partly in the county, and the governing body of the governmental entity must file a written work request with the commissioners court.

Senate Joint Resolution 5 proposes a constitutional amendment to allow the Legislature to authorize Randall County to levy a tax for the benefit of the Amarillo Hospital District. Any such tax could be levied only on property located outside the City of Amarillo and outside the South Randall County Hospital District. The tax could not be more than 75¢ per \$100 property valuation and would be effective only upon approval by the voters in the area to be taxed. If the tax is authorized by the Legislature and approved by voters, the Amarillo Hospital District is to serve residents of part of Randall County. If a tax is levied under this provision, Randall County must repay the State for the cost of publication of this amendment.

The proposed amendment also permits the legislature to authorize a hospital district to change its boundaries or jurisdiction if the district was created or authorized by a constitutional provision that includes a description of the boundaries or jurisdiction of the district. Any change in the boundaries or jurisdiction of such a hospital district would become effective only upon approval of the voters in the district.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to permit the Amarillo Hospital District to serve certain residents of Randall County, to authorize Randall County to provide financial assistance to the district, and to authorize certain hospital districts to change their boundaries or jurisdiction with voter approval."

#### EXPLANATORY STATEMENT FOR STATEWIDE REFERENDUM NO. 1

Senate Bill 86 submits to the voters the question of whether the 15 members of the State Board of Education should be appointed instead of elected. If the proposition passes, the Governor will appoint a member of the board for each district, with the consent of the Senate. If the proposition fails, the members will be elected from these districts.

The referendum will appear on the ballot as follows:

"The State Board of Education shall be composed of members who are appointed from districts instead of elected, with equal representation throughout the State of Texas."

#### EXPLANATORY STATEMENT FOR STATEWIDE REFERENDUM NO. 2
