## UIL SCHOLAR AWARD PRESENTED TO STUDENTS

Last year The University Inter-scholastic League inaugurated a "UIL Scholar Award," to be presented to students who have graduated in the top 10 percent of their classes and who participated in a UIL academic, music or athletic contest.

The purpose of the award is to honor students whose "Academic and extracurricular achievements have been exemplary and whose self-discipline in preparation and integrity in competition are a model to others," said Dr. Bailey Marshall, League director.

"Though the award was introduced last year during the League's 75th anniversary observance, this is an award we plan to award in the years to come," Marshall said. "We feel it is important for the League to restate our commitment to academic success first, extracurricular proficiency second."

The awards were presented to students during high school graduation. Those who received the awards were Ronald Anderson, Traci Burns and Tammy Campbell.

**Gorman Baseball Season Gets Into Full Swing**

The season for the Gorman Baseball Association is beginning to get into full swing with more games out at Peanut Park all the time. All the teams are shaping up, and according to the coaches, we can all expect a good season.

The girl's softball team will be hosting a tournament out at the park June twelfth through the Fourteenth and ten teams are expected to participate. The softball team is sponsored this year by Gilmore's Auto and H&N Home Improvements with an individual contribution by Charles Little. It is support from these community-minded businesses and individuals that makes all this possible.

Since the very beginning out at Peanut Park, everyone has recognized the desperate need for an outfield fence. With the increasing use of the park by the school team, as well as the other local, more advanced teams, the need for the fence is also increasing. Add to that, vandalism, in the form of cars being driven on the field, and the fence becomes a necessity. Enough pipe for the post on the outfield fence has been donated by Quality Service Railway in Ranger, and the labor and equipment needed for the job have been pledged. However, we are still in need of pipe for the top rail of the fence, as well as chain link wire to cover it. This is an improvement we

have needed for a long time and would greatly enhance the appearance of the park, so let's get behind this very worthy project.

With the season under way for all the teams, we must stop taking any more entries in the interest of team organization. There has been a very large response from the youngsters this year, and around one-hundred thirty are participating this season. When you consider the size of the community, the supporters of the Gorman Baseball Association are furnishing a worthwhile activity to a large percent of our local young people. With that in mind, we would like to thank Mrs. Annie Fay Foster for her individual contribution and add her name to the growing list of sponsors and boosters:

Sunbelt Savings, Smith Dryers, Columbia Peanuts, Sav-On Food, James and Ruby Lee Kinser, Clark Construction, The Gorman Progress, Smith Brothers Chevrolet, Quickway Grocery, Sentry Service, De Leon Auto Parts, Gorman Milling, Gorman Pharmacy, Foster Floral, Buck Foster, Ray Daniels, and Bill and Louise Clark.

With all this cool weather hanging on, it gives us all a chance to get out to Peanut Park, and pass the evenings. We are looking forward to seeing everyone, so let's give them our support and watch 'em PLAY BALL!

**GORMAN ARTISTS NAMED ARTISTS OF MONTH**

The De Leon Art Association has named Ruth Higginbotham and Gene Snelson, both of Gorman as artists of the month for June.

Soon after retirement Ruth joined the art association and soon become interested in painting. She has studied with La Velle Jobe for less than two years. Oil is her favorite medium but she also works with pencil. The high light of last years art effort was her winning Best of Show in the beginners category at the Paint and Palette Club art show in Cross Plains. For this honor she was awarded \$50.00.

Gene, a self-taught artist, painted while in grade school. In time she put art aside until the mid 1970's when she donated a painting for her project in her church Lord's Acre program. This has been a routine project of hers ever since. These donations renewed her interest in art, and she continues to enjoy painting. She works in oils, acrylics, charcoal, and pastel.

The art association is proud to honor these artists and invites everyone to see their paintings on display in Higginbothams Dry Goods in De Leon.
