Five Gorman children hurt in accident

GORMAN — Several Gorman children were injured about 1:30 p.m. Monday when the Dodge Ramcharger they were riding in overturned about five miles east of here on Farm Road 8.

Taken to De Leon Memorial Hospital were Tom Bynum, 13; Andrew Tarver, 10; Melissa Tarver, 8; John Tarver, 7; and Charlie Tarver, 4.

Andrew Tarver was the most seriously injured, suffering a crushed hip, broken leg and severed artery, said Department of Public Safety Trooper Steve Foster.

Foster said Tarver was transferred by helicopter to the Cook-Fort Worth Children's Medical Center, where he was listed in serious condition Monday night.

Melissa and John Tarver were listed in stable condition, but were to be held overnight at De Leon Memorial for observation, said a nursing supervisor there. Charlie Tarver and Tom Bynum were treated and released.

Phillip Tarver, 35, driver of the vehicle, did not require hospitalization.

Foster said the accident occurred after A.L. Grice, 72, pulled out of his private drive, and Tarver, who was eastbound, swerved to keep from hitting him. The Ramcharger overturned and landed upside down in the eastbound lane of the road.

Foster said he believed Andrew Tarver was thrown from the vehicle.

Gorman Police Chief Cecil Funderburgh helped with traffic control.

Medical Expense Fund Started For The Tarver Family

A medical expense fund has been started at Citizens State Bank for the Tarver family, who were involved in a tragic accident near Desdemona on Monday.

One of the children, Andrew Tarver, 10, was the one with the most serious injuries, receiving a crushed hip, broken leg and severed artery. He is in the Fort Worth Cooks Childrens Hospital, following an extremely long surgical procedure.

The fund has been set up to help the family with expenses connected with the medical expenses for the children and the needed expenses that occur with this type of medical situation.

If you wish to donate to the fund you may do so at Citizens State Bank in Gorman, or mail in your donation to the bank at Box 517, Gorman 76454.

Gorman PTO To Sell School Supply During Registration

The Gorman PTO will be selling school supplies at registration on Friday. Parents, if you haven't purchased school supplies, we can save you time and money.

Also, anyone wishing to sign up for PTO may do so at registration. The annual dues are \$2. PTO needs parental involvement, and members can be proud of their contribution to our children's educational needs.

The past decade has been successful for PTO. The latest project, the new playground equipment, has not only made the playground more enticing, but much safer for our children. Please continue your support and enthusiasm in 1990. Help to make the coming decade the best ever! Thank you!

City Commission Meeting Held

There was a City Commission meeting held on August 17th. The meeting opened with a prayer from Commissioner John Rice.

The City auditors were present from Skaggs and Bailey to give a financial report. The Commissioners voted to update the accounting and reporting systems which have been used by the City for too many years.

The Old Fire Hall fees were raised from \$5 to \$35 to cover costs of the upkeep of the building. Boy Scouts and Narcotics Anonymous and other such organizations will be exempted from fees.

New carpet was installed last week. It was completely funded by the Federal Emergency Management Association because of the flood waters in May. So, come on by City Hall and take a look!

Our next meeting will be held on September 6th.

First Methodist Church Beings Recycling Program

The First United Methodist Church of Gorman has begun a recycling program. At present, we are recycling aluminum cans, other types of aluminum such as kitchen foil, TV dinner trays, and pie plates, plastics and glass (clear, green, brown). The glass and plastics must be clean with no tops or lids. The aluminum cans must be separated from other types of aluminum.

The collection site is set up behind the church fellowship hall. There will be someone at the collection site on Wednesday afternoons from 4 until 6 to help with sorting out the materials. If you are unable to bring them to the church on Wednesday, feel free to drop them by anytime. Please sort them into the proper containers and help keep the area clean. For those unable to bring your recyclables to the collection site, call 734-2546 to make arrangements for someone to pick them up.

A brochure explaining the program is available. You may stop by the parsonage to pick one up or they will be available at the collection site on Wednesdays so you will know what to keep for recycling.

The proceeds from this program will go to the Building Fund of the church. Everyone is invited to participate and make God's world a better place for us all.

Flossie Underwood Honored At SWPGA

Flossie Underwood, who will be moving to Bryan soon, was honored with a luncheon by the employees of Southwestern Peanut Growers' Association on Tuesday, August 14 at the SWPGA building. Mrs. Ross Wilson was a special guest.

Flossie was an employee of SWPGA for many years until arthritis forced her to give up the work that she loved.

In presenting Flossie a gift from the employees, Mr. Ross Wilson, Manager, expressed the Association's gratitude and appreciation for her many years of faithful dedication to her work, stating she had been a very vital part of the Association during her years of employment.

Flossie is the widow of Charles Underwood. She will be moving to Bryan during the Labor Day weekend to bear her grandchildren, Gary, Madeline, Pam and Heather Underwood at Bryan, and Kay, Greg and Brian Franks of Navasota. Another great-granddaughter, Tamara Franks, attends North Texas State University at Denton.

Gary, Kay and another grandson, Terry Underwood (he and his wife, Kathy live in Yarba Linda, Calif.) are the children of Flossie's son, the late Billy Charles Underwood.

Flossie was very active in the First Baptist Church as long as her health permitted. She also enjoyed being a member of a birthday club, and a "42" club with friends.

She will be missed by all, but we wish her the very best in her new home at Route 1, Box 1185, Bryan, Texas 77803. Flossie would enjoy hearing from her friends in Gorman and surrounding area.

Sen. Gramm Visits Gorman - Praises Peanut Industry Leaders

U. S. Senator Phil Gramm visited Gorman on Sunday evening to praise local leaders of the peanut industry for creating jobs, growth, and economic development opportunities for Texas. The senator was briefed by Southwestern Peanut Growers' Association (SWPGA) Manager Ross Wilson on the organization's purpose and objectives. Additionally, Tom Birdsong, Chairman of the Board of Birdsong Peanuts, briefed the senator on his company's operation and goals.

The 6,496 member Southwestern Peanut Growers' Association was organized and chartered in August, 1937 by the State of Texas. The SWPGA has been utilized by the U. S. Department of Agriculture to carry out the provisions of the Federal Peanut Program for the past fifty years. The Southwestern Peanut Growers' Association headquarters are located in Gorman.

The Senator remarked, "The Southwestern Peanut Growers' Association, headquartered here in Gorman, is working hard on behalf of the 6,100 peanut farms in the state of Texas."

Birdsong Peanuts was formed in 1914 by Thomas Henry Birdsong, Sr. of Virginia. Birdsong Peanuts expanded from Virginia to Texas in August, 1965. In the Southwest,

Birdsong Peanuts employs approximately 250 people with an annual payroll exceeding \$2 million. Birdsong is a major exporter in world markets, exporting about one-third of its peanuts outside the United States.

Senator Gramm stated, "I am here to pay tribute to the SWPGA and Birdsong Peanuts for their contributions to the local economy. As the town's largest employer, Birdsong Peanuts has grown to be a mainstay in the Gorman economy."

He added, "Birdsong Peanuts is helping to promote American quality and U. S. agriculture in the world marketplace by exporting over one-third of its peanuts outside the United States."

The senator was joined by area civic and business leaders, as well as by local leaders of the peanut industry.

Senator Gramm holds a Ph.D. in economics, a subject he taught at Texas A&M University, and serves as a member of the Senate Budget, Appropriations and the Senate Banking Committees.

Gramm, a national leader in budget matters, co-authored the Gramm-Latta I and II federal budgets in the House and the Gramm-Rudman-Hollings balanced budget legislation in the Senate.

Thanks From The Gorman PTO For Your Support

Cheers for the PTO for a job well done. The new playground equipment looks great. The children will enjoy it for many years. It certainly improves the appearance of the school yard. The PTO has been working hard on this project for some time. And as you can see their efforts have certainly paid off.

If you haven't seen it go by the school and look. Then find a member of the PTO and give them a pat on the back for a job well done.

For all who had a hand in this project my hat is off to each and every one of you. It says we do have concerned parents and teachers caring for your children and want to make a difference in their lives. So lets encourage everyone to help take care of it. Lets not abuse the equipment.

Again cheers to all that had a hand in making this project a success.

KOKOMO NEWS

ZELDA JORDAN -- PHONE 639-2289

Wouldn't it be nice if we could have some more of the cool, rainy weather like we had a couple of weeks ago? There is sure no doubt that it is summertime now with the temperature up around 100 degrees. Crops and gardens will surely wilt in a hurry if they aren't watered. Without the sunshine we couldn't grow anything either, so it takes all kinds of weather to balance everything.

It was a great time of visiting with friends and neighbors and enjoying the delicious ice cream and toppings, cake and cookies at the Kokomo Extension Club and Kokomo Community Club's ice cream supper on August 15 at the Community Center.

It was also a special time to honor Bro. Joe O'Neal on his 82nd birthday, as we sang "Happy Birthday" to him, accompanied by Juanita Fuller on the piano. Special guests were his grandchildren, Dave, Camilla, Courtney, Whitney and Jamie Mudry of Odessa, and friends, Mr. and Mrs. Buck Anderson of Rising Star.

Another highlight of the evening was the beautiful music rendered by Juanita Fuller on the piano.

James and Teresa Webb, Jeremy, Ciji and Jantzen of Granbury and Stacy and Brenda Webb, Jacob and Kaci of Comanche visited with their parents, Mr. and Mrs. Oren Webb, on Sunday.

Mr. and Mrs. John Scitern have returned from a visit with her brother, Mr. and Mrs. Lester Rich in Cody, Wyoming. Mr. Rich had some problems with blockage in the arteries to his heart, but they have been cleared out and he is back at work now, doing fine.

Visiting with Mrs. Albert Hendricks

were Mr. and Mrs. L. D. Pyeatt of Pasadena, Mr. and Mrs. David Mudry, Courtney, Whitney and Jamie of Odessa, Mrs. Bill Joiner and Mrs. Glenn Jordan.

Mr. and Mrs. L. D. Pyeatt took Mrs. Hendricks to visit other cousins in Breckenridge, Mr. and Mrs. Jack Gray, Mrs. Pat Davis and Justin, Mrs. Gwyn Ann Patterson, Kupie, Kim and Jason, Benny Gray and Lloyd Gray.

CHRISTOPHER LEWIS CELEBRATES FIRST BIRTHDAY

Deliah and Randy Lewis honored their son, Christopher, with a birthday party in their home on Sunday afternoon, August 19 in celebration of his first birthday. The festivities began about 4 p. m. on the patio of the home.

The Mickey Mouse theme was used with a birthday cake in the form of Mickey Mouse with smaller cakes surrounding it in the form of Winnie the Pooh, Donald Duck, a car and a round cake with a Teddy Bear on top for Christopher's personal devouring. This was the creation of his grandmother, Joyce Eaves. The birthday cake and ice cream were served following a picnic meal of submarine sandwiches, vegetable tray, chips and dips and cold drinks.

NOTICE OF EFFECTIVE TAX RATE

1990 PROPERTY TAX RATES IN Eastland County

This notice concerns 1990 property tax rates for Eastland County. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxes in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

	General Fund
LAST YEAR'S TAX RATE:	
Last year's operating taxes	\$ 1,315,697
Plus Last year's debt taxes	\$ 140,805
equal Last year's total taxes	\$ 1,456,502
divide Last year's tax base	\$ 440,843,441
equal Last year's total tax rate	\$.33039 /100

THIS YEAR'S EFFECTIVE TAX RATE:

Last year's adjusted taxes (after subtracting taxes on lost property)	\$ 1,440,628
divide This year's adjusted tax base (after subtracting value on new property)	\$ 426,758,460
equal This year's effective tax rate	\$.33757 /100
times 1.03 equal maximum rate unless unit publishes notices and holds hearing	\$.34769 /100

THIS YEAR'S ROLLBACK TAX RATE:

Last year's adjusted operating taxes (after subtracting taxes on lost property)	\$ 1,301,357
divide This year's adjusted tax base	\$ 426,758,460
equal This year's effective operating rate	\$.30493 /100
times 1.08 equal This year's maximum operating rate	\$.32932 /100
plus This year's debt rate	\$ -0- /100
equal This year's rollback rate	\$.32932 /100

SCHEDULE A: UNENCUMBERED FUND BALANCES

The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

TYPE OF PROPERTY TAX FUND	BALANCE
Maintenance & Operation	
General	\$ 697,383
(Rd & Br)	\$ 190,255
Bond	\$ 204,050

SCHEDULE B: 1990 DEBT SERVICE

The unit plans to pay the following amounts for long-term debts that are secured by the property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

N O N E

This notice contains a summary of actual effective and rollback tax rate calculations. You can inspect a copy of the full calculation at: Eastland County Auditors Office - Eastland County

Courthouse - Eastland, Texas

Name of person preparing this notice: Steve Thomas, R.P.A., R.T.A.

Title: Chief Appraiser- Eastland County Appraisal District

Date Prepared: AUGUST 17, 1990

NOTICE OF PUBLIC HEARING ON TAX INCREASE

The (CITY OF GORMAN) will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in (1990) by (the effective rate of 7.87) percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on (August 30, 1990) at (City Hall).

- FOR the proposal: 5
 AGAINST the proposal: 0
 PRESENT and not voting: 0
 ABSENT: 0

The statement above shows the percentage increase the proposed rate represents over the (.41528) tax rate that the unit published on (August 9, 1989). The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	17,127	17,202
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	-0-	-0-
Average taxable value	17,127	17,202
Tax rate	.20942	.4480
Tax	52.99	77.06

Under this proposal taxes on the average home would (increase) by \$ (24.07) or (45.4%) percent compared with last year's taxes.

Comparing tax rates without adjusting for changes in property value, the tax rate would (increase) by \$ (13858) per \$100 of taxable value or (.4478) percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.
