FIFTH ANNUAL PEANUT FESTIVAL HUGE SUCCESS

The fifth annual Peanut Festival, which is sponsored by the Gorman Business Alliance, has come and gone, and was once again a huge success, and continues to grow and improve with each event. This year everyone stated that it was larger and was the best yet. The continued great support that was shown by this year can only cause the expansion and improvement each year.

The weather man cooperated very nicely, even though it was a very hot and muggy day.

The parade was led by Charlie Jordan as Grand Marshall. Folks were treated with loads and loads of good food while they enjoyed the day's activities, as there were a good number of food booths open as well as booths with different games, etc. for the children to enjoy.

Also a new bright spot this year was the free cold watermelon slicing held during the afternoon to help cool folks down a lot. Thanks to the generosity of Greg Hammit, local watermelon handler, the free melons was an added treat for folks of all ages.

The day ended with the free street dance and the attendance was very good. The music, rendered by Ban-

dera, was marvelous, and greatly complimented by all. And Bandera has already made plans to be back again next year.

The Business Alliance wants to thank Hagood Electric for sponsoring the Coloring Contest again this year. Thanks again.

The Gorman Lions Club have expressed thanks to Citizens State Bank, A. E. Smith Peanut Whse. and Dryers, Gorman Progress and Foster Floral for buying hamburgers and cold drinks for the Ranger Junior College and Gorman High Bands this year. This is also an annual tradition.

Thanks also to Karan Kirk, Caro Boswell, Gene Snelson and helpers for painting the windows downtown with the clever peanut signs and to the students in first, second, third and fourth grades for the window display of the Peanut Coloring Contest.

It definitely is a community effort, or it would not have been the great success it was and is still growing each year.

In the parade, which continues to get bigger and better, the following winners were announced:

The Poker Run, sponsored by the Cross Timbers Wind Riders Motorcycle Club, was acclaimed a success on Saturday. The number of entries, 38, was somewhat smaller than anticipated, but being a first year event, and a similar event being held at the same time in Somerville, it turned out rather well.

The Poker Run, 75 miles with 5 check points, began at noon at the school with the next checkpoint at Lake Leon dam, followed by one at the Strawn Bank, one in Desdemona and the final point back at school.

Tour pins were awarded to all participants, along with a total of 24 trophies awarded.

Motorcycles and clubs entered from Fort Worth; Abilene; Irving; Brownwood; Cisco and Gorman. Antique cars were entered by clubs and by individuals from Comanche, Brownwood, Clyde, Eastland and Gorman.

So as you can see, this year's event was very, very successful, and folks are already making plans for the Sixth Annual Peanut Festival the third Saturday in September.

The Panthers are back to the fundamentals this week in practice as they go back to the blocking and tackling schemes to try and solve their problems on both offense and defense against the Lobos.

The Panthers will host the Ranger Bulldogs, another Class 2A team on Friday night. They will sure need to improve their fundamentals if they expect to stay on the field with the Bulldogs, who have an improved team this season. We feel that the Panthers just had a bad night last week and will bounce back this week against the Bulldogs.

And a great time was had by all seems to just about sum up the outstanding success of the Fifth Annual Peanut Festival in Gorman on Friday night and Saturday, and Saturday night. There was "Some Folks" in good ole Gorman on Saturday and Saturday night to partake of all the activities held throughout the day and evening hours. There are so many folks to say thank you to for making it possible for Gorman the have another very successful Peanut Festival. There was a lot of hard work and effort put forth, but I think most folks will agree that it was well spent on a great time in Gorman.

There are just too many people we all have to thank to even try to name them all. But one thing for sure -- we DO appreciate you for all your efforts in our behalf and give you a big pat on the back for a job well done.

There seemed to be something going on at all times during the day, and the big free street dance beginning at 9 was a great climax to the activities.

Never before have so many people enjoyed so much in our city.
Great success gang!

—J—
The Gorman Lions Club is very grateful to all for the marvelous support the folks gave to the blood drive to replace blood used by Andrew Tarver. There was a total of 85 units of blood donated in his name to the Carter Blood Center, and the Lions want folks to know we appreciate their great support. Not only in this endeavor, but in all efforts that the Lions Club undertake. Thanks again.

—J—
We were all so happy that a great deal of folks in Gorman really went all out in cleaning up and grooming their places for folks coming in to see. The town looked great and I am sure that folks took notice of that fact. Let's kkep up the good work.

—J—
The Panthers had a rather bad night at Cisco on Friday night as they lost to the Lobos 32 to 14. It just didn't seem to be the Panther's night as they missed a lot of tackles and didn't do too good a job of blocking.

But we look for them to bounce back this week when they host Ranger on Friday night. This game is always a real battle and the Big Red will sure have to return to top form to stay with the Bulldogs. And that's exactly what we think they will do.
Get 'Em Big Red!

—J—
We saw a lot of familiar faces at the Peanut Festival activities. It is sure nice for folks to return home for the big event. Also it is great for folks from other towns to come to our great city for an event such as this.

—J—
And remember to smile -- because God Loves You!

Raymond Hart of Ranger and Dewey Bailey came and made music for us on Friday.

We all enjoyed a delicious salad supper with tea and desserts. We were blessed to have our beloved pastor, wife and daughter. We always enjoy our time and fellowship with them. Then Connie shared a beautiful devotional with us. She and Bro. Ron sang for us, and it was a special treat when Bro. Ron and Jennifer sang for us.

Our president, Bea O'Neal, reminded us that this was our last class meeting together as some of us are going to promote to the Willing Workers Clas on October first.

All reports were given and accepted. We took care of all business and dismissed by repeating The Lords Prayer in unison as usual.

Those present were Lavena Fonville, Grace Townley, Iris Preston, Bonnie Watkins, Mayvis Lasater, Ruthie Porter, Ann Maxfield, Louise Hall, Billie Bennett, Irene West, Juanita Fuller, Velma Grady, Bro. Ron, Connie and Jennifer and our gracious hostesses Annie Faye Foster and Ora Lee Lawrence.

TU Electric Files For Customer Refunds

Dallas (Sept. 14) — TU Electric today filed an application with the Public Utility Commission asking authorization to refund about \$68 million, including interest, to its customers.

The amount the company is asking to refund was overcollected from March 1990 through July 1990 primarily because weather in the company's service area was milder than normal during that period.

When weather is milder than normal, customers use less electricity. Therefore, TU Electric is able to use less of its higher-priced fuel supplies to meet customer's needs.

Under the company's proposal, the refund would be made in November through a credit to bills. Residential customers who use 1,000 kilowatt-hours would receive refunds averaging about \$13. The exact refund month will depend on when PUC approval is received.

TU Electric provides electric service in 87 counties in Texas to more than 2.1 million customers, or about one-third of the state's population.

A great time was enjoyed visiting and taking pictures and the family wishes to thank Alfred Grice for helping with the cooking. Also Tom Stinnett and Roy Simmons for all their help.

At Sunbelt, you have two ways to get a checking account with no monthly service charge.

No monthly service charges until 1991:
 Just so you'll try Sunbelt's simple, affordable checking accounts, we'd like you to take advantage of our special offer. Open a checking account before October 19, and pay no monthly service charges in 1990.

No monthly service charges after 1991:
 Stay with us after this special offer expires and you'll see that Sunbelt makes it easy to continue to avoid monthly service charges.

For example: Open your account with only \$100. Stay above the \$250 minimum balance on regular checking or \$500 on interest checking with cancelled checks held in safekeeping, and you pay no monthly service charges. Go under the minimum, and you won't get hit with some unreasonable fee. Just \$3 or \$5 a month.

Because we believe a checking account should be a simple thing. Deposit money. Write checks. No "per check" charges. And no shocking service charges.

Sunbelt checking accounts also come with buyer protection (at no extra charge) and the option of overdraft transfer protection. Ask for details.

It's a simple offer, straight across the board, from Sunbelt Savings. The *uncomplicated banking* bank.
