PANTHERS MISS STATE PLAYOFFS BY ONE RUN

The Gorman Panthers missed the State Playoffs by one single run in their playoff game last Friday with Eula at Brownwood when the Pirates came from behind after leading earlier with a run in the seventh inning for a 10 to 9 win. The hit was a very long fly ball to left field, which barely missed the outstretched glove of the left fielder.

The hit off the bat of Terry Sanders came with two outs in the inning and allowed Bubba Van Zandt to come score from second base.

Eula owned an 8-2 lead going into the fifth inning and appeared to be cruising to victory. Then the Panthers put together a lightning-quick comeback reminiscent of something the Los Angeles Lakers might manufacture. In the fifth inning the Panthers first seven men reached base and they all scored.

This gave the Panthers a 9 to 8 lead.

"Our plan was to make the kid (Eula's Ricky Roberson) throw a few pitches," Gorman head coach Doug Shanafelt said. "We were swinging

at a lot of bad pitches early, but then we started taking some and things started happening."

Roberson didn't get much help from his defense in the fifth, though. The Pirates committed four errors in the inning and all seven runs were unearned. Gorman needed only two hits - singles by Jason Ditmore and Noah Landa - in producing its seven runs. Roberson also walked three in the inning.

"He must have struck out four or five in a row after that (seven-run fifth)," Shanafelt said. "Their kids showed a lot of character. They've got a pretty good team."

The Panthers end the season with a 19-7 record and Eula advances to the State playoffs against Valley Mills to decide who will get to the finals.

We add our congratulations to that of the entire community on a very excellent season by the Panthers. They have fought a hard battle all season and really showed what kind of stuff they are made of. Great job gang!

Letter To The Editor

Did you know that the Gorman baseball team lacked one game going to state? Probably not. Where were you, Joe? Or you Lonnie? Not at one game. The team had better representation from the Abilene Reporter and all of Gorman knows how the Abilene Reporter treats Gorman. These boys worked hard and did a super job to get as far as they did. When was the last time the football team went as far? But you can bet we will see the Gorman Progress at every one of the football games and in the paper the next week there will be a big write up and plenty of pictures.

You need to wake up, Gorman Progress. There is another sport in Gorman besides the almighty football. I want to be able to read about the Gorman baseball program in the hometown paper. I don't want to read what was already written in the Abilene Reporter. It would also be nice to have a picture of the players.

The baseball program is approximately 6 years old. But they still have to fight all the time for any recognition. In their short history they have been in the playoffs each year and even made it to state twice. I know this is not your fault, Joe, but did you realize they still have the same uniforms? I have had the boys' suits repaired several times. Jeremy has had to get someone to repair the catcher's glove. But yet the football players had new suits last year. The town of Gorman needs to wake up and show these boys the respect they deserve from the Gorman Progress and the school administration. And please don't say it is because of lack of money. You could have charged a gate at the playoff games this season but you didn't. You could also charge at each home game during the season.

Thank you Coach Shanafelt and boys for all the hard work. I am so proud of all of you. You are a fine example of good sportsmanship and ability. I am glad that you represented Gorman because you did a great job.

THANK YOU NOTE FROM ROY JOHNSON'S FAMILY

We wish to express our heartfelt appreciation to each of you for all the love and prayers you shared with us in our time of grief.

The flowers, food, phone calls, cards and memorials, along with your many other acts of kindness, made our pain easier to bear.

A very special thank you to Roy's friends who were pallbearers: Weldon Herring of Lawn, Bennie Morris of De Leon, Larry Pullin of Brownwood, Joe Phillips of Stephenville, Allen Freeman of De Leon, David Steward of Lueders and David Dossey of Breckenridge.

We would like to share with you this poem that was sent to us in memory of Roy:

WHEN I MUST LEAVE YOU

When I must leave you for a little while,
Please do not grieve and shed wild tears,
And hug your sorrow to you through the years.

But start out bravely with a gallant smile,
And for my sake and in my name
Live on and do all things the same
Feed not your loneliness on empty days

But fill each waking hour in useful ways
Reach out your hand in comfort and cheer

And I, in turn, will comfort you
And hold you near
And never, never be afraid to die
For I am waiting in the sky.

KOKOMO NEWS

It was quite stormy here on Sunday night for awhile with a lot of lightning, high winds and hard rain. We received an inch and a half of rain here at our house, but others round about received two inches or more. We received another inch of rain on Monday for a total of 2.5 inches.

Lightning struck our TV and antenna as we were watching a severe weather bulletin warning of the storms moving in on us. We were thankful for the scanner and the weather spotters that were out giving their reports so we might know what was happening around about us.
