## Ronnie White Makes Statement For Sheriff

The March 10th Primary election about upon us, and we will once again go to the polls casting our votes for the candidates of our choice. There are many names on the ballot including national, state, and county offices. None will be any more important to us than the ones we elect to fill our local offices.

My name is Ronnie (R. B.) White, and I am currently the Sheriff of Eastland County. I am asking for your vote and support in my bid for re-election to this very important office. As you all know from past experience, we need someone that knows our county and that we know and trust. Since being appointed in January, 1991 to fill the unexpired term of the former sheriff we have made some major changes, I feel for the better. I have not done this alone but with the help of a very capable staff, and all the other peace officers in the county and many officers from surrounding counties. Information and knowledge has been shared between the various city, county, and state law enforcement agencies. In the past year there has been an unsurpassed feeling of unity and working together within the network of officers from all towns in our county. This is very important to the job that needs to be done.

I am asking you for your vote and

## Lee Wood Makes Statement to Voters

I would like to take this opportunity to introduce myself to those of you who do not know me and ask all of you for your support in the Democratic Primary March 10, 1992.

I am Lee Wood, a farmer, and I am seeking election to the office of Constable in Precinct 5. I am married to Amy Wood and we have one son, who is a student at Gorman Elementary School. I have lived in Precinct 5 since 1973 and a Gorman resident for 12 years. I graduated from Carbon High School in 1976 and attended Cisco Junior College and Tarleton State University. I have been a member of the Gorman Volunteer Fire Dept. for 12 years also.

support because this is a job that cannot be done alone. If you select me for your sheriff again, I will use all my knowledge of the law and common sense so we can continue to be proud of our law enforcement we have had since January 1991.

Thank you.  
/s/ Sheriff Ronnie (R. B.) White

## Five Pantherettes All District Teams

There were five Gorman Pantherettes named on the All-District 19A teams for the season.

Jana Norris, senior player for the Pantherettes, was named to the First Team.

Laci Sharp, a freshman, and Barbie White, a senior, were named to the Second Team.

Listed on the Honorable Mention All-District list were Kathy White and Cari Daniels.

We congratulate these girls on their achievements this season. Great job girls!

If elected, I will fulfill the educational requirements of the Constables' office and maintain them on a yearly basis as is required by law. I will also make every effort to respond to all calls as quickly and efficiently as possible and to assist our local police and our county law enforcement agencies when requested.

I would like to have the opportunity to serve our community and again would ask for your support. Your vote is needed and appreciated.

Thank you.  
/s/ Lee Wood

## Agriculture Viewpoint

By M. Davy Vestal

**LIVESTOCK MANAGEMENT**  
Wet Winter Conditions - Many producers are concerned that their cattle look bad even though we have had a relatively mild winter up to this point. Research work on cold stress and its effect on cattle indicates that when considering cattle comfort and nutrient needs for maintenance, a wet hair coat on a 60 degree day is equivalent to a dry hair coat on a 32 degree day. If you consider this relationship, it becomes apparent that the wet weather is "taking its toll" on cattle this winter.

The wet conditions have also hurt the quality of dormant grass (standing dry forage) that many operations depend on to winter their cattle. Grass quality has been hurt in two ways: (1) by leaching nutrients and (2) by physical deterioration (rot and decay). As grass quality declines, intake is suppressed and cattle have a more difficult time maintaining themselves.

At this point in time it is probably not critical to understand what has happened, but how to best finish the winter. Additional (extra) supplemental feed may or may not help. If you are already feeding an adequate to slight surplus amount of protein, additional feed will probably not help. This is because when protein needs are satisfied, energy is probably the limiting factor if weight loss is a problem. We cannot increase energy intake by feeding supplemental energy when cattle are on forage based diets.

Energy intake is regulated by quality of the forage; therefore, we must increase forage quality to increase energy intake. This can be accomplished by either moving cattle to better grass or changing to hay or other harvested forage that is better in quality. We can also change the cattle to a concentrate based diet (majority of ration supplied from grain, protein sources, etc.); however, this is not an economically feasible alternative in most cases.

Remember that cow condition is important if you want a high breeding percentage. Study your situation and make adjustments that are dictated by your conditions.

**LIVESTOCK RAISERS ASSOCIATION**  
I've had the opportunity to be involved with a number of county stock show organizations and I want to let the people of Eastland County know that we certainly have an association and show we can be proud of. The 1992 show was of excellent quality from the youth, animals and supporters to the management. Good job Eastland County Livestock Raisers Association!

**FARM PROGRAM**  
I've received word from David Martin, CED with the USDA ASCS office that there will be another CRP (Conservation Reserve Program) sign up June 15-26. Since I've been in Eastland County, I've had a number of questions relating to the CRP program, so I thought I'd pass this information along.

### PRESS POINTS

JOE BENNETT - PUBLISHER

The weatherman says we are in for a couple of days of possible showers, but folks around here were hoping it would pass us over this time. The ground is just now getting dry enough to "stay on top" on and we sure don't need any more moisture right now. But I guess if it comes, we'll just take what we get. At the time of this writing we still had dodged the rain.

It is time again for folks to go to the polls and voice their choice for the different offices up for election. It is very important that we all go to the polls and express our right to choose. If all the "eligible" voters went to the polls in this country, there's no telling how much better off this old world would be. But, as always, only a very small percentage of the people will be the ones deciding who will represent us in the different positions that are all so important to our future.

So go to the polls on Tuesday, March 10th and voice your opinion in whatever way you choose -- but please go to the polls!

The Democratic Primary will be held at the Old Fire Hall from 7 a. m. to 7 p. m. and the Republican Primary will be held at the New Fire Hall, also from 7 to 7. Go out and vote!

The Lions Club have set the date for their annual Benefit Games. The date will be Thursday, March 12th, with those great Lions Burgers being served beginning at about 5 p. m. in the school lunchroom. The Gorman Redhots Gymnasts will perform beginning at 6:30 p. m. The Women's

Volleyball Game will begin at 7 p. m., followed by the Men's Basketball Game. The Lions Club will be selling the Lion Burgers, chips and drink for only \$2.00. Also there will be a concession stand open in the gym for those wanting cold drinks and candy during the events. Admission to the games will be by donation and will benefit the many worthwhile projects that the Gorman Lions Club is involved with. They are always ready to help out in any way they can in our community and need your support (which you so graciously always give).

The street crews have been working on the streets as much as they can and there has been a lot of street patching going on. The water leaks have been causing a good bit of trouble and have kept the city crews pretty busy, but they will get on the street repair as soon as they can.

It is good to see all the cleaning up and work being done around homes in our town with folks returning to clean and make repairs to their homes and yards and vacant lots which have gotten stacked up with a "few" of the "white elephants" that folks don't need, and are getting out of the way.

Anyway, it is sure nice to see that folks are concerned about how their homes and places look like and are doing things to get things cleaned and straightened up.

The baseball season is getting underway for the school teams and they are having some good games. We hope that the Panthers have another great season and wish them the very best in their games. Go Get 'Em Big Red!

And remember to smile -- because God Loves You!

## Desdemona News

By Vonnie Guthery

Firts Baptist Church had a good attendance last Sunday morning. Randy Evans, a ministerial student from Hardin-Simmons University, was the guest speaker. Special music by the church choir was led by Elwood Ragland with Karen Eaves at the piano. Visitors were a former psater, Bro. Darryl Thiebaud of Hartsville, Tenn.; his mother, Laverne Thiebaud Cannon of Dublin, and Carley Wilson of Stephenville. Ladies Monthly Social will be held

Monday, March 9th in the home of Alletha Lee with co-hostess Lucille Johnson. Visitors are welcome.

Bernard and Ann Keith attended the funeral of R. D. Weeks last Saturday in Eastland, R. D. and his children, Robert, Brandy and Rebecca, attended the Desdemona Monthly Musicals as often as they could.

Neta Gee of Ranger and former resident of Desdemona, called this reporter last Saturday. She would like to say "Hello" to all of her friends in this area and tell them how much she appreciated all the pretty birthday cards she received on her 90th birthday February 21st.

Albert and Ometa Clark had surprise visitors last Sunday. Linda Krause of Arlington, Sally Nikolaoy and their mother, Vivian McCallum of Frisco, were in Desdemona to visit the "spot" where their home was - when the tornado hit Desdemona on March 25th, 1949. Linda and Sally were pre-school age and their babysitter was Ruth Craig at this time. Their dad, Bill McCallum, was the ag teacher in Desdemona at this time. The McCallums had another daughter after they moved from Desdemona.

**KOKOMO-SIMPSON CEMETERY ASSOCIATION COMMITTEE MEETS FEBRUARY 27**

The committee members of the Kokomo-Simpson Cemetery Association met for a called meeting on Thursday night, February 27th at 7 p. m. at the Kokomo Community Center.

President Delmon Eaves called the meeting to order. Others present were Larry Strube, Bill Eaves, Wilbourne Wood, Norma Webb, Bobbie Brown and Zelda Jordan.

Plans were made for the Cemetery Working and Homecoming to be on Saturday, May 2. So mark your calendars and make plans to attend. The time for the business meeting was changed from 10 to 11 a. m. to give more time for those from out of town to get here.

Plans were made for putting small American flags at the grave of each veteran buried in the cemeteries. There is a list of 24 veterans that we know of that are buried there, but if you have a veteran buried at either cemetery that you think we might not know about, please contact Delmon Eaves or one of the other committee members. We don't want anyone to be missed. We hope to have them all up by May 2.

Delmon reported that the grass that had been planted had really kept so bad during the heavy rains we've had through the fall and winter.

The meeting adjourned at 8:20 p.
