### THANK YOU TO EVERYONE

The shock of losing our dear husband and father so suddenly has been hard to comprehend. The family of Arlen Burton would like to say thank you in the only way we know how and that is from the depths of our heart and soul.

Thank you for each and every kindness, both large and small. The seemingly small things are so large at a time like this. Thank each individual for the wonderful food, both from Gorman and De Leon. We thank the two churches for coming together and serving the food, not only one meal, but two meals the day of the funeral.

Thank you for the beautiful flowers. We cannot express fully to you how they were appreciated.

The words spoken, the hand clasp with so much feeling, the arm laid across our shoulders with so much understanding. Yes, and the words spoken that said, "I will be praying for you." All means so much at a time that is otherwise your darkest hour.

The music by Ruby Lee Kinser, the beautiful words and thoughts from Rev. Curtis Jones of Trinity Worship Center in De Leon and Rev. McCreight of Lubbock were such an inspiration.

The staff at the funeral home are the greatest.

God bless and keep each of you in our prayer on your behalf. You have done more than you can know to make this time easier for us.

### A NOTE OF THANKS

We would like to say a very special thank you to each of you who did so many nice things for us at the passing of our mother, Ida Lewis. For all the words of comfort, for the food brought to our home and to the church, for the ladies who served the lunch, for the beautiful flowers, for the cards we received, for the First Baptist Church choir who sang her favorite songs and Juanita who played, we say thank you so very much. We are grateful to Bro. Ron who preached a beautiful message and to Ray, Albert, Era and Dorothy for being so helpful. Also to the ones who sent memorials to our church in her memory, we are deeply grateful.

We pray that each of you will receive a special blessing from our heavenly Father above.
