That was a nice shower we received early Sunday morning. The rain measured from one-half an inch to just over one inch. We received some very heavy thunder hit the area and I know we must have had at least four inches of thunder.

Anyway, we are thankful to the good Lord for the nice moisture. It may help the peanut crop some, but it just depends on how long the cold weather and frost holds off. Some of the peanut crop is continuing to make and mature.

The building projects at Birdsong Peanuts continues to progress. The Peanut Corporation of America is also in an expansion project, building some additional storage space.

The huge warehouse facility at Birdsong is coming right along with some of the outside foundation walls already being poured. This is a very large expansion for the company and will help take the place of the storage facilities that the company lost at Comyn.

Received a few notes, etc. this week and am including them in this weeks column:

Dear Joe and Herman  
I want to thank all of you at the Gorman Progress for the excellent coverage you gave the 1943 graduates in your paper. We had a good time rehashing old tales and telling a few new ones. You did an excellent job with the 1943 class picture you ran in your paper a couple of weeks ago. We had 15 class members present.

Thanks to all of you. Hope to see all of you again in 1994.  
Respectfully yours,  
Rayneal Baze, Eastland

Hi:  
Please notice the address change for my paper. Come here to Ben's when I came from the hospital. Don't know how long I will be here, but don't want to miss my paper. They have been forwarding it to me.

Hope you can read this. Kinda shaky when I write.  
As ever,  
Opal Bennett, Royce City

Will let you know if and when I will be coming home.  
We received the following letter this week:  
Dear friends and family,

I believe a time is coming to where we are all going to have to be on our guard from the enemy, Satan. Because there are lots of things that I'm finding that are wrong. I feel likethere is too much violence on TV, idolatry, drunkenness, adultery, drug abuse, wrong types of music, etc. Because a whole lot of people had rather choose on these things instead of focusing on God. They think that these things are the answer to their problems. But they are not! Jesus is! I use to think some of these things were, but not anymore. Because Jesus has taken away all of these desires from me. I just want to say that He cares for all of us and He loves us all. That's why He died on the cross for all of our sins.

Romans 10:9 says, "that if you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised him from the dead, you will be saved."  
I just pray that more people will come to the realization that Jesus is the answer and NOT partying.

Sincerely,  
Ronnie Standridge

The Gorman Panthers suffered their fifth loss of the season on Friday night when they hosted the Wildcats of Rising Star in a District 13A game. The Wildcats jumped out to a 6-0 margin on their first drive and increased their lead to 26-6 at halftime, then added another 12 points in the final two quarters for a 38 to 14 victory.

The Wildcats scored first with 7:09 left in the first quarter on a 2 yard run by Aaron Long to cap a 63 yard drive in 8 plays. The kick for point failed and the Cats led 6-0.

Then on their next possession the Cats started on their own 39 and went the distance in just 5 plays with Michael Perales getting the final 2 yards on a run with 3:35 left in the first. A pass to Horton added the two pointer and the score was 14-0.

After receiving the kickoff the Panthers started a drive on their own 22 and moved the distance in 8 plays with Jeremy Sanders rambling 32 yards for the touchdown on a fourth-and-one play as time ran out in the first quarter. The kick failed and the score was 14-6.

But on the following possession the Wildcats got a quick touchdown as Aaron Long took the handoff on the first play and raced 66 yards for the score with 11:37 left in the second. The kick for point failed and the Cats led 20 to 6.

The Wildcats scored again with 5:05 left in the first half when Makey Elliott broke loose for 34 yards and the TD to cap an 84 yard drive in 6 plays. The pass try for two points failed and the halftime score was 26 to 6.

The Panther Marching Band presented a very fine performance at the intermission. The Wildcat Band also performed well during the halftime show.

The game was played on fairly even terms until the 3:35 mark of the fourth period when Chris DeLong capped a 68 yard drive in 7 plays with a 2 yard run for the TD. A pass try for two points failed and the score was 32-6.

The Wildcats hit the scoreboard again with 1:55 left in the game when Michael Perales got loose again for 25 yards and the touch-

down. The kick for point after failed and the score was 38-6.

But the Panthers came back with just 5 seconds left and scored on a beautiful 27 yards pass play from Scotty Walton to Marco Herrera. Another pass play added the two-pointer when Chuy Patel caught the pass in the end zone to make the final score 38-14. The drive covered 78 yards in 10 plays.

The Panthers got the ball back on the following kickoff, but only had time for one pass completion for 16 yards as time ran out.

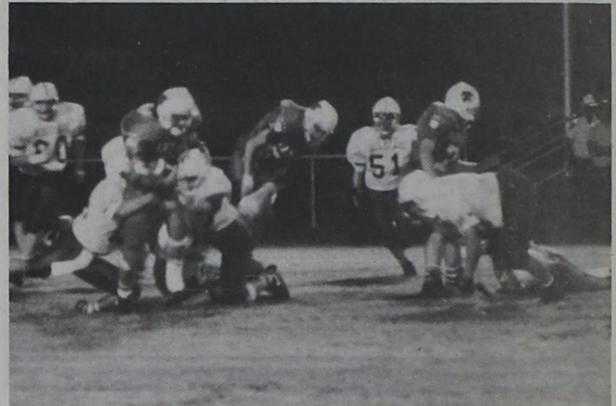

Don Mauney led the Panthers with 113 yards on 19 carries. Jeremy Sanders had 70 yards on 19 tries.

Marco Herrera had 21 yards on 4 carries. Scotty Walton got 12 on 8 keepers.

Now you can fill the tub again and again without getting soaked because a propane water heater can save you \$2,000 over the life of the heater. And a propane water heater pays for itself in about two years. It heats twice as much water as an electric water heater in the same period of time. And propane is better for the environment. So get more hot water for less cold cash. Switch to propane. For more information call 1-800-64-CLEAR.

## CARBON NEWS

Church services were well attended at the First Baptist Church Sunday. Bro. Keith's message was taken from Matt. 7:15-21, "Are you leaving a title or a testimony as you leave this world?" It is really something to think about.

Visiting with Coy and Jessie Mangum last week were Bro. Claud Harris of Eastland, Winifred and Alberta Sims of Fort Worth and Mary Lou and Boyd Hodge of

Carbon. Attending the Thursday night singing at Mangum Baptist Church were R. Lee McDaniel, Ruth Knowles, Elizabeth Sandlin and Billie Stacy. There was good singing and fellowship to enjoy.

Recent visitors with James and Faye mith and Jo Ann were Angie and Kevin Murdock of Stephenville. Monday visitors were Faye and George Gray and Lee and Barbara Gray and son of Haskell.

James, Faye and Jo Ann visited last Wednesday in Weatherford with his sisters, Pauline and Nathan Gruver and Billie Hubbard.

Our deepest sympathy goes out to the Wood family at the loss of their mother and grandmother, Daisy Wood of Eastland.

John and Dorothy Light spent the weekend in Ennis with their daughter, Valeria and Tommy Duckworth. On Saturday, they all went to Eustas to a Reynolds cousins reunion. Mrs. Light was a Reynolds.

R. Lee McDaniel visited in Clyde last Monday with her son, Wallace, Paula and Melinda McDaniel. Then on Tuesday she visited the Leo McDaniels.

This report is from Bro. Maples and members of Carbon Christ Center Full Gospel Church. They are grateful for what God is doing in the church and in the community. They encourage everyone to be in the house of the Lord because He is so good. Jesus is coming soon, by the signs we are seeing. We need to pray for unity in God's people.

Visiting with Elizabeth Sandlin over the weekend were her daughter Kathryn, Freddie and Chad Coburn of San Angelo and Melissa and Steve Killion of Mesquite. On Sunday Jim Sandlin and family, Bill Sandlin and family and C. O. Sandlin had lunch with them.

We are so happy to report that Kevin Kanady is doing real well, and is able to drive his car now, of which he got for his graduation present from his parents. He went to Lubbock recently for his check-up and got a real good report. Kevin plans to enter college as soon as he can. Keep up the good work. We are proud of you and wish you good luck.

**Kokomo News**

By Zelda Jordan

We had quite an electrical storm early Sunday morning along with .6 of an inch of rain here at our house, and more than an inch a couple of miles north of us. The lightning struck our TV antenna with quite a bang.

It was Glenn Gilbert of Katy who visited last week with his grandmother, Berniece Rodgers, and not Glen Clement as found it's way into print last week in the Kokomo News. My apology to all concerned.

Othel Creager of Kaufman and her daughter, Nita Williamson of Dallas visited on Tuesday with a cousin, Naoma Morrow.

Erlene Blakney of Lubbock and Kelly and Sherry Warren, Cameron and Courtney of Ben Wheeler were recent visitors with Naoma Morrow. Cameron and Courtney returned home with their grandmother, Erlene, for a visit while their parents moved from Ben Wheeler to a community near Kress. Kelly Warren will be pastor of a Baptist Church there.

Anna Laura Clearman recently accompanied a group from the First Baptist Church in Canadian to a conference in Glorieta, N. M. She also visited in Canadian with Mike, Mary Jo and Kami Leonard, and in Amarillo with Jessie McCaffety, and Jackie and Diane Morgan in Friona and Gary and Nanetta Thompson, Cathy and Jo Beth in Plainview.

Our sincere sympathy to the family of Daisy Wood, a former resident of Kokomo. Several from the community attended her funeral in Eastland on Saturday. Burial was at Simpson Cemetery here at Kokomo. Daisy was a sister-in-law to Nancy Hendricks.

Ruth Bryant visited in De Leon on Friday with her daughter, Joan Foster. Ruth's sister, Purnie Spaulding, and her son, Bob Spaulding of Mesquite visited with her on Saturday and they all attended the Hagan family reunion at the Carbon Community Center.

Claude and Juanita Fuller spent Friday night with Wayne and Christi Eaton, Chad and Lindsey at Ovalo and attended the football game between Jim Ned and Rotan. Chad plays on the Jim Ned team, and they won the game.

Visitors with Cullen and Ava Rodgers were Clauye Tucker, Claude Fuller, Gene and Lou Evelyn Rodgers and Hillery Rodgers, Jimmy Dean and Wilda Rodgers, all of Midlothian, Woodrow Browning, and Billie Stacy of Carbon.

Visitors with Bro. Joe O'Neal were Gil Gaeta of Eastland, Bill Sandlin of Carbon, Dane Gressett, R.C. Harrington and K. D. Boyd, and Ardith Pittman of Gorman, Pat Duran and Edward Eppler, Nancy Hendricks and Ruth Bryant.

Visitors in the Nancy Hendricks home were Sylvia Buchanan of Stephenville, Kelly Buchanan of Waco, Melvin and Pauline Miller of Roswell, N.M., Bill and Anita Simmons of Lubbock, who attended the funeral of their aunt, Daisy Wood. Other visitors were Pat Duran, Edward Eppler, Joyce Eaves, Ruth Bryant and Hope Joiner.

Betty Strube visited with Avery Crawley and Elaine Burks in Valley View Lodge on Thursday in Eastland. Harlan and Rhea Crawley of Arlington visited with Larry and Betty Strube on Thursday.

Vernon and Deon Fields, Lindell Fields, Joe Fields and Teresa Nachtigall were in Big Spring on Wednesday, Sept. 29th for the funeral of Vernon's sister, Viola Winn.

G. L. (Bill) Thompson of Dublin was buried in the Simpson Cemetery on Friday, Oct. 1 following funeral services in Dublin.

Lucille Joiner and Joyce Bramlett of Stephenville, Amber Craddock and grandchildren, Chad and Mollie Lester of Comanche were visitors with Hope Joiner.

Kim, David and Jeremy Crabtree of Stephenville spent Friday and Saturday nights with her parents, Jerry and Juanita Graham, and sister, Christi. Others visiting in the Graham home were Jerry's brother and sister-in-law, William and Johnnie Graham of the Romney Community, Rev. and Mrs. Bobby Hart and Jeremy of Olden, Jerry's nieces, Linda Farrow and Elsie Wipff of Austin, Paula and Shanna Kitchens and Joyce Eaves.

We welcome to our community Mr. and Mrs. Tony Stephenson and family who have recently moved here on the Jerry Graham place.

Nancy Hendricks and Betty and Larry Strube visited with the Glenn Jordans.

 PEACE

PEACE...I still have a hard time looking at that word in print without thinking of the "HIPPIE" days of the sixties and early seventies. I guess we all saw that word painted anywhere and everywhere during those days. It seems strange that for most of us, we can't relate that word to anything other than a visual memory. We surely had no peace during those days.

When we hear or see the word "PEACE" today, does it bring us visions of calmness, unity, or right relationships? Or is it only something we talk about in church on Sunday? Or has it always got the word "TALKS" following it on television, radio, or the newspapers? We often hear of "PEACE TALKS" but we very seldom see "PEACE".

"If it is possible, as far as it depends on you, live at peace with everyone." (Romans 12:18). Can that really be accomplished during this day and time? Well, the key phrase in this passage tells it all... "as it depends on you." Yes, it depends on us. We must be the peace seekers. The whole world is always in a state or war with itself. It doesn't take a degree to figure that out. It seems like sometimes that the only way we can define peace anymore is: "that one brief moment of silence when everyone is standing around reloading".

This brings up another related subject that we will cover in a future article, but needs to be mentioned to help us with our thoughts on "PEACE". The subject that I'm eluding to is "ANGER". It is impossible to have peace where anger abounds. God is well aware that anger will exist. However, His word gives us insight as how to establish peace in an angry situation. "In your anger do not sin! Do not let the sun go down while you are still angry, and don't give the devil a foothold" (Ephes. 4:26-27). If the whole world would just live by that passage, at least every morning would begin peacefully.

Yes, we would be dreaming to think the world could follow one simple instruction like that. But, we have the opportunity to begin making that dream come true in our own lives.

Join me this week and "do not let the sun go down on our anger" and I'll promise, we will have some "PEACEFUL" mornings around here.

Until next week, God bless you and have a great week.
