### Athletic Director News

By A.D. Coby Tyson

Volleyball is winding down this week as our J.H. played its last games Monday. The 7th grade and 8th grade both split matches with the 7th and 8th grade teams from Stephenville. Congratulations on a fine season young ladies. The Varsity Volleyball team played its final game of the 2001 campaign against Ranger. This article was turned in before the game was played. We are proud of all the young ladies that played volleyball this year at both the J.H. and H.S. levels. I hope they continue to be a part of our volleyball program for years to come.

The J.H. and H.S. girls now make a transition into basketball, but games are still a few weeks away. We encourage all girls to come out and play basketball and be a part of the athletic program. Remember that a student had to be in athletics this fall in order to participate.

The J.H. football team won this past week beating Cross Plains 16-8. The kids showed great improvement and dominated almost the whole game. They ran the wishbone offense to perfection taking the opening kick-off and driving 76 yards to go up 8-0. The drive lasted all of the first quarter and 36 sec.

## Panthers To Host May Tigers After Loss with Buffaloes

### GAME AT A GLANCE

Gorman	Cross Plains

42/90	Rushes/Yds.	30/204
26	Passing Yds.	202
3 / 5	Passes Comp.	8 / 13

4 / 29	Punts/Avg.	1/40
5/3	Fumbles/Lost	1/1

The Panthers were on the road last Friday night at Cross Plains and held a good Buffalo team to a 12-0 score going into the final period before the Buffs wore down the Big Red defense and scored 21 in the last period for a 33-0 victory. The Gorman defense did a great job and showed much improvement with their effort. As they get more experience week by week and are getting over some injuries they continue to get better.

Jose Mauricio scored the first touchdown for the Buffs in the initial quarter when he ran it in from the 1 yard line. The try for point failed and Cross Plains was up 6-0.

This score held up until the second period with both teams playing on fairly terms when Joseph Dillard pulled in a 13 yard pass from Tim Butler for the score.

Again the run for 2 points failed and the halftime score stood at 12-0.

The Marching Bands from Gorman and Cross Plains performed their routines they would perform during Marching contest held Saturday. Both bands performed well.

The Big Red defense held the Buffs out of the end zone in the third period to keep the score at 12-0 at the end of the period.

In the fourth period the Buffs scored on a 60 yard pass to Tony Beggs from Butler. Again the run for 2 points failed and the score was 18-0.

On their next possession the Buffs scored on a 28 yard pass to Dusty Dickson from Butler. Josh Hopkins caught a pass from Butler for the 2 point play and the score was 26-0.

The final Buffalo score came on a 63 yard scamper by Jose Mauricio. Tony Beggs booted the extra point to make the final score 33-0. Cross Plains remains unbeaten in District play while the Panthers drop to 0-2.

Roberto Rodriguez led the Panthers with 33 yards on 15 carries. Josh Carruth had 23 on 11 carries. Rolando Torres got 23 on 9 and Sawyer Wright had 9 on 6 keepers. Torres caught 2 passes for 22 yards and Rodriguez got 4 yards on 1 completion.

The Panthers will host the May Tigers on Friday night at 7:30 p.m. in another 12-A District contest. The Panthers will be playing extra hard for their first victory of the season and the Panther backers are expected to show a good turnout to support the Big Red.

Go Get Em' Big Red!!!

## Letter to the Editor

Editor:

A number of former Comanche County residents have launched a fund raising drive to purchase the microfilm copies of the 1930 US Census-Texas for the Comanche County Public Library from the National Archives. Each roll costs \$34.00. One of the interesting questions asked on the 1930 Census was "Does this household have a radio?"

The availability of the Texas 1930 US Census in the Comanche County Library will be a large economic generator for the entire county. Researchers will spend time in the area, staying in motels, eating in the local restaurants and buying gasoline. Too often, the locals fail to comprehend the large number of out of state visitors who frequent this particular library doing family history and genealogy. These out of state and out of county visitors often stay for a week or longer.

These individuals visit the area in the county's off season which translates into extra business for the local economy. Local merchants are always requesting "Shop in the Home town First." Please help out by making a donation for the 1930 US Census microfilm copies.

I am an 85 year old mother of four, grandmother of 14, great-grandmother of 14, great-great-grandmother of two. If every Senior Citizen would sent \$1--or as much as possible to help feed and

BY VONNIE GUTHERY

First Baptist Church of Desdemona had good attendance last Sunday for the morning service. Several visitors attended. Special music was presented by Josh Eaves. Happy Birthday song went to Landry, daughter of Jason and Misty Grimshaw. Pastor, Bro. Dewayne Brawner and the members would like to invite visitors and to attend each service.

Remember those in our community who are on the sick list with your cards and prayers.

Larry and Gay Moore hosted a combination party last Friday night, October 12, at the Desdemona Community Center. The occasion was to celebrate a birthday for their granddaughter, Scarlett Moore; a birthday for their daughter-in-law, Susan Moore; a going away party for their son, Paul Moore, who left last Sunday to attend school to become a Border Patrol officer. His wife and children will join him as soon as possible. Those attending three parties were Renee White and children, Chelsea and Cory of Stephenville, Lisa Hurd and children, Cody and Trey of Crowley, Charlotte Clark of Eastland, Frances Lanham of Blanket, P.E. "Shorty" Fox, Eddie and Pat Fox, Pug and Coon Guthery, Hagen

Moore (Paul and Susan's son) all of Desdemona. Everyone enjoyed the good food with plenty of birthday cake.

Dorothy Roberts visited the past weekend in Ft. Worth visiting her daughter, Kevin and Ulenda Weaver and grandson, Tanner, and also to attend a ballgame where her great granddaughter, Kelsey Caddell takes part as cheerleader in a drill team.

Desdemona Monthly Musical will be on Saturday night, October 27th at the Community Center. All area musicians, singers, and visitors are invited to attend. Concession

stand opens at 4:30 p.m. with sandwiches, homemade pie and drinks. Come and bring a friend for an enjoyable evening of "good" music.

Desdemona Thanksgiving Supper will be on Saturday, November 10th at the Community Center (school gym). This is an annual event with all the proceeds going to the Community Center Fund for much needed repairs, etc. Your help will be appreciated. Make plans to attend for a good home cooked meal.

Bill and Helen Collum enjoyed a weekend trip to the Big Bend area for fishing and sight-seeing.

## Scenes From Football Game

## Athletic Director News

By A.D. Coby Tyson  
Continued From Page One  
nds into the second quarter. The J.H. football team travels to May to take on the Tigers at 6:00 p.m. Thursday.

The Varsity football team played one of its finest games of the year, but ran out of gas and gave up 15 points in the fourth quarter enroute to a 33-0 loss. The score doesn't reflect how close it was at the Panthers threaten to tie the game at 6 with a 1st and 10 at the Cross Plains 13 yard line. However, a personal four followed by a turnover cost the Panthers. The Panthers would be inside the Buffalo 25 yard line 3 more times, but like much of the season, came up empty handed. The Varsity football team will be back at home this Friday at 7:30 to take on the May Tigers.

The boys and girls cross-country teams traveled to Cross Plains for the District meet on Monday. We had 3 girls and 6 boys participate in the meet. Jose Cruz finished 7th and qualified for the Regional Cross Country meet on November 3rd at UTA.

Also, all those that failed the first six weeks and received passing grades in all subjects as of October 19th regain their eligibility at 3:36 p.m. on October 26th. Parents, please help us encourage our student/athletes to keep their grades up at all times.

In addition, as Athletic Director, I would like to thank all of those who have come out to support our athletic teams this year. Your support meals a lot to all our athletes. However, growing up in Goldthwaite in the 80's and playing against Gorman, I remember much bigger crowds at all of the events. I am disappointed that Gorman has changed from the past when Red and Blue packed the stands at any event. This may seem like a bold statement considering we have yet to win a game in football and our volleyball team has struggled for wins this year. But what kind of message do we send our kids if we only support them when they are winning. My in-laws were running late to a game earlier this year and they were surprised to see that ZJ's had more cars downtown than we did at the stadium. I asked my parents how the crowds had been at Goldthwaite this year since they had started 0-6 for the first time since '78 and are likely headed for their first losing season since '79. My parents said they really couldn't notice a lot of difference. Every Friday the parking lots are full, cars park down the streets, and they still park in our yard and driveway since we live by the field. They said that Black and Gold streamers and signs are still

## Gorman Hosts May, Friday, 7:30 p.m. By Coach Tyson

The Gorman Panthers (0-6, 0-2 Dist) play hosts to the May Tigers (2-5, 0-2 Dist) Friday at 7:30 p.m. The Panthers are coming off a 33-0 loss to Cross Plains and May is coming off a 45-6 loss to Baird. The Tigers are lead by Thornhill #30 who is a very dangerous back. "If you give him a seam or let him gain confidence early, he can definitely hurt you." Thornhill leads the

team in rushing and points scored. May runs out of an "I" set and a "wing" set offensively. On the defensive side, the Tigers run a 5-2 and 5-3 set. #30 Thornhill is a standout on defense as well. #56 Hounshell is a quality linebacker that can hurt us also.

"We did a lot better job this past Friday against Cross Plains. We protected the ball a little better and had fewer busts both on offense and defense. Up until the 4th quarter, our offense had controlled the clock. In fact we had the ball all but 2 minutes and 13 seconds of the third quarter. Unfortunately they scored during that 2:13 to go up 18-0. On the other hand, we didn't put the ball in the end zone the 4 times we got into the red zone. Our defense played well, but the big play killed us. We improved a lot however, and we're looking forward to playing at home again. I hope we have a big crowd for our guys, they deserve it." The Panthers are not mathematically out of a playoff hunt. "We're not out of it, but we can only concern ourselves with the task at hand. That task is to beat May. That would be a great start to a next 3 weeks and whatever happens, happens. We just need to take care of our part."

**Injury report:** Scott Lewis is out with a hairline fracture in his lower arm. Russell Jay is still out with strained ligaments. He will be re-evaluated next week. Juan Martinez has a severe ankle sprain and will be examined this week. He will likely be out for the May game. Ryan Wright has a bruised rib cage but should be able to practice and play. Sawyer Wright was knocked out Friday and has been examined to play. He will be held out of contact this week. We finished the game with 13 players. Hopefully we'll have 15 or 16 for this week's game.

wins and championships? I would like to think it would, but I can't guarantee it. But I can guarantee it makes life much more fun to live and much more worth living.

Again, thanks to those who have supported us so far. I hope you continue and I hope it spreads to others.

## Class Reunion

With smiles, handshakes and hugs, the Carbon High School classes of 1942 and 1943 met at Snapp's in Eastland on Friday, October 5, 2001 for their 58th and 59th year reunion.

Those from the 1942 class attending were: Jack and Olga Stubblefield of Bartlesville, OK, Lottie Snodgrass Fox from Olden, Joe Collins of Canton, James E. "Hep" Jackson of Carbon, Leao and Ellene McDaniel of Abilene, Forrest and Grace Keith of Eastland and Leslie and Ladell Bethany Tonn of Round Rock.

Attending from the 1943 class were Sue Webb Lovelace, Ruth Bethany Guy, Lavelle McCullough Powell all of Eastland, Royce and Hope McGaha, Arl and Margie Lasiter of Carbon, George Boles and daughter, Nancy Boles of Odessa, Henry and Cora Lou Gregg Clements of El Paso, George and Nell Ruth Ferris Mason of Gorman, Margarete Jackson Lane of Cisco, Derida Putnam Harranek of Waco, and Ladell Tonn of Round Rock.

We all missed our dear classmate, Jean Poe Faucett, who passed away in June. We were so pleased to have her children, Barbara Faucett of Garland and Gary Faucett of Allen with us. We had already "adopted" Barbara as she had brought her mother for several years and we now welcome Gary into our "family."

We all enjoyed the evening and are looking forward to our next reunion on Friday night before Golden Exes in October 2002.

## Carbon Golden Exes Homecoming

The Carbon Community Center came alive at 8:30 a.m. Saturday, October 6, 2001 when registration began for the Golden Exes. One hundred fifty-three exes, ex-teachers, relative and friends from Oklahoma, Arizona, New Mexico, Arkansas, Ohio and Texas were in attendance.

## Guidelines for Grown Goblins

The Texas Department of Health warns children aren't the only ones who need to follow Halloween safety guidelines.

Parents and adults can avoid injuring children by:

- Dropping off/picking up kids curbside, away from traffic.
- Entering and exiting driveways slowly and carefully.
- Removing Halloween masks while driving.
- Obeying all traffic signs and signals.

## Think Like an Investor, Not a Job Hunter, says Career Expert

When searching for your new job, stop thinking like a job hunter, and start thinking like an investor, says Mary Foley, co-author of *Bodacious! An AOL Insider Cracks the Code to Outrageous Success for Women* (AMACOM, 2001), and *Woman in Charge* of her own Reston, VA-based consulting firm Bodacious Ventures, LLC.

"More than ever before, employees are partners with their employers in their mutual success," says Foley. "How well the company does directly affects how well you do. You're providing your time, talent, availability and intelligence in exchange for a dividend, called a paycheck. That makes you an investor."

"And investors conduct 'due diligence' before agreeing to sign on with a company," says Foley. "So you need to conduct your job interview with an eye toward what kind of return you can expect to realize from your investment."

Here's what you need to know:

• The company's past performance record: What has been the company's percentage growth in the last three to five years? How did they recover from past mistakes?

• The company's future plans: Where does the company see itself in the next three to five years? What is its long-term vision? What is the long-term vision for the department you are interviewing in? Is your position a key, strategic one? Or, is it ultimately a cost-center that could easily be eliminated during the next budget cut?

• What is the company's exit strategy? Does the company intend to position itself for an acquisition, merger or public offering? When? What could that mean to your own career?

• Competitors: Who are they and how is the company ranked among them? Does the company understand its competitive position?

• The innovations and improvements the company has recently made to stay competitive: What new products has the company introduced to the market? What cost-saving measures has the company implemented? What do those measures say about the company's overall values and people philosophy?

• The company's marketplace: Is it in a growth market? Will you be investing in the future or would you be wasting precious time trying to revive a doomed industry?

• Key players: Who are they? What are they about? Every investor wants to know who is on the management team. Search for articles or ask others. It may even be a smart career move to take a pay cut or a short-term position just to have the opportunity to work with certain stars in your field of expertise.

• The company's culture: What three words would the hiring manager use to describe the company's culture? It's important that the culture fits with your own personality.

• The company's purpose: What is its mission statement? What does the company stand for when everything else (the fancy address, the furniture, the advertising budget, the primary customers) falls away? Do you identify with those values?

• Investing in you: What is the company's employee development program? The employee development program is a stock option program in yourself. Your relationship with the company should improve the value of your own personal shares — your own net worth in the marketplace. This is achieved through training, conventions, and "stretch" assignments.

"Whether the employer is a large corporation or a small, entrepreneurial firm, if it is asking you to consider joining their staff, it is asking you to invest in its future," says Foley. "Treat it as a very valuable business proposition. That's the bodacious way!"
