On Wednesday, April 26, Gorman students and one teacher were recognized for their outstanding performances on the state and national level. The State Board of Education chose five persons from Gorman High School to recognize as part of the *Texas Celebrations of Educational Excellence*. Those recognized were Samantha Stephens, Amparo Madera, Melissa Clark, Diana Glover, and Kayla Duke. Parents and school representatives Bill Sandlin and Gene Shackelford also attended.

Samantha Stephens represented the FHA Star Events Team and received awards for herself, Sarah Reeves, and Janice Glover. The team was honored for their work with Kindergarten children. They have had several projects this year with the four and five year olds at school on Child Safety.

Donations Needed For Bill Underwood Family

An account has been opened at Security State Bank in Gorman to receive contributions for the Bill Underwood Family.

Bill and Angie's baby son, Tyson Jade was born on May 1st in Stephenville. He later contracted a Staph infection and was taken back to Stephenville and then transferred by ambulance to Cook Children's Hospital in Fort Worth. He has been hospitalized there for about the last ten days.

The day after the baby was hospitalized, a storm destroyed the Underwoods' barn, and lightning stuck their water pump.

This is a good opportunity for the folks in our community to come together as they have so many times in the past to help a neighbor in time of need.

You can make a deposit personally or you can mail it to Security State Bank. Checks may be made to Bill Underwood Family Fund.

Gorman Panthers Defeated In Practice Game 6-4

On Monday, May 15th the Gorman Panthers traveled to Bangs to play the Dragons in a practice game and came away on the short-end of a 6-4 contest.

The game started as a defensive struggle with neither team scoring in the first two innings. The Panthers broke on top in the third inning with the help of four walks. The last of the walks came by Jerry Krause to force in Adon Rodriguez. The lead lasted until the bottom of the fourth inning when Bangs scored five runs to take a 5-1 lead. The Panthers responded by scoring two runs of their own in the fifth. Jason Johnson led off the inning with a single. Donald Majors followed with a little dribbler in front of the plate that the Bangs pitcher turned into a two base error. Johnson was able to score on the next pitch when the catcher threw the ball away. Don Mauney then hit a hard grounder to second base to score Majors.

The sixth inning saw the Panthers close the gap to 5-4 as they scored another run. Kris Carlton led off the inning and reached first on a throwing error. Tom Bynum followed with a single with Carlton taking third. Johnson drove Carlton in with his second hit of the game. This would be all the runs the Panthers would score while Bangs added a single run in the sixth inning to win 6-4.

"This was a good contest for us. Bangs has a good ball club with quality pitching. We needed to face some good pitching to help us get ready for the playoffs. I wish we would have played better defense, but maybe we got that one bad game out of our system," stated Coach Pettit.

Some Things Are Almost The Same

On a recent trip to Abilene to tape a TV program, the exchange students find some familiar sights. Some things are the same the world over. All teenagers, whether Texans or Europeans like hamburgers, french fries and cokes.

Michael Nielsen, from Denmark, going to school in Eastland; collin Hilderbrandt, from Holland, going to school in Ranger; "Mummy" Bjornsson, from Iceland and going to school in Rising Star; and Tihó Surdaloovic, originally from Yugoslavia, and whose parents live in Berlin - find that there are nice people all over the world. Each have found host families, school teachers and administration and new friends are all willing to help get them thru unfamiliar situations that arise.

Soon they will be saying good-by to new found friends and families and heading back home after almost a year here in Texas. They have had a year of new experiences and will take back home the warmth in their hearts of the "real Texas", and a better understanding of international relationships.

It is time once again, to find homes for incoming students who will be here in August for the next school year. If you are interested in hosting a student and put some excitement and new experiences in your life, call 817-734-2517 Eula Miers, Area Representative of the ASSE International Student Exchange Programs, or 1-800-333-3802. Students from 25 countries, including the former USSR, are still available. If you have a preference of boys or girls or countries, we try to match a student to your family.
