## Peanut Festival Huge Success

Gorman, Texas, a quaint farming community, was full of celebration on Saturday September 14, as people came from far and near, to honor the peanut, during the Gorman Peanut Festival and Parade. The parade committee would like to first, thank everyone who participated in the parade, without you, this would not have been the best Peanut Festival Parade ever. Thank you to our Grand Marshals, political officials, and helpers who volunteered their time to help with this year's parade. At 10am sharp, the sirens of the local police cars could be heard, leading the parade downtown. Following, on gallant horseback, the American and Texas Flags, waved in glory, as Grand Marshals Odie Brightwell, 101 year old resident of Gorman and Mary Webb, first woman inducted into the Peanut Hall Fame, waved to the crowds which gathered down the streets of Gorman. Next, over fifty different entries, from elaborately decorated floats, cars, tractors, children on 4-wheelers, marching bands, cheerleaders and horses, made their appearance on the parade route. Several area politicians, queens, and duchesses also did their parts to greet the onlookers. As the parade made its way through town, each entry was announced at the Grand Stand, and the winners in each category received their trophies, plaques, and ribbons. ## Notification to Private Schools and Home Schools

The purpose of this letter is to notify you of the conditions, under the Individuals with Disabilities Education Act (IDEA), through which special education and related services may be provided to children with disabilities voluntarily enrolled by their parents in private schools, including religious and home schools.

**Child Find**—The local Education Agency (LEA) has a child find system for identifying, locating, and evaluating all children with disabilities (birth through 21) residing in the school district, including children with disabilities attending private schools, regardless of the severity of their disabilities, and who are in need of special education and related services.

If you have a child or children whom you suspect of being disabled, you may initiate a referral for a full and individual evaluation by notifying your local school district or East End Education Co-op at 254-734-2020.

Children who have not been identified through the child find process and determined to be eligible for special education and related services by an Admission, Review, & Dismissal (ARD) committee cannot be included in the determination of services described below.

**Services to Parentally Placed Private School Children with Disabilities**—The law does not require that services be provided to all children with disabilities voluntarily enrolled in private or home schools, or to every private or home school. However, every effort will be made to provide appropriate services with proportionate IDEA funds. If you will contact your local school district or East End Education Co-op, you will assist us in our effort to accurately count all IDEA eligible children enrolled in private and home schools. This count will help to determine how best to use the proportionate share of IDEA funds to meet the needs of children with disabilities voluntarily enrolled in private and home school settings.

If you have any questions, please contact your local school district or Tommie Lee at East End Co-op 254-734-2020.

## PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENT OF PROPOSED CONSTITUTIONAL AMENDMENT  
Special Election  
NOVEMBER 5, 2002

**Explanatory Brief for HJR 2**  
HJR 2 would amend the constitution to allow the commissioners court of a county to declare the office of constable dormant if that office has been vacant for at least seven consecutive years. The records of a constable office that is declared dormant will be transferred to the county clerk. If the office is declared dormant, the previous officeholder does not continue to hold the office. The office may not be filled by election or appointment unless the commissioners court votes to reinstate the office or a majority of votes cast in an election held on the issue favor reinstatement. The reinstatement election may be held if the commissioners court on its own motion orders such an election, or the reinstatement election must be held if the commissioners court receives a petition signed by 10% of the registered voters of the constable precinct.

The proposition will appear on the ballot as follows:  
"The constitutional amendment authorizing the commissioners court of a county to declare the office of constable in a precinct to be dormant if the office has not been filled by election or appointment for a lengthy period and providing a procedure for the reinstatement of the office."

Este es el informe explanatorio sobre la enmienda propuesta a la constitución que aparecerá en la boleta el 5 de noviembre de 2002. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, TX 78711.

Gorman ISD hosted a September 11th Remembrance Rally last Wednesday to pay tribute to our Nation and to those who sacrificed so much to preserve what our country is based on: freedom. The turnout for the event was tremendous and all the people who participated did an excellent job. The GHS Student Council, consisting of Shari Marlow as President, Tana Grissom as Vice President, Linda Olivares as Secretary, Lacy Howard as Treasurer and Ashlee Hornback as Reporter, helped to keep the assembly running smoothly. The Elementary Student Council, consisting of Miles Vann, Matt Underwood, Emily Lewis, Audrey Johnston, Kimmy Seaton, Taylor Chew, Sahara Parker, Jaime Johnston, Brittany Henderson, Slade Cupps, Justin Little, Jacob Singleton, Randy Woodall and Matt Keith, led us in the Pledge of Allegiance and shared many moving quotes and poems with us. Sarah Lewis, Lacy Howard and K'Ann Howard sang the Star Spangled Banner and Amazing Grace beautifully. The Dyess Air Force Base Honor Guard traveled a good distance to demonstrate the important ceremony of flag-folding. Zachary Brian and Andy Abbe explained the significance of the folds as the Honor Guard performed the task. A moving September 11th slide show was given with the help of Chad Robertson, Josh Bridges and Debbie Bureson. The Elementary students sang "America, the Beautiful" with the help of Mrs. Laminack. The Gorman Junior High Cheerleaders performed a routine to the popular Alan Jackson song "Where Were You" and the High School Cheerleaders joined in at the end with stunts. The following students shared quotes, poetry, history or their own personal thoughts about September 11th and America in general: Seniors Brian Hunt, Mayra Lopez and Moritz Niehaus; Juniors Marcie Davis and Lydia Royster; Sophomore Clint Jones; Freshmen Kent Long, Holly Wright (poem written by Kendra Swanner), Cindy Lopez and Tim Guerra; 8th graders Kristy Carlton and Matthew Smith and 7th graders Mary Powell and Corey Clark. We ended the Remembrance Rally with an uplifting America cheer performed by the Junior High and High School Cheerleaders after which patriotic footballs were thrown to the crowd.

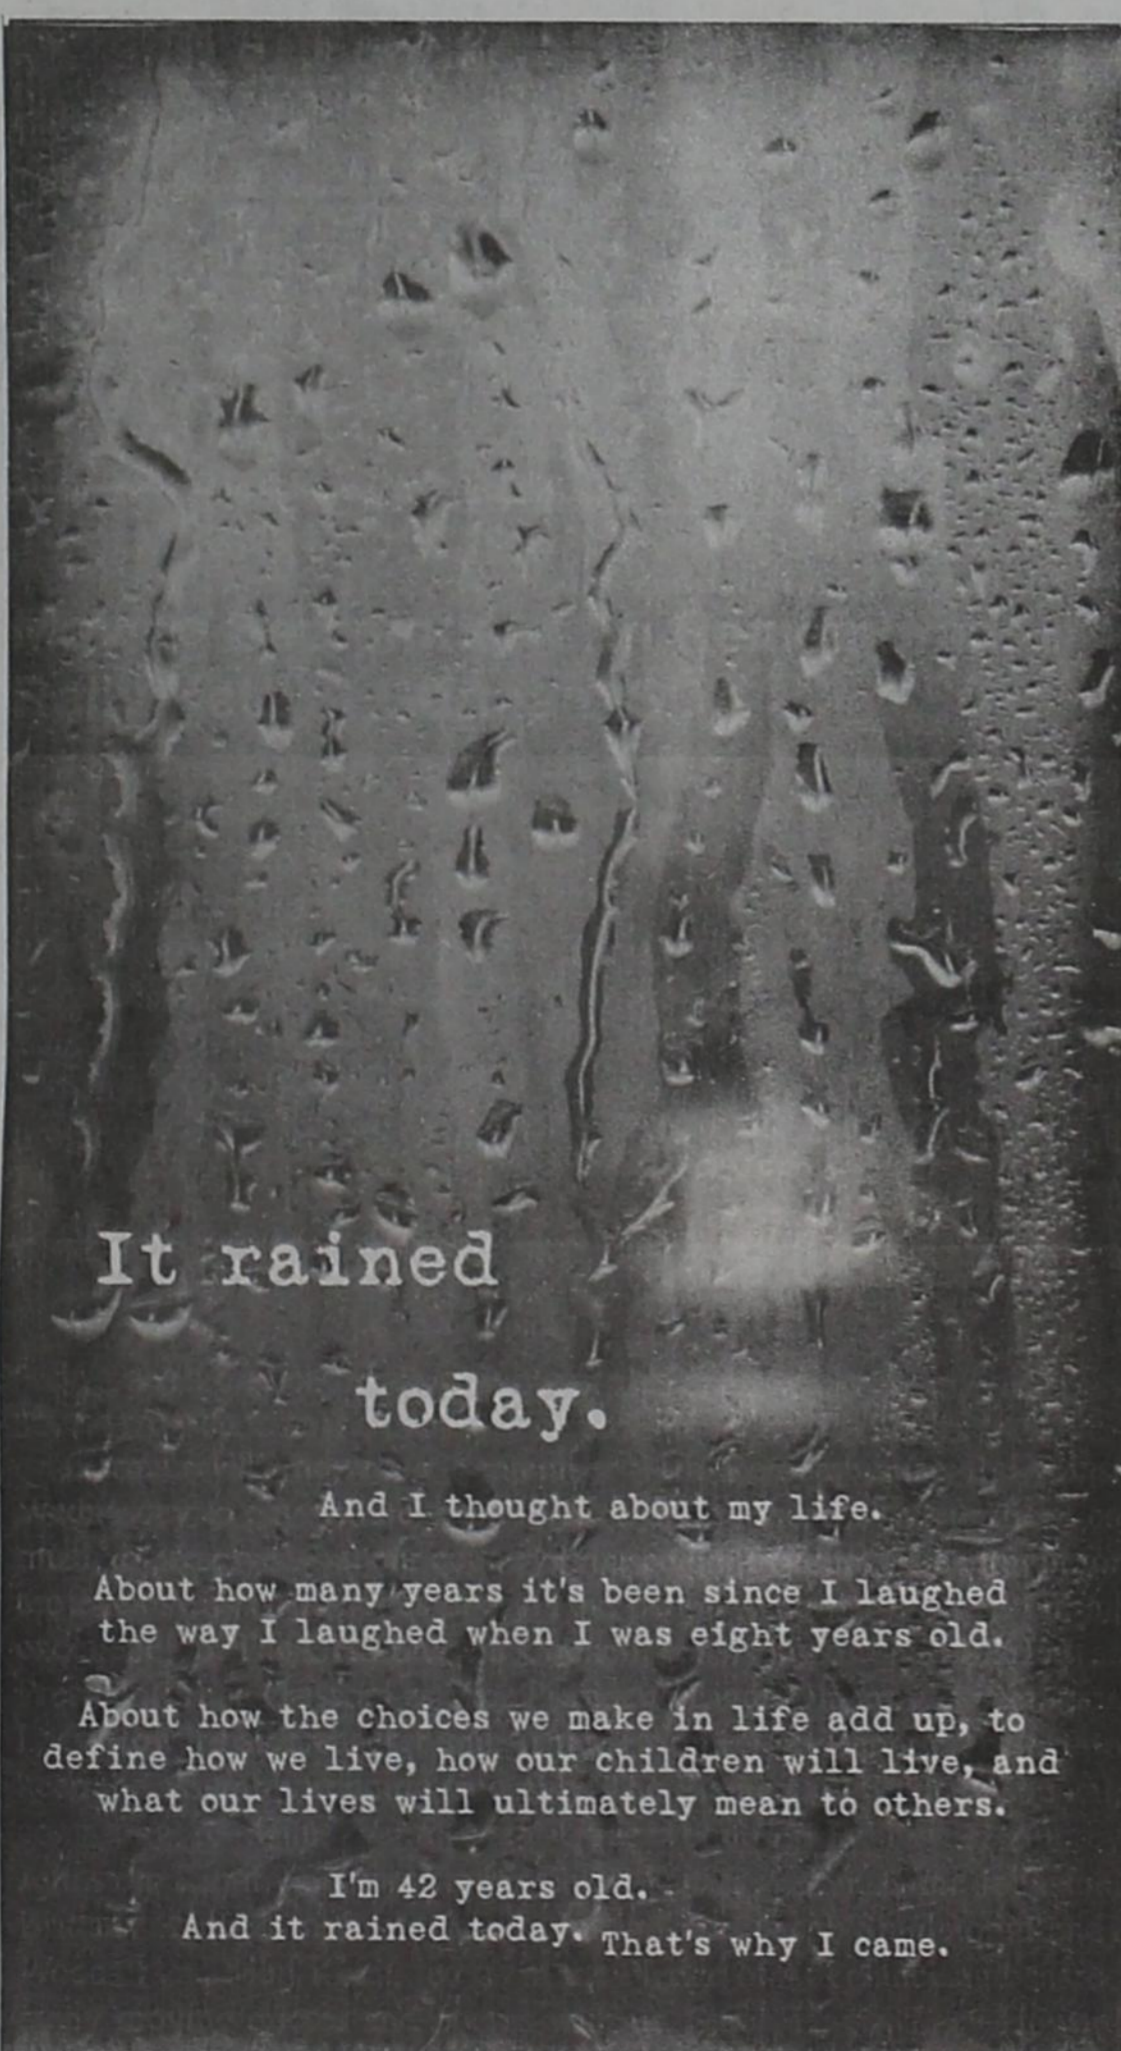

We would like to thank everyone who attended the assembly to help us honor our fallen heroes, our country and our freedom. We would like to give a special thanks to the Dyess Air Force Base Honor Guard for traveling so far to share the special flag folding ceremony with us.

Thank you to the High School and Elementary Student Councils, the High School and Junior High Cheerleaders and to all those who shared their patriotic and motivational quotes and writings. Thank you also to the Elementary teachers and classes for your hard work in creating the beautiful flags we used to decorate the auditorium. Thank you to every teacher and administrator for your help and your support in making our September 11th Remembrance Rally happen. September 11th is a day that must never be forgotten. We must remain united and devoted to protecting and supporting America and one another. With hope, love and faith, we will always prevail. Submitted by Lacy Majors

## Thank You

We are sure that many people of this area would like to join us in saying thank you to the faculty and students for the Remembrance program held on Wednesday September 11. The program was very well planned and put together. It showed lots of hard work and a lot of emotion. It really gave a strong sense of pride from our school system. We are very proud of the students and faculty for this presentation. Thank you again. And, yes, God has blessed our America.

## Kokomo News

By Zelda Jordan

A special "Time Of Remembrance" of 9-11-01 was observed at the Sunday morning service at the Kokomo Baptist Church on September 15. Woodrow Browning directed the singing of "God Bless America" with Helen Browning at the piano and Glynda Bond at the organ. Joe Bond led us as we said the Pledges of Allegiance to the United States Flag, the Christian Flag and The Holy Bible. Bro. Clarence Wilson read an article written about the tragedy of 9-11-01. Oren Webb voiced the prayer thanking the Lord for all our blessings and asking for His protection over us and guidance and wisdom for the leaders of our nation. The special music was by the choir: Crystal Snider, Sylvia Buchanan, Leona Wilson, Ruby Lee Kinser, Helen Browning, Norma Webb, Oren Webb, Jimmy Little, Joe Bond and Woodrow Browning with Glynda Bond at the piano.

Norma Webb gave a mission emphasis encouraging us to pray for the Christian mission endeavor in the State of Texas, and challenged us to give generously to our Mary Hill Davis Mission Offering so the gospel of our Lord and Savior Jesus Christ can be spread throughout the state to the millions who do not know Jesus as Savior.

"Happy Birthday" was sung to Zelda Jordan who had a birthday recently. Visitors were Roy and Sharon Davis of Odessa and Tori Hart of Desdemona.

Recent visitors with Larry and Betty Strube were Mr. and Mrs. Steve Forrest and three year old twins, Cindy and Brody of De Leon, W. A. Ross of Comanche, Johnny

and Brenda Dickey of Comanche and Jerry Ross of Comanche.

James, Jantzen and Chelsea Webb of Granbury came for a visit and lunch with Oren and Norma Webb on Saturday.

Monday Dan and LaVon Snider went to Hollis, Ok. for a visit with Jamie Snider's family.

Friday night Ted and Charlotte treated LaVon to a fish dinner at Cook's Fish Barn. Recent visitors of LaVon were Justin, Dan, Dianne, Sandra, Gene, and Ted Snider.

Joe and Glynda Bond visited in Bullard from Tuesday until Thursday morning with his sisters, Mel Bond and Eloise Shock. They enjoyed a Texas Ranger - Seattle ball game at the Ball Park in Arlington on Thursday afternoon. Texas won the game.

Sylvia Buchanan had lunch with her mother, Nancy Hendricks on Sunday. Other visitors with Nancy were Roy and Sharon Davis of Odessa, Glynda and Joe Bond, Doris Bradshaw, and Zelda Jordan.

Glenda Black and grandsons, Ryan and Kody Daniell of Abilene spent Friday night with Zelda Jordan and they all enjoyed the Peanut Festival Parade in Gorman on Saturday morning. We thought it was a very good parade.

I want to send Congratulations to a great-grandson, Justin Miles in Austin for being named 'Student of the Month' at his elementary school. He is the son of Joe and Viki Miles, and Jesame Miles of Austin, and the grandson of Glenda and Leon Black of Abilene, and Roddy and Judy

Miles of Lake Brownwood., and Harry and Cherry Taylor of Manor.

Glynda Bond visited with Zelda Jordan on Monday morning.

I had a telephone call from Ricky Fuller of Pittsfield, Ill. on Saturday evening and he asked about many of his friends in this area and asked that I say hello to everyone for him. Hello to you again, Ricky. It was good to hear from you and Pat.
