Gorman Senior Citizens Center Presenting Program

Gorman Senior Citizen's Center is presenting a program by Mary Graves, Community Development specialist, USDA—Rural Development on Wednesday, February 5, 2003 at 10:30 a.m.

Ms. Graves will be speaking on low interest rate loans and/or grants for repairing homes. In order to qualify for one of these programs, you must be a very-low income family and own your home. Repairs include but are not limited to roofs, windows, insulation, plumbing, handicap accessibility, and bathrooms.

Ms. Graves will also be providing information on the home-ownership, low interest rate loan program offered by Rural Development. This program is designed to assist low and very-low income families with decent, safe and sanitary affordable housing at reduced interest rates.

If you or someone you know is interested in this program, please join us Wednesday. Everyone is invited and Ms. Graves will provide some time for questions and answers.

We Need Your Help With This Project

The Eastland County Judge Brad Stephenson is wanting a picture of each of the Eastland County Judges. He would like to have a negative of each one so that the pictures will be of uniform size. They will hang in the court room. It would be very interesting if we could have some of the vital information on each one also.

An example of what we would like to have is as follows: James Henry Calhoun was born 1849 in Georgia. He married Jennie Conner January 1, 1882 Eastland County. She was born 1865. He died 1919 and she died in 1921. They are buried in the Oakwood Cemetery of Cisco. Their children were Truman H., Maud, Della who married George E. Drewey, Claude L., and Earle. He was in Eastland County by 1880. He was District Attorney twice and served 1876-1877. He was a Methodist.

Any information of negatives will be greatly appreciated and may be sent to Wanda Skinner Route 3, Box 300 Eastland Texas 76448. My e-mail address is wskinner@eastland.net.

EX STUDENTS ASSOCIATION

Did you graduate from Gorman High School? Did you ever attend Gorman Elementary or High School even for a short time? Then you are a Gorman Ex-Student! **And we want to hear from you.**

As you know, every fall we have a special event for those who attended one of the Gorman Schools and who want to come back to visit the schools and to reminisce with former classmates. Some of the people who come are local and some are from far away states who have a yearning to return to their "roots" where their formal learning began.

This year the Ex-Student Association will have its annual event on the second Saturday in September, allowing ex-students to not only attend our meeting but to attend the annual Gorman Peanut Festival as well. The Peanut Festival has many events which ex-students will be able to attend such as the parade downtown. **So mark your calendars for September 13, 2003 to be in Gorman.**

The Ex-Student Committee for 2003 is beginning early to plan the Ex-Student meeting so that we can include in our planning some of the suggestions you may have to offer us. Please mail any suggestions you may have to committee member Betty (Rodgers) Heathington, 301 CR 327, Gorman, Texas 76454 or e-mail her at bsheathington@earthlink.net. For information about address changes or other updates, please e-mail committee member Marilyn (Stewart) Warren at gprogress@txbusiness.com. Other committee members who would like to hear from you are Cecilia (Self) Hirst, Francis (Kellogg) Simpson, Sylvia (Hendricks) Buchanan, and Carolyn Gilbert. We will share information through this column about fall events and some of the people who will be arranging certain events.

Let us hear from you!

An Eastland County Jury found a Cisco man guilty on cocaine possession charges Tuesday afternoon after hearing testimony in the 91st District Court. Wilton Gerald Powell, 40, was convicted of the drug charges after the jury deliberated less than ten minutes. This case, which has been presented for trial on two previous occasions prior to this year, stems from an arrest of Powell on June 13, 2001 by Cisco Police Officer James King. Officer King testified that Powell had given a written consent to search Powell's 1974 Volkswagon Beetle at which time several items of drug parapher-

nal was confiscated as well as a "crack cocaine pipe" which contained a quantity of controlled substance. The jury also heard testimony from a Texas Department of Public Safety chemist who confirmed that the substance was cocaine. The range of punishment for this type of offense is up to two years in a State Jail Facility; however, due to previous felony drug convictions, the Criminal District Attorney's Office enhanced the charge to a second degree felony which has a punishment range of up to twenty years in prison and a \$10,000.00 fine. Powell remains in the Eastland County Jail awaiting sentencing which is scheduled for January 30.

Quincy Crawford Sentenced to Prison

The second jury selected and sworn this week in the 91st Judicial Court of Eastland County was to hear testimony in a sexual assault of a child case pending against Quincy Crawford. The offense occurred in April 2000. Before the jury was brought back in on what was to be the first day of testimony, Quincy Crawford admitted he was guilty of the sexual assault and that he was guilty of tampering with a prospective witness in that case. Although Quincy Crawford was eligible for a probated sentence, the Criminal District Attorney's Office sought a prison term based upon the nature of the offense and his reputation in the community for unlawful activity.

The plea of guilty by Quincy Crawford prevented the child victim from further trauma. Judge Steven R. Herod sentenced Quincy Crawford to the maximum term of confinement for his conviction of tampering with a witness and ten years confinement in the Texas Department of Criminal Justice for the conviction of sexual assault.

Tickets are \$20 for adults and \$10 for children and students. All tickets are open seating.

Centennial Memorial Library Receives Grant

Texas State Library Commissioner Elizabeth A. Sanders will formally present a \$1,567 library grant to Librarian Kay Mabry and the Thursday Study Club of the Centennial Memorial Library in Eastland, on Feb. 6, 2003, at 2:00 p.m., at the Centennial Memorial Library. Senator Troy Fraser and Representative Jim Keffer have both been invited to participate. An open house will follow the ceremony. The public and media are invited to attend. Eastland's Centennial Memorial Library received \$1,671 in grant funding last year and is receiving an additional \$1,567 this year as part of a new state program, Loan Star Libraries. Texas State Library Commissioner Elizabeth A. Sanders and Loan Star Libraries Manager Margaret Whitehead hope to focus attention on the wealth of resources the Centennial Memorial Library provides Eastland residents.

Notes Sanders, "Good public libraries improve the quality of life in a community, and the goal of Loan Star Libraries is to make every Texas library a good one."

Eastland's Library Director Kay Mabry plans to use the funds to update electrical and computer wiring in the library, which is housed in an aging building. The Eastland community has been awarded a \$525,000 Community Network Grant from the Telecommunications Infrastructure Fund Board, and the library is planning ahead for the new public access computers that will be available within the library.

The grants are made possible through a statewide program of the Texas State Library and Archives Commission, Loan Star Libraries. The 77th Texas Legislature funded the program, and with the distribution of grants this year, almost \$6 million will have been given to 525 Texas libraries in just two years. Abilene Public Library is receiving a grant of \$12,752.

Kokomo News

By Zelda Jordan

It got a little cold around here last week, down to 18 degrees or so a couple of mornings. But there was no moisture so there was no icy conditions, thank goodness.

"Happy Birthday" was sung to Dianne Snider at the Sunday morning service at the Kokomo Baptist Church. The special music was presented by Aletha Burgess, Leona Wilson, Sylvia Buchanan, Ruby Lee Kinser, Helen Browning, Daryl Hirst, Oren Webb, Jimmy Little, Joe Bond and Woodrow Browning with Glynda Bond at the piano. We were happy to see Leona Wilson back after being out for two Sundays with a sinus problem.
