At the Sunday morning service at the Kokomo Baptist Church Norma Webb gave an emphasis on Missions and Missionaries around the world who need our prayers and our mission offerings so that the gospel can be spread throughout the world so all might hear and want to know Jesus Christ as their Savior.

Karen Patterson of Eastland was a visitor at the morning service. "Congratulations was extended to Charles and Carolyn Little for their 40th wedding anniversary. Would you like free room, board, and books to go with it?

Consider the United States Military Academies.

Institutions such as the Air Force Academy, the Naval Academy, West Point and the Merchant Marine Academy are looking for bright, highly motivated high school students who can carry on their tradition of excellence. They could be looking for you or someone you know.

At the service academies, cadets receive a prestigious four-year degree that commands respect. They can specialize in a variety of high-tech, science and mathematical programs or in areas such as military history. After graduation, they are guaranteed a job in the Armed forces.

Applying to the service academies is much like applying to other four-year institutions, but there are requirements on citizenship, age, physical ability, and moral character. Those seeking admission to the academies also need the recommendation of a member of Congress to be considered for acceptance into the academies.

I am always looking for outstanding students who are interested in pursuing an academy education. Applicants should be residents of the 17th District and be between the ages of 17 and 22. Interested students should contact my Washington office by the spring of their junior year in high school.
