Gorman Peanut Festival September 13

Things are beginning to look like Peanut Festival Time. I really appreciate Lisa Deel taking time to paint the windows around town. She has done a fantastic job. Thanks again Lisa.

We are glad to be able to combine the Homecoming Activities with the Festival. Thank you Homecoming Committee for making this possible.

Our Festival emphasis this year is on our ex students as well as all those who have served in the military. Show your spirit...patriotic—school, wear Red/White/Blue.

Amy Johnston is chairperson for the Little Goober Parade. Her theme Red/White/Blue.

Julie Clark is chairperson for this years peanut Parade. She has asked several of our local ex-students who are not in the military (and can be here) to serve as Grand Marshals.

We will not have a carnival this year. They cancelled out at the last minute. We have made arrangements to have an inflatable slide and castle for most of the day. We have a few game booths signed up as well as there will be free games for everyone to join in. Kevin Scitem is chairperson for the free games.

Janet Sanders is Chairperson for booths. She has had several signed up for food, arts, crafts, toys, and commercial booths, and an author who writes children's books has made arrangements to be here.

Cecilia Hirst is Chairperson for entertainment and she has a full afternoon of entertainment planned, so be sure and bring your lawn chairs.

Robbie Dodd is the Chairperson for the 42 Tournament to be held in the Sr. Citizen Building.

Amy Johnston is Chairperson for the Volleyball tournament that will be held in the park.

Liz Caraway is the Chairperson for the Goober Gourmet Bake-Off to be held in the Sr. Citizen Building.

Jeanie Whittier is Chairperson for the Car Show. There will be different classes of cars. Be sure and go by and vote for the one you like best.

Tiffany Childers is the Chairperson for the Peanut Queen Contest. It will be held at the high school auditorium at 4:00 p.m.

There will be a drawing for merchandise and cash throughout the day following the parade. **You must be present to win.**

Pat and Darrell Graham are the Chairpersons for the Dr. Pepper booth. Darrell is also our sound system person.

Jud Maxfield is Chairperson for getting the Ice Machine and getting the banner up over Highway 6 and reminding the businesses to put up their flags.

Jerry and Virginia Skaggs have elected to have the Grand Opening of "Antiques From Our Father's House" on the day of the festival.

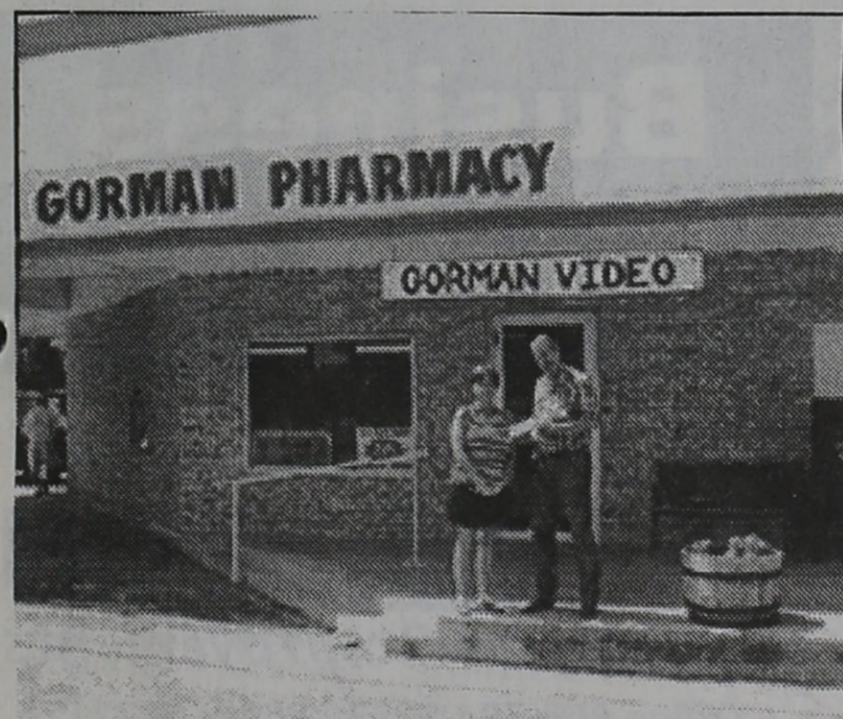

The ex-student committee will host a Fish Fry starting at 7:00 p.m. Part of the proceeds from this will be used to help buy a trophy case for GHS.

There will not be a street dance this year, but as you can see we have a full day of fun planned. So make plans now to come out and join the fun.

It is so great to see everyone working together to make this years Peanut Festival a big success.

Since there are not many peanuts around Gorman, and with Birdsong moving part of their operation to West Texas, it has been suggested that we change the name of the Peanut Festival. What do you think? Leave it the Peanut Festival or change the name—if so what do you suggest we call it?

s/Ina Smith, President

Pictured here are George Simmons, owner of Gorman Pharmacy, and Lori Dodd, Gorman EDC director. Gorman Pharmacy participated in a Signage Assistance grant offered by the Gorman EDC. Any business want new signage for the building can apply. The locally sponsored grant pays for 50% of the cost up to a \$250 reimbursement. Other businesses that have participated are Dr. Dan Brudnak and Sharp Imaging.

The Gorman Panthers of 2003 will officially open their season this Friday night, September 5th at Santo where they will take on the always tough Wildcats in a 7:30 p.m. game.

The Wildcats are returning a well experienced team this season and are expected to have a tough time in their district race being picked #5 in the picks. However, the Wildcats always play the Panthers a real battle and this year's meeting is expected to be another tough contest.

The Panthers have been working very hard this season and despite being short in numbers they are making up the difference in hustle and desire and are working exceptionally hard to make this season a winning one.

The Panthers will be led by Seniors - Trent Withers, QB/RB/LB at 5'8" and 160 lbs., Sawyer Wright, RB/DB at 6'0", 165, Roberto Rodriguez, RB/DB, 5'7", 135 Lb., and Lance Jones, RB/OL/LB, 5'8", 165 Lb. There are also four Juniors: Ryan Wright, QB/SE/DB, 5'7", 115 Lb., Clint Jones, OL/DL, 5'11", 165 Lb., Gil Cochrane, OL/DL, 5'11", 165 Lb., and J. T. Whitfill, OL/DL, 5'8", 260 Lb. There are three Sophomores: Ande Abby, OL/DL, 5'9", 180 Lb., Tim Guerra, RB/LB, 5'9", 165 Lb., and Zach Bryan, OL/DL, 5'8", 160 Lb. The Freshmen are: Reggie Sanchez, SE/DB, 5'9", 130 Lb., David Ibarra, OL/DL, 5'8", 140 Lb., and Pete Ramirez, OL/DL, 5'6", 155 Lbs.

These young men have put in a lot of time trying to make up a fine team and will shown the fans that they deserve their backing and support this year.

So, lets all follow the Panthers to Santo and back them all the way.

Go Get 'Em Big Red!!!

Gorman Lion's Club Blood Drive Sept. 8

The Gorman Lion's Club will host a community blood drive on Monday, September 8. The Meek Blood Center Bloodmobile will be at the City Park from 1 p.m. until 6 p.m. Meek Blood Center supplies blood to sixteen medical facilities in the Texas Midwest.

Each pint of blood donated can save up to three lives, according to a Meek Blood Center spokesperson. Those who may need blood or blood products include cancer patients, surgical patients, premature babies, obstetric patients, accident or trauma victims and patients with blood disorders.

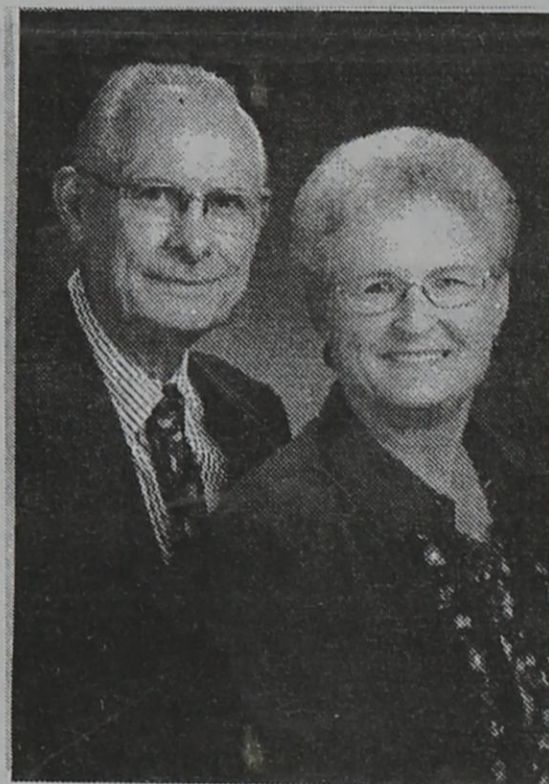

Blood donors must be at least 17 years of age, weigh at least 110 pounds and in good health. Aspirin, and most maintenance medications including blood pressure, cholesterol, thyroid, hormones and anti-depressants are acceptable. There are some restrictions regarding some medications, certain medical conditions and some travel areas outside the U.S. Those who have questions regarding donor eligibility may call 325-670-2805. Donors are asked to eat a meal and to drink plenty of fluids prior to giving blood.

Each donor will receive a mug and a complimentary total cholesterol reading. Cholesterol results may be obtained two days after the blood drive by calling 325-670-2799.

Coming to Eastland County April 2004 Relay For Life

"Cancer Does Not Stop For Nighttime."

RELAY FOR LIFE starts at dusk and ends at the next day's morning. The light and darkness of the day and night parallel the physical effects, emotion, and mental state of a cancer patient while undergoing treatment.

The RELAY begins when the sun is setting. This symbolizes the time that the person has been diagnosed as having cancer. The day is getting darker and this represents the cancer patient's state of mind as they feel that their life is coming to an end.

As the evening goes on it gets colder and darker, just as the emotions of the cancer patient does. Around 1:00 a.m. to 2:00 a.m. represents the time when the cancer patient starts treatment. They become exhausted, some sick, not wanting to go on, possibly wanting to give up. As a participant, you have been walking and feel much the same way. You are tired, want to sleep, maybe even want to go home, but you cannot stop or give up.

Around 4:00 a.m. to 5:00 a.m. symbolizes the coming of the end of treatment for the cancer patient. Once again they are tired, but they know they will make it.

The sun rising represents the end of treatment for the cancer patient. They see the light at the end of the tunnel and know that life will go on. The morning light brings on a new day full of life and excitement for new beginnings for the cancer patient. As a participant, you will feel the brightness of the morning and know that the end of the RELAY is close at hand.

STROKE SCREENING!

During the month of September, Sharp Imaging will be performing low cost stroke screenings for the citizens of Gorman and surrounding areas. This test is a 10-15 minute, non-invasive, painless, ultrasound test to evaluate your carotid arteries in the neck. (These arteries supply blood and oxygen to the brain.) If there is a build-up of fatty plaque, or any clot formation in these arteries, then it *could* cause a stroke.

Father, We Thank Thee

For the flowers that bloom about our feet,
 Father, we thank Thee;
 For tender grass so fresh and sweet,
 Father, we thank Thee;
 For the song of bird and hum of bee,
 For all things fair we hear or see,
 Father in Heaven, we thank Thee;
 For this new morning with its light,
 Father, we thank Thee;
 For rest and shelter of the night,
 Father, we thank Thee;
 For everything Thy goodness sends.
 Father, in Heaven, we thank Thee.

Kokomo News

By Zelda Jordan

The fifth Sunday night Singing was held at the Kokomo Baptist Church and what a wonderful singing it was. If you weren't there you really missed a blessing. A large crowd from several area churches came to join together to worship our Lord in song. There was lots of good congregational singing and beautiful specials that lifted our hearts in spirit. I think

A "Happy Birthday" to my great-grandson, Justin Miles of Austin, who was eleven years old on September 2, from Great-grandma Jordan at Kokomo.

A nice rain fell in the community on Saturday night and Sunday. I heard reports from about an inch and half to just over two inches. And wasn't the cooler weather nice? I would sure vote for that to continue.

I'm thinking that dove season opened today for I heard a lot of shooting round about early this Monday morning.

May the good Lord bless you all this week.
