Kaci Seaton Named Peanut Festival Queen

Kaci Seaton is shown above after being named the Peanut Festival Queen for 2003-2004. She was crowned immediately following the parade.

Peanut Festival Says Thank You

The 2003 Peanut Festival was a Big Success thanks to all the hard work of each chairperson and their committees.

Marilyn (Stewart)Warren, ex-student, and *The Gorman Progress* did a great job getting the news about the Peanut Festival out to Gorman and the surrounding towns.

The downtown area was decorated and ready for the Festival, thanks to Lisa Deel who painted the windows, Robert Ervin, Glenn Scitern, Charlie Buckmaster, Joe Williams, Shawn Boles and the Ag. Students.

Vendors started setting up early Friday afternoon. On Sat. Morning some vendors started setting up before 6:30 a.m. Janet Sanders did a great job getting 28 vendors to the festival.

Ex-students, Amy Scitern Johnston and Brenda Scitern Tucker did a great job with The Little Goobers Parade everyone always enjoys watching the kids and all the 'Little Goobers' really showed their spirit.

We had a great parade thanks to Julie Brown Clark (another ex-student) and her helpers: Shirley Good, Jerrilyn Wilkerson, Roger Woodall, Jr. Hampton, ex-students, Tacy (Burns)Keith, Billy Don Simpson, and Lupe Torres. We really appreciate Julie for getting the ex-students who are currently in the military to serve as our Grand Marshals. We wish more of them could have been here. But it was an honor to have Brian Simpson, Aaron Grice, and Clay Sandlin here. Thank you guys for leading our parade and fighting for our country.

Daryl Hirst, ex-student, did a great job emceeing the parade. Helping him were Durwood and Aletha (Garrett) Burgess, and Gene Foster.

We appreciate all those who have served in the Military and took part in our opening ceremony. Each one was presented with a small American Flag, compliments of American State Bank.

Paula Eaves Harris did a wonderful job singing the National Anthem. Paula is also a ex-student. Thank you Paula.

Panthers Drop Pirates 38-6; Play At Evant Friday Night

GAME AT A GLANCE		
Gorman		Perrin-Whitt
18	First Downs	6
45/319	Carries/Yds.	12/-11
65	Yds. Passing	97
4 of 12	Passes/Comp.	5 of 22
0	Interceptions	2
2 - 1	Fumbles/Lost	2-2
3/25	Punts/Avg.	6/25
12/100	Penalties	5/35

The Panthers finally woke up Friday night in the game with Perrin-Whitt in a penalty plagued game and after scoring 14 points in the first two quarters, they came alive in the second half scoring 12 in each of the last two quarters for a 38-6 victory. The Panthers were hit with 12 penalties for 100 yards.

After playing on even terms for most of the initial quarter the Panthers started a drive from their own 46 and scored in only six plays with Roberto Rodriguez getting the final 7 yards on a run with 1:08 left. The kick try failed and Gorman led 6-0. The drive featured runs of 4 and 14 by Tim Guerra and 4 and 3 by Rodriguez.

Then after holding the Pirates and forcing a punt, the Big Red took the ball on their own 41 and went the distance in 10 plays with Sawyer Wright getting the honors from 10 yards out on a run with 6:12 left in the half. A pass from Ryan Wright to Sawyer added the 2 pointer for a 14-0 lead at halftime for the Panthers. The drive featured runs of 2 and 11 by Sawyer and 17, 3 and 1 by Guerra and 18 by Rodriguez.

During the intermission the Pirate Cheerleaders and Drill Team performed routines and the Panther Marching Band thrilled the fans with their routines.

The teams exchanged possessions two times each before the Panthers got a break by intercepting a Pirate pass by Zachary Bryan to set them up at the Pirate 24 yard line. From there Gorman scored in just two plays when Ryan Wright hit Rodriguez on a beautiful 22 yard pass for the score with 5:27 left in the third. The pass try for 2 points failed and Gorman was up 20-0.

After exchanging possessions on a couple of occasions the Panthers got another break when they intercepted a Pirate pass by Lance Jones and returned it to the Perrin-Whitt 15. After being hit with a 10 yard holding penalty, Ryan Wright tossed a strike to Sawyer Wright on a great 25 yard pass for the score with just 22 seconds left in the third. The kick try failed and Gorman was up 26-0.

Then after holding the Pirates and forcing a punt the Big Red took the ball on the 50 yard line and scored in just two big plays with Rodriguez setting the Panthers up on the Pirate 4 on a sizzling 46 yard scamper. Sawyer Wright got the

score on 4 yard run with 10:39 left in the game. The run for points failed and Gorman led 32-0.

Following another Pirate turnover via the fumble route the Big Red took the ball on their own 47 and scored in just two plays with Rodriguez getting the the 53 yards on a electrifying run with 9:39 left in the game. The kick try again failed and Gorman was up 38-0.

After being held all game by the Big Red defense the Pirates got the ball on their own 28 and scored in 7 plays with Phillip Eakman getting a 35 yard bomb from Cody Seaton to set the Pirates up at the Gorman 5. Cody Seaton carried in for the score with 2:05 left in the game. The try for points failed and the final score was 38-6.

The Big Red Defense did a good job all night holding the Pirates to a minus 11 yards on the ground after tackling the Pirate passer for minus yardage on numerous occasions and allowing only 97 yards on passes and most of those came on the last drive by the Pirates.

Roberto Rodriguez led the Panthers with a whopping 192 yards on 13 carries and catching one pass for a score and scoring on 53 yard run and 7 yarder. Tim Guerra had 71 yards on 12 tries and Sawyer Wright ran for 56 yards on 11 carries.

The Big Red defense will be put to the test this Friday night at Evant when they take on the Elks. The Elks are much improved and they always give the Panthers a real battle, so follow the Panthers to Evant and shown them our support.

Go Get 'Em Big Red!!!

Gorman ISD Earns State's Highest Fiscal Accountability Rating

Gorman Independent School District officials announced that the district received a rating of "Superior Achievement" under Texas' new Schools FIRST financial accountability rating system. The Superior Achievement rating is the state's highest, demonstrating the quality of Gorman ISD's financial management and reporting system.

This is the first year of Schools FIRST (Financial Accountability Rating System of Texas), a financial accountability system for Texas school districts developed by the Texas Education Agency in response to Senate Bill 875 of the 76th Legislature in 1999. The primary goal of School FIRST is to achieve quality performance in the management of school districts' financial resources, a goal made more significant due to the complexity of accounting associated with Texas' school finance system.

"We are very pleased with Gorman ISD's School FIRST rating," said GISD Superintendent Leslie Vann, "as is shown that our district is making the most of our taxpayers' dollars. This rating shows that Gorman's schools are accountable not only for student learning, but also for achieving these results cost-effectively and efficiently."

The Schools FIRST accountability rating system assigns one of four financial accountability ratings to Texas school districts, with the highest being "Superior Achievement," followed by "Above-Standard Achievement," "Standard Achievement" and "Substandard Achievement." Districts with serious data quality problems may receive the additional rating of "Suspended-Data Quality." Districts that receive the Substandard Achievement or Suspended-Data Quality ratings under Schools FIRST must file a corrective action plan with the Texas Education Agency.

Peanut Festival Says Thank You

Continued From Page One

After the parade everyone enjoyed all the great food, and different booths. Then the entertainment began. Everyone has stated this was the best entertainment we have had in years, Thanks again to another ex-student, Cecilia Self Hirst.

One of the highlights of the afternoon was the presentation of our 2003-2004 Peanut Queen, Kaci Seaton. Kaci is the daughter of Vernoica (Knight) and Jeff Seaton, both ex-students.

We had a lot of mouth watering entries in our Gourmet Goober Bake Off. Liz Caraway did a great job and had some great prizes to give away.

The kids games were enjoyed by kids, young and old. Kevin Scitern, another ex-student had some great games for everyone.

We had 12 teams entered in the 42 tournament. Robbie Dodd has done a great job and every year has more teams enter.

There were not as many cars entered in the Goobar Car show as was anticipated, but Jeannie Whittier did a great job again this year.

Kathy Torres did a great job making snow cones. We appreciate her running this booth for us. Also we would like to thank Abe Torres and Matt Fritz for helping.

All the kids enjoyed having the Air Castle to jump in. We are sorry we were unable to use the slide as it had holes in it. Melinda Harrington, ex-student, did a great job making sure everyone had a turn, and also helped out in the Dr. Pepper booth. Also helping in the Dr. Pepper booth were: Johnny Smith, Kevin Scitern, and Ray Sanders. We would never have made it without their help.

We thank the ex-student association for being a part of our 2003 festival and look forward to many more years of sharing the Peanut Festival and Homecoming

We want to thank each and everyone who helped in anyway for making this the best Peanut Festival ever. If we have left off anyone who helped has been, we apologize, it was not done intentionally so please let us know.
The Peanut Festival Committee.

Big city phone companies are built to serve customers who think a great day is a commute under two hours.

The road ahead is simpler when you're local.

Sure, it's a small world these days. Satellite television, wireless Internet, global telecommunications and all that. It may be a small blue planet, but the reality is, it helps to know the local territory. It helps to know the land, the people, and how folks make a living here. For instance, when someone you don't know adds something to your phone bill you don't recognize, it really helps when you can talk to the phone company face to face.

And it helps when the phone company is really part of the local fabric. That's what CCTC is all about. It's why you see us at the livestock show, at the Friday night games,

at church, and at the feed store. You'll find we're one of the leaders in sponsorship of youth activities and Central Texas charities. It's not about buying influence. It's about taking care of our community. Comanche County Telephone Company has a 50-year record of providing reliable telephone service and supporting our communities.

Today, it's telephone and wireless services, long distance and Internet. But the commitment hasn't changed. We know Central Texas. We know Central Texans. And we have a pretty good idea about the road ahead.

FORGERY DEFENDANT SENTENCED TO PRISON

Henry Stephen Letney, 36, was transferred from the Eastland County Jail to begin serving his sentence in a state prison. Letney, who was apprehended by the Cisco Police Department, pleaded guilty to forgery by passing in four indictments. Presiding Judge Steven R. Herod sentenced Letney to serve 18 months out of a maximum of 24 months under each indictment. In addition, Letney was ordered to pay restitution to the victim, a Cisco business.

JURY ASSESSES PUNISHMENT IN FELONY DWI TRIAL

This past week, twelve citizens of this community, sitting as jurors in the 91st District Court, convicted and sentenced BLAINE EDWARD BROOKSHIRE, a McClennan County resident, to ten years confinement in the Institutional Division of the Texas Department of Criminal Justice suspended and probated for a period of ten years with a \$7,500.00 fine. Brookshire had entered a plea of guilty to the felony DWI charge but asked the jury to assess punishment after presentation of the case by the District Attorney's Office.

Prosecuting Attorney Brenda Seale Gray asked the jury to assess a sentence that would send a strong message to Brookshire and protect the citizens of the community from drunk drivers on the road.

Judge Steven Herod sentenced Brookshire and set the terms and conditions of community supervision including but not limited to provisions that Brookshire serve 15 days in the Eastland County Jail, not operate a motor vehicle for the duration of his probation, submit to an evaluation for alcohol rehabilitation and that Brookshire attend an intoxication manslaughter trial set in December in the 91st District Court.

Criminal District Attorney Russ Thomason and Gray thanked the jury for their service and complemented the DPS Trooper on his testimony and actions in the case.

West Texas Rehabilitation 50th Anniversary

As West Texas Rehabilitation Center celebrates its 50th anniversary of service to children and adults with disabilities, local ranchers are carrying on their own tradition: Participating in Rehab's 44th Annual Round-Up for Rehab.

Heading up the Eastland County Round-Up program are Bill Horn, Joe Cooper, Joy Rogers, Sid Waynick and Bill Wright, Jr. Joining them in seeking donations of livestock and cash is Red Steagall, well-known cowboy singer/poet/rancher, who is this year's honorary chairman for Round-Up for Rehab. Others with key roles in the 2003 program are general chairmen Mike Alexander and Randy Carson of Abilene, Jody Frey of San Angelo and Bob Helmers of Christoval.

The message being delivered by all of these volunteers is important—and simple: Let's help Rehab meet the outpatient rehabilitation needs of all who turn to the Center for assistance in overcoming the disabling effects of illness or injury. Ways ranchers can help include:

- < Donating livestock—cattle, sheep, goats or horses—to be sold at one of the special auctions this fall
- < Making a cash gift to Rehab if this is the wrong time of year to cut out an animal to donate
- < Joining the bidding on livestock or novelty items at one of the special sales
- < Notifying Rehab or a local chairman now of an intent to have an auction house cut a check to Rehab for one or more animals sold later in the year.

Five corporate friends of Rehab have already stepped forward to sponsor this unique fundraiser. They include Federal Land Bank Association, First Ag Credit, Patterson—UTI Energy, Wrangler, and Strong Point/Pied Piper Pet & Wildlife.

"The commitment of local volunteers, the involvement of Red Steagall, and the early support of five highly-respected businesses ensures that this year's Round-Up for Rehab will get off to a great start," said WTRC President Woody Gilliland. "All of these friends typify the dedication and special effort that have sustained Rehab for 50 years—and they're the reason this organization can look to the future with confidence and pride."

For more information about the Rehab Center, Round-Up sale dates or arrangements for hauling donated animals, call a local chairman or the Texas Cattle Exchange auction at 254-629-2288; WTRC-Abilene at 325-793-3507; WTRC-San Angelo at 325-223-6300; or WTRC-Ozona at 325-392-9872.

Time to Pray

I got up quite early this morning
and rushed right into the day;
I had so much to accomplish
I took no time to pray.

The problems just tumbled about me
And heavier came every task;
"Why doesn't God help me?"
I wondered
He said, "Why you didn't ask."

I saw naught of joy or of beauty--
The day sped on, gray and bleak.
I asked, "Why won't the Lord
show me?"
He said, "But you didn't seek."

I tried to come into God's presence;
I used all my keys at the lock,
God gently, lovingly chided,
"My child, why didn't you knock?"

I work up quite early this morning
and paused ere entering the day;
there was so much to accomplish
I had to take time to pray.

Thanks to Larry Stogsdill for the above.
