Desdemona Community Center Fish Fry "Fundraiser" Off to Good Start

Two hundred people turned out Saturday evening for the Fish Fry Benefit for Desdemona's Community Center West End Project.

People from Gorman, DeLeon, Eastland, Stephenville, Hico, Strawn, Teague, Abilene and Ranger were represented. Our 'Thanks' go out to them and to all the locals who helped make this benefit a success. Our thanks go out to the ones who furnished good, cooked, served and prepared the building for this event.

This event was the first of many fund-raising activities planned to help finance the project. To those of you that have benefited from the community in the past years your support would be appreciated.

This project is envisioned to provide a roomy, comfortable modernized facility for all events for years to come.

Sipe Springs Monthly Musical

The Sipe Springs Monthly Musical will be on Saturday, October 4th at 6 p.m. at the Sipe Springs Community Center.

All musicians and the public are invited to attend.

Panthers Lose To Evant; Start District At Rising Star

2/10	15/125

The Panthers traveled to Evant on Friday night and came out on the short end of a 27-7 score. After tying the score at 7-7 in the first quarter, the Big Red could not muster a scoring drive due to multiple turnovers on 5 occasions to kill drives while the Elks scored 14 in the second and 6 in the third period to get the 27-7 victory.

The Elks took the opening kickoff on their own 38 and Chris Doyle ran through the Panther defenders and returned the kick to the Gorman 5 yard line. Then on the first play from scrimmage Doyle ran in for the score with 11:13 on the clock. Leo Eufrazio added the point after and the Elks were up 7-0.

However, the Panthers came right back with a drive of their own, getting the ball on their own 20 and scored in 15 plays with Ryan Wright hitting Trent Withers with a beautiful pass behind the Elk defenders, who raced for a 26 yard touchdown with 2:47 left in the first. Sawyer Wright added the point after to know the score at 7-7. The drive featured runs of 7 and 4 by Tim Guerra and 3 and 2 by Roberto Rodriguez.

After exchanging the ball on a couple of occasions, the Elks forced the Panthers to punt and took the ball on the Gorman 45 and went the distance in 6 plays with Daniel Cox getting the final 11 yards with 8:04 left in the half. Eufrazio added the point after and Evant was up 14-7.

The Panthers started a drive on their own 35 and moved to the Elk 29 before turning the ball over on a fumble. From there the Elks scored in just 4 plays. Following an incomplete pass, Doyle broke up the middle for 65 yards to set the Elks up at the Gorman 5 yard line. Then following a 3 yard run, Preston McCann ran in from the 2 for the score with 1:56 left in the half. Eufrazio added the point after for a 21-7 lead by the Elks.

Again the Panthers took the ball on their own 43 and moved the ball to the Elk 10. Runs of 1 and 3 yards and a great passing play of 45 yards to Ryan Wright from Trent Withers on a fourth down play to set Gorman up at the Elk 13. But again the Big Red turned the ball over to the Elks, this time on an interception to kill the drive.

Following halftime activities at which the Panther Marching Band performed a great routine, the two teams exchanged possessions on a couple of occasions.

The Panthers took the ball on their own 38 and moved to the Elk 9 before giving the Elks the ball. From there Evant moved the distance in just 3 plays with Chris Doyle again breaking up the middle and racing 91 yards for the score with 1:54 left in the third period. The kick failed for the point and the final score was 27-7.

Robert Rodriguez led the Panthers with 36 yards on 11 carries. Sawyer Wright had 22 on 11 carries. Tim Guerra got 25 on 8. Ryan Wright had 7 on 6 and Trent Withers got 11 on 3. Withers also had a good night catching the ball with receptions for 26, 8 and 4. Doyle had 215 yards on 11 carries for the Elks.

The Panthers will travel to Rising Star this Friday night to take on the tough Wildcats. They are much improved this season and have some very fast players.

Let's all follow the Big Red and show them we are behind them all the way.

Go Get 'Em Big Red!!!

National Custodial Workers Day - Thursday, October 2nd

Gorman ISD Custodian Staff: Catherine Ramirez, Yolanda Ramirez and Mabel Wood

Thursday, October 2nd is National Custodial Workers Day. We would like to recognize our invaluable maintenance staff and custodial staff at Gorman ISD. Mike Perez, Blake Guthery and Ron Childers are currently working at building a fence behind the portable buildings. We also could not function without the hardworking help of our custodial staff. Mabel Wood is the early elementary custodian. Yolanda Ramirez is the upper elementary custodian and Catherine Ramirez is the Jr. High and High School custodian. We have a diligent and hardworking custodial and maintenance staff at Gorman ISD and we need to let them know how very much they are appreciated.

7th Grade Volleyball

On September 8th the Lady Cubs traveled to Gustine to play their very 1st volleyball game. The first game of the match was a heated one. It resulted in a 27 to 25 win for those lady Tigers of Gustine.

Those who scored service points are Audrey Johnston with 3, Olivia Jackson with 4, Perla Velasquez with 1, Valerie with 6, Dezi Murphy with 2, and Emily Lewis with 9. In game two of the rally score match, the lady Cubs got off to a slow service start. They fell to the lady Tigers by a score of 25 to 20, but improved their service returns by bumping more balls over the net. Johnston scored 1 service point, Olivia Jackson 1, Lindsey Laminack 1, and Longoria 8. Flores, Murphy, and Keaton all 1 a piece.

This year's team members are as follows: Valerie Longoria, Perla Velasquez, Marcy Gonzalez, Audrey Johnston, Rachel Shook, Ronnie Walton, Stormie Hurd, Elizabeth Borrego, Dezi Murphy, Emily Lewis, Sarah Flores, April Keaton, Lindsey Laminack, and Olivia Jackson.

On September 16th these Lady Cubs played Moran here in Gorman. It was a great game for Gorman. The Lady Cubs lost the first game of the match, but weren't going to go down without a fight. In game 2 they took control and forced a game three with those bulldogs. Game three was a rally match to 15. The lady cubs narrowly pulled out a win with a score of 15 to 13. Congratulations on your first VICTORY! by Coach Sowell

8th Grade Volleyball

September 8th these Lady Cubs battled the Lady Tigers. Game one of the match began a serving streak for the Lady Cubs. Clarissa Glasson scored 8 straight service points and 3 more to complete 11 of the 25. Megan Lewis scored 2, along with Brandi Carlton 1, Kellie Moss 4, Kendra Lewis 4, and Mary Powell 3. The 1st game ended with a score of 25 to 11.

In game 2 the Lady Cubs got on the boards early, but couldn't hold on for the win. Tecia Jones scored 7, Reba Granado 2, Nicole Cogburn 2, Carrie Thetford 1, Nancy Velasquez and Ashley Gonzales 1 each, and Shanna Hair with 1, Brittany Rudel 1, and Esther Cruz with 1. Gustine took game 2 with a score of 25 to 20.

Game 3 was a tiebreaker game to 15. Glasson scored 1 service point, Carlton scored 6, Kellie Moss scored 9 straight service points to end the match in Gorman's favor.

This year's 8th grade team has 16 members. They are as follows: Kellie Moss, Reba Granado, Tecia Jones, Esther Cruz, Shanna Hair, Nancy Velasquez, Clarissa Glasson, Kendra Lewis, Megan Lewis, Carrie Thetford, Ashley Burkeen, Brandi Carlton, Nicole Cogburn, Brittany Rudel, Ashley Bush, and Ashley Gonzales, Mary Powell, and Katie Deel.

On September the 15th the Lady Cubs played an Albany team. Although the girls lost in 2 games they played well and with heart. If you see the 7th or 8th grade girls in town congratulate them on their first wins of the 2003-2004 season. GO LADY CUBS!

The Scholastic book fair held at the Elementary School last week was a big success.

We sold more books than ever before, had more parent helpers and more participation in our Family Event than ever.

The students guessed at the number of feathers in Mr. Featherhead's head. The winners were Sahara Parker, David Valasquez and JC Whitten. They all guessed 200 feathers and the actual number of feathers was 198. Each one of them was able to come and pick out a book of their choice.

We had nine families come for our family event on Tuesday evening and were visited on Thursday by God's Little Goobers.

A big thank you to Debra Jackson, Melissa Whitten, Deann Powell, Renea Carlton, Shirley Lewis, Belinda Segura and Gatel Zolfaghar for their help during the week.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN A WATER QUALITY PERMIT RENEWAL

PERMIT NO. 10091-001

APPLICATION. City of Gorman, P.O. Box 236, Gorman, Texas 76454, has applied to the Texas Commission on Environmental Quality (TCEQ) to renew Texas Pollutant Discharge Elimination System (TPDES) Permit No. 10091-001 (EPA LD. No. TX0021806) to authorize the discharge of treated wastewater at a volume not to exceed a daily average flow of 120,000 gallons per day. The domestic wastewater treatment facility is located southwest of the City of Gorman, west of Farm-to-Market Road 679 (Crescent Street) in Eastland County, Texas. The discharge route is from the plant site to an unnamed tributary, thence to Shinoak Branch, thence to the Sabana River, thence to Lake Proctor. This application was submitted to TCEQ on September 18, 2003. The permit application is available for viewing and copying at Gorman City Hall, 116 South Kent Street, Gorman, Texas.

The TCEQ executive director has determined the application is administratively complete and will conduct a technical review of the application. After completion of the technical review, the TCEQ will issue a Notice of Application and Preliminary Decision.

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. The TCEQ will hold a public meeting if the executive director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

Written public comments or requests for public meeting must be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087.

ADDITIONAL NOTICE. After technical review of the application is complete, the executive director may prepare a draft permit and will issue a preliminary decision on the application. Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list for this application. That notice will contain the final deadline for submitting public comments.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for public comments, the executive director will consider the comments and prepare a response to all relevant and material, or significant public comments. The response to comments, along with the executive director's decision on the application, will be mailed to everyone who submitted public comments or who requested to be on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the executive director's decision and for requesting a contested case hearing. A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

A contested case hearing will only be granted based on disputed issues of fact that are relevant and material to the Commission's decision on the application. Further, the Commission will only grant a hearing on issues that were raised during the public comment period and not withdrawn. The TCEQ may act on an application to renew a permit for discharge of wastewater without providing an opportunity for a contested case hearing if certain criteria are met.

MAILING LIST. In addition to submitting public comments, you may ask to be placed on a mailing list to receive future public notices mailed by the Office of the Chief Clerk. You may request to be added to: (1) the mailing list for this specific application; (2) the permanent mailing list for a specific applicant name and permit number; and/or (3) the permanent mailing list for a specific county. Clearly specify which mailing list(s) to which you wish to be added and send your request to the TCEQ Office of the Chief Clerk at the address above. Unless you otherwise specify, you will be included only on the mailing list for this specific application.

INFORMATION. If you need more information about this permit application or the permitting process, please call the TCEQ Office of Public Assistance, Toll Free, at 1-800-687-4040. General information about the TCEQ can be found at our web site at www.tceq.state.tx.us.

Further information may be obtained from City of Gorman at the address stated above or by calling Tacy Warren at (254) 734-2317.

Our sincere sympathy goes out to the family of Raymond Lindley, age 90, of Jakehamon Community. He passed away early Saturday morning and burial was on Sunday, September 28 in the Desdemona Cemetery. Survivors include his wife, Estelle Robbins Lindley; two sons, Charles Lindley and Eddie Lindley; one daughter, Ann Mearns; one brother, Winford Lindley; one sister, Marcene Otwell, several grandchildren, great grandchildren and a host of friends. Raymond attended school in Jakehamon, then transferred to the Desdemona School where he graduated with the Class of 1932.

Dorothy Roberts spent the past weekend in Fort Worth visiting with her daughter, Kevin and Ulenda Weaver and family. She had a checkup with her doctor on Monday.

June Jacobs visited recently in Pasadena with her brother, Junior and Tommy Jacobs and their families.

Hope everyone is enjoying the early fall and cooler weather--plus all the allergies that goes with it. This reporter received a note recently from a former teacher, Rosellen Davis. She has some health problems and is unable to be away from home.

Please contact this reporter with your weekly news. Thanks and have a nice day, Vonnice.

Get These Colorful Fruit And Veggie Recipes-Bursting With Buttery Flavor

(NAPSA)-To help you prepare a rainbow of flavorful fruits and vegetables that can contribute to good health, one company has created a collection of colorful recipes.

Butter Buds(r) created the recipes according to the "5 A Day For Better Health" nutrition education program, which says eating five or more servings of fruits and vegetables each day can play an important role in healthier living. The product adds the taste of butter to recipes without the fat and calories.

From summertime's fresh yellow corn and crisp red apples to the hearty hues of fall's many varieties of orange sweet potatoes and squash, eating healthfully is a year-round adventure.

Butter Buds' "Beautiful Beets" is a tasty combination of fresh red beets, butternut squash and naturally sweet potatoes.

For more recipes, send your name and address, and a S.A.S.E. to: Butter Buds Recipes, c/o GBA Public Relations, 4920 Conference Way South, Suite 8, Boca Raton, FL 33431 (allow 4-6 weeks). For more recipes and information, visit www.ButterBuds.com.

Beautiful Beets 8 servings

- 1 cup liquefied Butter Buds(r) mix
- 1/2 cup red wine vinegar
- 1/2 cup Sugar In The Raw(r)
- 1 Tablespoon dried thyme or 2 Tablespoons fresh
- 3 pounds fresh beets, leaves and stems removed; beets scrubbed
- 1 butternut squash (about 1 3/4 pounds)
- 4 sweet potatoes (about 2 1/2 pounds)
- 4 whole cloves garlic, peeled
- 4 shallots, peeled and cut in half if large
- Salt to taste, about 1/8 teaspoon
- Freshly ground black pepper to taste

Spray 2 jelly roll pans with non-stick cooking spray and line with heavy-duty aluminum foil. Preheat the oven to 400 degrees.

Combine first four ingredients in a small bowl. Place the beets on a prepared jelly roll pan and roast them for about 1 hour, or until tender when pierced with a knife. The roasting time depends upon the size of the beets. Rotate pan after 30 minutes. When the beets are cool enough to handle, peel and quarter them.

Toss the beets with 2 tablespoons of the Butter Buds mixture, place them on a prepared jelly roll pan, and roast them for 15 minutes. Remove from the oven, baste with the Butter Buds mixture, and let cool on the jelly roll pan. Season with salt and pepper to taste.

While the beets are roasting, peel the butternut squash and sweet potatoes, remove the seeds from the squash, and cut both vegetables into approx. 2-inch pieces. Place the sweet potatoes and butternut squash on a prepared jelly roll pan. They should be only one layer deep. Pour 1/2-cup of the Butter Buds mixture over them and toss them to cover. Roast for 30 minutes. Add the cloves of garlic and shallots to the jelly roll pan. Pour 1/4 cup of the Butter Buds mixture over the vegetables and toss them. Continue to roast them for about 30 minutes more, or until tender when pierced with a knife. Remove from oven and baste with Butter Buds mixture.

Place the beets, squash, sweet potatoes, shallots and garlic in a heatproof baking dish and return to the oven if necessary until all vegetables are heated throughout.

ADHD Treatments Last Longer To Help Children With ADHD Manage Symptoms Throughout The School Day

(NAPSA)—For families who struggle with Attention-Deficit/Hyperactivity Disorder (ADHD), the school year can be a particularly difficult time. But, there is good news for people with ADHD because there are treatments that can help manage the symptoms of inattention, hyperactivity and impulsivity thereby helping to address the academic and social challenges that children with ADHD face in school.

Stimulant medications, such as Ritalin® (methylphenidate HCl), have been used to treat ADHD for more than 40 years and have been shown to improve symptoms in up to 90 percent of ADHD patients. Today, children with ADHD and their families have more treatment options than ever before including medications that last throughout the school day, eliminating the need for children to take medications while at school.

A study published recently in *Pediatric Drugs* compared two long-acting ADHD treatments—a long-acting version of generic Ritalin (methylphenidate HCl) extended-release capsules and Concerta® (methylphenidate HCl) extended-release tablets.

"These study findings suggest that there may be important dif-

ferences between long-acting treatments for ADHD," said Frank Lopez, M.D., Children's Developmental Center in Maitland, Florida, lead investigator and author of the study. "In our study, treatment with Ritalin LA provided patients with better symptom management during the critical morning hours and continued to better manage symptoms throughout the entire school day."

In the study, patients who received the recommended starting dose of Ritalin LA (20 mg) experienced a nearly two-fold improvement in attention and a more than three-fold improvement in behavior compared to the starting dose of Concerta (18 mg) during the morning. Patients taking the starting dose of Ritalin LA also demonstrated significant improvement compared to patients taking a higher dose of Concerta (36 mg) during the morning.

Patients taking Ritalin LA continued to experience greater improvement throughout the school day compared to patients taking Concerta 18 mg or Concerta 36 mg. These findings are the results of one study and need to be confirmed with additional research.

Results from a nationwide survey of more than 14,000 parents and patients with ADHD confirm the importance for symptom management during the morning and throughout the school day. According to the survey, 65 percent of respondents reported that ADHD symptoms are most problematic during school/work and 44 percent said that symptom management is most important in the morning (followed by afternoon, 34 percent, and evening, nine percent). Fifty-six percent of respondents reported that rapid onset is important, saying that they want ADHD medication to begin working as soon as possible. Ritalin LA has rapid onset of action like Ritalin, with efficacy that lasts throughout the school day.

Every patient's treatment needs are unique. Families should work closely with their physician in order to determine the most appropriate treatment for their ADHD. For more information about ADHD, visit <http://www.adhdinfo.com>.

Editor's Note: Ritalin LA is a registered trademark of Novartis Pharmaceuticals. Concerta is a registered trademark of McNeil Specialty & Consumer Pharmaceuticals.

In a placebo controlled, double-blind study, the most commonly reported adverse events of Ritalin LA included anorexia, insomnia, sore throat, headache and vomiting. Ritalin LA is contraindicated in patients known to be hypersensitive to the drug or to Ritalin. In patients with glaucoma, in patients with motor tics, and in patients with a family history or diagnosis of Tourette's syndrome. In addition, Ritalin LA is contraindicated during treatment with monoamine oxidase inhibitors and should not be taken until at least 14 days after discontinuation of a monoamine oxidase inhibitor. Ritalin LA is a schedule II controlled substance and should be given cautiously to patients with a history of drug dependence or alcoholism.

Concerta 18 mg is the recommended conversion dose from MPH 5 mg bid, MPH 5 mg tid and sustained release MPH 20 mg and the recommended starting dose for treatment-naïve patients. Ritalin LA 20 mg is the recommended conversion dose from MPH 10 mg bid and sustained release MPH 20 mg and the recommended starting dose for treatment-naïve patients.

Life After 40: It's All A "Blur" For Boomers

(NAPS)—America's Baby Boomers who once wore "granny" style glasses as a hippie fashion statement in the '60s are now reaching for eyeglass lenses to treat aging eyes that are nothing like what granny ever wore.

Now in their 40s and 50s, Boomers are turning to lenses designed to treat presbyopia, an age-related eye condition that strikes people over 40 and makes it difficult to see objects close up, such as a newspaper, menu or computer screen.

With an influx of America's 76 million Baby Boomers in the over-40 crowd, the number of presbyopes is on the rise. Based on data from the U.S. Census Bureau, it is estimated that presbyopia affects 100 million people in the United States. This number has risen approximately 28 percent since 1990.

"At age 40, a genetic process begins to take over that causes the lenses in the eyes to lose their flexibility," said Richard Clompus, O.D., vice president, professional affairs, The Spectacle Lens Group of Johnson & Johnson Vision Care, Inc. "By the age of 55, presbyopia is a condition that plagues virtually everyone."

To identify presbyopia at its onset, look for these early warning signs:

- You push newspapers farther away to read.
- You turn lights on to read in dim areas.
- You get headaches when reading.
- It takes longer to focus between distances.
- Objects close to you appear blurry.

Unlike their parents who wore bifocals and reading glasses to treat presbyopia, Boomers have turned to progressive lenses, or "no-line" bifocals. Although more stylish, traditional progressive lenses require wearers

With the influx of Boomers over 40, there's a dramatic rise in the number of people with presbyopia, an age-related eye condition. Fortunately for Boomers, new breakthrough technology is available that allows presbyopes to enjoy a better view of life.

to adjust to narrow fields of vision and can compromise vision as a result.

Just in time for Boomers, new advanced technology was recently developed to help overcome these limitations. Definity™ Lenses from the Spectacle Lens Group of Johnson & Johnson Vision Care use a patented, breakthrough technology to divide the vision correction on both the front and back surface of the lens. This breakthrough technology provides twice the surface area to optimize the prescription, creates a wider field of vision for seeing at in-between distances and offers smooth transitions between distances.

In addition to the near, far and intermediate zones more commonly offered in traditional progressive lenses, Definity™ Lenses also offer a "Fourth Zone" that may help when walking down stairs and navigating uneven terrain.

For more information about presbyopia and lens options, visit www.definity.com or call (800) 920-2021 ext. 3700.

Questions from the Kitchen

Tips from Pat and Betty, Reynolds Kitchens Home Economists

(NAPSA)—Is there an easy way to prepare fresh vegetables on the grill?

HERBED VEGETABLE PACKET

A. We have two favorite ways to grill veggies. Packet cooking offers great results. Put your vegetables and spices in Reynolds Wrap® Heavy Duty Foil, form a packet and place on the grill. This method cooks them crisp-tender, while locking in flavor. For grill-roasted vegetables, simply place a sheet of heavy duty foil on the grill. The "foil liner" prevents vegetables from falling through and maintains great grilled flavor. Cleanup's a snap, for both. For directions and recipes, visit reynoldskitchens.com.

Do you have any easy suggestions to spice up my special occasions?

A. Surprise your family with something unexpected for your next celebration. We like serving cupcakes, individual dessert cakes or muffins in our printed designed Reynolds® Baking Cups. Add spark to homemade goodies with our red, white and blue Patriotic Baking Cups. Create a splash for a birthday bash with Party Baking Cups. And, put pizzazz in treats for Valentines Day, Easter, Halloween and the winter holidays with our holiday-themed baking cups. Visit reynoldskitchens.com for festive baking cup recipes for any special occasion.

- 1 sheet (18x24-inches) Reynolds Wrap® Heavy Duty Aluminum Foil
- 4 cups broccoli florets
- 1 1/2 cups peeled baby carrots
- 1 medium yellow squash, sliced
- 1 small onion, thinly sliced
- 1 teaspoon dried basil
- 1 teaspoon garlic salt
- *2 tablespoons butter or margarine, cut in pieces
- 2 ice cubes.

PREHEAT oven to 450°F OR grill to medium-high.

CENTER vegetables on sheet of Reynolds Wrap Heavy Duty Aluminum Foil. Sprinkle with seasonings. Top with butter and ice cubes.

BRING up foil sides. Double fold top and ends to seal making one large foil packet, leaving room for heat circulation inside.

BAKE 20 to 25 minutes on a cookie sheet in oven OR GRILL 12 to 16 minutes in covered grill. Makes: 6 servings

*Substitute 2 tablespoons olive oil for butter or margarine, if desired.

REYNOLDS KITCHENS TIP: A few ice cubes are an easy way to provide the water needed for cooking this packet. As the foil packet heats, it holds in the moisture from the melted ice cubes so the vegetables cook to crisp-tender perfection.

The Lady Panthers traveled to Santa Anna to play the lady Mountaineers on Saturday the 20th. Both teams had great hustle and were able to put another one in the win column.

J.V. Won their match by 25-9, 22-25, 22-25, 25-14, and 15-10. It went to a 5 game match but we were able to come back and win. The varsity started off slow but they were able to wake up and take care of business. 22-25, 25-20, 25-15, and 25-17.

We then played Newcastle at home on the 23rd. The JV played two games and defeated the Lady cats 25-15 and 25-11. The JV is improving every game and this also helps the varsity stay sharp. The varsity also won their match 25-19, 21-25, 25-20 and 25-23. We had some great spikes and played better team ball this week.

This was the last game for Coach White. He will be leaving to take a High School Principal job in Munday Texas. The Lady Panthers will miss him and wish him and his family the best.

Battleship Texas a Tested Veteran

The Battleship Texas is the only surviving battleship that fought in both world wars.

The battleship was the most advanced military weapon in the world when it was commissioned in 1914. It was the first U.S. Navy ship to have commercial radar.

It is now moored at Buffalo Bayou near the San Jacinto Monument, where it stands as a memorial battleship.

We had a great time at the Kokomo Baptist Church annual picnic on Friday evening, September 26 beginning about 4:00 p.m. in the back yard of Joe and Glynda Bond's home. There were games of "42" and "Chicken foot", lots of visiting and super hamburgers, chips, cold drinks and assorted cookies and brownies to enjoy. Bro. Clarence Wilson offered thanks for the food and for God's blessing upon us all.

Those attending were: Bro. Clarence and Leona Wilson, Joe and Glynda Bond, Woodrow and Helen Browning, Durwood and Aletha Burgess, Bobby and Mary Jane Little, Oren and Norma Webb, Mike and Rachel Snider, Gene and Kay Snider, Sylvia Buchanan, Nancy Hendricks and Zeld Jordan.

Our thanks to Joe and Glynda for their wonderful hospitality and to Joe and Gene for cooking the hamburgers. It was a great time of fellowship with one another.

Aletha Burgess, Leona Wilson, Sylvia Buchanan, Helen Browning, Daryl Hirst, Jimmy Little, Joe Bond and Woodrow Browning, with Glynda bond at the piano, rendered the beautiful song, "Had It Not Been For Jesus" as the special music at the Kokomo Baptist Church on Sunday morning.

We extend sincere sympathy to J. W. and Glenna Davis of Dublin on the death of their son, Danny Lee Davis of Fort Worth. J. W. and Glenna are former residents of Lake Leon and were members of the Kokomo Baptist Church while they lived there. Those from Kokomo attending the funeral in Dublin on Friday, September 26 were Bro. Clarence and Leona Wilson, Woodrow and Helen Browning, Jimmy and Verna Lee Little, Johnnie B. Griffith, Nancy Hendricks and Zeld Jordan.

Over the weekend of September 21st visitors with Durwood and Aletha Burgess were Billy Burgess of Granbury, Danny and Charla Burgess of Gorman, Angela, Chelsea and Haley Buckley of Desdemona, Glenn, Donna, Reba and Seth Burgess of Jourdan, Ben Burgess and Aline Garrett of Gorman and Mike Blakney of Lubbock.

Those visiting with LaVon Snider were: Belinda, Audri, Isaac and Daniella Segura, Dianne and Sandra Snider, Dwayne and Connie Snider of Stephenville, Ted Snider, Franklin, Jeanne and Chloe Baker, Brooke and Conner Park Spencer, Doris (Jumper) Smith of Abilene, Joy (Jumper) Grace of Fort Worth, and Randy McAfee of Dallas. Doris, Joy, Randy and LaVon enjoyed Sunday dinner in Eastland before Randy returned to Dallas.

Garrett Gatlin and Emily Browning of Graham spent Wednesday and Thursday with their grandparents, Woodrow and Helen Browning.

Oren and Norma Webb spent Sunday in Elgin with Judy and Sarah Porter and with Scarlett Porter and friend, Tino of Austin who were visiting there also. They all went out for lunch to celebrate Judy's birthday which was one day last week. A belated "Happy Birthday" to Judy.

Those visiting with Nancy Hendricks were Marilyn Warren, Sylvia Buchanan, Darlene Hampton, Jimmy and Verna Lee Little, Johnnie B. Griffith, Ernestine Campbell and Zeld Jordan.

Joe and Elizabeth Vaughn took Johnnie B. Griffith to Eastland for lunch on Wednesday to celebrate Johnnie B's birthday. Zeld Jordan visited with Johnnie B. on Wednesday afternoon. Floyd and Joy Williams of Eastland came and took Johnnie B. to Eastland for lunch on Thursday.

Thank You

I would like to apologize to Glenn Scitem. I was supposed to honor his name on a window and ran out of time. Glenn, Thank you!

I know there are many other military persons in our community that were not honored, but they are truly the jewels in the crown of our great nation. God bless you all.

Thanks to everyone who supported me with positive comments...you kept me going. It was my privilege to be asked to be a part of this worthwhile tribute. I'm thankful I was given a gift from God that I can share with my community and home.

- Thank you all,
- Lisa Deel

Thank You

Whatever you did during Delton's illness and subsequent death was sincerely appreciated.

Words of encouragement as we fought this dragon--cancer--phone calls, cards, visits helped tremendously.

Then his hospital stays, whether local or Hendricks in Abilene and all care given by doctors, nurses, hospital staffs all helped us on down the road.

The finality of this nightmare was death. We were so blessed. He did not suffer as some do. The mere fact that he was curtailed in his usual busy, happy life was a sorrow.

Excruciating pain come only toward the last and so we were blessed by Dr. Hirsch and the hospital staff to ease him more gently over the cold, dark river of death. This was in answer to many prayers that he and I had prayed.

Nowlin Funeral Home, DeLeon, handled Delton's service. We appreciate Donnie and his staff for their compassion and support at this time of Delton's death.

The food furnished, floral offerings, memorials were indeed comforting to us and tribute to the reputation he built here in his own hometown in almost 40 years of real estate. He dealt honestly, though sometimes misunderstood, treated his clients with courtesy and acted as gentleman. Thus trust was built and he had many friends in the area.

He treated friend and foe with respect. This stands as a tribute to him and the outpouring of love extended at his death well told the tale of his manner of life and business dealings.

God bless all for your love to him and thus to us,
 s/ Jo Cogburn and Family
