Bro. Barry Schahn New Interim Pastor At First Baptist Church

There is a fresh breeze blowing behind the stain glass windows of the First Baptist Church of Gorman, Texas these days.

The Church voted to be part of the Intentional Interim Ministry Program sponsored by the Baptist General Convention of Texas. The Church call Bro. Barry Schahn and his wife, Sharlene, to become the Intentional Interim Pastor.

They will be here for twelve to twenty-four months as the Church does a self study of history and identity.

The Church is already seeing results of restoration, direction, and purpose as we seek God's ultimate will and His leading.

The Church will elect a new Pastoral Search Committee when we reach that step and when we have gone through the process of healing.

The Church is full again. The Youth are coming back and the Spirit of God is freely moving each and every time we meet together. "These are some of the finest people I have met in twenty-five years of ministry. I am honored to be their Pastor for whatever time God wants me here", said Bro. Barry Schahn. It is wonderful to see the bright

Bro. Barry and Sharlene Schahn

light of Christ and the Joy of Fellowship and Unity beam through those beautiful stain glass windows again.

Come and see for yourself what God is doing!

Panthers Lose To Bearcats; Host Evant For Homecoming

The Panthers traveled to De Leon on Friday night to take on the Bearcats in their homecoming game, playing before a large crowd, but coming up on the short end of a 27-12 score. De Leon jumped to a 14-0 start into the second quarter before the Panthers came back with 12 in the second, but trailed 14-12 at halftime. The Bearcats added 6 points in the third and 7 in the final period for the 27-12 victory.

The Bearcats failed to move on the opening possession and were forced to punt. The Panthers got the ball on their own 21, but fumbled the first snap, giving the Bearcats the ball on the Gorman 23.

After holding the Bearcats again the Panthers were forced to punt, giving the Bearcats the ball on their own 40. From there it took only 1 big play for the score when M. J. Stewart broke open up the middle and raced 60 yards for the score with 5:27 left in the first. The kick for point was good and the score was 7-0.

The Bearcats got the ball on their own 25 and moved the distance in 8 plays with Gustavo Chavarria getting the score on a 20 yard scamper with 9:49 left in the half. The point after made the score 14-0.

Then on the next possession the Panthers took the ball on their own 27 and scored in 8 plays with Orlando Valenzuela racing for the final 35 yards on a beautiful run for the TD with 5:28 left in the half. The kick for point failed and the score was 14-6. The drive featured runs of 18 and 4 by John Torres, runs of 2 and 4 by Matt Underwood and a 2 yarder and a 9 yarder by Hornback. The kick for point failed and the score was 14-6.

Then after holding the Bearcats, Gorman got the ball on the De Leon 46 and scored in 4 plays with Kennon Hornback getting the final 7 with no time left in the half. The run for 2 points fell short and the score was 14-2. The drive featured an 8 yard run by Hornback, a minus 7 yard pass to Matt Underwood, then Underwood broke loose and raced 21 yards before Hornback ran it in from 7 yards out. The run for the 2 points play failed and the score was 14-12 at halftime.

The Bands did very good routines at intermission and got big

cheers from the fans.

The teams played on even terms until the Bearcats got a break on a blocked punt on the Gorman 29. The Bearcats scored in 5 plays with Jeremy Lindley getting the honors from 4 yards out with 4:44 left in the third. A pass try for points failed and the score was 20-12.

Then after holding the Panthers on their next possession the Bearcats got the ball on their own 43 and scored in 8 plays with Stewart scoring from 32 yards out on a run with 10:49 left in the game. The point after kick was good and the score was 27-12. The kicker was not listed on the program and we didn't get his name.

The two teams played on even terms the rest of the way and the final score stayed at 27-12.

John Torres led the Panthers with 80 yards on 12 carries. Orlando Valenzuela got 48 on 7 tries. Matt Underwood ran for 39 yards on 10 trips and Hornback had 13 on 8 keepers, but was sacked for losses on 3 plays. Stewart led De Leon with 125 yards on 15 carries.

The Panthers will host the Evant Elks in the Homecoming Game on Friday night at Brogdon Field at 7:30. The Elks have a very experienced and large team and will be another tough test for the Panthers and they will really have to have a good performance to get the win. So come on out and back the Panthers to victory.

Go Get 'Em Big Red!!!

STOPPING FOR SHORT YARDAGE - A group of Panthers try to stop a Bearcat in game action Friday.

IN THE GRASP - Zachary Bryan and Orlando Valenzuela hold on to a Bearcat in game action Friday.

Pyramid Facilities Host Evacuees

September 22 marked the arrival of the first bus carrying residents of Friendship Haven Nursing Home in Friendswood, Texas to Canterbury Villa of Hillsboro. Friday, September 23, two more buses arrived, bringing the total number of residents to 92, that were absorbed into five different Pyramid Health Care nursing homes in Texas. The staff and their families also evacuated with the residents. There were 38 residents in Hillsboro and the remainder were transferred by bus or van to Itasca Nursing Home, Canterbury Villa of Stephenville, Heritage Manor of Gorman and Canterbury Villa of Baird. Two other Pyramid facilities, Paris Nursing and Rehab Center and Azalez Trail in Grand Saline, received 38 more evacuated residents on a separate bus. Some of those arriving had previously be evacuated from nursing homes in New Orleans to Friendswood.

Diane Ward, CEO and the corporate staff worked through several nights making sure both residents and staff members had lodging, their care needs were being met and transportation arrangements were in order. It was all worthwhile when they saw the faces of those arriving, knowing they were safe and sound from Hurricane Rita.

Many local business benefitted from this rescue effort by providing housing and meals to the staff members and their families, who departed September 27 from Hillsboro and September 28 from Paris. Mrs. Ward would like to thank the local fire departments who assisted in getting the residents on and off the buses and the many who volunteered their time.

When asked whether she would do it again, Mrs. Ward replied "OF COURSE we would do it again! The Golden Rule certainly applies here - I would hope that another nursing home operator would welcome Pyramid's residents if we had to evacuate." Family members of the residents have expressed their gratitude for this generous expression of service to others by Pyramid. Heritage Manor would like to Thank - The First Baptist Church, First Fruits and St. Joe Baptist Church for the use of their vans. We would also like to thank Bill Mears, Johnny Smith, Ray Sanders, Pat Graham and Lisa Slaughter for going with us to Hillsboro!

A Special Thanks to those who came in the wee hours of the morn-

Candace Parker, Lynn de la Victoria - Family Member and Earlene Jenkins - CNA.

ing to help unload the residents and to Bro. Barry and the Baptist Men for helping us get everyone back on the bus for home on Tuesday morning.

Thank you Rachel Tucker for the delicious cookies you made for us. Again, Thanks to each and everyone for your help, concern, prayers, and support during this time.

Jeanne Dorsett Helped Victims Of Hurricane Rita

Jeanne Dorsett, who lives in the New Hope Community, did her part in helping the victims of Hurricane Rita by inviting several members of her late husbands family to stay at her home until the danger passed. Visiting from Deer Park were Nick and Pat Dorsett and Boo. They drove 17 hours to get as far as Waco, where they spent the night with Christopher and Mary Ann Cox, Mich's great-nephew.

After traveling that many hours, they were grateful for Mary Ann's good meals and a good night's sleep. Also, from Porter were Deborah, Ariel and Taylor and three little pooches. The TV was left on about 16 hours a day, anticipating the storm. Mich and Pat's son, Matthew, stayed in Houston to wait out the storm. Deborah and Ariel left on Monday for their home in Porter, to find the electricity off, but they had a generator to keep all the appliances going. Mich, Pat and Taylor left on Tuesday.

On returning, they found no damage to their home. Matthew had driven to Deer Park on Monday to check on things and start the air-conditioner. So as Rita passed, the Dorsett family sustained nothing more than frazzled nerves!

Texas Yes! Rural Beautification Grant Opportunity coming soon

The Texas Yes! Rural Beautification Program is a one-time matching funds reimbursement program to assist a rural community in funding a downtown beautification project. The program is intended to give rural communities assistance in beginning or continuing a beautification effort in the downtown area. Communities are encouraged to engage local civic, business and/or youth groups to participate in the beautification effort. While Texas Yes! funds can only be used for the following 5 specific permanent improvements (planters, benches, decorative light poles, decorative flags, and/or highway community welcome signs), the program allows the community to offer match that may be directed at broader beautification efforts such as clean-up efforts, painting, landscaping or exterior improvements to the downtown area. TDA tentatively plans to post all application information on this website no later than November 1, 2005.

If you are a business owner, a member of a civic organization or an interested citizen and have a good idea on how we could use this grant money, please feel free to contact Lori Dodd through e-mail at gdc@ccctc.net or 734-3933 and share your ideas. I believe this is an excellent way to make some improvements to our downtown area with greatly reduced costs. Please give me a call with your ideas.

Region 14 ESC Alternative Certification Program

Applications for the Region 14 Education Service Center's 2006-2007 Alternative Certification Program for certification of special education teachers will be accepted until **December 3, 2005**. The program allows college graduates wanting to be special education teachers to earn certification as they train and teach full time, serving as interns with mentor teachers in acre school districts. Participants complete course work and training in the spring and summer prior to entering the classroom. During the internship year, training is continued. **FINANCIAL AID IS AVAILABLE.**

Applicants are selected from those meeting the following admission requirements:

- Received bachelor's degree from an accredited institution of higher education.
- Attained a minimum of 2.5 grade point average overall OR 2.75 on the last 60 hours.
- Earned at least passing scores on the Texas Higher Education Assessment (THEA) formerly the TASP.
- Acceptable score on a critical thinking test administered at Region XIV ESC.
- Completion of an interview process.

The teaching certificate enables recipients to teach anywhere in Texas in special education in grades EC-Grade 12. Reciprocity is available in some other states.

For information on Region 14's program contact:

John Stevens (325) 675-8630 or Janice Hill (325) 675-8605.

CJC Ag Dept. To Host Tractor & Truck Pull

Cisco Junior College Ag Department will host a Tractor and Truck Pull, October 7 and 8. The two-day event will be held at the CJC Ag Building across from the main campus, north of Cisco on Highway 6.

According to Herman Glueck, CJC Ag instructor, a Practice Pull is scheduled for Friday at 4:00 p.m. (sled only), and there will be no hook fee for the practice pull.

The Tractor Pull begins at 10:00 the morning of October 8. The hook fee is \$15 (3 hooks per tractor). Divisions will include I, II, III, IV, Modified Farm Stock, and V-8. "Texas Antique Tractor Pullers Association (TATPA) rules will be in effect. Entering will start Friday afternoon, October 7, and entering and weighing will begin at 8:30 a.m. the following morning. Fenced in overnight parking is available for tractors that arrive on Friday afternoon," Glueck said.

The Truck Pull will begin after the Tractor Pull, and the hook fee is \$20. Divisions include: 2-wheel drive (single or duals) Gasoline Weight classes: 4000, 6000, 8000; 2-wheel drive (single or duals) Diesel Weight classes: 6000, 8000, 10,000; 4-wheel drive - Gasoline Weight classes: 4000, 6000, 8000; 4-wheel drive- Diesel Weight classes: 8000, 10,000; all other pickups.

This year's event will also have a new class for antique tractors that have been rebuilt with V-8 car engines. "This year we intend to make some noise and sling some dirt!" Glueck said.

Trophies will be awarded, and high school seniors have a chance to win a scholarship to Cisco Junior College.

Glueck said that any make and model of pickup can be entered in the truck pull, and also any tractor can be in the competition. "We have a class for any tractor or pickup," said Glueck. "There are different divisions with maximum weight for each class. Each tractor pulls a sled which has weight on the back wheels. This weight moves forward with momentum of the tractor making it harder to pull. The sled has a counter that registers the distance each tractor is able to pull the weight," Glueck explained.

At last year's event there were 100 hooks, and organizers would like to see even more participants this year. Glueck said that he encourages anyone with a tractor, pickup, or even a car to try their hand at pulling. "This is good, fun competition that families can enjoy together. The event is open to everyone, and we have had entrants from ages 9 to 75," he added.

Glueck said that spectators are welcome to come out and enjoy both days' events. Admission is free, and concession will be available by Red Gap 4-H and Gorman 4-H.

Future Movie Mogul Has Deep Roots In Gorman

A Personality Profile On Brandon Powell

You might remember Brandon Powell as a quiet resident of the Gorman community who basically kept to himself. He lived with his parents, Bill and Kathy Hagood, and frequently visited his grandparents, Edna Powell, Howard and Pat Hagood, all active members of the community. He attended Gorman schools up through his sophomore year in high school.

I'm guessing that his day probably consisted of going to school, returning home to do his school work from the day, that is if he didn't have play practice, and eating dinner with his family. I really have a hard time picturing this, because as a student of Howard Payne University, I know Brandon a little differently.

First of all, his name isn't Brandon at all, he goes by Devon here at college, and he has really grown out of his small town personality.

After Brandon's sophomore year in high school, he began to grow as a person, and he felt that he needed all the opportunities to expand with him. Unfortunately, the small town of Gorman could not offer him the diversity and prospects that a larger city would, so he transferred to Brownwood to finish his high school education.

He continued to live with his family in Gorman, causing him to drive the one hour commute from Gorman to Brownwood every single day. He found comfort in his family in Gorman, and felt that he couldn't leave his precious hometown behind just yet. So the commute was well worth it.

At college, Devon has an apartment right off of campus, so the only real commute he has to make is to any class that he might have off of campus or possibly the occasional trip to Wal-Mart.

Devon's passion has grown into writing and directing films. He is almost done with the final draft of his first screenplay, and now he is simply gathering money that he needs to be able to put his work on the big screen. This three year project has been a dream of Devon's since high school.

Throughout all of his endeavors, Devon has had his family supporting him through every step. His mother, Kathy Hagood, is an English professor at Howard Payne, while his dad, Bill Hagood is currently going to school at Tarleton in Stephenville. While all along his grandparents stand as his moral support and cheer section.

Along with the support of his family, Devon has found comfort through means of inspiration. Most of his inspiration comes from some of his favorite directors, one of which is Alfred Hitchcock.

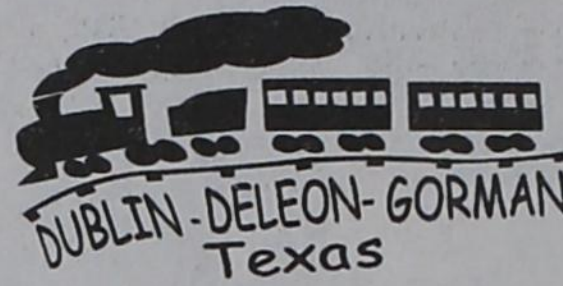

Along with his favorite directors, his hometown has even inspired him. Devon is actually planning on filming several scenes of his new movie in the small town of Gorman. "The town and atmosphere fit with my movie," said the screenplay writer.

Devon's screenplay is his own style, and his own creation. It doesn't particularly fit into one genre, more like three genres in one. "I like to call it a suspenseful drama," Devon said, "but that's my rendition." I guess you will just have to name what genre you think it is when you see it yourself, on the big screen.

A Word in Season

By Pastor Dane Gressett

ADDRESSING COMMON OBJECTIONS (no. 4 in a series.)

It's narrow-minded to think Jesus is the only way to God. It is certainly not popular or politically correct in our day to assert that your particular faith is more valid than any other. Surprising to some, the exclusive claims of Christianity are not based upon the teachings of narrow-minded, right-wing fanatics. Jesus Christ Himself is the source of such claims! He said, "I am the way and the truth and the life. No man can come to the Father except by Me." (John 14:6) A claim such as this is either fully true or completely false. He either is, or is not, the only real way to God. Many people claim to be Christians, that is, followers of Christ and His teachings, but reject His claim to be the *only* Savior!

Why is it that 21st Century people easily accept absolutes in every area except the moral and the spiritual? Relativism is the philosophy that nothing is absolutely true. Everything is relative to the situation or to the people involved, they say. But who on earth can claim that the law of gravity is not absolute? Just because you "believe" you can fly off the top of a building does not make it true! Your smashed corpse on the sidewalk proves the absolute of gravity. But when Jesus says, "Unless you believe that I am who I say I am you will die in your sins" (John 8:24), so many find it too restrictive. Those who say that Jesus was a great teacher should heed what He said! He taught that people could not be saved or forgiven apart from faith in Him. If you reject the exclusive claims of Christianity, reason demands that you write Jesus Christ off as a madman. He was either a madman or the unique Son of God. (Questions or comments? P.A.W.S. "COMPASSION FUND" CONTINUES

Animal welfare organizations from all over the country continue a massive effort to save thousands of domestic and farm animals displaced by hurricane Katrina - and now, Rita. Groups from North Texas, Houston, the LA/SPCA, HSUS and ASPCA, and others from as far away as Utah and Oregon are just some of the many groups and individuals who are rescuing and locating animals at temporary shelters. More arrive daily, starving and some with chemical burns from the contaminated waters. They are being washed, treated by veterinarians, sheltered and fed, in hopes that they can be reunited with their families. Volunteers are photographing each animal, tagging and micro-chipping, posting their pictures on Petfinder.org or Pets 911.org on the internet. Ultimately, some will need new homes because their caregivers were lost.

The cost in human suffering is immense and the loss of a child's pet, under these conditions, can affect him or her for years to come. We can only imagine what would happen here in our own communities in the wake of a tornado.

If you have access to the internet, you may want to donate online and follow the progress of your choice of humane agencies.

The need is great everywhere and in every way - we're hoping to raise \$1,000 collectively from our local folks who are aware and concerned about human and animal suffering. If you wish to help us here as a community, please send your small or large checks or money orders to P.A.W.S. (People As Wise Stewards) Compassion Fund, P.O. BOX 531, DeLeon, TX 76444. We will forward the collected funds to the Humane Society of the U.S., as well as one or two other newly formed official emergency rescue shelters who desperately need our assistance.

We'll post the amounts we were able to send in the next few weeks. And, THANKS to those who have sought us out and contributed already!

Cisco Junior College Theatre Dept.

To Present FOOLS - Oct. 13-14-15

Back row: Chris Moore, Seymour; Nate Woods, Cisco; Third row: Rikki-Gene Whitfield, Childress; Tammi Reed, Trent; Matthew Day, Brownwood; Sitting: Rena Hart, Wichita Falls; Debbie Wilson, Van Alstyne; Teresa Wendorf, Bells; First Row: Rhett Beggs, Mansfield; and Josh Gilmore, Abilene.

The Cisco Junior College Theatre Department will present *FOOLS*, by the celebrated playwright, Neil Simon on October 13, 14, and 15 in conjunction with the CJC Homecoming/Parents Weekend.

Simon has described this play as a "comic fable," and it certainly contains his very distinctive brand of humor. Told in the manner of a warm, endearing and hilariously funny folk tale, this play is one that the entire family is sure to enjoy.

The play takes place in a remote Ukrainian village that has been plagued by a scorned lover's curse for 200 years. Leon Tolchinsky, a jubilant young school teacher, has been hired to break the curse, and he only has 24 hours to accomplish this or else he will succumb and become a victim of the curse himself.

Billy Smith, Director of Theatre at Cisco Junior College, invites everyone to come out for an enjoyable evening of entertainment. "Find out for yourself the nature of the curse and how it affects everyone in this quaint village filled with many outrageously funny characters," Smith said. According to Time Magazine, "If Broadway ever erects a monument to the Patron Saint of Laughter, Neil Simon would have to be it."

FOOLS will be produced as a dinner theatre at the Hilton in Cisco on Thursday, Friday, and Saturday, October 13-15. Tickets are \$20 for dinner and theatre, and reservations may be made by calling Cisco Junior College at (254) 442-5000. Dinner will begin at 6:30 p.m. and the performance will begin at 7:30 p.m.

Call early for reservations, and please cancel with at least 24 hours notice if unable to keep reservations

SUPER NOTES

By David K. Perry

The Volleyball Team came alive last Tuesday when they hosted Evant and they took the match 3-2. Our girls kept it close all five games and provided the crowd with a lot of excitement. Congratulations girls! The girls traveled to Gustine to play Saturday morning. They lost that match 1-3, but we look forward to their matches this week; Tuesday against Lingleville there at 5:00pm; and Saturday here at home against Mullin at 2:00pm.

The third grade classes at Maxfield Elementary are studying a unit in Social Studies over community government. On Wednesday, September 28th, the students visited the Gorman City Office to gain first-hand knowledge of how our community's government works. They were hosted by Tacy Warren, City Secretary, who gave them a tour of the office and the commissioner's meeting room while explaining some of the policies and procedures that our local government follows in carrying out the business of the city. The third graders also met Mayor Robert Ervin, who discussed with them how a city commission meeting is conducted. They were also greeted by Commissioner Nathan Files and Chief of Police Doug Caffey. Chief Caffey treated the kids with Junior Police Badge stickers, which they enjoyed wearing for the rest of the day.

The students and their teachers, Mrs. Pat Caraway and Mrs. Tracy Spivey, would like to say thank you again to Ms. Warren, Mayor Ervin, Commissioner Files, and Chief Caffey for their tour, and especially for the knowledge they gained to bring back with them to the classroom.

Pictured with Tacy Warren, Robert Ervin, and Nathan Files are our third graders. Standing left to right are: Haley Bullock, Jacquelynn Rainey, Marines Villalobos, Daniel Herrera, Adriana Blair, Maty West, Chloe Cole, Madison Warren, Lindsey Thackerson, Jarimma Silva, Zac Ryon, Danny Flores, and T.J. Trevino. Kneeling: Austin Carter, Cosette Keeping, Chey Enne Gibbs, Cindy Gonzales, Yovani Palacios, Russell Morrison, Emilee Turner, Christopher Simmons. Sitting: Lacey Wilson, Daniel Perez, Mariela Sanchez, Holly Rainey, Austin Encinias, Lauren Spivey, Brittany Burns, Blake Self.

Cross Country will compete in Strawn on Wednesday. Since these events happen during the work day not many folks have the opportunity to attend. I will be sure to report the results to you in next weeks article.

Home coming week is here! Students have been involved in several activities at school: crazy hair day, crazy dress day, etc. The bonfire has been planned for Wednesday, 8:30pm @ the baseball-softball fields' parking lot if the wind cooperates. Homecoming Court: Freshman Princess- Audrey Johnston Sophomore Princess- Megan Lewis Junior Princess- Brenda Olivares Senior Princesses- Nikki Keith, Sandra Lara, Kendra Swanner. Football Sweetheart is Hollyann Wright. We will also introduce: FFA Sweetheart, FCCLA Beau, Band Sweetheart and Beau, & Coming Home Queen. Don't miss the Athletic Boosters Supper @ 5:00pm in the school cafeteria.

Just a reminder for those on the committee, the High School Site-Based Committee Meeting will be Monday, October 17 @ 5pm in the high school library. Thank you for your participation!

Gorman ISD has given several computers to local students that did not have computers at home. We were able to do this by using away computers that have been cycled out of use by the school. Each year, as we replace old computers with new ones, we will make the old ones available to our students that have a need for one. If you have a child that needs a computer at home, please contact your child's principal and make the request. If we have no computers left, you will be put on a list for the next rotation.

Career Day is Tuesday, October 11 at the high school. There will be a full slate of speakers on hand to visit with students all day. This is just one of the ways that our counselor, Leticia Hampton, is helping our students focus on the possibilities that lay in store for their future. We look forward to all of our invited guest speakers.

Remember, if you have not seen your child's report card please call the school and report it. They were mailed!

I received a very nice thank you note in the mail this week regarding my writing this article. I appreciate the kind words! I will always do my best to keep you all informed of what is happening at GISD. If there is information that you would like to see in this article that I'm missing, please let me know by phone or e-mail. Thanks!

It takes community involvement for a school to be successful and you are welcome to get involved at Gorman ISD anytime. Remember, this is your school; these are your children; and these children are your future! Come help us shape the future.

Cross Plains To Hold Community Wide Yard Sale

A Community Wide Yard Sale will be held in Cross Plains on Saturday, October 8, including many yard and garage sales marked with balloons. Retail stores and restaurants will also have "Specials" and discounts in honor of the day.

Bargain hunters and treasure seekers are encouraged to come to the high school where the Cross Plains chapter of Beta Sigma Phi (BSP), sponsor of the community event, will have their Yard Sale under the pavilion between the elementary and high school. Maps and addresses of Sale participants will be distributed there at the BSP booth. Proceeds of the BSP sale will be used for service projects and scholarships for area residents.

Cross Plains' main intersection, located 45 miles southeast of Abilene and 36 miles north of Brownwood, is Highway 36 and Highway 206. From the intersection go north on Highway 206 to the high school. From I-20, south from Cisco on 206, High School is on the left.

If you have crafts or other products to sell, vendor booths (tables) are available at the Cross Plains Senior Citizens Center for \$7.50 for this date only. Contact Cathy Anderson at 254-725-6521.

Gorman Cubs Beat De Leon Bearcats 18-12

The Gorman Cubs and the DeLeon Bearcats both entered Thursday night's game undefeated, and something had to give for one of these teams. DeLeon took the lead early in the second quarter on a 60 yard touchdown pass. The half ended DeLeon 6 Gorman 0.

The Cubs fumbled the first play of the second half and the Bearcats took advantage scoring quickly to make the game 12-0 in favor of DeLeon. On the ensuing kickoff, Taylor Chew of the Cubs returned the kick 75 yards for a touchdown. Great Blocking from; John Flores, Skylar Jones, James Brown, Jose Velasquez, Alex Giles, Ben Burgess, Kiefer Wilson, Justin Little, Tyler Johnson, and Ernie Rodriguez. Justin Little ran in for the 2 point conversion, making the score DeLeon 12 Gorman 8. The kick-off return put the momentum in favor of the Cubs. The Cub defense took over and forced the Bearcats to punt. The Cubs methodically moved the ball down the field on a number of great runs by Tyler Johnson. Johnson capped the drive on a 12 yard T.D. run. Ernie Rodriguez scored the 2 point conversion, making the score Gorman 16 DeLeon 12. The Cub defense continued to control the second half. Early in the 4th quarter the Defense was able to cause a safety, Tyler Johnson and Taylor Chew tackled the ball carrier in the end zone making the score Gorman 18 DeLeon 12. The Cub defense held on to give Gorman their 4th victory of the season with no losses.

This was a great victory for Gorman and the Cubs. Offensively Tyler Johnson ran for 100 yards on 12 carries and 1 T.D. Defensively Johnson had 12 tackles and a safety, Taylor Chew had 10 tackles caused a fumble, recovered a fumble, and was involved in the safety. James Brown was credited with 5 tackles, Justin Little had 4 tackles and a fumble recovery. All the Cubs were able to play and contribute to the victory. There was a great turnout for the game and the crowd really helped in turning the momentum in favor of the Cubs in the second half, thanks for your attendance.

This week the Cubs will travel to Evant to take on the Elks on Thursday, the game starts at 6:00 p.m. Please come out and support the Cubs, as they work for another victory. Coach Barker

By Nancy Hendricks

OLD AGE

Just a line to say I'm living,
That I'm not among the dead.
Though I'm getting more forgetful
And more mixed up in the head.
For sometimes I can't remember
When I stand at the foot of the stair,
If I must go up for something
Or if I've just come down from there.
And before the fridge so often
My poor mind is filled with doubt,
Have I just put food away, or
Have I come to take it out?
And there're times when it's dark out,
With my night cap on my head
I don't know if I'm retiring
Or just getting out of bed.
So if it's my turn to write you.
There's no need of getting sore,
I may think that I have written
And don't want to be a bore.
Remember - I do love you.
And I wish that you were here;
But now it's really mail time
So I must say, "Good-bye, dear."
There I stood beside the mailbox,
With a face so very red.
Instead of mailing you my letter,
I had opened it instead!

KOKOMO NEWS

By Zelda Jordan

Hopefully the cooler and rainy weather we've been waiting for will be here by Thursday. At least that's what the TV weathermen tell us. Let us pray that it will be a reality. I've about had enough of this hot dry weather, how about you?

The song, "What A Savior" was so beautifully rendered at the Sunday morning service at the Kokomo Baptist Church by the choir: Aletha Burgess, Kay Snider, Leona Wilson, Helen Browning, Daryl Hirst, Thomas Seay, Jimmy Little, Joe Bond, Woodrow Browning with Glynda Bond at the piano. "Happy Birthday" was sung to Ashley and Breckley Little. Aline Garrett of Gorman and Michael and Susie Hampton and children, Chance, Mikesha and Larissa were visitors.

Jimmy and Verna Lee Little, Ray Neal and Melissa Little of Eastland, Nelda Fails of Arlington and James Little of Lake Leon enjoyed a family vacation together at Blue Creek near South Fork, CO. where they did a lot of fishing and sightseeing. The trees were beginning to turn golden, and Verna Lee reported that it was a breathtaking sight. Due to work and school, Jill, Ashley and Breckley Little were unable to go with them.

They returned on Thursday night and Nelda visited with Jimmy and Verna Lee until Saturday. Nelda and Verna Lee went to Eastland on Saturday to see Taner Shott play football, and then visited with Ray Neal and Melissa Little and little granddaughter, Kourtney Peacock of Abilene who was visiting with her grandparents. They also visited with James,

Fall begin last Thursday - what a lovely time of the year. Beautiful colored leaves, cooler weather - so take time to enjoy each and every day.

Jeff Roberts of Dallas spent the past weekend with his mother, Dorothy Roberts in Desdemona.

Larry and Gay Moore enjoyed a Family Dinner last Sunday with their group. Those attending were Bruce and Renee White and children, Chelsea and Cory of Stephenville; Paul and Susan Moore and children, Hagan and Scarlett of Lingleville.

Get Well Wishes to those in our small Community who are on the sick list - some are recovering from surgery, others with colds and allergies.

Please contact this report with your weekly news.

Thanks and have a nice day. Vonnie.

Jill, Ashley and Breckley Little.

Joe Little of Midland visited with Betty Little and Charles and Carolyn Little.

Zelda Jordan visited in Abilene on Monday last week with Glenda and Leon Black and Wade, Sheri, Ryan, Kody and Emily Daniell. Glenda and Leon visited with Zelda at Kokomo on Friday. Leon, who has been working at a hospital in Lake Charles came to Abilene just before hurricane Rita hit and has not been able to return because the hospital was shut down and has not reopened yet. He hopes to go back sometime this week. Have a good week.
