Plans Set To Send Cards To Service Men

Christmas time is coming up quickly and a few of us have put our heads together and decided we need to do something for our local men and women that are serving this great nation to keep us free. I would like to suggest that if you know someone from around here that is in the military, put their address in the paper or bring it by the City office and we will find somewhere to post them so whoever would like to write or send a card/care package can.

Thanks, Jill Rainey

Super Notes

By David K. Perry dperry@gorman.esc14.net

Winter is here! This latest cold snap is bringing out the sweaters and heavier coats and we may even have had a little snow by the time you read this article. I want to remind you that we contact all of the television stations in Abilene with closing and delay information as well as KSTV (FM 93.1) in Stephenville and KYOX (FM 94.3) in Comanche. I do not anticipate and weather related action being take this week if the weather reports are correct.

The Gorman Student Council is sponsoring a Shoebox Christmas! They are looking for boy and girl gifts from ages 4-18 years of age. You may turn in your shoebox donations into a Student Council Member or to Coach Lovelace. All donations must be received by December 14th. If you choose to wrap the shoebox please wrap the box and lid separately. Thanks so much!

The High School Student of the Week for this week is Poncho Raygoza and the Middle School Student of the Week is Miles Turner. Congratulations! The Faculty Members of the Month are Trey Felan and Sandy Porter. Congratulations to them also!

Elementary U.I.L. Academic Competition will be held on December 8th and 10th at Ranger ISD. If your child is on a team, please encourage them to study for the contest. Students that are contestants will be given an allowance to be spent at the concession stand at Ranger for the day/days that they are competing. Permission slips as well as additional information will be sent home to you before the trip.

The Second Six Weeks Awards Ceremony for Maxfield Elementary will be Wednesday, December 2nd in the auditorium. First, Second, and Third Grade awards will be presented at 2:00pm. Fourth and Fifth Grades will receive their awards starting at 2:30pm. We hope as many parents and grandparents can attend as possible.

Just a reminder, all visitors at all campuses are to obtain a visitors pass from the campus office before going into the building any further. We appreciate your cooperation. Even though we know most local visitors, we have lots of new employees and students that may not know you and we are complying with security laws we have to have in place. Thanks again for your cooperation! It is for your child's protection.

The third six-weeks (first semester) will end December 18th, 2009. December 17th and 18th are early release days. The buses will run at 12:30 and the Christmas Holidays will run from December 19th through January 3rd. School will resume on January 4th. We encourage you to communicate with your children about their school work and see that they get all of their assignments completed and turned in at the proper time. It is so easy for them to focus on the holidays too early and let their grades slip. If you have any concerns, please call for a meeting with your child's teacher or principal, whichever is appropriate.

I would like to recognize an ex-Gorman student that moved to Goldthwaite this year, Kiefer Wilson. Kiefer is still playing football and doing a great job for the Eagles and I wish him the best for the rest of the season and hope a lot of his Gorman friends get to watch him and his team go all the way to State. We sure could have used him this year but it looks like his move has turned into a blessing. I am excited for him and I hope you are too!

With this weather, no reminder should be needed, but some kids would wear shorts all year if allowed. No shorts are to be worn between Thanksgiving and Spring Break. Please! We have enough of a problem with illnesses without intentionally aggravating the situation. Thanks!

Remember, it takes community involvement for a school to be successful and you are welcome to get involved at Gorman ISD anytime. This is your school; these are your children; and these children are your future! Your input is always welcome. Come help us shape the future. Thank you for all you do to support us!

Happenings At FBC!!

Resist! Refuse to give in and generate disharmony, negativity, and disruption to destroy others. As believers God gives us infinite worth and dignity. Exercise true humility and strive to produce gratitude to God and thus treat others with gentleness and grace.

Mark your calendars:

Dec. 5th - 2pm to 4pm - You are invited! Bro. Barry & Sharlene's Open House Fellowship.

Dec. 6th - Youth led Sunday - Justin Little and Alex Giles to bring the Message.

Dec. 20th - 10am - Happy Birthday, Jesus, Party!

Dec. 20th - 6pm - Annual Holiday Dinner - bring your favorite side dishes and desserts.

Children's Sermon: Liz showed the children tape, glue, a stapler, and a paper clip. The she demonstrated how each one could hold paper together. We need people in our lives. We need to hold tight to our family, friends, and church family. Jesus gives us a commandment in the Bible to love one another. Love holds people together better than tape, glue, paper clips, and staples. Let Jesus into your heart so the love of Jesus can pour out and hold us together.

Bro. Barry's message: "Portion Distortion" - Matthew 14: 44-46 - There was a study conducted by the National Heart, Lung and Blood Institute that compared the size of food portions from twenty years ago to now. It's astonishing to see how large food portions have grown, thus food portions have changed our health and the way we live. Dieticians say obesity is not necessarily what we eat rather how much we eat.

Matthew 13:44-46 - Do we really know what is valuable? Today we have the most unbelievable distractions in America. Television censoring is almost nonexistent, and using the Lord's name in vain is at an all time high. Food portions have been distorted, but Christianity has been distorted even more. Christianity Distortion is just the opposite of food because the portion goes from big to small. Christians in the twenty-first century have gone backward, yes, we have allowed the influence and impact of Christianity to shrink!

I. Man finds Treasure. - What is the greatest treasure of your life? Remember four years ago we evacuated Gorman because of the wild fires, what did you pack as you were leaving your home? How much time do you think you have left on this earth? What matters most? How much does Jesus mean to you?

II. Man Sells Out. - Will you bury your treasure? Will you hide what you have? Only you can answer. Will you give it all to God?

III. Jesus is the Treasure. - Only you know in your heart if you have found the Lord. Have you accepted Jesus into your heart? Do you trust in Jesus? The real treasure is not what you may own; rather it is the free gift you receive from Jesus.

You are never alone; Jesus promises that He will be there for you.

Re-evaluate your portions, and make sure there is no distortion in your service to the Lord.

Our Worship Service begins at 11:00AM on Sunday mornings - please come and join us!

Remember: God loves you like no one else! Email us at fbcgorman@hotmail.com
