Happenings At FBC!!

Understand! May God help us to understand the true meaning in the Joy of the Lord. Joy is resting securely in God's care, and trusting in bad times and good times God takes care of everything. May each of us surrender joyfully to God's plan for our life, and may you find yourself living your life with the Joy of the Lord.

Mark your calendars:

- Dec. 16th** - Team Kids & Mission Friends Christmas Program - Please come and be delighted!
- Dec. 20th** - 10am - Happy Birthday, Jesus, Party!
- Dec. 23rd** - 6:30pm - Candlelight Service and Lord's Supper.
- Dec. 31st** - 8pm - New Year's Eve Singing at New Hope Baptist Church.

Children's Sermon: Liz showed the children a can and then read the label that said chili beans and sauce. When the label says chili beans and sauce we do not find fruit, green beans, dry beans, or peas in the can. When we open the can we find what the label says is inside. Those that love Jesus and have accepted Jesus into their heart are labeled as Christians. Some people wear things like crosses and pins to show that they love Jesus. Being a Christian means you have Jesus on the inside, show love for one another, obey God, and proclaim the Word of Jesus. Jesus loves you forever.

Special Music: Sammie Mauney touched our hearts singing "A Grown Up Christmas List" and we couldn't keep the tears from falling.

Bro. Barry's Message: "I Wonder?" - Luke 2:14 - Glory to God in the highest! When you look at the Nativity Scene do you wonder what Joseph and Mary were thinking? If there is no room at the Inn for the child to be born, will there be room in the world for the Son of God? The baby was wanted dead, do you wonder if the three Wise Men wondered if baby Jesus would even make it through the night alive?

What does Christmas mean to you? Do you wonder what Christmas means to those that live in third world countries and to the missionaries around the world?

Do you wonder what Christmas mean to merchants, is it all about their bottom line?

I. God knows you, and you are important to Him. - Children remain impatient waiting for Santa. May we anticipate the return of Jesus with such zest. God knows you, let that grab you and take your breath away. God knows you in bad and good, and you remain most important to Him.

II. Your life matters, because God loves you. - God created you. "It a Wonderful Life" is the favorite Christmas movie of many. What impact will your life make for God?

III. Your faith matters also. - Do you know how relevant your faith in Jesus is to living your life? The radiance of the Lord surrounds you.

Don't be afraid. Do you really get the wonder of Christmas? God will truly be faithful in always giving you what you need. Jesus gave His life for you, and Jesus loves you always!

Our Worship Service begins at 11:00AM on Sunday mornings - please come and join us!

Pig Tales From Hogtown

What a great time we had at the Christmas Store this year! Especially last Thursday afternoon - The Back Porch Musical Society came to our building to practice. We had wonderful music to shop by!

I'll tell you, our Christmas Store is really a fun place to be - we have folks who make it a point to come each year, we have new folks who hear about the store in some way and we have folks who see our sign and come in. It's very interesting to talk to our shoppers - they come from all around the area! Thanks to everyone who came. A huge 'THANKS' to the great cooks who donated all the baked goods for the store and to all who helped run the store!

Please come to our New Year's Eve celebration at the DAC. Bring your favorite game and a snack to share and we will ring in the New Year together.

See you in Desdemona!

Air-Medical Christmas Lunch Held Sunday

On Sunday, December 13, 2009, Tech*Star EMS Education held their 3rd Annual Air-Medical Luncheon for all of the area air-medical providers. This is something that we do each year for all of the providers that service the Gorman & Eastland County area, states Tim Dennis, EMTP & Program Director for Tech*Star EMS Education. This is just a small gesture to show our appreciation for all that these providers do for the citizens in our part of the state, plus to it gives everyone a chance to sit and catch up on old time during the holidays. We also hold a luncheon during Texas EMS week for these providers and next May will be our 7th Annual EMS Week Luncheon.

Each crew member was presented with a notebook portfolio and a pint of homemade plum jelly. Attending this year was; Air-Evac Brownwood and Mineral Wells & CareFlite - Granbury Base.

Thanks to the Gorman Vol. Fire Dept for taking time out of their Sunday to set up our LZ.

Super Notes

By David K. Perry dperry@gorman.esc14.net

It's cold! I know that's normal, but I suppose I like abnormal weather this time of year. I would be happy if it never got colder than 60, but I don't want to move to South America. Well that's enough about the weather, it will be what it will be, but we don't have to let it affect our attitudes or our faces; smile at everyone and almost all of them will smile back at you!

The Junior Class has had fun with the Jingle Bell Shop. The Middle and Elementary Students have really enjoyed coming over to the High School and Shopping for family and friends. If anyone from the community is interested in shopping, please feel free to come by the high school at the following times: Thursday-December 17th 10:40-12:30 Friday-December 19th 8:00-10:30

Thank you for supporting our basketball teams with your presence at the games. Your presence and your cheers mean a lot to our kids. Win or lose, just to see you there makes all their hard work worthwhile. Just knowing you care enough to be there is all it takes to make a child's day. I bet you didn't know you were that important. The only basketball over the holidays will be the tournament at Priddy December 29th-31st.

Don't forget that we get out early on Thursday and Friday. Busses will run at 12:30pm. School will start up again on January 4, 2010. We look forward to seeing everyone return well rested and ready to go. The spring semester is so busy with stock shows, district Basketball, high school U.I.L. Academic competition, One Act Play, Golf, Tennis, Softball, Baseball, and Track! Oops! I forgot Band, which has sight reading and concert competition as well as individual areas of competition. On top of that we have TAKS Tests and of course we have to fit "regular" education in there somewhere. Actually, I would appreciate it and the teachers would appreciate it if you would make your child's main focus their regular classroom work! Just remember that your child has an opportunity to do all of the extra-curricular activities listed that they want to do, but they can do none of them if they don't pass all of their classes. So please help them by seeing they do their class work and stay well nourished and rested. Remember too that there is only so much they can do.

Thursday, December 17th starting at 9:00am Maxfield Elementary will have a Christmas Program where the Kindergarten will perform. Mrs. Laminack will lead a Sing-A-Long and Mr. Howard's Fifth Grade Class will lead additional Christmas Carols. This will be held in the auditorium. Everyone is welcome!

Friday, December 18th Maxfield Elementary will have class parties. The individual grades have sent out information with their students on their particular "class" party.

The last day for Pee Wee Basketball signup is December 17th, 2009. If you have a child wanting to play it is not too late. I encourage you to get your kids involved in sports as soon as possible. It is a health issue. The sooner they begin, the better off they will be later in life (my opinion). You can pick up an application at the city office and turn them in there as well. If you have any questions, call Barbara Fenley at 1-254-734-1318 (cell). The kids will be playing in the new gym where the goals can automatically be lowered to 8ft.

The third six-weeks (first semester) will end December 18th, 2009. Report cards though will be sent home until January 6th, 2010.

The Christmas Band Concert will be Thursday, December 17th, 2009 at 6:30pm in the auditorium. Admission is free and you are invited. Hope to see you there.

Our regularly scheduled board meeting was held Monday evening: The meeting began at 6:00pm with a prayer by Noah Landa and then everyone saying the Pledge of Allegiance. Present and voting were Mark Simmons, Bob Powell, Beth Underwood, Larry Thompson, Noah Landa, and Don Whitten. Daryl Hirst was absent. Mr. Perry, Mrs. Reeves, and Mr. Byrd were also present. We then heard two poems recited by Annette Lara which she had performed at U.I.L. competition where she came in fourth place. She did an excellent job and we are very proud of her! Her coach, Mrs. Scitern, accompanied her. We greatly appreciate her for sharing with us this very talented young lady. We then proceeded with the business of the district. The board unanimously approved the consent agenda and then heard reports from Mrs. Reeves, Mr. Byrd, and Mr. Perry. The only action taken in the reports was to appoint community members to the School Health, Advisory Committee pending their acceptance. Mrs. Reeves reported on the success of the Fall Festival and the Book Fair. Mr. Byrd reported that they would be doing a mock TAKS test at the high school to help them get ready for the real thing. Mr. Perry reported fund balances of \$2,233,941.30 for GISD and \$1,034,484.15 for the EastEnd Special Education Cooperative and that over 22% of the 2009 taxes had already been paid. Procedures for Superintendent Evaluation, which takes place in January, were then discussed.

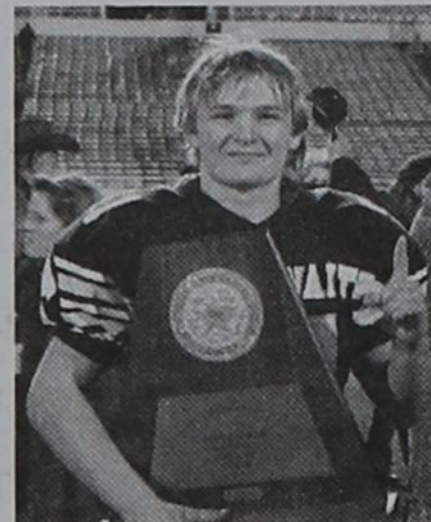

The board then unanimously selected Melissa Osborne as Co-Chair Person of the School Health Advisory Council. They then discussed personnel and adjourned at 7:40pm.

I know I said this last week, but this is the last article until after we return from the holidays. I sincerely wish for you all to have a blessed Christmas and that the birth of Jesus will be on your mind and in your heart and for us all to be thankful for the wonderful gift He gave us! Merry Christmas!

Remember, it takes community involvement for a school to be successful and you are welcome to get involved at Gorman ISD anytime. This is your school; these are your children; and these children are your future! Your input is always welcome. Come help us shape the future. Thank you for all you do to support us!

Kiefer Wilson Shines At The State Championship Game

The Goldthwaite Eagles took on the two time defending state champion Canadian Wildcats on a beautiful day in Lubbock, Texas. The two teams were both highly talented and closely matched making for an exciting state championship game, just like it should be. The Eagles lead 13-6 at the half, and after receiving the kick-off they scored on the first play of the second half giving Goldthwaite a 20-6 advantage. Then both teams started trading touchdowns back and forth. Then, the wildcats scored leaving 27-25 on the board, and were going for a two point conversion to tie the game, however the pass was picked off and the Eagles intercepted the ball ran it all the way back to give the Eagles a 29-25 lead. Trading possessions gave the wildcats the ball with little time on the clock and they were driving successfully down the field with a determination to score, however with 1:12 left on the clock and the Canadian quarterback looking for a pass deep in Eagle territory Kiefer Wilson steps into the line of fire and picks off a beautiful interception!! He runs it back several yards and has visions of touchdown in his head; however his training overcomes and he goes down with the ball around mid field. The Eagles can then take victory formation and kneel the ball twice to run out the clock for the STATE CHAMPIONSHIP. Kiefer also had 7 tackles on the day along with the game saving interception, he played a superb football game, and if you know Kiefer he wasn't finished when the game clock ended, he then took off his helmet and executed a perfect round off followed by a back hand spring to celebrate the victory. It was a great game and a great time as around 40 Gorman fans travelled to Texas Tech to root for Kiefer and the Eagles. Congratulations Kiefer and the Goldthwaite Eagles.

HOMESTEAD HAPPENING

By Ina Smith

December is here, What a wonderful time of the year. Everyone is so good to us here at Homestead. What a blessing it was on Dec. 4th when Sondra Brudnak and Alison Read came and performed a Christmas concert on the harp and violin. This week we look forward to school band and John Howard coming and then on Friday we will be blessed by the 5th grade class from Gorman Elementary. Dr. Dan just told me he plans to be here with the Band-Aids on Sat. at 10:00. We will have our Resident Christmas party on the 22nd. Daryl Hirst will be here to sing for us. Everyone is invited to come and join us at any time.

We want to wish everyone a Merry Christmas and a Happy New Year.

Senior Citizens News

By Carol Ward

We enjoyed our Wednesday the 9th get together with twenty in attendance. The only drawback was Jerry Underwood became that morning. She is still in the hospital with dizzy spells. It doesn't seem like she had a heart attack, as heart is working good. We miss her, I had hoped she would be back for our Christmas Party the 16th. Ruthie Porter was gracious to offer the blessing for us all.

Our meal was great with meat loaf, fish sticks and a wonderful soup that Martha Harrington prepared. Also three dishes of sweet potatoes, mashed potatoes, green peas, two veggie salads and carrots. Good beans and cornbread. Estelle Lindley made us a good pecan pie and last week I forgot to mention her delicious prunes with cream cheese and pecans. Martha Harrington made a good berry cobbler. Anne Laminack brought Christmas tree cakes. Our desserts were every slim this week.

Raymond Hattox and son Gary were with us to enjoy our meal. Of course Raymond is here nearly every week, but good to see his son. James Bruton came a little late. He needs to come by 11:30 so the food will still be warm. Good to see them all.

I traveled to Lubbock with my family to see the Goldthwaite State game on Saturday the 12th. What an exciting game! They won with a 29 to 25 score. A nail biter for sure. We had a hard time seeing all as everyone stood up. I had never been to a game where they didn't sit down. So I had to watch some on that big screen. We did move three times trying to get a seat where we could see. Keifer Wilson sure did shine in this big game. He caught an interception and had many good tackles. At the end he turned a flip, HA!. His brought Ryan Wright was so pumped he had chewed all finger nails off, HA! We arrived home at 3:30 in the morning, I could barely walk. It has taken me two days to recover. They played this Class A State game in the Texas Tech Jones Stadium with Canadian. Keifer is Kendra Swanner Wrights brother-in-law. His sister Holly and Mother Mary were there to cheer him on also.

Our Christmas Party will be this Wednesday the 16th. I forgot to put in paper last week, so this a bit late. Hope word of mouth got around. Bring a present that will go for either sex and no more than five dollars in cost. Maybe we will have a good turnout and Merry Good Christmas to all.

Hope all is well and see you next time - Carol
P.S. - We will not meet the week of Christmas

GORMAN CITY MINUTES

DECEMBER 3, 2009

The Gorman City Commission met on the above date. Those present were Mayor Robert Ervin, Commissioners Durward Webb, David Stanley, Nathan Files, and Joe Casey. Chief Barbara Fenley, and EDC Director Cliffa Vaughn were also present.

Joe led the opening prayer followed by the Pledge of Allegiance and the Texas Pledge.

Mayor Ervin called the meeting to order @ 5:30 p.m.

Nathan made the motion to leave out the sentence of "This year will not follow suit.", and with that correction approve the minutes of the November 19th meeting. Durward made a second, motion carried 4-0.

David made the motion to approve the bills for payment. Joe made the second. Motion carried 4-0.

Cliffa reported approximately 32 structures / houses that should be torn down or done away with. She indicated she had a map with the locations marked. Cliffa is working to get a program to Gorman that can clear these unsightly lots.

Items 7, 8, and 9 were all discussed in conjunction with the EDC report. The city attorney is currently working on amending the current clean up ordinance. This will give the City a better process of pushing through with property clean up letters and penalty. The attorney also stated that a board will have to be appointed to serve as a review board for citizens to answer to or appeal to. This board will be appointed with volunteer citizens.

At 6:25 p.m. Nathan made the motion to go into Executive Session. David made a second. Motion carried 4-0.

At 7:15 p.m. Nathan made the motion to go out of Executive Session. Joe made a second. Motion carried 4-0. (Note: David had to leave @ 6:40 to report to work.)

No action was taken upon adjourning from Executive Session.

The Commission had Tacy make note of numerous work orders they wanted issued for completion.

And there will be a look into issues concerning dogs on chains, and chickens not contained to proper pens or coops.

There being no further business for discussion, Joe made the motion to adjourn with a second from Durward. Motion carried, time was 7:35 p.m.
