It is often used as the polling place for Carbon.

Our 5th Saturday Musicals are held to provide an occasion for folks to enjoy music played and sung by local folks, to appreciate good meals and to make funding available that helps with repairs and maintenance to the building. ## "On The Wilder Side"

The Bible class was shocked by the question. Their brother in Christ had said he was concerned if the fathers knew how old their children were. One dad angrily replied, "Of course, we know how old our children are!" The concerned member replied, "I don't mean to irritate you, but you all seem confused about how old they are."  
 Another man challenged, "Tell us how we seem confused." "I will," the concerned member softly answered, "but you will not like the answer. I will start with Nathan, who is not expected to sit still for thirty minutes during the sermon, because he is too young."  
 "He is too young," interrupted Nathan's father.  
 "Perhaps. But you expect him to sit for hours in school," continued the concerned member. "Then there is Sharon, who is old enough to sing with the radio, but is not expected to sing with the congregation. And what about Michael? He will not even say hello when an adult greets him after services. He learned the rules of tee ball, so why can't he learn basic etiquette? And what about Janice? Is she too young for the Bible? Her Bible class reads paraphrased Bible stories rather than the Bible itself, yet she is old enough to watch PG movies."  
 "Is Jimmy really too young to learn the books of the Bible? He was able to learn the fifty states. And how can Ellen be old enough to write a paper for her school, but too young to look up the scripture references during the sermon? How can Cheryl..."  
 "All right, you can stop," said Cheryl's father.  
 There was silence for a few moments, then another father said, "I have been treating my child as if he were grown up during the week and as if he were a baby on Sunday. It seems the rest of us have not done much better. God told us to bring up our children in the nurture and admonition of the Lord" (Ephesians 6:4).  
 No one answered. The silence that followed was the silence of prayer.

## A Letter To The Editor - To Save The Nation

By Henry A. Buchanan

To save the nation, the President must sacrifice himself. In the mythic language of Easter, Obama must become the Christ figure. Politically, he must offer himself up in order that America may live. He has become a one-term president, but if he can accept that, he can demand of America what is necessary to save America, that the American people pay more and demand less services of government. This will cost the president a second term of office but if the President trims his sails to the hope of a second term, he will lose the chance to save America and he will lose his bid for a second term too. For the Republicans cannot be satisfied, placated, made of compromise because what they want is not for the President to save America, but for him to lose, so that they may gain the White House. Then THEY must save America!

He missed his first chance on the tax reduction extension but he must regain it and more for the nation, otherwise the nation will drown in debt.

The nation, the people, must face hard times; pay its way out of debt before demanding anything for itself. Before health care, before self defense and warfare, before education, before entertainment, athletics, all frivolities; the nation must pay its debts --- and the President must lead in this. Even though it means political death for him HE MUST lead.

We cannot afford expensive campaigning for office, money for advertising and struggling for the office of President on any other political office of power and prestige and influence. Service to the people only!

We the people. We must suffer hunger, nakedness, deprivation, sickness, death and rebirth because we have brought on a Revolution both from inside and outside forces that will utterly destroy us unless we meet the challenge of want and pain and despair.

But the nation can only do it with a Leader who will give up his Life for the people.

## Happenings At FBC!!!

Comfort! When you are hurting and suffering you long for encouragement and uplifting. May God use you to bring comfort to others. May you know the comfort only God can give.

Mark your calendars:  
**May 1st - 6:00pm** - TriCounty Association Music Rally at FBC Eastland - See you there!  
**May 8th - Mother's Day.**  
**June 6th thru 10th - VBS** - Please pray for this Special Event & call Church Office to volunteer.  
 \*\*Nikki Keith is leading the task to create a "Gorman Community Garden" - please call the Church Office to get Nikki's phone number if you are interested in helping or donating tools.  
**Wednesdays:** TeamKids at 6pm, Mission Friends at 6pm, and Youth at 6:30pm. Bring your friends and have fun learning about Jesus!

**Baby Dedication:** Marvelous was the experience of seeing eight little children and their families stand before the congregation; and hearing all of them dedicate their children to God. This is not a baptism, it is a commitment we make together as the Family of God to the spiritual nurturing, supporting, guiding, protecting, and instructing of them to grow as a Christian in God's service.

**Recognition of Nursery Volunteers:** Sammye Mauney Nursery Director, gave thanks for all the children we have in the Nursery, as they are our future leaders. Thanks were given and a gift of appreciation was presented to each of the ladies that volunteer and help in the Nursery.

**Children's Sermon:** Nikki asked the children what we're celebrating today, and they said, "Easter!" Then she asked them about hunting Easter Eggs and what they found inside. They all said, "Candy!" Nikki had three eggs. 1st Egg had a cross in it - Jesus loves us so much He gave His life for us. 2nd Egg had a stone in it - the stone was rolled away from the tomb. 3rd Egg had nothing in it - the tomb was empty, the Angel told them that "He is Risen" as He said He would. It's because Jesus lives that we have the hope of living forever with God in heaven.

**The Messengers:** Two magnificent songs made their world debut - "I'll Lay Down in Green Pastures" and "Christ Alone". We never cease to be amazed by the extraordinary God given talents of Tommy Clark, Glen Clement, Jeff Seaton, & Jeff Clark. Glory to God!

Bro. Barry's Message: "Do You Know Him?" - Romans 13:12-14 - We all walk this earth together. As Christians we have a responsibility to live decent lives for all to see. Bro. Barry said in modern day translation it means, "Young People don't go on Spring Break!" Clothe yourselves with the presence of the Lord Jesus Christ.

Christmas --- Birth - One day to Praise the Lord for the birth of Jesus.  
 Crucifixion --- Death - Each & every day our sins are forgiven because Jesus paid it all.  
 Easter --- Resurrection - An empty tomb that changed the world.  
 What If there was No HIM? (1) No You. (2) No Me. (3) No Us. The birth and death of Jesus are a big deal, yet if it were not for His resurrection there would be no reason to pray, no reason to dedicate babies, no reason for Tommy Clark to write songs, no reason for The Messengers to sing, and no reason for hope.

WILBURN OVERSTREET - Is not normal. 95 years old. - Only 2% of the world's population make it to 90 years of age. Your age doesn't matter; you need a relationship with Christ.

Three Types of People On this Planet:  
 1) Those that KNOW HIM. - To know Jesus is to love Him, and want to know more about Him.  
 2) Those that DON'T Know HIM. - People exist that actually don't care and don't think twice.  
 3) Those that THINK they Know HIM. - It's a horrible fault of yours to not know Jesus. He is the God that created you, and He has blessings waiting for you. Jesus is the resurrected One!  
 Serve a Risen Savior while you still can; when God decides it's over, time will come to an end.

If you are reading this and you have not accepted Jesus Christ as your Lord and Savior please call Bro. Barry, ask Bro. Barry to talk with you about being saved or just ask him to pray with you, just call (254) 734-2420. Our Worship Service begins at 11:00AM on Sunday Morning - please come & join us! Others present were Ron Dooley and Chris Chaney of Copsync, Leland Rainey and Ashley Dycus, Bill Barrentine, Curtis Gilder, and Barbara Fenley.

Joe led the opening prayer followed by the Pledge of Allegiance and the Texas Pledge.

The Commission looked over the bills. Durward made the motion to approve for payment with a second from David. Motion carried 4-0.

Reports were submitted by department heads. These were looked over by Commission. Curtis was present as public works. He informed the Commission on the past week's work tasks. Bill was present to formally tell the Mayor and Commission that his last day would be April 21, 2011. Bill and wife Maryann will be moving back to Florida to retire and be closer to family. The Commission thanked Bill for his service and added that he has been a very positive asset to our community.

Curtis and Bill also had some inquiries about the sewer lines around the Gorman Milling area. The mayor will meet with the crew on Friday.

Tacy explained a grant program available through On-cor Electric Delivery. Durward made the motion to move forward with this grant. Nathan made a second to the motion. Motion carried 4-0.

Chris Chaney and Ron Dooley did a power point presentation over the Copsync computer program. This is a very precise computer program that works in conjunction with the state records filing system as well as our local municipal court system. The Commission requested more time to consider the payment options and to explore what we currently pay for professional costs that this program will replace.

No action was taken on the water tower repairs and the Utility Service Company. Tanner Bruce will be attending the April 21, 2011 meeting.

Tacy presented the Certification of Unopposed Candidates. David made the motion to cancel the May 14, 2011 City General Election due to candidates running unopposed. Joe made a second to the motion. Motion carried 4-0.

If at the end of this probation period and the Commission feels he has performed his job duties satisfactorily he will be kept as a regular full time employee, and will be added to the City insurance plan. Raises will be considered when licensing permits are obtained in the future. If at the end of the probation period the Commission does not feel he has performed his duties to a satisfactory standard he will no longer be considered for employment. Nathan made a second. Motion carried 4-0. Leland will start upon completion of his two week notice to current employer.

The Commission inquired about the keeping of livestock issues. They want to move forward with citing and placement for the residents that have too many livestock in small residential pens or yards. Barbara will act on this and Cliffa will continue to look for more adequate housing.

There being no further business for discussion, David made the motion to adjourn. Nathan made a second. Motion carried 4-0, time was 7:00 p.m.

## USDA's Emergency Conservation Program Funding Possible For Eastland County

The drought that plagues most of the state makes agricultural lands extremely susceptible to wildfires. The Farm Service Agency (FSA) offers emergency conservation and disaster programs to eligible producers who have lost fencing, conservation structures and livestock due to wildfire or other natural disasters.

FSA's Emergency Conservation Program (ECP) provides emergency funding for farmers and ranchers who want to repair farmland damaged by natural disasters or for carrying out emergency water conservation measures during periods of severe drought.

Funding for ECP is not, "automatic." Producers aware of a need for this type of assistance should contact the FSA office immediately. Once need is identified, the local FSA office coordinates ECP funding requests through proper state and national channels.

Motley County is currently the only county that has received ECP funding in Texas, but the Texas Farm Service Agency encourages producers affected by wildfires to stay tuned because assistance could be approved soon.

If ECP funding is approved, it is important for producers to submit their requests for ECP assistance prior to beginning reconstructive work. Completing reconstructive work before submitting an ECP request could result in forfeiture of program eligibility.

Producers can use ECP funds to remove debris on agricultural lands, restore fences, grade and shape land and repair existing conservation structures damaged by the disaster.

Program eligibility is determined by the county committee by conducting on-site inspections that take into account the type and extent of the damage. Conservation problems that existed before the disaster are not eligible for ECP assistance. ECP program participants can receive financial assistance for up to 75 percent of the cost to implement approved emergency conservation practices.

In addition to possible ECP funds for Eastland County, there are funds available for the Livestock Indemnity Program (LIP). LIP compensates livestock owners and contract growers for livestock death losses in excess of normal mortality due to adverse weather, which includes wildfires.

For more information on ECP, LIP or other FSA programs, please contact the Eastland county office at 254-629-1636 or visit FSA online at <http://www.fsa.usda.gov/tx>.

### Homestead Happenings

We had a great time at our Easter Party, Mrs. Bunny came and help had out the bountiful Easter Basket made by the Dorcas Class from the Gorman Church of Christ. No one was able to crack the Egg pinta given to up by Diane Brown Everyone enjoyed the punch and mini cup cakes.

On Monday following Gospel singing we held our April birthday party. Sue Simmons had a birthday on April 12 and Lula Schneider will have a birthday on April 30. Thank you to Amy Wood again for a delicious, beautifully decorated cake. It was good to have Ernestine and Lane Campbell back with us for the singing. Also coming were Ruby Lee Kinser, Billy Joe Dennis, Woodrow and Helen Browning, Margie Treadway, and Eugene and Claudia Simmons.

We are always looking for ways we can give back to our community. It was brought to our attention of some of the things our Firefighters could use besides water and gator aid. So the residents and staff here at Homestead have decided to make "A Firefighters Care Kit". If you would like to help with this all or any donations would be appreciated. Suggested items are: Powder for inside their boots, paper towels, Lotion for faces, Tinactin, Eye wash or contact solution for their eyes, wet ones, Motrin, Aspirin, tylenol, Socks, (so they can change out of their wet socks) Granola bars or candy that won't melt. Small Packages of kleenex. And anything else you think my help comfort our firefighters while serving our country. We need to always remember our firefighters needs at other times too, not just during wildfire season. Thank You

Visiting with Edgar Reynolds were B.E. Simpson, Johnny Smith and Adrian Wright of Goldwaith. Visiting Lula Schneider was her Pastor, Vicar Stinnett of Cisco, visiting Rozelle Caraway was Bo Caraway and Ima Brown, Rozelle went to the home of Glenn and Kathy Scitern for a visit. Leta Hogan went home for an Easter visit with her children, grandchildren and great-grandchildren. Eugene and Claudia Simmons visited his sister, Sue Simmons. Visiting Ora Lee Lawrence were Ima Brown and Lil Brudnak Bill and Charlene Daniel of Arlington and Billy Self visiting Christine Self. Maxine Huddleston visited Frankie Stacy. We had a surprise visit from Linda Jackson Neely, who brought Nell McAnally a copy of the first Carbon "Sandstorm" Annual which was published in 1936. Nell was on the annual staff and did not receive a copy of that annual. Thanks to Linda she now has a copy of that annual. Thank you Linda.

Have a good week

### Senior Citizens News

By Carol Ward

Wasn't this 2-3 inch rain wonderful? The Lord has surely blessed Gorman with all this moisture. After all the fires and loss of life, its time for some good news. The cooler temperatures feels nice too, but not the higher humidity.

I just returned from the Houston area and had warmed up down there. There flowers all blooming, even the crepe myrtles. Ours here are barely coming out of winter rest. We enjoyed our Easter meal and egg hunt at my grandsons in Spring. No bed for me there, so I stayed in a Motel two nights. All they had was a roll away bed, didn't quite fit my body. HA!

The report on my case at MD Anderson was some good. No more cancer found, but other problems with my bladder. They only test cancer, so will have to find another Dr. to help me. I may go to the one in Temple at Scott and White, Beth Shirley is seeing. Hopefully he can help people with more difficult problems.

Since we didn't get to meet on the 20th at the Center not much to write about. They had food and a gathering there for the firemen that lost his life. So we will all try to meet on the 27th. Hope more will turnout as well will celebrate birthdays for the month of April. I believe Wilburn Overstreet is the only one for the month. He is such a sweet, good man and nearly always at our meal. If all were that faithful we would have a good turnout weekly.

Sandy Warren had a bad fall in her home and fractured her vertebra. She has since been to San Angelo to have her spine cemented. She had this done once before and worked good. No more climbing up to clean kitchen cupboards, especially on a stool. We will miss you Sandy at our dinners, especially your good cooking.

Billie Bennett is improving after surgery on her hand a month ago. She is now having lots of therapy to improve her dexterity. Sure do miss her also. She makes the best cornbread salad I've ever tasted. Come back soon Billie.

I talked to Daisy Slaton on the phone after my return from down south. She is doing fine and walking more with her walker. Wishes she could get out for awhile. Maybe when her daughter Bennye Gail comes form Alabama. Hopefully she can go home with her for a little while. I visited Daisy the weekend before I left and she looks and sounds more like herself.

Hope all is well and see you soon, Carol.

### Desdemona News

By Vonnie Guthery

First Baptist Church of Desdemona had a "Special Service" at 7 p.m. on Good Friday to share with family and friends the unique blessing of this Easter season.

First Baptist Church of Desdemona had a beautiful "Easter Service" on Sunday morning. Bro. Charlie Johnson brought a wonderful message with attendance of "Seventy Plus. Jana Johnson led the music with Karen Fair at the piano. Visitors attended from Fort Stockman, Dallas, Blanket, Stephenville, Plano, Brownwood, De Leon and Chaney Community (near Ranger).

Desdemona Monthly Musical was held last Saturday night at the Community Center. We appreciate all the musical groups and singers that attend each month. We appreciate the ladies that furnish food each month. This musical is held on the fourth Saturday night of each month (except December). Visitors are welcome.

Our Community was blessed with a good rain on Saturday night and Sunday night.

Ladies Monthly Social was held on Monday morning, April 11 at the Community Center (Ole School Building). There were seventeen in attendance: Nancy Bond, Ima Brown, Dorothy Greenhaw, Vonnie Guthery, Bobbie McKillip, Estelle Lindley, Pat Cummings, Rena Maltby, Linda Lindley and Collene Stockman all of Desdemona; Carolyn and Floydene Gilbert of Gorman; Fran Senger of Grove, Oklahoma (daughter of Ima Brown) and Lindsay Dain of New York (granddaughter of Ima Brown); Ann Brazell, Ann Micars and Eula Jean McConal, all of Stephenville.

Vonnice Guthery did a beautiful job decorating the tables with a pretty Easter theme. Hostesses Rena Maltby and Linda Lindley served the guests a delicious brunch of breakfast bacon casserole, hot jalapeno cheese grits, fresh fruit salad, homemade yeast bread, blackberry jam, apple dumplings, whipped cream and an Easter Checkerboard cake, along with hot coffee and orange juice. Nancy Bond offered a prayer of thanks before the meal.

We especially enjoyed beautiful dulcimer music played in the background, by our very talented friend, Carolyn Gilbert. "Thanks" Carolyn. The brunch and social was enjoyed by everyone. We missed those who were unable to attend. Next social will be May 9th at the same location and same time. Visitors Welcome.

Karen Fair and granddaughter, Lorin hosted Easter Sunday dinner for several family members. Following the noon meal all the children enjoyed a big Easter Egg Hunt. Even Granny coon had a part in the egg hunt.

Virginia Griffith returned home the past weekend. She is recovering from recent heart by-pass surgery.

Bernard and Ann Keith, Pug and Vonnie (Keith) Guthery all of Desdemona and Avic (Keith) Taylor of De Leon attended the funeral of their cousin, Lloyd Dixon (age 103) of De Leon on Wednesday. Burial was in the Victor Cemetery. Preceded in death by his parents, Luther and Etta (Elrod) Dixon and his grandparents, Monroe and Louquincey (Keith) Dixon.

Easter visitors with Humpy and Betty Duke were their daughter, Risa Ashley and daughter, Lauren of Midlothian.

Have a great day, Vonnie Rue.
