T. J. Cummings Announces For Re-Election As Republican Candidate for Commissioner Pct. 3

Hello I am T.J. Cummings, the incumbent Republican candidate for Eastland County

Commissioner of Precinct 3. I would like to thank you for your support and allowing me to serve in this office for the past 3 years, it has been an honor I truly appreciate. At this time I am seeking re-election and would like to ask for your continued support in the upcoming primary election.

I was taught at an early age the importance of honesty, respect for others and their property, hard work, love for God and family, and to stand firm in what you believe. These are basic values our nation was built on and I believe they are as important today as they were then.

After receiving my Bachelor of Science Degree in Agricultural Business from Tarleton State University I moved to Eastland County where I have been a resident for 26 years, 17 of which I have lived in Carbon.

My past work experience allowed me to become familiar with various pieces of equipment, its maintenance and operation, employee supervision, working with other departments and entities, and operating within budgets. Each of these tasks is a fundamental and necessary function of the commissioner's daily activities and responsibilities.

My education and experience in business management have proven to be an asset as the commissioner's court is responsible for the management of county finances, in addition to the maintenance and improvement of the county road and bridge system.

I believe spending should be carefully managed at any time but especially so under the current economic conditions. I pay the same taxes you do and expect the same prudent use of these funds by our government as you.

I have devoted myself to the commissioner's position full time for the past 3 years and firmly believe that is what it takes to do the job efficiently, and, if re-elected I will continue to do so. The only promise I can make to you is this: I will continue to represent you, the people of Eastland County Precinct 3, to the best of my ability and in your best interest should you re-elect me as your commissioner. I work for you full time now, and I would be honored to continue to do so. Thank you for your time and support.

Pig Tales From Hogtown

Hope you all had a wonderful Easter!

Thanks to all who came to 'Breakfast at the DAC' last Saturday. Isn't that a great way to start the weekend? Some folks want us to cook every weekend!

We welcome everyone to come to the dance this Saturday night, April 14. The music begins at 7:00. The cost is \$5.00 per person. We have a concession stand, also, that opens at 6:00.

April 21st is the date of the craft show here at the DAC. We have some neat crafts coming. There is still time to rent a booth. The cost is \$30. The show is inside so there are no weather worries. If you would like more information or know someone who might be interested, please call me at 254-758-2420.

I forgot to mention the jam session in last week's Pig Tales. Please mark your calendars for the second Tuesday of each month at 6:30 for music here at the DAC. There is no cost. Bring your musical instrument or your toes for tapping!

We have been so blessed this spring to have had all this rain. But, even though there are no burn bans, please remember that you still must be careful when you start a fire. In windy conditions the grass and weeds dry out quickly and can burn even though the ground is still damp.

See you in Desdemona! Carol Pell

Eastland County Museum News

March 29, 2012

Another busy two weeks at the Museum. The window work was finished up by the Mike McClure Construction crew. The uv protected tinting looks great. And if you have not noticed, look up at the top section of the main floor windows on the south side.

Now that the window work has been completed we have been busy putting the museum back into order by some rearranging. So far everyone seems to like the new layout. Now we can begin to expand on the permanent story of Eastland County.

By the way, anyone know what was found in the Mansker Lake area in the 1950's? Brought some attention to that area for a while and people from all over came to see it. No idea? Think BIG. Mastodon big. That's correct. The Hart brothers, Carter, James, Glenn and R.D. were excavating sand for concrete and construction use when the dug up the completely intact bones of a mastodon skull.

Everything is set for the first Humanities Texas exhibit, Annexation: Celebrating Texas Statehood, to arrive at the Museum for a May 3 opening. Watch for more details in the coming weeks.

We would like to thank Pam Rose and the Old Toads for the generous donation of the beautiful pots and plants outside our front door. They look amazing! Keep up the great work making Eastland look good.

OK so we said a while back that we were going to include photos we have not been able to identify, or need more information. So here is the first one. Any information you can give us will be greatly appreciated!

The Museum hours of operation are Thursday through Saturday from 10 a.m. until 2 p.m. Want to volunteer?? Stop by the Museum and sign up!

See you next week! Your Eastland County Museum Preserving the great history of Eastland County for Eastland County and the world! eastlandcountymuseum@gmail.com

Happenings At FBC!!

Rose! Jesus made hope simple for us imperfect human beings Jesus died for your sins and rose to live again that you might have new life. Glory to God!

Mark your calendars:

April 14th - 8am - Brotherhood Breakfast - Come for a fantastic time in the Lord!

April 14th - 3pm - GVFD Fund Raiser - Bunco at Gorman Community Center.

April 15th - 11am - Clyde Annandale - Christian Dramatist - See the Bible come alive!

Children's Sermon: Easter brings egg hunts, bunnies, lots of candy, and we always see the Cross. Liz read a book to the children that told why the Cross we see is so important. Jesus was ready to die and the Bible tells us why. God is the Creator of all things and He had in mind His Son that would be willing to die for our sins. Jesus prayed to His Father in the garden, but didn't run away. Jesus was willing to die on the cross so all people could be free from their sin and may have eternal life. Jesus woke up and went to heaven. He's waiting there for you!

Baby Dedication: The parents of five precious children have made a commitment to raise them in accordance with God's will, and dedicated them to Him in Jesus' name.

Special Music: "The Messengers" led our Worship in Music and Song on this Holy Easter Day. It's an extraordinary blessing to have this gifted quartet in our Church Family, Glory to God!

Bro. Barry's Message: "The Last Easter Egg" - Acts 12:4 How many times is Easter mentioned in the Bible? Only once in the King James Version. Acts 12:4) And when he had apprehended him, he put him in prison, and delivered him to four quaternions of soldiers to keep him; intending after Easter to bring him forth to the people.

The New Living Translation reads: Acts 12:4) Then he imprisoned him, placing him under the guard of four squads of four soldiers each. Herod intended to bring Peter out for public trial after the Passover.

We pause to remember that around the world we have men and women fighting for our freedom. It's because of their bravery that we experience the freedom to put our faith and trust in Christ alone, and have the privilege to gather together in worship to Him. Many things we see make us think of Easter Bunnies, colored eggs, frilly baskets, jellybeans, and Peeps. Peeps are marshmallow treats in the shape of bunnies and chicks made by the "Just Born Corp.", and how to make their shape is a trade secret. Peeps make everyone that sees them think of Easter. Yet the one thing Easter is all about lies in Jesus Christ. Jesus led an exemplary and perfect life. The King of Kings and Lord of Lords gave His life on a cross for you. Jesus died, rose from the dead, and waits for us in heaven. Jesus lives! May we all strive for His life.

1st Easter Egg - Your here because you know that this Resurrection stuff is for Real. - It's not a story; it's the complete truth. **2nd Easter Egg** - You're here because you want to know and believe that there's more than just Easter. - You have a hope inside your heart that is wonderfully great. There is more to life. Our troops fight to protect your freedoms during your time on earth. Jesus gives you a greater protection and freedom from your sin and that you may have eternal life. **The Last Easter Egg** - Today God has an appointment with you! - It's better not to hear the Word of God, than to hear it and reject it. Families gather for Easter. Imperfection allows troubles to enter our lives. Troubles will always exist; nonetheless Jesus will make the difference in your life. God has anointed and appointed this moment in time of your life. You may feel worn out like a sparrow trying to fly away with a string tied to your foot. Let Jesus free you! Jesus lives and Jesus saves! He's coming again. Are you ready?

If you are reading this and you have not accepted Jesus Christ as your Lord and Savior please call Bro. Barry, ask Bro. Barry to talk with you about being saved or just ask him to pray with you, just call (254) 734-2420. Our Worship Service begins at 11:00AM on Sunday mornings - please come and join us!

Remember: God loves you like no one else! Email us at fbcgorman@hotmail.com

"We have finally begun to hear from the festivals," said the director about the 'trials' of trying to get a film noticed by the industry.
