## Judge Bud Arnot To Seek Election To Chief Justice Post

Judge Bud Arnot of the Eastland Court of Appeals has announced that he is filing for the office of Chief Justice of his court. Arnot, completing 7 years as a judge on the court, said, "I am the only candidate with appellate experience that can provide the leadership necessary to maintain the continuity of the court." The chief justice is responsible for the daily operations of the court. "Judging, especially on the appellate level, is a learned craft. A new judge, whoever he or she may be, should not be burdened by the additional responsibilities of the daily operations of the court while making this adjustment." Arnot said that he made this decision only after having discussed it with the other members of the court, Chief Justice Austin McCloud, who is not seeking re-election after 24 years on the court, and justice Bob Dickenson. Arnot said, "Justice Dickenson and Justice McCloud both have encouraged me to run for this position."

"It does seem strange that the chief justice position is something that you must run for as opposed to being appointed or based on seniority," Arnot stated. "Being elevated to this position from within the court is becoming standard," Arnot observed, using the Amarillo, Austin, Corpus Christi, Fort Worth, Houston San Antonio, Texarkana, and El Paso courts as an example. "In over half of the courts of appeals the chief justice was first a member of the court."

"I have dedicated myself and my career to this court," said Arnot. Arnot, a graduate of Baylor Law School, has received a Masters of Law Degree from the University of Virginia and is currently a candidate for a degree of Humanities and Judging offered by the American Academy of Judicial Education. Arnot is currently the president of the appellate section of the State Bar of Texas and last year was in charge of the education program for all appellate judges in Texas. Arnot is a member of the State Bar College, an organization of lawyers who voluntarily exceed the minimum requirements of continuing legal education, the State Bar Foundation, and a committee member of the Center for the Judiciary.

"One of the strongest attributes of this court has been its stability," Arnot noted. I have been encouraged to seek this position by my fellow judges, members of the bar, and friends. My willingness to assume the additional responsibilities is consistent with my dedication to the court.

Justice McCloud will continue to serve the court as a "senior judge," as Judge Raleigh Brown now does. "We have had preliminary informal conversations with Eastland County about expansion and refurbishing our court facilities to make room for an additional senior judge." Arnot stated, "The County's willingness to help is just the latest example of their continued support for the court."

# KOKOMO NEWS

By Zelda Jordan

As I looked out my kitchen window this Monday morning, I saw several beautiful redbirds around a tree in the yard. Truly a beautiful sight on a cold morning.

It sure wasn't a beautiful morning for the people in the area of the earthquake near Los Angeles with the loss of life and so much property damage. My heart goes out to the families of those who died, and to those who lost their homes. Let us all say a prayer for them.

We received just a mist of rain on Sunday. Need so much more.

Attendance at the Kokomo Baptist Church was down just a little on Sunday due to illness and the cold

weather. There were no visitors.

Bro. Clarence and Leona Wilson were dinner guests of Hazel and La Von Snider on Sunday.

Sheri Snider of Texas Tech spent Friday night with her grandmother, Hazel Snider. Sandra Snider of Gorman and Jack and Annie Kate Wheeler of Dallas visited with them on Saturday, and La Von Snider of Brownwood spent the weekend here with her mother. Dwayne, Connie and Lisa Snider of Stephenville were supper guests of Hazel Snider on Monday night.

Clifford and Lurline Nelson of Carbon attended church services on Sunday morning at the Green Acres

Baptist Church in Stephenville, where their son, Dr. Jimmy Nelson, is pastor. Next Sunday, January 23rd will be his last day as pastor there, as he is resigning to move to Bowie to begin preparations for going back to the mission field in Mexico where he and his wife, Maggie, hope to be instrumental in starting a new seminar.

Christi Graham suffered another severe asthma attack and had to be care-flighted again to the Fort Worth Children's Hospital. At last report she was doing better and had been moved out of ICU to a room. We hope she will be home again soon. Her parents, Jerry and Juanita Graham, have been in Fort Worth with her.

You are in our prayers, Christi. Get well soon.

Visitors with Nancy Hendricks were Ruth Bryant, Hope Joiner and Zelda Jordan.

Hope Joiner visited with her sisters, Jewel Huddleston and Amber Craddock in Comanche, and Hazel and Jack Roberts in Proctor. She also attended the funeral of Mrs. Effie Grisham in De Leon on Sunday. Mrs. Grisham was the mother-in-law of Billie Jeanne (Joiner) Grisham. We extend sincere sympathy to the family.

Mrs. Albert Shugart of Gorman was buried in the Simpson Cemetery following funeral services at the Higginbotham Funeral Home Chapel in Gorman on Saturday. We extend sincere sympathy to her family.

Rick and Pat Fuller of Dallas and Wesley and Kevin Fuller of Abilene spent the weekend with Claude and Juanita Fuller.

Those visiting with Zelda Jordan were Betty and Earl Little, Maxine Huddleston, Claude and Juanita Fuller, Nancy Hendricks and Linda Whitley of De Leon.

## Hartford C. Bryan Buried On Wed. At Acton Cemetery

Hartford C. Bryan, 72, of Haltom City, passed away on Sunday, January 15th in the Haltom City Hospital.

Graveside services were held at 11 a. m. Wednesday at the Acton Cemetery in Acton, Texas with arrangements by Mount Olivet Funeral Home.

He was born in De Leon and was a member of the VFW Post at Roanoke. He was employed as a welder/layout for Water Towers.

He is survived by one sister, Hazel Daff of Neattie; and several nieces and nephews.

## Ora Mae Jordan Hosts Morton Valley FCE Meeting

The first meeting of the Morton Valley Family and Community Education Club was held on January 12th in the home of Ora Mae Jordan. Johnnie Hearn and Earlene Cave were co-hostesses for the occasion.

The meeting was called to order by our new president, Tammie Belyeu. Earlene Cave led the group in the TAFCE creed and prayer. Roll call was answered with "a talent I have that I will contribute to my club this year". Helen Phillips read the minutes and we were reminded that we should complete the quilt we started for a fund raiser. Squares were counted and members decided on the color of material needed to put it together with. Gerry Zummer volunteered to do this.

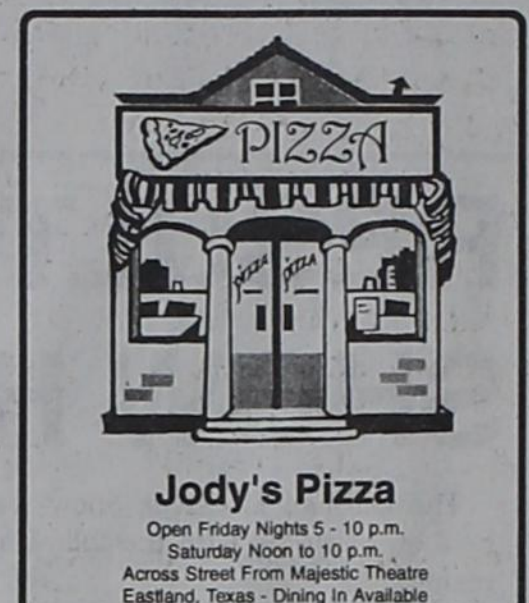

The council report was given and items discussed. The main item, The Texas Family Forum, will be held on January 18th. This is an event held each year in conjunction with the Black Income Growth Program and is sponsored this year by Districts 4, 8 and 10 of the Texas Agricultural Extension Service. Workshops are held by very qualified individuals, which makes it very interesting to attend. Betty Nichols, Helen Phillips Tammie Belyeu and Gerry Zummer attended from the Morton Valley Club.

Janet Thomas gave the group a very informative program on "Five a Day" using the Food Guide Pyramid to demonstrate the foods involved on each level of the pyramid.

Delicious refreshments were served by Earlene, Johnnie Mae and Ora Mae to club members, Billie Beggs, Alice Brooks, Betty Nichols, Luella

Kitchens, Tammie Belyeu, Gerry Zummer and Helen Phillips as well as guests, Janet Thomas, Cody Belyeu and Chelsey Belyeu.

The next meeting will be on February 9th in the home of Gerry Zummer.

# Jana Ables Named Teen Sportsgirl Of The Year

finish ever last fall. As a soph, she earned first team all-district honors in her first year at the Class 4A level. She was chosen the District 6 4A Spiker.

Ables averaged better than 10 points per game last fall in basketball enroute to earning second team all-district honors.

In track, Ables advanced to the Class 4A regional track and field meet in San Angelo in five events. She just missed making her second straight trip to the state meet by placing third in two. As a freshman at Millsap High School, the blonde-haired starlet first rose to statewide prominence. Ables, who earned all-district honors in volleyball and basketball, helped former MHS head girls coach Lynnette Wolf carry the Lady Bulldogs volleyball team to its third straight appearance in the playoffs. With Ables at center, the MHS girls basketball team missed qualifying for the Class 2A state basketball playoffs by a single game in 1991.

This fall, as a junior, she picked right up where she left off, helping guide the Ramette spikers to another memorable volleyball campaign.

Jana's Aunt Fay and grandmother Denzil Ables live in Gorman. Her maternal grandmother, Leona Martin, is a former resident of Gorman.

Also, on Friday, December 31st the Mineral Wells Index picked Jana as the 1993 Index Woman of the Year. Mineral Wells Index general manager, Gary Adkisson, presented her with a plaque and stated, "She's a winner and she is the future."

Jana flew to Los Angeles on Thursday, January 6th for a Teen photo shoot, visits to Disneyland and Universal Studios and for sight-seeing. She returned home on January 9th.

This information was sent to the Progress from Jana's Number One Fan - her mom!

# Anna Rush Hosts Edna Smith Class

On January 13th the Edna Smith Class of the First Baptist Church met in the home of Anna Rush for our regular monthly meeting with supper served before the meeting. Anna was gracious enough to have two meetings this year. We always have such a good time at her home with lots of food, with each one bringing a salad. Geraldene Wright asked the blessing before we ate.

For our business meeting with Louise, the president led. Minutes were read; the secretary's report was given; and all other reports were given; and as there was no old or new business, Connie Carroll gave the devotional. She used New Year's Resolutions for her topic. She read scripture from Mark 14:38 and Rom. 5:8, then began with prayer. She read several resolutions she had made for herself. She said, "does God care when we break our resolutions? He never breaks His promise to us. We should be faithful in reading our Bible, praying and trying to do God's will. God does not forget His promises." She did so well in being to our minds of God's love and care. Geraldene led

# Lone Star Santas Brings Joy To 35,579 Children

This holiday season 35,579 boys and girls in Texas enjoyed a brighter Christmas thanks to thousands of caring Texans across the state, Bank of America Texas customers and employees, and area businesses who became Lone Star Santas.

The 35,579 toys and presents collected during the 1993 Christmas season at Bank of America's 234 branches across the state is one of the largest totals in the 10-year history of the program. Since 1983, over 240,000 toys have been collected and distributed through more than 300 charitable organizations in Texas.

Bank of America Texas is the primary sponsor of Lone Star Santas. Lone Star Santas gives toys and presents to hospitals, group homes, child abuse shelters and other charitable organizations, who serve children in need. Lone Star Santas is one of the largest toy drives in Texas.

"It is such a warm feeling to see the way people respond to this program and get involved," said Shirley Eaves, manager of the Bank of America Texas Gorman Branch. "We couldn't do this without the generosity, kindness and spirit of caring from the people of this community. On behalf of the children, I want to say 'thank you' to everyone who helped us bring Christmas into the lives of these children."

Toys collected in Gorman were given to children served by the Gorman Independent School District.

Lone Star Santas is a 501(c)3 non-profit organization, run entirely by volunteers and private donations. All contributions are tax-deductible.

Bank of America Texas is a subsidiary of BankAmerica Corporation, which has more than 1900 branches in ten western states. At September 30, 1993, BankAmerica had assets of approximately \$187 billion and deposits of \$141 billion.

Bank of America Texas currently operates 234 branches in Texas and has deposits of approximately \$9 billion.

# These women started a revolution.

The year was 1895. A group of women saw a need for insurance coverage that benefited certificate holders in more ways than ordinary insurance. They also felt a need for community service. So they founded ROYAL NEIGHBORS OF AMERICA Fraternal Life Insurance Society to serve both needs. In addition to offering lifelong insurance security, they designed their insurance society as a nonprofit organization to serve community needs and create unique benefits for their members.

# THIS PERSON IS KEEPING IT GOING

Field representatives like Hershell Cordell are continuing the tradition started by those civic minded women nearly 100 years ago. They offer noncontractual programs that provide security for the entire family — like orphan benefits, a college scholarship program, newborn benefits and a retirement home — as well as assistance to communities in need.

ROYAL NEIGHBORS OF AMERICA has plans to protect you financially for the rest of your life — and plans to protect your family financially if you can't. At ROYAL NEIGHBORS OF AMERICA, we take care of our own. You can become one of our own by calling Hershell Cordell at 817-734-2934.

## Celebrities Help Children

(NAPS)—More children may get the medical help they need—free of charge—thanks to the efforts of two caring celebrities.

The 30-second television and radio public service spots were sent in May to public service directors at every radio and TV station in the U.S. and Canada. Since their debut, there's been an increase in calls to the Shrine's national toll-free patient referral hotline.
