PRESS POINTS
JOE BENNETT, Publisher

—J—
Sure was a nice rain we had here on Tuesday night and early Wednesday morning. Didn't have the measurements by press time but estimated about one inch. It was a nice rain and wethank the Good Lord for it. This moisture makes prospects for a good crop brighter in this vicinity.

—J—
It looks like a one man race sure enough in the Republican convention now as the last competition to Mr. Reagan dropped out of the running. George Bush called it quits and urged his supporters to back Reagan. Do you reckon that the Republican ticket will read Reagan and Bush in the General Election. I sure wouldn't be surprised. And it looks more and more like Carter will have more than enough delegates by convention time. But one thing for sure, you won't see a Carter and Kennedy ticket.

—J—
We lost a loyal Panther supporter last week when Dick Foster was called by the Good Lord. Dick was an outstanding athlete while in GHS and an avid fan of GHS sports. He will truly be missed at the games this season.

—J—
Received word from the Stephenville Opry that Brent Foster will be performing at the Opry Saturday, night of this week. Brent is a fine singer and musician and folks should hear him perform.

—J—
Well we have another son after last Saturday night. I thought we had lost a daughter, but instead we gained another son. Joetta and James Schuman wish to thank everyone for everything that made their wedding so great. They are residing in Midland where he is employed by the C. A. Gray Co. The wife and I also add our thanks to all for making this occasion so happy for us also.

—J—
Have you noticed the new home being built out on the Desdemona Hwy. just north of the Ables home. The Ed Bagwells are building the home in preparation of moving here from Midland after retirement. We will have a picture as soon as we get them developed. Work is continuing on the E. G. Henderson home and Doug and Martha Rainey and girls have moved into their new home. We will have a picture of their new home next week. So things continue to grow and expand in our community.

—J—
And remember to smile - because God Loves You!

NOTE OF THANKS

Just at note of thanks to everyone for their interest in our grandson, Mark Morris. Most of all we are grateful for all the prayers in his behalf. "Prayer Changes Things".
He got a good report in Houston, with some minor surgery and skin graft everything looks great. Continue to remember him in your prayers.

We shall always remember to be thankful for our friends, especially here in Gorman. They are great.
Hupp and Lottie Morris

Rodgers - Ingram Pledge Vows

The marriage of Miss Ruth Davonne Rodgers and Lucky Hugh Ingram was solemnized at the Church of Christ in Gorman Saturday at seven o'clock in the evening. Bro. Audy Moore, retired minister from Cisco, officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. George D. Rodgers of Gorman, a 1979 graduate of Gorman High School and a first year student at Cisco Junior College.

The bridegroom is the son of Mr. and Mrs. Bob Ingram of Graham. He is a graduate of Graham High School, was a second year student at Cisco Junior College, and is employed by his father.

A chorale group led by Dick Blythe included Lisa Tate, B.B. Stephens, Dick Blythe, and Martha Hodges all of Stephenville provided the wedding music.

The church was decorated with an arch of white and blue gladiolas, greenery and baby's breath. On each side of the arch were two rows of candlebras with white tapers decorated with blue and white gladiolas, greenery, baby's breath and blue satin bows.

Miss Fawn Frazier, cousin of the bride, registered guests in the foyer of the church. The registration was covered with blue ruffled floor length cloth and decorated with a white candle in a silver candleholder. Family pews were marked with blue satin bows and emerald fern.

Given in marriage by her father, the bride wore a formal gown of Chantilly ruffled lace. The skirt swept to a Cathedral train. The bodice was satin lace decorated with tiny seed pearls. Her veil was white net trimmed with matching lace of the dress and formed a part of the train. Her dress was a Bridal Original and was featured in Modern Magazine. Her bouquet was a simplicity cascade of white and blue carnations and baby's breath centered on a white bible.

The bride carried out the tradition of something old, something new, something borrowed and something blue, and a new penny in her shoe. For something old she wore a cameo necklace that had been worn by her mother, aunt, grandmother, and great-grandmother in their weddings. Something borrowed was an antique gold band belonging to the Ingram family. Something new were cultured pearl earrings and something blue was her garter.

Miss Sara Louise Rodgers, the bride's sister, was maid of honor. Bridesmaids were Miss Stephanie Slampa and Miss Melinda Harrington. They were attired in formal dresses of blue and white flock dot dacron organza with drop shoulders, and white lace trimmed the bodice and hem. Blue wide-brimmed hats with long ribbons completed the ensembles. The

groom was attired in an all white formal tuxedo with a blue boutonniere. Drue Norman served as best man. Groomsman were Danny Reedy and Lonnie Hawkins, all of Graham. Ushers were Charles White, Jamie Snider of Gorman, and Les Atkinson of Graham, and Randy Agnew of Cisco.

attendants carried colonial bouquets of white and blue carnations and baby's breath.

The groom was attired in an all white formal tuxedo with a blue boutonniere. Drue Norman served as best man. Groomsman were Danny Reedy and Lonnie Hawkins, all of Graham. Ushers were Charles White, Jamie Snider of Gorman, and Les Atkinson of Graham, and Randy Agnew of Cisco.

The best man and groomsman were attired in blue formal tuxedos with darker blue trim. Candle-lighters were Bill Townley of Gorman and Bobette Ingram, sister of the bridegroom, and of Graham. Flower Girl was Noel Ingram, her brother Toshi Ingram was ringbearer, and they reside in Odessa. Noel wore a summer floor length dress of baby blue and Tosh wore a formal tuxedo of baby blue trimmed in darker blue.

The mother of the bride wore a blong Polyester Chiffon gown of apricot color with a blouson bodice and full skirt. She carried a white handkerchief and a yellow orchid completed her ensemble. The mother of the groom wore a blue Chiffon formal, highlighted with a blue satin ribbon around the waist. A yellow orchid also completed her ensemble.

The reception was hosted by the parents of the bride in the church's Fellowship Hall. Members of the house party included Toshann Boyles, Pam Ingram, cousins of the groom, Bobette Ingram, sister of the groom, Tammy Reedy, Kayla Odell, Shelby Hagood, Mary Lou Gonzales, and Cindy Powell.

The Bride's table was covered with floor length ruffled baby blue eyelet. Appointments were of silver and the table was centered with a massive arrangement of blue and white carnations and baby's breath.

The groom's table was covered with a darker floor length blue velvet cloth. Appointments were also silver and the table was centered with an arrangement of blue and white carnations and baby's breath.

The multi-tiered wedding cake was elaborately decorated with blue icing flowers and the traditional bride and groom adorned the top layer. The groom's cake was chocolate and was decorated with music notes, and a ball and chain.

Rehearsal dinner was hosted by the groom's parents at the Ramada Inn in Eastland.

For travel, the bride chose a blue denim suit with a white lacy blouse. Her going away corsage was white carnations tied with a blue bow. Her accessories were white.

Following a honeymoon at Runaway Bay, Bridgeport the couple will reside in Graham until the fall when they will resume their studies at Tarleton State University in Stephenville.

WOMANLESS STYLE SHOW HUGE SUCCESS

The "Womanless Style Show" was hosted by the Gorman Chamber of Commerce and presented at the Miss Gorman Pageant Saturday night May 17 was a most entertaining program. So many pretty faces and each modeling the latest in fashion designs.

TU TU Larue (Brent Lasater) Mistress of Ceremonies for the style show entered on the stage in a most elaborate creation (From Lasater's Department Store of course).

He introduced model Lucky Lucy (Charles Little) wearing a dress of smooth tulle polyester and lovely supple polyester and lovely front bodice tucking. Featuring long sheer sleeved. Shiny spectator pumps and an emerald ring and pendant complimented the gown. Lucky Lucy was a favorite of the viewers.

Glamorous Gladys (Ted Snider) modeled an aqua crystal pleated dress in a lovely slip on style with profusion of pleats falling from the neckline to the hem. She carried a handy shoulder bag. Gladys was quite stunning.

The Gorman FHA Chapter held their annual Mother-Daughter Banquet on Thursday May 1 in the School Cafeteria. Everyone enjoyed a meal consisting of salad, baked ham, broccoli and rice, hot rolls, lemonade pie, and iced tea. Those serving were Terri Keith, Kristy Odell, Nita Scitern, and Debra Swanner.

The invocation was given by Mrs. Irene West. The welcome was given by Kristy Barnett, FHA President.

After the meal the freshman and sophomore girls modeled the clothers they made in homemaking I and II.

Mrs. Ruby Lee Kinser, homemaking teacher, next introduced the state delegates: Kayla Odell and Diane Fisher. These girls went to the State Convention held in Houston were Kristy Barnett was installed Area President. Kayla and Diane both gave interesting talks about their trip to Houston. Mrs. Kinser

Giggly Gertrude (Graydon Baze, yes he found a dress to fit him, but shoes?) wore a dress (more or less) of a Dobby Jacquard double knit with rows and rows of tucking and she "toted" a natural macrame body bag with decorative wooden ornament and strong double handle. A precious, gracious model.

Doty Dolly (Gene Foster) chose a romantic gown with lace pleates fashioned with a deep collar of scalloped lace with a removable rose. This was the 18 hour gown for the full figure. Her little feet were in elegant ankle strap sandals with three inch heels. Doty Dolly didn't dilly-dally and glided on stage with the grace of a deer.

Fabulous Farah (Fred Rogers) Far Out Farah! modeled a creation of ruffles and polyester interlocking knit. The deep ruffles cascaded around a V-neckline over a camirole for a perfectly intriguing fit. (Wow!) The full fared skirt covered a multitude of sins.

Nutty Nell (Wesley Warren) Neat and Nice Nell modeled a cute number, Cont'd on Page 3

also gave a personal presentation of a FHA pin to each of these three girls.

A presentation of s sachet pillow was given to each senior member. There were ten Senior members.

To conclude the evenings activities there was the installation of the new officers to serve for the 1980-81 year. Serving as President will be Kristy Barnett; Vice President will be Lisa Halcomb; V. P. of Encounters, Kayla Odell; Secretary, Bethany Gibbs; Treasurer, Lori Files; Reporter, Tacy Simpson; Historian, Susan Barnett; Refreshment Chairman, Tracy Dossey.

Those serving for the 1979-80 year were President, Kristy Barnett; V. P. of Programs, Ruth Hagood; V. P. of Encounter, Shari Guther; Secretary, Amy Troutman; Treasurer, Kelly Mauney; Reporter - Historian, Terrye Jeffs; Pianist, Donna Browning. After the installation everyone recited the FHA Creed together.

Bennett - Schuman Pledge Nuptials

Miss Joetta Bennett and James Schuman were united in marriage in a candle light ceremony at 7:00 p.m. Saturday May 24 in First United Methodist Church. The bride is the daughter of Mr. and Mrs. Joe Bennett of Gorman and the groom is the son of Mr. and Mrs. Frank Schuman of Jonesboro.

Rev. Dewaine James, church minister, performed the double ring vows before an arch of greenery and white wedding bells flanked by heart shaped candlebras with satin bows of burgandy.

Hurricane lights with greenery and Burgandy Hawaian poppies marked the family pews.

The traditional wedding music was presented on the organ by Mrs. Lois Buchanan and accompanied by Gary Bennett, cousin of the bride as he sang the Lord's Prayer. Steve Schick also of Cleburne sang "Color My World" and Steve and Gary sang "Annie's Song."

Given in marriage by her father, the bride wore a formal gown of silk organza and lace with Queen Ann neckline, outlined in Venice lace and tiny seed pearls outlined the bodice and neckline. The long Venice lace sleeves and a A line skirt featured three tier Venice lace ruffles. Chapel length dress by Mari Lee. Her matching veil of silk illusion and Venice lace flowed the full length of her dress. She carried a bouquet of white silk roses, baby's breath and greenery.

The bride wore the traditional something new, her wedding gown; something old - her diamond necklace; something borrowed - her mother's bracelet; something blue - the garter; and penny in her shoe.

Charlene Daniel of Arlington, cousin of the bride was maid of honor. Cindy McGinnis of De Leon and Mara Hasty of Stephenville were bridesmaids.

The bride's attendants all wore identical pink floral dresses with full skirts featuring wide ruffled necklines and long pink satin belts with matching pink hats trimmed in burgandy ribbon.

Each of the girls carried hurricane lanterns holding the candle of life accented with Hawaian poppies and forget-me-not's and burgandy ribbon bows.

The groom was attired in a burgandy tuxedo with pink ruffled shirt. He boutinere was of white silk rose tipped with pink. The groomsmen and ushers wore matching burgandy tuxedos with white ruffled shirts and pink carnations boutinieres.

Flower girl was Amanda Wilcoxson of Desdemona and Lisa Daniel of Arlington, cousins of the Bride. Their dresses were identical to the brides attendants of pink floral-trim with pink satin.

Ted Truss of Midland served as Best Man. Groomsman were Boyd Porter of Eastland and Daryl Schuman, brother of the groom of Jonesboro.

Carrie Mears and Dianne Snider registered guests.

The Bride's mother chose an off white dress with burgandy accessory with a corsage of pink silk roses. The groom's mother wore a peach color dress with beige accessories and a corsage of pink silk roses.

Following the ceremony a reception hosted by the Bride's parents was held in the Fellowship Hall of the church. The bride's table was covered with lace cloth with a underlay of burgandy. The three tiered wedding cake with lighted foundation of wedding cake decorated with pink and burgandy roses, was topped with the traditional bride and groom. Fruit punch and heart shaped minst were served by Phyllis Autery of Stephenville, Krista Tombs of Lubbock and Terry Treadway of Gorman.

Groom's table was covered with burgandy cloth and a lace overlay. A double heart shape cake of Chocolate was served by the groom's sisters. Audra Schuman of Jonesboro and Wanda Poe of Crawford.

The bride chose a dress of border silk organza for their wedding trip to Abilene.

The couple will be at home at 2613 North Midland Dr., Midland, Texas.

Three members of the Gorman FFA Chapter moved toward state recognition in the FFA Agricultural Proficiency Award Program this week when their applications were forwarded to the Area level of competition. Winners will advance to the state evaluation where the competition is expected to be even more challenging.

The FFA Agricultural Proficiency Award Program is an incentive award system for recognizing achievement by FFA members working toward careers in agriculture, says Gary Underwood, the vocational agriculture instructor and FFA Advisor at Gorman High School. Chapter members whose applications were forwarded for consideration at the Area level were presented award medals from the National FFA Foundation, Inc. at the recent chapter Banquet. They are:

The Diversified Livestock Production Award, presented to Scotty Mauney, son of Mr. and Mrs. Donnie Mauney of Gorman. Diversified Livestock Production Awards are co-sponsored by A. O. Smith Harvestore Products, Inc. Arlington Heights in Illinois and Wayne Feeds, Division of Allied Mills, Chicago, Illinois;

The Swine Production Award, presented to Dane Gressett, son of Mr. and Mrs. Bill Gressett of Gorman. Swine Production Awards are sponsored by Pfizer, Inc., Agricultural Division, New York, New York; The Fruit and/or Vegetable Production Award, presented to Bob Hagood, son of Mr. and Mrs. Howard Hagood of Gorman. Fruit

and/or Vegetable Production Awards are sponsored by Briggs and Stratton Corporation, Milwaukee, Wisconsin;

Over 100,000 FFA members compete annually in the FFA Agricultural Proficiency Award Program at the local level. Local awards are only the first step in competition which culminates in the naming of a single National Proficiency Award Winner in each of 22 agricultural career areas in the National FFA Proficiency Award Program. The Gorman FFA Chapter has been participating in the FFA Proficiency Award Program for 1 year and has successfully qualified chapter members in the State Pro-

Womanless Style Show

Starts on Page 1 great for lounging around in. The gown featured figure-flattering full sweep of 120 inches, long front zipper and 2 side seam pockets for hankies and stuff, her wish-bone sandals complimented the ensemble. Wow what a model.

Tardy Tilly (Pug Guthery of Desdemona; Almost missed the style show as she was eating supper and had to get the loaf of bread to stop skating on the butter plate. She was afraid it would slip and break it's crust, but she was worth the wait, her pretty button front jacket with it's flirty peplum and shiney belt defined her wasp-like waist. The skirt was the new slit front. The gown was

accented with a multi-set of delicate beaded chain jewelry.

Bluffin Blondie (Son Kellog) baffled her audience with a one piece rose beige

dress in soft, supple polyester knit with easy pullover style and deep shirred yoke. A self shoe string sash tied the whole kit and kaboodle together. Her jewelry was small (?) heart shaped pin of distinctive fluted (?) design. She wore colorful low heeled

strippy sandals. A most gorgeous model. Punctilious Polly (Bo Caraway) modeled something new, in Dupon "stretch" Dacron polyester and rayon for the look of Linen. "Stretch" means it moves with the bod for comfort. Her

clothe hat with grograin ribbon was designed to fit head size up to 23 inches. She was announced as Pretty Perky Polly!

Vivacious Vivian (Claude Fuller) (You would never have recognized this one) modeled a one piece semi-

sheer floral print dress of airy polyester knit in crazy hazy pastel hues. The dress was a pull on of All Things and showed off long full sleeves. She wore fancy ankle strap sandals and carried a convert-to-shoulder bag clutch and a genuine stone 14K gold pendant hanging on a gold chain with spring ring clousers. Very verdant, Vivian!

GINGER LYNN GEORGE CELEBRATES 5th BIRTHDAY

Ginger Lynn George celebrated her 5th Birthday with a party at De Leon City Park on May 23. The party was hosted by her parents, Mr. and Mrs. Roger George.

The party theme was Wonder Woman with matching decorations and cake and was served with Cherry Slush. Children were given party sacks as favors.

Friends helping Ginger celebrate were: Brenda and Kevin Hirst, Carole, Kristin and Kirk Ervin, Lana and Laci Sharp, Martha, Jenny and Brad Bunting, Paula, Terra and Kendall Barnes, Donna, Chad, and Chayla Barnes, Debbi, Jayton, Bryan and Stephanie Fair, Carol, Jinni and Ginger Chapman, Sue, Dovie, Dristry and D'Shay Hardin, Jarrett Dossey, Treasure Mailbox, Galyma, Shanna and Kristin Holland, Cynthia, Kandi and Kelli Garner and Angela and Jason Morris.

Also present were her brother, Greg George, and grandmothers Mrs. Dale George and Mrs. Speedy Clark.

DENA DAVIDSON GRADUATES SOMA CUM LAUDE

Dena Davidson, daughter of Rev. Erman and Dwight Davidson of Humble, Texas formally from De Leon graduated from Houston Baptist University, Soma Cum Laude (4.0 grade point average) May 16, 1980. Dena has attended Houston Baptist University for the past four years and obtained a double

Lively Lil (Donnie Mauney) her dress was like describing guns, it was dotted print shirtdress with soft bow -- a fresh and versatile step in dress with spread collar and attached tie bow with long barrell cuffs. Lil wore cased toe ankle strap sandals (which looked like that they were two sizes too little the was she was walking) Her accessories include a perfectly lovely pear shaped opal on a 17 inch chain. A lovely, lovely model.

Notable Nora (Jack Harrison) modeled a peach of a dress of soft supple interlocking knit, featuring pretty smocking at the shoulders and new looking curved collar. The dress had a belt, sleeves and everything. Nora wore breezy sandals and a tote bag of laminated plastic with double handles, large enough to hold an umbrella inside. Nice modeling Nora.

Due to the amount of space we are unable to print all the pictures of the models.

KOKOMO NEWS

By Zelda Jordan

I don't think that anyone would doubt that summer is here with temperatures in the upper nineties the past few days, even tho the calendar says it is still springtime.

Albert Hendricks and Glenda Miles of Abilene, with Mrs. Wynelle Brown at the piano and Glynda Bond at the organ, rendered the special music at the Kokomo Baptist Church on Sunday morning. Visitors were Mr. and Mrs. Mike Leonard and Kami of Canadian, Mrs. Richard Nachtigall, Taylor and Trevis of Morgan Mill, Mr. and Mrs. Roddy Miles, Joe and Sheri of Abilene, Mr. and Mrs. Teddy Jordan of Floydada and Mr. Judd Maxfield of Gorman. It was good to see Mel Maxfield back with us after being away at school. Colleen Harris of Dallas was a visitor on Sunday night.

IT'S A GIRL!! Mr. and Mrs. Randy McDonald of Duncanville proudly announce the birth of their daughter, Shea Jordan McDonald, on Sunday May 18, 1980 at 1:45 p.m. in the Methodist Hospital in Dallas. Shea weighed 7 pounds and 2 ounces and was 19 inches long. The McDonalds are an evangelist team and have been in revivals at Kokomo, Carbon and Ranger Baptist Churches and are well known in this area.

Mr. Dorris Garrett of Pasadena visited with his sister-in-law, Mrs. Vern Garrett on Tuesday.

Mr. and Mrs. Jim Bennett of Lake Leon were dinner guests of her sister, Mrs. Vern Garrett on Wednesday. The occasion was to celebrate Mrs. Bennett's birthday. Other visitors in the afternoon were Jim Jordan, Ms. Glen Jordan, Mrs. Joe Bond and Shannon, Mr. and Mrs. L. D. Holliday and Mrs. Rachel Johnson of Gorman.

Mrs. Garrett and Mrs. Dean Collins were among those attending the reception

honoring Ms. Eula Justice at the Hotel Apartments in Gorman on Sunday afternoon.

Claude Fuller was in the hospital at Gorman on Friday until Tuesday with high blood pressure and numbness in the right side of his body. We wish him a speedy recovery.

Mrs. Wayne Eaton of Abilene spent Friday night and Saturday here with Mr. and Mrs. Claude Fuller and Chad and also visited with her brother, Ricky Fuller. Chad returned home with his mother after spending last week here with his grandparents. Christi also attended the graduation exercises at Gorman High School on Friday night.

Mr. and Mrs. Clydell Lewis and Grant of Desdemona, Mrs. Odis Rodgers and Mr. and Mrs. John Rodgers and Jonna of Carbon were supper guests of Mr. and Mrs. Jeff White at Eastland on Friday night.

Mrs. Berniece Rodgers, Mrs. Ima Brown, Mrs. Billie Stacy, and Mr. and Mrs. Charles Morgan, Marla and Marc and Randy Bledsoe, were dinner guests with Mr. and Mrs. Tim Stacy and family in Arlington on Saturday enroute to Canton to attend a family reunion with their mother, Mrs. Mary Timmons', twin sister's family. Mr. and Mrs. Cullen Rodgers spent Sturday night in Midlothian with Mr. and Mrs. Jimmy Rodgers and family and attended the reunion at Canton on Sunday.

Mr. and Mrs. Gene Rodgers and Joe of Midlothian also attended the reunion. They all visited enroute home in Midlothian with the Jimmy Rodgers family and the Gene Rodgers family.

Mr. and Mrs. Woodrow Browning, Donna and Gary attended the Patton family reunion at Comanche during the weekend and spent Monday night in Downing with Mrs. Browning's parents,

CITY CHIT CHAT

BY Charlie L. Garrett, Mayor

The City Commission met on May 15 at 9:00 A.M. with all Commissioners and the Mayor present. Others attending were Edna Brinager, Robert Irvin, and two representatives from Gorman Milling Co., and Cecil Fundenburg.

This was the announced date for the Budget Hearing, but no one showed up to discuss or ask any questions about the proposed budget for next year. The Commission will study the budget and will adopt a budget at the meeting on June 5.

Some final plans were discussed in reference to the Senior Citizens Building and some decisions made about what we needed to do next. The building is almost at the stage where we can move into it and start serving our meals there instead of the Fellowship Hall at the Methodist Church. I would like to express my appreciation to Bill Parr and Jimmy Morris for all of the time they have given on work in the building. They have saved us many dollars. We also had help given by Mr. Porter and Mr. Cunningham. Some others have helped some, but at this time I do not know who they were, so I say thank you to all who have helped.

We had applied for some additional money so that we could purchase new tables and chairs for the building, but it appears at this time that we will not receive any additional money. Several have indicated that they would be willing to buy a chair or maybe a table or atleast help on one. We have already had one and maybe another table promised and several have indicated they would help. We are now ready for any and all who wish to help on this project. The tables will cost a little over \$50.00 and the chairs about \$12.00. We are planning on buying moulded plastic chairs with solid back for more comfort. If you would like to help, call the city office (2317) or call me (2573) and tell how much you will give.

We have been informed that water rates will be going up to us on July 1 by 15%. We will discuss new water rates at the next meeting as

Mr. and Mrs. R. V. Lesley.

Mr. and Mrs. Mike Leonard and Kami of Canadian spent the Memorial Day weekend here with her parents, Mr. and Mrs. J. C. Clearman. Kami remained for a two weeks visit.

Mrs. David Willoughby of Eastland was visiting with Mrs. Albert Hendricks on Wednesday.

Mrs. Richard Nachtigall, Taylor and Trevis were visiting during the weekend with Mr. and Mrs. Vernon Fields and Lindell.

Mrs. Roddy Miles, Joe and Sheri of Abilene and Mr. and Mrs. Terry Jordan of Floydada were weekend visitors with their parents, Mr. and Mrs. Glen Jordan and Mr. Jim Jordan. The Ted Jordans were among those attending the funeral for Mr. Dick Foster at Gorman on Saturday. We extend sincere sympathy to Dick's family.

Mr. and Mrs. Freddie Shackelford and family of Liberal, Kansas and Mr. and Mrs. Nat Mearse and family of Odessa visited during the weekend with their parents, Mr. and Mrs. Joe O'Neal.

Mr. and Mrs. Dewey McCullough of Lubbock were recent visitors with her sisters, Mrs. Ray Rodgers, and Mr. and Mrs. C. E. Jarrett at Gorman.

Mr. and Mrs. Bob Rodgers and Kevin, Jason and Corby of Brownwood and Mike Rodgers of Proctor were visiting with Mrs. Odis Rodgers on Monday, and enjoyed homemade ice cream.

Mrs. Albert Hendricks visited on Monday with Mrs. Albert Taylor who has just returned from the De Leon Hospital and is recuperating at the home of her son, Mr. and Mrs. Billy Taylor and family.

Mr. and Mrs. Jimmy Nelson, Tena, Travis and Teresa of Mt. Hebron, Mexico arrived on Monday for a visit with his parents, Mr. and Mrs. Clifford Nelson.

well as new charges for water and sewer taps. We have figured the cost of a water tap and the material alone is costing us almost \$100.00 and at present we are only charging \$75.00. We must go up on these charges. There has been no increase in these charges in over ten years. We hesitate to go up on any charges, but all of you know that everything that you are buying has gone up many times in the last ten years.

The Eastland County Tax Evaluation Board has employed a firm to evaluate the property in the county and has informed us as to our cost. As you know, all taxing bodies in Gorman as well as the county will be sharing in this cost. It will cost the City between \$4400 and \$5500 depending on what types of maps that we want. When this program is completed, which will be during 1981, all property in the county will go on the rolls at 100% of fair market value as determined by the appraisal firm. This will mean that you will have one value at the school, the city, the hospital district, and the county level. Those who are dissatisfied with values will meet with a county equalization board and will be able to discuss all values at one place. The central office will be located in Eastland.

We are taking a look at what we feel we must do about taxing for the coming year. With inflation running at near 20%, we feel that we will not be able to operate another year without a tax increase. You can rest assured that we will take a close look and if a raise is necessary, we will keep it as low as possible. We realize that we have several streets that need major work done and when we start this project, we are talking about a lot of money. We hope that you understand that we can not even hold our own, muchless improve with the taxes being paid on values that were set more than ten years ago.

We also discussed helping on the swimming pool with much needed repairs. The pool is now paid off, as you may remember, the City paid off the balance of the note last year and now it is partly our responsibility to help in the upkeep and repair. With the money raised by the community in the Miss Gorman Contest, we don't know just how much will be needed.

EIGHTH GRADE CLASS HONORED WITH PARTY

The 8th grade class of Gorman Elementary School was honored with a weiner roast, Friday, May 16 at the home of Mr. and Mrs. Gerald Scitern. Co-hostesses were Mesdames Sue Seaton, Mary Swanner, C. W. Swammer, Carole Sheerman, Cathy Scitern, J. R. Jones, Janie Brown and Sandy Warren.

On arrival guests were invited to play games of volleyball and football, when all became fatigued a scavenger hunt was planned and when completed all enjoyed a weiner roast in the Scitern's back yard. Food was prepared by the mothers hosting the party.

Special guests were class sponsors Mr. and Mrs. Allan Gibbs.

Class members attending were: Mike Jones, Terri Keith, Eddie Pettit, Royce Ridents, Herb Savage, Jeff Seaton, Becca Scitern, Anita Scitern, Tony Sheerman, Debra Swanner, Mark Swanner, Jackie Johnson and Kristi Odell.

Rainbows were believed by the Norsemen to be bridges between earth and the home of the gods in the sky.

He was voted Wittiest, his senior year. He was a member of the tennis team, Science Club and FTA. He plans to attend Abilene Christian College with plans for a major in the field of Chemistry with an English minor.

Graduation exercises were held Sunday and Monday May 19 and 20.

Attending the graduation exercises were his grandparents, Mr. and Mrs. Floyd Gilbert and Floydene and Mrs. Odis Rodgers of Gorman.

SENIOR CITIZENS

Well, the rains came again and again. Which we are so thankful for. Tho many of the tanks that used for irrigation are still short of water. Tho every thing that grows such as weeds, grass and gardens and crops have sure changed an awful lot lately.

I am wondering how farmers can expect to make a profit this year. As fuel, seed and fertilizer, nachine repair and weed killer is so high.

Last Sunday my daughter, Betty came by and picked up Elbert and I. We went by Simpson Cemetery. I carried a wreath to put on my wife's grave. Betty helped me walk by holding my arm. Then went to Little's Camp on Lake Leon. She drove near the door and helped me to a couch. Then on the way home drove by my old home. My Dad rented the place for five years. We moved there in December 1905. As a small boy I said that I would own that place some day. I bought the place in 1921. Moved on it October 1924.

My what changes have taken place since then. I our first stay there was a creek that ran thru the pasture with deep holes of water that never dried up. Tho when I moved on place in 1924 all those holes were filled with sand. As they had started raising peanuts and sand filled those holes.

I did not get out of the car at the farm. Tho it seemed like a Kaladiscopic picture of the many pleasant memories and also many memories that were not pleasant passed before my eyes. Tho that is life for us all.

I remember so many funny things that happened as we were raising our children. Tho the worse of all was during the Depression when we needed some of that cold cash to help our children on those trying times. Tho we learned them how to work and not to be ashamed of honest work. I would tell them one time what to do and that was all that was necessary.

I want to say one thing about McAuthur and Eisenhower. I believe it was in the Summer of 1932. The World War I vets made what was called the "Bonus March" to Washington to ask Congress to pay "The Bonus" to the Vets. They were camped in pup tents and boxes. Just any thing for protection.

They rode freight cars, many were hungry, ragged and broke. Tho the two above named men led some soldiers with dogs and fixed bayonets. Burned the tents, killed and injured several more fo those poor hungry ragged men. Burned everything that belonged to those poor hungry men. Tho the Bonus was paid off later. Tho that is all the War I Vets received. No Loans for homes, no educational loans such as all subsequent Vets have gotten.

My! What a disgrace, the Cubans Refugees are to us. I feel sorry for them, tho they have brought this on themselves by listening to their leaders. You can see where the zealots lead them. Just like here in the Valley where a priest leads those marchers. They are trying to turn us into a pro country such as

Mexico. If you do not like America leave it. We do not need you. It would cut Food Stamp Cost.

Iran, Russia, My what liars they are. Tho we have to take it. Muskie really rold Gromiki some facts. Tho Gromiki knew that he could not be stopped. F.D.R. let Russia take Berlin. He was told Russia would keep it. Tho he thought he knew different. He was letting his mistress rule him.

You that are finishing school remember other doors are waiting for you to open them. Remember the young folks of today will rule the world tomorrow. So be prepared to do a better job than we are today.

Look up. Smile. It is appreciated.

Lawndale News

By Jettie Daniels

Another week gone by, a very nice week, including the rain.

We had many visitors and all were enjoyed by everyone. Some did not sign our guest book, so we cannot print the names of our visitors. But Mrs. Clara Collin's son and wife, from Jal, New Mexico have been visiting with her.

We thank each of you for coming our way and hope you will be back soon.

Called off. Singing last week due to the weather and then it turned off pretty. Sorry about that. Hoping to see a big crowd this Thursday night.

We are now working in our Arts and Crafts room. We have been cutting quilt blocks and everyone seems to enjoy it very much.

If you have scrapes of material, thread or lumber that you would like to get out of your way, just drop it by Lawndale, we'd thank you very much for it. Also would appreciate all ideas and help that we could get.

LITTLE KNOWN FACTS

At around two years old, children tend to crave companionship. They don't really play with each other, but they greatly enjoy playing next to each other. Allowing a youngster this age to be with others several times a week can lead to a more sociable child later.

Playtime (and naptime) for younger children can be more fun when the little one wears a comfortable, "snuggly" little stretch suit like this one from Mothercare, retailing specialists for mothers-to-be, babies and children under five. It fits children up to 32 inches, comes in light blue and says Little Slugger on the baseball patch.

Parents can find a fine assortment of clothes and toys for children in the Mothercare catalogue, available from Mothercare, Box 3881, New York, N.Y. 10017.

HOME BUYER CLINIC

By J. L. Boren, Jr., President-Elect American Land Title Association

Timely Awareness

If you obtain owner's title insurance when buying a home, just what protection does this include?

Many buyers know that owner's title coverage will pay for defending against an attack on title as insured, and will either clear up title

problems or pay valid claims. But receiving emphasis less frequently is the fact that purchasing owner's title insurance also brings the benefit of title company knowledge and experience in land title matters. This awareness can be a valuable asset, as is illustrated by the experience of one buyer.

After a title search of public records was completed prior to completion of the buyer's real estate purchase, a title company employee noticed that the seller's signature on the deed submitted for recording did not coincide with the seller's signature on a deed of trust executed when he originally received title to the property. An investigation disclosed that the seller had forged the signature on the deed.

Without this alertness on the part of the title company, the buyer might have paid for the real estate and received a forged deed that transferred no title to the property whatsoever.

The time to learn about precautions is before you buy a home. For free information, write American Land Title Association, Box 566, Washington, D.C. 20044.

Students speak to support system of free enterprise

COLLEGE STATION — Led by the only Rhodes Scholar from a Texas college or university this year, 18 Texas A&M University students are involved in an unusual experiment — speaking out in defense of the free enterprise system.

Under the sponsorship of the Texas A&M Center for Education and Research in Free Enterprise, an economic think-tank, the students have made presentations to civic and business groups throughout Texas.

In addition to their speaking engagements, members of the group are also writing a series

Mrs. Ora Fiels, Susanne Schofield, Shelby and Bill Hagood of Gorman; B. W. Rankin of Arlington; Bobby Carole Counts of Anson; R. O. Rankin and Faye Cockrell of Post visited in the home of Mrs. Thelma Bickle in Horseshoe Bend at Weatherford over the weekend.

of essays which they plan to compile into a book discussing the morality of free enterprise, inflation, the minimum wage and other economic topics.

The group is headed by William Altman, a graduate last fall from Texas A&M in electrical engineering who received a Rhodes Scholarship and will begin study in September at Oxford University in Cambridge, England.

New Fire Ant Control Chemical Being Tested for Two Weeks in Five East Texas Counties

AUSTIN—A new chemical for imported fire ant control is currently being field tested in five East Texas counties, Agriculture Commissioner Reagan V. Brown has announced.

Much of the land is Texas Department of Corrections property covering 8,000 acres in Madison and Houston counties, 5,000 acres in Brazoria and 1,200 acres in Fort Bend counties. Other locations are 500 acres in Jefferson County and 12,000 acres of privately owned land in Madison County. The 2-week test will conclude May 16.

The field testing will allow proper evaluation of the chemical. It begins after weeks of surveying to determine the rate of infestation.

"We have had crews working in various locations to establish the number of mounds per acre so that we can have an accurate assess-

ment of the success of the new chemical," Brown said.

"Treatment will be done in areas where there are at least 20 mounds per acre. TDA employees walking the quarter-acre circles counting mounds will testify that in many places there were many more than 20 per acre, some averaging 250 mounds per acre. I'm sure the crews are glad that they won't be walking in circles much longer.

"This new chemical is Amdro, developed by American Cyanamid Co., and is different from Mirex, which was used extensively in the South for fire ant control before the Environmental Protection Agency cancelled permission for application," Brown said.

"We have an experimental-use permit and hope that there will not be a problem in getting the label approved by Sept. 1. So far, EPA has responded favorably to it.

Amdro is an amino hydrozone and breaks down in 12 hours in bright sunlight," Brown said.

The chemical is not cumulative; thus it should not pose a problem to other wildlife. USDA personnel will perform an extensive environmental study following the applications.

On the Brazoria and Fort Bend counties' test, five different formulations of Amdro will be used.

Crews from TDA will return in eight weeks and again in 22 weeks to evaluate the rate of control.

"The chemical looks good, but we are going to wait until after all studies are complete before we purchase any for state use," Brown said.

BEE INSURANCE isn't for everybody, of course, but it can provide important protection for beekeepers in the event of unexpected and unpreventable losses of bees due to pesticide poisoning.

However, the federal government's plan to end a long-standing beekeeper indemnity program -- the only type of protection available to beekeepers -- has the industry up in arms. It could also have an economic impact on consumers, according to Agriculture Commissioner Reagan V. Brown.

In testimony submitted recently, Brown said "this program provides the only 'disaster payment' that beekeepers have, and its benefit to both beekeepers and consumers far outweighs its small annual cost. The withdrawal of the beekeeper indemnity program would adversely affect at least 500 Texas commercial beekeepers."

Brown noted that most people think of bees only as producers of honey. "But perhaps more important, honey bees provide vital pollination of 90 major agricultural crops, and cross-pollination by honey bees results in increased yield and production from a number of these crops."

The American Beekeeping Federation estimates that pollination by honey bees increased U.S. food and fiber output by \$10 billion to \$11 billion a year.

REDUCED CATTLE HERDS continue to have an impact on Texas livestock slaughter, according to Agriculture Commissioner Reagan V. Brown.

"Cattle slaughter dipped 2 percent during March, while calf slaughter was down 49 percent," he said. "Beef still accounted for the major portion of all red meat production, however. Total red meat production during March was 308 million pounds."

This reduction doesn't mean that red meat supplies have been lowered drastically, though. Due to increases in output of pork and lamb, March red meat production was up 2 percent from a year ago.

SHEEP AND LAMBS on feed in Texas at the first of May were up 59 percent over a year ago, and the reason may be the weather, said Agriculture Commissioner Reagan V. Brown.

"During periods of extreme dryness which have been experienced by many parts of the state, particularly in the western areas, it is not unusual for an increased number of animals to be moved from pasture into dry-lots," he said.

Brown noted, however, that marketings of sheep and lambs during April were up 47 percent over April, 1979.

Program trains Tarleton nurses for rural medicine

STEPHENVILLE — Ninety percent of the graduates from a new nursing program at Tarleton State University end up in small-town hospitals — just where project coordinators want them.

The two-year associate degree program operates under the philosophy that if students from small towns are taught nursing at a small-town university, perhaps they'll decide to live and work in a small town, where they're needed most.

Two graduating classes later, Tarleton's program seems to be making some dents in the face of severe professional nurse shortages. Of the 36 nurses who have completed the program, 31 are now working in small hospitals.

Melon Growers Must Obtain Written Produce Contacts To Protect Against Losing Money

AUSTIN—Melon growers who sell their crops under verbal agreements may find a year's worth of hard work lost in the process, warned Agriculture Commissioner Reagan V. Brown.

Brown explained that the Texas Department of Agriculture (TDA) is investigating cases in the Lower Rio Grande Valley in which a dealer or dealers obtained cantaloupes and watermelons from growers under verbal contracts, but then failed to pay for the produce.

"Verbal contracts are not in the best interest of the producer, and it is illegal for a licensed Texas produce dealer even to make them," said Brown. "Without a written contract, a grower will find it very difficult to obtain

reparation if a dealer fails to settle with him."

Under the Agriculture Protective Act, which was passed at the urging of the Texas fruit and vegetable industry, TDA licenses fresh produce dealers who do business within the state. The law provides a fund from which growers can collect partial reimbursement in case a dealer defaults on payment. Without written documentation, however, the grower will find his recourse extremely limited, Brown noted.

"Since Texas law requires that agreements for the handling, purchase or sale of produce be in writing, we are looking closely at the dealers who are making these verbal contracts," he said. "If warranted, we will suspend

their licenses, and prosecute if necessary."

May normally begins the major marketing season for these important Valley crops," Brown said. "For their own protection, we are urging cantaloupe and watermelon producers to sell only to licensed dealers, and always to demand written contracts."

Brown pointed out that if settlement terms are not specified in a contract for produce (not an unusual operating procedure in the produce industry), the law requires a dealer to settle with the grower within 30 days. All parties should keep records and documents in a safe, permanent location. These will be important to both producer and dealer in the event a dispute arises.

DESEMONA O.E.S. HONORS MASONS LUNCHEON

Saturday night the Desdemona O.E.S. had a covered dish supper to honor their Maonic Lodge. Visitors from a number of places even from a number of places were present. Some being from Gorman, DeLeon, Dublin, Eastland, and Tyler.

L.E. Clark was speaker of

the evening and he gave a very interesting and informative talk. Visiting with him were: Albert and Omata Clark of Desdemona, Casey and Lois Mezell of Eastland, and Velma Jackson of Tyler. Another informative talk was made by Charles Nelson of Dublin.

Fifty year service pins of the Eastern Star were presented to Mr. and Mrs.

Clarence Ragland. Over fifty years of service pins were given to Mrs. Inez Heeter and Mrs. Addie Moseley, and twenty five year pins were presented to Bill and Dorothy Greenhaw.

Farmers Still Single Largest Land Owners

AUSTIN—Despite the fact that so much of American land today is urbanized, farmers remain the single largest group of private landowners in the United States, according to Agriculture Commissioner Reagan V. Brown.

"Farmers and farm managers make up less than 2 percent of the U. S. adult population, but they own 46 percent of all private land," said Brown, commenting from a recently-released U. S. Department of Agriculture study of American land-ownership. The survey, conducted in 1978, also shows that over 8 percent of all land-owners are farmers.

Brown noted that the last government survey of land-ownership in 1946 showed there were slightly more than 6 million farmland owners, of which 70 percent were actual farm operators. "Today, there are still about 6 million farmland owners, but the number who actually operate farms has dropped to around 33 percent."

Since 1975 alone, Texas has lost over 16,000 farmers and about 1.3 million acres of farmland. This has been duplicated on a much larger scale nationwide. Individual farms have become fewer, but have grown larger in size.

"The continuing loss of farmers and ranchers, coupled with declining farm acreage, should be one of this country's priority concerns," said Brown. "Some think that we don't need farmers as long as we have supermarkets, but we have to realize that what concerns agriculture, concerns us all," he said.

OPPOSITES ATTRACT—The delicious warmth of a Country Peach Kuchen, fresh from the oven, offers the perfect complement to freezing cold, homemade peach ice cream, notes the Texas Department of Agriculture home economist. Texas peaches, arriving in Texas markets soon, will make all of your favorite peach recipes summertime favorites.

COUNTRY PEACH KUCHEN

6 peaches
2 T. lemon juice
2 1/2 C. flour (divided)
1/3 C. sugar
2 tsp. baking powder
2 eggs
2 T. milk
1/2 tsp. vanilla
1/4 C. melted butter
1/2 C. brown sugar
2 T. melted butter
1 egg yolk
3 T. milk

Peel and slice peaches; sprinkle with lemon juice and set aside. Sift 1 1/2 cups flour, sugar, and baking powder. In a mixing bowl, beat eggs and 2 tablespoons milk. Add flour mixture, vanilla and melted butter. Stir with fork until smooth. Spread batter in a buttered, 9-inch round baking dish. Arrange peach slices on batter. Make streusel-type topping by combining brown sugar, 1 cup flour and 2 tablespoons butter. Sprinkle over peaches. Bake at 400 degrees F. for 25 minutes. Combine egg yolk and 3 tablespoons milk; pour over peaches and bake 10 minutes longer. Serve kuchen warm. Good with whipped cream or ice cream.

Pick the fuels electricity can be made from:

- coal
- natural gas
- oil
- uranium
- all of the above

"All of the above" is right. But these days two of those fuels - coal and uranium - cost less and are more plentiful than the others.

For many years we built plants to use natural gas and some oil to generate all your electricity. And we still have to use a lot of those fuels. But for over 10 years, we've been building plants that use lignite coal. Today, almost half of your electricity is made at lignite plants. And now, we're building a plant to make electricity with uranium.

That's good. Because at the end of this year our biggest contract for low-cost natural gas expires. The new gas and oil we'll have to buy will

be much more expensive.

This means the cost of electricity will go up. But it won't be as high as it would have been if Texas Electric hadn't planned ahead. Our use of lignite coal and our planned use of uranium are ways we're helping minimize the increases in your electric bills.

By conserving, you can help save on your bills. To learn effective conservation measures, attend one of our free Operation Tighen-Up workshops. Call us for information on a workshop in your neighborhood.
