Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

We work with you to arrange for a loan that's as easy to handle as monthly rent.

DISHWASHER

Does the end of a meal mean the beginning of a tiresome dishwashing chore at your house? With an Electric Dishwasher you can be out of the kitchen in minutes, ready to relax and enjoy TV with the rest of the family. Instead of soaking, washing, rinsing and drying dishes by hand, you simply load and start your dishwasher and your dishwashing job is done. You not only save time and work, but your kitchen stays tidier, your hands lovelier. And your dishes come hygienically clean, because an Electric Dishwasher uses water hotter than hands can stand.
