

Around Town

Summer is just now really getting started good, but it is just about the time of year that most of us football fans begin to get that hungry look in our eye. I think we won't have to go hungry long.

We are very fortunate to have two football teams to support in our local area.

Coach Duvall, Ranger High School coach, reports that our first game will be September sixth with Cisco. Fall Training for High Schools starts August 19.

The Texas Football Magazine predicted that Ranger would be fourth in our district with Albany first, Cisco second and Eastland third. Coach Duvall does not believe (Continued on Page Four.)

Rotary Club Given Talk On Modern Drugs

The lives of two million Americans have been saved by the sulfa and antibiotic drugs in the last 20 years, a spokesman for the pharmaceutical industry told the Ranger Rotary Club today.

The speaker, John G. Rickerson of American Cyanamid Company's Lederle laboratories, said new drugs save both lives and dollars. As an example, he cited the present day treatment of pneumonia.

"With today's antibiotics, deaths from pneumonia are rare," he explained, "and the average cost of treating the illness is less than one hundred dollars compared with about a thousand dollars prior to antibiotics."

He also pointed out that in many cases drugs even avert the need for surgery. "Antibiotics have virtually eliminated mastoiditis, the painful ear infection which only a few years ago almost invariably resulted in surgery and sometimes in loss of hearing."

To develop new drugs, the speaker said, the drug industry spends millions of dollars for research. In 1958 industry research expenditures amounted to \$170,000,000, and last year research spending reached \$194,000,000.

"No other industry spends such a big part of its income on research," the speaker said. "This is 9 percent of sales compared with 2 percent for industry in general."

He pointed out that the United States now leads the world in new drug development, largely as a result of pharmaceutical industry research.

He illustrated by saying that last year the industry worked with 114,600 different compounds, and that probably less than forty of these will ever become useful drugs.

Despite rising research and other costs, he said that "the price of drugs and prescriptions has risen only 21.4 percent over the past 12 years. This compares with a 23.7 percent increase for the cost of living generally. In fact, the price trend of major new drugs such as antibiotics and hormones has been generally downward."

The factors which enter into the price of a prescription drug, he said, are research, quality control, distribution, losses on rarely used but essential drugs and unsold drugs that are returned by the pharmacist. "And if the remarkable progress in new life-saving drugs is to continue," he added, "there must be profits to support the research that produces them."

Mr. Rickerson said newer drugs have been an important factor in increased life expectancy which is about 70 years today in the United States, compared with 49 years in 1900.

An unusual aspect of added life, he said, has been the decrease in the number of orphans.

"Orphan children today are rare," he said. "A generation ago there were at least 800,000 orphans with both parents dead. Today there are fewer than 90,000 in a population much larger."

The speaker paid tribute to the skill and knowledge of today's pharmacists and cited their key role in the efficient distribution of drugs to the public.

Fire Department Predicts Increase In Number Of Fires

Since the first of the year the fire department has been called our 102 times. The majority of these calls were for grass fires, as well as more damaging fires resulting from grass fires.

With the grass getting dryer and dryer, the prospects of even more fires of this type seem to be inevitable.

According to Fire Chief Charlie Isabell, many of these fires can be directly attributed to the use of open trash burning barrels.

The use of burn barrels without a cover, is in direct violation of a city ordinance which prohibits such practices.

Small fires often result in larger and more costly ones, with homes and perhaps lives

involved. One such case, for example, was a garage on pine street which burned and damaged another adjoining garage. This fire started from an uncovered burn barrel.

The city ordinance covering this situation, was written for the protection of the citizens and should be respected.

Mrs. Isabell stated that anyone is held liable for damage of property if it is a result of a fire started by an open burn barrel.

Mr. Isabell also reported, that if it was necessary to do so, in order to put an end to this needless waste, that this ordinance would be enforced with possible fines for violations.

SUMMER BAND CLINIC TO START MONDAY, JULY 29

The Ranger Public School Music Department will hold its annual Summer Band Clinic, starting Monday, July 29.

The clinic will run four weeks with an hour session each week day.

Three courses will be offered. From 8:30 to 9:30 will be the class for beginners band. This includes students from sixth grade who are eligible for music training and all students of Junior High and high school age who desire to learn a musical instrument. From 9:30 to 10:30 will be the class for Junior High band. This class will be very helpful to students who desire additional instruction. The class will consist primarily of junior high school age students and will be very helpful in preparation for next year's junior high school band since these students have never played together as a unit before this summer. Also any student of high school age that would enjoy additional knowledge and practice is urged to attend. From 10:30 to 11:30 will be a session for students who have knowledge of a musical instrument but desire to change. These students, because of previous knowledge on a musical instrument, need not start with the

beginners but will have a class of their own in order to progress faster.

On Thursday, July 25, from 6-8 p. m. there will be an instrument demonstration for beginners in the band hall. This will be a "come and go" demonstration. Parents are urged to bring their child in order to intelligently decide on the proper instrument suitable for the student.

Registration for the Summer Band Clinic for all students who plan to attend will be held Friday morning July 26, from 8-12 in the band hall.

Ranger High School band director, Bill Auvenshine will teach and oversee the band school.

Lions Club Elects New Officers

Thursday noon, in their weekly meeting, the Lions Club elected officers for the coming year. They are as follows: President, David B. Aisup; 1st Vice-President, Charles Arnett; 2nd Vice-President, Larry Parker; 3rd Vice-President, Jack Umberger; Chaplain, Frank Brooks; Secretary-Treasurer, Don Yarborough; Lion Tamer, Ernen Haby; Tail Twister, Jim Lewis. The following are directors: Dr. Ted Nicksick, Stanley Owen, Bill Herrington, Felton P. Brashier, Jr., Ernen Haby, and David R. Flinn.

Second Semester Enrollment At RJC Up 50%

Enrollment at Ranger Junior College for the second semester of summer school, has increased by 50 percent, according to Ernen Haby, dean of the college.

Practically all of the new students for the second semester are from outside Ranger, coming from Gorman, Breckenridge, Ellisville, Eastland, Graham and Desdemona.

All these students are already in college, and are taking advantage of the summer classes offered by RJC.

highly valued by the Legislators, for its prestige and influence is great.

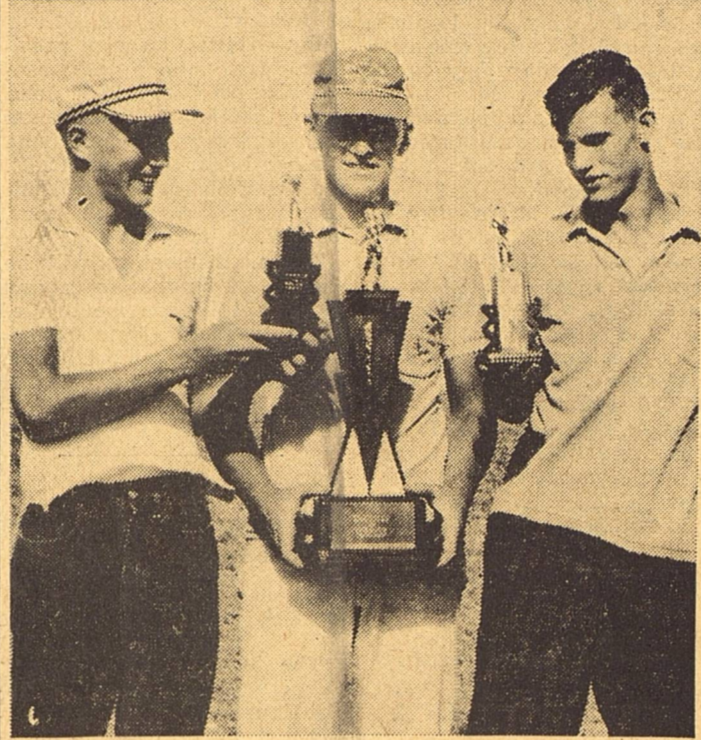

In naming Rep. Gibbens to the Council, Speaker Tunnell said, "In two terms of service in the House Rep. Gibbens has distinguished himself as an extremely capable, conscientious, and astute legislator. The manner in which he carried out the heavy responsibilities facing him as Chairman of the Contingent Expense Committee during the 58th Session of the Legislature demonstrate his ability to deal with the problems in an administrative capacity. This talent will aid in making his contributions to the Council and its work an invaluable one."

AUSTIN — House Speaker Byron Tunnell announced today the appointment of Representative Wayne Gibbens of Breckenridge to the Texas Legislative Council.

The Legislative Council, established by legislative act in 1949 and activated in 1950, functions as an investigative, drafting and research agency for both Houses of the Legislature. Its services rendered to the Legislature are an integral part of the entire legislative process.

Those members appointed to the Council will actively participate in dealing with the many important problems confronting the Legislature during interim periods. Appointments to its membership are

WIN GOLF HONORS

The three top performers in the Annual Cisco Jaycee Junior Golf Tournament, held July 13 at the Cisco Country Club, are shown above. Pictured, left to right, are Roy Pearson of Ranger, Tim Bennie of Cisco, and James Lenamon of Albany. Each player received a trophy. James Cotton was the tournament chairman. (Photo courtesy Cotton's Studio).

BUILDING BIDS TO BE RECEIVED IN AUGUST

According to Richard Henderson, president of the board of Regents of Ranger Junior College, bids will be received between August first and fifteenth, on all four new buildings which will make up the college building complex, now on the architect's drawing boards.

The four new structures will include a gymnasium, administration building, classroom building and science building. Probably the first of this complex to get under construction will be the gym.

Newell Hall, dormitory for men, is now in the process of renovation. Both outside and inside will be completely refinished, with new aluminum

windows replacing the old frames, new floors, and mahogany panelling covering interior walls. The resident supervisor's apartment will be enlarged and redecorated.

All outside work on walls is completed at the new addition being built on the new dormitory for men. (The building was occupied in January of this year and is as yet unnamed.) The roof on the new addition will be poured, beginning in the next few days.

The two dormitory buildings are of two-story construction. The four new buildings in the building complex will be of one-story construction. The dormitory for women students is also a two story building.

WORLD CHAMPION COWBOY WILL PRODUCE RODEO

A long western parade, for which Weatherford has long been famous, will open the 1963 Parker County Frontier Days celebration that will be held July 24-27.

Wayne Ellis, parade chairman for the sponsoring Parker County Sheriff's Posse, said the early indications point to the parade of horses, horse-drawn vehicles, floats, and bands being one of the longest in the history of the event. The parade will start at 5 p. m. Wednesday, July 24.

To start the celebration, a large Western street dance will be held Tuesday night with Bill Murray as Master of Ceremonies.

The first of the four performances of the RCA Approved rodeo starts at 8 p. m. at the Sheriff's Posse arena of U. S. 180 just west of the Weatherford city limits. Harry Tompkins of Dublin, one of the nation's top bull riders, is producing the rodeo according to Weldon Jordan, captain of the Parker County Sheriff's Posse. Tompkins assured the Sheriff's Posse of having one of the roughest strings of stock to be seen in this area. Some of the best known names in

rodeo will be competing in the performances of over 300 cowboys and cowgirls. This year's prize money will total over \$6,000.00.

The final performance of the championship rodeo on Saturday night, July 27, will climax the event that ranks high on the list of favorites of Rodeo Cowboys association members.

Unusual interest this year is in the NCHA approved cutting horse contest. Ray Smith chairman, reports, "The largest number of horses entered we have ever had from all over the state."

In addition to the rodeo, the Parker County Livestock Show will be held that same four days winding up with a sale on Saturday afternoon, July 27.

The ever-growing quarter-horse show is to be held on the final day, July 27. Aaron Hayes, chairman, will begin this show promptly at 8 a. m. and expects to have over 150 horses entered.

Mr. Jordan has extended an invitation to the residents of Ranger to turn out for the activities of Frontier Days.

AUCTION REPORT

A total of 1761 cattle, 119 hogs, and 162 sheep and goats were sold to 105 buyers at the Eastland Auction sale last Tuesday. There were 375 sellers.

Prices were reported as follows: butcher bulls 17 to 18.6 cents; butcher cows 14 to 16.4 cents; canners and cutters 10 to 14 cents; butcher calves 23 to 24.7 cents; stocker calves (Lt. choice) 28 to 33 cents; stocker calves (Hvy. choice) 23 to 26.2 cents; pairs of cows and calves \$160 to \$219; butcher hogs 17 to 18.25 cents; sows 13 to 14.5 cents.

PASCHALL REUNION

The annual Paschall family Reunion will be held at Lake Bridgeport (today) Sunday, July 21.

Ranger Votes Wet Again As 1294 Ballots Are Cast

Wets Win By 46

A total of 1,294 voters went to the polls Saturday and approved the legal sale of all intoxicating beverages for off-premises consumption in Ranger by a margin of 46 votes. The complete returns showed 658 votes for legal sales, 612 against and 24 mutilated ballots.

The returns will be canvassed by the commissioners' court at its next meeting, probably this week. After the official canvass, the returns will be certified to the state liquor control board before the legal machinery can be started for five retail stores to reopen.

Liquor stores operated for sixty days in Ranger after the wets won a 11-vote victory last March. The 91st District Court, however, declared the election null and void for the reason that the election judge used a rubber stamp to sign the ballots.

Saturday's election was ordered on the same petition that was used for the March election. More than 1,300 votes were cast last March.

A spokesman for the Citizens Committee, supporters of the wet cause, issued the following statement Saturday night: "We are grateful and proud that, as evidenced by the election results today, fair-mindedness and fair play prevailed in Ranger."

"The vote proves that the will of the people cannot be blocked by legal technicality. "We hope citizens of all political views will work together for a more progressive and more prosperous Ranger. The legal control advocates wish to thank the citizens of Ranger for their assistance in helping to right a wrong."

Ranger Defeats Albany To Win Little League District

The Ranger Little League All Stars defeated Albany Friday night at the Eastland Wright Field LL Park to win the district playoff.

In the coin toss earlier in the week, Ranger drew a bye, leaving Eastland and Albany to play the first game. In that game, Albany defeated Eastland by a score of 7-4.

Friday, it was close game all the way, with Ranger playing the come-from-behind role for the better part of five innings.

Going into the top half of the sixth, Ranger had a three run lead. All was necessary for Ranger to hold and protect their lead for this half inning and the game would be theirs.

With one man on, Albany hit their second home run of the evening, to bring them within one score of sending the play into extra innings.

Tension was running high on both sides in the final moments. Albany had a man on third, 2 outs when a boy punched a sharp grounder to short stop. One bobble of the ball and Albany would have had the tying run across and the winning run on first. However, there was no bobble of the ball, and the runner was thrown out at first, ending the ball game.

The final score — Ranger, 13, Albany, 12.

Mrs. Robinson, Mrs. Owen On Alaskan Tour

Mrs. W. D. R. Owen, of Eastland and Mrs. George Robinson left Thursday for a tour to Alaska. The tour is sponsored by Central State College, Edmond, Okla. The tour includes places of interest in Colorado, Wyoming, Montana, Washington, Idaho, and Utah.

Nine days and nights will be spent in Canada. Included in spots of beauty will be Banff and Lake Louise. They will attend a workshop at the University of Alaska, at Fairbanks, the most northern university in the world. They will visit Anchorage, and Juneau, as well as other parts of Alaska.

Part of the tour will be by chartered bus, part by rail, part by boat, and part by air. They will return on August 22nd.

Three Youths Are Enjoying Military

David Hendrick, Dickie Byars and Ray Edwards, who are stationed at Fort Polk, La. are getting their share of the army life. The boys left in the early part of June to receive six months training.

Bill Moylan, who is stationed at Camp Pendleton, California, is reportedly liking the Marine Corps.

These boys have finished most of their basic training.

AT LAKE LEON

1st Annual Water Skiing Tourney Scheduled for Sunday, August 11

The first annual Lake Leon Water Skiing Tournament will be held at the lake Sunday, Aug. 11, it has been announced.

A. D. Taylor, president of the Lake Leon Boat Club said that the club is happy to announce the sponsorship of the event, as an added attraction at the popular lake resort, near Eastland.

There'll be skiing competition for all ages and trophies will be awarded. Entries are expected from throughout the area. Entry fee is \$2 per person, and entries should be in by August 2.

They should be mailed to Taylor or to Freddie Stroud, Rt. 3, Cisco.

Stroud is chairman of the event and will be in charge of arrangements. Mike Collins of Eastland is responsible for securing judges, names of whom will be announced soon.

The event will be held in the open area near the Chock-A-Block Marina at the bridge so that the public can watch all the events. James Wright will be public address announcer.

Competition will include salom, doubles and trick skiing. Added features will be an "exhibition" by a team of Eastland merchants.

Attends Fire Convention

Fire Chief, Charles Isabell will leave Ranger Sunday morning to attend the Fireman's Training School at A&M College which will be conducted next week.

The chief will return to Ranger Friday night.

The Weland Canal carried ships around Niagara Falls.

Local Men's Softball Team Defeats Lingleville 6 To 5

In their first outing, the mens softball team of Ranger displayed considerable ability in coming from behind to defeat a very good Lingleville team.

The Lingleville team scored their only runs in the first and second innings while holding the Ranger team scoreless.

The score was 5 to 0 in favor of Lingleville going into the bottom half of the third inning. With no one on, Randall Hoover helped one over the fence to put Ranger on the scoring column for the first time.

For the next three innings, neither team was able to score and the four run lead looked as though it would be sufficient. In the bottom half of the sixth, with the bases loaded and two outs, Jim Lewis threshed the grass burrs beyond the center field wall, bringing in four runs to tie it up.

The seventh inning was a scoreless one and the tied ball game went into the extra inning.

In the top of the eighth, Lingleville failed to get a hit, leaving it wide open for the Ranger team.

Monk Offield was lead off batter to start the bottom half

of the eighth inning. He connected with the first pitch, for a home run and the ball game.

The final score was: Ranger 6, Lingleville 5.

This was Lingleville's first defeat.

Revival Meeting To Open Sunday At Long Branch

Rev. C. O. Clements, pastor of the Long Branch Baptist Church, has announced that revival services will begin there Sunday morning, July 21, and continue through July 28.

There will be no morning services other than on Sunday morning, when services will be held at the regular time. The evening services will begin with a prayer service at 7:30 p. m., and the preaching service will be at 8 p. m.

Rev. Clements will preach for the revival, and the song services will be led by Henry Carter.

An invitation was issued to the public to attend the services.

CFW Holds

Regular Meeting Tuesday

Members of the Christian Women's Fellowship held their regular monthly meeting in the fellowship hall of the First Christian Church at 9:30 a. m. Tuesday, July 16.
 Mrs. G. B. Pirkle, president, presided during the business session. A bake sale was planned for Saturday July 20, at 320 Main Street. Mrs. Lottie Davenport was appointed by the president and projects, programs and committees were discussed.
 Mrs. O. R. Ervin gave an informative talk on the missionary lesson entitled "Move We On Together". Mrs. B. S. Dudley, Sr., presented a worship service in connection with the lesson.
 Coffee and cookies were served to Mrs. Lottie Davenport, B. S. Dudley, O. R. Ervin, Margie Hutton, Claude Greenlee, Luna Lane, Bill Collings, C. L. Dinsmore, by the hostess, Mrs. B. G. Pirkle.

Ruth Porter Circle Meets With Mrs. Ward

The Ruth Porter Circle of the W.M.U. of the Second Baptist Church met with Mrs. E. C. Ward Monday July 15.
 The theme for the meeting was "Leadership Training".
 Mrs. Ward, circle chairman, presided and read I John 1:5-7.
 Mrs. Erma Sutton read the names on the prayer calendar and Dora Caraway led the prayer for missionaries whose birthdays fell on that date.
 Some business was then discussed.

Those taking part on the program were Mrs. Sutton, Helen White, Ida Coleman, Albert Williams, and Ward.

Eight members and two visitors with the president, Mrs. Caraway and Donnie White were present.

Refreshments were served to the following: Mrs. Ward, Sutton, Caraway, White, Goleman, Williams, Ward and Donnie White and the visitors, Nita Thames and Verna Hartsfield.

American Legion Auxiliary Elects New Officers

The American Legion Auxiliary met Monday night, July 15, at 7:30 p. m. for their regular meeting.
 A large crowd was present for the election of officers for the coming year. They were as follows: President, Mrs. Ruby Greer; first vice president, Mrs. Oma Ewing; second vice president, Mrs. John Ussery; secretary, Mrs. Howard Elwood; treasurer, Mrs. Emma Ewing; historian, Mrs. C. E. Wortham; chaplain, Mrs. Ruth Browning; sergeant at arms, Mrs. W. O. Cox.
 The next meeting will be Aug. 5 in the clubroom and there will be the election of delegates for the state convention to be held in Fort Worth, August 9-11. Headquarters will be at the Blackstone and Texas Hotels.

Mary Martha Class Meets With Mrs. Herweck

The Mary Martha Sunday School Class of the First Baptist Church met Monday evening at 7:30 p. m. in the home of Mrs. W. E. Herweck.

The meeting was opened by a prayer led by Mrs. F. W. Bourland. The vice president, Mrs. Lloyd Clem, presided over the business session in the absence of the president, Mrs. J. R. Ervin.
 Minutes of the previous meeting were read by the secretary, Mrs. C. A. Strong. Each group captain gave a report on sick members and reports for good of the class.
 Secret Pals were chosen for the month.

Mrs. George Robinson brought a very interesting devotional entitled "Mary as a Woman, Chosen by God for a Purpose".

The hostess, Mrs. W. E. Herweck, served cake squares and frosted drinks to the following: Mrs. Robinson, Clem, Strong, G. C. McGowen, J. W. Dillard, C. M. Martin, O. R. Gafner, S. T. Williams, Frank Arrendale, and a visitor, Mrs. James Arrendale.

Alluvial soil is that deposited by water.

Rebekah Lodge Installs New Officers

Rebekah Lodge No. 244 met Tuesday at 8 p. m. in regular session with Noble Grand Sylvia Neal in the chair.
 Business was transacted and sick reports given.
 Sister Lula Maddox was reported as a surgical patient in a Dallas Hospital. Penny Prize was given by Villa Sharp and won by an Eastland member.
 Officers were installed for the coming term, as follows: Noble Grand, Mae Hunt; Vice-Grand, Oliff Lewis; Warden, Eula Blackwell; Conductor, Lena Patterson; Chaplain, Villa Sharp; Musician, C. E. Bell; Color Bearer, Ealy Wallace; and Inside Guardian, Lila Eiffert; Outside Guardian, Virga Brown; Right Supporter to Noble Grand, Laura Todd; Left Supporter to Noble Grand, Ethel Johnson and Right Supporter to Vice-Grand, Clara Ivy.

The Installation was conducted by District Deputy President, Sister Blanche Nichols of Eastland Lodge No. 177 and the following Eastland members: Sisters Johnnie Matthew, Georgia Gosnell, Juanita Grisham, Stella Goforth, Vadis Phelps, Era Byrd, Tommie Sneed, Genoa Brown, Della Hagar, and Mae Woods, with Musician Sister Lydia Krauskopf of Cisco. Visitors from Cisco were Sister Ruth Bollinger, and Sister Mary Stephens. Refreshments were enjoyed by all present including Ruby Greer, Sudie Strong, Laura Todd, Sylvia Neal, Ada Eaves, E. C. Bell, Lena Patterson, Ethel Johnson, Clara Ivy, Eula Blackwell, Villa Sharp, Lila Eiffert, Ealy Wallace, Virga Brown, Oliff Lewis, and Mae Hunt.

CARD OF THANKS

We would like to take this means to express our heartfelt gratitude and appreciation to our many friends and neighbors for each expression of sympathy and fine deeds extended us during the illness and death of our loved one.

We want to give special thanks to Dr. Watkins, the nurses and hospital staff, the Southern Ice Co. for their service, and also the St. Paul

Baptist Church and the Eastern Star.
 The family of Mrs. Mattie Marshall

VISITS PARENTS

Mrs. Fielding Winchester and daughter, Missy, are visiting in the home of Mrs. Winchester's parents, Mr. and Mrs. Wright B. Ernfinger. Mr. Winchester will arrive in Ranger Tuesday to return his family to Odessa.

We Like to Talk About Abstracts —

... because making abstracts has been our job for many years. And it is an interesting subject. Most every day people come to us with their title problems. Some cases are tragic. Take the example of the couples who have spent their all for a home to find out later they have no title. But most title problems are simple and the abstract helps to make them simple. So before buying real estate better talk to us about the title.

Miss Crowder Becomes Bride Of Mr. Johnson In Friday Service

Miss Patsy Crowder, daughter of Mr. and Mrs. Oren M. Crowder of Cisco, and Bobby Glenn Johnson, son of Mr. and Mrs. Joe A. Johnson of Irving, were united in marriage Friday, July 19, at 8 p. m. at the East Cisco Baptist Church.

The double ring ceremony was performed by the Rev. Mart Agnew, local Baptist minister.

Traditional wedding music was played throughout the ceremony by Miss Cathy Crowder, sister of the bride. Candle lighters were Keith Crowder, brother of the bride, and Gary Johnson, brother of the groom.

Miss Sharon Wilson of Eastland, cousin of the bride, was maid of honor. She wore a dress of yellow organza over taffeta and carried a colonial bouquet of yellow gladiolas and poms.

Best man was Stan Young of Irving. Serving as ushers were John Hutt of Cisco; Gordon Cannon, uncle of the bride, of Frederick, Oklahoma; J. W. Crowder, uncle of the bride, of Cisco; and Tom Casey of Dallas.

Given in marriage by her father, the bride wore a gown of embroidered silk organza over taffeta. The jacket was of embroidered silk organza with tapering sleeves, and her

shoulder length veil of net illusion was held by a mother of pearl tiara. The bridal bouquet was a white orchid atop a white Bible.

A reception was held immediately following the ceremony in the fellowship hall of the church. Members of the house party were Mrs. Dale Key, Miss Judy Chick, Mrs. John Hutt, Miss Paddy Wright, all of Cisco, and Miss Bonnie Garrett of May.

Following a wedding trip the couple will be at home at Meadowbrook Heights in Irving. For her traveling ensemble Mrs. Johnson chose a suit of pink silk dacron accented with black patent accessories. She wore the orchid from her bridal bouquet.

The bride is an honor graduate of Cisco High School where she was a member of the National Honor Society and secretary-treasurer of the Student Council. She graduated from Cisco Junior College and was voted basketball sweetheart during her freshman year and was a member of the Wrangler Belle drill team for two years.

The groom, a graduate of Irving High School, was a member of the football team. He attended Cisco Junior College where he was a member of the Student Council.

MR. TIMBERLAKE

Abilene Man To Be Speaker For Brotherhood

Lewis R. Timberlake of Austin will be the speaker at the Cisco Associational Brotherhood meeting to be held Tuesday, July 23, at the Bethany Baptist Church in Breckenridge. Dinner will be served from 7 to 7:30 p. m., and the meeting will start promptly at 8 p. m.

Mr. Timberlake is vice-president and agency director of Western Republic Life Insur-

ance Company. He is past president of the Texas Jaycees and presently is national vice-president of that organization. He grew up in Stamford, where he has a long record of service to his community and church, serving as Sunday School superintendent, brotherhood president, and in many other ways in the First Baptist Church before moving to Austin last year.

Special music will be furnished by Stanley Webb, popular vocalist of this area. Mr. Webb is Tax Collector for Cisco Independent School District and Cisco Junior College. He is a member of First Baptist Church, Cisco.

Carlton Holder, brotherhood president for the association, urges all men of this area to attend the meeting and hear Mr. Timberlake, who is recognized as one of the most outstanding speakers in the state. This will be the fourth and final meeting of the association year.

Get more for your clothing dollar through good workmanship. You'll be a better judge of quality in ready-to-wear if

you know the characteristics of good workmanship. The way a garment is cut and put together affects its appearance, fit and wear.

The following workmanship characteristics apply to all clothing:

1. Garment parts cut on the grain of material are likely to hold their shape.
2. Careful matching of pattern of fabric. Check at sleeves, waistline, collars, pockets and center seams.
3. Hand or machine stitches that are even in length, straight and securely fastened.
4. Thread that matches fabric of garment.
5. Seams that are flat and even in width, with raw edges finished.
6. Reinforcements at points where there will be strain. This may be done by extra rows of stitching, metal rivets, patches and bar tacks.
7. Hems which are flat and even in width, and stitching inconspicuous on right side of garment.
8. Lining, padding, interfacing and trim should be as durable and require the same method of cleaning as the garment.
9. Closures should be flat, inconspicuous and long enough for ease in dressing and undressing.
10. Hooks and eyes, snaps

and buttons should be securely attached. Unless fabric is woven and of moderate thickness, reinforcement is needed to prevent strain on the fabric, at each fastener.

11. Buttonholes should fit easily over buttons and ends should be well reinforced.

A garment may lack some of the above details of workmanship and still be a good buy if fabric, style and fit are good.

WOMEN JOIN ALASKA TOUR

Mrs. W. D. R. (Venner) Owen of Eastland and Mrs. George Robinson of Ranger left by bus Thursday for Oklahoma City where they will join a group of about 42 from the University on a guided tour of Canada and Alaska.

After two nights at the University, the group will travel to Lamar, Colorado, Yellowstone National Park, Calgary and Lake Louise, Canada and from there to Alaska.

The group will return home via Seattle and the Northwest. Mrs. Owen and Mrs. Robinson should arrive home about August 25th.

Edison's first patented invention was the electrical vote recorder.

Opportunities In Foreign Service Beckon Youths

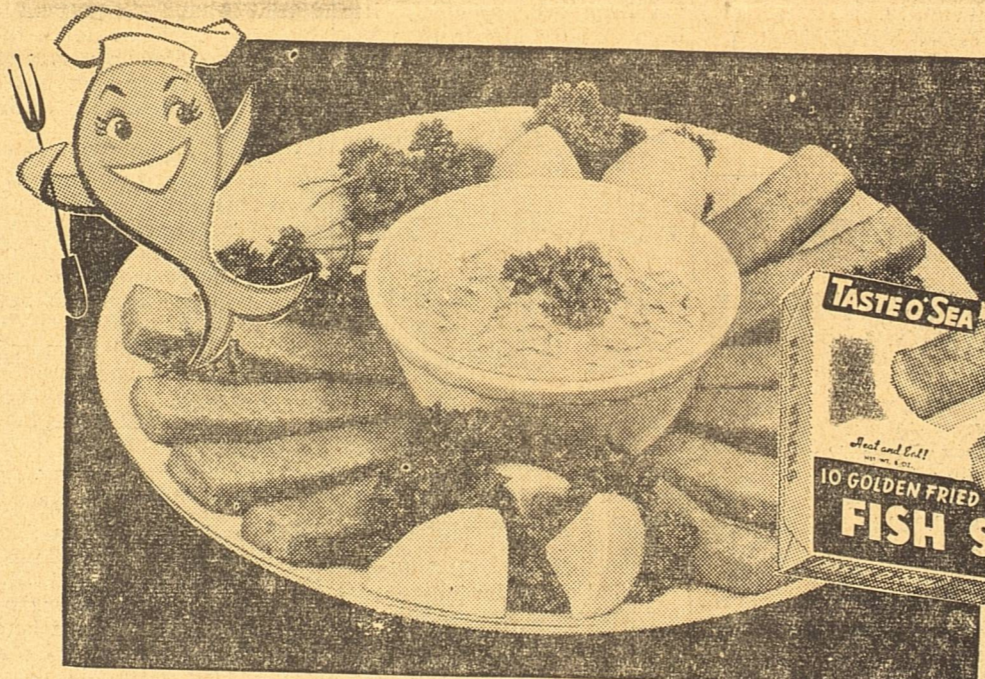

"The wisdom with which our foreign policies are framed and the skill with which they are carried out depend upon the men and women who conduct our foreign affairs day by day. In no other field is it more urgent that our Government attract and develop the ablest public servants.

This statement, from a recent report of the Committee on foreign Affairs Personnel, well illustrates the importance of both recruiting and retaining highly qualified individuals as Foreign Service Officers.

SIGNING PROCLAMATION — County Judge Scott Bailey puts his signature to a proclamation, declaring the week July 21-27, as Farm Safety Week in Eastland County. To his left is Henry Schaeffer, Farm Bureau director, and at right, Jack Cozart, Bureau president. (Staff)

OFFICIAL PROCLAMATION
By SCOTT BAILEY, Eastland County Judge

Eastland, Texas
WHEREAS all the citizens of Eastland County are concerned about the safety and well-being of farm families from whom we receive our abundance of food and other essential agricultural commodities; and

WHEREAS farm accidents are responsible for needless suffering and incapacity, and greatly effect the economic well-being and progress of our agricultural population in our county, state, and nation; and

WHEREAS the President of the United States and the Governor of Texas have designated the period of July 21-27, 1963, as FARM SAFETY WEEK; and

WHEREAS throughout this special week, a statewide farm accident prevention and educational program will be undertaken by the Texas Farm Bureau, the Texas Farm and Ranch Safety Council, the Texas Agricultural Extension Service, the Texas Safety Association, and the Eastland County Farm Bureau with the theme "Inspection plus Correction Equals Protection"; and

WHEREAS records show a notable and steady decline in the number and rate of accidents among farm people as a direct result of such worthwhile safety education programs;

NOW, THEREFORE, I, Scott Bailey, County Judge of Eastland County, do hereby designate the week of July 21-27, 1963, as FARM SAFETY WEEK and urge all farm families, persons, and organizations allied with agriculture to engage in a purposeful concerted effort to reduce further the number of farm, home, and highway accidents.

IN OFFICIAL RECOGNITION THEREOF, I hereby affix my signature this 12th day of July, 1963.

SCOTT BAILEY
Eastland County Judge

July 21-27 Is Proclaimed As
National Farm Safety Week

County Judge Scott Bailey has officially proclaimed July 21-27, 1963, as Farm Safety Week in Eastland County, according to Jack Cozart, president of the Farm Bureau.

President Kennedy and Governor Connally have previously designated that week on national and state levels as a period to call attention to worthwhile safety practices that can reduce disabling injuries and death.

The county farm leader said that farm accidents have been reduced in the past few years; however, farmers cannot afford to let down their guard against accidents. He emphasized that farming remains one of the most hazardous occupations in America today.

In his official proclamation, County Judge Scott Bailey said: "All the citizens of Eastland county are concerned about the safety and well-being of farm families from whom we receive our abundance of food and other essential agricultural commodities.

"Farm accidents result in over 150 deaths and thousands of disabling injuries in Texas each year.

"Farm accidents are responsible for needless suffering and incapacity, and greatly effect the economic well-being and population in our county, state and nation.

"Throughout this special week, a statewide farm accident prevention and educational program will be undertaken by the Texas Farm Bureau, the Texas Farm and Ranch Safety Council, the Texas Agricultural Extension Service, the Texas Safety Association and the Eastland county Farm Bureau with the theme "Inspection plus Correction Equals Protection".

County Farm Bureau President Jack Cozart said that a different phase of safety would be emphasized each day during the week: Sunday - reverence for life; Monday - safety begins at home; Tuesday - agricultural chemicals; Wednesday - prevent falls; Thursday - rural highway safety; Friday - farm machinery; Saturday - recreation safety.

A horseshoe should be hung with ends pointing down.

80 EMPLOYEES . . .
Interstate 20 Project Due in
Full Swing by Middle of August

The county's economy will receive a considerable boost about the middle of August when the bulk of the Cecil Ruby Construction Co. work force is expected to arrive to begin the big project in the west part of the county. The company, among the largest construction firms in the nation, will have somewhere in the neighborhood of 80 people on their payroll in connection with the building of Interstate 20 west of Cisco to the Callahan County line. Many will be locally hired. Buddy Cox is general superintendent for the firm's operation, and he and his family are living in Eastland. There are approximately 20 people in Eastland now with the company.

Reports are that work at this time is mainly concerned with the construction of culverts, and grading operation will begin about Aug. 15.

Crushing work will also begin 60 to 90 days from now, it was reported. Two sites are under option at this time, but the company has not decided which of the two, if either, will be selected.

The Interstate 20 project in this county is a \$1,890,000 contract, and is slated for 400 working days.

In other county highway activity, Cooper and Woodruff Construction Co., which just completed the Highway 6 job, will begin about the last of this month on the re-surfacing of State Highway 6, west of Rising Star.

Highway 6 has been accepted by the State and signs are being installed, and the center strip will be painted soon.

AROUND TOWN—

(Continued from Page One.) a word of it. He says we have a better team than that, and I go along with him.

Injuries played a large part in last years race, when Ranger lost some of their key men going into district play off.

This year, with the added experience and more depth, we should see a better team than last years.

Ranger Junior College will start their fall training the later part of August and their first game will be played Sept. 14 with Cisco at Eastland in the Peanut Bowl.

Coach Gerald Williams will see his first season with RJC this fall as head coach. Jim Lewis has moved into the Athletic Directors spot.

All Ranger Junior College football games will be played on Thursday nights except for the homecoming game which will be played on Saturday night.

Ranger High School games are played on Friday nights, which will give us all an opportunity to support both teams and go to the games.

One of the most pleasant things I can think of right now is a nice brisk autumn evening around mid November, and a football game.

DR. BALLEW IS APPOINTED
TO COUNTY HOSPITAL BOARD

Dr. Charles H. Ballew of Cisco has been appointed to serve for six years as a member of the Eastland County Hospital board of trustees, according to County Commissioner C. B. Dill of Cisco. The new member will take over his position August 1.

The commissioners' court has re-appointed Bernard Hanna and Guy Parker, both of Eastland, to serve two years and four years, respectively, Mr. Dill added. The term of Bill Harrington of Ranger expired.

The hospital, which is located at Ranger, is a joint city-county institution and is supported by the City of Ranger and Eastland County. There are three city and three county trustees. The board meets monthly on Tuesday after the 15th of the month.

Dr. Ballew is a well known Cisco physician and surgeon. He is a native of Rising Star

Dr. Ballew

and has been active in civic work since he began practicing in Cisco several years ago.

COMMITTEE PLANS TOUR OF
HEREFORD SALE ANIMALS

The sales committee of the Eastland County Hereford Breeders Association will make a tour of sale animals Wednesday, July 24. The committee is headed by David Pickrel of Ranger. Ross Wilson of Gorman and Roger Blackmon of Eastland will accompany him on the tour.

A few other members of the Hereford Association are expected to accompany the committee. This committee will be looking over the bulls to be sold in the Registered Bull Sale planned for November 22 of this year.

Local farmers and ranchers will be interested to know that registered bulls of serviceable age will be sold at open auction through the sale. Plans are being made for the sale to be held in Eastland.

The Hereford Sales Committee will start its tour in the Ranger area and will finish in the Gorman area.

The Eastland County Hereford Breeders Association was

formed last year by registered Hereford breeders of this county. Ross Wilson is the president of the association and Ed Harrison is vice-president. Both men are Hereford breeders in the Gorman area.

Hospital News . . .

Patients in Ranger General Hospital Saturday morning were:

Mrs. S. H. Brown, Elmer Abnerath, Mmes. Letha Buckley, Emma Green, Jess Carter and Eunice Toone; I. I. Encke; Mmes. Amy Brown and C. R. Hightower; G. M. Holder, Lydia Tackett, George Jones, Willie Langford, J. L. Pierce, baby girl McAlpine, L. R. Coleman, Scott Greenlee, Miss Pat Towgzen, Mrs. Kenneth Bounds and baby boy and John White.

Classified
brings action

4th Annual Peanut Bowl
Planning Now Underway

Wheels began turning last week to set the annual Jaycee Peanut Bowl into motion.

Scheduled to unfold Saturday, Sept. 14, the event is in its fourth year, and indications are that this will be even more spectacular than ever.

Highlight once again will be the gridiron clash between the two county junior college teams. Ranger Junior College will be attempting to even the series against Cisco Junior, which has won two to Ranger's one.

Preliminary committee reports were made at a regular meeting of the sponsoring Jaycee Club early Thursday morning. President Glyn Gilliam presided and handed out additional assignments during the meeting.

The club also voted to change its meeting time and place to the Conference Room of Texas Electric Service Co., each Tuesday at 7:30 p. m., beginning Tuesday, Aug. 6.

Gilliam announced that he and others will attend the State Board meeting in Fort Worth on Aug. 4, and while there, make arrangements for the appearance in Eastland of Miss Texas. The state contest will be held in Fort Worth during that weekend.

Donald Kinnaird was named chairman of the program committee and will be in charge of securing advertising for the souvenir program.

Several special events are already scheduled to be held in conjunction with the day-long program, and are to be announced later.

John Bailey heads the twirling competition which will be held in the morning. An alternate parade route is being considered.

Texas Safety Association
Endorses Farm Safety Week

The Texas Safety Association today urged Texas farm families to join in observing National Farm Safety Week, July 21-27.

J. O. Musick, TSA General Manager, also urged all persons and organizations allied with agriculture to unite in the nationwide effort to reduce the number of farm, home and highway accidents.

"In the past decade the death rate from farm accidents has been slightly higher than the national average," Musick said.

Accidents took the lives of 8,700 farm residents in 1961. Every step possible

must be taken to reduce this terrible toll of accidental death on the farm."

The 1963 farm safety campaign will concentrate on the prevention of fires and falls. Its theme is "Inspection plus Correction equals protection."

Nearly one in 10 of the 8,700 farm residents killed in accidents in 1961 died in fires. Fire cost the nation's farmers \$163 million. Falls cause between 15 and 20 percent of the farm accident death toll.

Musick called on farmers to practice safety everyday of the year, not merely during the week.

"Being careful is just common sense, but it requires constant attention and mental alertness," he said.

"When a man is fatigued or in a hurry to finish a job or a trip, he becomes accident prone."

The 20th annual farm safety program is sponsored by the U. S. Department of Agriculture and the National Safety Council.

RETURN HOME

Mr. and Mrs. Calvin Ainsworth, Donna Jean, Ronnie and Delinda Kay and Mrs. Ainsworth's mother, Mrs. Ralph Veal, have returned home from Corpus Christi where they visited Mrs. Ainsworth's cousin, Mr. and Mrs. Jeff Weatherbea and family.

VISIT HERE

Guests in the home of Mr. and Mrs. R. L. Browning were Mr. and Mrs. J. A. Troscclair, Sylvia Ann, Marilyn, and Gayla of New Orleans, Mrs. Jack Norton, Mike and Russ of Cedar Hill, Mr. and Mrs. Hoyett L. Browning, Edith Ruth, Lee, Anice Jean, and Belisa of Goldthwaite, and Mrs. George Cozee of Hobbs, New Mexico.

Eva Nell
Kimber Circle
Meets Tuesday

Mrs. W. P. Powell was hostess to the Eva Nell Kimber Circle of the First Baptist Church Tuesday, July 19, at 2:30 p. m. for a book review and social.

President, Mrs. G. O. Strong presided at the business meeting. Opening prayer was led by Mrs. Frank Hicklin.

Mrs. H. B. Waters, secretary, read the minutes of the last meeting.

Reports from the various committees were given. Mrs. Frank Arrendale, prayer chairman, read the calendar of prayer, which contained missionaries names and Mrs. C. A. Strong voiced a prayer for such.

Mrs. Hicklin reviewed the first five chapters of the book "Annie Armstrong" by Eliz Marshall Evans.

The group signed a card to be mailed to Ronald Pruet in Hendricks Memorial Hospital in Abilene. Closing prayer was given by Mrs. Loyd Clem.

Frosted punch and cookies were served to Mmes. Hicklin, Clem, Strong, Weathers, Arrendale, W. S. Adamson, L. D. Tankersley, Lee Mitchell, C. M. Martin, John McKinney, Luther Kirkpatrick, and Miss Ethel Adams, and two visitors Mrs. Tom Lang of Ranger and Mrs. James Arrendale of Snyder and the hostess, Mrs. Powell.

MRS. DAVID JACK STEPHENSON
... nee Jerry Lou Jordan

DOUBLE RING CEREMONY UNITES COUPLE IN EASTLAND

Jerry Lou Jordan and David Jack Stephenson were united in marriage Saturday evening in the home of the bride's parents, Mr. and Mrs. Herman Jordan of Route 1, Eastland. Thurmond Carter, minister of the Flatwood Church of Christ, read the double ring rites at 6 o'clock.

Given in marriage by her father, the bride wore a white slipper satin dress overlaid with scalloped neckline and sleeves and fitted bodice. A soft pleated skirt fell from a basque waistline and her shoulder length veil of tulle fell from a pearl scalloped crown. She carried a bouquet of orchids and stephanotis and her only jewelry was a single strand of pearls.

Miss Reynolds wore a dress of pink crinoline featuring a fitted bodice with a basque waistline and a bouffant skirt. She wore a pink tulle head-dress (a gift of the bride) with white accessories including a corsage of white carnations.

White gladiolas and mums decorated the home for the occasion.

Kathy Sandlin of Carbon presented organ music for the wedding including the bridal chorus from the opera "Lohengrin."

The bride's mother chose a beige dress of cotton lace and pink and beige accessories for the event. Her corsage was of pink carnation.

A reception following the wedding was held in the home of the bride's parents with Mrs. Webb Jordan, sister-in-law of the bride, and Miss Reynolds assisting. Miss Sandlin served at the register.

Out of town guests included in the house party were Mr. and Mrs. D. W. Stephenson of Fort Worth, Mr. and Mrs. Charley Stephenson of Stephenville, Mr. and Mrs. Jack Ellis of San Antonio, and Mr. and Mrs. Webb Jordan, Pam, Janell, Cindy and Carol of Fort Worth.

The bride is a 1963 graduate of Carbon High School.

The bridegroom attended Olden High School and has completed basic training at Fort Polk, Louisiana.

After a short wedding trip, Mrs. Stephenson will live here while her husband returns to Fort Polk, Louisiana, to complete an eight weeks' training course.

The distance by air from Moscow to Washington, D. C., is 4,883 miles.

Clyde L. (Babe) Johnson is a patient in the Temple Hospital and is reportedly quite ill.

Mrs. Anse Brown has her right lower leg in a cast due to an injury she sustained when she fell on the street in De Leon ten days ago.

A bridal shower honoring Miss Lounelle Allen will be given in the home of Mrs. Dorothy Roberts July 23rd.

Floyd Redwine and family of Fort Worth were here the past weekend to visit his parents, Mr. and Mrs. Earl Redwine, and her parents, Mr. and Mrs. W. Jacobs.

Mrs. Inez Heeter returned home Thursday after almost three months in the hospital following a fall in which she suffered a broken hip.

Mr. and Mrs. Charles Nicks and girls, Dianne and Cindy, spent Sunday here with her parents, Mr. and Mrs. J. D. McMasters.

The Jasen Spannegal's spent the past weekend in Oklahoma visiting relatives.

Mr. and Mrs. Don White of Ballinger spent Sunday here with his mother, Mrs. J. N. Abernathy and family.

The H. T. Lanes returned home this weekend from a two weeks' vacation trip.

Mr. and Mrs. Alvie Moss and granddaughters of Oklahoma City, Oklahoma were here last week to visit his brother, Denny Moss. They were in route to "Six Flags Over Texas."

Mr. and Mrs. Roy Jones of Agle were here Thursday evening of last week to visit her sister, Ethel Keith.

The Chubbie Formans' of Arlington spent the past weekend here with her parents, Mr. and Mrs. Roy Guthery.

The Adult Training Union Class of the First Baptist Church will entertain Tuesday night, July 16th with an ice cream supper.

The Tommie Irwin family left for their home in Nashville, Tennessee, after spending their vacation here with her parents, Mr. and Mrs. Floyd Moore.

The B. C. Huffs' and daughter, Sharon, of Tucson, Arizona are here visiting the Genoways' and the Ott Raglands'.

The Morris Nance family of Midland were here last week visiting the Genoways' and the Ott Raglands'.

Mr. and Mrs. Robert Abel and son, Larry, spent the past weekend here with his parents, the Hugh Abels'.

"Uncle" Dave Dequire is home after spending a few days in the Gorman Hospital.

Mr. and Mrs. Howard Williams, Mrs. Morgan Roberts and girls attended the Williams' Family Reunion in Abilene Saturday and Sunday.

The William Riddell family and the Leslie Riddell family kins who spent last week here also attended.

The Herc Picklen family visited here awhile last weekend enroute a vacation trip west.

Miss Brenda Roberts is spending this week in Abilene visiting with Miss Kay Perwith Brenda.

The Frank Simpsons' of McClain visited their aunt and family, Mr. and Mrs. H. H. Williams Friday night.

The Carroll Eatons' (nee Patsy Sharp) have returned to their home at Rotan after a weeks' visit with her parents.

Mrs. Bryant Blankenship spent last week in Dallas taking a glass painting course and

visiting with friends and relatives. She also attended the "Mud-Dobbers" Club of which she is a member.

Mrs. Bobbie Burleson and son, Jerrell, of Amarillo are here visiting her parents, Mr. and Mrs. Lonnie Williams and Mr. and Mrs. Russ Burleson while Bobbie is away in Kansas on special training duty.

Guide To Crop Insect Control Offered Public

COLLEGE STATION — Two new insect control guides released by the Texas Agricultural Extension Service deal with vegetable and field crop pests. They are MP-339, "Texas Guide for Controlling Insects on Grain and Forage Crops," and L-255, "Texas Guide for Controlling Insects on Vegetable Crops."

The first publication points out that both ground and airplane application may be effectively used for controlling insects on field crops. Though some insects are hard to control, the use of recommended pesticides can be a profitable measure.

The bulletin discusses the treatment of seed prior to planting to protect them from such insects as the southern corn rootworm, wireworms and seed maggots. Small grain, rice, grass, alfalfa, and vetch insects are also considered. Several tables give insecticide recommendations for the various pests discussed.

L-255 emphasizes that vegetable insect control is largely a matter of prevention. It says that control measures should begin before insects appear in damaging numbers.

The publication covers methods of application, cautions to use with insecticides, and restrictions on the use of certain chemicals. It also has a section on the control of the corn earworm and the sweet potato weevil.

In addition to tables giving the recommended insecticides and their rates, there is a special section for home garden-

'63 Farm Safety Drive Aimed at Fires, Falls

The President urged all farm families and all persons and organizations allied with agriculture to unite in an effort to reduce the number of farm, home and highway accidents.

The 1963 farm safety campaign will concentrate on the prevention of fires and falls. Its theme is "Inspection plus Correction equals Protection."

The 20th annual farm safety program is sponsored by the U. S. Department of Agriculture and the National Safety Council.

Secretary of Agriculture Orville L. Freeman noted that, "Every hour an accident claims the life of a farm resident. Someone living on a farm suffers a disabling injury every 40 seconds."

He called on farmers to practice safety every day of the year, not merely during the week.

"Being careful is no more than common sense," he said. "But it requires constant attention and mental alertness. When a man is fatigued or in a hurry to finish a job or a trip, he becomes accident prone."

Falls cause between 15 and 20 per cent of the farm accident death toll. About 7 per cent is due to fires. Property losses from fire have increased steadily since 1940. In 1961, fire cost the nation's farmers \$163 million.

"Every farm accident is a personal tragedy to the fam-

ily involved and a blow to the nation's economy," said Howard Pyle, president of the Council.

Pointing out that in 1961, accidents took the lives of 8,700 farm residents, he said farmers have more than their share of accidents.

"In the past decade the death rate from farm accidents generally has been slightly higher than the national average," he said. "While the rates have decreased in this period, the farm rate has not kept pace with the national, and the difference has grown greater each year."

"Every step possible must be taken to reduce this terrible toll of accidental death on the farm," he said.

Tony Jordan In Ranger College

Tony Jordan, son of Mrs. Ima Jordan of Eastland, is a student in Ranger Junior College summer school, working toward a degree, with a major in history and minor in speech.

Tony is a 1961 graduate of Eastland High School, where he played football and was a member of the Hi-Y Club.

He plans to attend McMurry College in Abilene and a teaching career.

Jordan has worked for Modern Dry Cleaners in Eastland for several years.

Gorman Singing To Be Sunday

Plans have been made to hold the regular third Sunday singing at Gorman on July 21. The singing will begin at 1:30 p. m.

The public is invited.

Kokomo News

There was a very large crowd at the singing at Kokomo Sunday. Singers came from Santa Anna, Coleman, Abilene, Breckenridge, Fort

Worth, Dallas, Stanton, Brownwood, Stephenville, Morgan Mills, De Leon, Carbon, Eastland, Rising Star and Gorman. Mr. and Mrs. R. Q. Graham spent a weekend recently with their son, Mr. and Mrs. Clifford Graham in Monahans. Mr. and Mrs. Ellis Jumper of Big Spring and Mrs. Ward of Eastland visited one day this week with Mr. and Mrs. Pete Snider and family and

A SAD STORY
FOR SALE

Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

We work with you to arrange for a loan that's as easy to handle as monthly rent.

FIRST FEDERAL SAVINGS & LOAN ASSOCIATION

with Mr. and Mrs. Delmon Eaves and family. Mrs. Delmon Eaves has been confined to her home the past several days with the mumps.

Mr. and Mrs. Clifford Nelson made a business trip to Fort Worth on Saturday.

Mr. and Mrs. Glen Jordan honored their daughter, Glenda Joyce, with an ice cream and cake party on Friday, July 12, in honor of her 15th birthday. Helping Glenda celebrate were, Mr. and Mrs. Jim Jordan, Mr. and Mrs. Clifford Nelson, Jimmie and Cassie, Sylvia Hendricks, Mrs. John Warren, Linda and Mike, Mr. and Mrs. Glen Jordan and Teddy.

Mr. and Mrs. J. L. Morroe and Larry, Mr. and Mrs. Bill Brown and Kris, Mr. and Mrs. J. L. Morrow and Larry, Mr. and Mrs. Bill Brown and Kris, Mr. and Mrs. Albert Hendricks, Mr. and Mrs. Claude Fuller, Christi and Danny Snider and Miss Kay Browning, Mr. and Mrs. Vernon Fields and family, and Mr. and Mrs. Glenn Jordan and family and Mr. and Mrs. Clifford Nelson and family were among those enjoying the Ranger Rodeo last weekend.

Visitors at the Kokomo Baptist Church on Sunday morning were Mr. and Mrs. Lonnie B. Combs of Dallas, Mrs. L. C. Johnson of Post, Misses Ethyle and Pat Grafton of Las Cruces, N. Mex. and Mr. and Mrs. Clay Moorman of Abilene. Sunday night visitors were Kay Browning and Dickey Eaves of Gorman.

Mrs. L. F. Pittman of De Leon spent Tuesday night and Wednesday with her sister-in-law, Mrs. W. F. Bryant.

Mr. Pete Snider was able to come home from the hospital earlier this week.

Sympathy is extended to the Jewel Snider family on the loss of their son, Tommy, in a car accident on Sunday night. The Snider family are former residents of the Kokomo Community.

Lacasa News

The revival meeting at New Hope Baptist Church will begin Friday night, July 19 with Rev. Ernie Perkins of Bridgeport preaching and the pastor, Rev. James Smith leading the singing. Services will begin at 8 p. m., prayer services preceding at 7:45. There will be a fellowship supper at 6:30 before the first service. Each

family is urged to bring their supper and take part in this fellowship. Cottage prayer services are being held this week, the first one being in the Jesse Veal Home.

Word has been received from Mrs. Epsie B. Birmingham of Carthage that her sister, Mrs. Melmoth Lasiter has been seriously ill, but is some better now.

Mrs. Mary Herrington and Mr. and Mrs. Zelma Herrington attended the funeral of Mrs. James A. Broadstreet, aged 82, at Winters Monday. She was the mother of Mrs. Grady Jennings, a sister-in-law of Mrs. Mary Herrington.

The Robert Bradfords have been on vacation in South Texas the past week.

Rev. and Mrs. James Smith visited friends in Fort Worth Thursday through Saturday.

Mr. and Mrs. Lewis Mitchell of Winters visited his sister, Mrs. B. V. McGowan and other relatives and friends in this vicinity over the weekend.

Mr. and Mrs. Phelton Herrington went to Fort Worth Saturday after Mrs. Mary Herrington, who has been staying with Mrs. Monroe Herrington the past two weeks.

Mr. and Mrs. D. B. Raney visited their daughter and family Friday and Saturday, Mr. and Mrs. J. H. Gorrell of Fort Worth.

There are two corrections to be made to last week's report: Mrs. Cordia Lambert is a cousin of Miss Oma Ervin and Mrs. Gail Mitchell's baby daughter is named Karen Renee instead of Lisa Karen.

Mrs. Yielding Hosts Flatwood Club Thursday

Mrs. Dick Yielding was a hostess to the members of the Flatwood Home Demonstration Club Thursday afternoon. Mrs. Yielding presented a program on the making of artificial fruit from "goop". She explained the process of making the "goop" and molding the fruit. Mrs. Yielding also spoke on tin craft.

During the business session Mrs. Jack Lusk gave a report on the county meeting held in Comanche on July 12th. Mrs. Bulah Turner gave a report on council.

Plans were made to invite the Olden and Morton Valley Home Demonstration Clubs to a covered dish luncheon at Mrs. Clint McClain's lake cabin on August 22nd.

After the meeting was adjourned Mrs. Jess Taylor read a poem "The End of a Perfect Day" and Mrs. McCain read "Rare Recipes" and "Budget Savers".

Ten members were present and three visitors Mrs. C. U. Norton and Mrs. Pogue's two granddaughters, Cathy and Susie Pogue.

County Is Ahead Of Bond Sales Quota For Year

During the first half of 1963, the citizens of Eastland County purchased \$307,640 in Series E and H Savings Bonds, according to a report received from Guy Parker, chairman of the Eastland County Savings Bonds Committee. Sixty five and four tenths per cent of the county's 1963 goal has been achieved.

Savings Bond sales in Texas during the first half of 1963 were \$16,246,599 or 50.6 per cent of the 1963 goal of \$32,000,000.

"It is encouraging to note that Savings Bond sales nationally are setting a new peacetime high. Bond sales during the first six months of 1963 were \$2,517 million as compared to \$2,277 million a year ago, reflecting a 10.5 per cent gain. As of June 30, 1963, the total amount of outstanding E Bonds stood at an all-time peak of \$46,359 million, a gain of \$860 million since January 1," Chairman Parker stated.

CHRISTIAN SCIENCE

The theme of God as eternal Life will be emphasized at Christian Science churches Sunday.

The Golden Text of the Bible Lesson on "Life" is from Psalms (42:8): "The Lord will command his loving kindness in the daytime, and in the night his song shall be with me, and my prayer unto the God on my life."

Related readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this: "Whatever is governed by God, is never for an instant deprived of the light and might of intelligence and Life" (p. 215).
