Zemo—liquid or ointment—a doctor's antiseptic, promptly relieves itching, stops scratching and so helps heal and clear surface skin rashes. Buy Extra Zemo for stubborn cases!

Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

We work with you to arrange for a loan that's as easy to handle as monthly rent.

Each year, the average homemaker spends about 400 hours at the sink - scraping, soaking, washing, rinsing and drying dishes by hand. It's a tiresome, messy never-ending job . . . and so unnecessary when an Electric Dishwasher will do the job at the flip of a switch. With electric dishwashing, you save time and work . . . your kitchen stays tidier . . . your hands stay lovelier. And your dishes are washed and dried hygienically clean because an Electric Dishwasher' uses water hotter than hands can stand. See your electric appliance dealer now for an Electric Dishwasher.
