

MAYOR "BOSSY" GILLIS NOW IN JAIL

British Sailors Are Freed in Chinese Smuggling Case

CARDINALS LOSE SECOND GAME OF WORLD'S SERIES SCORE 9 TO 3

CHINESE FOUND ON A VESSEL

Two Stowaways Dead, Others Unconscious; Evidence Insufficient.

By United Press.
GALVESTON, Oct. 5.—Cases against three sailors of the British steamship Mahay, jailed here in connection with the death of two Chinese stowaways have been dropped, Immigrant Inspector Lindsay announced.
There is lack of sufficient evidence to show that the men are guilty of a conspiracy to smuggle Chinese into the country, he said.
Eleven Chinese were found beneath the bunkers of the vessel last Saturday. Two were dead and nine were unconscious due to failure of the air supply.

RISING STAR BOY SCOUTS GET AWARDS

The first court of honor for Rising Star was held last Friday night with E. W. Roberts, chairman, Fred V. Tunnell and D. Henson presiding over the court. Scouts Russell Day, J. R. Livingston and Lionel Lee received their second class badges.
Charles Rutherford came up for his first class badge.
Many merit badges have been won. Charles Buey was awarded first aid to animals, leathercraft, work, firemanship, bookbinding and personal health.
Charles Rutherford, Jr. came up for the firemanship merit badge.
Wayne Sellers received printing, firemanship and bookbinding. Wayne holds the only merit badge in the council for printing, so far.
Walter Clem Conway received carpentry, firemanship, wood carving, leathercraft and bookbinding. Walter has recently moved to El Paso and his certificates will be sent him by Mr. Venable the scoutmaster.
James Irby came up for civics, firemanship, swimming, pathfinding, public health and bookbinding.
Charles Rutherford, James Irby and Charles Buey were each awarded their 10-hour civic service bars.
Horace Shumate received his Junior life saving red cross badge which he won at the summer camp. He is the only scout in Rising Star who has won this emblem.
Scoutmaster Otha Venable introduced Mr. Wilcox, the new Assistant Scoutmaster for the troop. Mr. Sellers and G. N. Quirl, scout executive, were present.

Season Tickets Are Going Good

A chart of reserved seats for games to be played by the Ranger Bulldogs against teams of the district here, is now at the chamber of commerce offices for those who have purchased or are contemplating buying the \$5 books of season tickets.
C. E. Shields, treasurer of the citizens athletic committee, said this morning that 250 seats would be reserved for the Ranger-Eastland game to be played at Eastland next week.
Reserved seats for the book holders also will be held at the Ranger-Cisco game to be played November 12.
According to Shields, the sale of the books is brisk and it is only a matter of a few days until the 250 books are sold.

Prisoner is in Bad Condition

MIDLAND, Oct. 5.—Yancey Pearce, Midland county prisoner who was burned Tuesday when the bedding of his cell was ignited by flaming disinfectant, still is in a critical condition in a local hospital. More than one-third of his skin was burned off in the fire. His recovery is doubtful. The fire occurred a few hours after Pearce was told that he was to be taken to the penitentiary to serve a term for auto theft.

Keepers of Illinois Kidnap Farm

When police brought three members of the Capellano family from Bourbonnais, Ill., to Chicago, they were identified by the abducted Billy Ramieri, 10, as the keepers of the "kidnap farm" at Bourbonnais where Billy was held while abductors tried to collect huge sums from his father, a Chicago contractor. Left to right they are Anoinette, her father, Andrew, and her brother Tony.

MERGER OF 2 BIG LINES IS DROPPED NOW

K. C. Southern and M. K. T. Formally Withdraw Application.

By United Press.
WASHINGTON, Oct. 5.—A resolution formally withdrawing application of the Kansas City Southern and the M. K. & T. for permission to consolidate their properties was filed today with the Interstate Commerce Commission. Any plan for unification of the two lines and the St. Louis & Southwestern which is also involved must be developed "in a manner fully in harmony with the indicated views of the commission," the resolution said.
The commission now has pending against the Kansas City Southern a Clayton act proceedings charging anti-trust law violation in connection with the proposed merger.
"By their action, the commission has indicated that it looks with disfavor upon the plans for unification of the carriers," the resolution added. The recent revocation of the authority of L. F. Lorce, chairman of the Kansas City Southern, to act as a director of the M. K. & T., was considered in some circles a further indication of the commission's disapproval.

COMANCHE, Oct. 5.—One hundred representatives from towns situated on the 600-mile stretch of the Southwest highway between Dallas and the New Mexico border concluded a meeting here yesterday after voting to work for surfacing of the highway and to try to obtain designation of the route as a federal road. An effort will be made to make the 600-mile route an extension of United States highway No. 57, from Dallas to the New Mexico border.

Seek New Highway For Territory to the South of Here

By United Press.
COMANCHE, Oct. 5.—One hundred representatives from towns situated on the 600-mile stretch of the Southwest highway between Dallas and the New Mexico border concluded a meeting here yesterday after voting to work for surfacing of the highway and to try to obtain designation of the route as a federal road. An effort will be made to make the 600-mile route an extension of United States highway No. 57, from Dallas to the New Mexico border.

FOUND DEAD AFTER FIRE

By United Press.
SHREVEPORT, La., Oct. 5.—Deputy Coroner Hall of Caddo Parish today returned a verdict of suicide in death of J. H. Norvell, 36, of Greenwood, a deputy sheriff and store manager.
Norvell was found dead following the destruction of the store by fire. The widow and four children survive.

YANKEES INCREASE THE LEAD

Have Now Won Two Games to None for the Cardinals.

Special to The Times.
YANKEE STADIUM, NEW YORK, Oct. 5.—The New York Yankees, doped by most experts to lose the world's series to the St. Louis Cardinals, are now sitting on top of the world, having lambasted "Old Pete" Alexander and Mitchell, left-hand spitball artist for a 9 to 3 victory this afternoon. The series now stands, New York 2 games to St. Louis none.
Piggras, hero of the 1927 world's series, after a bad start settled down and with the big lead piled up by his teammates, was never in danger.
The teams entrain tonight for St. Louis, where the next three games will be played, beginning Sunday.
The Yankees need only two more wins to clinch the baseball championship of 1928.

RAIL DISPUTE PARLIES MAKE NO HEADWAY

By United Press.
CHICAGO, Oct. 5.—Western railroads have reached an impasse in their negotiations with employees in the present wage dispute, Kenneth Burgess, attorney for the carriers, told President Coolidge's railroad mediation board today.
Burgess objected to the introduction of technical testimony during today's session and said that the board had only one point to decide—whether the railroads' offer to their employees had been fair.
"Testimony bearing on all other points is outside the jurisdiction of the board," Burgess said.

POOL HALL CHARGE MADE

Charge of operating a pool hall was filed yesterday at Eastland against the proprietors of the Ranger Recreation club, located in the basement of the Gholson Hotel.
The papers were served on the owners yesterday afternoon by Deputy Sheriff Cy Bradford, who had the proprietors put up an appearance bond of \$250 for their presence at the county court this morning.
The place, which has been operating for some time, was closed yesterday afternoon and today.

Getting Jury in Lynching Trial

By United Press.
HOUSTON, Oct. 5.—Selection of a jury to try Charley Oldham, charged with murder in the lynching of Robt. Howe, negro, was continued in district court today.
Oldham went to trial yesterday after a similar case against T. J. Reese had been dismissed.
Seven jurors were in the box when court convened today. Many veniremen were excused for having fixed opinion on the defendant's guilt or innocence.

R. C. Pep Squad's Uniforms Clever

Wearing their uniforms—consisting of cowboy hats, white sweaters, white shirts and leather boots—the Ranger Junior College pep squad, composed of 20 girls, took their first public "work out" last night.
The squad paraded down Main street and stopped in front of the Gholson Hotel for a brief demonstration.

Oil Co. Worker Killed by Train

By United Press.
PAMPA, Tex., Oct. 5.—Sam Dillard, employe of the Roxana Petroleum company was killed today when his truck was struck at a grade crossing.
HONOLULU, T. H., Oct. 5.—Myles Fukunaga, 19, kidnaper and slayer of 10-year-old Gill Jamieson was found guilty of first degree murder here last night. The sentence was withheld.

A 1-Carrot Ring

Mrs. Jacob Konkol of Ashland, Wis., was hanging out her washing one day 18 years ago and lost her wedding ring. The other day she found it in a basket of carrots—a carrot had grown through the circle. Here is the carrot, with the ring.

\$1,000,000 FUND AS MEMORIAL

By United Press.
NEW YORK, Oct. 5.—A \$1,000,000 trust to be known as the Will Raskob foundation has been formed at Dover, Del., by Mr. and Mrs. John J. Raskob in memory of their son William Raskob who was killed last summer in a motor car accident in Maryland. The foundation will care for needy children.

DOZEN BREAK OUT OF JAIL

FRANKFORT, Ky., Oct. 5.—Twelve prisoners escaped from Frankfort county jail early today after breaking the lock on the door of a second floor dormitory.
Stephen Topass, jailer, and his deputy, sleeping in an adjoining building, were unaware of the escape until an hour afterward. Most of the prisoners had been sentenced on liquor charges. A total of 575 were confined in the jail.
After breaking the lock, the 12 men went to the third floor, which was unoccupied. There they forced open a barred window and tied bedding together to lower themselves to the ground.

Cooper Will Be Guest of Honor

County Commissioner V. V. Cooper and other members of the commissioners' court will be guests of honor at a barbecue in the Merriam community Saturday. The occasion is the celebration of the completion of the bridge over Colony creek. Everyone is invited to attend, bringing the proverbial "well-filled baskets."

CARNES IS IN ATLANTA

ATLANTA, Ga., Oct. 5.—Clinton Carnes, charged with embezzling \$935,000 from the Southern Baptist Home Mission board, arrived here today after a trip from Winnipeg where he was arrested a week ago. He was taken immediately to Fulton county jail.

District Body Holds Meeting

The eligibility of Lee "Bud" Hammett, triple threat man and quarterback of the Ranger Bulldogs, still hangs in the balance, in spite of a committee meeting at Eastland yesterday afternoon.
R. F. Holloway, committee chairman, called a meeting of the committee to work out matters relative to the eligibility of Hammett of Ranger and Magness of Breckenridge.
Neither of the two matters were passed upon, however, inasmuch as a full membership was not present.

TODD TO THE PEN FOR LIFE

Ranger Man's Conditional Pardon is Revoked by Gov. Moody.

Willis Wayne Todd of Ranger will return to the state penitentiary to resume his life term for the murder of a Fort Worth service car driver, several years ago.
The boy, who was given a death sentence for his participation in the murder, lay in his cell at the Parker county jail and heard the nails being driven into the scaffold upon which he was to hang, heard the words of a jailer who told him the governor had commuted his sentence to life, went to the penitentiary, was given a conditional pardon by Governor Miriam Ferguson—and is "going back."
A week ago, Todd was arrested at Fort Worth for stealing cotton.
Thursday, Governor Dan Moody issued a proclamation revoking the conditional pardon which had been granted to Todd by Governor Ferguson, and Todd must return to the penitentiary for life.
Charge of automobile theft was filed against Todd in Justice of the Peace J. N. McPatter's court in connection with the theft of a truck here.

SAN ANTONIO ADDS 100,000 STREET LAMPS

By United Press.
SAN ANTONIO, Oct. 5.—In carrying out the most elaborate scheme of decoration ever planned for an American Legion convention, workers are busy stringing pennants, hanging flags and draping telephone and electric light poles along approximately 60 city blocks in San Antonio, Texas. Nearly every business house in the downtown district is decorating as never before, and when the 1928 convention opens Monday, San Antonio, city of conventions, will be more gaily attired than ever before in its history.
By day San Antonio will be vivid with its red, white and blue pennants, flags of all the allied nations and Legion emblems, and by night it will glow with brilliant street lights. The skyline will be outlined in lights.
The Legionnaires are being greeted at the railroad stations with welcome banners and huge American flags. The streets from the station to the downtown district are continuously decorated in their honor. The hotels are flying flags, flaunting banners, pennants and streamers, welcoming their guests.
Approximately 30,000 feet of pennants, making a continuous overhead canopy, are being used in three main streets alone. All the telephone, trolley and electric light poles throughout the downtown section and along streets from the stations to the business district are draped with American and Texas flags. In the center of the street, flags of the Allied nations are suspended from all of the wire running across the streets. It is estimated that more than 3,000 flags are being used in this manner.
Never in the history of the city have local business houses and firms been so lavish in their individual decorations. But not all the festivity and gaiety is confined to the downtown sections. Community centers in the residential sections are gay for the occasion, and vast numbers of the residences will be flying the American flag.

MAN OF MANY ESCAPES ONCE MORE CAUGHT

HUNTSVILLE, Oct. 5.—Alvin Ireland, convict, who escaped from Imperial state prison farm when Dog Sgt. Ward was murdered and who later escaped from Fort Bend county jail, after he had been given an examining trial on the murder charge, has been recaptured, Criminal Record Clerk Jordan of the State prison was advised today.
He was taken at Ashdown, Ark., by sheriff Jas. Sanderson of Little River county. With him were two men who are ex-convicts from Texas.
Ireland was turned over to railroad officers and will be tried for road officers and will be tried for mail and express robberies which are federal offenses, before being returned to Texas officials.

FRANK SNYDER HAS RESIGNED

HOUSTON, Oct. 5.—Frank Snyder, who led the Houston Buffs to their first Dixie series title this year, resigned today.
Snyder, a former major league catcher with the St. Louis Cardinals and New York Giants, declined to discuss his reasons other than to say that there was a wide difference of opinion between him and President Fred Ankenman of the Houston team. Ankenman's only comment was, "I believe Frank acted hastily."

Ranger is Asked to Aid Florida Storm Victims

To aid in relieving the suffering of the people of Florida—destitute as the result of the great hurricane that claimed 2,000 lives and did many millions of dollars worth of damage—Eastland county citizens will contribute \$300. This is the amount asked by the Red Cross.
Cisco has allotted itself one-third of this amount, leaving only \$200 to be given by the remainder of the county. Cisco contributions up to yesterday totaled \$60.50. Ranger perhaps is getting off to a "late start" to use an athletic term. But undoubtedly the citizens of this city will respond to this call for aid.
The Times will be glad to acknowledge through its columns all contributions and will turn the amounts so received over to the Red Cross at once.

Will Run Affairs of City From Jail Cell for 60 Days

(By United Press)
Fiery-tongued Mayor Who Threw Himself on Mercy of Court is Jolted With Jail Sentence, Half of it at "Hard Labor."

SALEM, Mass., Oct. 5.—As prisoner No. 4886, Mayor "Bossy" Gillis direct Newburyport municipal affairs from a cell in Salem jail during the next two months. Today the fiery-tongued ex-sailor who, for the past nine months has ruled his conservative home town with the iron hand of a Mussolini, occupied cell 79 at the county house of correction facing 60 day's imprisonment, half of it at hard labor.
The sentence with an additional penalty of \$545 in fines was imposed last yesterday by Superior Judge Nelson P. Brown, before whom "Bossy" pleaded guilty a week ago, to charges of unlawfully storing and selling gasoline at his own famous filling station in Newburyport.
Having thrown himself upon the mercy of the court, Gillis had expected to escape with a fine but the court decided that the "bad boy" mayor must go to jail.

COMPASS IS UPSET BY METAL

By United Press.
BRANFORD, Conn., Oct. 5.—His compass affected by a conignment of metal he did not know he was carrying, Pilot J. O. Webster of the National Air Transport company found himself miles off his course from New Brunswick, N. J., to Cleveland, O., and crashed in making a forced landing on a farm near here today. Reports indicated that the pilot was not injured.

SPLENDID WELL IS BROUGHT IN NEAR EASTLAND

S. A. Hopkins and Associates have completed their No. 1 well on the N. H. Jones farm, Sec. 43, Blk. 4, H. & T. C. Ry. Co. survey, about three miles northwest of Eastland, for five million wet gasses in the lower Ranger lime at 3580 feet.
The Consolidated Gasoline Co. of Eastland has extended its 6-inch line to the well and is now taking the gas into its Eastland plant. A test shows this gas to contain a very nice percentage of gasoline. The well has a rock pressure of more than a thousand pounds and should be a consistent producer for several years.
This well has had quite a checkered career, having been spudded in by the contractor on January 27th of this year and a great deal of time has been lost on account of fishing jobs, one fishing job lasting from March 16 to June 25. Although drilled in territory surrounded by wells drilled to the Marble Falls lime formation during the boom days, this well's pay formations have logged one hundred feet higher from the Caddo lime down, making it more or less a wildcat.
A showing of gas was had in the Olden sand, gas and oil in the Parson's sand; small well passed up in the Caddo lime; also showing in the Marble Falls lime; small quantity of gas in the Eastland lake sand, and finally picking up this nice wet gas well in the lower Ranger formation.
Mr. Hopkins, who is from Boston, but who has been residing in Cisco for the past year, deserves a great deal of credit in completing this well, as several of the fishing jobs looked almost impossible to clean up and were very costly, and in addition to this he was forced to take the well over from the contractor on May 7th and later to buy a string of tools in order to complete it.
Ben Mackall, of Eastland, his tool pusher, also deserves credit for his knowledge and stay-with-it-ness, having stayed as high as eight days and nights on the derrick floor without leaving.

 CHAPTER XII

Captain Hanna was short and fat and jolly, with a rolling gait and a big, loud laugh. John Arnold was a pudgy little man and the hair on the top of his head was thin and getting thinner. He had a small, black mustache and a sharp little nose and a tremendous chin. Mr. Arnold was an antique dealer.

Richard Eustis was tall and slim. His hair was light brown and wavy. He wore it rather long and had a habit of shaking it back from his forehead impatiently. His eyes were blue and his skin very pale. His mouth was well-shaped, with lips so vivid they almost seemed to have been examined. He had a crooked little whimsical smile, and one eyebrow quirked up when he talked.

"He looks," thought Sybil, "like a hungry poet. I'll bet Mab would like to cook him a good meal and run her fingers through his hair."

Arnold was one of those people who love to find mutual acquaintances. "So you come from Boston?" he queried. "Now I used to know a lot of people in Boston. I'm from New Haven myself. Let's see—do you know George Tracy? and the Osgoods—they're the woolen people. You don't? Well, now, that's strange. I suppose you know Mrs. Young—Mrs. Leon Young? Fine old lady."

Eustis was quieter. "I've asked the steward to bring up Martinis," he said. "Perhaps you had rather have something else?"

Mabel was trying desperately to look sophisticated. "I simply adore them!" she exclaimed.

And when they came she whispered excitedly to Sybil, "Do you eat the foolish olive, or let it lay?"

The captain had left. "Make yourselves at home," he told them. "I'll be in later." Eustis, presently, began to devote himself to Sybil. Arnold had Mabel in a cozy corner, chatting of Sandwich glass.

"I've a precious dolphin candlestick I'd like to give you," Sybil heard him say, while Mab looked as if she would like to choke him. In vain Sybil tried to make the conversation four-sided. Eustis could be positively rude.

"I'm fed up on antiques," he announced. "And John can't talk about anything else. I'm grateful to you, Miss Blake, for taking him off my hands. By the Lord Harry, I need a little respite. And now, since we're well rid of John, suppose you and I take a little stroll, Miss Thorne. There's such a glorious moon tonight."

"But I thought we were going to play bridge." "And waste a perfectly good moon!" "But I'd been anticipating such

ROYAL NEIGHBORS OF AMERICA.

The Royal eNeighbors of America met last night in regular session with a good attendance. It was also the birthday of Mrs. Henry, district deputy, Eastland and Ranger chapters, honoring her with a fruit supper. Those present from Eastland were: Mmes. Duffie Tucker, Lilly Watson, Mark Mallow, Edna Taylor, Denoa Taylor, Addie Milton, Willie Mae Shirley, Annie Armstrong, Gertie and Bill Williams, Joe Mae King, Willie Brock, Jeffe Davis, Trudie Mathne, Doyle Wood and C. R. Mellon, Mrs. Hudson of Breckenridge. After the business meeting a social hour was enjoyed. A bake sale was planned for next Saturday.

Death Summons
 Veteran Editor

By United Press.
 MEXIA, Tex., Oct. 5.—Col. N. P. Houx, 68, veteran newspaper publisher and editor, died during the night of a heart attack. He was associate editor of the Mexia News and editor of the Weekly Herald. At one time he was sole owner and publisher of the publication.
 Col. Houx won the rank of lieutenant colonel in the Texas National Guard and he organized a company for the World War but was not able to accompany his men. He was well known in the Masonic order and other fraternal circles of the state. He was a member of the Texas Editorial association composed of veteran editors. Funeral services will be held Saturday.

Cheaney

Special to The Times.
Cheaney is getting a little rain just now that will be beneficial to peanuts and turpentine patches and for grain sowing. There is more grain than usual being planted around Cheaney.
Cheaney had two Sunday school classes and two sermons last Sunday. Brother Skaggs preached at 11 o'clock and was followed by Brother Maddox. They preached on the same subject. All went home well satisfied.
A good many attended the fair at Eastland Thursday, Friday and Saturday and most all pronounced it a grand fair. Cheaney won many prizes and failed on many places, so we think its right to live and let live. We are most all determined to try again next year. If the fair managers will just put the rural communities in a bunch to themselves, we would all enjoy it much better. They should give us judges from rural communities. We just can't compete with the cities.
Grandma Walton is very low

at this time. We fear the end is near as she is very old and has been in bad health for some time. Jimmie Walton of Sweetwater is at his mother's bedside. There is a rig for boring a well for oil and gas being erected on J. O. Colvin's farm and also a location being cleared on the T. A. Jones farm southwest of Cheaney.
What has become of the Morton Valley writer. We surely do miss your letters, as we did enjoy them so much.
J. F. Scott and son, Sterling, of Stamford, were at Cheaney recently, and took a load of Cheaney pears home with them. Cheaney is blessed with a good pear crop this year.
Cicero Rogers is marketing pears at Ranger this week.
Jim Backwell of Sweetwater was at Cheaney Sunday and said crops are good and better in his country.
R. R. Browning is erecting a dairy barn on his farm north of Cheaney.

The Majestic is here. Hear it at Wm. N. McDonald's Shop.

OUT OUR WAY

There's somebody like him in every office

LISTLESSLY he begins the day. But he has no grip on his job. His desk piles up with unfinished work. As people help and pity him, he realizes that he might as well face the truth. He is through. The pace is too much. Something has been stealing his energy—killing his ambition. He isn't sick—and yet, somehow, he never feels well.

Thousands of men are falling behind the crowd, all because they fail to realize how deadly constipation is. Constipation can wreck the strongest body. Headaches, sleepless nights, listlessness, wan complexions are just a few of its early symptoms. In the end, it often leads to serious disease.

What a pity more people do not know there is such prompt relief from this terrible scourge! Kellogg's ALL-BRAN is guaranteed to relieve constipation safely. More—to prevent it just as surely.

Only ALL-BRAN is 100% effective

It is bulk that relieves constipation. Because it is 100% bran, Kellogg's ALL-BRAN supplies bulk in generous quantity. In a

part-bran product the amount of bulk is usually too small to be completely effective. That's why doctors recommend ALL-BRAN.

ALL-BRAN brings natural relief

Kellogg's ALL-BRAN is totally different from dangerous drugs and pills whose doses must be constantly increased to be effective. It works as nature works. The health of the entire family can be maintained by serving ALL-BRAN in some form every day.

A pleasant cereal. To eat with milk or cream. Delicious with fruits or honey added. Use it in cooking too. Just eat two table-spoonfuls daily—chronic cases, with every meal.

But get genuine Kellogg's—the original ALL-BRAN. Sold by all grocers. Served at hotels, restaurants. On diners. Made by Kellogg in Battle Creek.

Guaranteed! Kellogg's ALL-BRAN is sold with this definite guarantee: Eat it according to directions. If it does not relieve constipation safely, we will refund the purchase price.

Kellogg's

ALL-BRAN

Haiti's hurricane is believed to have damaged less than one-twelfth of the coffee crop, so important to that island.

Keeps the whole family Smiling!

Good flour means good bread—good biscuit—good pies and cakes. When you insist on this brand you know you have a flour made of finest, selected wheat—always uniform in quality—and guaranteed to give satisfaction or money refunded. Try it next time.

TERRIBLY ILL

Kentucky Lady's Health Was Very Bad. Had Severe Pains and Could Not Sleep.

Lexington, Ky.—Mrs. J. H. Nichols, who lives at 313 Elm Tree Lane, this city, says that Cardui has been of valuable assistance to her on two occasions, which she tells about below:

"Some few years ago, my health was bad. I had very severe pains in my sides. My nerves were in a terrible condition. I could not rest. The lower part of my body was very sore. I could hardly stoop over to lace my shoes. I would have to put my foot on a chair. I did not feel like eating, and did not sleep well at all at nights.

"A friend of mine recommended Cardui. I began taking it and saw quite an improvement in my condition. I kept it up until I felt strong and well."

About a year ago, Mrs. Nichols says, she found herself in a nervous, run-down condition. "I took Cardui again," she adds, "and it helped me wonderfully. It is a splendid tonic."

Thousands of women have written to tell how Cardui helped them to get rid of pain and suffering.

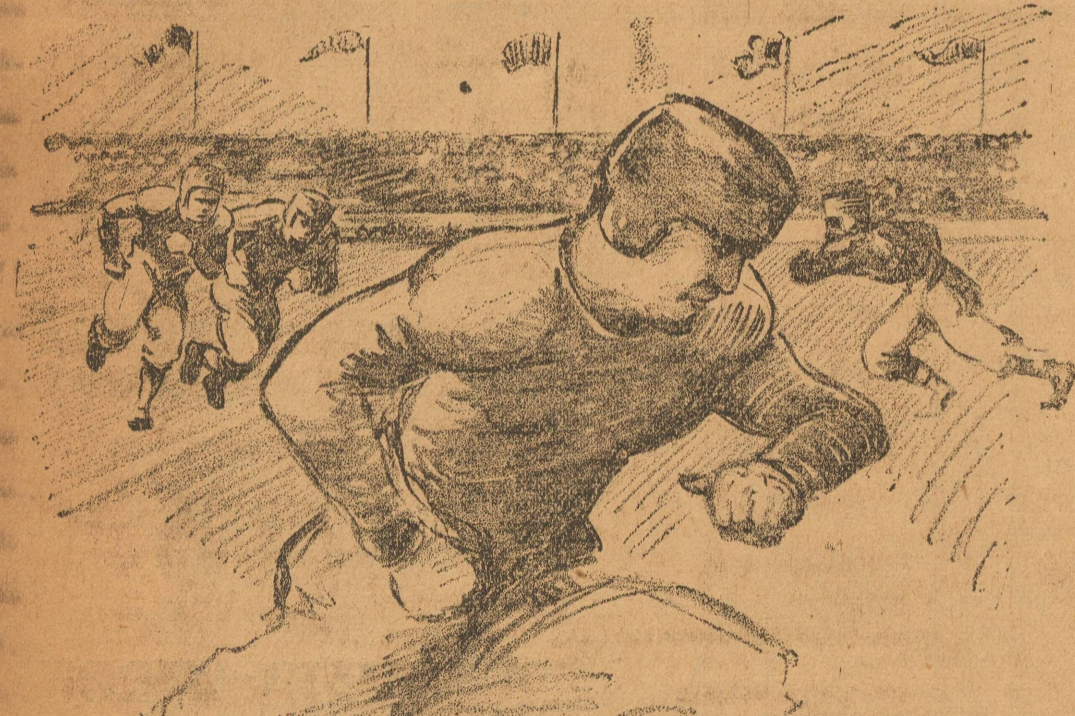

Cardui is a mild, medicinal tonic, made from purely vegetable ingredients. At all drug stores. NC-190

A REAL VICTOR

Brains, brawn and teamwork are behind the success of the football star. They enable him to gain the distance that is necessary to put the ball over for a touchdown. It took brains to refine a gasoline which is knockless without being compounded with poisonous chemicals.

Brawn, or extra power, is in every gallon of Magnolia ANTI-KNOCK Gasoline. Perfect teamwork (explosions of the right speed and timing) enables it to give power that is like a steady push—performance that is a victory. For high compression motors and motors that knock.

BULLDOGS ARE WINNERS 25 TO 0 OVER WINTERS HI

Ranger Team Plays Sluggishly Until the Game is Nearly Over.

By BOYCE HOUSE
After playing in a listless fashion for three quarters, the Ranger Bulldogs suddenly sank their teeth into the Winters Blizzards and ran up a score of 25 to 0 Thursday afternoon on the Winters gridiron.

The only thing that suggested winter, icy winds and cold weather was the name of the home team for a beaming sun was beating down throughout the game. The Bulldogs played without the services of big Garland Hinman,

fullback, who was out with injuries.

Until the start of the last quarter—when the Ranger team decided to make a game of it—the affair had been rather dismal to the handful of faithful fans who had driven 110 miles to see their favorites in action. The Blizzards—made up of diverse sizes, two or three big men but the remainder small or even smaller—put up a good fight and repeatedly prevented touchdowns by brave stands inside their 10-yard line. On offense, they could get nowhere, two passes, each thrown by Hill to Hardegee, marking the sum total of their success. One heave

was for 15 and the other for 20 yards.

Near the close of the first quarter, the Bulldogs marched 60 yards for a touchdown. Hammett's dash of 35 yards was the chief feature of the advance. McLaughlin plunged the ball over. Goal was missed. With this exception, Ranger's offense in the first half would get started, then, like a flyover without gasoline, it would splutter and stop. One onslaught of 50 yards might have meant a score but a fumble lost the opportunity.

The speedy Whitehall went in as the final quarter began and dashed off tackle 20 yards. Hammett went through the same opening for 15. A 15-yard penalty set the Bulldogs back on the next play but Whitehall gained 10 and Hammett five yards. Whitehall in two plays, made the remaining 12 yards for a score. The kick was low.

Taking to the air, the Bulldogs

made quick progress—Whitehall to Hammett for 15, and Hammett to Bowden for 23, Bowden dragging two tacklers five yards. But the Blizzards obtained the ball on downs on their four-yard line and punted.

Hammett made a 10-yard return of the kick, then passed to McLaughlin for 11 yards and Whitehall went off tackle for seven yards and a touchdown. Goal was kicked.

The final score of the game was the most spectacular play of the day. Hammett faked a pass, faked a run, then shot a pass for 35 yards to Whitehall for a touchdown.

Sullivan, hefty lineman for Winters, deserves special commendation for his sterling defensive work.

The lineups: Winters, Collingsworth and Hardegee, ends; Williams and Kelly, tackles; Smith, center; Hill, quarter; Bishop and Baldwin, halfbacks; Orr, fullback; Tully and Mills, ends; T. Hinman and Love, tackles; Bumpers and Mitchell, guards; Bohannon, center; Hammett, quarter; Seay and Hamilton, halfbacks; McLaughlin, full. Numerous lads were sent into the Bulldog lineup, including Bowen, Whitehall and Blackmond.

NOTICE TO RANGER MOVIE FANS:

In Thursday's issue of the Ranger Times a story announcing the showing of the world's largest moving picture, "The King of Kings," to be presented at the auditorium in Dallas during the fair, also that owing to the large seating capacity it would be shown at fifty cents admission.

Ranger movie fans will be able to see "The King of Kings" at the Arcadia Theatre, Oct. 16-17-18th at regular admission.

It is true that "The King of Kings" is the biggest picture of the year and has been run over the world as a roadshow attraction at big prices but now it has been released for regular run and the Arcadia will be one of the first theatres in the state to show the big picture.

At any time you read of any big moving picture you may know that it will be presented at the Arcadia Theatre in Ranger as early as any of the large cities and a large percent of the pictures ahead of the larger cities.—The Arcadia.—(Adv.)

BELIEVES ARMY MAY LOSE TO THE S. M. U. MUSTANGS

United Press Staff Correspondent.

DALLAS, Oct. 5.—The southwest will be spotted with football games today and tomorrow as high school, college and university teams take the field in the third week of 1928 season. The sidelines will be crowded with rooters, screaming and shouting at the top of their voices for their team to win. But the eyes of Texas' football followers will not be on the home games alone. Another game 1,500 miles away, where the Red and Blue clad warriors of Southern Methodist university, engage the grey jerseyed hosts of the Army, will compel their attention also.

Followers of the Mustangs, 750 strong, landed in New York this morning. They were greeted by Mayor Jimmie Walker and from that minute on, the battle was under way. The Pony followers left Texas with the idea of showing New York just how football is played in the southwest, and how the fans stand behind their teams.

The Army-S. M. U. game is the one big chance for the southwest to establish herself in the world of football. If the Mustangs make good, regardless of whether they

bring home the long end of the score, the southwest will be recognized. Sport dopsters will look toward this section when they make their selections for all-American honors.

The Army team is captained by Bud Sprague, one-time Texas university star and a Southwestern conference selection for tackle. The last game that Sprague played against S. M. U., he had to be carried from the field, injured in the melee. He realizes the potential strength of the Jones and has warned Coach Biff Jones of that fact. The Army is not expecting a "set-up." They know from the start that they will have a fight

until the final whistle blows. As for the Mustangs, their chances of defeating the Army are good. Although they have not shown the old-time "pepper" that former Mustangs have shown, they are fully capable of turning back the easterners. Should they hit their stride Saturday, they may crush the grey clad warriors. Aiding them in their task will be the 750 rooters from "home," who will shout themselves hoarse, and the thousand or more other Texans who are already in Gotham.

The Majestic is here. Hear it at Wm. N. McDonald's Shop.

THE NEW FRIGIDAIRE

Will make your present ice-box an automatic refrigerator

And give you quiet powerful Frigidaire refrigeration

YOUR present ice-box is perhaps well-insulated, convenient. And yet you need Frigidaire... to protect your family's health... to eliminate food spoilage... to give you sparkling ice cubes and delicious frozen salads and desserts.

Then make your ice-box a Frigidaire. It's easy and inexpensive. We put a frost coil in your present ice compartment... the quiet, powerful compressor in any convenient location... out of sight and out of mind.

It's as simple and easy as that. And then your present ice-box will be a Frigidaire. It will eliminate food spoilage. It will

safeguard your family's health. It will give you a fresh supply of ice cubes for every meal and delicious frozen deserts whenever you wish them. And it will do all this regularly, quietly, dependably at a remarkably low cost.

Let us demonstrate this Frigidaire feature. All the ice cubes you need, dependable food protection, and all at a cost less than you now pay for ice. Come in or telephone today.

Low prices... easy terms

The Frigidaire Corporation believes that every household in America should have automatic refrigeration... for health... for convenience... for economy. And so the New Frigidaire carries low prices and easy terms... prices and terms which make it possible for everyone to have the benefits of Frigidaire now. Come in this week and find out about them.

Stomach Disorders First Revealed by Coated Tongue

Your tongue is nothing more than the upper end of your stomach and intestines. It is the first thing your doctor looks at. It tells at a glance the condition of your digestive system—and physicians say that 90% of all sickness starts with stomach and bowel trouble.

A coated tongue is a danger signal of those digestive disorders which lead to so many kinds of serious illness. It tells why the least exertion tires you out; why you have pains in the bowels, gas, sour stomach, dizzy spells.

Coating on the tongue is a sign that you need Tanlac—the medicine which has helped thousands who were physical wrecks from stomach and bowel troubles—who had "tried everything" in vain and about given up hope.

Tanlac contains no mineral drugs; it is made of barks, herbs and roots. Get a bottle from your druggist today. Your money back if it doesn't help you.

FREAK PLAYS EXPECTED IN COLLEGE GAME

FORT WORTH.—The Texas Christian University Horned Frogs were getting a chance to see what the Simmons offense will look like Saturday, when during the last part of this week members of their third team were organized into a "dummy" squad to run the Cowboy plays. That the Abilene team has a peculiar style, no one who has seen their formations can deny.

On the offense, the Cowboys use an eight-man line, which stunt is the first to appear in this section in a long time. Frog Coaches Bell and Kubale were busily en-

MOM'N' POP

gaged this week in figuring out and building a defense against the added power. Especially is the formation strop on quick opening line plays and to off-tackle smashes to the strong side. To meet this contingency Bell is building a defense that will seem peculiar to grid follows.

Regardless of whether the Frog mentor succeeds, it is certain that one of the toughest football games in the section will be in the

offering Saturday afternoon. From the native heats of both schools, crowds of followers will journey to Breckenridge to see the struggle.

It is almost a certainty that Howard Grubbs will be piloting the Purple when they take the field Saturday. He has been running the team in practice all week, and though the Frog mentor has not as yet named his starters, observers who are acquainted with Matty Bell's methods are sure that the fleet back from Kemp will get the call.

Merlin Toler, who has started as signal barker for the team in their first two contests, has been shifted to half. Virgil Roberts, another sophomore back and big Jim "Red" Eddleman will be the other backfield starters. Roberts will get the call at full. He is big and fast and one of the best kickers on the squad.

The Frogs have been given some new plays and indications are that they will take to the air largely for an offensive threat. Their work in this department was the deciding factor in their game with the Daniel Baker Hill Billies last Saturday and Matty has been busy

all week in drilling his ends and backs in grabbing the pig skin.

Out of the confusion that reigned in the camp over first-string starters during the first part of the week, it looks as though the following will trot on the field to start the game Saturday: Robertson and Martin, ends; Williams and Barr, tackles; Reynolds and Brumblow, guards; Atkins, cen-

WHAT A DIFFERENCE

INGREDIENTS MAKE

—Do you know what goes into your bread, your pastries and cakes that are bakery-made?

—There is as much difference in the products of bakeries as in the quality of clothing displayed by various merchants.

—The popularity of a loaf of bread is far from won on the merit of constant advertising, but contrary,—to those ingredients which are combined to produce the necessary vitamins in pastries, bread or cakes.

CALL FOR BREAD BY ITS NAME

—Call for Speed's products by name. Once learn the taste and you'll know the reason. A richness of ingredients and wholesomeness that make it desirable by every lover of more food value.

SPEED'S BAKERY

Tomorrow Opening Day for the Big Dallas State Fair

Special to The Times.
DALLAS, Oct. 5.—Everything will be in readiness Saturday at 9 a. m. for the opening of the 42nd annual State Fair of Texas, it was announced here today by Harry Olmsted, president of the state exposition, who has urged throughout the year that every exhibit should be complete before Opening Day.

The State Fair, in arranging the program for the 1928 exposition has brought more new features to the fair this year than ever before in its history. Many of them are free attractions, insuring visitors of a day well spent at any time during the exposition.

Three aviation acts, consisting of a passenger hauling dirigible balloon, a flying circus for after-

noon work, and a stunt flyer for night flying have been signed. The inside of the race track has been made into a landing field where all of these stunts will take place.

"The Desert Sing," said to be the greatest musical play ever produced in this country, and "The King of Kings," the stupendous picturization of the last two years of the Life of Christ, which was made at a cost of \$2,500,000 will be the attractions for Fair Park Auditorium.

Racing and the hippodrome show, consisting of America's greatest circus acts will feature the afternoon at the grandstand, while the night grandstand attraction will be the hippodrome performance and a great display of pyrotechnics. "Poodles" Hanford and his equestrian troupe will headline the circus performance. Other actions of the Hippodrome are Shorty Flem, famous clown; Harmon's Elephants, the Five Cardinals, the Two Atenos, and a gorgeous revue with 18 beautiful dancing girls and five stars direct from Broadway.

Demand for space has been greater this year than ever before in the history of the State Fair. Every commercial exhibit building is overflowing; the Manufacturers building has no vacant space left; the Automobile Building is full; the demand for stalls and stables in the Livestock Department, greatly exceeded the supply; the Agricultural building will have more exhibits than ever before, and the poultry building is crowded. A special tent has been erected to care for the Pigeon Show.

All dairy cattle, dairy equipment, and dairy products will be housed in the new dairy building where the first annual southwest dairy show will be held.

"We believe the people of the Southwest will agree with us that we have the greatest exposition ever staged in America," Mr. Olmsted said.

Nearly 450 gallons of mackerel were caught off the coast of Scotland by the drifter Duties in one night recently.

The Majestic is here. Hear it at Wm. N. McDonald's Shop.

LITTLE THEATRE.

The Little Theatre met Wednesday night at the chamber of commerce. A membership drive is being staged. Those on the committee are: Mmes. M. H. Hagaman, J. N. Poe, V. V. Cooper, Jr. Misses Evelyn Russell and Theresa Power and Mr. Tom Knight. The next meeting will be Wednesday, Oct. 10. Any one interested will be welcome.

France is below Japan, Iceland and Hawaii as a user of telephones, according to recent statistics.
