Successful Farm Tour Shows Off Experiment Plots

"A very good tour", "A most successful and interesting afternoon", these were comments after the some thirty-cdd business farmers and agency representatives returned from the SCS and Extension Service tour Thursday afternoon.

Under the sponsorship of County Agent J. K. Adams' office and Soil Conservation Service's Gary Reed, the tour stopped off to see J. G. Ann's experimental plots of maize, Jimmy Wedel's sorghums, Louis Scoggins' variety demonstrations, Ted Allen's fertilizer demonstrations, and Loyd Miller's variety and fertilizer tests. The First National Bank served refreshments during the afternoon.

At the conclusion of harvest, the tour-goer who most accurately picked the top yielding grain sorghum and the yield per acre will be presented a Stetson Hat by the Muleshoe State Bank.

Following the tour, a few farmers visited the W. O. Stacey and the R. C. Martin grass variety experimentation plots. Reed discussed the differences in the growth rate of both switch and burmuda grass. Due to soil conditions, switch grass rate is high on deep sandy soils, while the burmuda shows best on high lime soil content.

\$ Day is Monday Bargains Galore,

Know you won't find better bargain for Monday's Dollar Day than right here in The Journal. Thumb through for needed items: men's socks, dolls, ladies coats, sheets and bedspreads. Free coffee-making purchases, sundry drug items, sweat shirts and many other items.

You'll be glad you looked, so that you can hurry down early Monday morning to the special buys!

UNITED FUND SERIES

United Effort Provides Scouting For County

(Editor's Note: This is the second in a series of articles of the Muleshoe Area United Fund participating agencies. The health, welfare, recreational and community benefits of the scouting program echo the aims of the UF goals, which are not only beneficial to youth but to the adults as well. The UF drive will begin October 21 — just 15 days from today.)

Booth Reservation Urged For H'ween Carnival Space

Reservations for space at the Band Booster-sponsored Halloween Carnival are being taken now by this year's chairman of booths, Tootie Middlebrooks.

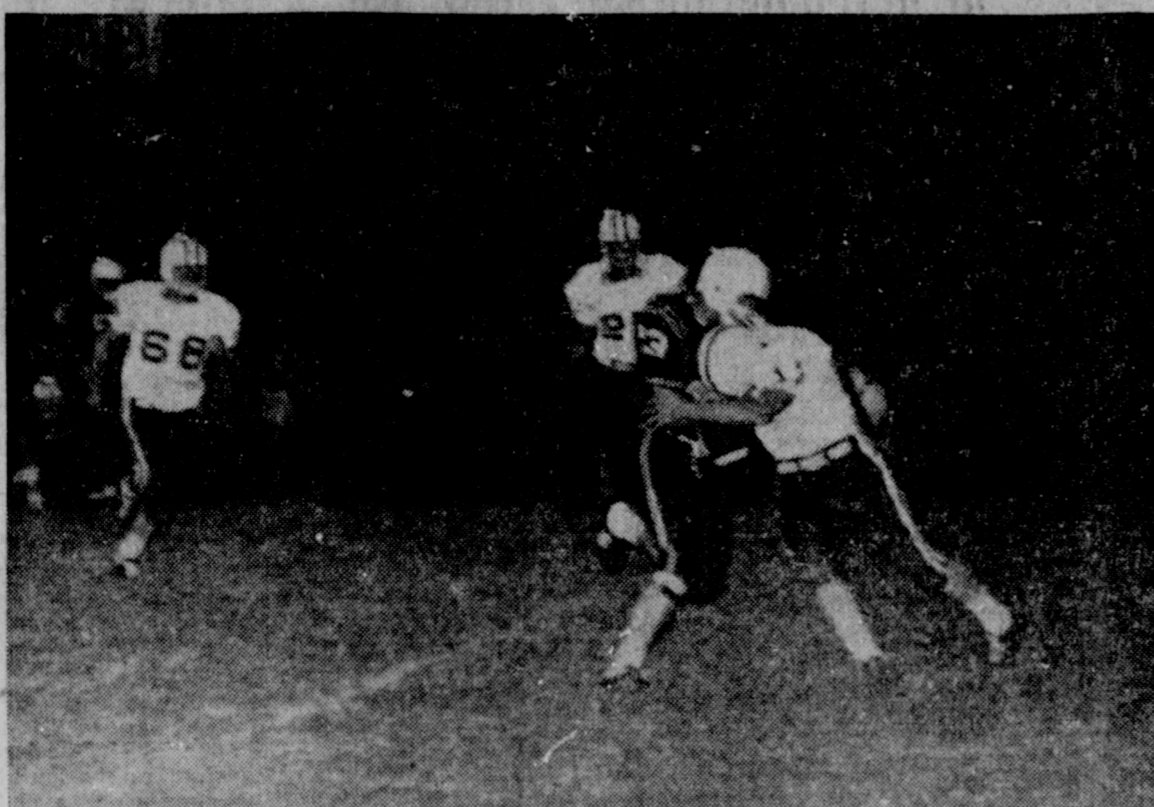

Middlebrooks said Friday that reservations are being taken on the "first come, first serve" basis. He asked that all organizations that wish to have space for booths for their clubs, churches or other groups, should phone him immediately at 6880 or 5121 in the evenings.

"Parts of the agreement of booth holders this year will be, in addition to setting up their own booths, the tearing down of their booths at the end of the evening," Middlebrooks said. He added that this obligation was abused last year.

The time of the annual October 31 carnival is set to begin at 7:30 p.m., instead of the customary 6 p.m. and the event will last until 10:30 p.m.

One of the highspots of the evening will be the crowning of the Halloween Queen. The contest is under the direction of Mrs. George Bragg. Mrs. Harmon Elliott is chairman of the Band Booster concession stand.

General chairman for this year's carnival is M. F. (Buddy) Blackman. Ernest Kerr is president

OUTA MY WAY! — Says Ronnie Johnson to Jim Higgins of the Hereford Whiteface team at Hereford in Friday night's non-conference tilt. Kenny Heathington made the pass and Johnson made it good by carrying it 10 yards during the third quarter. The Hereford Whitefaces butted the Mules to a 13-0 final score. (Journal Photo & Eng.)

Hereford Rallies in 4th Quarter To Blank Muleshoe Mules 13-0

By JAY SPAIN

Hereford Whitefaces stamped past the Muleshoe Mules in a fourth quarter rally at Hereford last Friday night to blank the Mules for the first time this season.

On the first series of plays Muleshoe fumbled and was recovered by Whiteface Ronnie Duncan to give the ball to Hereford on the Whiteface 43. Hereford could not move and punted to the Muleshoe 6.

The Mules then took possession and could only move to their 22 before they had to punt which was short to the Muleshoe 28.

Hereford started a drive which was broken up by Clifford Gray as he snatched a Whiteface fumble on the Muleshoe 6. Muleshoe could move only to the 18 and punted to the Hereford 35 but the

Bovina Wins Over Meadow Broncos

BOVINA—MEADOW

Bovina Mustangs took home a 14-0 victory over the Meadow Broncos in the Friday night game played at Meadow. Touchdowns were made in the second and fourth periods with neither team making a first down in the opening quarter.

SPRINGLAKE—IDALOU

The heart breaker for Springlake was credited in a third quarter pass for two extra points when the ball went from Raymond Ater to J. T. Benton and gave Idalou Wildcats a 14-13 victory.

LAZBUDDIE—AMHERST

The Lazbuddie Longhorns and Amherst Bulldogs clashed on the Amherst field and battled to a 12-12 tie. The hard fought contest was highlighted by a 43 yard touchdown run by the Bulldog's freshman halfback Leon Hardwick.

SUDAN LOSSES

Sudan lost their game to Plains to the tune of 9-0 after end Jack Love kicked a 14-yard field goal in the second quarter and Quarterback Mike Field scored on a 1-yard keeper after a 74-yard drive.

BULA—THREE WAY

Bula rambled to a 38-8 victory scoring in every quarter.

Leading 18-8 at the halftime, Bula moved into the lead on touchdowns in the first quarter by Curtis Archer on runs of eight and 15 yards.

35 New Memberships Added to C-C Rolls

An all-time high of 35 memberships have been added to the roll of the Muleshoe Chamber of Commerce membership lists, Roger Albertson chairman of the membership committee, announced Saturday.

Albertson said "the cooperative and enthusiastic work of my committee is responsible for soliciting this high number of new members. We feel that they will benefit from their association with the chamber, both personally as well as professionally by participation."

"My sincere thanks for teamwork success goes to each member of the committee for his hard work," he concluded. The committee members include: Bobby Airhart, J. K. Adams, Vic Benedict, Frank Ellis, Harmon Elliott, Earl Harris, Doug Haynes, Robert Hooten, Lester Howard, Sherman Inman, Jim Jennings, Franklin Mann, Lindal Murray, Jeff Peeler, and Jack Young.

Albertson led the parade with

the pass and Johnson made it good by carrying it 10 yards during the third quarter. The Hereford Whitefaces butted the Mules to a 13-0 final score. (Journal Photo & Eng.)

On the second play from scrimmage the Whitefaces again fumbled and it was recovered by Stanley Black on the 16. Muleshoe moved out to the 30 before they had to punt to the Hereford 21.

Hereford then started a drive which move dto the Muleshoe 46 before Dick Pylant intercepted a Whiteface pass on the Mules 45 and moved to the Hereford 36 before he was brought down.

The Mules then moved to the 15 before giving the ball up on downs. Hereford could not move the ball in 3 plays and had to punt to the Muleshoe 45. Muleshoe took the ball but could not move it and as the half ended the ball rested on the Hereford 49 and the score read 0 — 0.

The Mules kicked off to start the 2nd half of play and Barry Lewis stopped a Hereford drive by recovering a fumble on the Whiteface 47.

From the 47 Muleshoe launched a drive that was stopped short of paydirt by a Whiteface recovery of a Mule's fumble. The Whitefaces then pushed back a stubborn Muleshoe defense to the Mule's 16 where taking advantage of a vicious Muleshoe tackle Ronnie Johnson pounced on the loose pigskin.

Muleshoe started a drive that went deep into Hereford territory and bogged down after a succession of bad breaks. The Whitefaces then took over on downs and proceeded to drive goalward, sparked by the running of Senior back Jim Higgins who went over for the score from the 3. Frank Cain kicked the extra point.

An aroused Muleshoe took the kickoff and started to drive. Then sturned by a Whiteface interception the Mule's were overpowered as Jim Haney went over from the 2 for the score. Kick for extra point went wide.

The Mule's finishing drive was stopped by a Hereford interception. See **HEREFORD**, Page 7

eleven new members. Franklin Mann was second with five new members and Harmon Elliott was third with four.

New members signed up during the membership drive are: Roger Gorrell, County Attorney; Muleshoe Shamrock Service, Bill Owens; J. M. Forbes, Real Estate; South Side Gulf, J. M. Mann; Panhandle Seed & Grain Center, Bill Thomson; Dorothy's Beauty Salon, Mr. and Mrs. L. C. Anderson; Spudnut Shop, Mr. and Mrs. Cecil Rudell; Main Street Beauty Shop, Bernice Holdeman; Millsap Garage, Homer Millsap; Robert Blackwood, Insurance Agent; Wiley Baker, Farmer; J. D. Dunlap, Farmer; Long Garage, Homer Long; Wayne Holcomb, Dist. Ed. Coordinator; Louis Powers, Coach; Kathy Phillips, Band Director; and J. C. Spain, Jr., Kirby Co.

Taxpayers Get \$14 Million Bill; Evaluations Show Steady Growth

A tax billing of well over 14 million dollars was mailed to the taxpayers of Bailey county this past week, and again will be the largest in history. All agencies have increases in their evaluations and tax billing, which indicate the steady and increasing economic growth of the county.

The agencies now have the tax bills in the mail for delivery to the county's property holders, with all taxpayers due to receive at least two tax bills — the county and a school district — while city residents will, of course, get a third one.

County Tax Assessor-Collector Dess Stafford said Friday that evaluations for 1963 are the total county roll is \$14,385,356 with \$11,995,609 value for state taxes, less because of homestead exemptions, or more than \$46,221 higher than the 1962 figure of \$14,039,125. The county roll is the largest of all billings.

The county evaluation has been rising steadily over the past few years. Figures for the past years are 1961, \$13,751,412; 1960, \$12,227,324.99; and 1959, \$12,227,783.

The public utilities continue to lead the list of taxpayers with their total taxes for 1963 evaluated at \$12,919.74, with the Birdwell Ranch second with \$8,472.64 as its tax bite. Next are the

railroads' properties at \$4,428.21, with the banks next at \$4,050.49.

The county tax rate is currently 95 cents per \$100 valuation, County Treasurer Edith Wilt said.

The Muleshoe Independent School Districts tax assessor and collector, George Hicks, listed the resident's school tax billing at a high of \$393,759.94. This year's estimates of total taxes to be paid to the district are \$21,071.88 higher than the 1962 total of \$372,688.16.

The billing, using actual figures, is broken down to \$11,115,382 in See **TAXPAYERS**, Page 7

Threeway Men Promote 4-Town Lions Club

The Threeway community has the ball rolling for the organization of a Lions Club that will tie the four towns of Maple, Goodland, Watson, and Segall into a community-boosting promotional club.

A steering committee for the Lions organization was appointed at Thursday morning's meeting at the Maple Coffee Shop, with Jack Ferguson, chairman, assisted by the Reverend Milton Kresse and Dutch Powell his assistants. Some 12 men attended the steering meeting and made plans for the next meeting.

All persons interested in the four-town-area—whether to be a Lion member or not — are asked to come to the organizational meeting Monday, October 11, at 8 p.m. in the Maple Coffee shop.

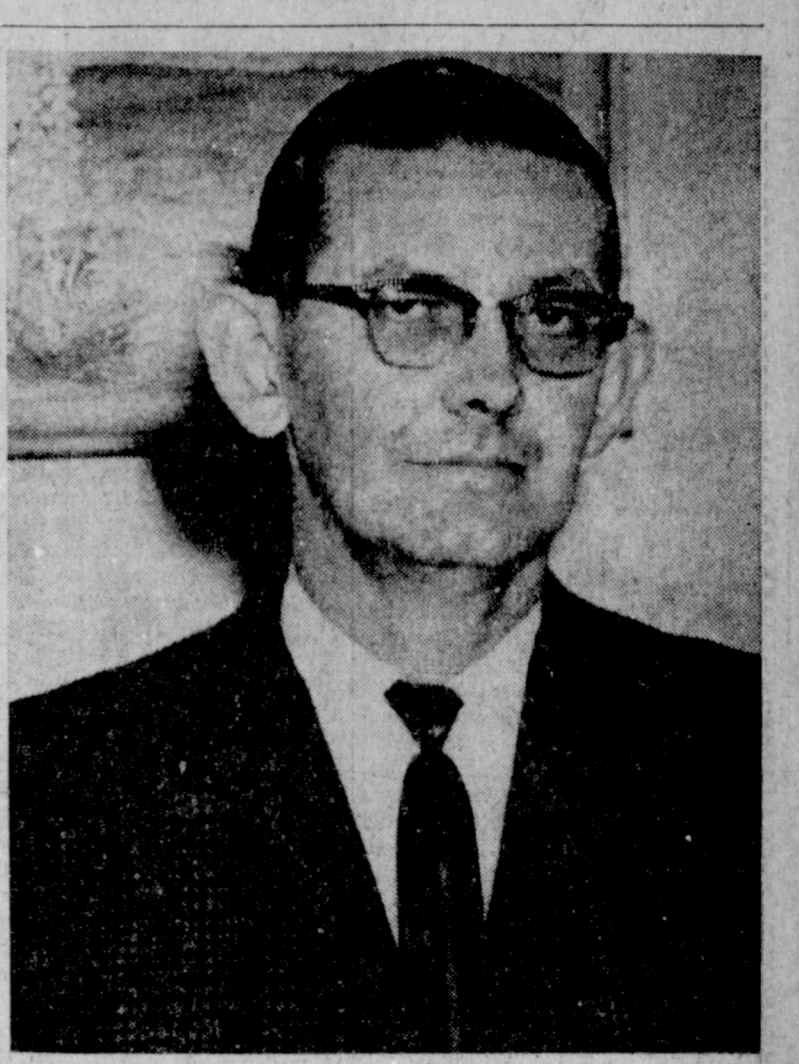

Local elevators report that the condition of the sorghum is good, with most of the grain dry. Elevators are buying on the basis of 15 per cent moisture content, some show discount on higher moisture contents.

Prices range from \$1.80 to \$1.75, with the Sunday and Monday "price-war" of two elevators paying \$1.85 per 100 cwt. ended after a two-day stint.

Adams said that the dryland sorghum is well along.

"The irrigated grain harvest is much further along than at this same period in any previous year. This is due to the extreme drying and maturing type of weather we are having," Adams said.

Those attending the meeting Thursday were: Ferguson, Kresse, Powell, Charles Abbel, Paul Powell, Bob Van Story, D. V. Terrell, Kenneth Middleton, Lawrence Smith, Roy Tunnell, and Wayland Altman.

Albertson Is 1964 Chamber President

Elected in the largest balloting ever cast in a local Chamber of Commerce election, Roger Albertson, manager of Cobbs Department Store, this week became the 14th president of the Muleshoe Chamber. He will be installed in January, succeeding Bobby Airhart, Muleshoe State Bank vice-president and present chamber president.

Albertson has been a member of the chamber here for eight years. He moved to Muleshoe from Lubbock to assume management of Cobbs and began his active participation in community affairs here at that time. For the past two years Albertson has been a member of the chamber board of directors, and is this year heading one of the most successful membership drives ever

held by the chamber. In addition he has in past years worked as committee member as well as chairman of the retail promotion committee, the Christmas and 4th of July promotions, several fire-entree drives, the talent show promotions, and other special worker-jobs. Additionally, the newly-elected president is a member of the Lions Club, the First Methodist Church and the board of directors of the Muleshoe Area United Fund. He has assisted in Boy Scout financial drives and Red Cross campaigns.

A native of Watonga, Okla., Albertson moved to Texas and has been associated with Cobbs since 1953. He and his wife Joyce reside at 506 Austin Street. Their son Gary is a 1963 graduate of See **PRESIDENT**, Page 7

MANY BUYERS

75 Tons of Tomatoes Roll Out Weekly In Muleshoe Area Tomato Harvest

Independent truckers and broker agents from four states and numerous cities and several canning companies are coming for and moving out with as much as 75 tons per week of Muleshoe vine-ripened tomatoes. As much as 200,000 pounds of tomatoes were moved out of one field of the 400 acres now in full tomato harvest.

Probably the largest buyer this year, new to the area, is Western Produce Company of Texas, a newly formed company with its parent company the Western Canning Company, La Junta, Colo. E von DeVaney, fieldman and buyer for the company in this area, said the "most of our tomatoes are being used for tomato catsup and tomato juice, as the small, thick and meaty ripers are perfect for this canning."

Also in the market here are buyers from Rotan and Rotel Canning Company, Plainview, who have been here several years. The bulk of the buyers of local tomatoes are from Arkansas, with independent truckers and brokers buying for canning purposes in such spots as Lawton, Oklahoma City, with green and pinks, being shipped to Dallas, Houston, Athens, Nocona, Fort Worth, Oklahoma City and Colorado markets. Even a long-distance telephone call came to the county agent's office from Hattisburg, Miss., regarding the market here. See **TOMATOES**, Page 7

MULESHOE 'MATTERS MASH TRUCK — A truck loaded with "those round, those firm, those fully packed" Muleshoe tomatoes overturned with some 585 boxes of tomatoes when it had a slight mishap Wednesday afternoon. The luscious products of

Muleshoe truck-farmers were enroute to Plainview from Progress community. Other tomatoes from some 400 acres in the Muleshoe area are being shipped to markets in Colorado, Oklahoma, Arkansas, and other Texas points. (Journal Photo & Engraving)

Mr. and Mrs. Ronald Spies

Marriage Vows Exchanged By Ronda Rippee, Ronald Spies In Portales

Miss Ronda Zell Rippee, Portales, became the bride of Ronald Eugene Spies in a double ring ceremony at the Portales First Baptist Church at 7:30 p. m. Thursday, September 26. The Rev. M. C. Conner read the service before an archway of greenery entwined with white gladiolus and tied with large, yellow satin bows. Candelabras, baskets of gladiolus and ferns formed a bank on either side of the archway.

The bride is the daughter of Mrs. Mozelle Rippee and the late Ronald Rippee, Portales. Spies is the son of Mrs. Joe Carroll, Muleshoe.

Given in marriage by a close friend, John T. McGee, Elida, N. M., the bride wore a gown of satin with sprays of re-embroidered Alencon lace enhancing the bodice and the skirt. The bodice was designed with a scoop neckline with elbow length sleeves. The full skirt swept into a chapel train. Her veil of silk illusion was held by a circular crown of seed pearls. She wore a single strand of pearls, a gift from the bridegroom, and carried a bouquet of yellow roses atop a white Bible. Her something old was her mother's rings given to her by her late father; something new was her pearls, something borrowed was her veil and something blue was a blue garter.

Matron of honor was Mrs. Faye Vincent, sister of the bridegroom. Betty McGee, Elida, N. M., was flower girl and candlelighters were Mrs. Cheryl Elliott and Miss Janie Johnson, both of Clovis, N. M. Mrs. Vincent wore a dress of yellow satin fashioned with a round neckline, elbowlength sleeves and a full skirt. Her headpiece was a small lace hat.

Miss Betty McGee wore a dress identical to that of the matron

First Christian Church Offers Well Developed Church Program

The First Christian Church, Second Street and West Ave. "G", in Muleshoe, is making every effort to present a full, well developed program, reaching every area of Christian life, as it seeks to uphold the doctrine, theology, the concerns of the local church and the Denomination known as Christian Church, or Disciples of Christ, of which the local church is an active, working member.

"As we move into the fall, a number of activities fill the calendar, as is true of every church group," Rev. David Branson said. An adult choir has just been organized, and is adding a great deal to the morning worship service," he said. Mrs. John Moore is church pianist.

A Junior Choir is also being organized, with Mrs. Pat Wagon as director.

An evening Youth Group has begun meeting and have selected Dale Bell as President of the group. The group plans a number of interesting studies and also fellowship.

"Of course Christian Education is an important part of the program of the church. Through our Church School is not large, we feel most fortunate to have an excellent staff of teachers under the able leadership of Mrs. T. R. White, Superintendent. Mrs. Ed Harper, Elaine Moore, Barbara

of gold and three-quarter length sleeves. She added brown patent accessories and wore a bouquet of yellow roses.

The bride attended Elida schools and is a 1963 graduate of Clovis High School. Spies is a 1960 graduate of Springlake High School and is employed by Wrinkle Welding and Machine. The couple will make their home here.

Americans stand a good chance of entertaining uninvited guests when the family is away, for a burglary occurs every 46 seconds in the United States, Federal Bureau of Investigation figures show.

QUEEN OF WEEK — Cecile Cunningham was named "Queen of Week" at the Thursday night meeting of Jenny TOPS Club. The group has been divided into two teams and at the end of October the losing team, the one with the most gained weight recorded, will be announced. The winning team will be guests for a salad supper with the losing team as hosts November 7. (Journal Engr.)

Billy Graham's Dramatic Film

Evangelist Billy Graham addresses the generation growing up in the shadow of the atomic cloud in his newest feature motion picture, "Touch of Brass," which premieres in Muleshoe, October 9, at 8 p.m. at the First Baptist Church.

Graham's producing organization, World Wide Pictures, took its sound-color cameras to the homes, factories, and places of amusement of Manchester, England, where the story of a working man's family actually took place. The dramatic cast was drawn from the locale itself, resulting in a ring of authenticity rarely seen on the motion picture screen. The film was directed by Dick Ross and runs the emotional gamut which includes something for every age group.

Scheduled with the dramatic feature is a Musical Featurette, "To God Be The Glory," which features the artistry and talents of the Billy Graham platform team: Cliff Barrows, song leader and master of ceremonies, George Beverly Shea, Internationally known soloist; Tedd Smith and Don Husted at the piano and organ, and voices of the Christianettes Choir.

A unique highlight is a "Sing Along" segment in which the audience participates as Cliff Barrows conducts.

The two motion pictures provide a full evening of inspiration and spiritual challenge blended in a most unusual manner.

The public is cordially invited to attend the Muleshoe premiere of this latest Billy Graham dramatic film, "Touch of Brass," according to the pastor, The Rev. Don Murray.

Local Church In Campaign To Reach Members

Announcement has been made by The Rev. J. Frank Peery, pastor of the First Methodist Church, that a campaign which will reach all members of the local congregation is now in progress.

Object of the campaign is twofold: to better acquaint the church members with the work of the Methodist denomination's World Service; and to give each one an opportunity to share regularly in humanitarian work around the world as well as to support his church in its own local and Conference responsibilities.

"This week, and the following two weeks," indicated the Rev. Mr. Peery, we will be mailing literature and letters to all of our membership. This is preliminary to "Victory Sunday" which we will observe in our church October 20 at the close of the third week. Following that, each of those members who were not able to be in church on Victory Sunday, will be called on at home by one of the numerous visitation teams which will be at work.

"In this manner we will reach our entire membership in this important campaign."

The Rev. Mr. Peery indicated that Methodists gave \$7,672,359.89 last year to the missionary and general benevolence work of the denomination around the world.

Two New Troops Organized Here

Two second grade Brownie Troops have been organized recently.

Bobbie Puttman is leader of one troop assisted by Martha Botkin. Girls who have signed up and will make up this troop are: Sharon Wrinkle, Sheryl Bair, Lequita Atwood, Kim Lee Cowan, Sheila Gail Ritchie, Lessa Gay Thomas, Jeanie Puttman, Vicki Stovall, Vicki McDaniel, Jeanie Woodwall and Donna Lambert.

They will meet on Monday afternoon.

Committee mothers are: Mrs. Norman Thomas, telephone and transportation; Mrs. Beth Blair, Troop mother; Mrs. Harold Cowan, program chairman; and Mrs. Roy Wrinkle, outdoor chairman.

Eddie Mae Weeks is leader of another new Brownie Troop with Norma Clodfelter as her assistant.

Brownies are: Kim Clodfelter, Susan Head, Joan Cowan, Helen Jean McKinzy, Brenda St Clair, Brenda Lee, Becky Ramm, Vanita Throckmorton, Brenda Weeks, Gala Hooten and Kim Milner.

This troop meets on Monday afternoon.

Committee mothers are: Mrs. Fred Ramm, telephone and transportation; Mrs. Robert Hooten, Troop mother; Mrs. Marshall Head, program chairman; and Mrs. Frank Lee, outdoor chairman.

Wear fine jewelry—colored stones, especially—and be lovelier, says today's fashion news. Shown here is a pin and ring ensemble executed in platinum and ornamented with diamonds. Featured in the settings are Linde Stars in soft, cornflower blue. This ensemble will be on view, beginning Oct. 5, in an exhibit of gems, watches, and china sponsored by the Texas Jewelers' Association at the State Fair of Texas in Dallas. The display will be in the Woman's Building at the Fair.

Mrs. Julian Hosts Hobby Club Meet

Ethel Julian was hostess Tuesday afternoon for the meeting of Muleshoe Hobby Club. Jewell Strong assisted her with hostess duties.

Hobby crafts were shown which included four Horns of Plenty, chrysalis frames, Pixie dolls, clowns, hat covers and Christmas wreaths made of pine cones and sequins.

The hostess gift was drawn by Mrs. Alexander. A round table discussion of "What the Club Has Meant to Me" was conducted.

Attending were: Mae Adkins, Ruth Bass, Allie Briscoe, Frances Bruns, Dora Phipps, Mabel Caldwell, Zula Carlisle, Gertrude Kirk, Estalee Criswell, Verna Dement, Pearl Smith, Eva Dell Gillis, Ethel Harding, Virgie Harding, Ola B. Jones, Lous Matthews and Myrtle Chambliss. Two visitors also attended. They were Mrs. Alexander and Mrs. J. E. Day.

Mrs. Criswell and Mrs. Chambliss will be hostesses for the October 15 meeting.

SHOP MULESHOE FIRST!

spirit poster committees and each make a poster which appeared in the halls of the school Thursday morning. The purpose of the posters are to create more school spirit.

They also voted to add spirit by following the cheerleaders, football boys and band down the halls before Friday's pep rally.

The Spirit Club makes all efforts possible to create more spirit before each football game to back the Muleshoe Mules.

Davis Is Guest Speaker For ESA

Chamber of Commerce manager, Roy Davis, was guest speaker at the meeting of Epsilon Sigma Alpha sorority held Tuesday evening in the home of Mrs. John Young. Davis spoke on the United Fund subject, explaining the benefits and the goal.

Members attending were: Mrs. Robert Alford, Mrs. Bo Bryant, Mrs. Elvon DeVaney, Mrs. H. A. Douglass, Mrs. John Charles Gilbreath, Mrs. Fred Johnson, Mrs. Charles Lewis, Mrs. Ernest Martin, Mrs. Ray Santos, Mrs. Tom Small, Mrs. J. Pat Wagon, Mrs. Herman White, and the hostess. Guests were: Mrs. Bob Bliss, Mrs. Jerry Gleason, Mrs. Roid Johnson, Mrs. Chester Yearby, Mrs. Don Seales, Mrs. Louis Powers and Mrs. Wayne Wash.

The sorority will sponsor a "Harvest Swing" on October 18.

Troop 287 Plans Bicycle Trip

Plans are being made by patrols of Girl Scout Troop 287 for an overnight camping trip and a bicycle trip to the sandhills.

At their meeting Tuesday afternoon, the Scouts made invitations for their parents for the appreciation tea and open house at the Girl Scout Little House.

Wellborn's Beauty Shop

101 Ave. J Phone 3-4040

MISS DEB

... answers questions about Junior Miss etiquette, grooming and interests.

Q. A friend of mine has telephoneitis. She keeps me on the phone for hours at a time and my family is wild. How can I cut it short without cutting off her friendship?

A. A telephone is definitely a family affair. Hour-long chats rate zero in the family popularity poll. If your pal is wound up for a long session, plunge in at the first comma, make a date to see her soon (like tomorrow after school) and tell her you really want to talk about it then.

Q. Does baby sitting include K. P.? One of my "clients" always leaves a sink full of dirty dishes — even tells me to mop up the floor. Since there are three active children I think I have enough to do just "sitting." Do I have the right to say no?

A. Yes. Settle the chore question before you accept the next assignment. Your client should tell you what chores she expects you to do aside from caring for the children. If you don't mind — and many girls don't — fine. If you do — or

if you feel it interferes with your primary responsibility of supervising the children — parents will appreciate your being frank about it. Of course, as an employee you always have the right to accept or refuse a baby sitting assignment.

Q. My mirror tells me my figure isn't too bad, but I do have a tendency to slump. I try to remember to square my shoulders, but as soon as I stop thinking about it, my shoulders begin to droop.

A. What you need is a sticky reminder. While you assume your very best prom-queen posture, have your mother put a strip of adhesive tape across your back from shoulder to shoulder. Every time you start to droop, a gentle tug from the tape will remind you to keep 'em square.

(For answers to other questions on grooming, beauty and baby sitting write for your free-in-one guidebook "Sitting Beauty" Send 25 cents, plus 10 cents for handling to: "Sitting Beauty," Box 551-P Kimberly-Clark Corporation, Neenah, Wisconsin.)

Businessmen Are Guests of Barnetts

Don Barnett and Dr. Fred Struthers, Neosho, Mo. have been guests in the home of Barnett's parents, Mr. and Mrs. C. A. Barnett.

The men were enroute to Alamogordo to attend funeral service of a friend.

Don is manager of the Neosho Chamber of Commerce and Dr. Struthers is to be Dean of Crowder College.

Crowder college is for two counties, Newton and McDonald, located in southwest Missouri. Classes are scheduled to begin in September 1964. It is being erected on the site of Fort Crowder which trained troops in the Korean War and World War II. Land on the post will also be used for an airport and a county nursing home, and industrial park and county camping and recreational facility.

Team Entertains Contest Winners

Team play in bridge and golf concluded Wednesday and the winning team was entertained by the losing team during the Ladies Play Day meeting.

The winning team was captained by Marie White with Ruby Hart as captain of the losing team.

Ida Ruth Holt won high in bridge play for the afternoon with Tiny Forbes taking second.

New team captains were appointed for the next series on contests. They are Lois Lenuu and Johanna Green.

John Thompson Soph. President

The sophomore class of Muleshoe High School announced Friday the election of class officers.

John Thompson is president of the sophomore class; Charles Murray, vice-president; Judy Burge, secretary-treasurer; and Judy Elliott, reporter. Sponsors of the class are Paul Durham, Louis Powers, and Tom Adamson.

More than 800,000 persons — 40 per cent of them children under 5 — are accidentally poisoned every year in this country, according to a U. S. National Health survey.

NEW OFFICERS ANNOUNCED — The nominating committee of the Farm Bureau Women's Committee submitted names for the election of new officers at the Thursday luncheon and meeting held in Needmore Community Center. Those elected were: Mrs. Elvon DeVaney, secretary; Mrs. Vera Engleking, publicity; Mrs. Ed Little, co-chairman; Mrs. Jack Schuster, chairman and Mrs. W. B. Kittrell, legislative chairman. Mrs. Morris McKillip is retiring chairman of the group. (Journal Photo & Engraving)

An outstanding cast will be featured in "How To Succeed In Business Without Really Trying," the award-winning musical to be presented in Dallas Oct. 4-20 during the 1963 State Fair of Texas. Pictured here, left to right, are Willard Waterman, Maureen Arthur, Dyan Cannon and Dick Kallman. Waterman was "The Great Gildersleeve" on radio and TV.

A Stephen Foster Memorial, honoring the composer, is located in North Florida on the Suwannee River, which Foster immortalized in song.

BILL WEDEMEYER
Bill Wedemeyer Is Luncheon Speaker

Needmore Community Center was the scene of the annual Farm Bureau covered dish luncheon Thursday at 1 p.m.

Bill Wedemeyer, a Texas Farm Bureau Research and Education representative, was guest speaker. His subject was "The Eyes of Texas Farm Bureau Are Upon Bailey County Farm Bureau Women's Committee." He also touched on the topic "Ownership of Rural Electric Cooperatives."

Wedemeyer said that the women of Bailey County were attracting much attention for the good work they have done during the past year and that other women over the state are now starting to follow their steps toward organizing an active Farm Bureau Women's Committee in their counties, one which is underway on a smaller scale in Gaines County. The Muleshoe Committee has spent time helping to organize the Gaines women. "The men in Farm Bureau are quite active in crop prices, gas, and other vital matters, however, the women are touching corners and dealing with other matters and subjects which the men do not have time to consider and work toward," Wedemeyer said. He also praised the group for their many accomplishments during 1963 and for their repositioned program of work for 1964.

An estimated 4,167,000 live births were registered in this country last year, down 2.7 per cent from 1961, the Public Health Service reports.

In 1871 the Secretary of the Treasury was authorized to employ crews of experienced surfmen at coastal lifeboat stations at a maximum rate of \$40 a month.

A Fair Haired Boy Of the Film World

NEW YORK (AP)—Ahatole de Grunwald is the fair-haired boy of the film world today.

He did it with a simple, golden idea.

De Grunwald got the idea after a movie company spent \$40 million filming and beating the drums for "Cleopatra," starring Elizabeth Taylor and Richard Burton.

His idea: to make another picture using the same stars—but produce.

leaving out the Nile River and the asp—and costing \$36,750,000 less to produce.

There were no costly delays, no big rows. Anatole, an old hand at handling temperamental stars, brought the picture—"The V.I.P.s"—in on time—at its budgeted price of \$3,250,000, which includes a million dollars for Miss Taylor, now her standard fee for a film.

Capitalizing nicely on the interest stirred up by Cleopatra's ordeal, "The V.I.P.s" has proved an instant hit.

It is pure marshmallow fudge, featuring a group of assorted people waiting to make a delayed flight at a London airport.

Overshadowing a series of subplots involving Orson Welles, Margaret Rutherford and Rod Taylor, is the big issue: will Elizabeth Taylor fly away from her business tycoon-husband, Richard Burton, and start a new life with a ne'er-do-well society card sharp, Louis Jourdan?

Well, tears flow like glycerine all around the place before Elizabeth finally decides who really needs her most—her yearning husband or the weakling gambler.

But the real winner is producer De Grunwald. His glossily spun cinematic taffy is expected to gross \$16 million in America alone, up to \$25 million or more on the world market. Now all Hollywood doors are open to him.

How did he pull off his big coup?

"It wasn't easy," recalled Anatole, a soft-spoken, gray-haired man with the easy friendliness of an affable English sheep dog.

"It was difficult in that everybody in the world was offering them something, both Miss Taylor and Burton are choosy, and their business matters were terribly complicated.

"I wasn't worried about Miss Taylor's temperament. All I worried about was her health," De Grunwald said.

KICKOFF RETURN — Caught by Clifford Gray, Mule fullback, in the closing minutes of the Hereford-Muleshoe non-conference tilt Friday night. Gray moved the ball back to the Mule 35 yard line and the White faces came out on top of the pileup with a score of 13-0. (Journal Photo & Eng.)

Ten School Bus Drivers Receive Safety Awards of Merit Thursday

Neal B. Dillman, Superintendent of Muleshoe Independent School District here, presented ten Awards of Merit to as many school bus drivers Thursday.

The award program, sponsored and conducted by the Texas Safety Association and local school is designed to give public recognition to school bus drivers with accident-free records for the past school year.

Receiving Dillman's commendation as School Bus Drivers of the Year were: Wayne Holcomb, Georgia Jackson, Gene Davis, C. Wendel Speck, Mickey Hernandez, Rowena Watson, Elmer Smith and Louis King.

School Board Meets Monday

The October meeting of the Muleshoe Independent School Board will be held Monday night at 7:30 p.m., at the school administration office, Superintendent Neal Dillman said Saturday.

Scheduled for the agenda of business is the annual audit report, Dillman said.

The Cape buffalo is considered by many to be the most dangerous of all animals.

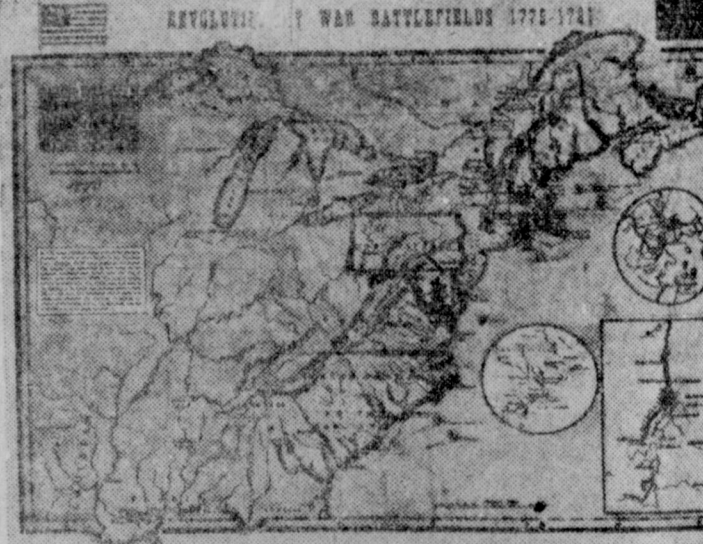

A young bird may eat more than its weight in food in a single day.

Birthday Party Honors Yeates

By MRS. ORAN REAVES

MAPLE — Mrs. Hugh Yeates honored her children, Mike and Camie Yeates with a birthday party Thursday, Sept. 26, in their home.

Ice cream and birthday cake were served to those present. They were Shelia Reaves, Welborn Cody, and Jessie Lackey. Mothers present were Mrs. Homer Lackey, Mrs. Harold Cody and Mrs. Oran Reaves.

Mr. and Mrs. Finis Baldrige, Morton, visited Thursday afternoon in the home of their daughter and son-in-law, Mr. and Mrs. Oran Reaves Jr.

Guests in the Harold Cody home Saturday afternoon were his brother and family of Bula.

Mr. and Mrs. Hugh Yeates and children spent from Friday until Sunday with his parents Mr. and Mrs. Yeates of Dickens. They also attended the Homecoming at Patton Springs.

Mr. and Mrs. Oran Reaves and Shelia visited Sunday in Idalou with her sister and husband Mr. and Mrs. D. C. Rainwater and her nephew and family Mr. and Mrs. W. L. Rainwater and Danny.

Mr. and Mrs. Wayne George are the proud parents of a baby boy born in Lubbock, Friday Sept. 27.

Mr. and Mrs. Oran Reaves Jr. spent Sunday night with Mr. and Mrs. Bailey Griffith, of Needmore.

Mr. and Mrs. V. L. Wall and boys visited in the Oran Reaves home Monday night.

IN TORCH RELAY — Seven South Plains College track men carried the torch Thursday along with seven trackmen from Lubbock Christian College, from Vega to Texola, a distance of 143 miles on Route 66. From left to right, SPC track men are: standing, Terry Darling, Lab-bu-die; C. H. Underwood, O'Brien; Bob Guejardo, White-face; Jimmy Johnston, O'Brien; Bottom row, from left to right, are: Ray Colderan, Seminole, Virgil Judy, Jayton; and J. Harvey Scott, Robstown. (Journal Engraving)

FRANKLY SPEAKING

By REV. J. FRANK PEERY

WHEN IS ADULTHOOD?

The Apostle Paul said, "When I became a man I gave up childish ways." (1 Corinthians 13:11). The statement by Paul made and written under inspiration of God has several high-level implications. Beyond the meaning comes a basic question, When does one today step over the line into adulthood?

In our society, it is not easy to move from childhood to adulthood. When one puts away childish ways, what are the adult ways he assumes in their place? Most older youth face the problem of leaving home and becoming independent of their parents' guidance. Some will be away in college or taking up some form of vocational training; others will be entering military service; a percentage will be in the marriage status; all will of necessity have to take on an adult role.

A boy can become an adult in one jump on Pentecost Island in the South Pacific. He climbs a tower up to ninety feet high and dives head first. Before diving he fastens to his ankle a vine that is just long enough to break his fall before he hits the ground. In this ritualistic act he moves from boyhood into adulthood. Before climbing the tower he has thought of himself as a child, and his parents and the community have treated him as a child. After proving himself by risking death in this jump, he feels like a man and others treat him that way. While he is climbing the tower his watching mother holds

a doll, a symbol of her child. When he jumps, she smashes the doll on the ground. The "apron strings" are broken.

It takes time to grow from childhood to adulthood. Adolescence is a span of some ten years. During this time a person is treated partly as an adult and partly as a child. We have mother's "little man" — how wonderful, or "you blind, stupid, stubborn kid" — how dumb. Status becomes uncertain. For example, in some places a parent will give a twelve-year-old child the adult privilege of driving a car, but the auto insurance companies will not treat him like a responsible adult until he is twenty-one. When a young man is eighteen, he is required to register for Selective Service and is considered adult; but in most states, he is not old enough to vote. The biologist says one is adult when he has reached full size and strength. The sociologist would say one is adult when he has made major commitments in marriage, vocation, habits and religion.

Frankly Speaking — One may be forty-five years old and still a child. One may be seventeen years old and act like an adult. An adult is one who has the ability to make good independent decisions, to accept and carry out the responsibilities that are part of American freedom, to see life whole in its breadth and its length and relate each part to the rest; to turn to God and recognize the Power, Spirit, and Strength that flows into life. By the way, how

How Do Billions Flow Out of United States?

Editor's Note: The many holes in the United States' pockets through which dollars slip abroad are listed in this second of five articles by Sam Dawson, Associated Press business news analyst, on the balance of payments problem.

By **SAM DAWSON**
AP Business News Analyst

NEW YORK (AP)—Uncle Sam is financially embarrassed in his dealings with the rest of the world because for several years he's been sending more dollars abroad than he has been getting back. And yet his exports of goods and services exceed his imports by around \$4 billion a year.

Some of the cause of the deficit lies in government policies. But not all of it. How then do all these billions of dollars flow out of the country?

First there are commercial imports, now costing around \$16.8 billion a year, four per cent higher than a year ago.

heeled individuals with idle cash have been sending dollars to Europe for short-term securities paying higher interest than obtainable here. This outflow is called hot money.

And whenever there's much talk about the dollar being under pressure because of the balance of payments deficit, some speculators send their dollars abroad to buy gold or securities or for deposit in banks.

First Loss Is Dealt Freshmen By Plainview

The Muleshoe Freshmen football team lost their first game. Away from home Thursday night the score was 14 to 6 in favor of Estacado in Plainview.

Muleshoe fumbled on their own 30 on the first play and five plays later Plainview scored and ran for two extra points. Early in the second period Plainview recovered another Muleshoe fumble and scored a few plays later, making the score 14-0 at half-time.

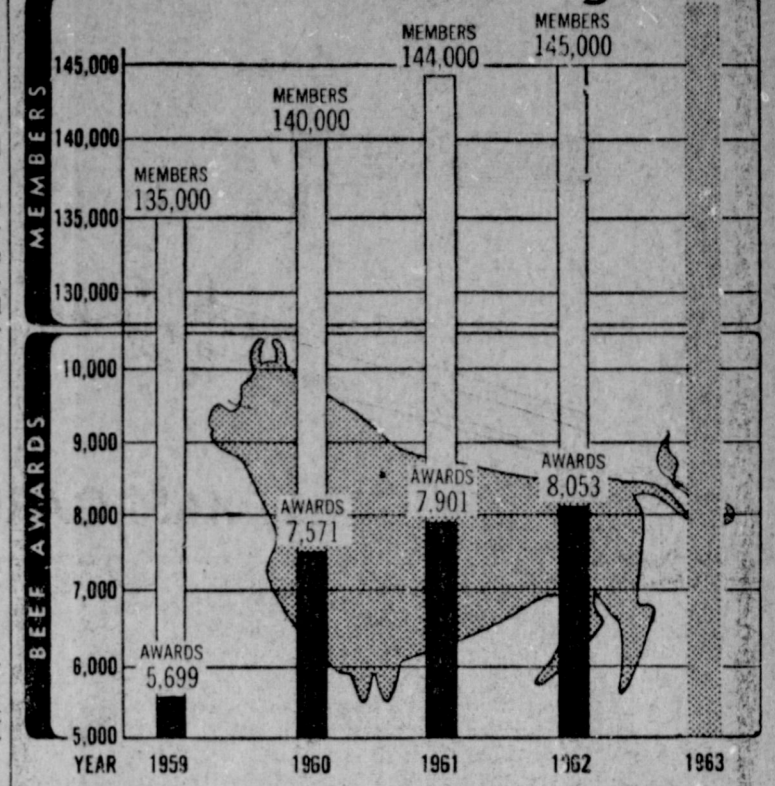

Muleshoe came back at the half, taking the ball on their first series and marching 70 yards before losing, the ball on a fumble inside Plainview's 15 yard line. Muleshoe then took the ball after holding on defense and scored early in the fourth period, with Trapp doing the scoring. The point after was no good.

Muleshoe had an opportunity to score again late in the ballgame but again fumbled. Final score was 14 to 6.

This is the first lost game, with the record previously holding up three wins.

The Fresh team moves to Morton next Thursday, with the kickoff scheduled at 6 o'clock.

5th ANNIVERSARY 4-H Beef Program

The 1963 National 4-H Club Congress and the International Live Stock Show the first week in December are destined to be once-in-a-lifetime experiences for a 4-H beef project winner.

An all-expense trip to Chicago awaits the state's top prize winner. The boy or girl also will be considered for one of six \$500 college scholarships presented to the highest ranking 4-H beef cattle producers in the nation.

This year marks the 5th anniversary of the beef program sponsorship by E. I. du Pont de Nemours & Company. During the last five years participation and awards won by 4-H'ers have increased markedly.

Extension Supervised
Supervised by the Cooperative Extension Service, the program in 1962 attracted more than 145,000 boys and girls in nearly every state compared to

about 135,000 in 1959. Enrollment is expected to show another increase when the 1963 figures are compiled.

Chance to Learn
The beef program offers 4-H'ers opportunities to learn and apply latest methods of breeding, feeding and marketing. Much of the original research and testing were done by the agricultural experiment stations.

The youths also practice judging, fitting and showing of animals, and demonstrate various aspects of livestock production and management.

Awards Not Easy
Progress reports, personal development and service to the community are considered when 4-H award winners are selected. Three girls and 21 boys already have claimed scholarships and next December six more youths will join this elite group.

SENATOR RALPH W. YARBOROUGH of Texas, right, confers on veterans legislation, the nuclear test ban treaty and other current issues with the National Commander of the American Legion, Dan Foley of Minnesota. Senator Yarborough, a veteran of World War II, Legionnaire and chairman of the important Senate Veterans Affairs Subcommittee, pledged to support pending veterans' bills which are backed by the American Legion. The American Legion supported ratification of the test ban treaty which Senator Yarborough also supported and which passed the Senate 80-19. (This photo was made in the Senate Reception Room, with a figure of former U. S. Vice President John Nance Garner of Texas in the background.)

Three characters from the pages of Texas history—Sam Houston, Davy Crockett and Ben Thompson—appear "like real" in wax reproductions (shown above, left to right) in wax reproductions (shown above, left to right) at the brand-new Southwestern Historical Wax Museum in the Varied Industries Building at the 1963 State Fair of Texas, October 5 through 20 in Dallas. Beginning with Stephen F. Austin, famous personalities down through Vice President Lyndon B. Johnson are portrayed in the 76 figures staged in 26 elaborate scenes of stirring historical events. The air-conditioned museum is a new permanent attraction at State Fair Park.

Health And Safety Tips For Winter

The fall and winter seasons are gaining rapidly in popularity as a vacation time. Hundreds of thousands of Americans are busy right now planning for a trip abroad. They know they can miss the busy tourist seasons in other lands; they may be able to save money through off-season rates on planes and ships and in hotels.

If you're planning a fall vacation, keep in mind a few pointers that will help to insure that your trip is a pleasant, healthy journey.

Depending on where you are going, you probably will need some vaccination shots. Smallpox vaccination within the last three years is required for re-entry into the U. S. With your passport application you get a form for your international certificate of vaccination. It will save red tape snarls, and possibly severe illness, if you follow the rules on this form. Ask your doctor whether you'll need any other shots, such as typhoid.

And while you're getting your shots, ask your doctor to give you a general physical checkup. If you take regular medications, make sure of your supply while away from home. Medications for motion sickness and intestinal disorders also can help avoid considerable discomfort.

Check up on what to expect

Teams Win Over Springlake, Will Play Morton Here

Muleshoe seventh and eighth grade football teams were both victorious over Springlake's from the climate, and select your travel wardrobe accordingly. Be sure to include good walking shoes.

In many countries the local water supplies are perfectly safe, but in others the water teems with dangerous germs. Don't take the water for granted. Find out if it's safe. If not, stick to bottled water or drinks. When in doubt about foods, avoid raw fruits and vegetables, unless you can wash and peel them yourself. Cook everything else.

If you wear glasses, take along an extra pair. Or at least a copy of your prescription.

A fall or winter vacation can be fun and rewarding. Don't let your trip be spoiled by careless disregard of common health safety rules.

Teams Win Over Springlake, Will Play Morton Here

The seventh grade won by a score of 16-0 with Clyde Holmes making both touchdowns. Bobby Julian scored both touchdowns with Stan Johnson making the extra points when the eighth grade team won their game, 14-0.

In play this week, the seventh grade team lost to Plainview East-tacado to the tune of 8-0.

In turn, the eighth grade won their game with Plainview with a total score of 22-0.

In this game, Bobby Julian made two touchdowns and Robert Vela made the third touchdown for Muleshoe. Extra points were scored by Johnny Embry and Stan Johnson.

Coach Bob Graves said the players outstanding on defense were Bobby Lewis, Stan Johnson, Steve Oliver and Bobby Julian.

Next games for these teams will be Tuesday, October 8 and will be played here with Morton. Game time will be 6 p.m. for the seventh grade and 7 p.m. for the eighth grade game.

SCOGGINS WITH TOP GRAINS — On Thursday's Fine Crop Tour, Louis Scoggins exhibited to some 25 visitors the two maximum yield grain sorghums which are being experimentally grown on his farm. Northrup King 310 and Pioneer 820, on right, are estimated to make better than 8,000 pounds per acre, according to Soil Conservation Service and Extension Service authorities. (John Photo & Engraving)

Law Offenders Docketed Here

Action this week in the law enforcement field included one man jailed for the second time in four days on possession of liquor; one filed on for three worthless checks, and two shop lifters being charged with felony thefts, plus two traffic violations.

County Judge Glenn Williams Thursday fined one man \$100 plus \$26.85 court costs, or jail, after his Wednesday arrest by Sheriff's officials, State Highway Patrolmen James Freeman, Deputy John Moore, and Chief of Police Carl Neeley. The man had pleaded guilty last Saturday to the same complaint of "possession of intoxicating liquor". Sheriff Dee Clements found vodka, wine, beer and whisky in his possession

Saturday and he paid \$200 plus costs then. Wednesday he was found with more wine on his place three and a half miles west on the Covis Highway. He was still held in jail Friday, pending payment of the second fine.

In other action, County Attorney Roger Gorrell Friday morning filed felony theft charges on Edgar O'Mary and Benny Bass, shoplifters. The shoplifters were located in Littlefield where they are awaiting charges there for the same. They will be brought to Muleshoe after charges are filed there. Both men, one 60 and one age 67, have a long record of shop lifting, Clements said. They were found with some \$55 merchandise from Cobbs and \$15 from the Ben Franklin Store here in their possession.

One subject is presently held by Clovis Sheriff's officials for extradition to Lubbock Sheriff's office. When he signs waiver Mon-

day, he will go to Lubbock where five charges await him. Muleshoe Sheriff's officials have placed a hold on him, with charges filed here for three worthless checks.

Justice of Peace Joe Vaughn had two violations reported by the State Highway Patrol, one for no driver's license and one for disregarding a stop sign.

Deputies John Moore and Garland Freeman spent Friday night investigating a Latin-American family disturbance complaint at Maple.

Taxpayers--

(Continued from page 1)
real property (land value); \$3,245,870, personal property; and \$10,248,690 the value of improvements. Improvements, including those on houses, barns, and irrigation wells, jumped up \$21,071.88 from 1962's figures.

Murrell Brown, business manager of the school district, said that the increase shown in personal property taxes, \$1,027,290 from last year, was due also to concentrated studies in inventory of personal property, such as livestock, cars, truck, and farm equipment assets.

The school tax is based on the rate of \$1.60 on an evaluation of \$100, based 33.1-3 percent of actual value of land and improvements.

Increase for the city total tax roll is \$3,066.65 over last year, with the total tax bill from the city set at \$99,238.39, according to Harold Wyr, City Tax Assessor and Collector. Figures on evaluation for the last five years are 1958, \$6,148,430; 1959, \$6,761,972; 1960, \$7,351,894; 1961, \$8,337,690; 1962, \$8,742,860; 1963, \$9,021,000.

The city tax rate if \$1.10 per \$100 valuation which has been the rate since 1958 except for low rate of \$1.00 per \$100 being used in 1961.

"In 1959 the Harvey, Gatlin, McCain and Richland Hills additions were annexed to the city limits, adding some \$7,000 revenue to the city rolls," Wyr said. He added that the next annexation program of consequence was in 1961 when surrounding acreage was taken in.

"But the improvements of property by building shows up in the increases in 1962 and 1963, rather than more annexation of land. The gradual but steady growth within the city limits of Muleshoe is heightened by new business and residential building, adding to the improvements of the land evaluation this year," Wyr concluded.

President--

(Continued from page 1)
Muleshoe High School and this fall became a freshman pre-med student at Southwestern State College, Weatherford, Okla.

In commenting on his election by fellow chamber members, Albertson said: "I feel very honored indeed by the election and hope to do as much good work as has been done in the past. The cooperation of all members — both new and old — will be the greatest asset in manning this post. I know that each of us will work toward furthering the growth of the Muleshoe area — learning from the past, working toward the future development of this fine area."

The new president will be assisted by an able slate of officers in his work in 1964. They are Charles G. Lewis, local dentist, vice-president, and retiring president Bobby Airhart, treasurer. 1964 directors will include Boone Allison, manager of Progress Gin; Earl Richards, manager of Muleshoe Cooperative Gin; Horace Hutton, farmer; and Stan Barrett, owner of Barrett Produce Company.

Carry-over directors include: Harmon Elliott, Spencer Beavers, Dr. W. F. Birdsong, John Smith, M. E. Simmons and Truman Lindsey.

Before the first of the year and assuming office, coordinating with the present president, Albertson will set out a program of work for the coming year for the board of directors approval. He will appoint this committee, then work will begin to organize committees to carry out the recommended program and finally, the budget needed for the new program will be established, so that upon installation the new set of officers and committee heads will proceed, post haste.

A baby is born in the United States every seven and one-half seconds and a death occurs every 19 seconds.

Rites Conducted For J. F. Whitson

Funeral services for Jess Frank Whitson, 75, were held at 2 p.m. Saturday in the First Methodist Church. Partis Ribble, Anna Street Church of Christ, Amarillo, and the Rev. J. Frank Peery, officiated.

Whitson died Thursday, October 3, in Veterans Administration Hospital, Amarillo.

A retired farmer, Whitson moved to Muleshoe in 1947 from Delta City, Miss. He was born there August 24, 1888 and was a member of the Methodist Church and the American Legion. He was a World War I veteran.

Survivors are his wife, Mary; one son, James Whitson, Muleshoe; two daughters, Mrs. Nattie Lee Bradstreet, and Mrs. Linda Cox, Amarillo. Two grandchildren also survive him.

Burial was in Bailey County Memorial Park under direction of Singleton Funeral Home.

The growing demand for beef in the U. S. will require that the number of beef cattle be increased at the rate of 5 per cent annually for the next 7 years. The USDA estimates that we will have to have 14 million additional acres of grazing annually to produce this number of cattle.

This fall you'll compliment your hostess by "dressing" for dinner. From left to right are pictured three fashion highlights of the seventh annual Sewing Fashion Festival with its exciting preview of 35 new fall fashions shown daily at the 1963 State Fair of Texas in Dallas, October 5 through 20. At the left is shown an over dress of Gotschalk Brocade lined with American Silk Mills Peau d'Ore topping slim tapered pants of Cantoni Velveteen made from Vogue Pattern #1220. The soft shaping and the wide curving of the neckline are news. Pictured in the center is a design which brings into focus the new sportive look for evening wear; the skirt, blouse and pull-over ensemble. Made from McCall's Pattern #7069, the skirt of Kaplan's Mohair Loop in turquoise is topped by an aqua silk blouse with Glade Green overblouse of velveteen. On the right, Butterick Pattern #3488 fashions a patio dress with Empire waist and flowing skirt made of Rosewood's Pussy Willow in a flower garden print.

House Judiciary Committee Expected To Offer Tough Civil Rights Program

By WES HAYDEN

WASHINGTON, D. C. — The civil rights bill which eventually emerges from the House Judiciary Committee will in all likelihood be considerably tougher and more far reaching in scope even than that originally proposed by the Administration.

And it can correctly be said that this development is to a significant degree linked to the recent flare up of racial violence in Alabama.

Whether the Birmingham bomb-

ings are regarded as a justification or merely an excuse by those responsible for leading the measure with drastic new provisions is an assessment which depends mostly on the source from which it comes.

Judiciary Chairman Emanuel Celler (D-NY), who also heads the subcommittee currently working on the measure, is espousing the additional provisions as demonstrably needed and likely of adoption in light of the Alabama

situation.

At least on the surface that view is supported by the Democratic majority on the subcommittee which has a built-in 7-4 edge in favor of the Administration.

Both the justification and the motives for claiming it are, on the other hand, being bluntly disputed by a GOP member of the subcommittee who accuses the Democrats of "playing politics" with the bill with no honest intention of trying to fashion a workable piece of legislation.

That charge comes from Rep. William Cramer (R-Fla.) one of the two Southerners on the 11-man group (Rep. Jack Brooks, a Texas Democrat is the other).

Cramer's claim is that the real purpose of the additions is to make the bill so drastic that Republicans and Dixie conservatives on the Democratic side will be forced to oppose it and then can be charged with responsibility for killing the bill.

Implicit in that it is his feeling this would be used as a weapon against both groups in the 1964 election as part of the Administration's effort to elect not only Democrats but liberals in that party more inclined to Kennedy views than some of the incumbents.

Regardless of the reasons, however, the fact remains the subcommittee has adopted some sweeping changes which would give the White House and Justice Department almost unlimited authority in the racial field to deal with claims of virtually every conceivable sort of discrimination claim.

One of the changes, for instance, would let them act on voter discrimination claims in state and local as well as federal elections. Another would widen the injunctive authority of the Attorney General to include almost any racial case imaginable, and a third addition is a stiff new Fair Employment Practice Commission (FEPC) section not covered in the Administration's original package.

Yet another change would outlaw verbal literacy tests used by some states as a basis for voter eligibility, a provision which Cramer insists would disenfranchise thousands of whites as well as Negroes now eligible to vote despite inability to read or write, but who had been able to pass the verbal test.

One possible effect of the additions could be to make the eventual showdown on the rights legislation an all-or-nothing proposition and not amenable to any compromise.

And that possibility is strengthened by the emotional situation created by the Birmingham events.

The chances seem no longer, nearly so good for any middle-of-the-road approach.

There had, prior to Birmingham, been considerably cloak-room cooking under which conservatives would go along with the Administration's tax bill in return for civil rights legislation

What They Wore... by PHYLLIS JOYCE

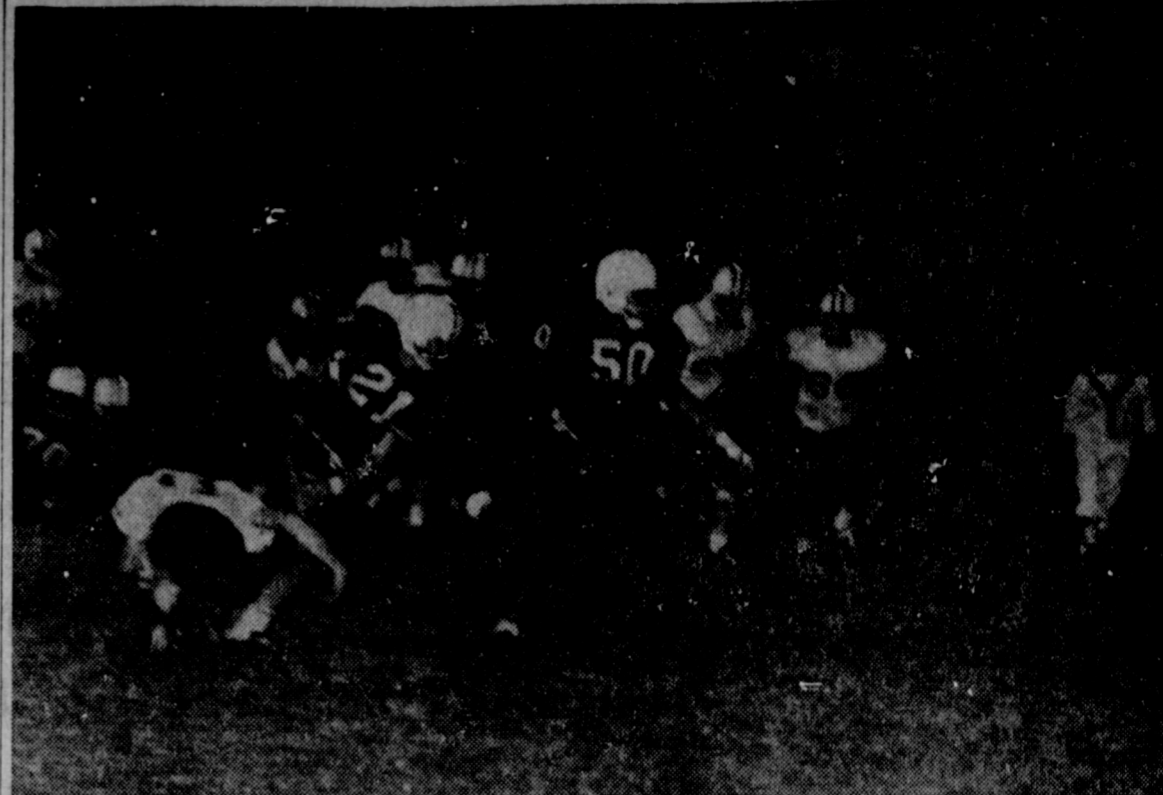

IN THE SIXTH CENTURY A.D. WHEN EMPEROR JUSTINIAN RULED THE ANCIENT KINGDOM OF BYZANTIUM WOMEN WORE COSTUMES REVEALING BOTH GRECO-ROMAN AND ORIENTAL INFLUENCE. OVER A STRAIGHT TUNIC WITH LONG SLEEVES A ROYAL LADY WOULD WEAR A LARGE MANTLE TRIMMED WITH JEWELLED EMBROIDERY AND FASTENED AT THE SHOULDERS WITH A JEWELLED FIBULA OR CLASP.

OFTEN THE ORIENTAL INFLUENCE WAS MORE PRONOUNCED; A KIMONA-LIKE UNDERGARMENT (SHOWN AT RIGHT) OF DAMASK OR HEAVY SILK WAS COVERED BY A RICHLY PATTERNED SLEEVELESS OVERGARMENT.

IN THE DRESS OF THE BYZANTINE COMMONER THE GRECO-ROMAN INFLUENCE WAS APPARENT; A PALLA OR TOGA WITH A DECORATED BORDER WAS WORN OVER A LONG SLEEVED GARMENT RESEMBLING A ROMAN STOLA.

TODAY WHEN BUYING WOMEN'S AND GIRLS' APPAREL LOOK FOR THIS LABEL... THE SYMBOL OF DECENTY, FAIR LABOR STANDARDS AND THE AMERICAN WAY OF LIFE.

RUN SCOTT, RUN! — Scott Oliver, Mule halfback and No. 21, carried the pigskin in Hereford territory back to the 25 yd. line in Friday night's non-conference game at Hereford. No. 50, Dick Pylant was clearing the way for him but Jim Higgins of the Whiteface team brought him to the ground. (Journal Photo & Engraving)

The average life span in India for males is from 32 to 45 years.

Some crabs camouflage themselves by "planting" small animals such as sponges, sea anemones and hedgehog hydroids on their backs.

A mole six inches long has been known to dig a tunnel 100 yards long in a single night.

In 1860, St. Louis was about 60 per cent foreign born. Most of the immigrants who settled there were from Germany and Ireland.

SCHOOL LUNCHROOM MAMS — These women prepare the food daily for Muleshoe schoolchildren's cafeteria-style meals. At left are DeShazo staffers Mrs. Era Mae Thornton, Mrs. Marie Parker, Mrs. Myrtle Puckett, manager, Mrs. Lucy Wyatt, Miss Della Seales gather for an early-morning

session. Salad cook, Mrs. Vera Blair, at Richland Hills readies a case of lettuce in center picture. An important part of the program is the serving of food from hot steam tables, is shown at right with the high school-

junior high staff set for noon rush hour: Mrs. Jewel Blackwell, all-school supervisor; Mrs. Opal Pugh, Mrs. Alma Henley, Mrs. Retta Shipp, Mrs. Clara Jarnagin. (Journal Photos & Engravings)

IN MULESHOE SCHOOLS

Capable Women Prepare Those 5,000 School Lunches Weekly

In the next week school and community activities will point up the contributions of school feeding to the health and well-being of tomorrow's citizens. October 13-19 has been set as National School Lunch Week.

An inside look at Muleshoe schools' in preparation for the event is in order, so that everyone will recognize the efforts and achievements of local citizens who run the school cafeterias for some 1,100 pupils five days each week, nine months each year, for the Muleshoe Independent School District.

Mrs. Sam Blackwell — Jewell to her fellow-workers — is the capable supervisor of the Muleshoe lunchrooms, and has held the position since 1958.

"Most of our cooks are homemakers from rural areas and are interested in making our food as nearly "home cooked" as possible," Mrs. Blackwell said.

"We prepare all of our own mixes in each school — our special mixes are those for puddings, cakes and cakes as well as we make our own hot rolls and hamburger buns. Sometimes we even make the coney for hot dogs," she added.

Attesting to the excellence of the home-made products of Mrs. Blackwell and her staff, and to the commendation of Mrs. Audette Harkins, district lunch room supervisor, personal of the Farwell system came here "to get a few pointers" this past spring.

The lunch rooms' staffs include a cook responsible for the main dish, a pastry cook, a vegetable

cook and salads preparer.

At the high school Mrs. Alma Henley is lunch room manager, with Mrs. Clara Jarnagin, main dish cook; Mrs. Opal Pugh, pastry cook; Mrs. Retta Shipp, vegetable cook. Mrs. Vivian Veach, salad cook. This lunchroom serves approximately 300 pupils daily. This year new tables and lightweight plastic-bodied chairs with metal legs were added to the facilities.

Mrs. Myrtle Puckett is manager of the Mary DeShazo elementary school lunchroom, with Mrs. Lucy Wyatt, main dish cook; Mrs. Era Mae Thornton, pastry; Miss Della Seales, vegetable, and Mrs. Effie Dobbs, salad cook. They serve some 375 daily as well as prepare the food for the Hilltop School which is transported by school station wagon and served by pupils at the latter school.

The largest number of pupils, around 500, are fed in the Richland Hills elementary school lunchroom where Mrs. Ada Thompson is manager. She is assisted by Mrs. Gladys Herman and Mrs. Lois Moore, main dish cooks; Mrs. Ruby Murdock and Mrs. Euna Reed, pastry cooks; Mrs. Lois Shook and Mrs. Vera Blair, vegetable and salad cooks.

Each of the ladies report at 7:30 each morning and work until 3 in the afternoon, cleaning, preparing, serving, and preparing again for the next day's meals during those seven busy hours. Serving hours are from 12 noon until 12:30 p.m. at high school for senior and junior high pupils

and 11 until 12:30 in the elementary schools.

Type A lunches are served, which includes two ounces protein, 3-4 ounces fruit or vegetable, 1/2 pint milk, butter and bread. Mrs. Blackwell adds that the menus are planned to encourage each child to eat all foods and thus introduced to new foods. Seconds are usually allowed if the child returns with a clean plate, she said. Extra milk by the 1/2 pint is two cents; some large senior high boys drink 8 or 9 daily, it was noted.

Strict issues from the USDA government office in Lubbock include mainly staples as a regular contribution and others such as flour, cheese, rice, cornmeal, dried milk, dried eggs, as well as some shortening, some friers, turkeys and ground meat when in surplus at the district office. But much of the food served here is purchased from local merchants.

A word of appreciation and thanks is due as always for the cooperation of local grocers, Mrs. Blackwell announced for her staff.

Changes in menu plans occur when supplies are delayed, for even an hour delay in delivery of for example, the 300 pounds of chickens, and makes it necessary for menu substitutions for the 1,100 meals that day.

Facts of interest in the program is the nominal cost: 30 cents for first through third graders, 35 cents in fourth through 12th grades, and teachers 40 cents

TWO HUNDRED POUNDS OF POTATOES — Mrs. Lois Shook here fries 200 pounds of French fried potatoes for Richland Hills lunch Monday; son, manager, watching. Juicy burgers at Richland require Mrs. Lois at center at the same school, Mrs. Euna Reed places, while Mrs. Ruby Moore and Mrs. Gladys Herman to cook some 60 pounds of ground beef.

daily.

The lunch room managers and cooks, four each year from each system, attend a summer workshop in Lubbock with Dr. Mina Lamb, Home Economics professor at Texas Tech, the district supervisor, and other instructors in charge. New personnel are sent each year, in addition to review "We try to send new people each year. This year our only new employee is Mrs. Herman," Mrs. Blackwell said.

In addition the electric appliances, such as steam cookers, mixers, dishwashers, meat slicers, etc. enable the good cooks to serve the nourishing and bal-

anced lunches daily in Muleshoe. Congratulations to our school lunch room staffs. They do a grand job!

Lackeys Hold Family Reunion

By SHERYL STEVENS

PLEASANT VALLEY — Recent visitors in the W. D. Lackey home were: his sister, Mrs. Ray Greaser and son, Billy, Martinez, Arizona; Mr. and Mrs. Douglas Greaser and sons, Ricky, Bobby, and Paul, San Francisco, California; Mr. and Mrs. J. A. Lackey and son, Morton; Mr. Lackey's aunt, Mrs. Gladys Hackett; Mrs. J. H. Lackey and son, Jesse; another sister, Mrs. Bill McCagran, Levelland; and his brother and family, Mr. and Mrs. James Lackey, Ruidosa.

Sunday the group met at the Morton Community Building for a family reunion. Other relatives were also there.

Kelly Kenny returned home Thursday. Kelly had surgery on his elbow and has been in the West Texas Hospital at Lubbock.

Mrs. B. H. Porter has moved to Muleshoe.

Mr. and Mrs. Gerald Allison and son, Bobby; Mr. and Mrs. Oscar Allison and son, Sam; and Mr. and Mrs. Harold Allison, Veta, Carolyn, Freddy, Jack and James, went to Ft. Sumner Sunday to visit with the Wylie Grizzle family. Mrs. Grizzle's sister, Mrs. Gladys Patterson, Bakersville, California, was also there visiting.

The Pleasant Valley Social Club met Wednesday afternoon at 2:30 p.m. at the Community Building. Juanita Galyon was the hostess. Members present were: Eula Calhoun, Florine Platt, Vickie Hendricks, Betty Jackson, Gaynell

AQUEDUCT GETS USED

ROME (AP) — Part of modern Rome's water supply is still piped in over-ancient aqueducts that were built in the days of the Caesars.

Pitts, Lenora Wells, Claudine Embry, Beth Skipworth, Leona Harris, Ruth Holt and Dolores Duncan. One visitor, Mrs. Sue Reeves, was present. It was announced that the Farmers-Merchant dinner which was held last Tuesday in the Pleasant Valley Community Building was a success. A discussion was held on the anniversary dinner which will be in November. Juanita Galyon was appointed to check on the tickets for the anniversary dinner. Each member then told an embarrassing or funny moment which had happened to them recently. The meeting was then adjourned and watermelon was served as refreshments.

TIPS...

FROM THE OFFICE OF HOME DEMONSTRATION AGENT

BY JEAN MARTIN

How many of you dread the weekly ironing chore? Often we make it harder than it should be. After leaving the clothes in the dryer or on the line until they are bon edry, we spend a long time sprinkling them and wadding them in little balls to stuff in the clothes that could be saved by taking the ironing clothes out of the dryer or off the line while they are still damp. There would be fewer wrinkles to iron out if instead of wadding our clothes in wrinkled balls we folded the damp clothes and stacked them in the laundry basket.

Another reason you might be

especially tired after ironing is because you may walk several miles between the ironing board and the closets. A wise investment to save this walking is a portable iron on a stand to put by the ironing board to hang clothes on. If you don't want to buy it, well, get it with stamps.

Stop those ironing blues by watching favorite T.V. shows or listening to the radio and by saving that extra work.

TEACHERS' ALPHABET

ROME (AP) — Some of Italy's teachers' unions have some pretty snazzy-sounding name abbreviations. Just a few: SASMI, SNASE, SNSM and SNIA. They stand for Italian High School School Teachers Union, National High School Teachers Union.

Research has shown that hogs can gain 100 pounds of pork on about 400 pounds of feed when the temperature is 60 to 65 degrees. But the same hogs take over 1,000 pounds of feed to produce a hundred pounds of gain in 90-degree plus weather.

About two-thirds of the peas grown in the U. S. are eaten in canned form, as well as two-thirds of the sweet corn and three-fourths of the beets.

During 1962 nearly 12 million radios were sold in this country.

Announce Over 65 Insurance Plan

Charles M. Barry, Administrator for the Texas 65 Health Insurance Association reports growing enthusiasm in the state toward the over 65 health insurance plan. Texas 65 will offer two health insurance plans to all over with no medical questions asked and no physical examination required.

The first enrollment period for the Program will be Oct. 1-31. Legislation authorizing 65 was passed by the 58th Texas Legislature.

The Plan has the endorsement of Governor John Connally.

Insurance agents' training meetings are being conducted throughout the state currently to familiarize the men and women who will be offering the Plan for sale with its details.

Barry states that attendance at these meetings has surpassed all expectations.

"Indications are that the Texas insurance agents are vitally interested in helping make Texas 65 a great success. They see a tremendous opportunity of public service to their state through the Plan," he stated.

The nine founding companies of Texas 65 have now been joined by many more. Barry estimates over 50 companies will have signed up to underwrite the program by October 1. Several of these additional companies are domiciled in the east.

Barry listed the nine original companies as: American Hospital and Life Insurance Co.; Great American Reserve Insurance Co.; American National Life Insurance Co.; American General Life Insurance Co.; Southwestern Life Insurance Co.; and Republic National Life Insurance Co.

Barry stated that every state-wide insurance agent's group in Texas had pledged its all-out support of Texas 65.

He listed these organizations as: Texas Association of Mutual Insurance Agents; Texas Association of Life Underwriters; Texas Association of Insurance Agents and Texas Association of Health Underwriters.

Other organizations pledging support to the Plan are: Texas Medical Association; Texas Association of Osteopathic Physicians and Surgeons; Texas Life Convention and Texas Legal Reserve Officials Association.

Senator Walter Richter, Chairman of the Governor's Committee on the Aging appeared before the Austin Texas 65 agents training meeting to offer his Committee's complete support of the health insurance program.

Barry urged those interested in Texas 65 to contact their own insurance agent.

Baptists Hold Oldtime Revival

By MRS. C. A. WATSON LAZBUDDIE -- The Lazbuddie Baptist Church entertained with an old time revival at the church Saturday night. A meeting had been in session all the week with their pastor Rev. Beach and Rev. Gruver, Plainview, doing the preaching. On Saturday night the church was lighted with old fashion kero sene lamps. Many of the women dressed in the early 1900 styles while several men wore overalls and came dressed in styles of many years ago. The minister lead the songs. Many old songs were sung. A large crowd was in attendance.

Birthday greetings to: Jesse Mendosa, Peggy Ann Carroll, Linda Harpove, Larry Eubanks, John Patros, Velma Vanlandingham, Marlene Beavers, Roy Gilbreth.

The second FHA chapter meeting will be held October 14th at Lazbuddie. The objective for the meeting will be launching good citizenship through home-making. The program committee for the month will be Linda Monk, Elaine Embry and Carol Miller. In Home Ec I the girls are studying clothing units and types.

In Home Ec II the girls are studying weaves, types of fabrics and how to construct a pattern. In Home Ec III the girls are preparing their material for cutting, and began the construction of the garments.

Mr. and Mrs. Charlie Watson, Benny and Leon attended the Primitive Baptist Union Meet held at Clovis Sunday.

Mr. and Mrs. J. B. Young visited their son, Copper at Baylor, Waco. The Youngs left Thursday, visited the A. G. McCrays at Lamesa on their way to Waco. On the trip back they visited his mother, Mrs. J. B. Young, Sweetwater.

Mr. and Mrs. Preston Cargile and children, Lariat, visited his parents the Dan Cargiles Sunday afternoon.

Mr. and Mrs. Max Steinbock and children and niece and nephew, Delaney and Troy Steinbock attended the Fair in Lubbock Saturday evening.

Mr. and Mrs. E. C. Ketchum visited in Lubbock during the

Rusk's Negotiations

Secretary of State Dean Rusk has listed nine areas in which he intends to negotiate with the Russians — in an effort to ease tension. Most of the points sound idealistic; some contain dangers.

The two which probably constitute the greatest danger are those which call for a reduction in arms production and an easing of the Berlin tension. Both are highly desirable objectives, but on the question of disarming, there is no sure way to know the Communists would honor an agreement.

One might argue that there is some way, some method, either inspection or something else, that would enable us to be sure the Communists were keeping a disarmament agreement. This is at the very least doubtful, or theoretical.

And given the past, in which we should have learned the Communists do not consider it immoral to lie or deceive, it is hard to see how the State Department could justify or recommend a disarmament agreement with the Russians. We would be merely fulfilling in good faith our part of the agreement, and taking on the burden of trying to learn whether the Communists were deceiving us, in the traditional pattern.

Surely this is too much of a risk to ask the American people to take. We must continue to arm ourselves to the best of our ability. This is the best guarantee of peace. Especially in view of the growing power of Red China, it is impossible to support disarmament by agreement with Communists.

Kennedy and Gromyko

It has been announced that President John F. Kennedy would hold talks with Foreign Minister Andrei Gromyko of the Soviet Union.

The idea behind the negotiations is an easing of relations with the Soviet Union, which has been the main purpose of Secretary of State Dean Rusk's policies since he became Secretary of State.

But it is surprising that the President should consent to negotiate with the same man who led to him just prior to the Cuban crisis last October. In international negotiation there is plenty of precedent for

finding Gromyko undesirable and unacceptable for new negotiations.

To the outside world, the fact that the same man who brazenly lied in the face of the United States President again is welcomed to the White House certainly must appear a sign of weakness. It appears to outsiders we either do not feel strongly about the Gromyko performance of last year, or are too eager to negotiate.

The President should — at the least — have insisted on dealing with someone else, if we are to continue to pursue Rusk's negotiations with the Russians.

weekend. They were also at the Fair Saturday. The H. A. Harvey family attended the fair Friday.

Mrs. T. D. Reed had as guests recently her sister Mrs. Art Jones San Antonio. Mrs. Reed returned with her sister for several days visit in San Antonio and Houston.

Mrs. George Haskins called from Tom M. Anderson Hospital in Houston Friday that their son Edgar had surgery Thursday. The Haskins will be in Houston for sometime but report Edgar to be doing okay.

Terry Parham, son of Mr. and Mrs. E. A. Parham had appendectomy in the Clovis Memorial Monday of last week. Terry was weak. He is recuperating nicely at home.

Victor Schumann son of Mr. and Mrs. Don Schumann suffered a broken arm when he was thrown from a horse near his home on Sunday. After being treated at

the hospital in Friona he was able to be back in school on Monday.

Charles Ramage suffered a fractured arm while playing football recently. Charles is able to be in school after the accident.

D. H. Foster suffered a broken ankle from football practice recently and Theron Vaughn will be on crutches for several days from a fractured knee he received in the Lazbuddie-Cooper game at Cooper Friday night.

Mr. and Mrs. L. H. Hardage returned Sunday after a weeks vacation in Arkansas, Oklahoma and Louisiana. The Hardages visited in Burkburnett and Clarks-ville with relatives also while on the week vacation.

Billy and Susan Hardage have enrolled in the Wayland College at Plainview for the new fall term.

Saint Jo, Texas, spent several days last week in the home of their son Euel Mitchell.

Mr. and Mrs. Artie Beavers and Mr. and Mrs. C. C. Great visited in Arkansas last week.

Mr. and Mrs. Eual Mitchell, Johnny and Jan attended the at Olton on Friday night.

Watson formerly of this area left here for Ft. Benning, Ga. Monday morning. They will be in Georgia for several months where Watson will attend officers training career school.

Mr. and Mrs. Charles Self and son Brent visited Sunday with her parents, Mr. and Mrs. Kenneth Cox.

Leroy Cox from West Texas State, Canyon spent the weekend with his parents Mr. and Mrs. Ralph Cox.

Mr. and Mrs. W. S. Mitchell of

F.T.A. Enjoys Weiner Roast

By EVELYN M. SCOTT
SUDAN — Members of the F.T.A. of Sudan High School were entertained at a wiener roast last of Kathy Barnett.

Following the wiener roast the group participated in a scavenger hunt. Approximately thirty-five were present including the F.T.A. Tuesday evening at the home sponsor, Mrs. Marvin Tollett.

Mrs. E. Pope has been visiting

in Lubbock with her son, Claud Pope, who has been confined to a hospital there.

Mr. and Mrs. Hubert Dykes and Mrs. Ted Walker visited Sunday in the home of Mr. and Mrs. Homer Dykes in Farwell.

Mrs. James P. Arnold led the Royal Service program at the meeting Monday afternoon of the WMU of the First Baptist church. The subject topic for the day was "Conquest Through New Ministries".

Present were Mrs. Homer Morris, Mrs. Dexter Baker, Mrs.

HOME FOR 75th BIRTHDAY — Noted author and Texas folklorist J. Frank Dobie stopped working on his latest book to fly from California to Texas to be with his wife on his 75th birthday. The pair have been married since 1916. (AP Photo)

Willie Hazel, Mrs. Halbert Harvey, Mrs. L. F. Meeks, and Mrs. Richard West.

Mrs. John Dean was a Lubbock business visitor Tuesday.

A Training program for community chairmen for the local Boy Scout drive to be held Nov. 7 was held Tuesday morning in the community center, when members of the South Plains Council were present to conduct the program. They were Bill Clark, Bob Brummal, A. W. Benner, and Jack Bonds.

Present were two guests from Earth and Kenneth Burgess, District campaign chairman; D. W. chairman; Joe Salem, Mrs. Mary Bowman, L. W. Shanks, Mrs. D. W. Williamson, and Hoyt Robinson.

Mrs. Audrey West was hostess for a bridge party last week when the following were present: Mrs. Cleo Whitmire, Mrs. Ves Patterson, Mrs. Barriace May, Mrs. Gav-in Hayes, Mrs. Gerald Chisholm, Mrs. Glenn Chester, and Mrs. Bill Palmer.

"The Christian Family and It's Money" was the subject topic for the meeting Monday Morning of the WSCS held at the First Methodist church.

Mrs. Matt Nix, Jr., was program leader for the meeting and also gave the meditation.

Mrs. E. C. Minyard, president, presided at the business meeting when a committee was named to select draperies for the Fellowship Hall and the church parsonage. Named to the committee were Mrs. Joe Markham, Mrs. Radney Nichols, Mrs. Joe Salem and Mrs. Minyard.

Mrs. Minyard was hostess and served refreshments to those attending including Mrs. Nix, Mrs. Salem, Mrs. Markham, Mrs. Bruce Newman, Mrs. Bob Madsen, Mrs. C. M. Furneaux, Mrs. Doyle Terrell, Mrs. A. Pinkerton, Mrs. J. Smith, Mrs. Weldon Shaffer, Mrs.

J. E. Dryden, Mrs. Tray Gaston, Mrs. Frank Weir, Mrs. Frank Lane.

Mrs. Joe Foster gave the study "Further Christian Duties, Blessedness of Suffering" at the meeting Monday afternoon of the Ladies Bible Class of the Church of Christ.

Present were Mrs. Dail Burnett, Mrs. Paul Mathews, Mrs. Joe er, Mrs. Quinton McCaghren, Mrs. R. S. Gatewood, Mrs. Henry Aronda, Mrs. Jack Fisher, Mrs. Weldon Wiseman, Mrs. Thomas Lee Harper, Mrs. Beulah Wiseman, Mrs. Weaver Barnett, Mrs. Tom Stanley, Mrs. James Withrow, Mrs. Bernard Wilson, and Mrs. C. E. Nichols.

Mrs. Ron Herzog of Los Angeles is here visiting her parents Mr. and Mrs. A. F. Walker, and her sister and family, the Johnny Thomassons.

Officers of the Future Farmers of America organization of Sudan High School include President, Mike Nix; vice president, Danny Masten; secretary, Corley Baker; treasurer, Kenny Fisher; reporter, Mike Smith.

Mr. and Mrs. Radney Nichols and Mr. and Mrs. Elgan Baccus are at Brownwood fishing this week.

Dyanne Curry, daughter of Mr. and Mrs. Bill Curry, was confined the first of the week to a hospital in Littlefield.

Mrs. Mack Campbell of Littlefield visited Tuesday in the home of her parents, Mr. and Mrs. L. F. Meeks.

Joe Salem was in Brownfield Sunday to attend a District Laymen meeting of Methodist churches.

Laurie Shaffer was home from McMurry to visit her parents, Mr. and Mrs. Weldon Shaffer, dur-

ing the weekend.

The commission on missions of the First Methodist church met Monday night at the church. Kenneth Burgess is chairman of the group.

Mr. and Mrs. Chris Furneaux, Jr. of Walden, Colorado visited last week with his mother, Mrs. C. M. Furneaux.

Mr. and Mrs. Gilbert Masten were in Elanor aBend recently to attend a homecoming there.

Mr. and Mrs. Jim Foley are vacationing in Southern California.

Ammonia Plant To Be Built At Plainview

Southern Farm Supply Association of Amarillo, announced this week the building of an anhydrous ammonia plant and related ammonia storage and ammonia handling facilities of advanced design, near Plainview.

Southern Farm Supply Association is a Regional Farmers Cooperative, owned by the local area farmers cooperatives, and the local farmers cooperatives in turn, are owned and supported by the individual farmer.

One of the Farmers Cooperative Associations who has participated in the development of this plant and who will be supplied with ammonia from this plant is Farmers Cooperative Elevator of Muleshoe. The forward planning of Farmers Cooperative Elevator, along with other Farmers Cooperative Associations handle ammonia in this area has made it possible for the farmers of the area to procure their own plant facilities for its manufacture.

The plant will be a Girdler

WAX OF MR. SAM — Mrs. W. A. Thomas, late House Speaker Sam Rayburn, showed him "a little thin. But it looks so much like him, it gave me the creeps," she said. The west Historical Wax Museum, thought the wax image of her illustrious brother, the

AMMOPAC design, engineered and constructed by the Girdler Corporation of Louisville, Kentucky, for the Techno Corporation. Seven thousand, five hundred (7,500) tons of low temperature, refrigerated storage, with rail trackage, tank car and transport loading facilities, will be located on this eighty acre site, two miles east of Plainview, Texas, near Linder Switch. This plant will represent a present investment in excess of three million dollars.

IT'S FOR THE ... BIRDS!

By MEL EVANS,

The duck which is generally the last to go north and the first to come south is the Blue-winged Teal.

The male when it flies north is a real classy, showy, little bird with a gray or purple head with a half-moon marking of white on the cheek. The background of the under part and foreneck is dark-brown with black spots. The shoulder has a blue patch bordered with white to the rear.

The female is drab or light brown with a blue and white wing mark which shows when they fly.

During the fall the male looks like the female.

This species of duck flies with a very rapid wing beat as do all of the Teal.

The size of the clutch ranges from 6 to 14 buffy eggs, which are laid in a rather small nest which is lined with grass from the area around the nest and down from the breast of the female.

The eggs are incubated from 21 to 23 days before they hatch.

The male takes no part in incubation, which is the case for almost all ducks, and hence, as soon as his molt is over he can fly south.

The movements of this species are not definitely known, but hunting undoubtedly effects it, as its

early arrival to the south may make it the only species present in large numbers for the sportsman when duck season opens in some areas.

They are generally considered sporty birds to pass and jump shooting because it flies relatively low seeking food and rest on small bodies of water.

The flesh of the Blue-winged Teal has long been famous for its excellent quality and old men speak of the fine flavor of Teal served with Burgundy.

Duck hunters should look forward to hunting this fall, but more than ever it is important that he spend some time in the field learning to identify ducks in flight and on the water.

The Canvasback and Redheads are again protected, and on top of it all, the hunter who knows the game he pursues will enjoy the hunt more.

102nd Local Fire Guts Playhouse

The Muleshoe Volunteer Fire Department has reported 102 fires this year. Earl Ladd, chief, reported Saturday.

The last one was a small one, but "crucial" to the Horace Edward's children's playhouse, it was reported. Mark, age 10, said that his house was burned so badly "that we had to tear it up and haul it away."

The world's largest concentration of Frank Lloyd Wright architecture is on the campus of Florida Southern College at Lakeland, Fla.

MERINGUE MAN? — No, it's just Dallas used car salesman Bob Evans after a pie-throwing contest staged by his employer. Several salesmen threw pies at one another to promote the revival of a silent film that featured pie-throwing, sponsored on television by the auto company. Looking monastically through the meringue, Evans seems to wonder if the job's worth it. (AP Photo.)

The number of chickens raised in 1963 is expected to be less than in 1962 and the lowest since records began in 1909, says the USDA. The Department also noted that prices paid by producers for hatching eggs and for feed were both higher from November 1962 to the present than for this period a year earlier.

Today's Meditation

"Knowledge of Self For Knowledge of Him"

"(Ask and it shall be given you; seek and ye shall find; knock and it shall be opened unto you." Matthew 7:7)

Alcoholics Anonymous, the dynamic organization that has been the organ of new hope to thousands of out-of-control lives, has a phrase which is a vital part of its recovery process: "We made a decision to turn our will and lives over to the care of God as we understood him."

This touches on a great truth. We must begin where we are to find the answer to the many problems that slam at one's life. We are composed of both "awareness" and unawareness. Many of us do not fully understand immediately all that is included in the total Christian commitment.

Jesus Christ is the great meeter of problems in their present conditions. When we tell Him that we want him to make us new in him, he brings insight to our blindness.

These new visions never come easy. Any one who has ever tried to live under the new Lordship knows that it takes all there is of him all of the time.

God sent his Son to set us free from sin and give us full knowledge of the Kingdom within. Self-understanding is not first a matter of Techniques, systems or

Outstanding Lectures and Speakers Will Be Featured at Wayland College

PLAINVIEW, Special — An authority on oriental history from Yale University and a noted archeologist from Johns Hopkins University are among outstanding lecturers and speakers who will come to Wayland Baptist College during 1963-64.

One of the first distinguished guest lecturers, speaking for the inauguration of Pres. Roy C. McClung on October 8, will be Dr. Kenneth Scott Latourette, former Sterling professor of Missions and Oriental history at Yale and now professor emeritus. He will deliver the inaugural address. Among Dr. Latourette's books are "A History of Modern China" and "Challenge and Conformity."

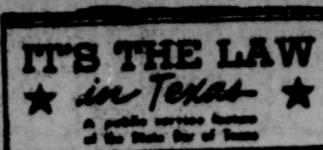

In the spring Dr. W. F. Albright of Johns Hopkins will bring the lectures sponsored by the Division of Religion and Philosophy. He is author of more than 800 publications on archeology, bibliography and oriental subjects, several of which have been translated into Hebrew, German, French and Italian. The lectures are February 3-5.

Outstanding Baptist leader, Dr. Herschel Hobbs, a former president of the Southern Baptist Convention and long time pastor of Oklahoma City, will be luncheon speaker at the inauguration.

Speaker for the annual Scholastic Honor's Day on October 7 will be Dr. Lonnie Kliever, associate professor of philosophy at Texas Western College. Dr. Kliever, appears before many groups, and many of his articles have appeared in "The Baptist Student" and other publications. The fall Willson lecturer on Home and Family Life is Dr. Foy Valentine, head of the Christian Life Commission, Nashville, Tenn. The annual lectures will be October 21-32.

Adding a note on local history Dr. Boone McClure, director of the West Texas Museum, will speak in chapel October 28 and will address the evening meeting of the Plains American Heritage Program. A Plainview physician, Dr. John Long, has been asked to speak on "What All Sould Know About Cancer" for the November 4 chapel program. Veteran's Day speaker will be Lt. Col. DeMay H. White, Commander of the 3501st Pilot Training Squadron, Reese Air Force Base.

Plans call for officials and authorities on Southeast Asia to participate in the annual International Relations Conference on November 7-9, and confirmation of guest lecturers for other events will add to the variety of the year's programs.

"EXPERT WITNESSES"

In court all lawyers ask all witnesses except expert witnesses, to report their observations, not opinions. It is for the judge and the jury—not the fact witnesses—to make inferences as to guilt or liability from the facts.

On the other hand, only "experts" can give the court their opinions. Aren't most people experts in some things? Most people are qualified to give opinions on such everyday things as speed, time, sound, and the like. Sometimes where impressions are hard to describe, a witness may have to talk in terms of opinions about such things as the force of a blow, distance of a sound, the amount of light, the degree of cold or heat, weight, size, health, temper, fear, and the like.

We can express the opinion that Jones "looks like the man" who did a crime, or that his footfalls or his voice were those of Jones. Courts will admit such evidence. So too, one can testify about his friends' sanity or handwriting and sometimes your own motives.

But most often the court must rely on certain skilled persons like physicians or engineers for "expert opinions" especially in complex or technical cases.

Problems in using experts: They may not agree. They may give opinions on the "ultimate" fact (the extent of injuries, who is the father, what caused the explosion.)

Do the experts here invade the jury's province?

As a rule, no. Before a court will let the expert testify he must show his special knowledge, say, in science, art, trade. Even

Farm News From Parmer County

We hope you will be at the Parmer County Farm Bureau Monday at 8 p.m. in the Friona school Cafeteria whether you are a member or not. But particularly if you are a member we would like to see you there. Your officers and directors sincerely seek your opinions on the questions that will be discussed there and they will feel a lot more useful if a good number are there. Records show that state and national legislation has County Farm Bureau resolutions. This is one place we know where you whether you are a large or small farmer can get your voice heard in Texas and National legislatures.

Farm Bureau folks believe in organizations that serve a cross-section of the citizenship. There are members in this county who farm 80 acres and there are members who farm 2000 acres and they have problems that are common to all farmers. They can discuss and have equal voices in the decisions that are made if they are Farm Bureau members.

If you want to hear a couple of talented and intelligent high school girls talk about Americanism you will enjoy hearing Miss Linda Rector Friona and Miss

so, the judge and jury decide issues of the trial, not the experts alone.

(This newsfeature, prepared by the State Bar of Texas, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Jane Bradshaw Farwell report on the citizenship seminar they attended in Huntsville a little over a month ago. They will speak at the convention Monday night.

Business and industry appreciate the role of farmers as customers. They spend about \$28 billion a year for equipment and another \$15 billion for family living expenses. This economic reason is the most important one for "city congressmen" being interested in the economic welfare of the farmer.

CONSIDER THIS: A forward man soweth strife; and a whisperer separateth chiet friends. Proverbs 16:28

Civil Defense Study Course

Television Station KLBK—Lubbock carries a series of programs designed to promote all aspects of Civil Defense. This series of programs offer an excellent opportunity for a recognized study course. The telecast is sponsored by the Texas Education Agency and is scheduled for 4:30 — 5:30 p.m. on October 13, 10, 15 and 17, 1963. That is each Tuesday and Thursday for three weeks, beginning, October 1.

Schools would like to encourage all parents to view. This program is designed to educate adults in the techniques of survival.

Course content and broad areas of instruction are: nuclear weapons and effects, radiation and effects, radiological defense (decontamination, measuring, decontamination), shelters (family, community, school), first aid, community civil defense plans, school survival plans, and family planning.

Most 22 million persons are now included in corporate pension and profit-sharing plans in the United States.
