WOODROW WILSON BITTER IN CRITICISM

Oklahoma Lawyer Lured From His Home By Telephone and Is Killed

Founder and Builder of Bankhead Highway Is Inspecting the Road

Colonel J. A. Rountree and Judge De Armand, on Highway Inspection Tour, Spend Day in Eastland and Ranger and Are Entertained.

J. A. Rountree, Director General Bankhead National Highway.

J. A. Rountree, head of the Bankhead National highway and director-general of the United States Good Roads association, and Judge J. M. De Armand, Texas state director of the Bankhead highway, visitors in Ranger yesterday were entertained at dinner in the McCeskey hotel by the directors of the Ranger Chamber of Commerce.

President O. D. Dillingham of the Chamber of Commerce, presiding, and other members of the board, gave assurance to the visitors that not only were they proud of the Bankhead highway and especially of that section extending between Ranger and Cisco, probably the finest 20-mile stretch anywhere in Texas and possibly in the west, but that they were interested in good roads generally and were using every effort to improve all roads leading into Ranger so the Bankhead highway might be made available to more people.

Collecting Road Data.

Colonel Rountree told his Ranger hosts that a tour of the Bankhead National highway through Texas was being made by Judge De Armand and himself to obtain all the data possible relative to the highway and the territory through which it extends to present to congress in an effort to get the government to take over and maintain this great transcontinental highway as a government road.

"I am much pleased, more than that, I am delighted with the portion of the Bankhead highway that has been built," said Colonel Rountree. "I am very glad to learn that a number of counties that had not improved their roads have voted good roads bonds and that the Texas highway department will co-operate in building the same."

"Wonderful progress has been made in building this great highway, which starts at the zero milestone in Washington, and passing through 13 states, ends at San Diego, Calif., a distance of 3,690 miles. And this is the main line only; there are 1,600 miles of branch lines."

Colonel Rountree was the founder of this highway, which was named in honor of the late Senator John H. Bankhead of Alabama, who was the father of federal aid in the senate. Colonel Rountree has actively promoted this highway from the beginning, was elected its director general and has served in that capacity for the last eight years.

Colonel Rountree and Judge De Armand visited Midland, Big Spring, Colorado, Sweetwater, Abilene and Cisco last week and were in Eastland and Ranger Saturday. "Everywhere we received the most cordial reception and were promised the heartiest co-operation in advertising, promoting and maintaining this great highway," said Judge De Armand.

Confer in Eastland.

Colonel Rountree and Judge De Armand were in Eastland all morning yesterday. They conferred at the Chamber of Commerce with President C. B. Frost, Vice President J. E. Lewis and Secretary G. W. Briggs, for the purpose of soliciting the support of the chamber for the highway. They arrived in Eastland Saturday morning from Cisco, where they held a similar meeting on Friday. After meeting the Eastland Chamber of Commerce, Rountree and De Armand went to Ranger on a similar mission. They will visit Texarkana and several other points on the highway and then will go to Dallas.

"We simply are visiting the towns along the Bankhead highway to

ARMISTICE DAY OBSERVANCE

Special Services in the Churches Sunday; Banks to Close All Day Monday and Stores at Noon; Football Games in Afternoon; Schools to Remain Open.

Carl Barnes Post, No. 69, American Legion, charter which is yet to be secured, will not formally observe Armistice day. Because of the shortness of the time since the ex-service men first met to organize the post, Dr. W. C. Palmer, temporary post commander, said Saturday, he believed it unwise for the post to attempt a formal program for the day, the time being too short.

"When next Armistice day rolls around, the Ranger legionnaires will see to it that the day marking the end of the World war is fittingly observed," he added.

Even if no formal observance is held by Ranger patriotic organizations, practically all of the business houses will show their patriotism. The clothing stores, department stores and groceries will close their doors at noon.

The local banks will not open their banking doors Monday, it has been announced by officials of both institutions.

The public schools will have classes as usual Monday. E. O. McNew, superintendent of schools, said that if Armistice day came on a school day there would be no classes, but coming on Sunday, he had not asked the school board for the declaration of a holiday on Monday.

Lots of people will go to surrounding towns in the afternoon for football games. The Strawn-Cleburne high school game at Strawn for the district four championship will attract many, as will the Abilene-Breckenridge struggle at Breckenridge, and the Eastland-Weatherford game at Eastland.

The Lions club will stage a big boxing show at the Liberty theatre beginning at 8:15 o'clock, at which one 10-round bout and an eight and six-round bout will be put on.

Sunday, the real anniversary of Armistice day, will be observed by special exercise in the churches. Celebrations will take place the following day.

ROSENQUEST IS NAMED TO HEAD CHICKEN BLOC

Eastland County Poultry Raisers Association Elects Officers.

L. L. Rosenquest, Eastland attorney and poultry grower, was elected president of the Eastland County Poultry Breeders and Raisers' association at the annual meeting held Friday night at Cisco. There was a representative gathering from all parts of the county present.

Many of those who were in attendance took occasion to visit the poultry exhibit in the Eddie Building, Avenue E and Broadway street, part of the Cisco fair, which came to a close yesterday.

Eastland was chosen as the next meeting place of the association and also as the place for the 1924 poultry show.

Other officers elected were, George Von Kahr believe he would give Hitler very short consideration should he be apprehended.

General Ludendorff, German war hero, spent some time in the Munich police station yesterday following his arrest in a barricade, with a group of monarchists. He was released after he gave his word of honor that he would not participate in another uprising.

HUGHES WANTS TEXAS CENTENNIAL IN MEXIA

By United Press.

MEXIA, Nov. 10.—An offer of \$25,000 towards staging the Texas state centennial exposition here next year, providing it be held in Mexia, has been made by J. K. Hughes, local oil man, according to a message sent to Theodore Price, New York editor, who suggested that the exposition be held while in Texas a few days ago.

Hughes, in his message, said he was conveying his offer to Lowry Martin, Corsicana, chairman of the exposition committee, which is to select a site for the exposition. Hughes declared that as a native son of Texas he was solicitous of the state's future.

DRY AGENTS MAKE BIG RAID IN WASHINGTON

By United Press.

WASHINGTON, Nov. 10.—The capital city was subjected to a thorough clean-up by federal prohibition agents led by "Lone Wolf" Asher who, in various disguises, has figured in many spectacular single-handed campaigns.

At noon the raiders had made 200 arrests and seized approximately 500 gallons of liquor and quantities of apparatus. The raids were being continued.

GERMANY REGARDS INTERNAL SITUATION VERY SERIOUS

By United Press.

PARIS, Nov. 10.—Germany has replied to France's ultimatum relative to her internal situation indicating it is too serious at this time to permit of any outside interference. Her note has requested the allies to postpone any attempt to examine into her arms situation until the country has become more settled.

ALLEGED MEMBER OF FAMOUS AL SPENCER GANG CAUGHT

By United Press.

OKLAHOMA CITY, Nov. 10.—Nash, believed to be a member of the famous Al Spencer gang, has been arrested and is being held for the federal officers, U. S. Marshal McDonald has been advised. Nash was captured near Sierra Blanca, Texas, on the Mexican border, late yesterday, McDonald said. He is wanted in connection with a series of bank robberies in Oklahoma and the hold-up of a Katy train near Oketo, Okla., several weeks ago.

Eastland County Musical Contest Is Great Success

The first annual musical contest of Eastland county was held Friday afternoon in Cisco under auspices of the Cisco music club, with Miss Mary Merwin, director. The entire event was a credit to Cisco and to Eastland county, and promises much for the future interest of music and music contests in this vicinity. Points of merit were decided on stage appearance, memorization, interpretation and general effect of rendition.

The girls Glee club of Eastland won first place in this class and was awarded a silver loving cup. The selection they presented was "The Gypsy Love Song" from "The Fortune Teller," with solo by Miss Pauline LaRobadiere. Mrs. Joseph B. Leonard was their director.

First place in the junior music class was won by Miss Thelma Brewer, and second place by Miss Wilda Frost, both pupils of Miss Mae Claire Harrison of Eastland. So well did these little girls present their numbers that it was difficult to note any difference of excellence between them.

Senior piano first place was won by Miss Jessie Olsen of Cisco, and second place by Miss Helen Gould of Cisco, both pupils of Mrs. Dell King of that city. Third place was given to Miss Louise Barton of Eastland, pupil of Miss Harrison, and honorable mention made of Miss Frances Duncan of Eastland, pupil of Miss Anna Barbara Nunn.

The Eastland choral club made an especially attractive appearance in their uniforms of blue serge with white blouses, and sang undirected with piano accompaniment only. Their work was an outstanding feature of the contest. Judges for the event were Mrs. C. F. Smith of Eastland, Mrs. Charles G. Norton of Ranger, and Miss Irene White of Cisco. Mrs. M. H. Hagaman of Ranger and Miss Merwin, chairman of the contest, counted the votes.

It is the plan of the Cisco Music Club to hold a similar contest each year.

LEONARD TODD FOUND GUILTY OF AGGRAVATED ASSAULT

By United Press.

Leonard Todd, charged with a statutory offense, was found guilty of aggravated assault by a jury in the 8th district court Friday afternoon and his punishment assessed at six months in the county jail.

Counsel for defendant immediately filed a motion for a new trial which was overruled by the court. Notice of appeal to the state court of criminal appeals at Austin was given.

Miss Addie Lloyd of Gorman was the prosecuting witness.

WOMAN MAY BE TANGLED UP IN ASSASSINATION

Paul J. McCarthy, World War Veteran, Killed While Driving His Car.

By United Press.

OKLAHOMA CITY, Nov. 10.—Scores of police and detectives here were searching today for the known slayer of Paul J. McCarthy, 31, attorney, found dead in his car shortly after midnight.

McCarthy left his home in answer to a telephone call, arranging a meeting with a party near his home. Soon afterwards the body was discovered by a passer-by, who immediately notified the police. The slayer apparently was sitting in or standing close to the car at the time of the shooting, for powder burns were found on McCarthy's coat. The bullet entered the left chest and went through the heart, death being instantaneous, physicians said.

McCarthy served four years as assistant municipal counselor while J. C. Walton, deposed governor of Oklahoma, was mayor of Oklahoma City.

Authorities are working upon the theory that the attorney was slain for revenge.

He had been active in legal circles and was said to have a wide understanding of underworld conditions here. Very recently he was admitted to a partnership in the law firm of Edwards and Lillard of this city. McCarthy served in the Thirty-second division in France as a member of the 167th ambulance corps.

An unknown woman was being sought today in connection with the slaying of Paul J. McCarthy during the night. Two residents near the scene of the shooting told the police that after being aroused by the shots they had seen a woman running away.

A woman's handkerchief was found near the scene of the shooting.

Rewards aggregating \$2,000 have been offered for the apprehension of the slayer.

McCarthy's wife told the police he had received a telephone message and told her that a client named "Jones" was in jail and had asked him to come down and furnish bond.

Three women were being held to-night for investigation. Two men arrested during the day for investigation, one a former employee of McCarthy, were released this afternoon.

UNITED STATES WILL NOT PARTICIPATE IN REPARATIONS INQUIRY

By United Press.

WASHINGTON, Nov. 10.—Secretary Hughes' plan for an expert conference to bring about some settlement of the German reparations problem will be quietly dropped, due to the impossibility of obtaining a satisfactory agreement with France, it is believed here today. Despite the fact that Hughes, consistently and significantly, has refused to state that the plan for American aid in the reparations settlement had been dropped, the consensus of opinion here is that any possibility for a successful revival of the plan with American cooperation is very slim and remote.

Secretary Hughes announced yesterday he could not participate in any conference which would be restricted in its scope.

REPARATIONS COMMISSION MAY OBTAIN FREE HAND

By United Press.

PARIS, Nov. 10.—As a result of the refusal of the United States to participate in a reparations conference by experts to examine into Germany's capacity to pay, it is understood here that Premier Poincaré will consent to the reparations commission hearing experts on economics and finance. The hearings may commence as soon as negotiations with Hugo Stinnes for an industrial compact looking to resumption of work in the Ruhr are concluded.

One-Time Kaiser and Crown Prince May Be Banished As Was Napoleon

By Associated Press

BERLIN, Nov. 10.—A second Helena may be chosen for former Emperor William; it was said today at the foreign office, in view of the return of former Crown Prince Frederick Wilhelm to Germany.

Holland, it was said, may be regarded as an insufficient retreat for the former kaiser.

The allies will insist in vigorous terms that the crown prince be expelled from German soil at once. France and England have conferred on the subject of the crown prince and are in entire accord regarding it.

French officials say.

The former crown prince had a regular German passport in good order when he entered Germany today, according to a report received here. His application to enter Germany as a private citizen was granted by the central government, it is said.

FORMER CROWN PRINCE BACK IN HIS HOME

Leaves His Dutch Retreat to Return to His Castle in Silesia.

By United Press

BERLIN, Nov. 10.—Visions of a restored monarchy floated uncertainly before Germany's eyes tonight. The return of the crown prince, negotiations with Chancellor Stresemann for the reconstruction of the cabinet and the sorrow felt in many German hearts because of the failure of the revolt at Munich, together with the chagrin growing out of France's demands, made many think Germany was on the eve of a great revival.

The former crown prince crossed the border at Blenheim early this morning and his whereabouts in Germany were being kept secret tonight.

He is reported to have promised the government not to take any part in politics or to appear in Berlin and was supposed to have taken a straight course for his castle near Oels to join his family.

FRANCE WILL DEMAND EXILE FOR FORMER CROWN PRINCE

By United Press

PARIS, Nov. 10.—The ambassadors' conference will consider at its meeting Monday a demand that Germany shall hand over the former crown prince, who will then be sent to some suitable residence in exile, according to a report current tonight. It is expected that Germany will be glad to acquiesce in this plan.

AMSTERDAM, Nov. 10.—Official announcement was made today by the Dutch government that the former crown prince of Germany, Friedrich Wilhelm, crossed the German frontier this morning on his way to Oels, in upper Silesia, where is located his estate to which he recently expressed a desire to retire.

The Dutch government is understood to have given him permission to leave Holland. An Exchange telegram says he left the island of Wieringen, his home during the several years of his exile, at 4:30 o'clock this morning. Two motor cars awaited his party in the village on the mainland and he drove away at daybreak.

The former crown prince, before leaving, wrote a letter to the populace in which he expressed his regret at being unable to say goodbye and his gratitude to the friends he had made during his exile.

The Dutch government is understood to have taken the ground that it had no legal right to detain Friedrich Wilhelm in Holland and that his departure should not involve Holland in any way. Nevertheless, many here are looking for further developments.

WAR PRESIDENT CONDEMS U. S. WORLD POLICY

Denounces as Cowardly Refusal to Bear Responsible Part In Reconstruction.

WASHINGTON, Nov. 10.—In a bitter and scathing denunciation of America's attitude on world affairs since the war ended, Woodrow Wilson spoke by radio tonight to an audience of probably more than one million listeners and delivered what may be said to be one of the most sensational addresses of his career.

Within seven or eight minutes, the war president of the United States compressed one of the bitterest structures ever hurled at any nation for what he declared to be America's withdrawal into sullen isolation. He denounced as ignoble, cowardly and dishonorable America's refusal to bear any responsible part in the restoration of peaceful world prosperity, placing on America much of the responsibility for the world's present turmoil and confusion.

Mr. Wilson spoke in the study of his Washington home on "The Meaning of Armistice Day." His voice was obviously choked with emotion almost too great for him. He declared that America's post-war attitude had been despicable and ignoble and that France and Italy seemed to have provided a sinister climax to the European situation by masking a scratch of paper of the Versailles

BIBLE THOUGHT
BEGIN RIGHT IN YOUTH:
Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them. Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man.—Ecclesiastes 12:1, 13.

A WOMAN'S PLEA
In many churches throughout the country, Armistice Day, a woman member will present "A Woman's Plea"—a statement regarding the permanent court of international justice.

In some churches the plea will be presented by a gold star mother, in others by a mother whose son served overseas. In practically all the message will be read by a woman of local prominence.

The statement, which was prepared by a group of influential women, was sent out in response to an appeal from them by the commission on international justice and goodwill of the federal council of churches. Many promises to use it have been received.

The statement, which is entitled "A Woman's Plea" follows:

"This year Armistice Day falls upon the Lord's day, and in churches throughout the country women are pleading as Christians for a Christian world. Five years ago today the war-torn world rejoiced at the coming of peace. The hopes of millions of men and women ran high for a world peace, permanent and just.

"We celebrate that day, but with confessions of failure and of sin. We have not achieved that peace, nor realized that justice. Deep hatreds and fears abide. Nations today still compete in preparing for war. Not only is war a bitter fruit of the tree of violence and hate, but also the root which strikes deep down into the soil of a competitive and unfriendly world. "In this world-problem and world-task none are more deeply concerned than women. It is we who supremely suffer and mourn when wars rage and sudden death destroys our youth.

"But we are not without hope. Despite daily visions of disaster there is a Power that can save us and the world.

"Repent and believe" was the good news brought by our Lord to men of old. But repentance must be for that whole system—a system to which we have contributed—that historic system of aggressive nationality and economic rivalry, which inevitably hurl one nation against another in a conflict for power, and which, if unrestrained, will hurl nations into war again.

"We are urged to consider today the immediate practical step which America can take in helping to bring righteousness and peace.

"Justice demands that no nation declare in the name of patriotism that in any dispute it shall be at once the judge, the party to action, and the executioner to carry out the sentence.

"All over our land today as our pastors are preaching, men and women are thinking on the proposal of our late president that America become a member of the world court of justice. The great women's organizations of our country have endorsed this proposal and are earnestly promoting it, and today we are called to a new service for peace and justice.

"As women in our own homes we have striven to be impartial, kind and constructive, so in the national work we ask that to each nation be given its rights, that the weak be protected against the strong and especially that in place of selfish greed and savage resort to brute force, there be a spirit of mutual good-will, each considering the rights and needs of all. A warless world can be based only on impartial justice.

"Women believe that the ethics of the home should have universal sway. For this reason we welcome the proposal of our late president that America become a member of the world court of justice, and thus take its place as a nation in extending Christian ethics to the family of nations."

Founder and Builder of Bankhead Highway Inspecting the Road

(Continued from page one.)

stimulate their hearty co-operation," Rountree said.

"Our tour is a part of the movement to advertise the highway and attract tourists. The winter season in West Texas is lovely, a revelation to the people of the North and East. We want to get the Bankhead highway advertised throughout the United States and there is no reason why it should not attract shoals of winter tourists and thus make good business for the towns along its route.

Eastland County Responds.

"Five years ago Eastland county came to the front with hearty enthusiasm and the people have kept it up. "Callahan county has voted \$200,000 bonds for the Bankhead highway and this has been met by the state and county on a two-for-one basis. Taylor county has voted \$350,000 on the same agreement and Nolan county \$400,000.

"This two-for-one is an unprecedented ratio of co-operation and assures the Bankhead highway its completion and maintenance.

"The present arrangement means that Eastland county is certain of having a good road. It does not have to keep it up. The state highway department is pledged to keep the road in good condition and if the state of Texas should fall down, the federal government is obligated to maintain the highway."

Colonel Rountree has made five trips across the continent over the highway, accompanying the pathfinding commissioners and the army convoys over it. He is well acquainted with the entire route and has seen it grow from a merely imaginary line into a connected and well built driveway, with over 90 per cent of its entire length built or under contract.

Eight years ago it was a dream. Now it is a reality.

Woman Can Run a Business As Well As a Man, She Says

A young Ranger woman is the sole owner and operator of a shooting gallery on South Rusk street. She is Miss Pearl Shelton, 20 years of age.

"A woman can run this sort of a business as well as a man," said Miss Shelton. "There is no reason why, is there?" The reporter didn't think of any at the time.

She said business is getting better, especially during the early night hours. She became familiar with the business when she was employed by a man, who formerly ran the gallery. When he quit the field, Miss Shelton bought his equipment.

Before embarking on an enterprise of her own, she was employed in a local confectionery store.

PLANTING SHADE TREES CAMPAIGN IN RANGER GETTING UNDER WAY

Gus Coleman will send his lieutenants and privates into the campaign to grow trees on Ranger's residential streets tomorrow morning with orders to see that every street is represented by one or more newly planted trees.

Coleman will have for aide-camps, John M. Ghosh of the Rotary club, Mrs. C. D. Woods of the 1920 club, Dr. W. C. Palmer of the Lions club and Karl Jones of the Ranger Retail Merchants' association. Coleman is directing the work by virtue of his office as chairman of the civic committee of the chamber of commerce and as such will represent the chamber.

Special prices on trees have been made by a local horticulturist, it was said at the office of the chamber. The supply is also plentiful.

Trees recommended by R. H. Bush, Eastland county agricultural agent, are the elm, walnut, hackberry and poplar. Other trees suggested by T. R. Valliant are the umbrella china trees particularly adapted for the soil and climate of this section.

Bush, who in a talk before the Chamber of Commerce breakfast, Oct. 31, placed his services at the command of the local chamber in organizing the city for the campaign, will be over several days this week to assist. Bush has had considerable experience in tree planting in the state of Texas, and moreover is widely read on the subject.

RUM-SOAKED RUMMY CURED OF RUM HABIT BY TOO MUCH RUM

By United Press.

MIAMI, Fla.—Bill Campbell has been cured of the rum habit by a "rum" sentence.

Bill was sentenced to 10 days in the city jail in a rum-soaked cell, sitting on a rum-sprinkled cot, holding his head in rum-sprinkled hands. The food offered him was rum-soaked and with it was served a rum-flavored drinking water.

Bill, once the champion imbibor of unlawful beverages, was converted by the rum.

Who had been in Judge Frank H. Stoneman's court so often he had nearly worn out the supply of sentences, took the pledge.

Judge Stoneman at first ordered the offender to make his appearance at the police station every Saturday night after receiving his pay, to be locked in jail until Monday morning, and thus with his money and without the cup that cheers, be fresh and fit for a week of work.

His week-end spoiled, Bill decided Monday and Tuesday nights were in no wise different and that liquor tasted as good at the beginning of the week as at the end.

Then Judge Stoneman, in desperation, pronounced the "rum" sentence. He decreed that Campbell spend 10 days in jail and that he "soak" in a rum-cell until he sickened of the odor.

AutoMatic Washer

YOU'LL LIKE THE AUTOMATIC BECAUSE—

It Conserves Your Time and Energy

What previously required half a day of hard, tedious work is now accomplished in an hour or two. So quickly and thoroughly does it perform the work that it really gives you added hours for other household duties.

Eliminates All the Hard Work of Washday

The AUTOMATIC does all the work necessary to obtain an abundance of clean, fresh linen. Wrapping and rinsing, too, are performed electrically. Washday with an AUTOMATIC simply means placing clothes in tub and hanging them on the line to dry.

Inexpensive, Economical and Efficient

The low price of the AUTOMATIC places it within the means of every housewife. Once installed, it eliminates laundry bills or hire of laundress, and does the largest family washing at a cost of a few cents for electricity used.

Preserves the Clothes

Exhaustive tests prove clothes last longer when washed the AUTOMATIC way. Without undue friction or violent agitation, its efficient agitator waves the clothes to and fro, while the water eddies carry them through the hot suds until they are clean and sanitary.

Removes Your Washday Worries

It makes washday a day of triumph rather than a day of drudgery. It keeps you young and good natured. Busy mothers find it a boon—they know the AUTOMATIC is always ready—always dependable, week after week, for many years.

Protects Your Health

Good health—what a wonderful blessing! Yet too often we neglect it by failing to equip the home with the tools necessary to remove the arduous tasks such as washing. The AUTOMATIC is protecting the health of over a hundred thousand users.

FAIR AT CISCO DRAWS PEOPLE OF BIG AREA

Concludes With Fireworks;
Prize Winners Among Hogs
Announced.

Automobiles streamed over the brick highway all day Saturday, carrying Eastland people and some from other points, to the Eastland County fair at Cisco.

The three-day show, which began on Thursday, ended in a blaze of glory Saturday night, completing one of the most successful seasons that Cisco ever saw.

Boosters Saturday night said that 50,000 persons visited Cisco Saturday. Whether or not this is a conservative or boisterous estimate, it is certain that there was a big crowd and plenty to see.

On account of the fair, the Cisco American Legion celebrated Armistice day on Saturday instead of on Monday. There was a lot of patriotic entertainment, band concerts, athletic contests and football and basket ball games to amuse the visitors.

Saturday night, the fair wound up with a fireworks display put on by the American Legion on Britton hill.

Besides local exhibitors Caprock dairy, Crosbyton, showed fine Jersey cattle, Highland Spring farm, this county, exhibited fine Holstein.

Friday's livestock sale, hogs and cattle attracted many buyers and prices ranged low.

Prizes for Poland China hogs went to the following:

R. L. Cox and sons, Rising Star, first; Tom Edwards, Putnam, second; Ted Huestes, Dothan, third.

Junior boar contest—Grand champion boar, L. B. Edwards.

Senior yearling sows—R. F. Cox and son, first; Homer Hitchcock, second; Joseph Woodard, third.

Senior gilts—Porter Merrick, first; R. F. Cox and son, second; Tom Edwards, third.

Junior gilts—Tom Edwards, first and second; R. F. Cox and son, third. Six months gilts—L. B. Edwards, first; R. N. Hazelwood, second and third.

Grand champion sow—R. F. Cox and son.

SHERIFF OF STEPHENS COUNTY AND DEPUTY TO BE CALLED FOR TRIAL

George Shields, long missing as the chief witness for the trial of Sheriff L. D. Head and Deputy Wallace Crawford, of Stephens county, charged with murder of one Stroupe in a liquor raid, Friday was safe in jail at Abilene.

The trial of Head and Crawford is scheduled for tomorrow at Breckinridge, in the Stephens county district court. Shields will be there to testify.

Shields was caught at the head of Jim Ned creek, in the corner of Callahan and Brown counties, by L. P. McDonald, an officer of Abilene, accompanied by a dry enforcement man of Eastland.

Stroupe was killed last May during a raid by Head and Crawford, on an alleged still on Cedar creek. The Stephens county grand jury returned indictments in October against the sheriff and deputy.

Shields was said to have been among those present at the raid and his testimony was regarded as important. He disappeared after the indictments were returned and it was feared that his absence might delay the trial.

OLDEN BAPTIST WOMEN GIVE CLEVER ENTERTAINMENT

Special.
OLDEN, Tex., Nov. 10.—The Ladies Aid Society of the Baptist church of Olden gave a play Friday night, the proceeds to be used in seating and furnishing the church. The play which was entitled "A poor married man," proved a great success, judging from the applause given. The house was well filled. The amount received above expenses, was \$61.40, for which all feel quite thankful.

Mrs. John Haynes and Mrs. Chas. Reaser, the managers, were warmly congratulated for their fine entertainment.

Elks' Hop Proves Fine Affair and Puts Shriners on Mettle for Bigger Ball; Invitation From Thurber; Hunter After Teal.

By P. G. T.

Everybody had a good time at the Elks' hop, skip and jump with the exception of Jack, the official Elk porter. He had to check hats and coats and put out the punch to prospective quaffers. Jack says the coats were all light and the pockets didn't have nothing heavy in them.

Had the good fortune to meet the mayor of Thurber last night at the dance. His name is Mort Ferst. He invited us to the dance in Thurber Monday night. On second thought, maybe Mort isn't the mayor, but we had it all figured out that he was. About all they do in Thurber is dance and work, and if Mort has the power to extend invitations, he must be a big gun of some kind down there. Maybe he is only the mayor's assistant or the sheriff or something like that. I dunno.

Lots of the steppers made statements that the Elks were the only aggregation that could put on a dance and afford the maximum amount of pleasure. Mr. Jury informs us on

the q. t. that the Shriners are putting on the same kind of a party on the 20th, and that it is going to be a live racket all the way through. He didn't say they were going to try to compete with any Elks' entertainments, but maybe the idea is to put Elks' excitement in second place. If the madre de hotel and his gang of Crescents can do that, he won't have to break his arm patting himself on the back; others will pat for him, matter through the courts.

Then someone explained that there are two kinds of teal, one who wears feathers and is a fast bird, which attains the speed of about 120 miles an hour, and the other bird who wears clothes and is not quite so speedy, but much more sure in the things he does. We pass this dude later on the street, and he was talking to himself, saying, "Teal, teal, teal, teal." ditto and more ditto.

PEASANT GROVE ROAD CHUCK HOLES FILLED UP

Yesterday an amigo made the remark that he was going to shoot teal Sunday morning.

Some dumbbell interpreted this conversation incorrectly and declared that he was a good friend of the street commissioner's and if this hunter was in earnest, he was going to call out the reserves and see that there would be no commissioner hunt

Sunday morning. He said if this bird had it in for Teal, why not take it out in a fist combat or run the from Ranger to Eastland.

ABILENE SWAMPS BRECKENRIDGE HI

BRECKENRIDGE, Nov. 10.—Abilene Eagles smothered the Breckenridge Buckaroos here on the high school athletic field this afternoon by a score of 74 to 0. It was a continual march up and down the field for the visitors. Breckenridge's defense was pitifully weak.

Football Players Who Fail To Bring Home the Bacon Seize Cake

Having failed to come home with the bacon from Cisco, the Rampagers (six of 'em) decided to take home some of the cake, available. They swarmed down on the St. Rita's school building, where a dinner was being given in honor of the public opening of the new structure and had dinner. When the strains of music reached the dining room force in the basement from the upper floor, all but the hungry players hurried up stairs to see the play.

Someone, who evidently was not interested in the play or felt her duties calling her back to the dining room, tripped back down the stairs only to see the boys hurrying out a rear door with something under their red blankets.

Investigating, three whole cakes and several cut cakes were found missing.

"The boys win," one of those connected with the dinner said as she ordered some cakes brought out from a downtown bakery.

CULWELL AND BRADLEY SHOULD REACH RANGER TODAY FOR THEIR 10-ROUND ARMISTICE DAY BOUT

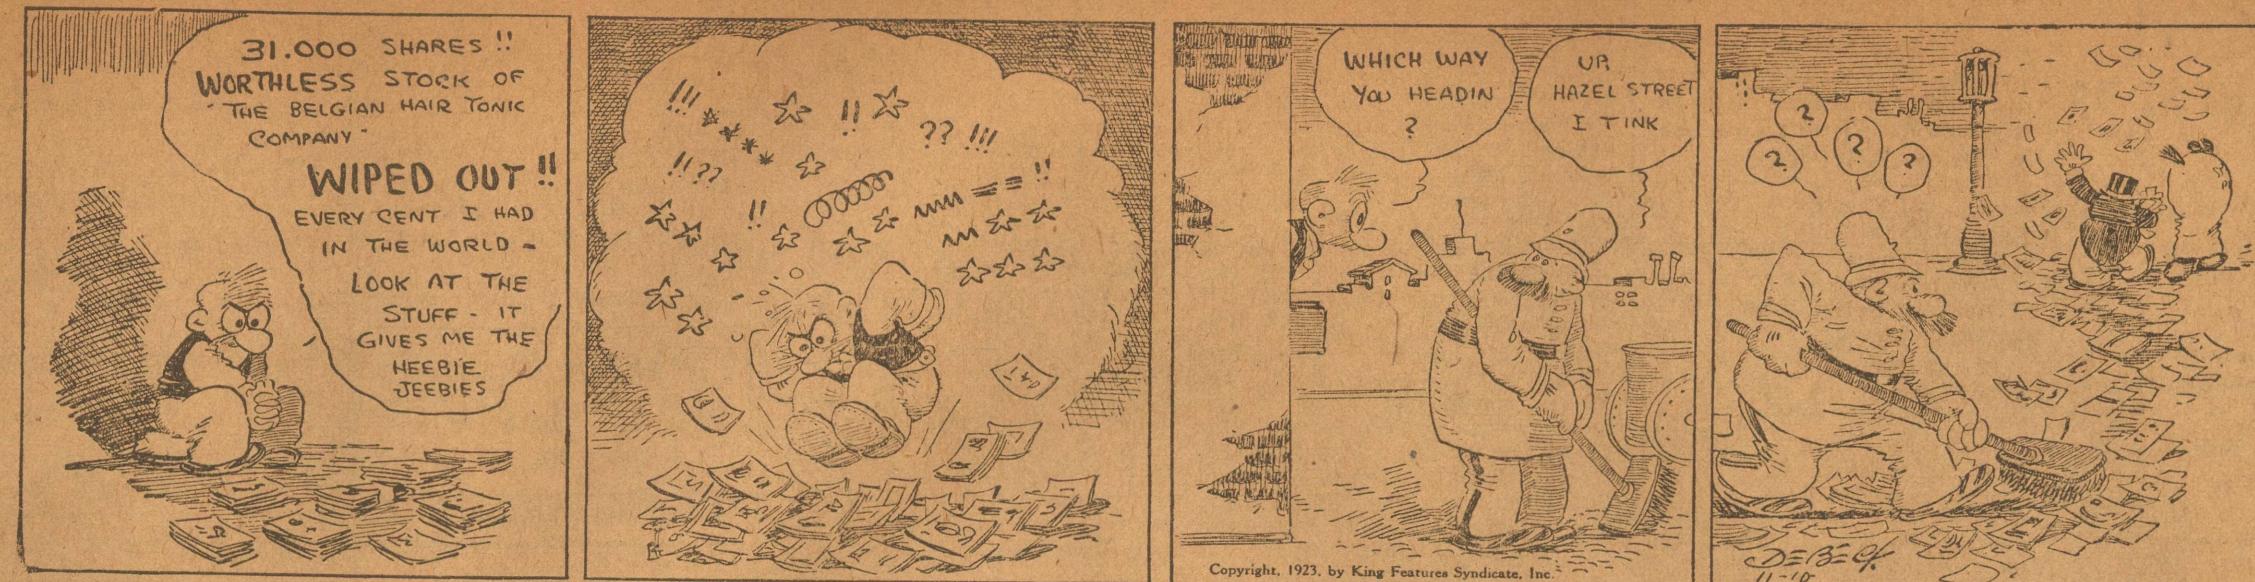

Dutch Culwell and Lefty Bradley will come in from Dublin and Coleman sometime today for their 10-round fistic battle at the Liberty theatre Armistic night. Letters to this effect have been received from both men by J. M. White, chairman of the athletic committee of the Lions club, which is sponsoring the boxing show.

The show, which will be conducted in accordance with the state laws, will also have on the program besides the Houghton-Rainey battle, an additional card. Pug Seale, who boxed Roy McCleskey in the Labor Day show of the Lions will take on "Red" Whitehall of Ranger. Seale gave a good account of himself against McCleskey and he is popular with Ranger fans, because of his clean sportsmanship and gentlemanlike qualities. It will be six rounds.

Referee Not Chosen

A choice of referees has not been made, White said Saturday. J. B. Heister is being mentioned as a likely referee. Whitehall, who refereed the Labor Day matches to the evident satisfaction of the principals, and will

CISCO LOBOS BATTER RAMPAGERS, MAROONS TRY DESPERATELY BUT FAIL TO DRIVE THROUGH SCORE

By HOWARD BARMAN

CISCO, Nov. 10.—A fighting, battered and bruised Ranger team held the undefeated Cisco Lobos scoreless in the second half here on Chessley field Saturday but were unable to match the six points made by Cisco in the first half and went down to a glorious defeat.

Ranger was beaten by a team that had qualities of a better eleven. It might have been a different story if Lawrence Lonsdale had been able to play. Lonsdale's absence made necessary a number of changes. And there was the rift in the student body early last week, but which fortunately was scattered before the critical Saturday game. If it affected the athletes' playing, an individual on the sideline didn't know.

Penalties Mar the Game
Ettlinger would not stop to warn a player about holding or shoving but would pick up the ball once he caught a player pushing and step off the regulation penalty. These illegal tactics married the game.

Wilson and Westerfelt, left end and left tackle for Cisco were penalized three times in succession in the first half of not being on the scrimmage line. They were always back of it. The holding and pushing was the worst in the second half and was enough to make the Ranger coaches eat dirt.

Score in First Period
When the march down the field into Cisco's territory began late in the last period, the breaks such as fumbles and penalties turned the tide the other way. It was the Rampagers dying thrust. It was the final desperate attempt to throw off the ever present Lobo tacklers. But they would swarm through the interference and count the gains not in yards but in feet.

Rampagers Fight Grimly
The Ranger supporters will hardly forget so soon the grim battle the Rampagers, weary and worried, made to even up the score in the last period. It is not to be wondered they wept as they walked off the field in blankets. They saw Ford Shell, their roving center forced finally to quit with a bad wrist. They heard James Zarafonetis beg Quarterback Rummage not to throw the ball to him anymore—his arm was gone. And poor Carl Althausen had to be dragged off the field in the first half when he got his old injury on his right hips hurt again.

The defeat meant that there would be no district championship game with Abilene. But the boys before even taking up their blankets, remembered they had one more task, so they grouped themselves together and performed the final vocal task with all the sportsmanship of men unafraid. Badly battered as they walked off the field in blankets.

Wilson tried a placement from the 10-yard line later, but he failed again. George Zarafonetis made a thrilling end run in this period that brought new hope to the Ranger supporters. Shell was bringing his man down

time and again. "Atta boy Tee Bone," was the cry when his deadly tackling was in evidence.

Wilson Makes Pretty Run.
Wilson, left end for Cisco, made a pretty 20-yard run through a broken field, zigzagging his way by four Rangerites. Referee Ettlinger once had to coax Arnold Williams of Ranger and Stubblefield of the Lobos to give up the ball. Both were earnestly laying claim to it but it went to Ranger. The ever-present Williams was there with his familiar pat on the back.

Yonkers caught the attention of the spectators when in a fake pass, he slid his tacklers off and skirted around left end for 12 yards. He attempted a forward pass less than a minute before the end of the game and it was caught by a Lobo.

George and James Zarafonetis, brothers, both played a brilliant tacklition play by the way.

The Rampagers' backfield did not attempt a fake line buck play once during the game.

The Lineup:
Ranger (0) Cisco (6)
G. Zarafonetis (capt.) Wilson

Williams	left end	Westerfelt
Gullahorn	left tackle	Lee
Shell	center	Grist
Dupree	right guard	Mobley
Collins	right tackle	Smith
Wilson	right end	Alsobrook
Althausen	right half	Berry

The gallant fighting spirit that flamed forth time and again, once on Ranger's one-yard line, holding Cisco for a fourth down, was ample evidence of the loyalty of the Ramplagers against almost hopeless odds.

The football fight was waged in the middle of the field for the most part in the first period. Captain Tom Yonkers for Ranger and Brown for Cisco used their toes on several occasions but the ball would get back to the 40 or 50-yard line.

Score in Second Period
The Cisco score came a few minutes after the opening of the second period. The ball was worked to the 15-yard line when James Zarafonetis grabbed the pigskin. Yonkers attempted apparently a fake forward pass and then dropped it to give it a send off. It rolled instead into the waiting hands of a Lobo. The Rampagers' line buckled on successive line backs, and Quarterback Moore sprawled over when he had but six inches to go. Ernie Wilson tried for a point after touchdown but it sailed to the left of the horizontal bars.

Wilson tried a placement from the 10-yard line later, but he failed again. George Zarafonetis made a thrilling end run in this period that brought new hope to the Ranger supporters. Shell was bringing his man down

FIVE MINUTES SILENT PRAYER IN MEMORY OF THE SOLDIER DEAD

Virgil T. Seaberry, post commander of American Legion, Dublin-Daniels Post No. 70, has issued an address to all patriotic citizens of Eastland in the name of the American Legion and ex-service men, asking all business houses of every kind to close their doors promptly at 11 o'clock Monday morning, November 12, and remain closed five minutes while silent prayer is offered in memory of the men who died in service.

Also that all business houses close their doors at noon Monday for the remainder of the day.

He urges all citizens to decorate their cars, their offices and their homes appropriately with flags and in every way to make the Armistice Day celebration worthy of the city and "our boys."

A CAR BUILT TO FIT THE PRICE

HAYNES?

When a manufacturer announces such a tremendous value as the Haynes 60 at \$1295 the public naturally wants to know why such a low price is possible—how the manufacturer can offer such a tremendous value—why this new Haynes can be offered at a price which is \$300 to \$400 below similar cars of other makes.

The answer is—Haynes foresight! The oldest automobile builders in America have always studied the public demand—realized the opportunities of the future as well as the present. This new Haynes offering, at its amazing price is recognition of an opportunity which has been waiting for someone to grasp it.

It is the opportunity of bringing down price first, and thus bringing down production costs by increasing volume. At the new Haynes price, the Haynes factories know that more Haynes cars can be built and sold than ever in history—AND STILL THE QUALITY CAN BE MAINTAINED.

It is your opportunity to save \$300 to \$400 if you want a car as fine as the Haynes. Like previous Haynes models, it is powered by the Haynes light six engine, built on a 121-inch wheel base, and equipped with

ELKS' DANCE PUTS OTHER ELK EVENTS IN THE SHADE

The Elks' circus was interesting, entertaining and instructive, after the manner of a circus, and the Elks' jubilee was a knockout. Seemingly the nth power of pleasure was afforded to antlered and antleries who attended. But those gave their time and received the pleasure of putting over these two Elkish events

have cast them into the discard as the most pleasureable things in the world and nominated the Elks' Summer Garden, Friday, Nov. 9, 9 o'clock; Moore's Peppy Five; Oh, boy! as the most wonderful event since the ending of the World war.

It is highly necessary to hand Dr. Craig and Joe Fry, who were the prime movers in putting over their party for the entertainment of those who worked for the other Elk entertainments, belts for the champion entertainers in Ranger or any other town. They're good. Any one who attended this dance will never forget the good time they had unless they forgot everything their brains have ever absorbed, and even then they'll probably rave about it in their dreams.

NEW TELEPHONE EXCHANGE WILL SERVE TODAY

The handsome and efficient new telephone exchange of the Eastland Southwestern Bell Telephone company is slated to be put into service Sunday.

The building, at 313 South Mulberry street, was completed Saturday as scheduled, with the exception of a few minor details and finishing touches.

The plant is the last word in electrical service equipment. The switchboard will care for 800 subscribers and can be extended to accommodate 2,000 or more stations, thus taking care of all possible future growth of Eastland for some time to come.

An entirely new central office has been installed in the building. The whole improvement cost upwards of \$200,000, with \$35,000 on inside apparatus and \$75,000 on outside replacement.

This means the passing of the "coffee grinding" cranking system in Eastland. Hereafter it will require only the lifting of the telephone receiver from its hook to get central.

It is calculated that it will take about three weeks or more to get all the operating force thoroughly trained in the operation of the new switchboard and in the meantime the service will not be as good as the Southwestern Bell Telephone company likes to furnish its patrons.

Eastland subscribers are earnestly solicited to exercise patience and make due allowance until the new arrangements become familiar.

In a short time, the public will be invited to the telephone building to inspect the new equipment. Mutual understanding will go long way toward getting good service.

It was planned to require approximately five minutes to complete the transfer from the old to the new system. This work was to have been done at 6 a.m. Sunday.

If patrons have any trouble with their phones during Sunday, they are requested to bear in mind the cause.

Officials of the telephone company assisting Manager Daniel in the completion of this new work are C. W. Harrison, division construction foreman, Fort Worth; Thomas Stewart, division equipment supervisor, Fort Worth; E. L. Ellis, division traffic supervisor, Fort Worth; Bert Johnson, Dallas; A. L. Higinbotham, district plant chief, Abilene; P. P. Snowden, district traffic chief, Abilene; C. L. Stewart, district manager, Abilene; R. W. Flowers, construction foreman.

EASTLAND MASON'S GOING TO SCOTTISH RITE REUNION

FINISHING TOUCHES GIVEN TO SOLDIERS MEMORIAL FOUNTAIN

A large crowd of the curious stood around in the Eastland county court house yard all Saturday afternoon, watching workmen set up the memorial fountain which the women of the Eastland Civic league will present to Eastland county, Monday, in honor of the soldiers who died in the world war.

The fountain, which stands 28 feet high, is cylindrical, carved from marble and on its base carries the names of the Eastland county soldiers who were killed in action, and an inscription telling by whom the memorial was erected.

It stands at the southwest corner of the court house and will make a lasting monument to the patriotism of the community.

The unveiling of the memorial fountain, Monday, Nov. 12, at 2 p.m., and dedication by the American Legion, will solemnize this gift of the Civic league of Eastland to the county and city of Eastland and given in sacred memory of the Eastland county soldiers who went to the world war, and who never returned, and the ardent desire and faithful efforts of the Civic league, will be accomplished.

The fountain will be unveiled by signal from the post commander of the American Legion and the big flag draping the marble will be drawn by ropes of ribbon in the hands of the chairman of the fountain committee, Mrs. C. F. Smith, and the assistant chairman, Mrs. B. B. Whittington. "Taps" will be sounded by bugle by J. D. Whitehurst.

EASTLAND COURTS BEFORE ARMISTICE DAY ARE QUIET

Saturday was "armistice day" in the Eastland county court house. The offices and courts were not closed officially, as the county will observe the holiday on Monday, along with the banks, schools and postoffice, but there was little or no business stirring.

No cases were scheduled in the 88th district court. Judge E. A. Hill made a trip to Cisco to attend the Eastland County Fair.

There was nothing of importance before Judge Davenport in the 91st court.

The case against J. W. Burns, charged with slaying Surgeon Hamilton, near Gorman, is set for Monday in the 88th district court. It was said there was indication that the case would be continued.

FRENCH COUNCIL OF NATIONAL DEFENSE MEETS

BERLIN, Nov. 10.—The German situation is considered so alarming that President Millerand today summoned the superior council of national defense, which never is summoned except in cases of the greatest urgency.

President Millerand presided. Marshal Foch was present as a member of the council, which went into the strained conditions in Germany in detail.

LYNCH DAVIDSON OF HOUSTON ANNOUNCES FOR GOVERNOR OF TEXAS

By United Press

HOUSTON, Tex., Nov. 10.—Former Lieutenant Governor Lynch Davidson, in an address by radio tonight, formally announced his candidacy for the democratic nomination for governor of Texas in the primaries next July.

Mr. Davidson insists he is not the candidate of any special interest, bloc, group or association; that his major principles will be: more business in government and less government in business, reformed taxing system which will lower taxes, state expenditures within the state's income eliminated of unnecessary state bureaus or offices, financing a better educational system, freed from politics and given better rural school facilities; more improved highways, enforcement of all laws, including the prohibition law; full market prices for farm products, and the conservation of the state's natural resources. He stated that he has been and is yet opposed to the Ku Klux Klan, believing the creating or fostering of racial, religious or class strife among the people by individuals, groups or organizations is inconsistent with the ideals and purposes of the American people.

MRS. ENRICO CARUSO IS TO MARRY AGAIN

Mrs. Enrico Caruso

Mrs. Enrico Caruso, widow of the famous tenor, is reported engaged to marry Capt. E. A. Ingram, a wealthy Scotchman. Mrs. Caruso was the former Miss Dorothy Park Benjamin, daughter of the late Park Benjamin, who with her brothers and sisters, was cut off with \$1 in their father's will. Her romance with Captain Ingram is said to have begun when he gave her swimming lessons.

ABLE ATLANTA LAWYERS TO APPEAR IN MURDER TRIAL OF PHIL FOX

ATLANTA, Nov. 10.—Philip E. Fox, Ku Klux Klan publicity agent, who shot and killed W. S. Coburn, attorney for the Simmons faction of the Klan, was taken to a hospital ward in the Fulton county hospital today for examination by an alienist, who was called into consultation by Dr. Linton Smith, family physician. The prisoner has been complaining of nervousness and slept only one hour Thursday night. He was found too nervous to undergo examination and was taken back to jail.

The law firm of Branch and Howard has been retained by relatives and friends of Coburn to assist in the prosecution of Fox. It has been announced previously that former Governor Frank Dorsey and Frank Hooper had been engaged to defend Fox. The attorneys visited the jail today for their first conference with Fox.

Robert Allen, attorney of Dallas, has returned home, stating that his mission here had been completed. He explained that he merely came to see that Fox was provided with able counsel.

It is said that several of the ablest members of the Atlanta bar will be in the case.

FATHER AND SON WEEK, WORLD-WIDE, BEGINS TODAY

HOUSTON, Nov. 10.—Throughout the whole wide world the opening day of "Father and Son Week" will be observed tomorrow.

Begun several years ago by B. M. Russell, boys' work secretary of the Y. M. C. A., in Providence, R. I., who believed that a week set aside each year to get fathers and sons better acquainted, would be of inestimable value, the movement has spread all over the world.

Throughout Texas the movement will be started with a series of "Father and Son" banquets held in the various cities and towns. In addition to the Y. M. C. A., churches, men's clubs and other organizations are taking part in the day's observance.

PRESBYTERIAN AUXILIARY
WILL MEET TUESDAY

The ladies of the Presbyterian auxiliary will meet Tuesday morning at 9:30 o'clock at the club rooms and will spend the morning sewing. Dinner will be served there at noon; and final plans will be made for the Christmas bazaar which will be held the 24th of this present month.

FIRST BAPTIST LADIES
HAVE QUILTING PARTY

The ladies of the First Baptist W. M. U. met for quilting on Thursday morning at the home of Mrs. Perry Fox. At noon a delicious turkey dinner was served by the hostess to about 22 ladies. The society will meet again Monday at 1:30 o'clock at the church and will continue their quilting as there is much to be done for the Buckner Orphan home.

CONGRESS OF MOTHERS
NOVEMBER CALENDAR

An interesting calendar for the month of November has been announced by the Texas Congress of Mothers and Parent-Teacher associations.

Child labor program, world court week, Nov. 5-10. World court Sunday and Armistice Day, Nov. 11. Fifth annual children's book week, Nov. 11-17. T. C. of M. and P. T. A. convention at Tyler, Nov. 19-23. Education week with a special day to be observed as appreciation and good will day. Parents' day, Nov. 23. Texas State Teachers association meeting in Fort Worth with the P. T. A. sectional meeting, Nov. 30.

Through all these activities will be found the spirit of Thanksgiving which will culminate Nov. 29, when the whole Christian world will pause and give thanks to the Father for the manifold blessings of a civilization that makes these things possible, realizing fully that only the teachings of His Son, Jesus Christ, the Prince of Peace, could have taken the child and set Him in the midst as the future of the future.

P. T. A. STATE MEETING
OPENS NEXT WEEK MONDAY

The annual state convention of the Texas Congress of Mothers and Parent Teacher associations will begin Monday, Nov. 19, at Tyler. It is announced that there will be addresses by the national president, Mrs. A. H. Reeve, of Philadelphia, Gov. Pat M. Neff of Texas and Dr. Owen Lovejoy, national health expert of Washington, D. C. Problems relating to child life in the home and school will be discussed by experienced speakers, and the child labor problem will have an important place on the program. Mrs. C. E. Maddocks, president of the first district, will represent the combined Parent-Teacher associations of Ranger at this session.

PROGRAM FOR 1920 CLUB
ON SOCIAL BEHAVIOR

Sentiments and social behavior will occupy the program time of the 1920 club on Thursday, with Mrs. Charles G. Norton as leader. The following papers and discussions will be presented.

The place of the sentiments in social behavior and their nature. Mrs. S. P. Boone.

The growth of sentiments, Mrs. Rex Outlaw.

The relation of sympathy and sentiment, Mrs. M. R. Newham.

Questions and discussion:

What is the psychological composition of a sentiment in the individual? What lights does this throw on social sentiments?

Why is it hard to change public sentiment?

What relation can be found between sentiment and laws?

What is meant by the moralization of the self-regarding sentiment?

Give an accurate definition of sympathy.

What connection is to be found between sympathy and "consciousness of kind?"

MRS. CRAIG HOSTESS
TO THURSDAY BRIDGE

Members of the Thursday Bridge club were delightfully entertained last Thursday at the home of Mrs. C. C. Craig. High score prize, a handsome satin pillow, was won by Mrs. John Thurman. Low score prize, a pair of embroidered cup towels, went to Mrs. Finney. Those present were, Mmes. A. L. Berger, E. E. Crawford, John Thurman, E.

FOE AND SHORT STORY
INTEREST NEW ERA CLUB.

A splendid attendance of members, and a gratifying completeness of program characterized the regular meeting Wednesday afternoon of the New Era club. Poe and the short story was the topic of study, and Mrs. Earl Taylor the leader. Papers were read by Mrs. Taylor, Mrs. L. C. G. Buchanan, Mrs. A. G. Jury and Mrs. E. L. Shattuck, the reading, "Mask of the Red Death," by Mrs. T. B. Scott, and discussion led by Mrs. D. L. Jameson.

Confederate lyrics will be studied again at the next meeting, Nov. 28.

ST. RITA'S NEW SCHOOL
OPENED FOR INSPECTION.

St. Rita's new school building on Blackwell street was thrown open to the public last night for the first inspection. Several hundred people visited the building and ate dinner, prepared by the ladies of St. Rita's Altar society.

The new building has an auditorium with a stage and all of the scenic effects and curtains, also a moving picture booth. The little auditorium was prettily decorated with autumn leaves, flags, bright colored paper and flowers.

Dinner was served in the basement, which will be used as a recreation hall when the weather is inclement outdoors. There is a dormitory on the second floor. The building is equipped in a modern fashion.

MRS. ERNST. HOSTESS
TO WEDNESDAY BRIDGE.

Mrs. A. E. Ernst entertained Wednesday Bridge club, her hospitality being enjoyed by Mmes. Walter Burden, C. A. Conley, A. L. Berger, W. R. Lowe, J. F. Champion, E. L. McMillen, H. S. Logsdon, W. D. Conway, F. A. Brown, F. G. Yonkers, J. L. Thompson, and J. B. Haden. The high score prize, a handsome black compote, was won by Mrs. Haden.

Mrs. W. D. Conway will be the next hostess. Dainty refreshments were served the hostess being assisted by her sister, Mrs. Overlie.

1920 AND NEW ERA CLUBS
LAN LYCEUM COURSE.

Plans for the 1920 club for their lyceum course are fast and surely maturing, and announcements of this splendid course are being placed in all neighboring towns near Ranger. So seldom is it possible for Eastland county citizens to hear a grand opera well given without going to one of the larger Texas cities, it is felt that there will be a large attendance for the opera of "Faust" which will be given in Ranger, Nov. 23, by the Milton Aborn Grand Opera company. The performance will be sung in English, at the liberty theater, and will be the first number of this course.

The second number, "Smiling Through," will be presented Jan. 23, with a splendid company from New York, where this great play was one of the most patronized in a long run of two years.

In February, on the 29th, the celebrated American sculptor, Lorado Taft, will be heard in Ranger in his lecture, "How Statues Are Made," illustrated with material from his own studio. Mr. Taft has executed many remarkable statues and has acquired world-wide fame, and his coming to Ranger is an event of no

little importance. It is an assured fact that he is one of the principal drawing cards, if not the principal one of the entire course.

Season tickets for these three splendid events are now on sale, and may be purchased from any member of the 1920 and New Era club or by mail from Mrs. J. B. Haden. Tickets will also be on sale in Ranger at the Texas drug store.

ST. RITA'S ALTAR
SOCIETY MET THURSDAY.

The ladies of St. Rita's Altar society were guests on Thursday of Mrs. H. J. Mendenhall whose hospitality was enjoyed by Mmes. H. A. McLaughlin, P. J. O'Donnell, Walter J. Cluney, Pat O'Neill, W. N. Bourdeau, M. Leveine, J. F. Cleveland, F. G. Yonkers, E. A. Nentwig, W. W. Wood, J. E. Baham, Tom W. Smith, Gallagher, Anna Barman, F. Higginbotham, C. A. Conley, Charles Dyar, George Fengler, and the hostesses.

The society will meet Monday afternoon at 2:30 o'clock in the Knights of Columbus rooms at the Ghoson hotel. This will be an important business meeting.

TIFFIN

The box supper Friday night at Tiffin school was a pleasant social event for the community. Most all the families near Tiffin were represented and many of the tiny little girls brought boxes which were sold at reasonable prices to fit the pocketbooks of the little gentlemen who purchased them. The total proceeds from the sales were \$26.55.

The program, which preceded the sale of the boxes, was as follows:

Windmill song, a motion song by Harold Scott, Amazar and C. M. Bowen, Kenneth Holly, Neal Thomas, Quincy Owens, W. D. and Bessy Young, Donald Flake, J. F. Kelley, Elmer Norris, Glenn Manning, Hubert Hale, Joe Lee Bettinger Jr., and Varrell Hale.

Reading, "Mamma's story," by Wilmina Jarvis.

"Teddy bear has a lair," song, by Margaret Norris, Helen Britton, Ruby Jarvis, Berenice Miller, Annie Byrd MacFarland, Virginia Lee Norris, Glenn Lee Jarvis, Robert Bettinger, Kenneth Holly, Bessey Young, and James Heame.

"Fairy land," reading, by Annie Byrd MacFarland.

"Jacky frost," song, by Gladys Miller, Mary MacFarland, Wilmina Jarvis, Marguerite Lester, Lillian Bennett, Christine Bowen, Mildred Miller and Virginia Lee Norris.

The parent teachers association will have its next regular meeting day in the school house next Thursday, Nov. 15, as the regular days are the first and third Thursdays. All of the patrons of the school, as well as the membership are invited to attend.

CHIROPRACTIC

(K-I-R-O-PRAK-TIK) is a new science of adjusting the cause of disease, without drugs, based on a thorough knowledge of the nervous system. Nerves which control the various functions of the body emerge from small openings between the bony segments of the spinal column. A slight variation of these bones will cause pressure on a nerve and cut off the flow of mental impulses, lowering the vitality and the power of resistance of the tissues, the result of which is disease. The Chiropractic method is to adjust the abnormality, remove the pressure by removing the cause, and thus permit the nerve to regain its normal size and function, restoring health. If you are ill and have tried everything else without results, why not try Chiropractic (spinal) adjustments and get well?
