DRILLING FOR OIL IN RANGER TERRITORY

\$3,000.00 IN PRIZES FOR SPARE TIME EFFORTS

Three Splendid Automobiles--- Other Awards

Stupendous Vote Contest Announced, Open to Country and City. Upright Piano for Which Churches or Societies May Compete. Gramophone and Diamond Ring Also Given Away.

Three automobiles, piano, talking machine, diamond ring! Three thousand dollars in prizes! An opportunity of a lifetime! That is what the Times Publishing company offers today in announcing the biggest and most liberal automobile and prize campaign in the history of this section.

All of the prizes are absolutely free. Every one in the large territory covered by the Ranger Daily Times, Eastland Daily Telegram and Eastland Chronicle, with the exception of employees of these publications and members of their families, are eligible to compete for these prizes.

The campaign officially opens next Wednesday. Energetic men and women, however, will enter the race for the fortune in awards at once, thereby getting the advantage of an early start.

The Times Publishing company has conducted other campaigns in the past, but none of them approach the present one in liberality, magnitude, and magnificence.

Grand Prize Automobiles

The grand prize automobiles will be presented to those making the best showing in the field at large, as specified in the double page announcement, during the campaign.

The grand prize automobiles are: \$765 late model Chevrolet coupe; \$650 late model Ford coupe; \$450 late model Ford touring car.

The candidate making the best showing in the campaign will receive the Chevrolet coupe; the candidate making the next best showing in the entire campaign will receive the Ford coupe. If both of these cars are won in the country, that is, any of the territory outside of Eastland and Ranger, then the Ford touring car will go to the person having the largest number of votes in Eastland or Ranger. If the Chevrolet and Ford coupes are won in Ranger and Eastland, the Ford touring car will go to the candidate having the largest number of votes in the outside territory. Thus Eastland and Ranger can win two cars, or the country has the identical equal chance with the cities of Eastland and Ranger. Two cars must go to the country territory, or to Eastland and Ranger, and the third car to the opposite territory in which the two cars are won. After the cars have been disposed of, the candidate in the field at large having the greatest number of votes will receive the \$200 talking machine. The candidate having the next greatest number of votes, the \$150 diamond ring.

\$500 Piano Special Prize

The \$500 upright piano is a special added prize open for competition only to organizations, churches and societies. An opportunity that may never come again to furnish a fine instrument for a church or hall. Have you ever yearned for a splendid motor car to whisk you away over the smooth highways to the land of pleasure—to a place where you can forget your business troubles? Have you ever realized how much your earning power could be increased if you had a motor car to speed you over the country? Or have you ever sat in your church or with your favorite society or organization that had no piano and realized how much you would like to present them with one if you were able? Probably you have, and if so, you have the chance of a life time to have your wishes gratified.

The attractive manner in which the prizes are to be awarded gives every candidate the same chance of winning regardless of where he or she lives.

Generous Commission Offer.

A 20 per cent cash commission will be paid non-prize winners who comply with the rules governing the campaign, so that all who work must receive compensation in accordance with their effort.

THREE YOUTHS SLEEPING ON TRACK ARE KILLED

EL PASO, Jan. 26.—Thurman Jackson, 22, Detroit, Mich., Carl Sadtath, 20, of Jonesboro, Ark., and an unidentified youth were run over and killed by a slag train at a smelter near here Friday. A companion who escaped said the boys had gone to sleep on the track.

RANGER'S NEW HOSPITAL TO BE READY FEB. 1

Superintendent Busy Getting Everything Arranged for Inspection Visits.

"The hospital will be opened in time next week, if I have to call for volunteers," said Miss N. Chappelle, superintendent of the Ranger City-County hospital, Eastland hill, Saturday, after greeting the reporter at the main entrance. She explained that several persons were doubtful about everything being in readiness by Feb. 1, after looking the building over and seeing the volume of work to be done in putting furniture and equipment in order. "But we're going to do it," she added. "I have had to place a sign on the door telling folks the place will not be open until Wednesday. We had so many callers—I think there were 40 yesterday—that I had to do it so I could work without interruption."

Visitors Can Come Wednesday. Much as Miss Chappelle would like to show her visitors through, she finds it steals too many hours away from the time she needs in supervising the installation of equipment, and so the hospital doors will positively be closed to visitors until Wednesday morning.

She asked that the public help her in getting the building ready by asking to be shown through until Wednesday. The latest design in hospital appointments that tends to make the patient comfortable and insures a pleasant environment was included in the architect's plans for the City-County hospital.

There is the light system that summons a nurse to the private room or ward of a patient. By pressing a button, an electric light flashes above the room's entrance and simultaneously in the superintendent's office. The number of the room is illuminated in her office, thereby identifying the call. The superintendent then knows how quickly the call is answered, for the light continues burning until released in the patient's room by the nurse.

Furniture Built of Metal. The furniture is of metal. A dresser, bedside table, rocker, (Continued on page seven.)

RANGER ROTARIANS BRINGING NOTED HEALTH ADVISOR HERE FEBRUARY 8 TO ADDRESS PEOPLE

The Rotary club has arranged to bring Dr. Charles E. Barker, of Grand Rapids, Mich., here for a series of addresses on Feb. 8. For more than a year and a half, Dr. Barker, under the auspices of the Rotary clubs, has been delivering his addresses throughout the United States.

During the four years that William H. Taft was president, Dr. Barker was his health adviser, and under his direction, for an hour each morning, Mr. Taft followed a system of exercises that kept him in splendid physical condition.

In the afternoon at 3 o'clock, at the Liberty theatre, Dr. Barker will speak to mothers and daughters on the subject, "The Mother's Relation to Her Daughter." In the evening he will talk to men on "A Father's Responsibility to His Son." Though the addresses are directed to the particular sex, men and women are urged to attend each of them.

At the high school, during the morning session, he will speak to boys and girls together on "How to Make the Most Out of Life."

Dr. Barker handles his subjects forcefully and entertainingly, and what he has to say is timely and inspiring. Each address occupies about an hour.

The entire expense of the doctor's visit is being borne by the Rotary club as a contribution to the welfare of the city. There will be no admission fee and no collection at any of the meetings.

The Brownwood Chamber of Commerce is sending out an urgent invitation to the business men of this territory to attend this session. While there will be an all-day meeting, Mr. Mann's address will be given immediately after lunch.

The Eastland Chamber of Commerce announces it will be glad to assist in arranging for a party to go to Brownwood on that date. Those who desire to go should notify the Chamber of Commerce Monday.

JAPANESE CLAIM THE GENTLEMEN'S AGREEMENT IS NOT BEING OBSERVED

WASHINGTON, Jan. 26.—Japan has made another protest to the American government on discrimination against the Japanese in the United States. It was learned today that the Japanese ambassador had presented to the state department a communication making representations against a clause in the immigration bill introduced in the house by Representative Johnson of Washington and in the senate by Senator Lodge which would bar all Japanese from the United States.

Should this bill become a law, it would supersede the "gentlemen's agreement," which was negotiated years ago. The Japanese note takes the position that passage of the pending immigration law would be a violation of the gentlemen's agreement.

The United States supreme court held that Japanese can not be naturalized. The enactment into law of the present bill would have the effect of declaring Japs inadmissible to the United States.

West Texas Sunday, fair, rising temperature.

PAY YOUR POLL TAX

Only four days remain in which to pay the state what is owed as a duty to the schools and an evidence that the desire to exercise the citizen's right to vote is not dormant.

Each day the line of the eleventh hour poll tax payers grows longer. It will continue through Monday, Tuesday, Wednesday and Thursday of this week, and after that it will be too late to obtain a poll tax receipt that will qualify for voting this year. Get in line early, all who have not paid their poll taxes, and avoid the long wait of the last days.

Pay your poll tax Monday.

CHIEF'S WRATH AROUSED OVER FALL'S ACTION

President Coolidge Turns Stern Glance Also Towards Sinclair and Doheny.

WASHINGTON, Jan. 26.—With President Coolidge personally urging it on to whatever bitter end it may reach, the Teapot Dome scandal had reached the brink of definite action tonight, which in a short time may put it in civil or criminal courts or both.

The executive and criminal branches of the government concentrated today as they have not done since the famous Ballinger-Pinchot controversy.

The two objectives are: First to get all the facts and, second, to right all the wrong that may have been done.

Unless all later testimony shall change the situation, it is practically certain congress will go on record for abrogation of the oil leases which Albert Fall, former secretary of the interior, gave to E. L. Doheny and Harry Sinclair. Doheny has a lease on two naval reserves in California and Sinclair owns Teapot Dome.

Determination of the administration to rid itself of the stigma attaching to the leases and Fall's receipts of large sums of money from men to whom he gave the leases was evident when President Coolidge let it be known the secretary of the interior, Hubert Work, was instructed to determine whether the naval leases are legal. If they are not, they will be annulled at once. Secretary Work immediately put the department solicitor to examining the leases.

The house swung into action on the case when Representative Garrett introduced two resolutions directing President Coolidge to take immediate legal action to cancel the Teapot Dome and Doheny leases.

The Garrett resolution followed after his conference with Senator Walsh of Montana, leader of the senate investigating committee, and specifically provides for the immediate full preparation of legal proceedings by Attorney General Daugherty.

TEAPOT DOME SCANDAL MAY BRING DEFEAT TO G. O. P., SAYS BRYAN

LITTLE ROCK, Ark., Jan. 26.—The Teapot Dome scandal is jeopardizing the republican chances for success in the coming presidential election, William Jennings Bryan said in an interview here tonight. "It is bringing out as no other factor ever has the republican party's interest in big business," he said. "Proceeding of the present congress will have much to do with the selection of a democratic standard bearer; the prospects for a democratic victory are getting better every day," said Bryan.

BODY OF CHAUFFEUR IS FOUND IN DALLAS, HIS CAR IN FT. WORTH

FORT WORTH, Jan. 26.—A police investigation was under way here today following the discovery of a service automobile abandoned near the car barns here and covered with blood. In the back seat of the machine were found several human teeth, part of a skull and bits of human brains. A card bearing the name of Ed Reed, Dallas, also was found in the car.

DALLAS, Jan. 26.—The body of Ed Reed, negro chauffeur, whose car was found in Fort Worth early today, was found in Riverside Park, Oak Cliff, this morning. Reed was a driver for Will Hodge, owner of a service line in Dallas. He is said to have received a call to Oak Cliff late last night, and it is thought he was there assaulted, killed and his body thrown from the car.

ALVIN BANKER FOUND GUILTY OF FORGERY

HOUSTON, Jan. 26.—W. R. Davis, former president of the Farmers State bank of Alvin, was found guilty of forgery in district court here today and sentenced to two years in prison.

NEW OIL POOLS NOW SOUGHT IN EVERY SECTION

Optimism Prevails Among Operators and Prospectors and They Are Working Hard.

The spirit of optimism prevailing among the operators in the Eastland county oil fields since the beginning of the new year continues and increases with each advance in the price of crude oil in this section. "The future for the oil business in this section is very bright," said one of the leading operators of the county when approached on the subject. His views are also shared by most of those engaged in the industry here.

The discovery of oil in the Luss well, near the southern limits of Cisco, has created considerable interest in that immediate section as well as in the territory between Eastland and Cisco.

The shallow field recently discovered east of Carbon in what is known as the Bear Springs community, also continues to attract attention and many tests are going down and locations have been made for many more. The pools to the north of Ranger are attracting drillers.

The Gorman-Desdemona and the Ranger-Eastland fields have much new development in progress. In the immediate Eastland field Turner & Clayton's Mrs. S. E. Steele has been put on the pump and is making about 40 barrels per day. Same company's Harwood No. 1 on the Lewis tract is flowing by heads and making around 100 barrels per day.

Drilling Report.

Following is a partial drilling report for the county:

Humble Oil & Refining company's No. 5 Merrell on the Van Norman survey, drilling at around 900 feet.

Texas company's Hightower No. 4 on the Van Norman survey, producing 50 barrels from a depth of 1,212 to 1,220 feet.

Texas company's Hightower No. 5, Van Norman survey, is a location.

Texas company's Hightower No. 6, Van Norman survey, is a location.

F. E. Day's Brelsford No. 1 on the Finley survey is a location.

Panhandle Refining company's No. 10 Hightower on the Van Norman survey is a location.

Panhandle Refining company No. 11 Hightower on the Van Norman survey is a location.

Stover-Edwards et al. No. 1 Ray, section 18, block 4, H. & T. C. Railway company survey, drilling at around 3,000 feet.

Nixon Oil company's No. 2 Parrock, section 18, block 4, H. & T. C. Railway company survey, dry and abandoned.

Mook-Texas Oil company's No. 3 J. C. Harrell, drilling.

Eby et al. No. 4 Miller, section 2, H. & T. C. Railway company survey, shut down at 3,478 feet.

Rosenfield et al. No. 1 Brunette, section 2, H. & T. C. Railway company survey, shut down at 2,110 feet.

Daugherty et al. No. 1 Johnson, H. & T. C. Railway company survey, drilling at 2,500 feet.

Burkett et al. No. 1 Hatten, on the H. & T. C. Railway company survey, drilling at around 300 feet.

Lobough et al. No. 1 E. D. Dulin on the H. & T. C. Railway company survey, is a rig.

Rosenfield's No. 1 Lewis on the H. & T. C. Railway company survey, shut down at 350 feet.

Texas Development company's No. 1 Lewis on the H. & T. C. Railway company survey, drilling at around 3,853 feet.

Donnelly Drilling company's No. 5 Martin on the Douglas survey, shut down at 3,000 feet.

McFall et al. (formerly Dorothy Oil Co.) No. 1 Ross, McLennan county school land, spudded.

Brothers Oil company's No. 2 Westmoreland on the Tyler survey is ready to spud in.

Magnolia Petroleum company's No. 5 Westmoreland on the Tyler survey, is a rig.

J. M. McLester's No. 2 Westmoreland on the Tyler survey is drilling at around 3,000 feet.

Post-Duke company's No. 3 Abernathy in the Price survey is drilling at around 1,500 feet.

Gordon et al. No. 1 Watson on the Richardson survey is shut down at 1,000 feet.

Kokomo Petroleum company's No. 2 Harris on the Hamilton survey is making 22,000,000 cubic feet of gas

OLDEN

OLDEN, Jan. 26.—Mr. and Mrs. C. H. Everett entertained the high school girls with a social dance at their home Friday night. Music consisted of a string band. Among those who enjoyed the dances were: Misses Stella Weatherall, Lula Lewellen, Ruby Hubbard, Mary Weatherall, Katy Pedger, Clemmie Rayford, Miss Adams, Mrs. Gene Fuller, Mrs. Hammett; Messrs. Sam Iverson, Orr, Edwin Hargett, Gerney Rayford, Will Edwards, Lewellen.

A large number of young people enjoyed a social at the home of Mr. and Mrs. Nathan McFadden Friday night. Those present were: Misses Edna Naylor, Grace Bullard, Velma Snyder, Jewell Russell, Wilma Gullet, Pauline Landrum, Ila Rayford, Travis Bullard, Nina McMim, Ione Lamb, Faye LeClaire, Veta Hawkins, Gertie Mae Lamb, Clara Bell Brown, Miss Lucas, Edna Mae Mum, Rebecca Wright, Clara Mae Fox, Mammie Dell Fox, Lola Branscum, Julia Hunt, Dora Lee Armstrong, Alice Mum, Lavelle Fox, Gussie Fox, Francis Henderson, Merle Howell, Cecil Hunt, Messrs. Jack Wright, Roy Horner, Adrain Lucas, Hubert Mitchell, Tommie Lee Fox, Arthur Russell, Cap Norton, Alfred Fox, Alfred Brown, Burford Armstrong, Nathan Wright, John Colburn, Raymond Armstrong, Walton Branscum, Arney Fox, Pete Wright, Andy Fox; Messrs. and Meses. John B. Wright, Bill McFadden, George Fox, Dave Mum.

Fred Gertz of the Magnolia Petroleum company returned home Thursday from Vinita, Okla., where he had been to attend the funeral of his brother.

Mrs. Robert Atkins has been sick in bed the past week. Mrs. G. M. Bullard and children spent the past week with her brother near Thurber.

The Methodist people will start a short revival beginning Friday night before the first Sunday in February. It will be conducted by their pastor, Mr. Ellis.

Mr. Sisson and family will leave soon for Pioneer to make their home there.

Ray Warner is clearing off his land near the highway, where he expects to move his house in the near future.

Walker Rice has been very ill the past week.

Mrs. J. R. Gilmore of Cisco, who used to live in Olden, is reported very ill.

Miss Birdie Mitchell spent Friday visiting her sister, Mrs. O. D. McDonald in Cisco.

Miss Jewell Russell visited Mrs. W. M. Myers of Strawn one night in the past week.

Mr. and Mrs. J. H. Carney, who have been with the Direct Mattress company here, have returned to their home at Fort Worth.

Mr. and Mrs. W. C. Lee and Mrs. W. J. Herwick have returned from Brock, Okla., where Mrs. Lee and Mrs. Herwick were at the bedside of her sister. They reported their sister improved very much.

A letter from Mr. and Mrs. G. C. Cooper reports they have arrived at their new home in Anderson county.

AMERICAN WINS ICE SKATING RACE IN OLYMPIC GAMES

CHAMONIX, France, Jan. 26.—American colors, signifying an American was winner in the 1924 Olympic games, were run up today when Charles Jewtraw won the 500-meter ice skating race, the first event of the 1924 program. The race was contested against time and Jewtraw won in 44 seconds.

RAPID WORK ON BRADFORD WELL, NORTH OF RANGER

Drillers have gone a depth of 250 feet in the W. B. Bradford well, which was spudded in Thursday evening in the Frankell district, 12 miles north of Ranger.

The well, which belongs to Sudderth, Adamson, Hartung, Fouts of Ranger, offsets the Tee-Pee Smith well on the east. Production is expected at a depth of 2,000 feet or thereabouts.

AUSTIN, Jan. 26.—Because of amending the original petition in the case set for trial at Groesbeck next Monday morning testing the validity of the motor vehicle tax license law, J. D. Fauntleroy, state highway engineer, fears the entire state highway act may be placed in jeopardy. He was in conference with Attorney General Keeling today regarding the case. Fauntleroy will be a witness for the state at the trial.

WACO, Jan. 26.—The Hamilton county case involving the validity of the state automobile tax law will be certified by agreement to the supreme court without coming before the appellate court here for hearing. The state contends that Hamilton county, in which the suit was brought has no interest that could authorize that county to receive the relief asked for.

PRISON FARM PRODUCTS HELP MAINTAIN SYSTEM

AUSTIN, Jan. 26.—Products of the state prison farms this season have brought more than one million dollars cash, according to Prison Commissioner Walker Sayles. The sugar cane sold for about \$100,000 the cotton for around \$800,000 and corn and other commodities made up the remainder. Money derived from the crops has been used in paying for maintenance of the penitentiary system. Sayles said that enough money was available to maintain the prison system on a cash basis until June 3, after which it would again go on a deficiency basis.

Murderer Preserves Heads of Victims In Cement Blocks

United Press.

AURORA, Ill., Jan. 26.—Warren J. Lincoln, eccentric attorney, who confessed to killing his wife, today led authorities to a place in the city dump where they found the heads of the woman and her brother, who, according to Lincoln's first statement, had been killed by his wife, buried in a cement block. He pointed out the spot and workmen dug several hours, finally unearthing the block of cement, which was taken to the police station and broken open.

Both heads were found in a fair state of preservation. Before going to the dump, Lincoln amended his previous statements and said he had killed both his wife and her brother. He said he decapitated his victims, put their heads in a cement mould and poured cement on them. The heads were identified without difficulty. Lincoln said he placed them in the mould in January, 1923, shortly after the crime had been committed.

The double murder occurred on the evening of Jan. 19, 1923. In previous confession, he said that he killed his wife in self-defense. He accused his wife of infidelity and said that several times she attempted to poison him.

The splendid display of nerve by Lincoln covering three weeks since his arrest, was broken when police smashed open the concrete. Lincoln fainted in the arms of Chief of Detectives Wirz.

Police continued their severe grilling tonight in an effort to compel Lincoln to tell where he had the torsos.

PASSING SIGNAL, AUTO DRIVER INJURES 4 WOMEN

DALLAS, Jan. 26.—Running past a red traffic signal today, Harold Rader drove his auto into a group of four women, seriously injuring Mrs. O. J. Reichert, whom he ran over three times.

Rader, according to witnesses, attempted to cross a downtown street when the signal was set against him. After running over the woman, he backed up, passing over her a second time. When threatened by men pedestrians, Rader, panic stricken, started forward and ran over her a third time.

Rader was arrested. The other women who were injured were: Mrs. Paul Beecham, Mrs. May Burden and Mrs. Iona Chambers.

LITTLE CHILD FALLS FROM TRAIN AND IS SERIOUSLY INJURED

United Press.

BIG SPRINGS, Texas, Jan. 26.—Claudia McCrenie, 7-year-old daughter of Mr. and Mrs. Ben McCrenie, was in a serious condition here tonight after falling off the Sunshine Special of the Texas & Pacific near here today.

The little girl, with her parents, was a passenger on the train en route from Alexandria, La., to San Francisco. The mother missed her small

daughter upon arrival here and a searching party that went back found the child about five miles from here, lying beside the track and seriously injured.

None has been able to explain how she fell from the train.

CROWN PRINCE OF JAPAN AND PRINCESS WED

Celebration Today Was Much Toned Down Because of Recent Earthquake.

By CLARENCE DUBOSE (United Press Staff Correspondent) TOKIO, Jan. 26.—Crown Prince Regent Hirohito, future emperor of Japan, and the Princess Nagako Kuni, future empress, were married here today.

It was an "earthquake wedding." The ceremonies, within the forbidden precincts of the Imperial palace, was very simple. The festivities and celebrations of the people were toned down and without pomp and ostentation. All Japan is rejoicing. But all Japan will obey the instructions of the crown prince, that both in the Imperial palace and through the empire, economy and simplicity must be practiced in connection with this wedding, in order that all available money and effort shall go to reconstruction.

Vast throngs were in the streets to watch the crown prince and his bride drive from the Imperial palace, where with the simplest of ceremonies, Shinto priests of the Imperial shrine made them man and wife, to the Alaska detached palace, where they will live. Throughout the empire simple celebrations will be held in villages and towns and cities. Even in torn Tokio and Yokohama, there are to be celebrations, of course, but celebrations subdued, in accordance with the expressed wishes of the regent.

Hirohito, 22, is studious, athletic, hard-working, of democratic disposition, fond of sports, a "good fellow," and tremendously popular with his people.

Princess Nagako, 20, daughter of one of the bluest-blooded families of the Japanese aristocracy, answers to exactly the same description. She is regarded as rarely beautiful. Like the crown prince, she is very fond of outdoor sports, tennis, golf, riding, swimming and hiking. She is an assiduous student, as he is—and as almost every Japanese is—versed in several languages, with an all-round classical education, as well as carefully trained in actual, every day household management. The Japanese system doesn't neglect that—even in the future empress.

The crown prince, as a wedding present, released from jail 47,000 prisoners held for minor offenses.

SHERIFF SEIZES FOUR CARS THOUGHT STOLEN; ONE ARREST

The sheriff's department recovered four cars, all Fords, yesterday, that are thought to have been stolen in Fort Worth. Three of the cars were found in Eastland and the other one in Carbon.

No arrests were made when the cars were found, but a man arrested here later and thought to have been connected with a gang of car thieves, is being held for Fort Worth officers.

J. A. RICE IS STRUCK BY AUTO, CUT AND BRUISED

J. A. Rice of Ranger was struck by an automobile on Main street early Saturday night and sustained a bad gash back of his right ear and also on his right leg. He was removed to the Ranger General hospital, where he was said by Dr. J. A. Shackelford to be suffering from the shock of the accident.

Rice, according to eye witnesses, stepped from between automobiles

parked in front of Jameson's store, and was hit by the fender of a coupe, said to have been driven by a Ranger man. Rice was assisted to the hospital at once. The driver of the auto was not to be blamed, eye witnesses said.

OFFICERS FIND PLENTY OF SUGAR BUT NO STILL

Operations of an illicit liquor distillery on a mammoth scale was apparently intended by a group of men somewhere near Ranger, it was disclosed Saturday morning with the

finding of 1,500 pounds of sugar, two boxes of yeast and 50 barrels of mash. The liquor making supplies were found in a galvanized iron tank, according to J. E. Boyd, deputy constable, who with Paul Boles, deputy

constable of Stephens county, and Constable U. N. Whitehall of Ranger, made the discovery. No still was found.

The officers made no arrests. The temporary storehouse was located

just beyond the Six-Mile hill on the Caddo highway, six miles north of Ranger.

The Home of Hart Schaffner and Marx Clothing
RANGER

There are many ways in which a clothing store may serve the people.

Keeping up the standard of the merchandise is one.

Keeping the prices down to the lowest possible notch is another.

Then there is the duty of selecting the right styles; of providing ample selections; of employing salesmen with taste and intelligence to help you in your purchase; of competent tailors to make alterations for you.

We are never satisfied here unless every customer goes out of our store with the clothes that are best for him; unless he has received his full money's worth in style as well as quality—in short, unless he is well dressed. Our Spring Line is now ready for your inspection.

Three late model popular automobile, piano, elegant talking machine, valuable to non-prize winners will be presented and energy, display their best qualities the next few weeks.

The Ranger Times, Eastland Telegram and their already large list of readers, instead of the of the most representative citizens of this section.

To win one of these prizes is but a matter of the other prizes offered. Now let the Times Publishing Company

To enter all that is necessary is to fill out once to the Campaign Manager Ranger Daily Times, the merry pastime of vote gathering begins will decide the winners of the automobiles and of this memorable campaign will itself be beyond

Campaign open now and continues until the office of the Eastland Telegram and Weekly Chronicle will be sent by return mail free upon request—One of these big prizes is for you.

Scan the big prize list carefully—Read the "Blank" and get it to the Campaign Manager. prize.

Nominate Yours

RULES AND REGULATIONS AND HOW TO ENTER

Fill out the nomination blank with your name or the name of the person to be nominated. Bring or mail this blank to the campaign manager and you will be credited with 5,000 votes as a starter. Any man or woman, either married or single, of good character, may become a candidate in this campaign and is entitled to one nomination credit of 5,000 votes. The campaign manager reserves the right to reject objectionable nominations. There are no obligations attached to entering this campaign, and it costs absolutely nothing to try for a prize. No candidate will be permitted to transfer votes to another candidate after receiving them. All subscriptions must be paid in cash before votes are issued. In accepting nominations all contestants agree to abide by the conditions named. The campaign manager reserves the right to make changes and conditions that are deemed necessary in the interest of the campaign, to the conditions of the prize list. The Times Publishing Company reserves the right to place additional prizes on the list. All prizes will be delivered to winners at Eastland or Ranger as soon as the winners are announced by the official judges. In case of a tie for any prizes, the candidates tying will receive prizes identical with the one tied for. This campaign opens Sunday, January 27, and closes Saturday March 29, at 9 p. m. No agreements or promises, either written or verbal, made by solicitors other than those published in the publications will be recognized. No salaried employee of publications concerned will be allowed to compete in this contest nor supply coupons to any contestant.

HOW SUBSCRIPTIONS COUNT IN VOTES

The following scales show the subscription rates and the number of votes given on each subscription according to the amount paid. Note carefully the way the votes mount upward according to term of subscriptions.

| The Ranger Daily Times or Eastland Daily Telegram | | | The Eastland County Weekly Chronicle | | |
|---|---------|---------|--------------------------------------|---------|--------|
| TERMS | PRICE | VOTES | TERMS | PRICE | VOTES |
| Six Months | \$ 4.00 | 5,000 | One Year | \$ 2.00 | 3,000 |
| One Year | 7.50 | 15,000 | Two Years | 4.00 | 7,000 |
| Two Years | 15.00 | 40,000 | Three Years | 6.00 | 11,000 |
| Three Years | 22.50 | 100,000 | Four Years | 8.00 | 18,000 |
| Four Years | 30.00 | 180,000 | Five Years | 10.00 | 30,000 |
| Five Years | 37.50 | 300,000 | | | |

There is just one way to get votes and that is by getting subscriptions paid-in-advance to the Ranger Daily Times, Eastland Daily Telegram or Eastland County Weekly Chronicle.

YOURSELF---ACT NOW AND DRIVE YOUR OWN CAR MARCH 29th

Whoever Wins Gets a Cash Commission

Attention has been set aside to pay cash commissions to candidates who don't win automobiles or pianos. Every active worker who fails to win an automobile or piano will receive 20 per cent cash commission on new subscriptions he or she has secured. Of course, he or she remains active and makes a cash report each week, of two weeks from the time of entering campaign close. NOT ONLY DOES THE CAMPAIGN OFFER YOU AN UNPARALLELED OPPORTUNITY TO WIN A HANDSOME PRIZE FOR YOUR PUBLISHING OFFER AS WELL.

GRAND PRIZE

\$450 LATEST MODEL FORD TOURING CAR
Purchased and on Display at Bohning Motor Company, Eastland

GRAND PRIZE

\$500 UPRIGHT PIANO
Purchased and on Display at W. E. Davis, Ranger

HOW PRIZES WILL BE AWARDED

The territory is divided into two districts. Eastland and Ranger proper and the outside territory at large. The prizes will be given away absolutely free on March 29th to the persons polling highest number of votes by that time. The contestant, regardless of where he or she lives, who polls the highest number of votes by 9 p. m., Saturday, March 29th, will receive the Chevrolet Coupe. The contestant polling the second largest number of votes, regardless of where he or she lives, by Saturday, March 29th, 9 p. m., will receive the Ford Coupe. After the Chevrolet Coupe and the Ford Coupe have been awarded, the candidate having the largest number of votes in the opposite territory will receive the Ford Touring Car, thus two cars are bound to go to the Eastland-Ranger territory and one to the country or vice versa. This arrangement in awarding these prizes is made that country and town may have the same opportunity to win a car. After the winners of the automobiles have been decided the next highest contestants in the field at large will receive the remaining prizes in the order of their standing (of course the piano not included except as specified below.) Bear in mind that place of residence makes no difference. The highest, regardless of whether you live in Ranger, Eastland, any of the outside towns or on a rural route, wins as outlined above. The cars are grand free-for-all prizes.

SPECIAL ADDED PRIZE FOR CHURCH ORGANIZATIONS, FIRE COMPANIES, SOCIETIES OR ANY ORGANIZATION ENTERING THE CAMPAIGN
One upright piano, value \$500.00, will be awarded to the organization securing the largest number of votes during the entire campaign. Votes credited on new or renewal subscriptions to the Ranger Daily Times, Eastland Daily Telegram or Eastland Weekly Chronicle. Any society or organization within the territory in which these publications circulate is eligible for this prize but cannot compete for the auto cars. The piano is a special added prize and offered solely to benefit a church, society or organization. The organizations competing for this prize must be entered under the name of the organization and not under the name of an individual.

WHY NOT ENTER TO-DAY?

Jump in today and put your town on the map in big red letters by winning one of these big automobiles. Not luck---not chance---earnest effort alone will win.

Test your salesmanship ability. Remember those who start NOW will have the advantage. Be an early bird!

This is a short campaign. March is only a very short distance ahead. Your hustling ability will place you in the winning list.

MONDAY.

Methodist W. M. S. 3 p. m. at the church.
Presbyterian auxiliary 3 p. m. at club rooms.

First Baptist W. M. U. 2:30 o'clock at church.

Central Baptist W. M. U. meets at 3 o'clock. Circle 1, with Mrs. Overholster, Young street. Circle 2, with Mrs. C. W. Hargrave, Mesquite street. Circle 3, with Mrs. Stidham, Tee-Pee camp. Circle 4, with Mrs. Walter Lindsay, Tiffin road.

St. Rita's Altar society meets at 2:30 o'clock with Mrs. F. G. Yonker, Mrs. Gale Smith assisting.

Woodmen Circle meets at 7 p. m. in I. O. O. F. hall.

MISSIONARY SOCIETY TO MEET MONDAY

The Missionary society of the Methodist church will meet in regular session at 3 o'clock Monday afternoon in the church. The tea that was to have been given in connection with this meeting has been postponed to another day, but the society will hold its regular business session.

MRS. MILLS ENTERTAINS YOUNG MATRONS' CLASS

The Young Matrons' Sunday school class and the Missionary society of the Methodist church held a social at the home of Mrs. E. H. Mills, Friday afternoon with Meses. Kelly, Mayben and Rickard assisting her in entertaining. Refreshments of sandwiches, salad and tea were served to these attending, about 25 in number, and an enjoyable time was had by all.

FIRST BAPTIST SUNBEAMS GAVE FINE PROGRAM

A splendid program called "The School of Fifty Years Ago," was given Friday night at the First Baptist church by the Sunbeam band. The difference between the schools of that time and today was clearly shown, and much enjoyment derived from the entertainment by those who were present. Mrs. A. M. Pelphey director of the Sunbeams had charge of the program, assisted by Mrs. Nannie Walker.

MRS. SHANNON HOSTESS TO YOUNG MATRONS

Mrs. John Shannon, Jr., was hostess on Friday to the Young Matrons' Bridge club. High club prize was won by Mrs. Jones and low by Mrs. Mendenhall. High guest prize went to Mrs. D. L. Jameson and low to Mrs. R. M. Clyde.

Mrs. Vandervoort will be the next hostess.

MR. AND MRS. WHITE ENTERTAIN SALES FORCE

Mr. and Mrs. J. M. White entertained with a turkey dinner in their home, 1121 Pershing avenue, Friday night, in connection with the annual meeting of the sales force of the J. M. White & Co. stores in Ranger and Eastland. The parlors and dining room were beautifully decorated with carnations, ferns and pot plants, and carnations graced the dining table. A red carnation was placed for each man and a white carnation for each woman.

The dinner was delightfully arranged and attractively served. The menu included: fruit cocktail, turkey with stuffing, peas, candied yams and rice, cranberries, fruit salad, celery, olives and a delicious dessert.

Following the dinner, a delightful program of music and readings was given by Miss Blanche Garber, who is a most charming reader, and Mrs. Beese Luke, who sang song after song in response to repeated demands, and also played a number of selections.

During the progress of the dinner, Mr. White called on each member of the sales force to discuss their respective departments and to give suggestions. Mr. White is seeking all the time to obtain ideas for the betterment of the stores so that old and new customers may be pleased with both goods and service and he believes that members of the selling force, who come into daily and hourly contact with the customers are in position to give useful and admirable suggestions.

Everybody called on responded splendidly and the talks were both instructive and entertaining. The wit displayed added to the enjoyment of the occasion. The conclusion drawn was that all were entering the year 1924 better prepared to serve the people of Ranger and Eastland and adjacent territories in their respective departments than ever before, and to prove this they voted to extend a hearty invitation to all the citizens to visit the stores and be shown how readily the selling forces would co-operate with them in their selection of choice merchandise.

The sales force in the J. M. White & Co. stores meets each month to discuss business plans and features, and each year Mr. and Mrs. White also entertain the staff at dinner for an annual survey and discussion of conditions and prospects. "More efficiency" is Mr. White's watchword. "We wish to know how best to serve the public," he said. "We want the public to know we wish to give the best service and to do that we must continually be seeking more efficiency."

Guests from the Eastland store included: Mrs. Leta Foster, Miss Beulah Harrison and Mr. J. M. Hornbuckle.

Guests from the Ranger store included: Mrs. A. W. Hubbard, Mrs. John Beeson, Mrs. Ethel Horton, Mrs. Myrtle Smith, Mrs. Georgia Bumpers, Mrs. Vera Combs, Mr. Charles Ford, Mr. Jack Garber, and Mr. J. R. Hancock.

RANGER'S NE WHOSPITAL TO BE READY FEBRUARY 1

(CONTINUED FROM PAGE ONE) straight chair and upholstered chair make up the equipment in each private room. The windows are large. The sun parlors—three in number—are steam heated, and have dimensions of 16x12 feet. Two face the west and one faces the east. The operating rooms, located on the third floor, have incandescent lights for illumination purposes. Both rooms, airy and well lighted, face the north with the sterilizing room in between them. The walls and ceiling have been painted snowy white, and the floors are tiled. All of the operating room equipment is in the rooms. The tables are nickel-plated, and can be adjusted for any conceivable operation. The sterilizing room has a \$500 sterilizing machine.

Modern Hospital Features.

There are X-ray rooms, an operating room supply room, showers, lavatories and toilets conveniently located for the private rooms and wards, elevator service, diet kitchen and all of the features to be found in a modern equipped hospital.

The second floor, entrance to which is gained by a long flight of wide stone steps facing the city of Ranger on the hill, will be the main floor. Once inside the lobby, a visitor is impressed by the quiet tone of decorations and environment. A reception room has been furnished up on the left side of the lobby and the superintendent's office will be on the right.

No door separates the lobby from the main corridor, which is wide and

high. There are 10 private rooms on the main floor. There is a well equipped diet kitchen on this floor with a dummy waiter service from the first floor and a sink, electric and gas burners and water.

There are two very large private rooms also on this floor at the northern end of the corridor. There are also linen and utility closets here.

There are two private rooms and two wards, each with six beds on the third floor. The wards are at the southern end of the corridor. They have eight windows each. The operating rooms are at the opposite end of the corridor.

There are two wards on the first floor at the southern end. One of these will be for colored people and has a capacity of four beds. The other ward will have eight beds.

The main kitchen, nurses dining room, X-ray and lavatories are on this floor. The main kitchen has glass cupboards that reach to the ceiling on one side of the room.

The entrance for ambulance patients is on the west side and has a sheltered driveway.

Graduate nurses only will be employed at the institution, Miss Chappelle said Saturday. "We will engage graduate nurses only and will not employ practical nurses," she said.

NOT BEING MARRIED DEFENDANTS PLEAD GUILTY

Officers invaded the residential district Friday night for offenders against the moral law, and brought to the police station a young couple alleged to be living as man and wife at a certain address.

The man first declared to an officer that he was merely a roomer at the house, but the evidence was sufficient to bring him to the station, it was said.

MRS. RUTH SANDERFUR SEVERELY BURNED WHEN DRESS CATCHES FIRE

Mrs. Ruth Sanderfur was severely burned from her waist down about 3 o'clock yesterday afternoon when her clothes caught fire from a gas heater.

Mrs. Barney Carter, 805 West Main street, had her hands severely burned extinguishing the flames.

Mrs. Sanderfur, whose home is in Strawn, had recently gone to work for Mrs. Carter. She was working in a room adjoining one in which Mrs. Carter was ill in bed, when Mrs. Carter, noting a sudden bright light gleaming through the open door, rose and rushed in. The girl was not even aware that her dress was on fire when Mrs. Carter fell on her and began beating out the flames.

Mrs. Sanderfur was taken to the Clinical hospital and attended by Dr. Holland, who said the burns were serious, but probably not fatal. She was resting easy last night. Mrs. Carter's hands were bandaged and she said last night she hoped to have the use of them again before long.

He pleaded guilty to the usual charge of vagrancy and paid fines of \$15.70. Patrolman Jim Daniels and Deputy Constable J. E. Boyd made the arrests.

CHINESE PARTY PLANS NEARING COMPLETION.

As the date of the Chinese party, which will be next Tuesday, draws near it becomes necessary for the committee to know the approximate number of people likely to attend, and those expecting to do so are asked to phone to some member of St. Mary's guild by noon on Monday. Ample arrangements will be made to take care of a number of extra places, so those who cannot decide until a late hour will be provided for.

Bridge games will be arranged for both pivoting and progression but no doubling or re-doubling will be allowed. Those wishing to pivot, and those desiring tables for mah jongg or forty-two are asked to phone to Mrs. J. B. Haden by Monday noon.

The ladies of St. Mary's guild are giving this party to raise money for a new floor which was needed in their building.

NOTICE

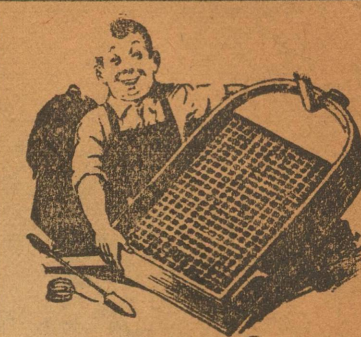

There will be a joint meeting at Eastland, Monday, Jan. 28 of Ranger, Eastland and Cisco B. P. O. E. Lodges. All Elks requested to be present.

PUBLIC LIABILITY AND PROPERTY DAMAGE AUTOMOBILE INSURANCE RATE REDUCED

Last year this office secured very material reductions in fire and theft automobile rates, and we are now able to offer our customers reductions in premiums for

PUBLIC LIABILITY AND PROPERTY DAMAGE on individually owned pleasure type cars, not used for the delivery of goods.

This type of protection is more important than fire and theft. Your car may burn or be stolen without insurance, and, while it would hurt, it wouldn't "break" you. But if your brakes don't work, or a thousand and one other things happen, and you are involved in an accident, it can prove exceedingly costly. We paid one claim against a Ranger man, in the amount of \$1,525.00, and the accident occurred ON A COUNTRY ROAD, WITH THE CAR IN "SECOND" AND PULLING THROUGH A SANDBED.

Rates on Fords, Chevrolets and 4-cylinder Buicks: Liability \$10.00, property damage \$6.00.

On 6-cylinder Buicks, Light and Special 6 Studebakers, Essex and Hudsons: Liability \$12.00, property damage \$7.00.

Cadillacs and Big 6 Studebakers: Liability \$15.00, property damage \$8.00.

For these premiums we will assume your legal liability for accidents, with a limit of \$5,000.00 for injuries to one person in one accident, \$10,000.00 for injuries to more than one person in one accident, and a limit of \$1,000.00 damage to his property. Materially higher limits for but slight increase in premiums.

In event of claim against you, we will either settle the claim, or defend any lawsuit against you, even though groundless, without cost to you, pay any judgment up to the limit of the policy, and pay for first aid treatment to any injured party. The car may be driven by the owner, any member of his family over the age prescribed by law (usually 16 years), or any adult person, with the consent of the owner or any adult member of the owner's family.

Don't wait until you are involved in a serious accident to secure this protection.

DO IT NOW!

How We Spend Your Money in building Studebaker cars Why people buy 150,000 yearly

IT is true that we spend lavishly on Studebaker cars. But it's all to your advantage.

It is by that spending that we give you the greatest value in the fine-car field. We offer prices no one matches on any comparable cars.

That lavish spending led people last year to pay \$200,000,000 for Studebaker cars. And that volume brings our prices down to where they are.

\$50,000,000 in plants

Studebaker assets are \$90,000,000. In modern plants and equipment we have \$50,000,000. Seventy per cent of that amount was spent in the past seven years. So it represents the last word in equipment.

\$8,000,000 in drop forge plants, so every vital part is made to Studebaker standards.

\$10,000,000 in body plants, so Studebaker ideals may be shown in every body.

All that is staked in a permanent way on satisfying fine-car buyers better than our rivals.

What extras cost

Lack of vibration is a famous Studebaker feature. We get that by machining crank shafts as they were in Liberty Airplane Motors. That extra cost is over \$600,000 yearly.

Matchless endurance is another famous feature. One Studebaker Six, still in active use, has run 475,000 miles since 1918. We get that through costly steels. On some we pay 15% bonus to makers to get formulas exact.

Beauty of finish is another supremacy. But that finish requires many operations, including 15 coats of paint and varnish.

Our real leather cushions cost \$25 per car over imitation leather.

Every Studebaker car is Timken-equipped. The Special-Six and the Big-Six have more Timken bearings than any car selling under \$5,600 in

America. The Light-Six more than any competitive car within \$1,000 of its price.

In closed cars we offer wondrous luxury. The lining is Chase Mohair, made from the fine fleece of Angora goats. Velour would cost about one-third that, saving up to \$100 a car.

Note those bumpers, that steel trunk, those extra disc wheels with cord tires on some models. Note that extra courtesy light. Think what they would cost if you bought them.

The cost of care

The unvarying standards in Studebaker cars are fixed by a department

Don't Buy Blindly

Studebaker is today the leader in the fine-car field.

It has made this concern the largest builder of quality cars in the world.

You can find nothing in cars at \$1,000 or over to compare with Studebaker values.

Studebaker sales have almost trebled in the past three years. The growing demand is the sensation of Motordom.

For 72 years the name Studebaker has stood for quality and class. But never so much as today.

Then don't buy a car at \$1,000 or over without learning what we offer.

of Methods and Standards. It is enormously expensive.

Our constant improvements are due to ceaseless research. 125 experts devote their time to the study of betterments. They make 500,000 tests per year.

That reliability is due to 12,000 inspections of the material and workmanship in each Studebaker car before it leaves the factory. This requires 1,000 inspectors.

Being generous with men

We pay maximum wages—at least as much as anyone else will pay.

Then we pay extra for continuous service. Last year, 13,000 men in our factories got anniversary checks—total \$1,300,000. After five years of service those checks amount to 10% of their wages.

We spend \$2,000,000 yearly on our co-operative work for men.

Every year we give factory employees one week's vacation with pay. That cost us \$225,000 last year.

We sell them stock on attractive terms. We retire old employees on pensions.

All this to keep men happy, to foster morale, and to keep men with us when they develop efficiency.

Not extravagance

Do such things seem extravagant? They are not. All those extra dollars save more dollars for our buyers.

They result in the cars you see, in the prices and values we offer. Nothing else in the field can compare.

Those values have resulted in a demand for 150,000 cars per year. That volume cuts our costs in two, as compared with limited production.

The cause of over-prices—under-values—is not lavish expenditure.

It is

Limited production, Heavy overhead, Out-of-date machinery, Antiquated methods, Non-economical plants, Transient labor, Discontented workers.

We've eliminated those things. We've done it at what seems to you a heavy cost per car. But each of those extra dollars saves \$5, we believe. Note what values and what prices have resulted. Note the amazing demand—the overwhelming demand—it has brought for Studebaker cars.

Bible school at 9:45 a. m. The

training school for teachers which was conducted at the annex last week secured diplomas for several new teachers. Central Baptist church equipment affords splendid religious advantages for all. Morning wor-

Another Reason Why—

The Buick Third Member

Buick cars drive through a third member, not the springs. The springs only support the body and assure easy riding. A Buick rear spring accidentally broken cannot misalign the axle and prevent driving the car. The Buick axle remains in fixed position. Consequently the adjustment of Buick four-wheel brakes is not affected by the deflection of the springs.

ANNOUNCING CONTINUATION

JANUARY

Clearance Sale

AND THE NEWLY ARRIVED

SPRING DRESSES AND HATS

This sale has been a success from the very start, but our stock of Winter Goods was so great that it was impossible to dispose of them in eight days. The sale will continue on Furs, Winter Hats, Winter Dresses, Winter Coats and Suits in the Ready-to-Wear Department; Men and Boys' Suits and Overcoats, Sweaters, Underwear, Wool Shirts, Hose, etc. Please remember that only the Winter Merchandise is being closed out at sale prices.

BEAUTIFUL NEW SPRING DRESSES

Nearly every day we receive a shipment of new dresses for spring. Leading styles and colors are being featured from the country's foremost dressmakers. To be sure of style and quality in your Spring Dress let it be a CO-ED. We are showing a big assortment of these Dresses—They are most reasonably priced, too.

THE STYLE TREND OF SPRING HATS

It is easy to detect the trend of style in the New Hats for Spring being shown at Joseph's. Colors play an important part too. The shapes are small and either poke bonnet effect or turn abruptly away from the face.

NEW KID SHOES FOR SPRING

Our Spring Shoes have begun to arrive, and kids are the first on the list.

BROWN KID PUMPS

A Red Cross creation in a high grade brown kid with harmonizing brown suede straps. A genuine turn sole and 15-8 Spanish heel makes this a very desirable dress shoe at \$11.85

BLACK KID PUMPS

With a little longer vamp and two connecting straps, this shoe has a real turn sole and 15-8 Spanish heel. It is a Red Cross Shoe that has both style and wearing qualities. All sizes from AA-B, at \$9.85

The same style as the black kid also comes in Black Satin in the Red Cross Brand and at the same price.
