'MIM'S' AMNESTY VOTE BY HOUSE NEXT TUESDAY

Representatives Make Restoration of Citizenship Then Special Business.

AUSTIN, March 7.—The senate bill to restore the citizenship of former governor, James E. Ferguson will come before the house of representatives next Tuesday as a special order of business. After two days of wrangling, during which the house was virtually at a standstill, proponents and opponents of amnesty agreed to open consideration of the bill at 2 o'clock next Tuesday afternoon, when members will be given an opportunity to express their views.

Agreement was reached after an hour's conference between leaders and the speaker of the house. Speaker Satterwhite acted as a mediator and placed the agreement motion before the house. The vote on setting the bill was 118 to 76, after the body had voted 121 to 4 to suspend the rules in order to elevate the amnesty bill.

AUSTIN, March 7.—The house today rejected the free conference report on the bill amending the game and fish law and called for a new committee to iron out the differences.

WOULD CLEAN UP N. Y. 'WHITE WAY'

New York and Kansas City Authorities Fight 'Society' Bootleggers.

NEW YORK, March 7.—Enlisting the public to obtain evidence in his campaign to clean up Broadway, Emory R. Buckner, militant new United States district attorney, plans a "headlock" court to sit through the summer, its judges spending their entire time drying up New York. He charges that his agents, spending \$1,400 of his own money, found liquor flowing freely in 14 "white light" clubs and cafes.

KANSAS CITY, March 7.—Further disclosures in the alleged gigantic booze ring centering here were expected, following seizure of \$125,000 of fine liquor, which had been shipped in carloads of oyster shells, and secreted in an abandoned garage. The seizure came on the heels of the discovery of a carload of liquor in a railroad yard here and the raiding of two rooms in the exclusive Kansas City club, where several cases of whiskey were found. Arrest of leaders in the rum ring is expected at an early date.

LATE FLASHES

WASHINGTON, March 7.—"Confirm the nomination of Charles Beecher Warren to be attorney general and you might as well turn the trusts loose and let them plunder the public," Senator Thomas Walsh of Montana declared today in leading the attack on Warren.

OPERATE ON CURZON.

LONDON, March 7.—Doctors attending Lord Curzon, former foreign secretary and at present leader of the house of lords, announced tonight that he would undergo an operation Monday.

LIQUOR TO INSTITUTIONS.

AUSTIN, March 7.—Liquor seized by law enforcement officers of the state may be turned over to eleemosynary hospitals for medicinal purposes under provisions of a bill introduced by Senator Fairchild and adopted by the senate today.

ROCKEFELLER GIVES MILLION.

NEW YORK, March 7.—John D. Rockefeller Jr. has given \$1,000,000 to the Hampton and Tuskegee institute for negroes, his third gift of \$1,000,000 to Tuskegee in the last 15 years.

STOKES EXPECTS ACQUITTAL.

CHICAGO, March 7.—A verdict of not guilty on the first ballot is confidently anticipated by W. E. D. Stokes, New York millionaire, on trial on a charge of conspiring to defame the character of his wife. Stokes and his attorneys were manifestly jubilant tonight.

DROP PROSECUTION.

ATLANTA, Ga., March 7.—Criminal prosecution of Gutzon Borglum for destroying models of the Stone mountain memorial virtually collapsed today when the state of Georgia withdrew its demand that he be extradited from North Carolina.

TWO BROTHERS SHOT.

NAVASOTA, March 7.—Grady and Virgil Cook, brothers, were shot and wounded, the former perhaps fatally, following a quarrel at the E. C. Hurt home near Keith, Texas, today. Templeton Burns of Navasota was arrested.

Agriculture Chief

W. A. JARDINE
Practical farmer and educator, the newly appointed secretary of agriculture in President Coolidge's cabinet.

SENATE PASSES SCHOOL BUDGET

Budget Is \$16,070,751; Rural Aid Bill Up Monday.

AUSTIN, March 7.—The senate has virtually cleared its decks of appropriation measures by passing the educational appropriation bill, carrying a total of \$16,070,751 for the ensuing biennial.

The rural aid bill, carrying an appropriation of \$3,000,000, will be taken up by that body Monday. The bill has been passed by the house.

The educational bill, as adopted by the senate, was \$464,000 in excess of the amount set by the house and probably will be threshed out in free conference.

Outstanding additions by the senate consist of an appropriation of \$150,000 for a dormitory at the San Marcos Teachers' college, a similar amount for the vocational school at Arlington, \$50,000 for the Troup experimental station and \$50,000 for a library at the Stephen F. Austin Teachers' college.

Lovers Scorn Major Operation; Married In Ranger Hospital

Miss Sue Kilborne of Cisco, a patient at the City-County hospital, and Roy Moore of Ranger, were married at 1:30 o'clock Saturday afternoon by the Rev. W. H. Johnson, pastor of the First Baptist church of Ranger. The nurses at the hospital and several Ranger physicians were witnesses to the ceremony.

The bride was propped up in bed, having undergone a serious major operation only ten days ago, but she smiled happily. When the vows were said and congratulations had been extended, the bridegroom kissed his bride goodbye and left her in the care of the nurse. She must remain in the hospital several days, before she will be able to join her husband.

Mr. Moore, who is employed in Ranger, and his bride had planned to be married a week ago, but she became ill and the operation was necessary. As soon as she was convalescent they decided they could wait no longer.

Municipal Election Does Not Intrigue Eastlanders As Yet

So far but little attention is being given the Eastland city election to be held on the first Tuesday in April. Two members of the present board of commissioners, Jess Williams and J. M. Sherrill, hold over while successors are to be elected for Tom Crutcher, Calvin Brown and N. N. Rosenquest, whose terms expire.

It is understood that Mr. Rosenquest will not again be a candidate, because he feels that he has contributed as much time to the city as he can afford. Commissioner Brown expects to remove from the city, and therefore will not be a candidate for re-election. Tom Crutcher, who is serving out the unexpired term of V. T. Seaberry, resigned, is being urged to stand for re-election, but has not as yet given his consent.

It seems to be the consensus of opinion that there will be no contest in this election unless issues not now in site should be injected.

INJUNCTION HOLDS UP SUTTON ROAD WORK

SONORA, March 7.—A temporary injunction obtained by George Allison, J. T. Evans and A. F. Clarkson in the district court at San Angelo, is holding up the award of contracts to construct through Sutton county a link in the Old Spanish trail to cost \$300,000.

If the injunction is dissolved the road will pass through land controlled by the three men. Seven contractors submitted bids to build the road, the bids have been tabulated and the lowest selected is to be given the contracts, but no awards can be made until the injunction has been determined.

Modified Mitchell Air Plan Is Adopted

COOLIDGE, WEEKS ADMIT BETTER PROTECTION VITAL

By LUDWELL DENNY (United Press Staff Correspondent) (Copyright, 1925, by United Press.)
WASHINGTON, March 7.—Secretary of War Weeks' horizon, as he takes the helm of the war department for another four years, is clouded by the towering aircraft controversy. It is the major problem that he or his successor, if he retires, as is expected, before his term is up, must solve.

The ranks of the army's highest command have been split by the forces led by General Mitchell and the issue they have joined will not be evaded by the demotion of the flying general. And it is not Weeks' intention to evade it, but rather to evolve the best plan of expanding the present air service.

Large Defense Fund.
A large air service is part of the program of the new administration. President Coolidge, after cutting down Weeks' air estimates in the last budget, has decided that a larger portion of defense funds in the future must go for aviation, experiment, and new places.

Besides an enlarged air service, the program of Weeks and the general staff includes:
Increase the regular army personnel from 118,000 to 150,000 and the officers from 12,000 to 13,000.
Train a large citizens army

through organized reserves, summer training camps, defense day tests and a national guard enlarged from 176,000 to 250,000.
Industrialization Plans.
Perfect elaborate industrialization plans which include operation of the railroads in an emergency by the war department.

Build new quarters for 40,000 troops and double to \$20,000,000 annually the housing maintenance funds.

Secure a reserve munition supply—now almost exhausted, sufficient for 12 months of warfare.

Improve Coast Defense.
Large scale replacements of present coast defense guns antiquated for proved naval armament and installation of fire control systems.

Increase forces, equipment and munition supplies at the canal zone and in Hawaii.

Mitchell's Statement.
When announcement of his demotion was made, General Mitchell said in part:

"The question of my reappointment as assistant chief of the air service is a small matter. The question of the reorganization of our system of national defense is a very big matter. The people must decide what our national defense should be and to arrive at a conclusion they must know and be told the truth about what we have, what we need

and how it should be handled.

"As soon as the sound of the cannon ceased on the western front, the forces of retrogression began to work in our country. It was because our participation in the war had been of such short duration that the old, inefficient bureaucratic system of handling our national defense had not yet been entirely eliminated and replaced by new and efficient systems and personnel as was in the case of the countries of Europe.

"Aviation is a very different thing from either army or navy in its economic aspects.
"Every mechanic used in civil aviation is 100 per cent efficient in time of war."

Lt. Col. J. D. Fecchet, Succeeds Gen. Mitchell

WASHINGTON, March 7.—Brig. Gen. William Mitchell, whose attack on the administration of the nation's air defense aroused the ire of his superiors in the war department, will be retired next month as assistant chief of the army air service, Secretary of War Weeks announced.

Weeks recommended to President Coolidge that Lt. Col. James D. Fecchet, a native of Texas, and now stationed at San Antonio, be appointed to succeed Mitchell on April 27.

The President approved the disciplining of General Mitchell when Fecchet's nomination to the senate this afternoon.

UP AND DOWN.
When he is retired as assistant chief of the air service, a position he has held for eight years, under Maj. Gen. Charles J. Menoher and Maj. Gen. Mason Patrick, Mitchell will automatically go back to his rank of colonel. He has already announced that his demotion would not cause him to leave the army.

Colonel Fecchet will become a brigadier general when he becomes assistant chief of the air service.

BEGAN AS PRIVATE.
Entering the army as a private in 1898, Fecchet participated in the Santiago campaign and was wounded in the capture of San Juan Hill by the Rough Riders under Roosevelt. He also took part in numerous battles in the Philippines and served with General Pershing's punitive expedition into Mexico in 1916.

AIR COMMANDER.
During the world war, Colonel Fecchet was in command of Scott, Carlstrom, Door and Kelly flying fields; was department air service officer of the southern department.

In 1920 he came to Washington as chief of the training and operations group and later as chief of the war plans division. He has been commander of the air service at Kelly Field, San Antonio, Texas, since July 1, 1924.

12,000 Miners Strike In Nova Scotia Mine

HALIFAX, N. S., March 7.—The labor dispute in Eastern Canada came to a head today when 12,000 coal miners went out on a strike. Ten Nova Scotia mines, all located in Cape Breton, are affected. Maintenance men are the only men who have not left their work.

The strike became effective at midnight and threatens much suffering and trouble if prolonged. While the men are calm at present, authorities fear possible outbreaks and all troops in the mine have been ordered to stand by in case it becomes necessary to send them to the mines.

The mines are owned by the British Steel corporation. The miners are all members of the United Mine Workers of America. The strike action came after the company refused to restore the credit of workers at the company stores and had refused the demand of union officials for a conference to arbitrate the differences.

STATE SENATE MOVES TO MAKE EXTREMELY BELATED RESTITUTION

AUSTIN, March 7.—Belated restitution by the state will be made soon if bills introduced by the legislature last week are successful.

Payment of \$20,000 for the capitol site to Mrs. Kate Chambers Stungis and Mrs. Stella Chambers McGregor, heirs of Gen. T. J. Chambers, for land condemned for the site of the capitol 50 years ago, is the larger item. The senate bill as originally introduced called for restitution of \$100,000.

A second senatorial bill would pay William M. Vaughan of Silverton, aged veteran of the Indian wars, \$150 for services rendered in 1860.

In that year Sam Houston appointed Vaughan as ranger at pay of \$25 a month for six months. Vaughan claims he never received the pay. The committee voted to allow him \$150 but declined to approve interest on the amount since 1860.

YOUTH CHOOSES PRISON

AKRON, Ohio, March 7.—Earl Sheets, 23, has decided he would rather spend five years in prison than submit to sterilization and go free at the end of one year. He was given his choice of the two sentences after he had pleaded guilty to attempted assault on a young girl.

Smokers Beware

Your after-dinner cigar or cigarette, or your "thinker" pipe are going to start a rebellion! So says Dr. Daniel Kress, chairman of the National Anti-Tobacco convention committee, which meets in Washington in March. According to Kress people will soon rise in "righteous wrath" and pass laws to wipe out the tobacco curse. So puff hard; you may soon have to get a drag hidden from the eyes of federal agents!

Prodigal Expatriate Back On Native Heath

Another expatriate has seen the light, and like the prodigal son of Biblical times has turned from the mirages cast by California's sun back to the real, substantialities of the life worth living in his native Lone Star State.

Which is by way of announcing that Charles B. Rucker, formerly connected with Galveston, San Antonio and Houston daily papers, but who went to the Kansas City Star several years ago, and who has for the past 12 years been on the editorial and reporter staffs of Portland, Ore., and San Francisco and Los Angeles dailies, is now with the Ranger Daily Times and Eastland Daily Telegram.

Mr. Rucker now occupies the post of telegraph editor. He has charge of the daily make-up of both newspapers and prepares for the printers all telegraph, mail and local news for publication.

The directors decided to meet again in Cisco at 7:30 o'clock next Thursday night and select a marketing agent, who must be experienced, who will collect and grade the eggs and take charge of sales, finding a market for the eggs or arrange to store them, whichever appeared best. He said applications for the place could be filed with any of the directors. Whether eggs will be sold at once or stored will depend upon marketing conditions.

Mr. Hagaman said the several Chambers of Commerce that had promised financial aid to the association to enable it to get started would be called on at once to provide the necessary funds. "It may take a little while to iron out the wrinkles that any new organization must expect, but we shall be functioning within a short time," said Mr. Hagaman.

W. W. Byers of Breckenridge, president, and every director of the association, except R. Q. Lee of Cisco, who was out of the city, attended the meeting, according to Mr. Hagaman.

"One thing was brought out very clearly," he said. "Many of the grocers who are continually urging the people to buy at home, which is quite right, are buying eggs in case lots from out-of-town agencies, the eggs being produced under any and every kind of condition and frequently being offered at bargain prices. The grocers should practice what they preach and buy at home."

'Texas Egg Basket' Set for Throngs at Ft. Worth Stock Show

C. C. Patterson, secretary of the Ranger Chamber of Commerce, and C. C. Richardson, secretary of the Cisco Chamber of Commerce, are in Fort Worth in charge of the Eastland county poultry exhibit at the Fat Stock Show and Southwestern Exhibition, which opened Saturday.

Eastland county as the "egg basket of Texas" will be featured in the display. A model poultry farm will be shown offering 50 baby chicks from the Dudley White Leghorn pens will be domiciled on the farm. Eastland, Cisco, Rising Star and Ranger have joined forces in preparing the exhibit, and the several secretaries will take turns during the fat stock show in showing it to visitors.

STOCK SHOW GROWS.
Year after year the Fort Worth Fat Stock show has grown in importance. Fort Worth's position as the center of the packing house interests in Texas and the chief livestock market in the state gave birth to the Fat Stock show, which at first was more like a cattle raisers' reunion than an exposition. But it grew and grew until it was reorganized and renamed several years ago, being more officially known as the Fort Worth Fat Stock Show and Southwestern Exposition.

BROAD IN SCOPE.
While livestock, accentuated by the rodeo, is the leading feature of this annual fair of interstate importance, the exposition attractions, which include agricultural and manufacturing displays, have become more and more far-reaching.

LAKE DOTHON DRY

CISCO, March 7.—Lake Dothan, near here, is virtually dry and a quantity of fish, channel cats, bass, white perch and croppie, have been caught in nets and transferred to Lake Cisco.

Some of the catfish weighed between 20 and 25 pounds. It is several years since Lake Dothan has been so nearly dry as it is today.

GRAND JURY TAKES FOUR-DAY RECESS

The 88th district court grand jury, which had been in session since Monday, March 2, recessed Saturday at noon until next Thursday. No report of the work done during the days they were in session, was made.

Mitchell Now Looms As Likely Aspirant For Senatorial Toga

Fortress Monroe, Va., March 7.—Brig. Gen. William Mitchell, demoted chief of the air service, may doff his army uniform for a senatorial toga. His friends are urging him to consider seriously making the race in 1926 for the Wisconsin senatorship against Ervin Lenroot. Mitchell's father was at one time a senator from the state.

Mitchell meanwhile probably will be attached to the sixth corps air headquarters at Chicago as chief air officer, his rank reverting to a colonelcy April 27. He wants to serve in the middle-west and it is believed the Chicago post is what he would choose.

Mitchell looks with favor on the idea of his transfer of his activities to congress. Representatives O'Sullivan of Connecticut, and Rodgers, New Hampshire, congressional opponents of the anti-aircraft tests, today said they believed the alleged efficiency of anti-aircraft guns against planes had been thrown down by the tests.

For an hour or more late yesterday, a squadron of planes flew up and down Langley field while anti-aircraft gunners sought in vain to plug the target posts that trailed behind them. They did not score a hit.

It is the desire of the commissioners' court and the county attorney's department to put the taxpayers to as little additional cost as possible to collect the delinquent taxes due the state and county, but they must be collected, the officials insist.

ACCIDENTS KILL TWO, 47 INJURED

Mine Explosion, Railroad Accidents and Tabernacle Fall Maim Many.

TERRE HAUTE, Ind., March 7.—Two or three miners working at Shirkeville, 18 miles north of here, are known to have been killed in an explosion late this evening. Rescue workers, hampered by smoke and gas, had only been able to recover one body, that of Ray Fyfe of Terra Haute. A man named Wolf is dead also and an unnamed man is still in the mine.

WINSTED, Conn., March 7.—Thirty-five persons were injured, one probably fatally, in the collapse of a frame tabernacle here this afternoon. Sixteen of the injured are in Charlotte Hungerford hospital.

BROOKLYN, N. Y., March 7.—Twelve passengers were injured, three seriously, late today when two cars of a Long Island railroad train crashed in the yards at the Jamaica station. Women fainted and were trampled upon in the mad rush for safety.

Ranger Elks Elect Their New Officers

Ranger lodge of B. P. O. Elks elected officers Friday night to serve for the year beginning April 1 next as follows:

F. A. Brown, exalted ruler; Joe Fry, esteemed leading knight; Julius B. Krause, esteemed loyal knight; T. A. Tune, esteemed lecturing knight; B. F. Gilmore, secretary; R. L. Hodges, treasurer; Walter Murray, trustee for three years; W. L. Jackson, trustee for one year; Arthur Flicht, filer.

Dr. H. A. Logsdon, former exalted ruler, was elected representative to the grand lodge, which is to meet in Portland, Oregon.

Young Wood In Paris

PARIS, March 7.—Osborne Wood, soldier, adventurer and gambler, returned to Paris. Slipping quietly into Paris from Spain, the son of the governor general of the Philippines would not talk except to say through his attorney that all matters would be quickly adjusted.

TAXPAYERS ARE GIVEN WARNING

County Commissioners Insist That Delinquents Pay Up.

Acting under instructions from the county commissioners' court, County Attorney W. J. Barnes, sometime ago, filed suit against some 500 or more Eastland county tax payers, whom the records showed to be due state and county taxes for the year 1923. To the present date but very little cash has been added because of filing suit as no citations have been issued, and it has been decided to extend the date of issuing citations until April 1, 1925. It is the hope of court officials that all parties will be able to take care of the matter by that time and thereby avoid the payment of additional costs that will necessarily accrue, should the case continue and citations be issued.

Notices are being mailed by the county attorney's department to all parties against whom suits have been filed, advising them of the time for filing citations in these cases has been extended until April 1, 1925. These notices point out that the amount of taxes, interest, penalty and costs may be ascertained by calling on the county tax collector on the fourth floor of the Texas State bank building in Eastland.

It is the desire of the commissioners' court and the county attorney's department to put the taxpayers to as little additional cost as possible to collect the delinquent taxes due the state and county, but they must be collected, the officials insist.

BOY ADMITS KILLING TO SAVE HIS MOTHER

LOS ANGELES, March 7.—The confession of 15-year-old "Sonny" Willis that he murdered Dr. Benjamin B. Baldwin, failed to save his mother from a life prison term.

"The boy is lying like a gentleman," District Attorney Fitts, deputy prosecutor, declared. "The case will not be reopened."

"I did not want him sent to a reform school. That is why I took the blame for Dr. Baldwin's murder. I am sorry Sonny confessed," Mrs. Willis declared.

"Sonny" made his confession to Mrs. Virginia Nelson, an aunt. He said he came home from school and found his mother struggling with Dr. Baldwin.

16,000 Bales Bought For \$2,225,000 Cash

DALLAS, March 7.—Francis Clay & Co., Dallas, has closed a \$2,225,000 cash deal with the Oklahoma Cotton Growers' association for 16,000 bales of cotton, it was learned here tonight. The deal was negotiated through the cotton firm of C. C. Platter here and was closed today.

The bill is believed the largest interior spot transaction on record. The cotton represents the final pool of Oklahoma growers, Platter said. He estimated the Oklahoma crop at 1,500,000 bales and said a great amount of the crop had been sold on a similar basis.

SENATE IN ROW OVER FREEZING OUT RENEGADES

Dropping of LaFollette, Ladd, Frazier and Brookhart Precipitates Battle.

BORAH DENOUNCES ACT

Idaho Senator Declares Act Steals States' Rights.

WASHINGTON, March 7.—A row broke out among republicans on the senate floor today over the dropping of four party members because of their activity against President Coolidge, in the last campaign.

Senator Borah, republican of Idaho, denounced the action of the republicans in reading out of the party Senators LaFollette, Ladd, Frazier and Brookhart, declaring the republicans were robbing of their rights the states that had elected these men as republicans.

Following the attack by Borah, an objection was made by Senator Norris of Nebraska to present consideration of the new senate committee list which drops the four senators from their seniority privileges and treats them as members of a new party.

POULTRY ASS'N. READY TO ACT

Leslie Hagaman of Ranger, secretary of the Eastland County Poultry Raisers' association, who attended a meeting of the directors of the organization in Cisco Friday afternoon said Saturday that a decision had been reached to begin functioning at once and it was probable the association would be able to take care of all eggs produced on the farms of members of the association within the next two weeks.

The directors decided to meet again in Cisco at 7:30 o'clock next Thursday night and select a marketing agent, who must be experienced, who will collect and grade the eggs and take charge of sales, finding a market for the eggs or arrange to store them, whichever appeared best. He said applications for the place could be filed with any of the directors. Whether eggs will be sold at once or stored will depend upon marketing conditions.

DAWES, THE IRREFRESSIBLE.

Dignified and intelligent members of the United States senate ading like spoiled sons of the rich arrested for speeding or like a bunch of schoolboys caught in some escapade deserving of a lecture—it is enough to make the people laugh. They have been traveling a path worn so deep by constant use they are unable to see on either side as they pass along, and they fancy the people are being fooled by their impressive demeanor, when as a matter of fact most of the people are wondering how they came to elect such a bunch of "has-beens" and fossils to make the laws for them.

This is not true, of course, of all members of the United States senate. Some of them are real leaders in their states and others might become real leaders of all the people if they did not permit themselves to become so hemmed in by tradition and precedent. Most of them have won success in some way that brought them prominently before the people and enabled them to win their way to the senate, and others have been successful only in a few political victories. Probably it is the latter who are most conscious of their dignity.

Vice President Charles G. Dawes possesses an aggressive force that has carried him into the fore-rank of business, of finance, of politics. It may yet develop him as a statesman. In a manner it is similar to the aggressive force possessed by former President Roosevelt, and it is winning for Dawes a place in the hearts of the people such as Roosevelt won. When Vice President Dawes told the United States senate, several days ago, that it was working under rules which were in part too antiquated for this generation, he said something that won the approval of the people. It is doubtless true that many did not understand just what it was to which he referred, but they knew, most of them, that the senate could wrangle for day after day over a question which a minority might wish to hold up because it could not have its way, and could do this because it was permitted by the rules.

BAPTIST W. M. U. WILL HAVE DAY OF PRAYER.

The ladies of the First Baptist W. M. U. will have their day of prayer service on Monday, beginning at 10 o'clock. Luncheon for the men of the church will be served at the noon hour. All members are expected to be present.

MRS. OWEN TO SPEAK AT PRESBYTERIAN CHURCH.

Mrs. Dixie W. Owen, who has been a visitor in Ranger for several weeks, and has delighted many audiences with her clever talks, will give her farewell address on Monday night at the Presbyterian church by special invitation. The subject of her talk will be, "He Can Who Thinks He Can."

MRS. CHAMPION HOSTESS TO TWENTIETH CENTURY CLUB.

Mrs. J. F. Champion was the charming hostess on Friday afternoon to the Twentieth Century club at its regular meeting. The house was prettily decorated with cut flowers and bloom plants, giving a spring-like atmosphere to the occasion. High score favor went to Mrs. W. R. Bowden and second to Mrs. W. R. Lowe. Those attending were, Mrs. F. J. Reames of Amarillo, Mrs. W. D. Conway, Mrs. E. J. Wiss, Mrs. E. Burden, Mrs. E. L. McMillen, Mrs. F. A. Brown, Mrs. W. R. Lowe, Mrs. C. H. Walts, Mrs. John W. Thurman, Mrs. W. R. Bowden, Mrs. M. L. Holland, Mrs. H. A. Logsdon, and Mrs. Champion's sister, Mrs. Thompson of Apperson, Okla. Mrs. Conway will be the next hostess.

RANGER COUNCIL TO MAKE FURTHER PLANS.

The Ranger council will meet Friday afternoon at 4 o'clock at the Gholson hotel, when further plans for the welfare of Ranger young people will be made.

JUNIOR MUSIC CLUB HAS FINE PROGRAM.

The Junior Music club of Ranger met Wednesday afternoon at 4 o'clock in the High school auditorium where they enjoyed a fine program of pastoral music. Especially did they enjoy the selections given by Miss Gillian Buchanan and Leo Underwood, on the violin and cornet, respectively. Cecil Cole was elected treasurer and Frankie Williams, Juanita Kimmel and Allie Johnson were elected members.

RANGER SOC MRS. BROWN HOSTESS TO PASTIME CLUB.

Those members of the Pastime club who were in town were delightfully entertained Thursday evening by Mrs. F. A. Brown at her home on Pine street. There were only two tables arranged, the high score prizes going to Mrs. Roy Jameson and Mrs. Gullahorn, and low to Dr. and Mrs. Logsdon. Those present were, Mr. and Mrs. J. T. Gullahorn, Dr. and Mrs. H. A. Logsdon, Mr. and Mrs. Roy Jameson, Dr. and Mrs. C. C. Craig, Mrs. Gullahorn will be the next hostess.

CLARA STAHL GIVES DELIGHTFUL PARTY.

Clara Stahl entertained more than thirty of her young friends with a delightful party at the home of her parents, Mr. and Mrs. E. H. Chap-

lin. Merry games were played and delicious home-made orange ice cream and cake were served. The guests were: Adele Long, Dean Meyers, Geneva Jones, Lorene McLenix, Rommie Meyers, Mary McNeill, Margaret Galloway, Eva and Early Long, Catherine De Beauford, Nona Mae Jones, Pauline Lowe, Rosa De Beauford, Maidee Sewell, Bernice McCullough, Belva Dixon, Josephine Stallings, Hubert Franklin, Clyde Alworth, Sam McCullough, Arthur Jones, Alfred Glenn, Emmett Disherom, Gene Nourse, Homer Perry, Rayford Faircloth, Troy Grubbs, Walter Cornelius, Roger Shook, Jay Walker, Ford Shell, Brock Hazard.

DELPHIANS CHANGE TIME OF MEETING.

Owing to the daily cooking school which is to be held during the week at the Gholson hotel, the Delphian society will not meet until 4 o'clock instead of the usual hour of 2:30. The lesson will be on Shakespeare and his contemporaries, with Mrs. Carroll as leader. Assignments will be taken as follows: "The contest between Mammon and Surly," Mrs. Shackelford; "The Mythological references of Sir Epicure," Mrs. Norton; "The plays of Beaumont and Fletcher and Philaster's Jealousy," Mrs. W. L. Jackson; "The home-made Duke," Mrs. Buchanan.

WESTMINSTER GUILD TO MEET WITH MRS. POTTS.

Owing to absence from the city of Mrs. Morrison the Westminister Guild will meet on Monday afternoon at 3 o'clock with Mrs. Katherine Potts at "Acorn Acres" on the Strawn road. This will be the first study session and a fine attendance is expected.

CENTRAL WARD P.-T. A. TO MEET TUESDAY.

The regular session of the Central Ward Parent-Teacher association will be held Tuesday afternoon at 4 o'clock in one of the school rooms on the second floor of the high school building. The meeting is an important one, which will be joined by the High School Parent-Teacher association, and all members are asked to make a special effort to attend.

HIGH SCHOOL P.-T. A. TO MEET TUESDAY.

The High School Parent-Teacher association will hold its regular meeting at 4 o'clock on Tuesday afternoon in the high school auditorium, when plans will be made to furnish their common interests by a joint meeting with the Central Ward Parent-Teacher association.

METHODIST MISSIONARY MEETING FOR STUDY.

The ladies of the Methodist missionary society will have their usual missionary study class at 3 o'clock on Monday afternoon with Mrs. K. R. Stafford as leader. These sessions are very interesting and a good attendance is expected.

METHODIST CARNIVAL PLANS PROSPERING.

Plans for the elaborate carnival planned by the ladies of the Methodist church are prospering well and fast taking complete shape. The carnival booths will be located at the building formerly occupied by the Good Motor company on the corner of Pine and Austin streets. Here all sorts of prepared foods will be offered for sale beginning at 10 o'clock in the morning. These will include hot tamales, chili, cakes, pies, breads, meat loaves, candy and many other good things. Numerous other booths of varied kinds will be added to the display. The queen will be selected by counting the votes after 6 o'clock on Friday, March 13, and will be crowned by Mayor Hodges at 8:30 o'clock on Saturday evening in the carnival hall. The queen is to be entirely clothed by J. M. White & Co. Other merchants are presenting gifts to "Her Majesty" which are now on exhibition in the window of the Stafford Drug store. Those already announced as candidates for queen are Mary Edlo Davenport, Jannie B. Rucker, Margarine Bowman, Ludie Brewster, Marguerite Navocovich, Laura Schmuck, Elizabeth Davenport and Hilda Gray.

ST. RITA'S ALTAR SOCIETY WILL NOT MEET MONDAY.

The ladies of St. Rita's Altar society will be too busy to have a meeting on Monday, all of them being busily engaged in Lenten work.

PERSONALS.

Mrs. Thompson of Apperson, Oklahoma, has been the guest for some time of her sister, Mrs. J. F. Champion. Mrs. F. J. Reames, who formerly lived in Ranger, and now resides in Amarillo, has been in Ranger visiting friends the last few days. She will leave today for her home.

CHURCHES

FIRST METHODIST

Elm, near Marston.—Rev. A. W. Hall, pastor. The First Methodist church offers a full and attractive program of service today. Look it over and see if there is not something in it that you cannot afford to miss. At 9:45 the Sunday school meets for opening worship in each department, with the exception of the adult department which meets in their various class rooms. The Big Brothers' Bible class will, by special request, continue the study of the Resurrection, answering a number of exceedingly interesting questions left over from last Sunday's lesson. At 11 the Junior church will meet in the basement under the leadership of Mrs. Hall. In the main auditorium the pastor will preach on "Being in the Spirit." This message may be of great personal benefit to you. At 7 o'clock the Senior league meets, for their program. At 7:45, after evening worship, the pastor will speak on the "Fires of the Soul." There will be excellent music, good fellowship, and a cordial welcome for all who will come and worship with us.

TIMES CARRIER BOYS END LIVELY CONTEST

New subscribers to the number of 197 were obtained for the Ranger Daily Times last week by means of a subscription contest among the carrier boys. The Times Publishing company offered a prize of \$7.50 to the boy bringing in the largest number of new subscribers, for either one week or one month, and \$5 to the boy bringing in the second largest number. The contest started at 8 o'clock Saturday morning, February 28, and ended at 6 o'clock last evening.

LOUIE RATLIFF WON THE FIRST PRIZE

by obtaining 40 new subscribers, and Ralph Segars won the second prize with 33 new subscribers. As an incentive to added speed yesterday, a prize of \$2.50 was offered the boy bringing in the largest number of new subscribers during the day, the new names to count also in the original contest. Moorman Wagner and Rigby Valliant tied for the day's work and each was given

\$2.50 for his work, in addition to the commission.

All the carrier boys worked hard and, while many did not win prizes, special mention should be made of Truman Bohannon, Carl Pratt and Tom Knight, who got substantial returns for their work through commissions paid them.

Norman Dennis, son of Mr. and Mrs. Joe Dennis, who was operated on Saturday morning at the city-county hospital is doing nicely.

HEARING RESTORED OFTEN IN 24 HOURS

Amazing Results Secured in One Day By Use of Virex Formerly Known As Rattle Snake Oil

Deafness and Head Noises need not be deemed any longer since the discovery of a widely known physician. Now it is possible for some of the most obstinate cases of deafness to be relieved in a day's time by the application of a certain preparation known as Rattle Snake Oil. This treatment is meeting with wide success in every country.

Mr. D. M. Lopes, a Pennsylvania man, says: "I used the treatment at night before retiring. The following morning I could hear the ticking of the alarm clock that I was unable to hear before. Now my hearing is restored perfectly after many years of deafness."

Mr. Ben Jackson, who lives in Indiana, says: "Before I used Virex I could hear nothing. After ten days I could hear my watch tick."

Anzeline Johnson, a Mississippi resident, had been stone deaf for eighteen years. She says: "Virex has stopped my head noises and I can hear the train whistle 2 1/2 miles away."

Ray Fisher, Iowa man, says: "I hadn't heard a watch tick for eleven years—now I can lay my watch on the table and hear it plainly."

Mr. W. A. Lumpkin, of Oklahoma, says: "After being deaf 25 years, I used your treatment only a few days and hear fairly well."

Mr. Anthony Cherman, of Michigan, says: "The terrible head noises have stopped entirely and my hearing is practically back to normal."

Deaf Baby Now Hears.

Mrs. Ola Valentino, of Arkansas, says: "My little boy, now 4 years old, had been deaf since about 4 months of age. Now he hears very well and is learning to talk."

Mr. Maiber Pollock says: "My young son, five years of age, has used Virex for only three days and he hears almost as well as ever before."

Such amazing reports come from all over this country and Canada. The prescription which is known as Virex, is easily used at home and seems to work like magic in its rapidity on people of all ages.

So confident are we that Virex will restore your hearing quickly, and to introduce this remarkable treatment to a million more sufferers, we will send a large \$2.00 treatment for only \$1.00 on ten days free trial. If the results are not satisfactory the treatment costs nothing.

Send no money—just your name and address to the Dale Laboratories, 2209 Gateway Station, Kansas City, Mo., and the treatment will be mailed out to you according to the simple directions. If at the end of 10 days your hearing is not relieved, your head noises gone entirely, just send it back and your money will be refunded without question. This offer is fully guaranteed, so write today and give this wonderful compound a trial.—Adv.

MUCH-WANTED ARMY OFFICER IS CAUGHT

By United Press.
DALLAS, March 7.—A former army officer who federal authorities say is Charles A. Reitzman, under 18-months sentence in the District of Columbia on charges of accepting a bribe, was arrested here today.
Reitzman, a former captain in the quartermaster's corps, was sentenced two years ago upon conviction of accepting a bribe from an automobile concern which sold vehicles to the government, officials said.

High School Student Restores Long Lost Valuables To Owner

Three \$20 bills and several Shrine and Consistory emblems were contained in a purse lost in the Ranger High School auditorium by B. C. McDanald of Ranger during the opening exercises of the school last September. He advertised in the Ranger Times, but to no avail and long ago became reconciled to his loss.
William Knight, a senior in the high school, found the purse a few days ago, caught beneath an auditorium chair in such a way that it was completely hidden from view. It had been there ever since last September, and although many audiences had since gathered there and doubtless many had been seated in the chair, none had discovered the purse.
Knight gave the purse to Superintendent McNew, who recalled when and by whom it was lost and sent it to its owner.
"As soon as I can get in touch with Superintendent McNew I shall see that the boy who found and restored my purse and proved his honesty is rewarded," said McDanald Saturday.

70 Longhorn Bandmen Will Tour West Texas

AUSTIN.—Seventy men, comprising the University of Texas band, will leave Austin March 17 for an extensive tour throughout West Texas and Central Texas. Concerts will be given in 10 or more cities and rehearsals are now being conducted under the supervision of Burnett Pharr, director. S. W. Ruff, manager of the band, spent the holidays in West Texas and found more than 15 towns which desired to have the Longhorn band appear at those places.
The tour will last 11 days and concerts will be given nightly if possible. Immediately after the return to Austin, the band will give the same program for the benefit of students of the university.
Many new features have been added to this year's program. It is possible that Jimmie's Joys, the famous university jazz orchestra, will accompany the band and be the star attraction. In addition to the popular and classical selections of the band there will also be skits, stunts and vaudeville.

Will Stage Drama for Band Uniforms

Recognizing the need of the Ranger band for uniforms in which to make a presentable appearance at the convention of the West-Texas Chamber of Commerce at Mineral Wells in May, the boys of the Boethian class and the girls of the Fidelis class of the Central Baptist church are arranging to give a play the latter part of this month, one-half of the proceeds to go to the band and one-half to be retained by the classes for their missionary work.
Mrs. Marian Peters will train the young people and direct the presentation. The name of the play to be given is not yet announced, but it is said to be entertaining. Members of the Carl Barnes post of the American Legion, sponsors of the Ranger band, have promised to help in the sale of tickets.

Ranger Plane Victim Passes Danger Stage

C. C. Stratton, who lives with his parents on the States Oil company lease, is recovering at the city-county hospital from injuries and shock sustained when he fell in an airplane crash at Mexia several weeks ago. While he escaped without broken bones, he was badly cut and bruised and suffered internal injuries so that his condition was very serious for some time. As soon as he could be moved he was brought to Ranger.
Dr. C. C. Wilson, attending physician, said yesterday that it would be some time before Stratton would be able to leave the hospital. He is now considered out of danger.
Mr. Stratton was a passenger in the airplane when it crashed.

CONTROVERSY EXPLAINED

In a recent resolution cancelling the contract of Gutzon Borglum with the Stone Mountain Confederate Monument association it is stated that he was engaged to carve on the side of Stone mountain a group of seven equestrian figures for the sum of \$250,000, Borglum to furnish all labor, modeling clay and a specific portion of the equipment necessary

MOM'N POP

to complete the work, he to be paid in installments as the work progressed.

The resolution says the models and designs for the work were to be the property of the association, the sculptor to have no copyright or other interest in them that would interfere with the full and complete right of the association to avail itself of them and of the ideas of the sculptor. Further that if the work did not proceed satisfactorily to execution or completion the executive committee would have the right to stop the work and cancel the contract on 30 days notice in writing.

It is stated that the association paid Borglum \$34,000 for personal compensation and an additional \$76,522 for labor and other items and provided equipment costing \$49,645 and also paid Borglum \$24,973 outside of his contract, making a total of \$185,145 paid.

The association has been advised by its consulting engineer, says the resolution, that Borglum performed only 34 per cent of the roughing out of the central group and has performed no finished carving except part of the head of General Lee.

The resolution sets forth at length Borglum's connection with the work, indicating Borglum's interest in the work from the time the association was chartered in March, 1916, although no contract was made with him until soon after the present management took charge in April, 1923, refers to the issuance of five million half dollars authorized by congress as a memorial to the valor of the soldiers of the south, which coins are now being minted and are to be turned over to the association and sold at a premium as a means to finance the carving of additional

groups of sculpture on Stone mountain and the carving of a great memorial hall; to the beginning of the work by Borglum in the summer of 1923; to the organization of the Children's Founder roll so the boys and girls of the south might have a part in the memorial by contributing \$1 each; to the delay in the memorial coinage act caused by Borglum's failure to complete the design for the coin, which he had agreed to make free of charge, and finally

to Borglum's written notice in December, 1924, that he was going to quit work at Stone mountain and abandon his contract unless the association paid him \$40,000 immediately.

The association refused to comply with the demand and notified Borglum it was willing for him to quit the work, says the resolution, since when it is claimed the sculptor's acts have been contrary to the interests (Continued on page seven.)

New Chevrolet Closed Cars On Exhibition Beginning Tomorrow

Because only open cars were on display to the hundreds of thousands who viewed the new Chevrolet at dealers' showrooms throughout the country early in January, a special display of the new closed models will be made locally, beginning the week of March 9.

Particular interest is attached to the promised display of closed models, as public preference for the closed car has necessitated production for the current year for more than 50 per cent in this body style.

The bodies of the three closed cars in the Chevrolet line—the coach, coupe and sedan—are built by Fisher, have rounded curves and graceful lines, typical of the products of this company.

The closed cars, like all the body types, are equipped with cowl lights and new instrument board. All bodies are finished in Duco, the new lustrous finish, practically impervious to damage, in colors other than black. Chevrolet is the lowest priced car to introduce Duco on all its standard body types and with all models in colors other than black.

The coupe is finished with lower panels and hood in sage green, upper panels and fenders in black. The coach is finished in a rich, dark blue with fenders in black—special artillery wheels and balloon tires. The sedan is finished in aqua marine blue on the lower panels and hood and a deep black on the fenders and upper panels. Both the coupe and sedan are equipped with balloon tires and disc wheels.

These models have all new mechanical features, improved dry-plate disc clutch, semi-elliptic springs, entirely new, strong rear axle. The new and heavier channel steel frame, 38 inches longer, with five sturdy cross-members

gives the chassis a rugged construction. The new Harrison radiator shell is in keeping with the beauty of the new stream-line bodies. Many improvements and refinements have been made in the famous Chevrolet motor.

See the flapper of yesterday, today and tomorrow at the Carnival, March 14.
Mr. C. Richard of Charleston, W. Va., is visiting his brother-in-law, D. Joseph. He has lots of good things to say about Ranger.

TEAL, BRASHIER WILL RUN AGAIN

Raymond Teal, city commissioner of streets and alleys in Ranger, and Colonel Brashier, Ranger's sanitary commissioner, announced yesterday for re-election.

Both of these officials are pioneers in the Ranger city government. They have acquitted themselves well as city commissioners. Time and again Mr. Teal may be found strolling about Ranger studying the condition of the streets, noting where work is needed immediately and where it will be imperative in the near future. In the sessions of the council he is ever insistent for more and more street work, and he has learned how to stretch a small budget to accomplish a heap of improvement. "A little

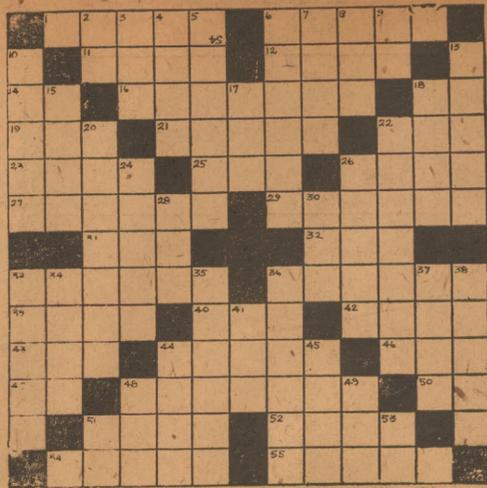

is better all the time" is the motto Commissioner Teal always preaches. Commissioner Brashier is equally devoted to his duties as sanitary commissioner and much of the splendid health in Ranger is due to the able manner in which he directs the work of his department.

(Continued from page five.) of the association. Reference is made to Borglum's campaign of newspaper publicity to discredit and embarrass the association, beginning early in February of this year, following which the association canceled its contract with him, 30 days notice in writing having been mailed to him.

The association also resolved the work at Stone Mountain shall go on and named William L. Peel, Robert P. Maddox, Bolling H. Jones, Mrs. Samuel M. Inman and G. F. Willis to select a sculptor of experience and standing to complete the memorial.

Resources Over One Million Dollars

A Contradiction and Challenge

The instant and phenomenal success of Keith's **MOTOPOWER**, the new economical gasoline—has brought forth whispered charges that this quality gasoline is doped with injurious acids. To the hundreds of motor car owners who have used Keith's **MOTOPOWER** Gasoline, their charge has fallen flat. To those who have not tried it we say that any charge, insinuation or statements that Keith's Motopower Gasoline contains any injurious chemicals is absolutely false. The whole truth is that Keith's Motopower is a new gasoline possessing superior power making qualities.

\$1,000.00 REWARD

We challenge anybody anywhere to find one single thing wrong with this wonderful gasoline. The Ranger Gasoline Co., of Ranger, and The Eastland Gasoline Co., of Eastland, will pay \$1000.00 reward to anyone who can prove that Keith's Motopower contains any acid or chemical that will injure the finest motor or carburetor.

MOTOPOWER INCREASES MILEAGE — MAINTAINS COMPRESSION — GIVES MORE PEP — PREVENTS HEATING — CURES CARBON KNOCKS — MAKES STARTING EASY—SNAPPY PICKUP

Keith's Motopower is a new and better gasoline that adds years to the life of any motor. It is economical—saves repair bills and gives more miles per gallon.

Keith's Motopower is not a "Cure All," but a fair test will prove to you beyond all doubt that it has superior quality not found in ordinary gas. Try it today.

Costs no more than ordinary gas.

Delightful Spring Fashions

Lightsome and suggestive of Spring are the new fashions here. The lovely colors, the smart styles and charming fabrics give to the mode a delightfully different air and moderate prices make selections satisfactory from every point of view.

Frocks—

The imprint of a new season is on all the charming new frocks here. Lovely fabrics, colorful garniture, a new grace and swinging ease in line give definite word that Spring is here. There are colors of Blond, Poudre Blue, Rose, Titian, Tangerine and others. . . . \$15.00 up

—Coats

Straight and slender in line are the coats this season. Colorful indeed are they with an equal choice between the bright and delicate shades, each with an air of individuality that cannot be denied. Here and there is fur, while others have embroidery and tucks. . . . \$15.00 up

The Ensemble

For tailored wear and dress ensemble costume is shown in two-tone effects of Kasha, Charmeen, Laurshoen, etc. The coats of the ensemble are interesting more in detail and trim than in cut. Double and triple tier collars and linings from a vested or even a double coat effect. They may be seen here where style and value go hand in hand \$27.50 up

New Hats

Seldom have hats been more colorful, more attuned to the bright mood of Spring. Lovely colorings reflect the exquisite tints of flowers—charming garnitures and novel trimming treatments give emphasis to the swagger smartness of these hats.

Ensemble Hose

Hose may match the shoes or costume, to carry out the ensemble. Or they may contrast the colors of the shoes or dress and coat—which also carries out the ensemble.

REFINERS CLOSE K.C. CONVENTION

Special Correspondence. KANSAS CITY, March 7.—All of the elective officers of the Western Petroleum Refiners association were re-elected at the annual convention of the organization at the Hotel Muehlbach. These officers consist of the president and three vice presidents.

The re-elected officials are: President, F. A. Pielsticker, Eldorado, Kan., vice president of the Skelly Oil company; first vice president, P. M. Miskell, general manager of the Empire Refineries, Inc., Tulsa, Okla.; second vice president, Roy B. Jones, Wichita Falls, Texas, president of the Panhandle Refining company; third vice president, George D. Locke, vice president of the Barnsdall Refining company of Chicago.

Howard Bennette of Tulsa is the present managing director, and P. A. Conway of Tulsa the commercial counsel and traffic manager. The principal speakers at the closing dinner were Richard Airey, president of the Adirondac Petroleum company of New York, who spoke on "Foreign Markets," and Sidney Samuels, attorney, Fort Worth, whose address was on "Speeding Up the Motor."

Reserve Officer To Call Men Together

Sam K. Wasaff of Ranger, who holds a commission as a reserve officer of the United States army, is desirous of obtaining the name, address and rank of every reserve officer in Eastland county. He wishes to get them all together into an association of reserve officers and requests all willing to co-operate with him to write to him at Guaranty bank building, Ranger.

SOUTH PLAINS MUSIC FESTIVAL IS ENDED

Special Correspondence. LUBBOCK, March 7.—More than a score of West Texas and Panhandle counties are represented at the second annual South Plains music festival, which opened Thursday night and will close tonight, between 500 and 600 visitors attending. The festival is being held under the direction of the South Plains Music Teachers' association. Contests were arranged in which there are a total of 202 contestants. Judges who will make the awards have come from all parts of Texas.

EASTLAND PIONEER BURIED AT GORMAN

J. C. Hager, 68, Eastland county pioneer, died suddenly Friday morning while seated in a chair at his store at Kokomo, near Gorman. Funeral services were held Saturday afternoon, followed by interment in the cemetery at Kokomo. Funeral ceremonies at the church were conducted by Rev. Bascom Morton, pastor of the Methodist church of Carbon. Following this the Masonic lodge of Gorman took charge of the funeral services.

Mr. Hager is survived by his widow, his mother, who is 86 years old, and six children.

Mrs. Chitwood

MRS. IDA CHITWOOD

Lecturer and Demonstrator

Mrs. Chitwood is a food expert and demonstrator in the culinary art of international repute, and during her world travels, her experiences during the war, on the great plains, and in hospitals, she has acquired a knowledge of the nutritive value of various foods and the manners of their preparation which will prove of inestimable value to every woman attending these lectures. The stout, the slim, the weak and the strong; the infant and the youth—all differ in their food requirements, and in conforming your menus to their needs lies the secret of perfect health and happiness. It is to your interest to know how this can be easily and economically accomplished.

THE FAMILY BUDGET SYSTEM EXPLAINED

Hear Mrs. Chitwood explain how incomes can be applied to tally with the family expenses. How a few minutes each day with a budget book brings increased happiness into the home. Every home is a corporation in itself, and it is an easy matter to govern its expenses accordingly.

Lack of system has disrupted many a happy home. The budget system will completely eliminate such deplorable affairs. Mrs. Chitwood explains clearly and logically how the budget system can be used in every household. Learn how this can be done this week. It will be of untold value to you.

Mrs. Chitwood to Demonstrate Modern, Practical Methods In Perfectly Appointed Kitchen

Monday, March 9, will be opening day for the Ranger Daily Times cooking school week, which is to be conducted by Mrs. Ida Chitwood in the auditorium of the Gholson hotel at 2 o'clock each afternoon. Plans for the school have long since been completed and there is every indication that it will be one of the best ever offered.

Mrs. Chitwood arrives today, Sunday, from Amarillo, where she has been conducting a school all this week, reports from her being enthusiastic in attendance numbers as well as delight over her presentations.

MONDAY'S PROGRAM
The program for Monday afternoon will include biscuits, fancy breads and sandwiches. There will be several varieties of each and sandwiches for school lunches will be supplemented by those for formal occasions.

Makes Cooking a Pleasure.

Have you ever been taught to make cooking a pleasure? Has the baking of a delicious pie, the art of fashioning or decorating a cake ever given you sheer joy? If you have missed all of this, then don't miss it any longer. Attend the free cooking school to be staged here by the Ranger Daily Times all of next week beginning on Monday, March 9.

Mrs. Chitwood is a graduate of the domestic science department of the George Peabody college of Nashville, Tenn., and twice each year she has taken post-graduate work at the famous Boston School of Cookery. She has made a specialty of household economics and has a wealth of knowledge calculated to aid the housewife in the efficient management of the home budget and the work of the kitchen and protection of the health of members of the family by the provision of properly planned diet.

In addition to her store of knowledge Mrs. Chitwood has a pleasing personality which adds to the attractiveness of her lectures. Those attending are assured a happy and profitable experience and the ladies are advised to bring note books and pencils in order to get the most out of the lectures.

SIREN'S SONG IS "HIT THE CURB"

When the siren on top the Ranger fire hall sounds at any time, day or night, every vehicle within hearing, whether motor driven or horse propelled, must head into the curb, make it snappy, and stick to the curb until the fire trucks have passed or there is assurance the trucks are not coming that way. This is a state law and a city ordinance and violations of it will result in arrests, Fire Chief Murphy announces.

Siren Now Installed.
The siren was installed yesterday. It was sounded for the first time yesterday morning, but not for a fire; it was just being tuned up. Its first notes were weak, lacking proper adjustments, and it was late in the afternoon, after being sounded at intervals throughout the day, before it attained its true volume of sound. Then its notes could be heard to the furthest limits of the city—and far beyond.

Complicated Mechanism.
The Wichita Falls, Ranger & Fort Worth railroad lent James Boze, its expert electrician, to install and adjust the siren. He had the complicated problem fully solved when he quit work last night. The automatic time-switch has not yet arrived—and until it comes some person will have to turn off the whistle after it has sounded long enough—but with the automatic control, the siren will sound its message of alarm for one and one-half minutes and then automatically cease.

The Ranger fire company now has five paid firemen and 25 volunteers, two of the latter sleeping at the station. When the siren sounds the volunteers must arouse themselves to duty. The volunteers as yet have not been organized into a real fire fighting force, with definite rules of conduct that must be lived up to, but Fire Chief Murphy hopes soon to effect such an organization and have a body of trained volunteers who may be depended upon in any emergency.

Rheumatism

"Good-bye old crutch!"

THERE IS positively no longer any excuse for suffering the agonies of rheumatism! Especially in the autumn of your life, when the vital organs weaken, impurities multiply and linger in the muscles and joints, as never before. It is now, just now, when you cannot afford to guess. No day returns!

Here is a joyous fact which can mean to you a fond farewell forever to all the miseries, the tortures, the body-twisting pains that you have suffered from the demon of rheumatism. It is a fact that rheumatism means "blood poverty." It is a fact with the increase of red-cells in your blood, impurities are destroyed. It is a fact that S.S.S. will help Nature build these red-blood-cells! S.S.S. is one of the most powerful blood cleansers in existence. Its results in thousands of rheumatic cases have been nothing short of amazing! The medicinal ingredients of S.S.S. are purely vegetable. This is very important to remember! What can be more inspiring, more wonderful than to see the shackles of pain released from your struggling body, swellings, lingering pains, stiffness of joints and muscles all disappear; your stomach made strong; your face pink with the old sweet-heart glow, your blood enriched and your cheeks more plump as they used to be. You can do it! Take S.S.S., the great destroyer of rheumatic impurities.

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.

MUSIC WEEK IS
NATIONAL URGE

A series of official proclamations, both state and municipal, and possibly resulting eventually in a national proclamation, is promised on behalf of the National Music week, May 3 to 9. For the first national observance, last May, proclamations were issued by the governors of Massachusetts, Ohio, Arkansas and Hawaii, and by the mayors of a large number of cities.

This action was taken before the movement had assumed the proportions represented by the nearly 300 cities which participated last May. It is therefore expected by the National Music Week committee that a

great many more states and cities will be represented by proclamations for next May. Already, the governors of Illinois and Mississippi have agreed to issue a proclamation. The texts of last year's proclamations are reproduced in the "History of National Music Week," issued by the National Music Week committee at its headquarters, 45 West Fifth street, New York city.

Possibly the first municipality to take such action in preparation for the coming music week is Cleveland, Ohio. In that document Cleveland's mayor, Clayton C.

Townes, first states: "Because of the public auditorium and the enterprise of many of Cleveland's leading citizens, Cleveland has, in the last few years, had many opportunities to enjoy the best there is in music. Ninety per cent of the people, however, should have that opportunity, and with that thought in mind, the sponsors of National Music Week have asked that one week of the 52 be set aside; that schools, homes, community organizations, churches, in fact all America might be stimulated to more general musical activity."

Strawn Farmer Gets
Belated Gift Offer

When the lights were first turned on, the night of Feb. 9, to celebrate the inauguration of Ranger's "white way" through the heart of Ranger's business district, E. E. Crawford let loose a large number of small balloons, each carrying a card stating that it was good for a present at Crawford's pharmacy. The balloons rose high in the air and passed out of sight. The first of the messages sent out

into the world came back to Mr. Crawford yesterday from Leo Ankenbauer, living on the Strawn star route, who wrote he had found the card attached to a small remnant of the balloon in his pasture five and one-half miles from Strawn. He got his present.

During 1924 the electric railways of the United States constructed 312 miles of new track and rebuilt 712 additional miles of track. This is the largest single year's construction since 1918. At the same time these roads abandoned but 225 miles of track.

SEVERAL HOSPITAL PATIENTS ARE REPORTED CONVALESCING

Mrs. Palvado, who has been ill at the city-county hospital several days, was able to leave there last night and return to her home.

Mrs. Joe Stephen, who was operated on at the city-county hospital about 10 days ago, was able to leave there Friday and went to the home

of her mother, Mrs. Bull, in Eastland. It was said by her physician she was convalescing fast and soon would be able to return to her school work in Olden.

Mrs. G. C. Barclay is at the city-county hospital, where she underwent an operation Saturday morning. Her attending physicians are Dr. W. C. Palmer and Dr. J. A. Shackelford. She was reported late yesterday to be getting along nicely.

SKULL IS CRUSHED BY FALLING ROCK

G. A. Sly of Eastland, tool dresser on the Hatten lease northwest of Eastland, was injured Friday afternoon when a rock that had been blown into the machinery at the top of the derrick by a shot, fell, striking him on the head and fracturing his skull.

After a shot of 100 quarts of nitroglycerin had been touched off in the well at a depth of about 3,327 feet, workmen waited for some time before going about the rig and it was thought all danger was past. A rock of considerable size had evidently lodged in some part of the machinery and fell on Mr. Sly. He was brought to a local sanitarium and given medical attention. His injury is not considered fatal.

NEW SALVATION ARMY LEADER ARRIVES

Lieutenant Gono of the Salvation Army has just come to Ranger as officer in charge of the work in the

city, accompanied by W. F. Baker, supply officer. They have arranged a welcoming meeting for Sunday night, an open air service on Main street at 7 o'clock, and a service within the Salvation Army hall at 7:45 o'clock. Sunday school and a company meeting is also announced for 2 o'clock in the afternoon and a meeting of the Young People's legion at 6:30.

"Everybody is welcome to the Salvation Army meetings and none may worry about the looks of their clothes; come just as you are," said Lieutenant Gono.

Hoosier Suite in French Grey

A Hoosier Suite in soft, beautiful French grey! This is the newest note of beauty design by Hoosier for your kitchen.

French grey is one of the newest, most popular interior finishes. Practical, too, for it is a neutral tone, easy to keep clean. So now you have your choice—a model Hoosier Kitchen in French grey as well as white enamel.

The Hoosier Cabinet provides an efficient working center, with a handy place for everything, that saves hours of time. Table space, storage space, special glassware cutlery equipment; a dozen little devices all planned with a new idea of compactness and convenience. Many are exclusive Hoosier features.

Then there are the Hoosier Cabinet units in single or double sizes. They furnish the exact storage space that every kitchen needs. Now you can keep

all your utensils and supplies where they belong—right in the kitchen.

And the charming little Hoosier Breakfast Set of table and chairs. You can imagine how many uses it fills.

These Hoosier units all match in finish and design to make a wonderfully handsome kitchen suite. The table has a white porcelain top—the chairs sturdy cane seats.

SEE THE FRENCH GREY SUITE AT THE COOKING SCHOOL.

No illustration can show the beauty of the new French grey finish. See the Hoosier suite in French grey at the Cooking School for yourself. And let us tell you more about the conveniences which Hoosier equipment gives—how easy it is to modernize your kitchen without remodeling or tearing out.

Just move the Hoosier units in and the job is done.

**Villiastes Vie
In Swell Soiree**

The Villa club, after several weeks' delay on account of the absence of the premier, Smiling Joe, met at the residence of President Big Smoke, Friday evening, with the following Villiastes present: Knights: W. H. Taylor, J. E. Lewis, W. T. Garrett, Earl Connor, besides the president, Big Smoke, and the premier, Smiling Joe. Their subordinates were, also, present and beautifully gowned. Jack Williamson, Alex Clark, Harry Brelsford, and Madison Cooper, a princely knight of Waco, were invited guests. The two former were allowed by special permission from the premier to have their wives accompany them.

The hostess, Mrs. H. P. Brelsford, was beautifully gowned in a silk creation, with dashes of gold and orange and a wonderful diamond brooch as a back ground. She met the guests at the door with a charming smile of hospitality that permeated the innermost recess of the hearts of all present. Mrs. Alex Clark was gowned in an ebony costume, trimmed with fur of the squirrel variety, and on account of her bobbed hair was the sensation of the evening. Her husband was very proud of her—and justly so. The wife of Sir Knight Taylor was

beautifully gowned in dark fabric of fine texture, delicately embellished with pearls, and diamonds of exquisite design and brilliancy. She won high score. Mrs. Garrett wore a rose creation studded by four carat diamonds. Mrs. Lewis was attired in French grey with cooling effect, trimmed with diamond brooches and an over-lapping grey cape of beautiful design, which was in turn beautified by touches of grey mink. Many other beautiful costumes and jewels of various kinds adorned other ladies present that made them very attractive and effective.

The president, Big Smoke, was attired in a tuxedo of wonderfully fine fabric, and Smiling Joe was in full dress, and modestly exhibited a solitaire diamond stud of six carats. He is really the dictator, but is en-

terested by Jack the Ripper, a winner of one of the prizes and who is generally known to hold up the citizens on the price of lights, but does it in such a modest and pleasant way that he "gets by."

The radio was brought in play and during the card playing the Knight Hawk, Annie Laurie, Rocky-by-in-the tree top were heard, and heartily enjoyed and appreciated by the mothers who had left their children at home under the care of a colored nurse.

Refreshments consisted of chicken a la cart, olives, dressing, cranberries in the last stages of preparation for consumption, coffee, chocolate, mints, cream, and other concealed refreshments that were known only to the knights, were served to the delight of all, and a parting good-

night was said at 12 midnight by the president, Big Smoke, his subordinate, to the parting and delighted members and guests.

SANFORD DEAN ON STREETS.
Sanford Dean was on the street yesterday for the first time in the last 10 days. He has been kept at home by the flu and has lost weight. Ordinarily a strong, robust appearing man, he confessed yesterday to weakness which made him feel like a stranger to himself and his coat hung loosely on him. "But my appetite is returning," he said, "and in a few days I will feel and look more like myself."

Hurry! Hurry! Just five more days to vote for the queen.

**MAKES
FAT
PEOPLE
SLIM!**

Many of your friends think that you are too fat. You too realize it. But why, in all common sense, don't you get rid of that extra 10, 20, 30 or more pounds? Feel comfortable and more like a human being again. I am a physician licensed by the State of New York. I have for years treated men and women overburdened with excessive flesh; many have reduced as much as a pound a day. I prescribe for my patients such treatment as will, in my opinion, produce not only the loss of weight without harm, but an improvement in health. Don't take my word for it. Let me send you free my trial treatment and convince yourself. Personal attention is given to each case and you are treated exactly as if you were in my office.

**FREE TRIAL
TREATMENT
AND INTERESTING BOOKLET**

I have successfully treated thousands of patients for fat reduction.

**Without Change of Diet
or Unnecessary Exercise**

Below are a few extracts of letters from grateful patients which bear out my statements:

Lost 76 Pounds. Miss O. Whittle writes: "I have lost 76 pounds as a result of your treatment and have never felt so well in my life as I do now."

Lost 70 Pounds. Mr. S. Canton writes: "I have lost 70 pounds as a result of taking your treatment. I feel better in every way. I can now take long walks without becoming tired or short of breath. I thank you very much for what you have done for me."

Lost 48 Pounds. Mrs. E. Horner says: "Well, I'm glad to inform you that I have lost 48 pounds in 6 weeks."

Make up your mind this very day to get rid of that fat. Write me for my free trial treatment now; then you'll soon realize how happy you'll feel, how much better your health will be for having joined the thousands of my grateful patients who now belong to the ranks of Slim People. Don't delay. Write now for FREE Trial Treatment.

**AND HERE'S WHY
MRS. CHITWOOD PREFERS**

**The Queen Bee
COOKING RANGE**

Convenience is a magic word to the housewife of today. She is ever hunting for more convenient ways of doing the "Daily Dozen" of household duties. The "QUEEN BEE" meets all requirements of the kitchen. Instantaneous heat regulation is just one more of the many advantages of the "QUEEN BEE" Cooking Range.

Even distribution of heat and the maintenance of a steady, even temperature places the Queen Bee oven in the lead and assures it of first place among other types of baking apparatus.

POSITIVE AUTOMATIC TIME CONTROL OF THE COOKING OPERATIONS IN THE OVEN IS POSSIBLE WITH THE QUEEN BEE COOKING RANGE.

**BRECKENRIDGE BRUTES
BOLD-BAD ROBBERS**

Special Correspondence.
BRECKENRIDGE, March 7.—County officers are investigating an alleged shearing of the locks, which has been reported to them from the

Oakley community, about 23 miles southwest of Breckenridge.

C. H. Fraser, 20, married last December an 18-year-old brunette, whose long, black tresses aroused much admiration. She was considered one of the most beautiful women in the community. He took her to live on his farm. Several days ago he came in from plowing to find

her bound to a chair and her hair cut from her head and scattered about the room. She told him two men had slipped in the house, thrown a cloth over her head, tied her to the chair and then cut off her hair. She had not been able to see the men.

Don't fail to visit "The Japanese Tea Garden" at the Carnival March 14.

**PLAN BAPTIST
WORKERS MEET**

Special Correspondence.
ABILENE, March 7.—The Baptist churches of Abilene are making preparation to care for a large number of West Texas Baptist workers who will meet at Simmons college, Abilene, on March 9, 10, 11, for the annual West Texas Baptist Workers' rally. The rally will meet on Monday evening with addresses by Dr. T. V. Herndon of Dallas and Dr. Alvin Swindell of Ballinger. Dr. F. S. Froner of Dallas, secretary of the Texas Baptist convention, will deliver an address at the meeting Tuesday, and promi-

nent Baptist leaders from every section of West Texas are scheduled to appear on the program.

The meeting is to rally the Baptist forces of West Texas in an endeavor to complete the 1925 budget program of Texas Baptists and to discuss various Baptist enterprises in the west. The program will also lay special interest on evangelism as a mean of completing the Baptist task.
J. D. Sandefer, Jeff Davis and C. A. Powell compose the arrangements committee.

**MISS RUTH LANGSTON
ASSIGNED "ADAM" ROLE**

Special Correspondence.
DENTON, March 7.—Miss Mamie Ruth Langston of Ranger, a junior

at the College of Industrial Arts, will take the part of Adam in the three-act play, "Adam and Eve," to be presented by the junior class in the C. I. A. auditorium March 14. It is the custom of each class of the college to annually present a play or a series of vaudeville acts. Training in dramatics is afforded in the reading department at the college. Students are taught the fundamentals of good acting and are furthermore presented at periodic intervals to the students and townspeople in recitals. Part of the instruction lies in training for future service as directors of amateur theatricals in the students' home towns.

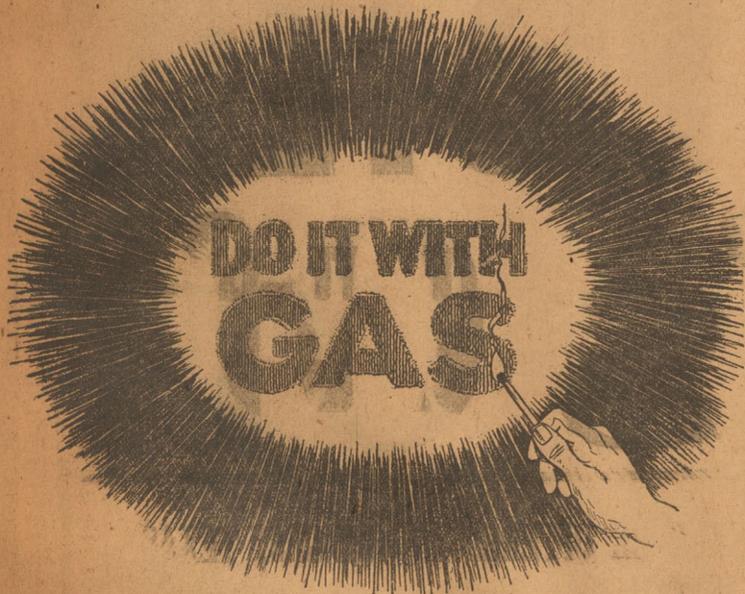

See the Queen of the Carnival crowned, Goad Motor company building, Saturday night, March 14.

**Root & Fehl Nears
15,000,000 Register**

Root & Fehl's No. 1 Will Hazel, located about five miles southwest of Eastland, struck the pay the latter part of last week and is making around 15,000,000 cubic feet of gas with a splendid showing of oil. The well has been shut.

The Tom Dees Oil company is rigging up on what is known as the Hough tract, southwest of Eastland and 320 feet south of the Gladys No. 1, which was drilled in about three years ago for a 1,100-barrel per day producer, and which is now making 50 barrels per day.

Corzelius Bros. shot their No. 1 Hatten, located northwest of Eastland, Friday afternoon with 100 quarts of nitroglycerin at a depth of from 3,327 to 3,367 feet. It is being cleaned out following the shot.

For heating, for light, for power, for cooking—for cleanliness, for economy, for general utility and facility, Gas is the best and most modern medium.

In these days when efficiency, convenience and economy are paramount considerations in home or shop Gas is recognized as the best—for fuel, for light or for power.

Let us explain to you and estimate with you on the advantages of installing Gas in your home, store or factory.

You'll discover surprising facts of great inducement.
