NEW TRAGEDY HITS MOVIE LAND, ONE IS DEAD

Lynn F. Reynolds, Hoot Gibson's Director, Kills Himself After Quarrel

By United Press.
LOS ANGELES, Feb. 25.—Another mysterious movie shooting occupied the attention of the Los Angeles police today.
Last night a peculiar disturbance at the home of Lynn F. Reynolds, 35 years old, director of Hoot Gibson's pictures, left Reynolds in a critical condition from gunshot wounds. His wife and three guests were taken into custody. The director's house was found in a disorderly condition by the deputies of the sheriff who answered the call to the home. Reynolds, the deputies said, was lying on the floor seriously wounded. His wife, Mrs. Kathleen Reynolds, was bruised over one eye, and her clothes spattered with blood. She was hysterical, they continued, and could not give a coherent account of what happened. One of the guests held today, W. H. White, said Reynolds tried to commit suicide. White attributed the alleged act to a nervous breakdown.
The name of Renee Adoree, piquant French star of the films, today appeared in the mystery surrounding the suicide of Lynn F. Reynolds, her director.
Reynolds died in the hospital here this morning after shooting himself last night during a quarrel in which the investigators said, his wife objected to his friendship with Miss Adoree.

FRIGHTENED HOTEL MAN KILLS SELF

By United Press.
CHICAGO, Feb. 25.—Believed to have been frightened after learning he had accidentally killed a woman and an infant son with poison gas, John Rich, a hotel proprietor, committed suicide early today.
The woman and child were Mrs. Nettie Renau and her 18-month-old infant, Francis Renau. They were found dead in an apartment hotel, and the police said they had been killed by fumes from a syringe of potassium disinfectant.
Police investigators asked Rich from where the fumes might have originated. He advised them he had used cyanide of potassium disinfectant in a room adjoining the Renau apartments yesterday.
About an hour later the police were notified that Rich had disappeared. They hastened to the hotel and found him dead in the basement. He had shot himself.

Last Voucher Paid Committee Returned, Dead

By United Press.
HOUSTON, Feb. 25.—The last voucher paid to Miss Edna Rugel, as clerk of the house committee on sinking expenses, has been returned to the house by her father, J. C. Rugel, of Mesquite, Dallas county, for cancellation.
Miss Rugel died at her home recently. The uncashed voucher was sent in a letter from Mr. Rugel with thanks for the expressions of sympathy from the house over the death of Miss Rugel.

Cantonese Near Shanghai, Now At Sun Kiang

SHANGHAI, China, Feb. 25.—The capture of Sun Kiang, thirty miles south of Shanghai by the Cantonese nationalists troops, was reported here this afternoon. Efforts to verify the reports have been unsuccessful so far.
Sun Kiang is the last of the northern strongholds lying between the Cantonese and this city.

PIPE ORGAN DEDICATED TO COLLEGE STUDENTS

DENTON, Feb. 25.—The pipe organ dedicated to the students of the College of Industrial Arts and North Texas State Teachers college has been installed at the Baptist church in Denton. The instrument was the gift of J. N. Rayzor and family of this city.

STONE DRAWS 99 YEARS IN HOLDUP CASE

Takes Verdict Like a Stoic, Might Have Been Worse, Says the Bandit

By United Press.
FORT WORTH, Feb. 25.—W. A. Stone, Kansas City youth, must serve the remainder of his life in the state penitentiary on charge of robbery with firearms, for his part in the fatal robbery of Roscoe Wilson, that occurred here Jan. 31.
Stone received the verdict of 99 years, returned by the jury in Judge George E. Hosey's court at 9 a. m., Friday, without any show of emotion.
After Judge Hosey read the verdict Stone leaned over and said a few words to his attorneys, who were appointed by the court to defend him. "It could have been worse," Stone said when asked about his feeling in the matter.
Roscoe Wilson was treasurer of the Majestic theatre at the time of the holdup which took place about 10:40 o'clock in the morning in front of the theatre when he had started for the bank to deposit approximately \$4,000, receipts of Saturday night and Sunday shows.
Stone and his alleged companion, Silvers, were captured the second day after the shooting and holdup, near Sulphur, Okla.
The trial began Monday and it took a large part of the week to obtain a jury after more than 300 veniremen were summoned.
During the trial of the case the statements of Stone and his alleged pal were read into the evidence. Two of the state's witnesses identified Stone as the man who fired the fatal shot.
There is a strong probability that the case will be appealed.

Bit Recovered In Gulf Duffer, Drilling Resumed

With the lost bit recovered in the Gulf Duffer No. 1, in the Gholson pool, south of Ranger, this well is expected in most any minute and oil men in Ranger seem to feel that it will get in before the week end to add its quota to the production of the week in that prolific pool.
The Parrish is drilling at 160 feet and the rig is up on Duffer No. 4. Ground has been cleared off for the Duffer No. 5 and production in the three Duffer wells that are already in is very satisfactory and holding up most splendidly.
The deputy oil supervisor of Central West Texas, shows that on Feb. 23, there was an added production of 25 barrels, with two applications to drill, Mortimer, Hobbs and Ferguson No. 2, Beasley, in Callahan county, was making 15 barrels after shooting and Henry V. House, H. Wagley's No. 1, making 10 barrels.
In the same county Moutary Oil company, Jack M. Flores, No. 1 was given application to plug; Drew Bean's L. N. Jackson No. 2, was drilling at 90 feet; Syndicate Oil corporation, R. L. Berry No. 1, application to drill, depth 1200 feet, application to shoot, 200 quarts of nitro.
The report of the supervisor for February 24 shows an added production of 122 barrels and three applications to drill.
Report of the supervisor follows:
Callahan County
Moutary Oil company, Jack M. Flores, No. 1, oil at 736 feet; No. 13 producing 30 barrels after shooting; No. 12 producing 35 barrels after shooting.
Brown County
States Oil corporation, D. C. Woodriddle No. 20 application to drill to 1500 feet.
Prairie Oil and Gas company, G. B. Gaines No. 5 application to shoot with 10 quarts nitro.
E. T. Green, L. L. Childress No. 1, application to drill 950 feet.
The Texas company, B. F. Dunn No. 2, application to shoot with 10 quarts nitro; No. 9, application to shoot 10 quarts nitro; No. 15, application to shoot, 10 quarts nitro.
Farbara and Warren, T. E. Whitley No. 1, application to plug.
Jas. E. McKanna, J. I. Foster No. 8, depth 1225 feet.
Roxana Petroleum corporation, J. F. Newton No. 3, producing 57 barrels at 1278 feet.
Clayton Ryan, R. L. Brooks No. 1, application to drill to 1100 feet.
The prairie Oil & Gas company, No. 4, statement after shooting.
Coleman County
States Oil Corporation, W. P. Watson No. 3, application to plug.

Couple Burned To Death In Plane Crash

TAMPA, Fla., Feb. 25.—Mr. and Mrs. W. A. Gloss, believed to be from Chicago, were burned to death here today, when an airplane in which they were riding, crashed to the ground in flames.
H. J. Grady, the pilot, was severely burned.

Famous S. M. S. Ranch Changed Name Since Jan.

By United Press.
STAMFORD, Feb. 25.—The famous S. M. S. ranch near here has changed its name and since the first of the year has been operating under the name of the Swenson Brothers Land & Cattle company. The ranch is owned by the Swenson brothers.
The famous ranch has been in business for 25 years shipping white-faced cattle of all classes.

LEADS SELECTED COLLEGE PLAY

DENTON, Feb. 25.—Lucile Christian, Dallas, junior student in the College of Industrial Arts, and Elizabeth Root, Sherman, sophomore, will take respectively the parts of princess and prince in the annual sophomore play, "The Student Princess."
The production will employ 33 choruses, involving 61 different styles of costume designed by Miss Correen Spellman of the C. I. A. art department.

PRESIDENT'S VETO STANDS FARM BILL

By United Press.
WASHINGTON, Feb. 25.—President Coolidge's veto of the McNary-Haugen farm relief bill definitely killed the measure, and no effort will be made to pass it over his veto.
The farm bloc leaders of congress privately admitted defeat as soon as the president's message of veto came to the senate.
The political reaction to the veto was strong. Farm bloc members contended Mr. Coolidge has forfeited his chance for the presidency, or surrendered to the industrial factions of the east.
Opponents to the measure said he took the only course open.

SAN ANTONIO GETS BRANCH DALLAS BANK

By United Press.
WASHINGTON, Feb. 25.—The Federal Reserve board today authorized the Federal Reserve bank of Dallas, Texas to establish a branch at San Antonio, Texas.
The application has been on file here for some time, and volumes of evidence, especially statistics, showing the need for the branch bank submitted.

DALE DECLARES HE WILL RETURN TO LEGISLATURE

By United Press.
AUSTIN, Feb. 25.—"I will be back in Austin a week from Monday and will take the oath of office," declared F. A. Dale, expelled member of the house of representatives, who was indicted here Wednesday in connection with the bribery investigation by the Travis county grand jury.
Dale was notified of the indictment Thursday morning by his attorney. He started at once for Austin arriving here late Thursday. He furnished bond in the sum of \$2,000.
Dale will return at once to Fannin county where he will resume his campaign tomorrow. The election will be held March 5.

United States Is Peeved Over England's Action

By United Press.
WASHINGTON, Feb. 25.—The United States government is surprised and displeased over Great Britain's sudden dispatch of a warship to Nicaragua.
In the interest of the Anglo-American relations, the State Department will not express this displeasure formally, unless British troops are landed.
The English action is interpreted in some quarters here as being connected with the negotiations between the Diaz government and the United States for an American protectorate over Nicaragua. Great Britain with 1,500 citizens there and larger property holdings than the United States is described as being reluctant to accept the protectorate plan.

Mexican Train Wreck Claims Toll of 40 Dead

By United Press.
MEXICO CITY, Feb. 25.—The toll in the wreckage of the Tampico-Monterrey passenger train near Manuel Chocoy, 45 miles from Tampico, was reported at 40 dead and between 70 and 100 injured.
A broken axle on the tender of the train caused the engine, express car and two coaches to overturn. One Pullman was derailed and damaged. The bodies of three adults and one child have been taken from the splintered wreckage of wooden cars, and 36 bodies pinned in the debris have been counted, reports here said.

Price of Property Around Alamo Too High for Park

By United Press.
SAN ANTONIO, Feb. 25.—Work of the committee appointed by Governor Moody to investigate the plan to buy property surrounding the Alamo and convert it into a state park has been temporarily suspended following the report of the committee that the price of necessary property was too high.

SENATE PASSES NEW LIBEL LAW; BILL AMENDED

By United Press.
AUSTIN, Feb. 25.—The nomination of Will J. Tucker, of Longview, as game, fish and oyster commissioner, was sent to the senate today by Governor Moody. Tucker was appointed to succeed Turner E. Hubby, who resignation became effective February 1.
By a vote of 29 to 0, the senate passed finally, with the slight amendment by Senators Woodward, Holbrook and Berkley, the substitute libel bill. The measure goes back to the house for concurrence in changes made by the senate.
The bill originated in the house and was introduced by Representative Petch.
Free of Taxes.
The house joint resolution by Representative Nabors, proposing an amendment to the constitution exempting from state taxation residence for ministers of religious organizations was adopted by the house today 101 to 28.
An amendment by Rawlins of Dallas, was adopted limiting the amount of property that might be exempted to one acre of land.
State Superintendent.
The house adopted the senate concurrent resolution by Senator Reid, instructing the state superintendent of public instruction for information concerning prices of text books for the Texas public schools in contracts awarded by the state text book commission.
The investigation will be made at an early date, it is understood. The joint committee will be named when the resolution is signed.

3 Grandmothers Found Under 35 Years of Age

By United Press.
SAN FRANCISCO, Feb. 25.—The nation's youngest grandmothers are believed to have been found in California. Both are 29.
Mrs. Lorraine Reilly, of Hollywood, was married at 13. Her daughter, Mrs. Harry Cordeiro, of Santa Barbara, was wed at the same age and became a mother at 14. Mrs. Reilly's grandson is 9 months old while she is 29.
Mrs. Beulah Graham, of Oakland who also claims the honor of being the youngest grandmother admits she is 29 and has a grandson 4 months old.
Discovery of California's "girl grandmothers" followed publication of a news dispatch from Atlanta, Ga., in which Mrs. Bert Wade, 32, was hailed as the youngest grandmother. Her daughter, Mrs. Roy Stegall, 16, recently gave birth to a son.

2 PROSPECTIVE LEADERS HOLD SIMILAR VIEWS

By PAUL E. MALLON
(United Press Staff Correspondent)
WASHINGTON, Feb. 25.—The voting records of Senator James A. Reed, democrat, Missouri, and Senator Thomas J. Walsh, democrat, Montana, regarded by some as the two leading senatorial possibilities for the democratic presidential nomination in 1928, shows that during the first half of this short session of congress they have voted similarly in most instances.
Of course, Senator Reed is a wet and Senator Walsh a dry, but no prohibition issues developed during the first half of the session upon which they differed.
The record of controversial votes, as compiled by the United Press, shows that on one important occasion only did they cast their ballots in opposite directions. This was upon the Sheppard bill to continue the federal maternity act for an additional experimental period of one year. Senator Reed voted against continuance and Senator Walsh in favor.

Party Records.

Both senators have strict party records, the compilation shows. Both voted to drop the impeachment case against Federal Judge English, of Eastern Illinois, after the judge's retirement; for the Wadsworth immigration amendments to correct injustices which were not foreseen at the time of passage of the present law; for the Howell restrictive amendments in connection with purchases by the government of the Cape Cod canal; for the Bruce motion to consider French spoils; against the Glass parliamentary motion to give the Pepper-MacFadden banking bill the right of way; and for construction of the three new naval cruisers proposed by President Coolidge.
Rivers, Harbors.
Senator Reed, in addition voted for the rivers and harbors bill when Walsh was absent.
In turn, Senator Walsh voted for the following during Senator Reed's absence:
Investigation of the bribery charge against Senator Gould, republican, Maine.
Consideration of the Capper Truth-in-Fabric bill.
Denial of the oath to Senator-designate Frank L. Smith, republican, Illinois. (Reed was paired for the resolution.)
Robinson resolution for Mexican arbitration.
Consideration of the McNary-Haugen farm relief bill.
For Harrison tax reduction resolution and when that was defeated for Norris resolution to apply treasury surplus for debt retirement.
Against Lenroot milk bill.

Gang Victim?

After the finding of the bullet-riddled body of her husband, Lory L. Price, a state patrolman, Illinois officials ordered a wide search for Mrs. Price, who disappeared from Marion, Ill., at the same time. Price was believed a victim of the Illinois gang warfare.

MEASURE IS FOUGHT BY CABINET, MONEY

Unconstitutional Is Reason Assigned By Executive; Bank Bill

By United Press.
WASHINGTON, Feb. 25.—President Coolidge vetoed the McNary-Haugen farm relief bill.
The president defying the threats of the farm leaders of dire political reprisal refused to affix his signature to the agricultural aid measure which he and the members of his cabinet have consistently opposed the passage of the measure.
The passage of the measure by congress placed Mr. Coolidge in the difficult position of having to offend one of two powerful groups, the farmers of the West, or the financial interests of the East. The financial interests were practically united in opposition to the measure.
The McNary-Haugen bill provided for a federal farm board of twelve members and \$10,000 a year each to work with the secretary of agriculture in providing relief for farmers. The measure authorized the appropriation of \$250,000,000 as a revolving fund to finance relief measures and \$500,000 for operating expenses the first year, or when an emergency was found to exist in any basic crop, cotton, wheat, corn, hops, rye and tobacco, due to a surplus over domestic requirements. The board, under the law, would be authorized to loan money from the revolving fund to cooperative organizations of farmers at four per cent.
The cooperative associations would pay the farmers a fair price for their crops and withhold from the markets enough of the crops to raise the price to a fair level. The farmer would be assessed a certain percentage of his crops the equalization fee which would be paid back into the revolving fund.
The President in a lengthy veto message held the act was unconstitutional, and attached an opinion of the attorney general to this effect.
President Coolidge today signed the Pepper-MacFadden banking bill. This measure permits national banks to have branches in states where state laws permit branch banking.

Hartness Case Jury Disagrees And No Verdict

The jury in the case of Mrs. E. B. Hartness vs. Mrs. Mae Griffin and her husband, tried before Judge Elzo Been in the eighty-eighth district court, Wednesday, failed to agree on a verdict and were discharged Thursday afternoon at 4 o'clock. On the final vote they stood five to seven.
The trial of this case was indeed interesting. Mrs. Hartness, it will be remembered, asks in her petition for alleged damages in the sum of \$85,000 for the alienation of the affections of her husband, George D. Hartness. The Hartnesses and Griffins, according to the petition, are married and have children and formerly lived at Weatherford where George D. Hartness was for a time chief of police. It was while the families lived at Weatherford that the affair between Mr. Hartness and Mrs. Griffin had its inception.
The case was a battle royal between the opposing attorneys, the defense being represented by Hood & Shadle of Weatherford and the plaintiff by Barker & Orn of Cisco.
The jury was out about 24 hours before making their final report and being excused.

NEWSPAPERS.

(Contributed)
 The number of newspaper published
 in the United States is on the in-
 crease for the second time since the
 post-war downward trend. An analy-
 sis of the entire field of publications,
 contained in the 1927 edition of the
 American Newspaper Annual and Di-
 rectory, published by N. W. Ayer &
 Son, advertising agency, of Philadel-
 phia, shows that 1924 and 1926 are
 the only years since the world war
 which were not marked by a decrease
 in the number of newspapers.

The analysis shows that the year
 following American entry in the war
 saw the beginning of the first decline
 in number of newspapers published
 in this country.

"From the first edition of our di-
 rectory in 1880, which listed 5,411
 publications," says the introduction to
 the 1927 annual, "the number in-
 creased year by year until, in 1917,
 it reached 24,868. Then came our
 entry into the great war. Conditions
 during and after the war made it hard
 for the small publisher to remain in
 business. Each year after 1917 pub-
 lications were fewer and fewer. One
 year showed a net drop of 1,178.
 This was continuous until now, except
 that during 1924 an increase was re-
 corded. At present there are 22,000
 publications listed.

"The loss has been chiefly among
 the country weeklies, which were
 hardest hit by the war and by con-
 ditions following it. They have been
 consolidated in many cases with other
 papers in the same town or county,
 especially with the county seat pa-
 pers. This is indicated by the num-
 ber of towns having newspapers, and
 especially by the number of county
 seats having papers. Although week-
 ly newspapers have decreased 3,329
 in 10 years, newspaper towns have
 decreased only 1,267, while county
 seats having papers have increased
 54 in the same period."

WHY MISSOURI?

AUSTIN, Texas, Feb. 25.—By
 mailing a check recently to a Mis-
 souri concern for \$11,000, the
 Texas Student Publications, in-
 corporated, of the University of
 Texas made the initial payment on
 the printing of the 1927 Cactus,
 official yearbook of the univer-
 sity.—News Item.

Why send money out of Texas to
 get the Cactus published?
 Does the Missouri firm pay taxes
 to support the university?

Are there not a large number of
 printing concerns in Texas to publish
 a book the size of the Cactus?

The Wortham History of Texas was
 published and printed by a Fort
 Worth concern, and there are others.

Is it building up Texas and Tex-
 as industrial enterprises to send work
 out of Texas to Missouri, when Tex-
 as firms can do just as good work
 and we venture to say at just as
 reasonable prices, everything consid-
 ered as the Missouri firm?

The University of Texas through
 its students are forever crying about
 the shacks and the lack of sufficient
 money to carry out its building and
 other programs to increase the use-
 fulness of the institution. How can
 that institution or any of the organ-
 izations in the institution expect to
 get what it wants when it sends its
 printing work out of the state?

Texas has as good printers as any
 other state in the union. We want to
 know why the work was sent out to
 Missouri?

Mind you, the \$11,000 is just the
 first payment on the work. The item
 does not state how much more will
 have to be paid out. We have been
 lending our feeble efforts to help the
 university as well as other state in-
 stitutions, and will continue to do so
 because they are for the education
 and upbuilding of Texas youth, but
 we want to see the Cactus and other
 books published at home. We be-
 lieve in patronizing and building up
 home enterprises.

The political history of France, Na-

 the accomplishments of Napoleon
 third, and a comparison of Napoleon's
 dream of empire with that of Ger-
 many in the world war, were among
 some of the subject discussed most
 ably by those present.

THE ETERNAL QUESTION.

By HEDDA HOYT
 (United Press Fashion Editor)

NEW YORK, Feb. 23.—The coat
 versus suit question comes up again
 as Spring approaches. While two-
 piece suits are registered strongly
 after several years of almost com-
 plete oblivion, it cannot be said that
 they will in any way replace the
 need for long coats. As long as
 dresses remain in vogue the long
 coat will be indispensable.

Coats this year will be straight
 lined with emphasis placed on femi-
 nine trimming details. Even tailor-
 ed models show evidence of soft
 trimming touches such as bandings,
 inserts, bows, scarfs or fur. Man-
 nish double-breasted models, which
 were popular last year are replaced
 by single button wrap-about models
 with fur collars or graceful scarfs.

Black crepe satin will be the most
 popular of the dressy fabrics and
 trimming is achieved by using the
 reversible side of the material for
 bandings, stripes, borders, rear Y-
 shaped yokes, etc. Black and white
 effects are popular as well as all
 black effects. Black and white mon-
 key fur collars trim many black silk
 models, the fur being used to form
 collars or in fringe treatment on
 the skirts. Gray monkey fur is used
 on gray kasha models and proves
 very effective. Black moles, al-
 though not as popular as black satin,
 forms several smart coats which use
 ombre lapin on front borders. Ombre
 lapin however, threatens to be one
 of the common furs of the season
 since it is used on numerous cloth
 and silk models. It is effective
 however.

Bows of fur or fabric adorn many
 new models, the bow being used as a
 left shoulder trimming or at the rear
 of the collar. Pin tuckings outline
 the yoke or low waist line of many
 models and is considered a smart
 means of effecting a feminine touch
 on straight lined models. Inserts of
 contrasting fabric are likewise a
 trimming diversity. Jabot lapels out-
 lined in fur are a favored treatment.

As has been said before, fur trims
 most of the new Spring coats. Where
 cloth is the fabric, broadtail, mink,
 sable, kolinsky, squirrel and ermine
 are important. Sleeves are slender
 skirts short and slenderness through-
 out is the keynote of spring coat
 styles.

An Indian named Naqui, who can
 write 400 letters on a grain of rice,
 is coming to America. We wonder
 where he'll park his car.

DAN HORN NEWS

DAN HORN, Feb. 24.—The farm-
 ers are again busy in the fields.
 Some are gardening.

Rev. Mr. English, a missionary of
 the Cisco association, brought a
 wonderful message Sunday night.
 There was a large audience to hear
 him.

Mr. and Mrs. T. T. Horn, had as
 their guests Sunday Mr. and Mrs.
 Charlie McConnell and children, Mr.
 and Mrs. Jim Dillon and daughter,
 Miss Bernie, and Misses Rena and
 Annie Mae Horn of the Reich com-
 munity.

Among those out of the commu-
 nity who attended church here Sun-
 day night were Mr. and Mrs. Grover
 Eppler and Mr. and Mrs. Grover Tay-
 lor of Cisco and quite a few of the
 young people of Dothan and Scrant-
 on.

Miss Margaretta Parks spent Sat-
 urday night with Miss Frances Laster
 of Scranton.

Misses Dee and Byrd Bacon of
 Cisco, Mr. and Mrs. J. B. Heslep and
 Miss Laura McMullen were Sunday
 visitors of Mr. and Mrs. J. C. Brad-
 shaw.

Mrs. Spurgeon Parks spent several
 days last week with her brother, O.
 D. Horn, Jr., at Cisco, who leaves
 soon for Los Angeles, Calif., to
 make his future home.

Mrs. J. D. Speagle who has been
 ill is reported better at this time.

The Parent-Teachers meeting Wed-
 nesday night was well attended.

The school children rendered a
 nice program which was enjoyed by
 all present.

Several of the Dan Horn young
 people attended the party at Mr. and
 Mrs. Ben Speagle's at Scranton Sat-
 urday night.

Louis Harrell
Dies After Ten
Days' Illness

Louis Harrell, aged about 23 years
 old, died at the City-County hospital,
 Ranger, this morning at 4:30 o'clock,
 following a ten days illness with an
 infection in the head.

The deceased is survived by a
 young widow, his father and mother,
 Mr. and Mrs. J. V. Harrell, and sev-
 eral brothers and sisters. He be-
 longed to one of the old families of
 this section and lived in Stephens
 county about eight or ten miles from
 Ranger.

Funeral services will be conducted
 at Veale cemetery Saturday.

MAN HIT BY TRUCK
REPORTED IMPROVING

E. G. Stone, who was knocked un-
 conscious yesterday afternoon by a
 small truck and taken to a sanitarium
 is reported today to be in an im-
 proved condition.

The accident occurred on Seaman
 and Oliver streets. Mr. Stone is a
 salesman for a paint house.

Dallas Expects
Record Crowd
For Convention

By United Press.

DALLAS, Feb. 25.—Anticipating a
 record attendance at the National
 Educational association convention,
 Feb. 27 to March 3, hotel men and
 local housing committees today had
 completed plans to take care of more
 than 15,000 guests.

Texas educators attending the con-
 vention will be asked to take rooms
 with Dallas families while visitors
 from other states will be assigned to
 hotel rooms.

More than 250 meetings are
 scheduled for the various groups of
 societies and associations meeting
 here in connection with the conven-
 tion.

The first general session opens
 Sunday, Feb. 27, with an exhibit at
 Fair park. The Dallas all-city band
 will furnish the music and Dr. Ran-
 dall J. Condon, president of the de-
 partment of superintendence, will
 make an address.

Other general sessions will follow
 throughout the week.

Governor Dan Moody is expected
 to address the convention as well as a
 number of internationally known
 educators.

WOMEN'S DECLINING
YEARS MADE HAPPY

The age-old impression that a woman
 is "old" in every sense of the word
 after she has reached middle age is
 rapidly being thrown aside as more
 and more women start using St. Joseph's G. F. P.
 during this period.

This vegetable compound contains
 such well-known roots and herbs as
 Blessed Thistle, Blue Cohosh Root,
 Squaw Vine, Life Root Plant, Helonias
 Root, Star Grass, Cramp Bark, etc.,
 which your family physician will tell
 you have been used for years in build-
 ing up and strengthening women.

Among the many thousands of
 women who are now using and
 praising St. Joseph's G. F. P. is
 Mrs. Marguerite Rose, who lives at
 905 Kentucky Ave., San Antonio,
 Texas.

She says, "Although I am 73
 years old, I feel strong and healthy,
 have a good appetite and sleep like
 I did when I was a girl. I really en-
 joy life and I believe this is all due
 to my using St. Joseph's G. F. P., as
 it is only since I have been using
 this medicine that I have felt so
 strong."

Stone Mountain

Mrs. E. W. Bounds of Brecken-
 ridge, district chairman of this con-
 gressional district, in the Children's
 foundation role of the Stone Moun-
 tain memorial campaign, and a for-
 mer president of the Texas division
 of the United Daughters of the Con-
 federacy, was in Ranger today and
 made a talk at the high school chapel
 this morning.

On next Tuesday morning at chap-
 el a high school girl will be elected to
 enter this contest with two other
 Eastland county girls to win a free
 trip with all expenses paid on a mag-
 nificent special train, in a tour of
 southern states and cities, for their
 part in enrolling children in the
 Children Founders Roll of the mem-
 orial.

Miss Mildred Mihills has been ap-
 pointed assistant county chairman
 and Mrs. Dan Moody is general chair-
 man of Texas.

The Children's Founder Roll was
 inaugurated so that the children of
 the south may play an important
 part in the building of the greatest
 monument ever undertaken and an
 effort is being made to enroll one
 million boys and girls in this roll
 by the close of the school term of
 1927.

It will be composed of children, up
 to 18 years of age, who will con-
 tribute one dollar to the cost of the
 monument that is being carved out
 of the living stone, by Augustus
 Lukeman and tells a story of the
 south's generals that will live as long
 as Stone Mountain lives.

6 O'Clock Closing Again Renewed During Summer

Efforts to make the six o'clock closing of dry goods and clothing stores uniform, will be made by the Ranger Retail Merchants association. This was decided at a meeting of the association last night. Last summer the six o'clock hour was effected but there have been a few dry good stores that have not lived up to the letter of the agreement. Now that summer is coming on, the members of the association who do close on schedule time, feel that it is only fair to them that all observe the same hour for closing their places of business. Work to establish a uniform closing hour will be carried forward by the association. Credits, consumed a good part of the time and reports were made on doubtful or bad customers, by various merchants present. Plans for future activities were outlined.

MACK BUILDS UP ATHLETICS IN ALL POINTS

FORT MYERS, Fla., Feb. 25.—With Cobb, Eddie Collins and Zack Wheat reinforcing the Athletics' attack this year, the White Elephants are in training at this winter paradise, with a not unreasonable prospect of dragging another pennant back to Connie Mack's ball yard in Philadelphia next autumn.

In addition to Mack fortifying his outfield with such a formidable pair as Cobb and Wheat, and building up the keystone sack with the redoubtable Eddie Collins, the wily A's manager has not neglected other weak spots that came to light last season and handed Mack an admitted disappointment by finishing down in third place.

Kansas City.
Dudley Branon, the rangy athlete from Kansas City, will start on first this year; with Eddie Collins on second and Jack Boley, Baltimore star, at short and Jimmy Dykes on third. Mack has an infield with a mixture of youngsters and veterans of which much may be expected. Collins, with 20 years in fast company is expected to steady Boley and Branon, though the former started with the Orioles for seven seasons and Branon held a job for your years with Kansas City.

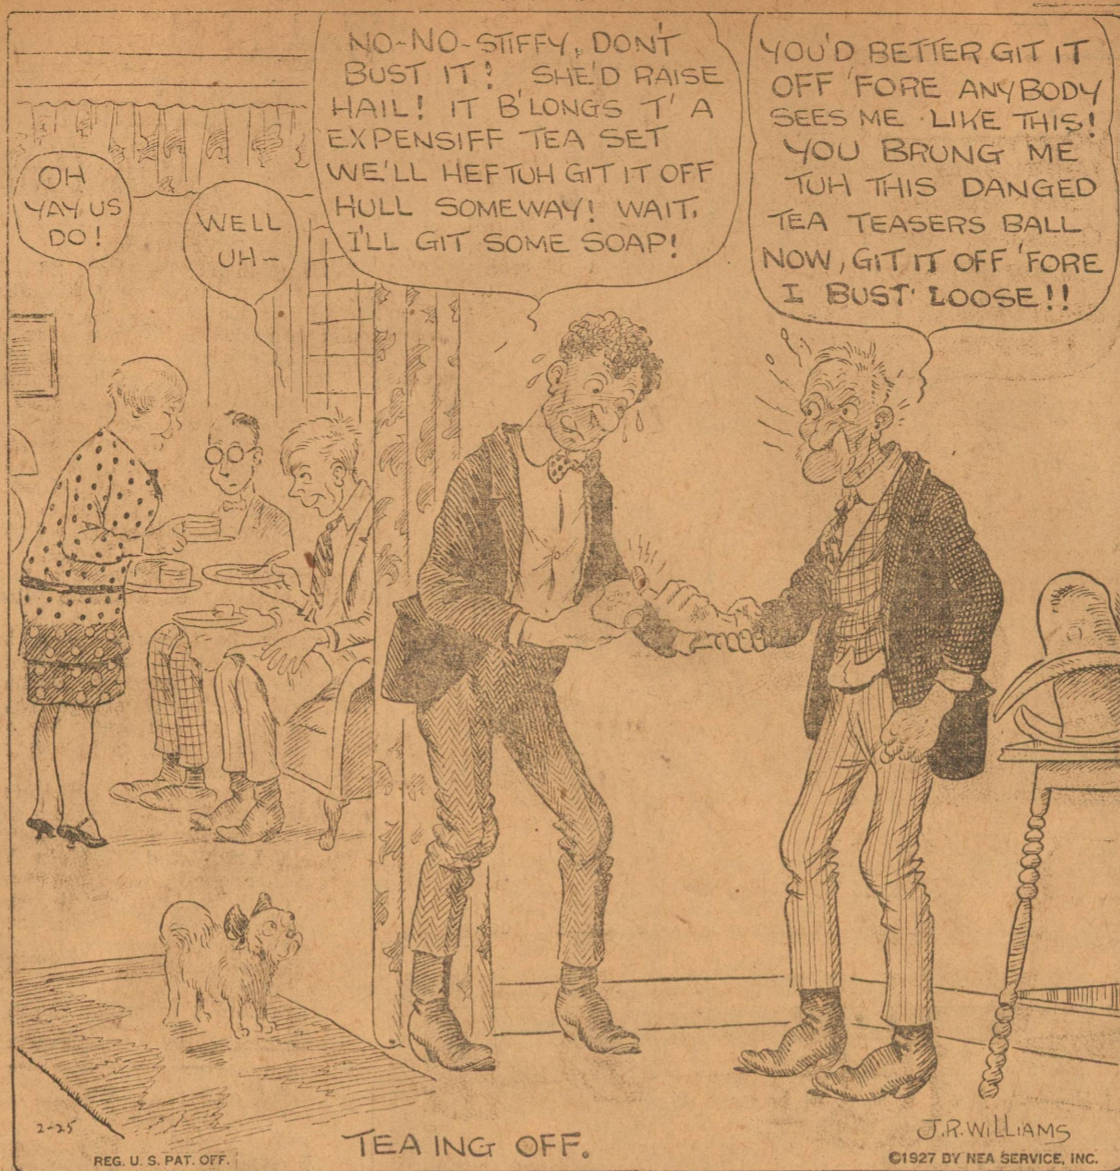

The A's go into this year's race with as strong an aggregation of hurlers as Mack has collected in many years. He has Howard Ehmke, who was a sensation with the A's after he left Boston last June; Quinn, Gray and Rommel, as his right handers, and for southpaws, Mack will display the Dallas stars of last year, Darnough and Hunter; Shores, purchased from Wichita Falls; Elliott, of Waco, Texas, and Lefty Yerkes, who was farmed out to Dover, Del., last season.

Batteries.
The pitchers and the catchers, Bates, who was recruited from Martinsburg, W. Va., and the three veteran receivers, Cochrane, Perkins and Fox, preceded the rest of the squad here by a week arriving Feb. 20 for early workouts.

When Cobb joins the squad March 1 Mack will have 34 ball tossers cavorting around the training lot—to quote him, "a bunch that may be leading the procession next October."

In addition to his regular infield, Mack has in reserve a second string quartet that put the A's in the race in the 1925 pennant fight. They were Jim Poole, first base; Max Bishop, second base; Chick Galloway, short, and Sammy Hale, on third. And then the A's have an all around handy man in Reds Sigafos of Reading,

Out Our Way

who trained with them two years ago.

In addition to Cobb and Wheat the fly chasers hustling for jobs are Barbee, French, Lamar, Metzler, West and Simmons, with the latter scheduled to start the season between Tyrus in right and Zack in left garden.

"I figure my boys are going to make a better showing this year than

they did in '25 or '26," Connie said. "I was disappointed at their finishing third place last year, figuring I had a winner. But with the additions we have made this year, prospects are bright for the hunting."

The valley of the Peecos was explored by Antonio de Espejo in 1582.

EASTLAND PRESBYTERIAN CHURCH.

The regular services will be conducted Sunday at 11 a. m. and 7:30 p. m. At the 11 o'clock hour the pastor will give a short report of the men's Presbyterian convention held in Dallas this week. Special music at each service. L. R. Hogan, pastor.

Colony School Will Render a Program Tonight

Colony Parent-Teacher association will meet tonight at the Colony schoolhouse and hold a short business session, which will be followed by the following program, arranged by Miss Maudie Pritchard:

All friends and patrons of Colony school are given a cordial invitation to visit the school this evening and enjoy the program:

Solo, Pearlje Choate.
Duet, Dorothy Pride Davis and R. L. Carr.
Dialogue, "The Quack."
Quartette, arranged by Hal Hunter.
Dialogue, "The Lost Tickets."
Dialogue, J. M. Tarrant and Bailey Hagar.
Dialogue, "Keeping the Peace."
Play, "The Lunatics."
Dialogue, "The Bashful Boy."
Quartette, by L. A. Mayfield's room.
Reading, Pearlje Choate.

Texas and Pacific Presents Ranger Times With Map

The Ranger Times force is seeing the United States first, these days, as yesterday they were honored by a map of the United States, compliments of the Texas & Pacific Railway company.

The map is very complete in every way, and shows the line that serves West Texas so splendidly in all its ramifications and connections. To one whose geography has become slightly muddled since school days, to one who wants to go a traveling by rail or auto and to one who really wants to know just what a big country ours is, the map is of great value and fills a long felt need in this particular office.

Street railways of the United States will spend about \$263,830,000 on plant, equipment and materials this year. About 3,000 new cars will be purchased and \$15,410,000 has been budgeted for new buses.

COOPERATION SPEAKERS THEME AT RISING STAR

Cooperation of the towns in Eastland county in the work of advertising and developing its resources was the theme furnished the ammunition for the oratory at the annual banquet of the Rising Star chamber of commerce in the new Methodist church Thursday night when more than 200 gathered for the occasion.

E. H. Whitehead, publicity man for the West Texas chamber of commerce, was the orator of the occasion and devoted his time to explaining the work of that great regional body and demonstrating how much good it had done for the development of the great empire and for attracting the attention of the world to West Texas.

During the course of his speech he recounted how through the efforts of the organization, the horizontal raise of five percent on the freight rates of all lines west of the Mississippi river was prevented and what was being done to aid the towns in the section to get lower insurance rates in addition to preventing an advance as was contemplated by the fire insurance companies.

The speaker also emphasized the good it had done at the Sesqui-Centennial exposition in Philadelphia where it won first prize over all other states in the union and the great amount of advertising the west received at a cost of less than \$5,000 for the six months.

During the course of the evening short talks made by the following: Rev. F. A. Noah, Judge Luker, Comanche; Mayor J. M. Williamson, Cisco; J. H. Kelley, B. M. Whiteker, West Texas chamber of commerce; Wm. Tyler, Col. J. E. T. Peters, Cisco; R. H. Bush, F. M. Gwin, Cross Plains; Wm. Koonce, T. W. Campbell, Cisco; E. N. Howard, A. D. Anderson, Cisco; James King, C. C. Patterson and others. Col. G. W. Briggs, of Eastland, acted as toastmaster for the evening and at the conclusion of the round table talks, turned the meeting over to Major Sellers, editor of the Rising Star Record, who introduced the visiting newspaper men.

After the usual preliminary invocation and while the banquet was in progress the following musical and literary program was rendered with Frank Roberson, secretary of the Rising Star chamber of commerce presiding.

Program.
Music by orchestra.
Fold dance, Little Merlin Jones and Laura Emma Jones.
Vocal duet, "Love's Old Sweet Songs," Mmes. J. R. Buecy and B. H. Bryant.
Piano duet, "Dragon Fighter," Miss Artie Boaze and Mrs. H. Bostain.
Reading, Shirley Mason.

A Picture That Tells the Story

—NBA, Chicago Bureau
A Chicago police station was the scene of this drama. "He killed my daddy," said Joseph Bender, Jr., 10, as he pointed to William E. Gall, held for the murder of Policeman Bender. The lad's mother stands beside him with detectives grouped around. Seated with Gall is Victor Walinski, confessed accomplice.

Work of Negro In All Lines Wins Praise

By United Press.
CHAMPAIGN, Ill., Feb. 23.—Negroes are an asset to the cultural life of the United States, the inter-racial committee of Champaign and Urbana disclosed as the result of investigation into their racial genius.

"In his folk songs, the Negro has contributed the only distinctly American music," the report stated. "The spirit of devotion, of aspiration of simple trust which breathes through the negro spirituals is the spirit of a race naturally religious. 'Swing Low, Sweet Chariot,' and 'Steal Away to Jesus' were born out of the passions of a music loving race.

"Among the Negroes who have given the world productions of high order are Harry Burleigh, Nathaniel Dett, and Samuel Coleridge Taylor. The English government bestowed upon Taylor a pension in appreciation of his work.

"In painting and sculpture the race has found recognition in the works of E. N. Bannister, William E. Scott, Edmonia Lewis and of Meta Vaux Warlick. Probably the most conspicuous success has been won by Henry O. Tanner, several of whose pictures have been bought by the French government and placed in the Luxembourg gallery.

"In the field of invention the names

of negroes are very numerous. Recently a negro of Newark, N. J., invented a new type of oil burner which is said to produce a large amount of heat from a given amount of fuel. Another Negro has invented a device to regulate the light of a locomotive so that the headlight will not leave the track when the engine approaches a curve.

"A Texas negro has devised a car rail joint designed to prevent the spreading of rails. A negro from Grand Rapids, Mich., has invented the "type-o-phone" designed to record at the other end of the wire an exact duplicate of the message which the sender writes on the machine before him. In the field of invention the negro has won and is still winning large honors.

"A negro, Prof. George Carver, has

made invaluable contributions to the science of agriculture and there are today negro sculptors, negro poets and negro actors who have won wide distinction. This is a remarkable record for a race only 70 years out of slavery and only a century and a half out of jungles of Africa. Small wonder that the late Lord Bryce remarked that no other race in history had made an equal amount of progress in an equal length of time.

"Although hedged about by great limitations, the negro has shown himself a worthy citizen. He has fought on every battlefield of the republic. Today the negro does not ask for charity. He wants only justice, a man's chance in the battle for life."

Legionnaires Sign to Play Fort Worth Cats

The Fort Worth Cats and the American Legion baseball team of Ranger, will play in Ranger, on March 28, according to an announcement made today by L. P. Brasher, post commander of Carl Barnes post No. 60.

The regular meeting last night almost resolved itself into a baseball meeting, as this game was decided on and plans for the City League for the summer were formulated. Messrs. J. B. Heister, E. W. Renshaw and C. D. Davis, were appointed as a committee to work with the City League team managers and help arrange for the coming summer schedule.

The American Legion team won the 1926 championship in the City League and for this reason feel that they can face the famous Cats with a good chance to win.

J. B. Heister will be manager and F. W. Renshaw captain of the March 28 game.

The Legion team will begin its workouts on March 10.

The meeting of Carl Barnes post last night was attended by a good crowd, there being some thirty men present and about eighteen ladies, members of the Legion auxiliary.

The membership drive, which has been going on for some months, will end next Thursday night and buddies are asked to show as much effort in getting new members in the next week as they have in the past, so as to bring the membership up to 150. There are now 115 paid up members.

Buddy Tune, made a nice report of the seventeenth district convention at Abilene, and said that the main topic of interest there was the 1927 membership drive that is going on throughout the state.

Julius Krause, was named chairman of the publicity committee for the Cat-Legion game, with Sam Wasaff and Clint Davis as his co-workers.

The game may be broadcasted and preparations are being made to make it the biggest event in Ranger since the Bulldogs whipped the Lobos.

DENTON, Feb. 25.—A call for crawdads and minnows has been issued by the biology department of the College of Industrial Arts in order to feed Jerry and Allie, pet alligator inhabitants of the C. I. A. classroom. They have been asleep since last Thanksgiving and are due to awake soon.

OFFICE WORKERS AVOID DULLNESS

Stenographers, clerks and other inside workers often complain of sluggishness that gets up with them in the morning and clings like a plague through the day. But there is a remedy. Comet Rice is one of the most easily digested of all foods. If it is eaten for breakfast, the whole system is refreshed for the day's work instead of being overtaxed in the performance of its duty.

Comet Rice abounds in protein, fat, carbohydrates and minerals—those elements that develop strength and build up resistance. Because it is so thoroughly cleaned, Comet Rice does not need a preliminary washing. Therefore you are sure of getting the full value of its precious food elements.

Several methods of preparing it have just been assembled in a new booklet. Send a two-cent stamp to Comet Rice Company 57 Light Street, Department 219-B, New York, for your copy.

Throw off that Cold by taking Klok-Lax

Don't go around choked up with a cold this winter!

Take Klok-Lax at the first sign of distress and you will throw it off.

Stop using sickening drugs that get your stomach all out of fix. You have got to clean out the clogged wastes in your intestines and start a free bowel movement before you can get rid of a cold.

Klok-Lax is the new, improved way to treat a cold. It thoroughly cleans out your entire 28-foot intestinal canal. Then, the most miserable cold will disappear.

Better still, keep your bowels cleaned out all the time—keep your system purified by taking Klok-Lax regularly—and the chances are you will never take a cold.

Everybody is using Klok-Lax now! It's the thorough, effective way to keep from having constipation. That's why it is the best treatment for colds.

Get Klok-Lax at any good drug gist.

Try running up six flights of stairs in a minute. And then climb on and on, minute after minute, without stopping for breath. That is what Leon Avazian, 16, a high school boy of Brooklyn, has just done for a world's record as a stairway sprinter. He ran up the 59 flights of the Woolworth Building, New York, in 9 minutes flat, clipping 3 minutes off the former record for the climb. The Woolworth Building stairway, you know, is the closest that any man has ever come to embodying Jacob's dream of a ladder stretching to heaven. The building towers 792 feet in the air, and there are more than 1300 steps to its top. Leon did them two steps at a stride. To the peak of the majestic Washington Monument, which tourists to the capital marvel at and sometimes attempt to climb, is 555 feet, and there are only 898 steps.

Cooper School Girls Defeat Cisco, 14 to 6

The first game of the series to decide the county championship in the girls basketball class was played at Cooper school, Ranger, Thursday afternoon, with the Cisco team opposing the Cooper team. Cooper won with a score of 14 to 6 over Cisco. Cisco was outplayed from the jump.

The game was refereed by Mrs. Halperin of the Ranger high school. The second game will be played in Cisco next week. Last year the same two schools met in the finals, with Cisco winning.

Carrying Pistol Unlawfully Is Made a Felony

AUSTIN, Feb. 25.—Unlawful carrying of a pistol is made a felony by a bill introduced in the house by Representative King, of Hopkins county. Pistol "toting" under existing law is a misdemeanor with fine and jail sentence. Penalty for violation of the law would be a sentence to the penitentiary of not less than one year nor more than 10 years.

The emergency clause of the King bill declares that "unlawful killings, murders and shootings with pistols and robbery by use of firearms are of almost daily occurrence in this state and are increasing."

Burglars Busy Rob Crabb Home And Lift Watch

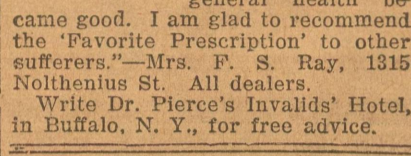

Burglars were busy in Ranger last night. They entered the home of Will Crabb in the Blackwell addition, and took a \$75, 21-jewel Hamilton gold watch, and all the cash that Crabb had in his pockets, amounting to \$10.80.

No clue has yet been found that leads to the identity of the marauders.

The half-a-day man

FOR months he had hated to face it... He was slipping. Losing out. He who once had shown such shining promise! His old-time vigor had gone. Ambition, itself! What had happened? He seemed to grow weary before the day was half-way through! What curse was beggaring his life?

Constipation blights many a bright career. It destroys initiative. It weakens the body and leads to disease after disease. Yet, constipation can be relieved—safely, permanently. Kellogg's ALL-BRAN is guaranteed to give relief!

Why part-bran products are ineffective

Doctors recommend ALL-BRAN because it is 100% bran. They know that 100% bran means 100% results! Here is why:

ALL-BRAN carries through the system moisture which its "bulk" absorbs. And it gently distends the intestines—cleansing, removing wastes. ALL-BRAN contains sufficient "bulk" to perform this work—because it is 100% bran. In a part-bran product the quantity of bulk is too small to be entirely effective.

Don't risk dangerous drugs

ALL-BRAN works as nature does. How different from pills and drugs whose dose must be constantly increased.

Serve ALL-BRAN with milk or cream—and add fruits, or honey. Let it soak a few moments to bring out its nut-like flavor. Mix it with other cereals. Use it in soups. Try the recipes on every package.

Kellogg's ALL-BRAN is the original 100% bran. Made by Kellogg in Battle Creek. Comes ready to eat. Sold by all grocers. Served by hotels, restaurants, on diners.

WHAT HAS GONE BEFORE

From the veranda of the Hotel Majusaca, at Ocean Town, N. J., TITUS RIGGS, a guest, sees a man taken from the ocean and laid on the beach while a crowd gathers to stare.

The reader has been introduced to these bathers:

Ned Barron, the copper king, and his wife Madeline; Angelica fair and her fiancé, Robin Sears; and Robin's father, Croydon Sears; Carmelita Valdon and her companions, Roger Neville, Garrett Folsom and Mrs. Barnaby, whom everyone calls the Duchess.

From the shocked expression on the faces of the throng, Riggs surmises that the man is dead and, putting down his field glasses, he hastens down to the beach, to find that the dead man is Garrett Folsom.

At the hotel, where the body is taken, ROSS, the victim's valet, is questioned, and DIXON, hotel detective, decides to examine all of Folsom's companions.

NOW GO ON WITH THE STORY

CHAPTER IV

Dixon pushed a button and a bell-boy appeared at the door.

"Oh, it's you, Tubby, is it? Well, like yourself up to those two room numbers and ask the two ladies to come down here immediately?"

"Yessir," and the fat youngster took the slip that Dixon handed him.

"Isn't that a little imperative, Mr. Dixon?" said Neville, with a look of astonishment.

"It's the only way. I've tried too many times asking ladies to come when convenient, and it means a long wait. They can't resent a definite summons in an emergency like this."

"No, I suppose not," Neville agreed, and sure enough, it was but a few moments before the two came in.

"Oh, oh!" exclaimed Mrs. Barnaby, as she caught sight of the blan-keted form, "can't we go some-where else? That awful—oh, oh—"

"She covered her face with her hands and sat moaning.

"Hush, hush, Duchess," her companion whispered. "Don't make such a fuss."

"I can't help it! Oh, Mr. Pelham, do let us go out of here! Mr. Neville beg him to let me go! I must go!"

She rose and made for the door with such evident determination that Dixon thought best to humor her.

"All right," he said kindly. "We'll

knocked down myself. If Mr. Folsom had even a slight cramp it is not surprising he was drawn under by the waves."

"You were off the rope, Mr. Neville?" and Dixon turned to him.

"Yes, I hate to be hanging to a rope. I take the big waves head on, and if they fling me up on the beach, that is the sort of sport I enjoy. Folsom liked it, too, but he felt he must stay with the ladies. He broke away once or twice and then went back."

"Yes, but he was glad to get back," Mrs. Barnaby told them. "He wasn't much used to surf bathing, and he seemed to get winded easily."

"You noticed that, too, Mrs. Valdon?" pursued the questioner.

"Not specially," she said. "But as I told you, I was busy looking out for myself. I think I was never so buffeted by the waves as we were this morning. They were ferocious."

"Who stood on the other side of Mr. Folsom?" Dixon inquired, and as Neville and Mrs. Barnaby shook their heads, he turned to Mrs. Valdon for a reply.

"It was Mr. Barron," she said. "I know because Mr. Folsom asked me who he was and I leaned over to see. That was just before we decided to come out of the water. We couldn't find Mr. Neville, so we said we'd go out anyway. Then a big wave came and it was right after that that Mr. (Continued on page seven.)

Virginia Lady Tells of Taking Cardui and Says She Has Since Recovered Perfect Health.

Lynchburg, Va.—"I have taken Cardui several times for a run-down condition and have found it perfectly splendid," says Mrs. Lee T. Marsh, 715 First Street, this city.

"About ten years ago," she explains, "I became so weak I could not go about. I looked like a skeleton and . . . was dreadfully worried about myself. A friend suggested Cardui and I decided to try it."

"I kept up the medicine until I had taken six bottles. It regulated and built me up. I improved greatly. Last year we drove up here through the country from Florida. I was exposed to the weather and must have taken cold, for I became ill . . . I got run-down, lost flesh, could not sleep and had no appetite at all. I was so nervous that I did not know what to do."

"I thought of Cardui. I began to take it regularly and, it was not long before I began to feel better. I took six bottles, one after another, and at the finish of the last one was perfectly well again. Since then I have continued gaining in weight and all winter have been in perfect health." Dixon said turning to Carmelita, "You saw the scene Mr. Barnaby has just described?"

They saw the two women, accompanied by the hotel detective and Roger Neville, go into a room and close the door.

Yet the conversation in there was in no way alarming or even interesting.

Relieved of the sight of the still, shrouded form of Garret Folsom, Mrs. Barnaby became herself again and answered readily enough all the questions put to her.

Too readily, indeed, for she was a voluble sort, and once started she loved to hear the sound of her own voice.

"Oh, yes, of course I knew Mr. Folsom," she returned to Dixon's question. "No, I didn't know him until last evening, but, you see, he's the kind of man you feel acquainted with at once. My friend, Mrs. Valdon, introduced him to me, and I took to him that very minute. A delightful man—oh, what a pity he is gone!"

"Then, if you never knew Mr. Folsom until last evening, you can't tell me much about him," Dixon said, a little curtly. "Mrs. Valdon, you have known him for a longer time?"

"Yes," Carmelita Valdon replied, her great dark eyes filling with tears. "I have known Mr. Folsom for several years. He was my lawyer and my friend as well. I was rejoiced when I heard he was down here, and we planned many things to do by way of entertainment. I knew Mrs. Barnaby would like him, and I was not surprised when I found the liking mutual."

Rheumatism can't be rubbed away

Are you one of those unfortunates who suffer with pains in your muscles and joints, making you miserable, less efficient, interfering with your working hours, ruining your sleep?

You may have tried many things without relief. Why not try S.S.S. For more than 100 years it has been giving relief in thousands of cases, as testified to in unsolicited letters of gratitude.

"I suffered from rheumatism for a good many years. At times my joints would swell so, I couldn't walk. I tried most everything. Went to Hot Springs and finally I decided to try S. S. S. I took a course. In a short time the rheumatic pains entirely left me. I also had a breaking out on my hands for years that nothing would heal, but now this has disappeared, and I am sure that it was S. S. S. which removed the cause. I am now in perfect health, and want to add that I have tried all kinds of medicines but I think S. S. S. is the best." Carl C. Campbell, 115 West Main Street, Johnson City, Tenn.

S.S.S. is purely vegetable. It is extracted from the fresh roots of medicinal plants and herbs and gives to Nature what she needs in building you up so that your system throws off the cause.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

Folsom went under.
"Where were you then, Mr. Neville?"
"In the water, not far from our crowd. I saw Mrs. Burnaby's black and yellow cap and she waved her hand toward shore, so I gathered we were all to go in and I started toward the land. But there was a crowd, and before I could get to shore, I saw the men carrying a man in, and I saw at once that it was Folsom."
"And you followed them?"
"Of course. And stood by until they started to bring him here, then I went to my bathroom and dressed as quickly as I could."
"Well," said Dixon, "I think that's about all you people can tell me, then. I just wanted to get the details of the drowning. Hello, here comes the valet, Ross."
The man came into the room and stood at attention.
Though evidently stirred with excitement, he preserved a calm demeanor, and except for a nervous twitching of his fingers, showed no sign of perturbation.

Cheney News

CHEANEY, Feb. 25.—A number from here attended the short course at Ranger the 17th. All were well pleased and expressed the hope that the lecturers will come again.
The Cheney Literary society rendered a program Saturday night, which was well received by everybody present. Several new actors took a part in this program.
Singing at Cheney was well attended Sunday afternoon. Visitors were present from Ranger, Hunter, Oldham, Cross Roads and Lone Cedar.
S. E. Thomas and wife of Mineral Wells were visitors in this community last week.
Richard Tucker attended court in Eastland Monday.
On Washington's birthday the patrons of the school met at the schoolhouse and worked on the school grounds putting out flowers and shrubbery. Several business concerns had contributed these plants for which all are very thankful.

man presses.
Either Mr. or Mrs. Clardy will be in charge of the shop all the time and give their uptown customers the same courteous service that has characterized their dealings with their trade in the past.
Bill's Dry Cleaning plant will still do work at the old stand on Tiffin Road, as the new place is just an expansion of their service to their customers and friends.

Wisconsin Girls Organize New "Decency Club"

By United Press.
BURLINGTON, Wis., Feb. 24.—Feeling that drinking, smoking and petting are becoming too common to be smart any longer, 24 girls here have formed a "decency club" and have forsworn cigarettes and liquor and "petting" parties.

Caroline Eagen, 19, founder of the club, declared that the slogan of the

organization is: "To pet, smoke or drink is old-fashioned."

The girl members of the club are required to take a pledge, which reads as follows:

"I agree to stop smoking.
"I promise never to drink except in company of my parents.
"I will not pet with members of the opposite sex but will save myself for the man I love.

"I agree to attend each weekly meeting of the Decency club except in case of illness or important business and will abide by its rules."

Meetings of the club, according to Miss Eagen, are held every Tuesday. Membership of the club, except for its members, is secret.

The girls who have already joined the club range in age from 17 to 25, Miss Eagen said.

"Promiscuous petting," Miss Eagen explained, "is absolutely no good. But if we say to prospective members of the club, 'let's go back to the old days of 10 years ago' not many would sign up. But when we say petting is getting so common, that drinking among girls is getting to be a cheap thrill and that smoking is all out of date, that to abstain from these is the modern and smart thing to do, then we get members."

Miss Eagen admits she has smoked, but says she does not think it is good for young girls to do so.

When asked if she had ever seen girls drink, Miss Eagen said, "I'll tell you the girl who goes to a public dance today has only one chance out of nine of not being asked by some boy to go out to the car for a nip from a bottle."

Miss Eagen said she got the idea of starting the club from seeing a lot of things and then thinking about them.

Bebe Daniels and Ford Sterling in a scene from "Stranded in Paris"

RIOTOUS CHASE IN NEW FILM FLICKER

There may be worse places to be stranded in, but when you're stranded in Paris as Bebe Daniels was in her latest Paramount comedy, "Stranded in Paris," it's not so nice — nor is it very laughable — for the person most concerned.

You see, Bebe comes to Paris with full intentions of "doing the town." However, less than 24 hours after arriving, her purse has been stolen, her way lost, and her stomach empty. In other words, she is "Stranded in Paris."

"Stranded in Paris" arrives at the Lamb theatre, Ranger, on Sunday. James Hall, Bebe's leading man in "The Campus Flirt"; Ford Sterling and Iris Stuart are co-featured. Director Arthur Rosson worked from a screen play prepared by Ethel Doherty and Louise Long.

OSCAR CHASTAIN RANGER VISITOR

Oscar Chastain, Eastland attorney, was in Ranger today on business and giving Ranger's reported boom the once over. Incidentally he extended friends in Ranger an invitation to attend the opening of Eastland's new hotel on Thanksgiving Day. "Roof garden and everything," the genial attorney hinted.

Briggs and Peters Go to Denison Market Meeting

Geo. W. Briggs, secretary of the chamber of commerce of Eastland, and J. E. T. Peters, secretary of Cisco chamber of commerce, will go to Denison next Friday night to attend the Poultry and Cooperative Marketing association meeting.

Eastland county is receiving a wide reputation and is growing in fame in connection with its poultry industry and its marketing of poultry products. Recently delegations from Cuero, Clyde, Taylor, and Stephenville have visited this county and made the rounds to some of its poultry farms to study the development of the poultry industry and the system of marketing prevailing in the county.
