CITY CONSIDERS WATER PLANT OFFER

DALLAS NEGRO'S HOUSE WRECKED WITH DYNAMITE

He and Former Owner Had Been Warned "It's White Neighborhood."

DALLAS, May 3.—A house owned by James Lewis, negro, was dynamited in North Dallas last night. The blast caused \$1,000 damage. No one was injured.

Lewis is a disabled veteran of the world war. He was wounded while serving with the 315th infantry of the Ninety-third division. He bought the house from C. S. Newton a few days ago.

Detectives said today that Lewis told them he had been threatened by a white man with a visit from the Ku Klux Klan if he moved into the house. Newton said he received a threat a few weeks ago not to build the house. He was planning several houses to be sold or rented to negroes. He said white persons living in the neighborhood had told him that "this is a white section." Newton claimed most of the residents are negroes.

The blast tore the flooring out, wrecked the partitions and broke the windows.

DISARMAMENT DISCUSSED AT GENOA PARLEY

GENOA, May 3.—The disarmament question bobbed up today in the plenary session of the economic conference. Minister Rathenau of Germany said that the world's trade must be doubled before conditions are bettered but this cannot be done while the nations are jumping at each other's throats. Minister Tchitcherine of Russia declared in a plea for disarmament that "only by a policy of peace can the nations balance their budgets."

Sir Worthington Efans, president of the finance commission, presented the commission's report. Stabilizing of the purchasing power of gold cannot be accomplished without American co-operation, he said. The report recommended that the Bank of England call a meeting of the central banks of issue to regulate credit policies and study currency retirement. It also recommended an international finance convention to centralize and co-ordinate the demand for gold, which would be the standard of European currency.

U. S. ENTERS PROTEST
GENOA, May 3.—The report is being circulated here that the American state department has instructed Richard Washburn Child, the American ambassador to Italy, to protest to the conference over article 6 of the memorandum to Russia as it affects the property rights of Americans.

Paris, May 3.—The French government has decided to stand by Belgium in the opposition of that country to the allied memorandum to Russia, as it affects private property rights.

RETAIL MERCHANTS' ANNUAL ELECTION HELD LAST OF MONTH

The annual election of officers of the Retail Merchants' association will be held on May 29, it was announced this morning. Seven directors of the association are to be elected on that date, together with a president, vice president and treasurer.

The annual meeting of the local association will be preceded by the convention of the Retail Merchants' Association of Texas and of the state convention of the Retail Credit Men's National association, which will be held in Fort Worth on May 23, 24 and 25.

SINCLAIR ON LAST LAP OF RUN TO SON'S BEDSIDE

ST. LOUIS, May 3.—Harry Sinclair, rushing from Mexico City to New York, where his son is seriously ill, arrived in St. Louis at 9:45 o'clock today. Sinclair said he expects to arrive in New York tomorrow. He left St. Louis at noon on a special car attached to a fast Pennsylvania train.

Blanton Has Opponent

SPECIAL TO THE TIMES.
BROWNWOOD, May 3.—Ernest G. Albright of this place, has entered the race for congress from the Seventeenth district, opposing Congressman Blanton, and has opened headquarters in the Bernay building here. He will make his formal announcement of his platform about May 15, and will make a speaking tour of the district.

Site Laid Off for New High School

The laying off of the site for the new high school on the present high school grounds at the corner of Pine and Marston streets was started this morning, following the arrival here of Architect John Tulloch of Sherman, and representatives of the contracting firm of Henger & Chambers of Dallas.

Ground is to be broken for the new building within a few days and the work of erecting the building rushed to completion by fall.

RELATIVESTAKE R. BOOTH'S BODY TO W. VIRGINIA

The body of Russell Booth, Prairie Oil & Gas company employee who died Saturday, was sent today on the Sunshine Special to Littleton, W. Va., for burial. The body was accompanied by the widow and a sister of Mr. Booth, who arrived here yesterday.

GENERAL WU'S ARMY MOVES ON TEIN TSIN

PEKIN, May 3.—It was announced today in reports to military attaches here that Wu's army is rapidly approaching Tientsin. Admiral Strauss, commanding the American Asiatic fleet, after a conference with Minister Sherman has ordered the gunboat Wilmington to proceed from Hong Kong to Tientsin. Foreign vessels now at Tientsin include three Japanese torpedo boats, a British submarine tender, a French gunboat and an Italian gunboat, which are guarding the Pi Ho river from Taku to Tientsin.

GENERAL CHANG REPORTS WU KILLED IN ACTION

PEKIN, May 3.—It is announced at General Chang Tso Lin's headquarters today that General Wu Pei Fu, the Central Chinese leader, has been killed in action. The announcement has not been otherwise confirmed. The foreign legations are investigating.

TERRELL, Texas, May 3.—Bandits last night tunneled under the Canton State bank of Canton, Van Zandt county, and rifled the safety deposit boxes. They were unable to effect entrance into the main vault. The loss is unknown.

CONTROVERSY HOLDS UP TAXES ON THREE CLOSED RANGER BANKS

Instructions were asked from the city commission yesterday in regard to the collection of city taxes on a total rendition of \$276,800, alleged to have been made on bank property and capital stock by officials of the Guaranty State bank, the Texas Bank & Trust company and the Farmers & Merchants bank before the institutions went into the hands of the state liquidating agent. At the rate of \$2 per hundred, a total of \$5,526 is due from the state in taxes. Tax Collector Ringold reported in laying the matter before the commission, plus the 10 per cent penalty. No action was taken by the commission yesterday.

Capital Stock Is Issue.
It is said to be the contention of the state insurance and banking department that the tax on the capital stock should be paid by the stockholders of the bank and not by the department, no allowance being made for the bank fixtures and furnishings, which are said to have been included in the capital stock renditions.

SHAMROCK PARK NOT OFFERED TO CITY; WON'T BE

The owner of Shamrock park and Mirror lake does not contemplate offering the property for sale to the city for municipal park purposes and has not authorized the setting of the price at \$5,000 or any other figure, it was announced this morning by A. P. Howell, representing R. W. Campbell, owner of Ranger Heights. The announcement was made in response to the statement made public yesterday afternoon by K. A. Gooding to the effect that representatives of the owners of the property would appear before the city commission yesterday afternoon to offer the property for sale and that it could be purchased for \$5,000 cash or in city bonds.

Mr. Gooding, who states that he was in consultation with the mayor yesterday afternoon, explains that his announcement of the plans to offer the property to the city were not official and that his contemplated appearance before the commission was to have been for the purpose of suggesting, merely as a citizen, that the city purchase the property; which he thought would be a "good thing."

TOO IMPATIENT!

FRANKFORT, Ky., May 3.—If Henry Moore, of Covington, negro, had waited just 30 minutes to leave the Franklin county jail here he would have been a free man. Instead, however, authorities are seeking him as a fugitive.

Moore was held awaiting action of the grand jury on a charge of having escaped from a convict road camp May 8, 1920.

He had been turned over to the sheriff December 8, 1921, but the grand juries which had conducted sessions since his escape from the state camp had failed to indict him. Judge Stout, of the circuit court ordered Moore to be released.

A half hour before the order reached Jailer Winters, Moore, who had been a trusty, ran away.

CRANE MAN AT CRUSHER LIVES AFTER 35-FOOT FALL ON ROCKS

J. W. Weaver, crane man for the Thurber Eastern Products company at Tiffin, narrowly escaped death early yesterday morning at the plant there, when he was knocked from the boom and plunged thirty-five feet into a pile of rocks. Weaver's left collar bone was broken and one hip was badly injured. Physicians, according to Weaver, do not believe that the hip is broken. The injured man was brought to a local hospital.

Weaver stated this morning that just prior to the accident he had climbed to the top of the boom on one of the cranes to adjust a chain that had slipped. The dipper or scoop, was resting on sloping ground and suddenly slipped back, taking up the slack in the chain connected with the boom and throwing a bar in the top of the chain against Weaver, knocking him from his seat. On striking the rock pile thirty-five feet below he rolled some distance.

WARDMORE, Okla., May 3.—A gasoline war in Ardmore between the filling stations with three prices was in effect yesterday, 15, 18 and 21 cents. The cutting started Saturday when the Sinclair company slashed the figure from 21 to 18 cents, selling wholesale and retail at the same price. Tuesday a local motor company cut the price to 15 cents. The majority of the stations are holding out to the 21 cent figure.

The prevailing tank wagon price here is 18 cents.

WICHITA FALLS KLANSMEN DON'T HAVE TO ANSWER

Ku Klux Questions Legal Only When Order Is Suspected of Crime.

AUSTIN, May 3.—The court of criminal appeals today ruled that H. D. Miller, Wallace Martin and Jim Jennings, who had been adjudged in contempt by the district court of Wichita county for refusing to answer grand jury questions about the Ku Klux Klan, had the right not to answer the questions and ordered them discharged. The three men had been ordered fined \$100 each and remanded to jail until they answered these questions.

"Have you ever been a member of the Ku Klux Klan?"

"Do you know anyone who is a member of the Ku Klux Klan?"

No Criminal Probe.
The court in its order discharging the men held that "a grand jury had no right to ask these questions unless there is a bonafide criminal matter under investigation, in which such questions are pertinent." It further held that the questions asked these men pertained to no crime or alleged violation of the law.

The record showed that the foreman had testified as a witness that the grand jury was not investigating any crime or offense which the Ku Klux Klan was supposed to have committed or been connected with; that the only information the jury had was that some officers were members of the organization.

The questions in this case differed from the recent Travis county case in that the Travis county jury was investigating matters in which the Ku Klux Klan was charged with complicity.

KLAN SUED FOR \$200,000 BY FORMER FT. WORTH MAN

FORT WORTH, May 3.—Suit against the Ku Klux Klan for \$200,000 has been filed in federal court here by attorneys representing A. W. Sasse of New Orleans, formerly of Fort Worth, charging "libel, maliciously intended to ruin plaintiff's good standing and name in the community and his business." The petition names George B. Kimbrough, Jr., of Houston as "grand goblin of the Klan, western domain" and W. A. Hanger of Fort Worth as "kleagle." Hanger is a prominent attorney.

It is alleged Dan E. Lydick, Earl H. Lilly and Richard Coffman, all well known Fort Worth business men, and others conspired against Sasse. They are named as defendants.

Sasse formerly was president and general manager of the Consumers Belt and Manufacturing company here.

MARSHALL TARRING IS PROBED BY FEDERAL AGENTS

DALLAS, May 3.—Federal authorities are actively investigating the activities of masked bands in Texas and at least one case of flogging will be prosecuted, it was learned from federal agents here today.

Secret service operatives have been investigating the taking of Ray Daniels from the United States post office at Marshall last February. Federal agents declare Daniels was taken by four men to a point near the Louisiana line and there tarred and feathered. This investigation was made at the request of United States District Attorney Bryan at Marshall.

Federal authorities assert that the persons who kidnapped Daniels are guilty of a felony on United States property and are subject to trial in federal court. If arrests are made in the Daniels case, the defendants will face charges of kidnapping. The agents said that although no arrests have been made, the identity of Daniels' abductors has been well established. Information obtained by the government operatives will be placed before the federal grand jury to be empaneled soon at Texarkana.

BANDITS SECURE \$10,000
LAFAYETTE, Colo., May 3.—Four masked bandits held up the State Bank of Lafayette today and escaped with \$10,000.

KKK IS CUPID!

Tulsa Youth Claims He Was Forced to Marry Pretty Widow.

TULSA, Okla., May 3.—Chester Cagle, 20, today sought annulment of his marriage to Mrs. Belle Jones, 24, a pretty widow, on the ground that he had been forced by seven armed men to submit to the wedding ceremony. Cagle claimed the men were members of the Ku Klux Klan and at the point of revolvers kidnapped him and forced him to admit he had wronged the woman. Rev. Harold C. Cooke, field agent for the Central Oklahoma Methodist university, was brought to the scene and performed the ceremony, Cagle told the police. He said he had told Cooke he had wronged the widow, after armed men had threatened his life. He was taken to the wedding, he asserted, after being kidnapped from a machine in which he and his brother were returning from San Springs. He said the men at first flashed badges and pretended to be officers.

Rev. Mr. Cooke said the men wore heavy goggles and he could not see their features.

The annulment proceedings were brought by Mrs. Eva Cagle, the boy's mother.

MYSTERY FIRE AGAIN DAMAGES U. S. TREASURY

WASHINGTON, May 3.—The United States treasury—the world's greatest money storehouse—was attacked last night at an informal gathering of members of the new organization.

This is the fifth strange fire that has broken out in Washington recently. Flames forty feet high shot over the roof of the treasury. An explosion occurred, believed to be of chemical used for bank note printing. It is denied that chemicals used to test bootleg liquor blew up.

The flickering glare aroused President Harding, who watched the blaze from a White House window as sparks from the treasury building just across the street, showered into the grounds.

Treasury officials today estimated the damage, at first believed to be \$75,000, at \$15,000. Origin of the fire—the second at the treasury within a few months—is being investigated.

IRISH INSURGENTS ARE DEFEATED AT KILKENNY

DUBLIN, May 3.—The battle for Kilkenny, the fiercest in the Irish civil war, went to the Free State forces today. The insurgents were driven from Kilkenny cathedral, where they had fortified the tower and were commanding the approaches to the city. More than 100 insurgents surrendered.

In an attack on the constabulary barracks at Ballagey, in South Derry, today, one constable was killed.

AUSTIN, May 3.—The third court of civil appeals today reversed and remanded the case of Mrs. Inez Crow vs. Sheriff Bob Buchanan, from McLennan county, and entered an order directing the district court to try the case.

Mrs. Crow is suing Buchanan for \$50,000 damages growing out of the death of her husband, Louis Crow of Waco, who was killed when Buchanan as sheriff, attempted to stop a Ku Klux parade at Lorena, last Oct. 1.

PURCHASE WOULD CUT WATER RATES IN HALF, OWNERS SAY

Filtration Plant to Make Water Potable Included in Proposal; Committee of Citizens Considers Offer This Afternoon

Plans for a sweeping reduction in water rates and the purification of the Haganan lake water for drinking purposes by means of municipal ownership of the city distribution system of the Ranger Water company, will be laid before a committee of ten citizens this afternoon by the city commission for a discussion of the feasibility of the plan, and as the first step toward ascertaining through civic organizations of the city the attitude of Ranger toward the plan.

The committee of citizens has been asked to meet at 3 o'clock and is composed of M. R. Newnam, H. S. Cole, Dr. W. C. Palmer, J. M. White, Ed Maher, J. C. Smith, S. W. Bobo, Jack Phillips, O. D. Dillingham, E. E. Crawford and H. A. Logsdon.

NEW CHAMBER WILL ORGANIZE NEXT TUESDAY

Directors and Officers to Be Elected at Big Smoker.

The New Chamber of Commerce will be formally organized next Tuesday night at a smoker to be held at the Gholson ball room. It was decided last night at an informal gathering of members of the new organization.

An enthusiastic meeting developed as talks were made on the need of the new chamber and the activities which demand its attention, and cards were given out to all present, to sign up new members and personally invite them to the meeting.

Every citizen of Ranger is asked to become a member, and anyone who should happen not to be solicited personally is asked to go to the old chamber's office, where Miss Inez Davis will take the application and turn it over to the organization committee.

Nominate from Floor
All directors and officers will be nominated and elected from the floor at next Tuesday night's meeting, it was decided last night, and committees were named to arrange for the entertainment features of the affair and advertise it.

Raymond Teal, A. F. Mims, L. Theobald and A. J. Jury were named as the committee to lay out the refreshments; W. R. Fleming, Dr. Stafford and O. D. Dillingham will arrange for music; C. Stenberg and A. Joseph will provide advertising signs, to be placed on the most perambulating automobiles in the city, and William McDonald and Rufus G. Lackland will see that the signs get on the cars.

The new chamber will be everybody's chamber, it was emphasized last night, and regular meetings will be held at which every citizen will be asked to express his views and make suggestions towards a policy of permanent advancement.

WASHINGTON, May 3.—New railroad tariffs which would have the effect of changing freight rates on the movement of low grade petroleum products from the Mid-Continent fields of Kansas, Oklahoma and Arkansas to points in states west of the Mississippi and north of the Missouri were set aside today by the interstate commerce commission.

CRANE MAN AT CRUSHER LIVES AFTER 35-FOOT FALL ON ROCKS

J. W. Weaver, crane man for the Thurber Eastern Products company at Tiffin, narrowly escaped death early yesterday morning at the plant there, when he was knocked from the boom and plunged thirty-five feet into a pile of rocks. Weaver's left collar bone was broken and one hip was badly injured. Physicians, according to Weaver, do not believe that the hip is broken. The injured man was brought to a local hospital.

Weaver stated this morning that just prior to the accident he had climbed to the top of the boom on one of the cranes to adjust a chain that had slipped. The dipper or scoop, was resting on sloping ground and suddenly slipped back, taking up the slack in the chain connected with the boom and throwing a bar in the top of the chain against Weaver, knocking him from his seat. On striking the rock pile thirty-five feet below he rolled some distance.

The complete distribution system of the water company, plus a new filtration plant, an improved pumping station and a long or short time contract for water from Haganan Lake at a low rate was offered the commission yesterday afternoon for a price of \$198,000. With the elimination of taxes under municipal ownership and the cheaper operation of the system by the city organization, the present water rate of \$1 can be cut in half, M. H. Haganan, head of the water company, pointed out in presenting the plan.

From figures supplied by Mr. Haganan and previously obtained by members of the commission, it was found that the city could, after reducing the water rate to 60 cents, make an annual profit of \$5,787 in addition to saving the city's annual water bill for fire hydrants and sewer washing, now running around \$4,000, after \$10,000 annually had been deducted for the sinking fund. It was estimated that with the filtration of the water the consumption for drinking and cooking purposes would be increased approximately 25 per cent, with an increased profit. It was declared that the bond issue for the plant would never create a tax on the people.

The offer of the plant was made following Mr. Haganan's second summons before the commission in the recently launched efforts to reduce public utility rates in Ranger. The distribution system of the company was offered for \$158,000, a discount of 10 per cent, Mr. Haganan said. The cost of the filtration plant and of raising the pumping station either by the city or the water company is estimated at \$38,000. In the event of purchase of the distribution system by the city, the water company would agree to raise the height of the dam and to give bond for an ample maintenance of the water supply. With the elimination of the oil and salt water that had previously drained into the lake, Mr. Haganan said that there was no reason why the lake water could not be made into good drinking water by the installation of the filtration plant. The company, he said, would make a low rate per thousand feet for water supplied.

Company Incorporated
It was brought out in the discussion that the water company has been recently incorporated at a capitalization of \$400,000 and that the gross profits of the company last year were \$67,135.52. Other figures, including the amount paid in taxes and operating expenses are expected to be presented at the meeting this afternoon.

City bonds at par value will be acceptable at this stage of the bond market, Mr. Haganan said.

In the event that the purchase of the plant is found practical and is agreed to by the city commission, an election will be called to decide the matter.

'GAS' WAR AT ARDMORE

ARDMORE, Okla., May 3.—A gasoline war in Ardmore between the filling stations with three prices was in effect yesterday, 15, 18 and 21 cents. The cutting started Saturday when the Sinclair company slashed the figure from 21 to 18 cents, selling wholesale and retail at the same price. Tuesday a local motor company cut the price to 15 cents. The majority of the stations are holding out to the 21 cent figure.

The prevailing tank wagon price here is 18 cents.

Webb, Jr., Fort Worth; B. H. Norcutt, New York; Lee Rhodes, Dalcure, in fact, every line of work that the average man or woman must do some time in his life. There are thousands of other towns in the United States that have had plenty of money all these years to provide such schools and such teachers for their children, but they lacked the vision. They lacked the ideals of education that the Ranger people have. The people of Ranger have done more for their children's education in four years than most of us have done in a quarter of a century. What if a few have lost their wealth? The highest ideals have been placed within the reach of their children.

DOG HILL PARAGRAPHS

By GEORGE BINGHAM On coming in with the mail Thursday the Mail Carrier found a large round black overcoat button with two holes in it, which the owner may have by calling and describing same. Washington Hocks was down to the store a while this morning, and after he got back home he had to go clear back as he forgot his walking stick, and he cannot get along without it. Sim Plinders thought of a good saying Tuesday. He says you can lead a goose to water but you can't make him sink.

ROCK WORK PUSHED ON ROAD NEAR GORMAN

EASTLAND, May 3.—The last coat of rock is now going down on both of the hard surfaced roads out of Gorman. About a half a mile has been covered with the final coat before the asphalt is spread and the crusher is going as fast as it is possible for it to run. The contractor on the Desdemona road has been working overtime on his job, talking of putting a night crew on to rush the work.

All the rough rock is laid on the Desdemona road except about 1,000 feet leading into Desdemona. This work is being pushed and will be done before the smaller rock reaches there. The asphalt will be laid as soon as the last coat of rock is laid over a mile or two of the rough rock. The work between Gorman and Carbon is being also finished as far as rock is concerned. Work on the highway between De Leon and Gorman, being built by Comanche county, is beginning to look like a road.

A great deal of this work has been done and the road is almost ready for traffic. This road will make it possible for automobile traffic to pass through with ease and will popularize the route through De Leon to Fort Worth. Heretofore the sand has made this a very much shunned road. Native gravel is being used on the work.

INDIANAPOLIS, Ind., May 3.—Former Governor Sam M. Ralston maintained his ratio of 2 to 1 in the Democratic race for the senatorial nomination today. Former Senator Albert J. Beveridge continued slightly in the lead of Senator Harry New. This morning's newspaper reports gave him a lead of 5,588, but New's headquarters claimed a 2,000 plurality at 11:30.

BIBLE INSTITUTE AT LINDSEY AVE. BAPTIST CHURCH

I. W. Lawrence, Baptist pastor of Cisco, will preach tonight at the Lindsey Baptist church in Lackland addition. Rev. Mr. Lewis' sermon on "The Divinity of Christ" is the third of the special sermons that have been delivered at the church since the Bible institute opened there Sunday night.

BEVERIDGE LEADS NEW IN INDIANA RACE

INDIANAPOLIS, Ind., May 3.—Figures compiled at New headquarters at 11:30 o'clock from reports received from representatives in 1,999 precincts give the following vote: New 102,346; Beveridge 100,139. On the basis of these figures, New's supporters admitted that Beveridge was cutting down the lead that had been claimed for New.

AGED HOSPITAL INMATE SLAYS TWO AS THEY SLEEP

PARSONS, Kan., May 3.—Two inmates of the state hospital here were killed and another probably fatally injured by C. C. Burgan, 60-year-old inmate, who ran amuck, wielding a lead pipe today.

STOCKMAN RETURNS

Ralph G. Stockman of the firm of Stockman & Collie, is here today, after six months in Mexia and Fort Worth. Mr. Stockman said his family is in Fort Worth for the time being but he will spend the greater part of his time here for the next several months.

"HELP WANTED" SIGNS OUT

YOUNGSTOWN, O., May 3.—For the first time since the beginning of the business depression "help wanted" signs are appearing on the gates of steel mills in the Youngstown district, plant executives explained that the shortage of semi-skilled laborers for rolling mills has become acute. Mills in Niles and Warren are advertising for sheet workers. Resumption of a steel mill of the Brier Hill Steel Company is said to have been prevented by shortage of this class of labor. Common labor is plentiful, the steel operators say.

WILSON ADVISES ST. LOUIS MAN AGAINST RUNNING

ST. LOUIS, May 3.—A letter from former President Wilson, advising him not to complicate the contest in Missouri further by declaring his candidacy for United States senator, was received today by J. W. Higdon, a local attorney.

CAREFUL, JESS!

NEW YORK, May 3.—Jess Willard, former heavyweight champion, may face his conqueror, Jack Dempsey, next fall. Negotiations for a bout at the Rickard arena in New Jersey on Labor day are progressing favorably and a definite agreement is expected to be reached on Dempsey's return to this country about the last of this month.

THEY'RE GETTIN' 'EM EARLY FOR ROTARY SHOW

A brisk sale of tickets is reported for the Rotary vaudeville show to be presented at the Majestic theatre Thursday and Friday by local talent and Willard the Wizard. The large part of the seats for Thursday night have already been sold and many have made reservations or purchased tickets for Thursday night. Tickets for both performances are on sale at The Fountain.

RAILROAD ISSUES BONDS

WASHINGTON, May 3.—The Texas Midland railroad of Texas was authorized today by the interstate commerce commission to issue \$541,000 in 6 per cent bonds to reimburse its treasury for expenditures already made.

DALLAS, May 3.—Harrison West, electrician, 27, was fatally burned Tuesday afternoon when he became entangled in high power wires of the local light company.

The power of the company had to be cut off until the electrician could be taken from the wires. In addition to receiving the shock from the wires, West was badly burned by "flash currents."

United States leads the world in the use of chewing gum, Canada is second and in England the sale is steadily growing.

RHEUMATISM IS GONE, AND HE GAINS WEIGHT

Topeka Man Says He Suffered for Sixteen Years— Gives Tanlac Praise for Complete Restoration to Fine Health.

"Tanlac completely restored my health after I had suffered sixteen years from stomach trouble," said J. C. Welsh, 213 Harrison St., Topeka, Kan., carpenter for the Santa Fe Shops. "My appetite was extremely poor, and although I ate little it lay in my stomach and distressed me terribly. I also had rheumatism in my arms and legs, also headaches, nervousness and was unable to sleep well. "Friends at the shops who had been benefited by Tanlac advised me to try it and after my second bottle my improvement began. The rheumatism is now gone, my appetite is fine, I sleep well nights and have gained several pounds. I think Tanlac is simply a grand medicine."

Tanlac is sold by all good druggists.

THURSDAY.

1920 Club meeting at the Methodist church.
Cooper School Parent-Teachers Club at 3:30.

MR. AND MRS. R. M. SCHMUCK ENTERTAIN.

Mr. and Mrs. R. M. Schmuck last night threw their home open to the high school teachers, honoring them with a dinner and a delightful evening. The good time began with the warm greeting extended each guest by the hostess and her daughters, Misses Laura and Christina Schmuck. On account of the rains, Mr. Schmuck, who is in Breckenridge, was unable to be at home.

After the guests were seated, the Misses Schmuck, assisted by Miss Avery, served a wonderfully prepared six-course buffet dinner. There was a relish course of crystallized ginger and dates, followed by a grape fruit decorated with cherries, creamed chicken on hot biscuit, brick ice cream, strawberries with angel food and devil's food cake, coffee and salted almonds, all served on lace covered plates with decorations of rose leaves.

During the evening there were a number of contests, among them being a "progressive conversation" in which one was given a number of subjects, such as love, bricks, cheese, rain and onions, to discuss. This was a regular get-together meeting and resulted in lots of fun and brilliant conversation. In a geographical contest, Miss Davis won the ladies' prize, a gold pencil, and "Bill" Hart the gentlemen's prize, a hand embroidered pongee handkerchief.

The next contest was called "Eggs Actly" and in this Mr. and Mrs. H. D. Woods were the successful contestants, Mrs. Woods receiving a lovely handmailed handkerchief and Mr. Woods an ink well as prizes. In a contest called "Traits I Most Admire in Pupils" Rev. A. N. Stubblebine's paper was regarded as the one for gentlemen with the most merit and he received as a reward for his literary skill a box of stationery. Miss Zula Winkler received the ladies' prize in this contest, a Jap box holding lingerie clasps.

Those who were fortunate to be invited to this lovely party were: Rev. and Mrs. A. N. Stubblebine, Mr. and Mrs. W. J. McFarland, Mr. and Mrs. H. D. Woods, Mrs. R. B. Campbell, Misses Winkler, Davis, Garrett, Douglas, Groves, Avery; Messrs. Branch, McNew and Hart.

McCREA-WRIGHT.

Love always finds a way, and in spite of rains, floods, washouts and the non-arrival of an airplane, in which he had hoped to actually surmount all these earthly obstructions, Mr. M. H. Wright, whose marriage to Miss Anthae McCrea, of Little Rock, Ark., was scheduled to take place on Monday, arrived there in ample time to avoid the delay of the ceremony.

Mr. Wright arrived in Little Rock Sunday and the wedding ceremony was performed at 6:40 p. m. at the home of the bride's brother, in that city. Immediately after the ceremony the bridal couple left for their home in Texas. They arrived in Ranger yesterday afternoon on the Sunshine and are at the Gohson for a short while before going to their home in Breckenridge, where Mr.

Wright is the manager of the Oil Belt Motor company.

Mr. and Mrs. Wright evaded a reception that had been planned for them by J. T. Gullahorn and Mr. Jimmie McLean, when they got off at the old depot, took a service car and drove to the Gohson, instead of getting off at the new depot, where Messrs. Gullahorn and McLean were waiting for them in a highly decorated car. However they did not escape a shower of rice and congratulations at the Ranger Cafe, where they dined last night.

Mr. Wright has many friends here who are glad to welcome him and his bride in their homecoming.

PURELY PERSONAL

Virgil and Paul Fronterhouse arrived here last night from Healdton, Okla., to make their home with their sister Mrs. Fred Hight.

EPISCOPAL CHURCH HOLDS CONFIRMATION SERVICES THURSDAY

The confirmation class of the Episcopal church will meet at 2:30 Thursday afternoon at the Gohson hotel, and at 6:30 will be confirmed into the church at services conducted by Bishop Moore of Dallas, at the Chamber of Commerce building.

SCHLEICHER COUNTY SHOOTING IS FATAL

SAN ANGELO, May 3.—Davis Sheen, Schleicher county ranchman, and his son, Louis Sheen, 16, were reported enroute this morning from their ranch to El Dorado, where charges of murder were to be filed against the father, and of assault to murder against the youth, according to Sheriff Leudecke.

The action follows the death at El Dorado of O. L. Hopkins, who was wounded in the left arm April 17 in a gun battle with Sheen on Mrs. Sheen's ranch, where Hopkins was employed.

At that time Louis Sheen was not involved. David Sheen was not hurt seriously. He and Hopkins had been released under bonds of \$750 each, pending grand jury action on charges of assault to murder.

Hopkins will be buried here.

ARKANSAN SPITS OUT BULLET AND TEETH; KILLS ASSAILANT

EL DORADO, Ark., May 3.—Expectorating two teeth and the bullet that knocked them from his jaw, Taylor Cullens, prominent farmer living near Uplands and owner of rich oil leases in the El Dorado field, killed Nick Greenwood, the negro who shot him, and was saved from being killed by two of Greenwood's companions by the timely appearance of his wife, who chased the other two off the place.

The cause of the trouble could not be learned.

AUNT'S ATTEMPT TO END OWN LIFE IS FATAL TO BOY

CHICAGO, May 3.—Miss Violet Black Duncan, pretty 19-year-old divorcee, living on the North Side, was arrested Tuesday by police, charged with the murder of her nephew, Hollis Boyd, two and one-half years old, of Alton Park, Tenn.

The child was found dead in Miss Duncan's apartment last Saturday night. Miss Duncan lay on the floor beside the boy with three gas range jets turned on full force. She was revived by a physician.

Result of Quarrel

The attempted suicide of the young woman was believed by police to have resulted from a quarrel with R. C. Dubay, said to be a wealthy business man of Atlanta, Ga.

It was said Dubay saw the young woman riding in a motor bus with another man, as a result of which he was said to have jilted her.

On his way to a ball game Saturday, Dubay saw Miss Duncan board a motor bus with another man. Later in the day he called at her apartment and after a quarrel is said to have told her he would not marry her. Several hours later he received a telephone call from Miss Duncan who asked him to come to her home. When Dubay arrived he smelled the escaping gas and with the aid of neighbors, broke into the apartment.

Miss Duncan was revived, but the boy died, without regaining consciousness.

Free Cook Book

72 PAGES

Handsomely Illustrated in Colors

It is not often that you get an opportunity to secure so valuable a cook book absolutely free, and it is not often that we can make the offer. It's too expensive.

72 pages full of the best, most delicious recipes—prepared by the most noted cooking experts the country affords.

Remember, we do not ask you to buy a can of baking powder, or send us one penny. Simply say—"Send me your latest, beautiful cook book" and you will receive it promptly.

Peddlers and house-to-house canvassers have been trying to induce ladies to buy the baking powder they have for sale and as an inducement are offering a cook book, egg beater or some other trinket with every can bought.

To our customers and friends, we are offering our handsome cook book absolutely free. If you are in need of one it will be unnecessary for you to buy something you do not want. Take advantage of this free offer.

Pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

Send for the cook book today—address
CALUMET BAKING POWDER CO.

"Purina" Made the Difference!

EQUAL in laying ability. But the hen on the right was fed a common grain ration while the other was fed Purina Chicken Chowder and Purina Hen Chow. Grains have lots of material for yolks, but far too little for whites. As they can't lay yolks only, grain-fed hens lay fewer eggs.

Purina Poultry Chows

Feed from Checkerboard Bags form a complete ration, containing material for an equal number of whites and yolks. They get the most out of your hens, and cut the feeding cost per dozen eggs.

More-Eggs Guarantee

You get your money back if Purina's Chicken Chowder and Purina Hen Chow, fed as directed, don't produce more eggs than any other ration. Why should you put off a trial when we take the risk?
