Your May Day Luncheon
The Year's at the Spring
TO celebrate the arrival of spring, a May Day luncheon is always appropriate, and is also easily prepared.
An attractive table decoration consists of a large striped stick of candy serving as a Maypole with ribbons suspended from the top to a series of Maybaskets, containing a salad and candies. They may be arranged in a circle at the base of the Maypole or be placed directly in front of each guest's place.
For the first course, a fresh fruit cocktail is refreshing to eat besides adding to the attractiveness of the table.
The main course might include chicken croquettes, fresh peas, mashed potatoes, a spring salad and hot rolls.
For dessert, a Maybasket tart is appropriate and is particularly welcomed by the hostess who is preparing and serving her own luncheon, because it can be made ahead of time and even arranged on the serving plate all ready to be put on the table.
Recipes for the croquettes and the tarts are given below.
Chicken Croquettes
1 cup milk 3 tbsps. Crisco
4 tbsps. Flour 1 tsp. Salt
1 tsp. Onion Juice
1 tbsps. chopped Parsley
1 1/2 cups finely chopped Chicken
Melt Crisco and blend with flour. Stir in hot milk gradually. Cook until thick. Add rest of ingredients. Spread on a plate to cool. Shape into rolls about three inches long by one inch thick. Dip in finely ground bread crumbs, beaten egg and again in crumbs. Fry until brown in deep Crisco heated to 375° F. or until it will brown a cube of bread in 40 seconds. Drain on soft paper.
Peach Baskets
Make pastry as usual by working one-half cup of Crisco with one and one-half cup flour and one-half cup salt. Moisten with water and roll out on a floured board. Cut to fit small patty pan. Bake over the bottom of the pans.
Cut strips of paste one-fourth inch wide, twist and bake over a baking powder box to form handles for the baskets.
When shells are cool, fill with sliced peaches, cover with whipped cream and insert handles in place.

### DID YOU EVER STOP TO THINK

By E. R. Waite, Secretary Shawnee, Okla., Board of Commerce.

That because men have power of thought is why so many cities have progressed so fast.

That thoughts properly directed possess the ability of action.

That actions bring results.

That all citizens should act, and act together to help business. Helping business is the one big way to help a city.

That building a city is such a big, square-deal business proposition that all citizens should be more than willing to work together.

That if they do, each one as well as the whole city, will be more prosperous.

That where citizens are rich with ability and energy and a willingness to work, nothing can hold them back.

That success is always achieved when all work and pull together.

Your city has bright prospects for the immediate future. You have hardly scratched the surface of the wonderful opportunities that exist.

### BULLOCK NEWS

**BULLOCK, May 22.**—The farmers of this section are busily engaged in planting their crops since the recent rains that put such splendid season in the soil. Owing to the drought that continued for so long, most of the farmers will plant their land in cotton. A good fruit crop is expected in this community. Blackberries and dewberries are ripening very rapidly and peaches and plums are beginning to ripen.

Miss Ruth Ramey, county home demonstration agent, meets with the club members every first and third Wednesday and gives interesting instructions to the girls, who are members, in their club work.

The ladies' missionary society meets every two weeks at the Bullock Methodist church. The last meeting was held Monday afternoon at 3 o'clock. The members are doing some very excellent work.

The people of the Bullock and adjoining communities met and worked the Bullock cemetery Wednesday morning, May 3. Quite a number were present and a great deal of work done.

Some of the farmers of this community are leasing their land for oil purposes following the bringing in of the big oil wells in this section.

Rev. Mr. Wright of Wayland has regular monthly appointments at the Bullock Methodist church on each third Sunday.

Miss Pauline Hatten is visiting relatives, Mr. and Mrs. Archie Hatten, near Moran.

**PLAINVIEW**—This city claims that they have the champion high jumper, Raymond Clifford, 15 years old, cleared the pole at six feet one inch in the interscholastic league track meet at Brownsville.

### Disaster Hero and Rescue Ship

When the government boat M. E. Norman turned over in the Mississippi river, near Memphis, Tenn., causing the death of more than a score of people, Tom Lee, negro (inset), proved himself a hero. Through his efforts at least 20 persons were carried to safety in his launch. Above is shown the Choctaw, which arrived on the scene shortly after the accident, dragging the river.

### NIB SHAW VISITS RANGER FOR UNIVERSAL MILLS

Nib Shaw of Fort Worth, representing the Universal Mills, made a business trip to Ranger, Friday, calling on A. J. Ratliff of the Ratliff Feed store on Eastland hill. Mr. Shaw is all for Ranger and says things look good around this part of the country right now. He is a frequent visitor to Ranger and declares that things look more prosperous every time he gets in.

### STAR PARASITE REMOVER

A wonderful poultry remedy, given fowls in drinking water absolutely will rid them of lice, mites, fleas, bluebugs and all destructive insects; contains sulphur scientifically compounded with other health-building ingredients; is a good tonic; nothing better for preventing disease; give fowls now; will get rid of insects before they destroy your young chickens. Stafford Drug Co., 212 Main street, Ranger.—Advertisement.

BRADY—McCullough county received more than two and one-half inches of rain during the past month. This assures a splendid planting season and the outlook for a bumper crop is very flattering.

### PAINS ALL OVER

Lady Says She Took Cardui and Never Saw Such Improvement—Was So Weak Couldn't Stand.

Weathersby, Miss.—Mrs. James M. Hall, of this place, writes that she was "getting weaker all the time" when Cardui, the woman's tonic, was first brought to her attention. After she had taken Cardui a while, she writes that she "never did see such an improvement."

"I suffered all the time and had pains all over," says Mrs. Hall. "I was so weak I could not stand. My skin was cold and flabby. I did not have any color. I had always been a very active woman—used to outdoor exercise, walking and going where I pleased, and to get down, not able to get myself a drink, was indeed a hardship."

"Nothing seemed to help me, till I began on Cardui. The first bottle seemed to strengthen me, and I sent for five more. By the time I had taken these, I was on my feet, going around, doing my work, gained in health and strength."

"I took two more bottles, and I am well and strong. Can work my garden. I haven't had any more sickness."

IN CASH PRIZES  
FOR BAKINGS  
MADE WITH

Read what  
Mrs. Alexander says

"Baking Powder of course is one of the most important ingredients that goes into the baking of cakes and especially those intended for the rigid inspection of the judges of the Iowa State Fair.

"When I entered my first cake at the State Fair thirteen years ago I used Calumet Baking Powder and won a prize. I have been using it ever since and for the last eight years have won the greater share of first prizes for cakes at the State Fair, with my greatest success this year when I received 23 Blue Ribbons, 8 Seconds and 3 Thirds, or 34 winners out of my 37 different kinds of cakes entered.

"I have always found Calumet to be the dependable, reliable and consistent winner."

*Mrs. Jesse Alexander*

Thirteen years ago, Mrs. Alexander of Indianola, Iowa, decided to make a cake and try for a prize at the Iowa State Fair. She used Calumet Baking Powder and won a prize. Today she has 280 prize tags—159 first prizes, 102 second prizes and 19 third prizes, and she has won the tidy sum of \$700.00.

She is not a domestic science expert—just a plain every day farmer's wife, who has the good judgment to select pure and dependable ingredients such as Calumet when she bakes.

Millions of housewives are baking prize cakes, pies, biscuits, muffins, etc., every day with Calumet, the time-tested leavener that never fails to raise the bakings to their highest nutritional value.

For economical and always satisfactory results, the leading restaurants, big hotels, railroads, domestic science teachers and good bakers use Calumet.
