PRIVATE BANK DEPOSITORS ARE PUZZLED

RANGER SCHOOL BOARD ELECTS MORE TEACHERS

Superintendent-Elect Holloway Gets Leave to Teach Summer School.

R. F. Holloway, recently elected superintendent of Ranger public schools, has been granted an eight-weeks leave of absence for the purpose of teaching at the summer school session of Sam Houston State normal at Huntsville. The school board granted the request at a called meeting last Friday night. Mr. Holloway will teach "education" at the summer school session.

A number of new teachers were elected by the board: Miss Fletcher was elected for Tiffin; Miss Merkel Mills for Cooper; Miss Brooks and Mrs. Rex C. Outlaw for Young school, and Miss Williamson of Cisco, teacher of history in the High school. Mrs. Watkins was re-elected principal of the colored school. Every teacher in the grade schools who applied for re-election was elected on a single motion passed at a previous session of the board without discussing any of the names.

ELK CITY, OKLA., SWEEP BY FIRE, LOSS \$150,000

ELK CITY, Okla., May 11.—Fire which swept the principal business block of Elk City this morning had caused damage estimated at \$150,000 at noon today. The Elk City Merchant store, the News-Democrat newspaper plant and other smaller business houses were devastated by the blaze, which was brought under control about 10 a. m. The fire was discovered shortly after 5 a. m. today. Origin is unknown.

Railroad Official Forecasts Mergers In the Southwest

KANSAS CITY, May 11.—An ultimate merging of several railway systems in the southwest, with the Kansas City Southern and M. K. & T. combination as a nucleus, was foreseen today by G. C. Hand, vice president and secretary of the former road. Hand is here for a stockholders' meeting. The merger, according to Hand, must be voluntary and originate with the roads themselves. The roads will agree to merge when they are convinced such action will be beneficial to them and to the territory they serve.

Hand said he was in favor of regional mergers, but does not think it feasible to group lines which serve different sections of the country.

Coupe Stolen In Thurber Is Found Hidden Near Ranger

The 1925 Ford coupe of George McGruder of Thurber, stolen last Wednesday night, was recovered by Constable Jim Ingram of Ranger yesterday afternoon. Children playing in the woods about six miles north of Ranger, just off the Caddo highway, discovered the car hidden in the brush and called the constable, who went to the scene and drove the car back to town.

Son of Dr. Dillon, Killed in St. Louis, Released From Jail

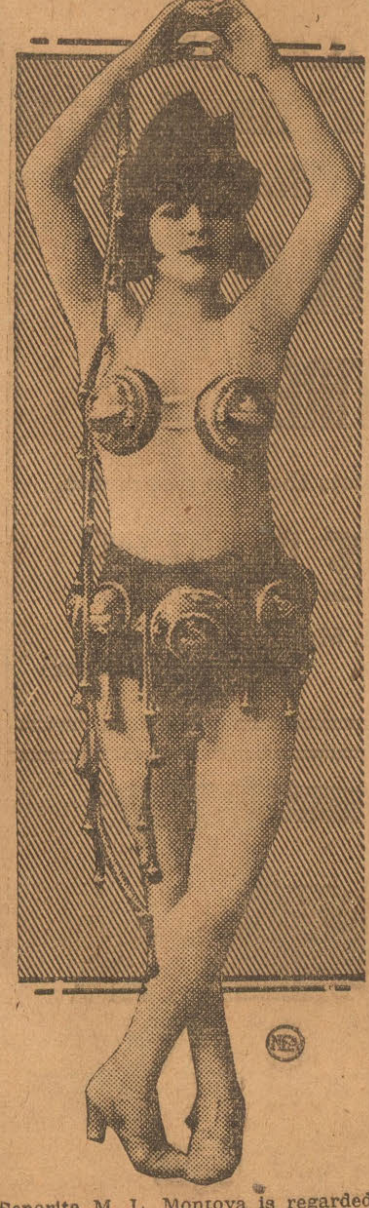

ST. LOUIS, May 11.—Testimony that Eddie Dillon, 19, was in St. Louis the day his father, Dr. William A. Dillon, was murdered, will be presented before a coroner's inquest tomorrow. George A. Barth, a news-dealer, said he had known young Dillon for five years and saw him on April 30. Dr. Dillon was slain that night. Barth said he talked with the boy for several minutes.

DROPS DEAD IN CAPITOL

AUSTIN, May 11.—D. Casey, 76, who assisted in construction of the Texas state capitol over 40 years ago, dropped dead in that building today. Heart trouble was the cause of his death.

WELLINGTON, New Zealand, May 11.—Premier Massey of New Zealand is dead after a lingering illness.

Graceful

Senorita M. L. Montoya is regarded as one of the most graceful dancers for all Mexico. Wherever she appears she attracts large audiences which is little wonder.

COMING OF VON HINDENBURG IS CRITICAL TIME

Two Killed and Five Wounded In First Outbreak; Unusual Precautions Taken.

BERLIN, May 11.—Field Marshal Von Hindenburg, president-elect of Germany, arrived in Berlin today. He was greeted by a tremendous throng which lined the six-mile route. Hindenburg was showered with flowers by white dressed school girls as he left his Hanover residence. There was a dramatic scene at the station when the field marshal, who takes the oath of office tomorrow as president of the republic, stepped from his private car. Deep silence from the throng on the platform, which marked his appearance, was broken by a sudden roar of cheers and cries of "Hoch."

A smile broke across the field marshal's face as he bowed solemnly. Chancellor Luther advanced and shook hands cordially with the president-elect.

BERLIN, May 11.—Two reichsbanner men were shot to death and five others seriously wounded in the first outbreak of serious trouble near Berlin on the occasion of the triumphal arrival of Von Hindenburg to assume the presidency of the republic. The trouble occurred near Odeburg, where the fascists, celebrating Hindenburg's arrival, opened fire after the republicans had attempted to expel them.

Ten thousand detectives and police, mounted and on foot, in airplanes and in boats, covered the city like a blanket to attempt to prevent trouble. Two hundred thousand members of the various military organizations went through military drills but without guns, before taking their places along the line. Window seats along the route the president-elect and his escort is to follow, the same route followed by the former kaiser when he came to Berlin to be crowned, sold as high as \$150. Many stores and cafes closed in fear of possible rioting. The old imperial colors were sold on the streets in the form of rosettes.

Trinity Reaches Crest and Begins Receding Slowly

DALLAS, May 11.—The crest of the Trinity river flood swept through Dallas during the night and the stream was slowly falling here today. The river climbed to 34.6 during the night and stood at 34.1 at 7 a. m. today. San Antonio has a fall of 1.68 inches over Sunday. A light rainfall was reported at Amarillo.

Famine In China Crazes the People

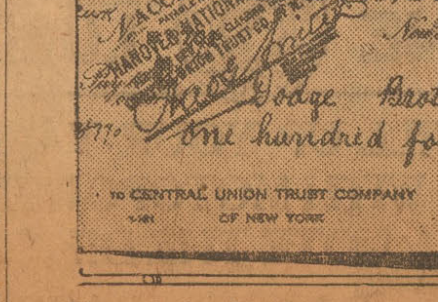

TIEN TSING, China, May 11.—In the province of Kschow, where there is a famine, families are selling their children for a handful of maize, and cannibalism is reported near Kien Sun.

FORT WORTH MAN HELD FOR SHOOTING NEGRO

FORT WORTH, May 11.—A. W. Miller, secretary of the Monkey-Grip Rubber company, was released on \$3,000 bond here today in connection with the shooting of "Single" Smith, negro musician, last night. Miller told police the negro insulted his wife, while the injured man said the shooting followed a dispute over money.

CASE RESET FOR TRIAL

The case filed in the district court of Taylor county at Abilene contesting the constitutionality of the Eastland county court-at-law, and which was to have been heard May 6, has been reset and is to come up again May 28.

Pictured above is the largest check that ever figured in an industrial transaction. It is for \$146,000,000, written by Dillon, Reed Company of New York, representing the purchase price of the Dodge Brothers Motor company. It was carried by airplane from New York to Detroit to avoid loss of interest, which amounted to \$8117.60 a day at 2 per cent.

Girl Turns Detective to Save Brother

When Leo Sauerman, of Detroit, upper right, was accused and convicted of having killed Alex Dombrowski, in an effort to hi-jack liquor, his sister, Mrs. Helen Sauerman Bowman, left, believed him innocent. She turned detective and for two years she hunted the underworld of the middle west in the quest of Harry Hill, lower right, who resembled her brother and whom she believed was the slayer. After a diligent search she found Hill and caused his conviction, which enabled Governor Groesbeck, of Michigan, to pardon Sauerman after 30 months of confinement.

FAMILY STRIFE IS BLAMED FOR FATAL SHOOTING

DALLAS, May 11.—F. L. Barringer, 54, was held here today without bond in connection with the fatal shooting of Floyd Spain, 39, of Birmingham, Ala., early Sunday morning. Barringer told officers the shooting followed a family quarrel and that he fired in self-defense. Mrs. Barringer told John Tippetts, assistant district attorney, that Mr. Spain never knew the reason for the shot that killed him. Spain married Mrs. Barringer's niece and separated from her in Alabama, coming here only a short time ago. He was employed in the Barringer store, and shortly afterwards Barringer became ill and went to the hospital. He said the trouble began when he returned from the hospital and "noticed things."

Fatal Auto Crash Near San Antonio

SAN ANTONIO, May 11.—Walter McLaughlin, 19-year-old Cotulla youth, was burned to death and one of his two companions in a motor car is not expected to live, the result of an accident early today on the Cotulla road near Moore, when their automobile crashed into a wooden bridge.

Sweetwater Boy Is Drowned In Lake

SWEETWATER, May 11.—Lake Trammell claimed its first victim in the ten years since its construction Sunday morning, when Guy Hopkins, 16, son of Mr. and Mrs. E. W. Hopkins, was drowned. Guy, with his brother, Lenard, and Buddy Roy went to the lake to fish. His two companions went to Lake Keeper Rowland's house to show their fishing permits. On their return Guy was gone. His cap, floating on the water, gave a clue to his whereabouts. He is supposed to have slipped off the bank into the water. The body was recovered in an hour, but use of a pump proved unavailing.

Southwestern Oklahoma Gets Drenching Rain

OKLAHOMA CITY, May 11.—Oklahoma was drenched today by torrential rains which assumed flood proportions in the southwestern section of the state. Starting yesterday morning the downpour continued steadily all day. More rain was forecast today by the United States weather bureau. Striking in the form of a near cloudburst at Chickasha, five inches of water inundated portions of the city and caused residents in the lower section to flee to higher ground. Thousands of acres of farm lands were inundated. Anadarko, Clintom, Elk City and other cities in the western section reported to the United Press today the rain was the heaviest in years. Power was cut off at Norman, where basements were filled and streets overflowed when the drainage system failed to function rapidly enough.

Ranger Fire Chief Calls Volunteers To Meet Tonight

Fire Chief Murphy has called another meeting of the volunteer firemen of Ranger for tonight at 8:30 o'clock. The volunteers are to meet in the fire hall and it is of such importance, according to Chief Murphy, that it will be necessary to fine each absentee the sum of \$1. The chief said he wanted all volunteer firemen to attend, but the organization could use the dollars.

Cloudburst In Colorado Inundates Rocky Ford

ROCKY FORD, Colo., May 11.—Cloudbursts near Rocky Ford yesterday caused irrigation ditches through the city to overflow and inundate part of the town. Considerable property damage was done.

OHIO GOVERNOR ALMOST SHORN OF HIS POWER

COLUMBUS, O., May 11.—A rare stud in modern state government is unfolding itself in Ohio. Governor Vic Donahey has just emerged from a bitter controversy with his legislature, as perhaps the least powerful of all American governors. Donahey has been stripped of virtually every power, excepting that of pardoning state prisoners, usually invested by commonwealths in the executive branch of their governments. "Veto Vie," the sobriquet earned by the unprecedented number of measures Donahey disapproved during his first term of office, has become a hollow phrase, as a result of the activities of the eighty-sixth general assembly now in recess until December, 1925. The eighty-sixth Ohio legislature passed approximately 175 new bills. Donahey vetoed 39 of them. Of this number the legislature enacted over his veto the 34 which it considered vital.

Trio In Oklahoma Jail Break Out

SAPULPA, Okla., May 11.—Jack Stover, who recently nearly fatally knifed a fellow prisoner, and two other inmates of the county jail, slid down an improvised rope from the fourth floor of the jail at 9 a. m. today and escaped. Blankets were used to make the rope.

Dynamite Explosion Kills Three Men

PUEBLO, Colo., May 11.—Three men were killed and another injured when 3,500 pounds of dynamite exploded in the yards of the Colorado Fuel & Iron company. Sheets of the men caught fire while they were being taken to the county morgue and partially burned the hearse they were being carried in.

TRAGEDY AT GRADE CROSSING IN GERMANY

BERLIN, May 11.—Eleven occupants of an auto truck were killed and four injured today, when the Frankfurt-Stuttgart express crashed into the vehicle at a grade crossing. The accident was attributed to the negligence of a crossing guard, who was listening to an orchestra and forgot to lower the gates.

YEGGMEN OPERATE IN DALLAS

DALLAS, May 11.—Bandits looted the safe of the United Grocery company here today of \$1,520 and escaped. The store is located in a heavily policed section of the city.

BANK'S OWNER CLOSES DOORS, DRIVES AWAY

Wires Back Has Returned Bank To Former Owner; Books To Be Examined.

DALLAS, May 11.—A committee representing depositors was checking over the books of the Farmers Bank at Duncanville, Dallas county, following failure of the bank to open for business. W. D. Cupp, cashier and owner, left Duncanville last week on a business trip, according to advice here.

The story of a banker who locked his doors at Duncanville, Thursday night, and with his wife, drove away in his automobile, was brought to Dallas Sunday by fifty depositors, who went into conference with their attorney, Judge John F. Murphy, to seek a way out of their troubles. About \$100,000 was on deposit in the bank to the credit mostly of farmers of the Dallas and Tarrant county community surrounding the village of Duncanville.

W. B. Cupp, formerly of Bluffdale, was owner of the bank, which, until he purchased it May 9, had been operated for many years by Judge George W. Riddle. It is a private bank, listed as the Farmers' Bank of Duncanville, with no capital stock.

Books to be audited. At Sunday's meeting in Judge Murphy's office, an organization was formed which named a committee to audit and report at Duncanville next Sunday afternoon. George A. Titterton, a depositor, was named head of the organization and was engaged to act as counsel with Judge Murphy for the depositors. The audit committee is composed of A. E. Shelman, Leonard Finley, C. L. Brandenburg, A. E. Rhodes and C. C. Marshall, the latter being named by Judge Riddle with the organization's permission.

"We cannot say what the conditions are until the audit is made and the committee reports," Mr. Titterton said today. "We don't know whether there is any shortage or whether Cupp simply says he could not go on with the business and decided to leave it. He sent a telegram Friday, saying he was en route to Kansas City, and that he was turning the bank back to its former owner."

Riddle Says He Sold. Judge Riddle is owner of a string of 57 private banks, all in rural communities. He also is chairman of the board of the Commercial State Bank of Dallas, and lives at 5103 Gaston avenue, in Dallas. "I have nothing to say now except that I have sold the bank and have no financial interest in it at this time," Mr. Riddle said today. Depositors who went to the bank Friday morning found it locked. An investigation was made, and a committee, entering the bank, found the keys and combination numbers hanging on the door of the safe. Opening it, they found about \$100 in cash, it was said. The bank was locked up, and no action of any kind was taken until Sunday, when the depositors called on Judge Murphy, it was said.

Cloudburst In Colorado Inundates Rocky Ford

ROCKY FORD, Colo., May 11.—Cloudbursts near Rocky Ford yesterday caused irrigation ditches through the city to overflow and inundate part of the town. Considerable property damage was done.

BIBLE THOUGHT
 Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of Spirit, he cannot enter into the kingdom of God.—John 3:5.

TOO MUCH FAMILIARITY.
 Records show that during the last three years more persons have been killed in avoidable automobile accidents than there were American soldiers killed on the battlefields in France during the world war. The modern traffic problem is one of the most difficult questions that confronts this nation. Cities were not laid out or designed for the traffic that now demands control. With 17,000,000 registered automobiles, practically one for every six persons, it is not to be wondered that 20,000 men, women and children are killed every year, while twice that many are injured, many of them permanently.

This alarming fatality is largely due to carelessness because of familiarity. It is safe to assert that 99 of every 100 people who stand within 24 inches of an auto traveling at 20 miles an hour, or dodging between them at street intersections driven by amateurs would hesitate to get within 10 feet of a locomotive moving at 15 miles an hour on a defined and grooved path.

Then, of course, are the one-handed drivers, and the moon-eyed drivers, and the bear-eyed drivers, who contribute to most of the accidents.

ALCOHOL FROM GAS.
 With a few familiar elements such as carbon, oxygen, hydrogen and nitrogen, in varying proportions, chemists make up about a thousand dyes and hundreds of flavors and savors as well as a multitude of other articles used in medicine and arts.

Quite recently, especial attention has been called to the synthetic production of methanol, or wood alcohol by German chemists produced from monoxide gas. It is claimed that a pre-methanol alcohol, but deadly poison, can be produced and sold at about 20 cents per gallon, and large shipments to this country at these prices will inevitably put an end to the wood alcohol business. The matter has already been brought to the attention of our tariff board, but as it is a raw material used in manufacturing, it cannot be prohibited by a tariff.

Germany may have been conquered from a military viewpoint, but her marvelous efficiency has not been suppressed.

DOES ECONOMY HURT BUSINESS
 The president of the Rotary club at Washington discussing business conditions, asserted that "if everybody stops spending money the time will soon come when nobody will have any money to spend."

This was really a criticism of President Coolidge's advocacy of rigid personal economy, and but expressed the growing resentment that prevails among many business men who say that this policy is hurting business.

Whether this be true or not the fact remains that savings bank deposits are steadily growing. Of course, these funds eventually find their way to stock and bond markets and make possible the big capital flotations. Money may be diverted from one channel to another but it is never idle.

Most people rejoice in the idea of economy in governmental matters, and will support the president in his efforts to hold them down. The same business principles should apply with equal force to every other business, public or private. One can't have his cake and eat it, too.

TUESDAY EVENTS
 Columbia study club meets at 10 o'clock with Mrs. Garrett Bohning, Eastland.
 Ranger club council meets at 3 o'clock, Gholson hotel.
 High school P. T. A. meets at 4 o'clock at high school.
 Public library opens 4 to 6 o'clock, Marston building.
 Miss Flahie's Little Players present "The Heir of Mt. Vernon," 8 o'clock at high school.
 Elks dance, 9 o'clock at Elks club, for members only.
 Cooper school P. T. A. meets at 4 o'clock at schoolhouse.

XXTH CENTURY CLUB WILL MEET WITH MRS. BURDEN
 The regular meeting of the Twentieth Century club will be held Friday at 1:30 o'clock with Mrs. Walter Burden on Strawn road.

COOPER P. T. A. TO MEET FOR ELECTION
 The Cooper school Parent-Teacher association will meet at the schoolhouse Tuesday night at 8 o'clock. This will be an important meeting with election of officers and all members are asked to be present.

INTERNATIONAL ESSAY AWARD IN RANGER.
 An unusual honor came recently to Miss Gladys Maddocks, senior student of the Ranger High school, who is the proud possessor of a beautiful bronze medal awarded to her because of the excellence of her essay on home lighting.

The medal bears a bas-relief of Thomas A. Edison and a laurel wreath on one side and on the reverse side the name of the winner and subject of essay with date of award. A certificate of award and complimentary letter accompanied the medal from the Lighting Educational committee of New York. A portion of the letter follows:
 Dear Miss Maddocks: We are very pleased to inform you that the jury of award of the International Home Lighting contest has decided that the primer and essay which you submitted should receive an honorable award and the engraved distinguished essay medal. The certificate of award is attached to this letter and the medal is being sent to you under separate cover.

It might be of interest for you to know that your primer and essay were selected for the certificate of award from about 45,000 primers of local prize winners from 4,784 communities in the United States and Canada. It is no small achievement to win such an award when it is known that so many persons entered

the contest. Altogether, two million children participated in the Home Lighting contest.
 Miss Maddocks is editor-in-chief of the "Touchdown," the Ranger High school annual for 1925, and will be valedictorian of her class which graduates this month from Ranger High. She is the daughter of Mr. and Mrs. C. E. Maddocks, the latter being president of the Texas Congress of mothers and Parent-Teacher association.

FINE RILEY PROGRAM PLANNED FOR T. E. L. CLASS.
 The T. E. L. class of Central Baptist church will entertain at the church Wednesday evening at 8 o'clock with a program of songs and poems by James Whitcomb Riley. A special number will be "That Old Sweetheart of Mine," in pictures as the closing selection. The general public is invited to enjoy this program and a freewill offering will be taken toward financing the re-decoration of the auditorium. This program will take the place of the regular Wednesday night service as the pastor, Rev. A. L. Leake, will be in Memphis, Tenn., attending the Southern Baptist convention.

PERSONALS
 Mr. J. H. Barnett of Taylor is the guest of her daughter, Mrs. John Thurman.

R. C. PASS, PIONEER CISCO CITIZEN, DIES
 Special Correspondence.

CISCO, May 11.—Funeral services for R. C. Pass, pioneer citizen of Cisco, who died Saturday morning, were held at his home here Sunday afternoon followed by interment in the Oakwood cemetery. Funeral services were conducted by Rev. T. E. Bowman, pastor of the Methodist church, of which the deceased was a member.

Deceased was 59 years old. He had been engaged in the mercantile business in Cisco for a number of years. Surviving him is his widow and four children, as follows: C. O. Pass, W. E. Pass and Arvell Pass of Cisco; W. N. Pass of El Paso.

SEARCHING FOR BODIES OF DROWNED ENGINEERS
 By United Press.

MEMPHIS, Tenn., May 11.—Part of the cabin of the sunken government steamer Norman today was torn away by engineering crews seeking to recover bodies of 20 victims who went down when the vessel capsized Friday. Word to this effect was received in a wireless message from the Choctaw government boat. Wireless is the only means of direct communication with the scene of the disaster. When the cabin is torn away engineers expect the bodies to rise to the surface.

UNIDENTIFIED MAN FOUND DEAD IN FORT WORTH
 By United Press.

FORT WORTH, May 11.—Authorities here today were seeking to determine the identity of a neatly dressed white man, about 50 years old, found dead Sunday near Forest park. The clothing had no laundry marks.

EASTLAND WINS FROM MAGNOLIAS SCORE 2 TO 0

Pitching of Rawley Fairbairn Puzzles Ranger; Blankenship Does Good Work.

For the first time this season the Ranger Magnolias were blanked and the Eastland Tigers hung up a 2 to 0 victory at the Connellee park Sunday afternoon. The triumph was chiefly due to the masterly hurling of Raleigh Fairbairn, who let the invaders down with five hits, all singles, no two coming in the same inning, and struck out 10 Magnolias. Coleman, school boy playing third base for Eastland, slammed a double to center in the third inning with two on for the only runs of the game. Griggs had previously led off with a single and Fairbairn laid down a sacrifice and was safe when the third baseman made an overthrow. Pete Andrews advanced the runners on an infield out and Coleman's double followed.

Blankenship did the tossing for Ranger and his work was of stellar quality. He was found for only six hits and struck out seven men. Three of the hits made by the Magnolias were garnered by Blankenship. Despite a soggy infield and an outfield abounding in lakes, creeks and pools, the game was well played and snappy fielding featured on both sides. Not a hit was made by either team until the third inning. One or two errors behind Fairbairn placed the Magnolias in a threatening position once or twice, but the Eastland pitcher was able to pull out of the hole.

Score by innings:
 Ranger 000 000 000—0 5 0
 Eastland 002 000 000—2 6 2

Batteries—For Ranger, Blankenship and White; Eastland, Fairbairn and Amis.

 11 p. m. to midnight, George C. Orum's Palace theatre orchestra. (W. E. B.)

FIRE AT BUTLER HOME DOES LITTLE DAMAGE

The Eastland fire department was called at 6:30 this morning to extinguish a fire that had started in the servant house at the Horace Butler home in South Eastland. The blaze, which caught from defective electric wiring and improper stove connection, was quickly brought under control by the firemen and did not do a great deal of damage.

Non-Jury Cases Set For Trial This Week

FOR REAL HEAVY DUTY

Service—super service—is instantly apparent in the big new Kokomo Heavy Duty Cord.

You can see the rugged, lateral "bumpers" on the sidewall that prevent curb chafing and rut cutting.

You can see the Kokomo multi-member tread that makes for easy steering and counters skidding forces.

You can't see the sound inner structure—but it is there, and in this tire is exhibited more than in any other, the three decades of craftsmanship of the Kokomo organization.

For tires that will stand up on good roads and bad, through the steady grind of hundreds of miles a day, under the punishment of speed and heat and cold—insist upon Kokomo Heavy Duty Cords!

FRECKLES AND HIS FRIENDS

THE STATE OF TEXAS, County of Eastland. By virtue of a certain execution issued out of the honorable county court-at-law of Eastland county, on the 18th day of April, 1925, by Ernest H. Jones, clerk of said court, against W. E. Williams, for the sum of Fifty-eight and 29/100 (\$58.29) Dollars and costs of suit, in cause No. 5793 in said court, styled A. Herndon versus W. E. Williams and placed in my hands for service, I, R. W. Edwards as sheriff of Eastland county, Texas, did on the 18th day of April, 1925, levy on certain mineral interest in real estate situated in Eastland county, described as follows, to-wit:

All the mineral interest of the defendant W. E. Williams in and to that certain tract of 128 acres of land the same being the north half of the south half of section No. 11, block No. 2, H. & T. C. Ry. Co. surveys, abstract No. 215 and located about 1/2 mile southeast from the town of Eastland.

Also 100 acres of land of the McLennan county school lands, leagues 3 and 4, and being the west half of lot No. 22 and part of the north half of the west half of lot No. 19 of said leagues.

This levy is made upon the mineral rights reserved by the grantor in a deed made by W. E. Williams to Mrs. Dell Williams, recorded in Vol. 229, page 217, deed records of Eastland county, Texas, to which reference is here made for full description of these two tracts of land, and the mineral rights therein reserved, together with all the rights and privileges of the said W. E. Williams as set forth in said deed, and levied upon as the property of said W. E. Williams and on Tuesday, the 2nd day of June, 1925, at the courthouse door of Eastland county, in the city of Eastland, Texas, between the hours of 10 a. m. and 4 p. m., I will sell said mineral interest at public vendue, for cash, to the highest bidder, to-wit: the purchaser of said W. E. Williams, by virtue of said levy and said execution.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Ranger Daily Times, a newspaper published in Eastland county, Texas, and in my hand, this 18th day of April, A. D. 1925.

R. W. EDWARDS, Sheriff Eastland County, Texas. By E. E. WOOD, Deputy. May 11-18-25.

No. 44799. SHERIFF'S SALE. THE STATE OF TEXAS, County of Eastland.

By virtue of a certain alias execution issued out of the honorable county court of precinct No. 1, Dallas county, on the 11th day of April, 1925, by E. John Baldwin, Justice of the peace of said county, against Arizzone-Braden Oil company for the sum of Twelve and 50/100 (\$12.50) Dollars and costs of suit, in cause No. 4779 in said court, styled Marnolia Petroleum company versus Arizzone-Braden Oil company, a corporation, and placed in my hands for service, I, R. W. Edwards as sheriff of Eastland county, Texas, did on the 24th day of April, 1925, levy on certain mineral interest in certain lands situated in Eastland county, described as follows, to-wit:

All the right, title and interest in and to the following described tract of land and the minerals, including oil and gas thereon or thereunder, owned and held by Arizzone-Braden Oil company, and by virtue of a certain assignment of lease contract, said assignment executed by Walter D. Caldwell to the said Arizzone-Braden Oil company, by assignment duly recorded in Vol. 180 at page 179 of the deed records of Eastland county, Texas, said lands being described as follows, to-wit:

Beginning on the east boundary line of section No. 28, block No. 4, H. & T. C. Ry. Co. surveys at a point 150 vrs. north of the southeast corner of said section No. 28; thence east 950 varas; thence north 950 varas; thence west 950 varas; thence south 950 varas to beginning said S. W. quarter of the above described 160-acre tract containing 40 acres more or less, together with the personal property thereon or used in connection with the operation of said lease, as may belong to the said Arizzone-Braden Oil company, and levied upon as the property of said Arizzone-Braden Oil company, and on Tuesday, the 2nd day of June, 1925, at the courthouse door of Eastland county, in the city of Eastland, Texas, between the hours of 10 a. m. and 4 p. m., I will sell said mineral rights and interests at public vendue, for cash, to the highest bidder as the property of said Arizzone-Braden Oil company, by virtue of said levy and said alias execution.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Ranger Daily Times, a newspaper published in Eastland county, Texas, and in my hand, this 18th day of April, A. D. 1925.

R. W. EDWARDS, Sheriff Eastland County, Texas. By E. E. WOOD, Deputy. May 11-18-25.

MANGUM NEWS

Special Correspondence. BANGUM, May 11.—A bountiful rain fell over this section during the last few days and farmers and stockmen are rejoicing.

Miss Lela Garrett has returned from a visit with friends at DeLeon, Wildie Ellison and his sister, Miss Lois, have returned from a visit at Morgan, Texas.

Miss Frankie Kuykendall is home from a visit to her sister at Ranger. Mrs. W. E. Ellison is visiting friends in DeLeon.

Earl McBee has returned to his home here from Gorman, where he went for an operation at the Gorman sanitarium. His friends are glad to see him able to be at home again.

Mrs. Duncan of West Texas is visiting her son, Raymond, here.

GORMAN MAN HURT IN AUTOMOBILE CRASH

Special Correspondence. GORMAN, May 11.—George Sloan of Gorman, who was injured in an automobile accident on the highway between Gorman and Carbon, Saturday, is resting well at the Gorman sanitarium where he was taken for medical treatment, and attending physicians say his injuries will not prove fatal.

Large advertisement for Delco-Light featuring a large image of the lighting fixture and the text 'Here it is The Delco-Light Millions Have Waited For \$195 F.O.B. DAYTON, O.'

AS THE world's largest manufacturers of farm electric plants, we have been working for months on the development of a lighting plant that could be sold at a radically lower price—a price so low that it would bring electricity within the reach of every farm home in America. We knew that a million farm homes were ready for electricity—that a million farmers realized the money-saving, time-saving value of electricity—that a million farm women had learned that electricity would lighten the burdens of farm life and bring new happiness and new opportunities to their families. A Price That is Revolutionary. We realized that a small reduction in price would not be enough. It must be revolutionary—drastic. And we wanted to be able to offer this plant on very easy terms—so that every farm home, whether owned or rented, could have the benefits that are so much appreciated on the 200,000 farms where Delco-Light is now in use. And Now It's Ready. Today the new Delco-Light is ready. It is more than we had hoped. Quantity production—

modern engineering—millions of dollars worth of machinery—research and invention—have produced the Delco-Light that can make all farms electrically lighted farms. A 600-Watt Non-Storage-Battery Plant. The new plant is a genuine Delco-Light in every respect—full 600-watt capacity, strong, sturdily built, economical in operation. It is equipped with a standard Delco starter and an economical starting battery. And its price is only \$195 f. o. b. Dayton—the lowest price and the greatest value ever offered in a Delco-Light electric plant. Complete Installation at a Remarkably Small Cost. In addition to this, special arrangements have been made whereby the Delco-Light dealer in your community will install your plant and wire your house for five lights, to be located wherever you specify. You will receive with the plant five beautiful spun-brass lighting fixtures complete with bulbs. And all of this—plant, installation, wiring, fixtures, everything

ready to turn on the lights—will cost you only \$53, in addition to the price of the plant itself. A Small Down Payment—Balance on Easy Terms. Finally, we have arranged that this new low cost for Delco-Light, completely installed, can be paid on terms so easy that anyone can take advantage of them. The total cost is only \$248, including freight (a little more west of the Mississippi). But you make only a small down payment. The balance is payable on easy terms, arranged to suit your convenience. Ask for Details. Never before has such an offer been made. Never before has Delco-Light cost so little and been so easy to buy. It means that any farm home—your home—can have Delco-Light today. At the bottom of this advertisement appear the name and address of the Delco-Light dealer for your community. Call on him, write, or telephone for full information—specifications of the plant, illustrations of the fixtures that come with it, details of our complete installation and wiring plan, and the figures that show how easily you can now get Delco-Light.

U. S. Army In Need Of More Chaplains

By United Press.
 WASHINGTON, May 11.—More chaplains are needed for the United States army to maintain moral and religious standards among the troops, according to the Council of Chaplains.

Civil clergymen and Y. M. C. A. workers are useful but they cannot take the place of the army chaplain, the council maintains.

"The clergyman or religious worker outside the military organization, who is not under orders, who is free to leave any moment when danger threatens or hardships become too severe, however great his talent or devotion, labors under heavy handicap as compared with the chaplain who belongs to the outfit and in whom every man has a sense of ownership and pride," chaplains at a meeting here said.

Much discussion was devoted to the subject of the chaplains' rank and to answering criticism that commissions stand as a barrier between the private soldier and the army minister.

"Rank does not separate the enlisted man from the chaplain," according to council statement. "It serves rather to assure the soldier, whatever his grade, that the representative of religion in the army has been deemed worthy of respect, just as in civil life the community finds various ways to show distinctive honor to the clergyman."

A plea was made by the meeting for sending chaplains especially to posts and on foreign stations, where out-of-the-way posts: "In isolated out to military service without adequate or thorough preparation to safeguard their moral and spiritual interests."

"no churches are accessible, these men should not be left without religious privileges."

The increase in chaplains should keep pace with the increased army personnel, they insisted.

"If other officers are to be trained and organized for possible service, chaplains should also be organized and trained, unless the nation is willing to face the possibility of large bodies of American youth called to military service with adequate or thorough preparation to safeguard their moral and spiritual interests."

DID YOU EVER STOP TO THINK

By E. R. Waite, Secretary Shawnee, Okla., Board of Commerce.

That everyone should get busy and make their city a more prosperous city.

That there should be many get-together meetings to discover ways and means for the creation of greater business activity.

That better business for the home city will depend on what the citizens do themselves.

That most cities have been built by the business men who have had faith in their city.

That manufacturing should be developed. Small factories properly supported, usually grow into large factories.

That newspapers are always ready to cooperate and take the lead in giving the expressions of the community spirit in a large way, and will always boost anything that tends to make better business.

That cities, like individuals, have vocations and the destiny and development of most cities should be guided by a close adherence to the resources which nature has bestowed upon them.

That many individuals would gladly cooperate in helping the home city if invited to do so.

People should not mark time waiting for someone to invite them to help the home city. They should just get busy; they will soon make a place for themselves; they are welcome; if somebody overlooked them it was not intentionally. They should get in the game of building a busier city and do it quickly.

One Life Forfeit, Another Slipping, Because of Crash

ELECTRA, May 11.—Charles Seals of Electra was instantly killed and O. E. Richardson, also of this place was seriously hurt Saturday afternoon when they were thrown from a car that ran into a Peerless sedan, driven by Mrs. W. T. Waggoner, prominent resident of Electra.

The accident occurred, according to Mrs. Waggoner, when Seals and Richardson, accompanied by two other men in a Ford car, were driving along behind her on an Electra street. The car suddenly sped forward and crashed into the back of the Peerless, throwing the two men out of the car and onto the pavement. Seals fell on his head and was dead when help arrived. Richardson, who was in the back seat with Seals also fell on his head but was not fatally hurt. The other two men, a brother of Seals and Paul Smith, sitting in the front of the Ford, were not injured beyond minor bruises, though the car turned over twice.

MOTHERHOOD!

Waco, Texas.—"I am well pleased with the benefits which I received from the use of Dr. Pierce's Favorite Prescription."

"My baby is now thirteen months old and I can truthfully say that I took the 'Favorite Prescription' during expectancy and that it was a very great benefit to me. I also took it after I became a mother and it built me up in strength and helped me in every way. My baby is stout and healthy, too."—Mrs. H. E. Ahern, 2021 S. 5th St.

At all dealers, or send 10c to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for trial package.

NEW METHOD OF BUYING SPECIAL DELIVERY STAMP

HOUSTON, May 11.—It required ingenuity plus money to put this over. A Houstonian in Mexico desired fast action on a letter to his wife. He was unable to purchase a special delivery stamp.

So he purchased an extra stamp, stuck it over a thin dime on the corner of the envelope, and wrote the postmaster a note asking that a special delivery stamp be substituted upon its arrival. The postmaster complied with the request.

TEXAS Is Particular

Every day finds more families in Texas enjoying perfectly baked pies, cakes, biscuits, muffins, etc., because the housewives are particular about the baking powder they use, and they always insist upon having

CALUMET
 THE WORLD'S GREATEST BAKING POWDER

There isn't an ingredient used in baking that is as vital to success as baking powder. Remember, one spoonful of an inferior leavener can ruin a dollar's worth of other ingredients.

You save when you buy Calumet because the pound can contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans.

You save when you use it because it goes farther than many other brands—lasts longer—makes more and better bakings.

Don't risk ruining your bakings all because of a change of baking powder.

EVERY INGREDIENT USED OFFICIALLY APPROVED BY U. S. FOOD AUTHORITIES

Sales 2 1/2 Times Those of Any Other Brand

Now is the time to buy your

With prices and terms the lowest in history, there has never been a better time than now to buy a Ford car.

Perhaps you do not realize how little actual cash it requires. You can get quick delivery with only a small partial payment.

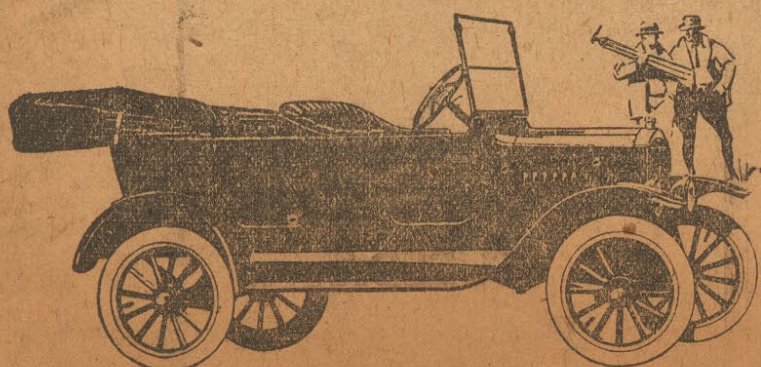

BALLOON You will find that the Ford meets every motoring requirement. It will deliver you years of dependable and useful service at comfortably low upkeep cost. Investigate the easy Ford plan to buy a car.
